We are sending you this Information Statement to notify you that on August 8, 2025, stockholders holding a majority of the voting power of our outstanding capital stock (the "Majority Holder"), pursuant to and in accordance with Nevada Revised Statutes ("NRS") 78.320, 78.385, 78.390 and 78.403, approved the Amended and Restated Articles of Incorporation of the Company (the "Amended Articles"), to among other things, waive jury trials for internal actions in conformity with recent amendments to Nevada law, opt the Company out of certain statutory requirements regarding dividends and other distributions pursuant to NRS 78.288(2)(b) and opt out of the provisions of Nevada's "combinations with interested stockholders" statutes (NRS 78.411 to 78.444).

Please note that the votes already received from the Majority Holder are sufficient to satisfy the stockholder vote requirement for this action under Nevada law and our current articles of incorporation and bylaws, and consequently no additional stockholder votes will be needed to approve the actions.

**INFORMATION STATEMENT PURSUANT TO SECTION 14(C) OF
THE SECURITIES EXCHANGE ACT OF 1934 AND REGULATION 14C THEREUNDER**

This Information Statement is being sent by mail to all record and beneficial owners at the close of business on the Record Date of the Class A common stock, \$0.0001 par value per share (the "Class A Common Stock") and Class B common stock, \$0.0001 par value per share (the "Class B Common Stock" and, together with the Class A Common Stock, the "Common Stock"), of Tempus AI, Inc., a Nevada corporation, which we refer to herein as "the Company," "we," "our" or "us." The mailing date of this Information Statement is on or about August 18, 2025. The Information Statement has been filed with the Securities and Exchange Commission (the "SEC") and is being furnished, pursuant to Regulation 14C of the Exchange Act, to notify our stockholders of actions being taking pursuant to a written consent executed by stockholders holding a majority of the voting power of our outstanding capital stock, in lieu of a meeting of stockholders.

On the Record Date, there were 168,683,769 shares of Class A Common Stock issued and outstanding and 5,043,789 shares of Class B Common Stock issued and outstanding. Our Class A Common Stock entitles holders thereof to one vote per share and our Class B Common Stock entitles holders thereof to 30 votes per share, voting together as a single class.

NO VOTE OR OTHER CONSENT OF OUR STOCKHOLDERS IS SOLICITED IN CONNECTION WITH THIS INFORMATION STATEMENT. WE ARE NOT ASKING YOU FOR A PROXY AND YOU ARE REQUESTED NOT TO SEND US A PROXY.

Our Board of Directors (the "Board") unanimously approved the Amended Articles on August 7, 2025, subject to the Company obtaining the required stockholder approval thereof. On August 8, 2025, the Majority Holder, beneficially owning 39,142,245 shares of our issued and outstanding Class A Common Stock and 5,043,789 shares of our issued and outstanding Class B Common Stock, by written consent in lieu of a meeting (the "Written Consent") approved the Amended Articles. As of the Record Date, the Majority Holder held approximately 59.5% of the voting power of our outstanding capital stock. No other corporate actions to be taken by stockholder written consent were considered. Because the action was approved by the written consent of the Majority Holder beneficially owning a majority of the voting power of our outstanding voting capital stock, no proxies are being solicited with this Information Statement. We are not aware of any substantial interest, direct or indirect, by security holders or otherwise, that is in opposition to matters of action being taken. In addition, the action to be taken by majority written consent in lieu of a special stockholder meeting does not create any appraisal or dissenter's rights under the NRS. The consent we received from the Majority Holder constitutes the only stockholder approval required under the NRS, applicable Nasdaq listing rules and our current articles of incorporation (the "Current Articles") and bylaws.

Our Board determined to pursue stockholder action by majority written consent in an effort to reduce the costs and management time required to hold a meeting of stockholders and to implement the above action in a timely manner. Under Section 14(c) of the Exchange Act, actions taken by written consent without a meeting of stockholders cannot become effective until at least 20 calendar days after the mailing date of this Information Statement. We are not seeking written consent from any stockholders other than the consent of the Majority Holder already received, and our other stockholders will not be given an opportunity to vote with respect to the actions taken. All necessary corporate approvals have been obtained, and this Information Statement is furnished solely for the purpose of advising stockholders of the actions taken by written consent and giving stockholders advance notice of the actions taken.

OUTSTANDING VOTING SECURITIES AND CONSENTING STOCKHOLDERS

On August 8, 2025, the Majority Holder beneficially owning 39,142,245 shares of Class A Common Stock and 5,043,789 shares of Class B Common Stock (representing approximately 59.5% of the total voting power of our outstanding capital stock) executed and delivered to the Board the Written Consent approving the Amended Articles. The Written Consent is sufficient under the NRS and our Current Articles and our bylaws to approve and adopt the action described in this Information Statement. Consequently, no further stockholder action is required.

As of the date of the Written Consent, we had issued and outstanding approximately 168,683,769 shares of Class A Common Stock and 5,043,789 shares of Class B Common Stock. Our Class A Common Stock entitles holders thereof to one vote per share and our Class B Common Stock entitles holders thereof to 30 votes per share, voting together as a single class.

Pursuant to NRS 78.320 , unless otherwise provided in the Current Articles or our bylaws, any corporate action required to be taken at a meeting of stockholders may be taken without a meeting, without prior notice and without a vote, if a consent or consents in writing, setting forth the action so taken, shall be signed by stockholders having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting at which all shares entitled to vote thereon were present and voted.

Our Board and stockholders holding a majority of the voting power of our outstanding capital stock have approved the Amended Articles. Following 20 calendar days after the furnishing of this Information Statement to stockholders, the Company will be able to, and will, file the Amended Articles with the Nevada Secretary of State . Our Board reserves the right to abandon or delay the filing of the Amended Articles despite receipt of stockholder approval.

APPROVAL OF THE AMENDMENT

Amendment

In light of recent amendments to the NRS, the Board unanimously approved, and the Majority Holder approved, the Amended Articles, pursuant to NRS 78.320, 78.385, 78.390 and 78.403, to among other things, waive jury trials for internal actions in conformity with such recent NRS amendments, opt the Company out of certain statutory requirements regarding dividends and other distributions pursuant to NRS 78.288(2)(b) and opt out of the provisions of Nevada's "combinations with interested stockholders" statutes (NRS 78.411 to 78.444).

Reasons and Background for the Amendment

Following recent amendments to the NRS pursuant to Assembly Bill No. 239 enacted by the Nevada Legislature, which became effective May 30, 2025, the Board has determined that it is advisable and in the best interests of the Company and its stockholders to, among other things, amend the Current Articles to provide for a waiver of the right to trial by jury for all "internal actions" (as defined in NRS 78.046).

The Amended Articles provide that to the fullest extent not inconsistent with any applicable U.S. federal laws, any and all "internal actions" (as defined in NRS 78.046) must be tried in a court of competent jurisdiction before the presiding judge as a trier of fact and not before a jury. As provided in the recent NRS amendments, this provision of the Amended Articles will operate as a waiver of the right to trial by jury by each party to any such internal action.

In connection with consideration of the Amended Articles with respect to the above, the Company considered additional matters in evaluating the need for, and the specific provisions of, the Amended Articles.

NRS 78.191 defines a "distribution" as a direct or indirect transfer of money or other property (which would include cash dividends), other than the corporation's own shares or the incurrence by the corporation of indebtedness, to or for the benefit of all holders of shares of any one or more classes or series of the capital stock of the corporation, with respect to such shares. NRS 78.288 prohibits a distribution, if, after giving effect to such distribution, (a) the corporation would not be able to pay its debts as they become due in the usual course of business, or (b) unless otherwise provided for in the corporation's articles of incorporation, the corporation's total assets would be less than the sum of its total liabilities plus the amount that would be needed at the time of a dissolution to satisfy the preferential rights of preferred stockholders. The Current Articles do not provide for flexibility for the Company on these distribution restrictions despite such flexibility being permitted under Nevada law. The Amended Articles will provide for such flexibility by opting out of the limitation imposed by NRS 78.288(2)(b).

Nevada's "combinations with interested stockholders" statutes (NRS 78.411 to 78.444, inclusive), impose a moratorium of up to four years, depending on the circumstances, on certain business combinations with interested stockholders. An interested stockholder is generally defined as a beneficial owner of 10% or more of the voting power. The initial two-year moratorium can be avoided by advance approval of the combination, or the transaction by which such person first becomes an interested stockholder, by a corporation's board of directors. Absent such advance approval, however, during the first two years after a person becomes an interested stockholder, a combination with the interested stockholder must be approved by a corporation's board of directors and 60% of the corporation's voting power not beneficially owned by the interested stockholder, its affiliates and associates, at a meeting of the stockholders. After the initial two-year period, up to four years from the date the person first became an interested stockholder, a combination remains prohibited unless: (i) the combination or the transaction by which the person became an interested stockholder is approved by the board of directors before the person became an interested stockholder; (ii) the combination is approved by a majority of the outstanding voting power not beneficially owned by the interested stockholder and its affiliates and associates; or (iii) the consideration to be received by the disinterested stockholders satisfies certain requirements. The combinations statutes in Nevada apply only to "resident domestic corporations," defined in NRS 78.427(1) as a Nevada corporation with 200 or more stockholders of record (as defined in NRS

78.010(1)(k)). Nevada corporations are entitled to opt out of the “combinations with interested stockholders” statutes, but the Company did not include such an opt out under the Current Charter. However, the Company will opt out of the restrictions of these statutes in the Amended Articles before the Company has become a resident domestic corporation, in accordance with NRS 78.434(5).

