Explanation of Responses:

1. The price reported is a weighted average price. These shares were sold in multiple transactions at prices ranging from \$69.49917 to \$69.935 inclusive. The Reporting Person undertakes to provide to the Issuer, any security holder of the Issuer, or the staff of the Securities and Exchange Commission, upon request, full information regarding the number of shares sold at each separate price within the range set forth in this footnote.

2. Gives effect to pro rata distributions of shares by Revolution Growth GP III, LP ("RG GP III") to its general and limited partners, and the subsequent distribution of shares by the general partner to its members, in each case for no consideration, which represented a change in the form of the Reporting Person's ownership that was not required to be reported under Section 16. The Reporting Person is a member of the investment committee of the ultimate general partner of RG GP III.

Remarks:

This amendment is being filed to disclose the price range for which the shares were sold.
