144: Remarks and Signature

Remarks The sales reported on this Form 144 are mandated by the Issuer's election under its equity incentive plan to require the satisfaction of a tax withholding obligation to be funded by sell to cover transactions and do not represent discretionary trades by the reporting person. Amount reported represents the estimated number of shares to be sold in mandatory sell to cover transactions upon the settlement of restricted stock units between February 12, 2025 and February 21, 2025. The actual number of shares sold will depend on the sale prices of the Issuer's Class A common stock in such transactions and the reporting person's personal tax rates.

Date of Notice 02/12/2025

The person for whose account the securities to which this notice relates are to be sold hereby represents by signing this notice that he does not know any material adverse information in regard to the current and prospective operations of the Issuer of the securities to be sold which has not been publicly disclosed. If such person has adopted a written trading plan or given trading instructions to satisfy Rule 10b5-1 under the Exchange Act, by signing the form and indicating the date that the plan was adopted or the instruction given, that person makes such representation as of the plan adoption or instruction date.