In connection with consideration of the Amended Articles, management of the Company and the Board consulted the Company’s independent legal advisors, including the Company’s Nevada counsel.

A copy of the full text of the Amended Articles is included as Appendix A-1 to this Information Statement. A copy of the Amended Articles showing the changes from the Current Articles, with deleted text shown in strikethrough and added text shown as double-underlined, is included as Appendix A-2 to this Proxy Statement.

No Dissenter’s or Appraisal Rights

No dissenter’s or appraisal rights under the NRS are afforded to our stockholders as a result of the approval of the Amended Articles. The consent we received from the Majority Holder constitutes the only stockholder approval required under the NRS, applicable Nasdaq listing rules and our Current Articles and bylaws.

Vote Required

The vote required to approve the Amended Articles was the affirmative vote of the holders of a majority of the voting power of our outstanding shares of capital stock. Our Class A Common Stock entitles holders thereof to one vote per share and our Class B Common Stock entitles holders thereof to 30 votes per share, voting together as a single class.

On the Record Date, there were 168,683,769 shares of Class A Common Stock outstanding and entitled to vote and 5,043,789 shares of Class B Common Stock outstanding and entitled to vote.

Vote Obtained

NRS 78.320 and our bylaws collectively provide that any action which may be taken at any annual or special meeting of stockholders may be taken without a meeting, without notice and without a vote, via written consent of the holders of outstanding stock having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting at which all shares entitled to vote thereon were present and voted.

As of the date of the Written Consent, the Majority Holder held approximately 59.5% of the voting power of our outstanding voting capital stock.

No Stockholder Notice Required Under the NRS

Pursuant to NRS 78.320(3), in no instance where action is authorized by written consent need a meeting of stockholders be called or notice given.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

No person who has been a director or officer of the Company at any time since the beginning of the last fiscal year, nominee for election as a director of the Company, nor associates of the foregoing persons have any substantial interest, direct or indirect, in the proposed Amended Articles which differs from that of other stockholders of the Company.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth certain information regarding the ownership of our capital stock as of August 8, 2025 by:

- each named executive officer;
- each of our directors;
- our directors and executive officers as a group; and
- each other person or entity known by us to own beneficially more than 5% of our Class A common stock and Class B common stock (by number or by voting power).

We have determined beneficial ownership in accordance with the rules and regulations of the SEC, and the information is not necessarily indicative of beneficial ownership for any other purpose. Except as indicated by the footnotes below, we believe, based on information furnished to us, that the persons and entities named in the table below have sole voting and sole investment power with respect to all shares that they beneficially own, subject to applicable community property laws.

The percentage ownership of Class A common stock and Class B common stock is based on 168,683,769 shares of Class A common stock and 5,043,789 shares of Class B common stock, respectively, outstanding as of August 8, 2025. In computing the number of shares beneficially owned by a person and the percentage ownership of such person, we deemed to be outstanding all shares subject to RSUs held by the person that would vest within 60 days of August 8, 2025. However, except as described above, we did not deem such shares outstanding for the purpose of computing the percentage ownership of any other person.

Unless otherwise indicated, the address for each beneficial owner listed in the table below is c/o Tempus AI, Inc., 600 West Chicago Avenue, Suite 510 Chicago, Illinois 60654.

IV.

A. The Company is authorized to issue two classes of stock to be designated, respectively, “*Common Stock*” (the “*Common Stock*”) and “*Preferred Stock*” (the “*Preferred Stock*”). The total number of shares of Common Stock that the Company is authorized to issue is 1,005,500,000 shares, 1,000,000,000 shares of which shall be designated as a series of Common Stock denominated as “*Class A Common Stock*” (the “*Class A Common Stock*”) and 5,500,000 shares of which shall be designated as a series of Common Stock denominated as “*Class B Common Stock*” (the “*Class B Common Stock*”). The total number of shares of Preferred Stock that the Company is authorized to issue is 20,000,000 shares. The Preferred Stock shall have a par value of \$0.0001 per share and the Common Stock shall have a par value of \$0.0001 per share.

B. Subject to the restrictions of Section 4(d) of Part D of Article IV, the Preferred Stock may be issued from time to time in one or more series. The Board of Directors of the Company is hereby expressly authorized by resolution or resolutions to provide for the issue of all or any of the shares of the Preferred Stock in one or more series, and to fix the number of shares of such shares and to determine for each such series, such voting powers, full or limited, or no voting powers, and such designation, preferences, and relative, participating, optional, or other rights and such qualifications, limitations, or restrictions thereof, as permitted by the NRS and as shall be stated and expressed in the resolution or resolutions adopted by the Board of Directors and the certificate of designation for such series filed with the Nevada Secretary of State providing for the issuance of shares of such series. The Board of Directors is also expressly authorized to increase (but not above the authorized number of shares of Preferred Stock) or decrease (but not below the number of shares of such series then outstanding) the number of shares of any series subsequent to the issuance of shares of that series.

C. The number of authorized shares of Preferred Stock, Class A Common Stock or Class B Common Stock may be increased or decreased (but not below the number of shares thereof then outstanding) by the affirmative vote of the holders of a majority of the voting power of all of the outstanding shares of stock of the Company

entitled to vote thereon, without a separate vote of the holders of the Preferred Stock, or of any series thereof, Class A Common Stock or Class B Common Stock unless a vote of any such holders is required pursuant to the terms of any Certificate of Designation filed with respect to any series of Preferred Stock.

D. Except as provided above, the rights, preferences, privileges, restrictions and other matters relating to the Class A Common Stock and Class B Common Stock are as follows:

(m) “**Parent**” of an Entity means any Entity that directly or indirectly owns or controls a majority of the voting power of the voting securities or interests of such Entity.

(n) “**Permitted Entity**” means any of the following:

(ii) a trust under the terms of which the Founder has retained a “qualified interest” within the meaning of §2702(b) of the Internal Revenue Code of 1986 (as amended, the “**Internal Revenue Code**”) or a reversionary interest so long as the Founder has exclusive Disposition Control and exclusive Voting Control with respect to the shares of Class B Common Stock held by such trust;

(iv) a trust under the terms of which the Founder has the power to revest in the Founder title to the trust property, if such power is exercisable solely by the Founder without the approval or consent of any other person or with the consent of a “related or subordinate party” within the meaning of §672(c) of the Internal Revenue Code, provided that exclusive Disposition Control and exclusive Voting Control over shares of Class B Common Stock held by such trust is at all times held by one or both of (i) the Qualified Trustee (ii) the Founder or a Permitted Entity; and provided, in the event a Qualified Trustee resigns as trustee, or becomes ineligible to

(v) an Individual Retirement Account, as defined in Section 408(a) of the Internal Revenue Code, or a pension, profit sharing, stock bonus or other type of plan or trust of which the Founder is a participant or beneficiary and which satisfies the requirements for qualification under Section 401 of the Internal Revenue Code; provided that in each case the Founder has exclusive Disposition Control and exclusive Voting Control with respect to the shares of Class B Common Stock held in such account, plan or trust;

(vi) a charitable organization, foundation or similar Entity organized and operated primarily for religious, scientific, literary, education or a charitable purpose (a “**Qualified Charity**”) so long as the Founder, directly, or indirectly through one or more other Permitted Entities, or a Qualified Trustee of a Qualified Trust, retains exclusive Disposition Control and exclusive Voting Control with respect to the shares of Class B Common Stock held by such Qualified Charity, it being understood that the Founder shall be deemed for all purposes hereof to retain exclusive Disposition Control and exclusive Voting Control with respect to the shares of Class B Common Stock held of record by such Qualified Charity as long as the Founder, a Permitted Entity, or a Qualified Trustee of a Qualified Trust has the right to, directly or indirectly, elect and remove such number of the members of the board of directors, managers or other similar persons in such Qualified Charity who have sufficient voting or other power to direct or exercise the Voting Control and Disposition Control of the shares of Class B Common Stock held of record by such Qualified Charity; provided such Transfer does not involve any payment of cash, securities, property or other consideration (other than an interest in such Qualified Charity) to the Founder or such Permitted Entity, as applicable;

(vii) an estate, so long as the Founder has exclusive Disposition Control and exclusive Voting Control with respect to the shares of Class B Common Stock held by such estate; and

(viii) any Entity (each, a “**Founder Entity**”) in which the Founder, directly, or indirectly through one or more Permitted Entities, or a Qualified Trustee of a Qualified Trust, owns or controls shares, membership interests or other voting interests with sufficient voting control in the Entity, or otherwise has legally enforceable rights, such that the Founder retains exclusive Disposition Control and exclusive Voting Control with respect to the shares of Class B Common Stock held of record by such Founder Entity, it being understood that the Founder shall be deemed for all purposes hereof to retain exclusive Disposition Control and exclusive Voting Control with respect to the shares of Class B Common Stock held of record by such Founder Entity as long as the Founder, a Permitted Entity, or a Qualified Trustee of a Qualified Trust has the right to, directly or indirectly, elect and remove such number of the members of the board of directors, managers or other similar persons in a Founder Entity who have sufficient voting or other power to direct or exercise the Voting Control and Disposition Control of the shares of Class B Common Stock held of record by such Founder Entity.

For the sake of clarity, in this Section 1(n), the Founder will be deemed to have exclusive Disposition Control and exclusive Voting Control over shares of Class B Common Stock held by a person if a Permitted Entity or, in the case of a Qualified Trust, a Qualified Trustee has exclusive Disposition Control and exclusive Voting Control over such shares.

(o) “**Permitted Transfer**” means, and is restricted to, any Transfer of a share of Class B Common Stock:

(i) by a Qualified Stockholder who is a natural person (including a natural person serving in a trustee capacity with regard to a trust for the benefit of himself or herself and/or his or her Family Members), to the trustee of a Permitted Entity that is a trust of such Qualified Stockholder or to such Qualified Stockholder in his or her individual capacity or as a trustee of a Permitted Entity that is a trust;

(ii) by the trustee of a Permitted Entity that is a trust of a Qualified Stockholder, to such Qualified Stockholder, the trustee of any other Permitted Entity that is a trust of such Qualified Stockholder or any Permitted Entity of such Qualified Stockholder;

(iii) by a Qualified Stockholder to any Permitted Entity of such Qualified Stockholder; or

(iv) by a Permitted Entity of a Qualified Stockholder to such Qualified Stockholder or any other Permitted Entity, or the trustee of a Permitted Entity that is a trust of such Qualified Stockholder.

(p) “*Permitted Transferee*” means a transferee of shares of Class B Common Stock received in a Transfer that constitutes a Permitted Transfer.

(q) “*Qualified Stockholder*” means (i) the Founder, (ii) any record holder of a share of Class B Common Stock at the Effective Time, and (iii) a Permitted Transferee.

(r) “*Trading Day*” means any day on which The Nasdaq Stock Market, or any national stock exchange under which the Company’s equity securities are listed for trading, is open for trading.

(s) “*Transfer*” of a share of Class B Common Stock means any sale, assignment, transfer, conveyance, hypothecation or other transfer or disposition of such share or any legal or beneficial interest in such share, whether or not for value and whether voluntary or involuntary or by operation of law, including, without limitation, a transfer of a share of Class B Common Stock to a broker or other nominee (regardless of whether there is a corresponding change in beneficial ownership), or the transfer of, or entering into a binding agreement with respect to, Voting Control over such share by proxy or otherwise; provided, however, that the following shall not be considered a “*Transfer*” within the meaning of this Article IV:

(i) the granting of a revocable proxy to officers or directors of the Company at the request of the Board of Directors in connection with actions to be taken at an annual or special meeting of stockholders;

(ii) the existence of any proxy granted prior to the Effective Time or the amendment or expiration of any such proxy;

(iii) entering into a voting trust, agreement or arrangement (with or without granting a proxy) solely with stockholders who are holders of Class B Common Stock that (A) is disclosed either in a Schedule 13D filed with the Securities and Exchange Commission or in writing to the Secretary of the Company, (B) either has a term not exceeding one year or is terminable by the holder of the shares subject thereto at any time and (C) does not involve any payment of cash, securities, property or other consideration to the holder of the shares subject thereto other than the mutual promise to vote shares in a designated manner;

(iv) the pledge of shares of Class B Common Stock by a stockholder that creates a mere security interest in such shares pursuant to a bona fide loan or indebtedness transaction for so long as such stockholder continues to exercise exclusive Voting Control over such pledged shares; provided, however, that a foreclosure on such shares or other similar action by the pledgee shall constitute a “*Transfer*” unless such foreclosure or similar action qualifies as a “*Permitted Transfer*”; or

(v) entering into, or reaching an agreement, arrangement or understanding regarding, a support or similar voting or tender agreement (with or without granting a proxy) in connection with a Liquidation Event, Asset Transfer or Acquisition that has been approved by the Board of Directors.

A “*Transfer*” shall also be deemed to have occurred with respect to a share of Class B Common Stock beneficially held by (i) a Permitted Transferee on the date that such Permitted Transferee ceases to meet the qualifications to be a Permitted Transferee of the Qualified Stockholder who effected the Transfer of such shares

to such Permitted Transferee, or (ii) an Entity that is a Qualified Stockholder, if there occurs a Transfer on a cumulative basis, from and after the Effective Time, of a majority of the voting power of the voting securities of such Entity or any Parent of such Entity, other than a Transfer to parties that were, as of the Effective Time, holders of voting securities of any such Entity or Parent of such Entity.

(t) “**Voting Control**” means, with respect to a share of Class B Common Stock, the power (whether exclusive or shared) to vote or direct the voting, directly or indirectly, of such share by proxy, voting agreement or otherwise.

2. Rights Relating To Dividends and Other Distributions, Subdivisions and Combinations.

(a) Subject to the prior rights of holders of any Preferred Stock at the time outstanding having prior rights as to dividends or other distributions, the holders of the Class A Common Stock and Class B Common Stock shall be entitled to receive, when, as and if declared by the Board of Directors, out of any assets of the Company legally available therefor, such dividends or other distributions as may be declared from time to time by the Board of Directors. Except as permitted in Section 2(b) of this Part D of Article IV, any dividends or other distributions paid to the holders of shares of Class A Common Stock and Class B Common Stock shall be paid pro rata, on an equal priority, *pari passu* basis, unless different treatment of the shares of each such class is approved by the affirmative vote of the holders of a majority of the outstanding shares of Class A Common Stock and a majority of the outstanding shares of Class B Common Stock, each voting separately as a class.

(b) The Company shall not declare or pay any dividend or make any other distribution to the holders of Class A Common Stock or Class B Common Stock payable in securities of the Company unless the same dividend or distribution with the same record date and payment date shall be declared and paid on all shares of Common Stock; provided, however, that (i) dividends or other distributions payable in shares of Class A Common Stock or rights to acquire shares of Class A Common Stock may be declared and paid to the holders of Class A Common Stock without the same dividend or distribution being declared and paid to the holders of the Class B Common Stock if, and only if, a dividend or other distribution payable in shares of Class B Common Stock, or rights to acquire shares of Class B Common Stock, as applicable, are declared and paid to the holders of Class B Common Stock at the same rate and with the same record date and payment date; and (ii) dividends or other distributions payable in shares of Class B Common Stock or rights to acquire shares of Class B Common Stock may be declared and paid to the holders of Class B Common Stock without the same dividend or distribution being declared and paid to the holders of the Class A Common Stock if, and only if, a dividend or other distribution payable in shares of Class A Common Stock, or rights to acquire shares of Class A Common Stock, as applicable, are declared and paid to the holders of Class A Common Stock at the same rate and with the same record date and payment date.

(c) If the Company in any manner subdivides or combines (including by reclassification) the outstanding shares of Class A Common Stock or Class B Common Stock, then the outstanding shares of all Common Stock will be subdivided or combined in the same proportion and manner.

3. Liquidation Rights. In the event of a Liquidation Event, upon the completion of the distributions required with respect to any Preferred Stock that may then be outstanding, the remaining assets of the Company legally available for distribution to stockholders, or consideration payable to the stockholders of the Company, in the case of an Acquisition constituting a Liquidation Event, shall be distributed on an equal priority, *pro rata* basis to the holders of Class A Common Stock and Class B Common Stock (and the holders of any Preferred Stock then outstanding, if and to the extent required by the Articles of Incorporation), unless different treatment of the shares of each such class is approved by the affirmative vote of the holders of a majority of the outstanding shares of Class A Common Stock and a majority of the outstanding shares of Class B Common Stock, each voting separately as a class (in addition to any vote or consent of the holders of any Preferred Stock then outstanding, if and to the extent required by the Articles of Incorporation); provided, however, for the avoidance of doubt, compensation pursuant to any employment, consulting, severance or other compensatory arrangement

to be paid to or received by a person who is also a holder of Class A Common Stock, Class B Common Stock or Preferred Stock does not constitute consideration or a “distribution to stockholders” in respect of the Class A Common Stock, Class B Common Stock or Preferred Stock.

4. Voting Rights.

(a) **Class A Common Stock.** Each holder of shares of Class A Common Stock shall be entitled to one (1) vote for each share thereof held.

(b) **Class B Common Stock.** Each holder of shares of Class B Common Stock shall be entitled to thirty (30) votes for each share thereof held.

(c) **Voting Generally.** Except as required by law or as otherwise set forth herein, the holders of Preferred Stock, Class A Common Stock and Class B Common Stock shall vote together and not as separate series or classes. Except as otherwise required by applicable law or as otherwise set forth herein, holders of Class A Common Stock and Class B Common Stock, as such, shall not be entitled to vote on any amendment to the Articles of Incorporation that relates solely to the terms of one or more outstanding series of Preferred Stock if the holders of such affected series are entitled, either separately or together with the holders of one or more other such series, to vote thereon pursuant to the Articles of Incorporation or applicable law.

(d) **Class B Common Stock Protective Provisions.** Notwithstanding anything herein to the contrary, so long as any shares of Class B Common Stock remain outstanding, the Company shall not, without the approval by vote or written consent of the holders of a majority of the outstanding shares Class B Common Stock, voting together as a separate class, directly or indirectly, or whether by amendment, or through merger, recapitalization, consolidation or otherwise:

(i) amend, alter, or repeal any provision of the Articles of Incorporation or the bylaws of the Company (as amended and/or restated from time to time, the “*Bylaws*”) in a manner that modifies the voting, conversion or other powers, preferences, or other special rights or privileges, or restrictions of the Class B Common Stock;

(ii) reclassify any outstanding shares of Class A Common Stock into shares having rights as to dividends or other distributions, or liquidation, that are senior to the Class B Common Stock or the right to more than one vote for each share thereof;

(iii) issue any shares of Preferred Stock having the power (whether exclusive or shared) to vote, or direct the voting of such shares by proxy, voting agreement or otherwise, equal or superior to the Voting Control; or

(iv) issue any additional shares of Class B Common Stock or other securities convertible into shares of Class B Common Stock, except for the issuance of Class B Common Stock issuable upon a dividend or other distribution payable in accordance with Section 2(b) of this Part D of Article IV.

5. Optional Conversion.

(a) Optional Conversion of the Class B Common Stock.

(i) At the option of the holder thereof, each share of Class B Common Stock shall be convertible, at any time or from time to time, into one fully paid and nonassessable share of Class A Common Stock as provided herein.

(ii) Each holder of Class B Common Stock who elects to convert the same into shares of Class A Common Stock shall surrender the certificate or certificates therefor (if any), duly endorsed, at the office

of the Company or any transfer agent for the Class B Common Stock, and shall give written notice to the Company at such office that such holder elects to convert the same and shall state therein the number of shares of Class B Common Stock being converted. Such conversion shall be deemed to have been made immediately prior to the close of business on the date of such surrender of the certificate or certificates representing the shares of Class B Common Stock to be converted, or, if the shares are uncertificated, immediately prior to the close of business on the date that the holder delivers notice of such conversion to the Company's transfer agent and the person entitled to receive the shares of Class A Common Stock issuable upon such conversion shall be treated for all purposes as the record holder of such shares of Class A Common Stock at such time.

6. Automatic Conversion.

(a) Automatic Conversion of the Class B Common Stock. Each share of Class B Common Stock shall automatically be converted into one fully paid and nonassessable share of Class A Common Stock upon a Transfer, other than a Permitted Transfer, of such share of Class B Common Stock. Such conversion shall occur automatically without the need for any further action by any holder of such share and whether or not the certificate(s) representing such share (if any) are surrendered to the Company or its transfer agent; provided, however, that the Company shall not be obligated to issue certificates evidencing the shares of Class A Common Stock issuable upon such conversion unless the certificates evidencing such shares of Class B Common Stock to be so converted are either delivered to the Company or its transfer agent as provided below, or the holder notifies the Company or its transfer agent that such certificates have been lost, stolen or destroyed and executes an agreement satisfactory to the Company to indemnify the Company from any loss incurred by it in connection with such certificates. Upon the occurrence of such automatic conversion of the Class B Common Stock, the holders of the shares of Class B Common Stock so converted shall surrender the certificate(s) representing such shares (if any) at the office of the Company or any transfer agent for the Class A Common Stock.

(b) Final Conversion. On the Final Conversion Date, each issued share of Class B Common Stock shall automatically, without any further action, convert into one share of Class A Common Stock. Following the Final Conversion Date, the Company may no longer issue any additional shares of Class B Common Stock. Such conversion shall occur automatically without the need for any further action by the holders of such shares and whether or not the certificate(s) representing such share (if any) are surrendered to the Company or its transfer agent; provided, however, that the Company shall not be obligated to issue certificates evidencing the shares of Class A Common Stock issuable upon such conversion unless the certificates evidencing such shares of Class B Common Stock to be so converted are either delivered to the Company or its transfer agent as provided below, or the holder notifies the Company or its transfer agent that such certificates have been lost, stolen or destroyed and executes an agreement satisfactory to the Company to indemnify the Company from any loss incurred by it in connection with such certificates. Upon the occurrence of such automatic conversion of the Class B Common Stock, the holders of the shares of Class B Common Stock so converted shall surrender the certificate(s) representing such shares (if any) at the office of the Company or any transfer agent for the Class A Common Stock.

(c) Procedures. The Company may, from time to time, establish such policies and procedures relating to the conversion of Class B Common Stock to Class A Common Stock and the general administration of this dual class stock structure, including the issuance of stock certificates (or the establishment of book-entry positions) with respect thereto, as it may deem reasonably necessary or advisable, and may from time to time request that holders of shares of Class B Common Stock furnish certifications, affidavits or other proof to the Company as it deems necessary to verify the ownership of Class B Common Stock and to confirm that a conversion to Class A Common Stock has not occurred. A determination by the Secretary of the Company as to whether a Transfer results in a conversion to Class A Common Stock shall be conclusive and binding.

(d) Immediate Effect. In the event of a conversion of shares of Class B Common Stock to shares of Class A Common Stock pursuant to this Section 6 of Part D of Article IV, such conversion(s) shall be deemed to have been made at the time that the Transfer of shares occurred or immediately upon the Final Conversion Date, as applicable. Upon any conversion of Class B Common Stock to Class A Common Stock, all rights of the

holder of shares of Class B Common Stock shall cease and the person or persons in whose names or names the certificate or certificates (or book-entry position(s)) representing the shares of Class A Common Stock are to be issued shall be treated for all purposes as having become the record holder or holders of such shares of Class A Common Stock.

7. Redemption. The Common Stock is not redeemable.

8. Reservation of Stock Issuable Upon Conversion. The Company shall at all times reserve and keep available out of its authorized but unissued shares of Class A Common Stock, solely for the purpose of effecting the conversion of the shares of the Class B Common Stock, as applicable, such number of its shares of Class A Common Stock as shall from time to time be sufficient to effect the conversion of all outstanding shares of Class B Common Stock; and if at any time the number of authorized but unissued shares of Class A Common Stock shall not be sufficient to effect the conversion of all then-outstanding shares of Class B Common Stock, as applicable, the Company will take such corporate action as may, in the opinion of its counsel, be necessary to increase its authorized but unissued shares of Class A Common Stock to such numbers of shares as shall be sufficient for such purpose.

9. Prohibition on Reissuance of Shares. Shares of Class B Common Stock that are acquired by the Company for any reason (whether by repurchase, upon conversion, or otherwise) shall be retired in the manner required by law and shall not be reissued as shares of Class B Common Stock or otherwise.

V.

For the management of the business and for the conduct of the affairs of the Company, and in further definition, limitation and regulation of the powers of the Company, of its directors and of its stockholders or any class thereof, as the case may be, it is further provided that:

A. Board of Directors.

1. Generally. Except as otherwise provided in the Articles of Incorporation or the NRS, the business and affairs of the Company shall be managed by or under the direction of the Board of Directors. The number of directors that shall constitute the Board of Directors shall be fixed exclusively by resolution(s) adopted by the Board of Directors; provided, however, that, notwithstanding the foregoing, until the Final Conversion Date, the number of directors that shall constitute the whole Board of Directors may also be fixed by a resolution approved by the affirmative vote of the holders of a majority of the voting power of the Class A Common Stock and Class B Common Stock, voting together as a single class.

2. Election.

(a) Directors shall be elected at each annual meeting of the stockholders to hold office until the next annual meeting.

(b) No stockholder entitled to vote at an election for directors may cumulate votes.

(c) Notwithstanding the foregoing provisions of this section, each director shall serve until his successor is duly elected and qualified or until his or her earlier death, resignation or removal. No decrease in the number of directors constituting the Board of Directors shall shorten the term of any incumbent director.

(d) Election of directors need not be by written ballot unless the Bylaws so provide.

(e) Advance notice of nominations for the election of directors or proposals or other business to be considered by stockholders, which are made by any stockholder of the Company, shall be given in the manner and to the extent provided in the Bylaws.

3. Removal of Directors. Subject to any limitations imposed by applicable law, removal of any director(s) shall be as provided in NRS 78.335.

4. Vacancies. Subject to any limitations imposed by applicable law and subject to the rights of the holders of any series of Preferred Stock, any vacancies on the Board of Directors resulting from death, resignation, disqualification, removal or other causes and any newly created directorships resulting from any increase in the number of directors shall be filled by the affirmative vote of (a) a majority of the directors then in office, even though less than a quorum of the Board of Directors, or by the sole remaining director, or (b) if such vacancy is created prior to the Final Conversion Date, the holders of a majority of the voting power of the outstanding shares of Class A Common Stock and Class B Common Stock, voting together as a single class. Any director elected in accordance with the preceding sentence shall hold office for the remainder of the full term of the director for which the vacancy was created or occurred and until such director's successor shall have been elected and qualified.

5. Preferred Directors. Notwithstanding anything herein to the contrary, during any period when the holders of any series of Preferred Stock, voting separately as a series or together with one or more series, have the right to elect additional directors, then upon commencement and for the duration of the period during which such right continues: (i) the then otherwise total authorized number of directors of the Company shall automatically be increased by such specified number of directors, and the holders of such Preferred Stock shall be entitled to elect the additional directors so provided for or fixed pursuant to said provisions; and (ii) each such additional director shall serve until such director's successor shall have been duly elected and qualified, or until such director's right to hold such office terminates pursuant to said provisions, whichever occurs earlier, subject to his or her earlier death, resignation, retirement, disqualification or removal. Except as otherwise provided by the Board of Directors in the resolution or resolutions establishing such series, whenever the holders of any series of Preferred Stock having such right to elect additional directors are divested of such right pursuant to the provisions of such stock, the terms of office of all such additional directors elected by the holders of such stock, or elected or appointed to fill any vacancies resulting from the death, resignation, disqualification or removal of such additional directors, shall forthwith terminate and the total authorized number of directors of the Company shall be reduced accordingly.

B. Stockholder Actions. Following the Final Conversion Date (i) no action shall be taken by the stockholders of the Company except at an annual or special meeting of stockholders called in accordance with the Bylaws and (ii) no action shall be taken by the stockholders by written consent. Advance notice of stockholder nominations for the election of directors and of business to be brought by stockholders before any meeting of the stockholders of the Company shall be given in the manner provided in the Bylaws. Prior to the Final Conversion Date, any action required or permitted to be taken by the stockholders of the Company at a meeting may be effected by consent in writing, by remote communication or electronic transmission of such stockholders in compliance with NRS 78.320.

C. Bylaws. Subject to the restrictions of Section 4(d) of Part D of Article IV, the Board of Directors is expressly empowered to adopt, amend or repeal the Bylaws. The stockholders shall also have power to adopt, amend or repeal the Bylaws; provided, however, that, any time after the Final Conversion Date, in addition to any vote of the holders of any class or series of stock of the Company required by law or by the Articles of Incorporation, such action by stockholders shall require the affirmative vote of the holders of at least 66 2/3% of the voting power of all of the then-outstanding shares of the capital stock of the Company entitled to vote generally in the election of directors, voting together as a single class.

D. Special Meetings of Stockholders. Special meetings of the stockholders (a) may be called, for any purpose as is a proper matter for stockholder action under the NRS, by (i) the Chairperson of the Board of Directors, (ii) the Chief Executive Officer, or (iii) the Board of Directors pursuant to a resolution adopted by a majority of the total number of authorized directors (whether or not there exist any vacancies in previously authorized directorships at the time any such resolution is presented to the Board of Directors for adoption), and

(b) until the Final Conversion Date, shall be called, for any purpose as is a proper matter for stockholder action under the NRS, by the Secretary of the Company upon the written request of stockholders of record entitled to cast not less than a majority of the votes at such special meeting, provided that such written request is in compliance with the Bylaws.

VI.

A. The liability of the directors and officers of the Company shall be eliminated or limited to the fullest extent permitted under applicable law, including the NRS. Without limiting the effect of the preceding sentence, if applicable law is amended after approval by the stockholders of this paragraph A of Article VI to authorize corporate action further eliminating or limiting the liability of directors and officers, then the liability of a director or officer of the Company shall be eliminated or limited to the fullest extent permitted by applicable law as so amended.

B. To the fullest extent permitted by applicable law, including the NRS and as may be provided for by the Company in the Bylaws or by agreement, the Company may provide indemnification of (and advancement of expenses to) directors, officers, and other agents of the Company (and any other persons to which applicable law permits the Company to provide indemnification) through Bylaw provisions, agreements with such agents or other persons, vote of stockholders or disinterested directors or otherwise. If applicable law is amended after approval by the stockholders of this paragraph B of Article VI to authorize corporate action further eliminating or limiting the personal liability of directors, then the liability of a director to the Company shall be eliminated or limited to the fullest extent permitted by applicable law as so amended.

C. Any repeal or modification of this Article VI shall only be prospective and shall not affect the rights under this Article VI in effect at the time of the alleged occurrence of any action or omission to act giving rise to liability.

D. Unless the Company consents in writing to the selection of an alternative forum, the Eighth Judicial District Court of the State of Nevada in Clark County, Nevada (the “*Nevada Court*”) shall be the sole and exclusive forum for the following types of actions or proceedings under Nevada statutory or common law: (i) any derivative action or proceeding brought on behalf of the Company; (ii) any action or proceeding asserting a claim of breach of a fiduciary duty owed by any current or former director, officer or other employee of the Company or any stockholder to the Company or the Company’s stockholders; (iii) any action or proceeding asserting a claim against the Company or any current or former director, officer or other employee of the Company or any stockholder arising pursuant to any provision of the NRS, the Articles of Incorporation or the Bylaws (as each may be amended from time to time); (iv) any action or proceeding to interpret, apply, enforce or determine the validity of the Articles of Incorporation or the Bylaws (including any right, obligation or remedy thereunder); (v) any internal action (as defined in NRS 78.046) and any action or proceeding as to which jurisdiction of the District Courts of the State of Nevada is conferred by NRS Title 7; and (vi) any action asserting a claim against the Company or any director, officer or other employee of the Company or any stockholder, governed by the internal affairs doctrine, in all cases to the fullest extent permitted by law and subject to the court’s having personal jurisdiction over the indispensable parties named as defendants. This Article VI shall not apply to suits brought to enforce a duty or liability created by the Securities Exchange Act of 1934 or any other claim for which the federal courts have exclusive jurisdiction.

E. Unless the Company consents in writing to the selection of an alternative forum, the federal district courts of the United States of America shall be the exclusive forum for the resolution of any complaint asserting a cause or causes of action arising under the Securities Act of 1933, as amended, including all causes of action asserted against any defendant named in such complaint. For the avoidance of doubt, this provision is intended to benefit and may be enforced the Company, its officers and directors, the underwriters to any offering giving rise to such complaint, and any other professional entity whose profession gives authority to a statement made by that person or entity and who has prepared or certified any part of the documents underlying the offering.

F. To the fullest extent not inconsistent with any applicable U.S. federal laws, any and all “internal actions” (as defined in NRS 78.046) must be tried in a court of competent jurisdiction (subject to the provisions of Parts D and E of this Article VI) before the presiding judge as the trier of fact and not before a jury. This Part F of Article VI shall conclusively operate as a waiver of the right to trial by jury by each party to any such internal action.

G. Any person or Entity holding, owning or otherwise acquiring any interest in shares of capital stock of the Company shall be deemed to have notice of and to have consented to the provisions of this Article VI.

VII.

A. The Company reserves the right to amend, alter, change or repeal any provision contained in the Articles of Incorporation, in the manner now or hereafter prescribed by statute, except as provided in paragraph B of this Article VII and subject to the restrictions of Section 4(d) of Part D of Article IV, and all rights conferred upon the stockholders herein are granted subject to this reservation.

B. Notwithstanding any other provisions of the Articles of Incorporation or any provision of law that might otherwise permit a lesser vote or no vote, but in addition to any affirmative vote required by law or by the Articles of Incorporation, after the Final Conversion Date, the affirmative vote of the holders of at least 66 2/3% of the voting power of all of the then-outstanding shares of capital stock of the Company entitled to vote generally in the election of directors, voting together as a single class, shall be required to alter, amend or repeal Articles V, VI, and VII.

C. Notwithstanding anything to the contrary in the Articles of Incorporation or the Bylaws, the Company is hereby specifically allowed to make any distribution that otherwise would be prohibited by NRS 78.288(2)(b).

D. At such time, if any, that the Company becomes a “resident domestic corporation” (as defined in NRS 78.427), the Company shall not be subject to, and hereby expressly elects not to be governed by, any of the provisions of NRS 78.411 to 78.444, inclusive, or any successor statutes thereto.

VIII.

A. To the fullest extent permitted by law, each and every natural person, corporation, general or limited partnership, limited liability company, joint venture, trust, association or any other entity purchasing or otherwise acquiring any interest (of any nature whatsoever) in any shares of the capital stock of the Company shall be deemed, by reason of and from and after the time of such purchase or other acquisition, to have notice of and to have consented to all of the provisions of (i) the Articles of Incorporation, (ii) the Bylaws and (iii) any amendment to the Articles of Incorporation or the Bylaws enacted or adopted in accordance with the Articles of Incorporation, the Bylaws and applicable law.

B. If any provision or provisions of the Articles shall be held to be invalid, illegal or unenforceable as applied to any circumstance for any reason whatsoever: (i) the validity, legality and enforceability of such provision(s) in any other circumstance and of the remaining provisions of the Articles of Incorporation (including, without limitation, each portion of any paragraph of the Articles of Incorporation containing any such provision held to be invalid, illegal or unenforceable that is not itself held to be invalid, illegal or unenforceable) shall not in any way be affected or impaired thereby; and (ii) to the fullest extent possible, the provisions of the Articles (including, without limitation, each such portion of any paragraph of the Articles containing any such provision held to be invalid, illegal or unenforceable) shall be construed (a) so as to permit the Company to protect its directors, officers, employees and agents from personal liability in respect of their good faith service or (b) for the benefit of the Company to the fullest extent permitted by law.

entitled to vote thereon, without a separate vote of the holders of the Preferred Stock, or of any series thereof, Class A Common Stock or Class B Common Stock unless a vote of any such holders is required pursuant to the terms of any Certificate of Designation filed with respect to any series of Preferred Stock.

D. Except as provided above, the rights, preferences, privileges, restrictions and other matters relating to the Class A Common Stock and Class B Common Stock are as follows:

For the sake of clarity, in this Section 1(n), the Founder will be deemed to have exclusive Disposition Control and exclusive Voting Control over shares of Class B Common Stock held by a person if a Permitted Entity or, in the case of a Qualified Trust, a Qualified Trustee has exclusive Disposition Control and exclusive Voting Control over such shares.

(iv) by a Permitted Entity of a Qualified Stockholder to such Qualified Stockholder or any other Permitted Entity, or the trustee of a Permitted Entity that is a trust of such Qualified Stockholder.

(p) “*Permitted Transferee*” means a transferee of shares of Class B Common Stock received in a Transfer that constitutes a Permitted Transfer.

(r) “*Trading Day*” means any day on which The Nasdaq Stock Market, or any national stock exchange under which the Company’s equity securities are listed for trading, is open for trading.

(s) “*Transfer*” of a share of Class B Common Stock means any sale, assignment, transfer, conveyance, hypothecation or other transfer or disposition of such share or any legal or beneficial interest in such share, whether or not for value and whether voluntary or involuntary or by operation of law, including, without limitation, a transfer of a share of Class B Common Stock to a broker or other nominee (regardless of whether there is a corresponding change in beneficial ownership), or the transfer of, or entering into a binding agreement with respect to, Voting Control over such share by proxy or otherwise; provided, however, that the following shall not be considered a “*Transfer*” within the meaning of this Article IV:

(i) the granting of a revocable proxy to officers or directors of the Company at the request of the Board of Directors in connection with actions to be taken at an annual or special meeting of stockholders;

(ii) the existence of any proxy granted prior to the Effective Time or the amendment or expiration of any such proxy;

(iii) entering into a voting trust, agreement or arrangement (with or without granting a proxy) solely with stockholders who are holders of Class B Common Stock that (A) is disclosed either in a Schedule 13D filed with the Securities and Exchange Commission or in writing to the Secretary of the Company, (B) either has a term not exceeding one year or is terminable by the holder of the shares subject thereto at any time and (C) does not involve any payment of cash, securities, property or other consideration to the holder of the shares subject thereto other than the mutual promise to vote shares in a designated manner;

(iv) the pledge of shares of Class B Common Stock by a stockholder that creates a mere security interest in such shares pursuant to a bona fide loan or indebtedness transaction for so long as such stockholder continues to exercise exclusive Voting Control over such pledged shares; provided, however, that a foreclosure on such shares or other similar action by the pledgee shall constitute a “*Transfer*” unless such foreclosure or similar action qualifies as a “*Permitted Transfer*”; or

(v) entering into, or reaching an agreement, arrangement or understanding regarding, a support or similar voting or tender agreement (with or without granting a proxy) in connection with a Liquidation Event, Asset Transfer or Acquisition that has been approved by the Board of Directors.

A “*Transfer*” shall also be deemed to have occurred with respect to a share of Class B Common Stock beneficially held by (i) a Permitted Transferee on the date that such Permitted Transferee ceases to meet the qualifications to be a Permitted Transferee of the Qualified Stockholder who effected the Transfer of such shares to such Permitted Transferee, or (ii) an Entity that is a Qualified Stockholder, if there occurs a Transfer on a cumulative basis, from and after the Effective Time, of a majority of the voting power of the voting securities of such Entity or any Parent of such Entity, other than a Transfer to parties that were, as of the Effective Time, holders of voting securities of any such Entity or Parent of such Entity.

(t) “*Voting Control*” means, with respect to a share of Class B Common Stock, the power (whether exclusive or shared) to vote or direct the voting, directly or indirectly, of such share by proxy, voting agreement or otherwise.

2. Rights Relating To Dividends and Other Distributions, Subdivisions and Combinations.

(a) Subject to the prior rights of holders of any Preferred Stock at the time outstanding having prior rights as to dividends or other distributions, the holders of the Class A Common Stock and Class B Common Stock shall be entitled to receive, when, as and if declared by the Board of Directors, out of any assets of the Company legally available therefor, such dividends or other distributions as may be declared from time to time by the Board of Directors. Except as permitted in Section 2(b) of this Part D of Article IV, any dividends or other distributions paid to the holders of shares of Class A Common Stock and Class B Common Stock shall be paid pro rata, on an equal priority, *pari passu* basis, unless different treatment of the shares of each such class is approved by the affirmative vote of the holders of a majority of the outstanding shares of Class A Common Stock and a majority of the outstanding shares of Class B Common Stock, each voting separately as a class.

(b) The Company shall not declare or pay any dividend or make any other distribution to the holders of Class A Common Stock or Class B Common Stock payable in securities of the Company unless the same dividend or distribution with the same record date and payment date shall be declared and paid on all shares of Common Stock; provided, however, that (i) dividends or other distributions payable in shares of Class A Common Stock or rights to acquire shares of Class A Common Stock may be declared and paid to the holders of Class A Common Stock without the same dividend or distribution being declared and paid to the holders of the Class B Common Stock if, and only if, a dividend or other distribution payable in shares of Class B Common Stock, or rights to acquire shares of Class B Common Stock, as applicable, are declared and paid to the holders of Class B Common Stock at the same rate and with the same record date and payment date; and (ii) dividends or other distributions payable in shares of Class B Common Stock or rights to acquire shares of Class B Common Stock may be declared and paid to the holders of Class B Common Stock without the same dividend or distribution being declared and paid to the holders of the Class A Common Stock if, and only if, a dividend or other distribution payable in shares of Class A Common Stock, or rights to acquire shares of Class A Common Stock, as applicable, are declared and paid to the holders of Class A Common Stock at the same rate and with the same record date and payment date.

(c) If the Company in any manner subdivides or combines (including by reclassification) the outstanding shares of Class A Common Stock or Class B Common Stock, then the outstanding shares of all Common Stock will be subdivided or combined in the same proportion and manner.

3. Liquidation Rights. In the event of a Liquidation Event, upon the completion of the distributions required with respect to any Preferred Stock that may then be outstanding, the remaining assets of the Company legally available for distribution to stockholders, or consideration payable to the stockholders of the Company, in the case of an Acquisition constituting a Liquidation Event, shall be distributed on an equal priority, pro rata basis to the holders of Class A Common Stock and Class B Common Stock (and the holders of any Preferred Stock then outstanding, if and to the extent required by the Articles of Incorporation), unless different treatment of the shares of each such class is approved by the affirmative vote of the holders of a majority of the outstanding shares of Class A Common Stock and a majority of the outstanding shares of Class B Common Stock, each voting separately as a class (in addition to any vote or consent of the holders of any Preferred Stock then outstanding, if and to the extent required by the Articles of Incorporation); provided, however, for the avoidance of doubt, compensation pursuant to any employment, consulting, severance or other compensatory arrangement to be paid to or received by a person who is also a holder of Class A Common Stock, Class B Common Stock or Preferred Stock does not constitute consideration or a “distribution to stockholders” in respect of the Class A Common Stock, Class B Common Stock or Preferred Stock.

4. Voting Rights.

(a) **Class A Common Stock.** Each holder of shares of Class A Common Stock shall be entitled to one (1) vote for each share thereof held.

(b) **Class B Common Stock.** Each holder of shares of Class B Common Stock shall be entitled to thirty (30) votes for each share thereof held.

(c) **Voting Generally.** Except as required by law or as otherwise set forth herein, the holders of Preferred Stock, Class A Common Stock and Class B Common Stock shall vote together and not as separate series or classes. Except as otherwise required by applicable law or as otherwise set forth herein, holders of Class A Common Stock and Class B Common Stock, as such, shall not be entitled to vote on any amendment to the Articles of Incorporation that relates solely to the terms of one or more outstanding series of Preferred Stock if the holders of such affected series are entitled, either separately or together with the holders of one or more other such series, to vote thereon pursuant to the Articles of Incorporation or applicable law.

(d) **Class B Common Stock Protective Provisions.** Notwithstanding anything herein to the contrary, so long as any shares of Class B Common Stock remain outstanding, the Company shall not, without the approval by vote or written consent of the holders of a majority of the outstanding shares Class B Common Stock, voting together as a separate class, directly or indirectly, or whether by amendment, or through merger, recapitalization, consolidation or otherwise:

(i) amend, alter, or repeal any provision of the Articles of Incorporation or the bylaws of the Company (as amended and/or restated from time to time, the “*Bylaws*”) in a manner that modifies the voting, conversion or other powers, preferences, or other special rights or privileges, or restrictions of the Class B Common Stock;

(ii) reclassify any outstanding shares of Class A Common Stock into shares having rights as to dividends or other distributions, or liquidation, that are senior to the Class B Common Stock or the right to more than one vote for each share thereof;

(iii) issue any shares of Preferred Stock having the power (whether exclusive or shared) to vote, or direct the voting of such shares by proxy, voting agreement or otherwise, equal or superior to the Voting Control; or

(iv) issue any additional shares of Class B Common Stock or other securities convertible into shares of Class B Common Stock, except for the issuance of Class B Common Stock issuable upon a dividend or other distribution payable in accordance with Section 2(b) of this Part D of Article IV.

5. Optional Conversion.

(a) Optional Conversion of the Class B Common Stock.

(i) At the option of the holder thereof, each share of Class B Common Stock shall be convertible, at any time or from time to time, into one fully paid and nonassessable share of Class A Common Stock as provided herein.

(ii) Each holder of Class B Common Stock who elects to convert the same into shares of Class A Common Stock shall surrender the certificate or certificates therefor (if any), duly endorsed, at the office of the Company or any transfer agent for the Class B Common Stock, and shall give written notice to the Company at such office that such holder elects to convert the same and shall state therein the number of shares of Class B Common Stock being converted. Such conversion shall be deemed to have been made immediately prior

to the close of business on the date of such surrender of the certificate or certificates representing the shares of Class B Common Stock to be converted, or, if the shares are uncertificated, immediately prior to the close of business on the date that the holder delivers notice of such conversion to the Company's transfer agent and the person entitled to receive the shares of Class A Common Stock issuable upon such conversion shall be treated for all purposes as the record holder of such shares of Class A Common Stock at such time.

6. Automatic Conversion.

(a) Automatic Conversion of the Class B Common Stock. Each share of Class B Common Stock shall automatically be converted into one fully paid and nonassessable share of Class A Common Stock upon a Transfer, other than a Permitted Transfer, of such share of Class B Common Stock. Such conversion shall occur automatically without the need for any further action by any holder of such share and whether or not the certificate(s) representing such share (if any) are surrendered to the Company or its transfer agent; provided, however, that the Company shall not be obligated to issue certificates evidencing the shares of Class A Common Stock issuable upon such conversion unless the certificates evidencing such shares of Class B Common Stock to be so converted are either delivered to the Company or its transfer agent as provided below, or the holder notifies the Company or its transfer agent that such certificates have been lost, stolen or destroyed and executes an agreement satisfactory to the Company to indemnify the Company from any loss incurred by it in connection with such certificates. Upon the occurrence of such automatic conversion of the Class B Common Stock, the holders of the shares of Class B Common Stock so converted shall surrender the certificate(s) representing such shares (if any) at the office of the Company or any transfer agent for the Class A Common Stock.

(b) Final Conversion. On the Final Conversion Date, each issued share of Class B Common Stock shall automatically, without any further action, convert into one share of Class A Common Stock. Following the Final Conversion Date, the Company may no longer issue any additional shares of Class B Common Stock. Such conversion shall occur automatically without the need for any further action by the holders of such shares and whether or not the certificate(s) representing such share (if any) are surrendered to the Company or its transfer agent; provided, however, that the Company shall not be obligated to issue certificates evidencing the shares of Class A Common Stock issuable upon such conversion unless the certificates evidencing such shares of Class B Common Stock to be so converted are either delivered to the Company or its transfer agent as provided below, or the holder notifies the Company or its transfer agent that such certificates have been lost, stolen or destroyed and executes an agreement satisfactory to the Company to indemnify the Company from any loss incurred by it in connection with such certificates. Upon the occurrence of such automatic conversion of the Class B Common Stock, the holders of the shares of Class B Common Stock so converted shall surrender the certificate(s) representing such shares (if any) at the office of the Company or any transfer agent for the Class A Common Stock.

(c) Procedures. The Company may, from time to time, establish such policies and procedures relating to the conversion of Class B Common Stock to Class A Common Stock and the general administration of this dual class stock structure, including the issuance of stock certificates (or the establishment of book-entry positions) with respect thereto, as it may deem reasonably necessary or advisable, and may from time to time request that holders of shares of Class B Common Stock furnish certifications, affidavits or other proof to the Company as it deems necessary to verify the ownership of Class B Common Stock and to confirm that a conversion to Class A Common Stock has not occurred. A determination by the Secretary of the Company as to whether a Transfer results in a conversion to Class A Common Stock shall be conclusive and binding.

(d) Immediate Effect. In the event of a conversion of shares of Class B Common Stock to shares of Class A Common Stock pursuant to this Section 6 of Part D of Article IV, such conversion(s) shall be deemed to have been made at the time that the Transfer of shares occurred or immediately upon the Final Conversion Date, as applicable. Upon any conversion of Class B Common Stock to Class A Common Stock, all rights of the holder of shares of Class B Common Stock shall cease and the person or persons in whose names or names the certificate or certificates (or book-entry position(s)) representing the shares of Class A Common Stock are to be

issued shall be treated for all purposes as having become the record holder or holders of such shares of Class A Common Stock.

7. Redemption. The Common Stock is not redeemable.

8. Reservation of Stock Issuable Upon Conversion. The Company shall at all times reserve and keep available out of its authorized but unissued shares of Class A Common Stock, solely for the purpose of effecting the conversion of the shares of the Class B Common Stock, as applicable, such number of its shares of Class A Common Stock as shall from time to time be sufficient to effect the conversion of all outstanding shares of Class B Common Stock; and if at any time the number of authorized but unissued shares of Class A Common Stock shall not be sufficient to effect the conversion of all then-outstanding shares of Class B Common Stock, as applicable, the Company will take such corporate action as may, in the opinion of its counsel, be necessary to increase its authorized but unissued shares of Class A Common Stock to such numbers of shares as shall be sufficient for such purpose.

9. Prohibition on Reissuance of Shares. Shares of Class B Common Stock that are acquired by the Company for any reason (whether by repurchase, upon conversion, or otherwise) shall be retired in the manner required by law and shall not be reissued as shares of Class B Common Stock or otherwise.

V.

For the management of the business and for the conduct of the affairs of the Company, and in further definition, limitation and regulation of the powers of the Company, of its directors and of its stockholders or any class thereof, as the case may be, it is further provided that:

A. Board of Directors.

1. Generally. Except as otherwise provided in the Articles of Incorporation or the NRS, the business and affairs of the Company shall be managed by or under the direction of the Board of Directors. The number of directors that shall constitute the Board of Directors shall be fixed exclusively by resolution(s) adopted by the Board of Directors; provided, however, that, notwithstanding the foregoing, until the Final Conversion Date, the number of directors that shall constitute the whole Board of Directors may also be fixed by a resolution approved by the affirmative vote of the holders of a majority of the voting power of the Class A Common Stock and Class B Common Stock, voting together as a single class.

2. Election.

(a) Directors shall be elected at each annual meeting of the stockholders to hold office until the next annual meeting.

(b) No stockholder entitled to vote at an election for directors may cumulate votes.

(c) Notwithstanding the foregoing provisions of this section, each director shall serve until his successor is duly elected and qualified or until his or her earlier death, resignation or removal. No decrease in the number of directors constituting the Board of Directors shall shorten the term of any incumbent director.

(d) Election of directors need not be by written ballot unless the Bylaws so provide.

(e) Advance notice of nominations for the election of directors or proposals or other business to be considered by stockholders, which are made by any stockholder of the Company, shall be given in the manner and to the extent provided in the Bylaws.

3. Removal of Directors. Subject to any limitations imposed by applicable law, removal of any director(s) shall be as provided in NRS 78.335.

4. Vacancies. Subject to any limitations imposed by applicable law and subject to the rights of the holders of any series of Preferred Stock, any vacancies on the Board of Directors resulting from death, resignation, disqualification, removal or other causes and any newly created directorships resulting from any increase in the number of directors shall be filled by the affirmative vote of (a) a majority of the directors then in office, even though less than a quorum of the Board of Directors, or by the sole remaining director, or (b) if such vacancy is created prior to the Final Conversion Date, the holders of a majority of the voting power of the outstanding shares of Class A Common Stock and Class B Common Stock, voting together as a single class. Any director elected in accordance with the preceding sentence shall hold office for the remainder of the full term of the director for which the vacancy was created or occurred and until such director's successor shall have been elected and qualified.

5. Preferred Directors. Notwithstanding anything herein to the contrary, during any period when the holders of any series of Preferred Stock, voting separately as a series or together with one or more series, have the right to elect additional directors, then upon commencement and for the duration of the period during which such right continues: (i) the then otherwise total authorized number of directors of the Company shall automatically be increased by such specified number of directors, and the holders of such Preferred Stock shall be entitled to elect the additional directors so provided for or fixed pursuant to said provisions; and (ii) each such additional director shall serve until such director's successor shall have been duly elected and qualified, or until such director's right to hold such office terminates pursuant to said provisions, whichever occurs earlier, subject to his or her earlier death, resignation, retirement, disqualification or removal. Except as otherwise provided by the Board of Directors in the resolution or resolutions establishing such series, whenever the holders of any series of Preferred Stock having such right to elect additional directors are divested of such right pursuant to the provisions of such stock, the terms of office of all such additional directors elected by the holders of such stock, or elected or appointed to fill any vacancies resulting from the death, resignation, disqualification or removal of such additional directors, shall forthwith terminate and the total authorized number of directors of the Company shall be reduced accordingly.

B. Stockholder Actions. Following the Final Conversion Date (i) no action shall be taken by the stockholders of the Company except at an annual or special meeting of stockholders called in accordance with the Bylaws and (ii) no action shall be taken by the stockholders by written consent. Advance notice of stockholder nominations for the election of directors and of business to be brought by stockholders before any meeting of the stockholders of the Company shall be given in the manner provided in the Bylaws. Prior to the Final Conversion Date, any action required or permitted to be taken by the stockholders of the Company at a meeting may be effected by consent in writing, by remote communication or electronic transmission of such stockholders in compliance with NRS 78.320.

C. Bylaws. Subject to the restrictions of Section 4(d) of Part D of Article IV, the Board of Directors is expressly empowered to adopt, amend or repeal the Bylaws. The stockholders shall also have power to adopt, amend or repeal the Bylaws; provided, however, that, any time after the Final Conversion Date, in addition to any vote of the holders of any class or series of stock of the Company required by law or by the Articles of Incorporation, such action by stockholders shall require the affirmative vote of the holders of at least 66 2/3% of the voting power of all of the then-outstanding shares of the capital stock of the Company entitled to vote generally in the election of directors, voting together as a single class.

D. Special Meetings of Stockholders. Special meetings of the stockholders (a) may be called, for any purpose as is a proper matter for stockholder action under the NRS, by (i) the Chairperson of the Board of Directors, (ii) the Chief Executive Officer, or (iii) the Board of Directors pursuant to a resolution adopted by a majority of the total number of authorized directors (whether or not there exist any vacancies in previously authorized directorships at the time any such resolution is presented to the Board of Directors for adoption), and (b) until the Final Conversion Date, shall be called, for any purpose as is a proper matter for stockholder action under the NRS, by the Secretary of the Company upon the written request of stockholders of record entitled to cast not less than a majority of the votes at such special meeting, provided that such written request is in compliance with the Bylaws.

VI.

A. The liability of the directors and officers of the Company shall be eliminated or limited to the fullest extent permitted under applicable law, including the NRS. Without limiting the effect of the preceding sentence, if applicable law is amended after approval by the stockholders of this paragraph A of Article VI to authorize corporate action further eliminating or limiting the liability of directors and officers, then the liability of a director or officer of the Company shall be eliminated or limited to the fullest extent permitted by applicable law as so amended.

B. To the fullest extent permitted by applicable law, including the NRS and as may be provided for by the Company in the Bylaws or by agreement, the Company may provide indemnification of (and advancement of expenses to) directors, officers, and other agents of the Company (and any other persons to which applicable law permits the Company to provide indemnification) through Bylaw provisions, agreements with such agents or other persons, vote of stockholders or disinterested directors or otherwise. If applicable law is amended after approval by the stockholders of this paragraph B of Article VI to authorize corporate action further eliminating or limiting the personal liability of directors, then the liability of a director to the Company shall be eliminated or limited to the fullest extent permitted by applicable law as so amended.

C. Any repeal or modification of this Article VI shall only be prospective and shall not affect the rights under this Article VI in effect at the time of the alleged occurrence of any action or omission to act giving rise to liability.

D. Unless the Company consents in writing to the selection of an alternative forum, the Eighth Judicial District Court of the State of Nevada in Clark County, Nevada (the “*Nevada Court*”) shall be the sole and exclusive forum for the following types of actions or proceedings under Nevada statutory or common law: (i) any derivative action or proceeding brought on behalf of the Company; (ii) any action or proceeding asserting a claim of breach of a fiduciary duty owed by any current or former director, officer or other employee of the Company or any stockholder to the Company or the Company’s stockholders; (iii) any action or proceeding asserting a claim against the Company or any current or former director, officer or other employee of the Company or any stockholder arising pursuant to any provision of the NRS, the Articles of Incorporation or the Bylaws (as each may be amended from time to time); (iv) any action or proceeding to interpret, apply, enforce or determine the validity of the Articles of Incorporation or the Bylaws (including any right, obligation or remedy thereunder); (v) any internal action (as defined in NRS 78.046) and any action or proceeding as to which jurisdiction of the District Courts of the State of Nevada is conferred by NRS Title 7; and (vi) any action asserting a claim against the Company or any director, officer or other employee of the Company or any stockholder, governed by the internal affairs doctrine, in all cases to the fullest extent permitted by law and subject to the court’s having personal jurisdiction over the indispensable parties named as defendants. This Article VI shall not apply to suits brought to enforce a duty or liability created by the Securities Exchange Act of 1934 or any other claim for which the federal courts have exclusive jurisdiction.

E. Unless the Company consents in writing to the selection of an alternative forum, the federal district courts of the United States of America shall be the exclusive forum for the resolution of any complaint asserting a cause or causes of action arising under the Securities Act of 1933, as amended, including all causes of action asserted against any defendant named in such complaint. For the avoidance of doubt, this provision is intended to benefit and may be enforced the Company, its officers and directors, the underwriters to any offering giving rise to such complaint, and any other professional entity whose profession gives authority to a statement made by that person or entity and who has prepared or certified any part of the documents underlying the offering.

F. To the fullest extent not inconsistent with any applicable U.S. federal laws, any and all “internal actions” (as defined in NRS 78.046) must be tried in a court of competent jurisdiction (subject to the provisions of Parts D and E of this Article VI) before the presiding judge as the trier of fact and not before a jury. This Part F of Article VI shall conclusively operate as a waiver of the right to trial by jury by each party to any such internal action.

FG. Any person or Entity holding, owning or otherwise acquiring any interest in shares of capital stock of the Company shall be deemed to have notice of and to have consented to the provisions of this Article VI.

VII.

A. The Company reserves the right to amend, alter, change or repeal any provision contained in ~~these~~the Articles of Incorporation, in the manner now or hereafter prescribed by statute, except as provided in paragraph B of this Article VII and subject to the restrictions of Section 4(d) of Part D of Article IV, and all rights conferred upon the stockholders herein are granted subject to this reservation.

B. Notwithstanding any other provisions of ~~these~~the Articles of Incorporation or any provision of law that might otherwise permit a lesser vote or no vote, but in addition to any affirmative vote required by law or by ~~these~~the Articles of Incorporation, after the Final Conversion Date, the affirmative vote of the holders of at least 66 2/3% of the voting power of all of the then-outstanding shares of capital stock of the Company entitled to vote generally in the election of directors, voting together as a single class, shall be required to alter, amend or repeal Articles V, VI, and VII.

C. Notwithstanding anything to the contrary in the Articles of Incorporation or the Bylaws, the Company is hereby specifically allowed to make any distribution that otherwise would be prohibited by NRS 78.288(2)(b).

D. At such time, if any, that the Company becomes a “resident domestic corporation” (as defined in NRS 78.427), the Company shall not be subject to, and hereby expressly elects not to be governed by, any of the provisions of NRS 78.411 to 78.444, inclusive, or any successor statutes thereto.

VIII.

A. To the fullest extent permitted by law, each and every natural person, corporation, general or limited partnership, limited liability company, joint venture, trust, association or any other entity purchasing or otherwise acquiring any interest (of any nature whatsoever) in any shares of the capital stock of the ~~Corporation~~Company shall be deemed, by reason of and from and after the time of such purchase or other acquisition, to have notice of and to have consented to all of the provisions of (i) the Articles of Incorporation, (ii) the Bylaws and (iii) any amendment to the Articles of Incorporation or the Bylaws enacted or adopted in accordance with the Articles of Incorporation, the Bylaws and applicable law.

B. If any provision or provisions of the Articles shall be held to be invalid, illegal or unenforceable as applied to any circumstance for any reason whatsoever: (i) the validity, legality and enforceability of such provision(s) in any other circumstance and of the remaining provisions of the Articles of Incorporation (including, without limitation, each portion of any paragraph of the Articles of Incorporation containing any such provision held to be invalid, illegal or unenforceable that is not itself held to be invalid, illegal or unenforceable) shall not in any way be affected or impaired thereby; and (ii) to the fullest extent possible, the provisions of the Articles (including, without limitation, each such portion of any paragraph of the Articles containing any such provision held to be invalid, illegal or unenforceable) shall be construed (a) so as to permit the ~~Corporation~~Company to protect its directors, officers, employees and agents from personal liability in respect of their good faith service or (b) for the benefit of the ~~Corporation~~Company to the fullest extent permitted by law.
