The Exercise Price represents an amount the Company believes to be no less than the fair market value of a share of Stock as of the Date of Grant, determined in good faith in compliance with the requirements of Section 409A of the Code. However, there is no guarantee that the Internal Revenue Service will agree with the Company's determination. A subsequent IRS determination that the Exercise Price is less than such fair market value could result in adverse tax consequences to the Participant. By signing below, the Participant agrees that the Company, its directors, officers and shareholders shall not be held liable for any tax, penalty, interest or cost incurred by the Participant as a result of such determination by the IRS. The Participant is urged to consult with his or her own tax advisor regarding the tax consequences of the Option, including the application of Section 409A.

The Participant acknowledges receipt of copies of the Plan and the Stock Option Agreement, represents that the Participant has read and is familiar with their provisions, and hereby accepts the Option subject to all of their terms and conditions.

ATTACHMENTS: 2015 Stock Plan, as amended to the Date of Grant; Stock Option Agreement and Exercise Notice

THE SECURITIES WHICH ARE THE SUBJECT OF THIS AGREEMENT HAVE BEEN ACQUIRED FOR INVESTMENT AND NOT WITH A VIEW TO, OR IN CONNECTION WITH, THE SALE OR DISTRIBUTION THEREOF. NO SUCH SALE OR DISPOSITION MAY BE EFFECTED WITHOUT AN EFFECTIVE REGISTRATION STATEMENT RELATED THERETO OR AN OPINION OF COUNSEL SATISFACTORY TO THE COMPANY THAT SUCH REGISTRATION IS NOT REQUIRED UNDER THE SECURITIES ACT OF 1933.

BIOIN, INC.
STOCK OPTION AGREEMENT

Bioin, Inc. has granted to the Participant named in the *Notice of Grant of Stock Option* (the *"**Grant Notice**"*) to which this Stock Option Agreement (the *"**Option Agreement**"*) is attached an option (the *"**Option**"*) to purchase shares of Stock upon the terms and conditions set forth in the Grant Notice and this Option Agreement. The Option has been granted pursuant to and shall in all respects be subject to the terms and conditions of the Bioin, Inc. 2015 Stock Plan (the *"**Plan**"*), as amended to the Date of Grant, the provisions of which are incorporated herein by reference. By signing the Grant Notice, the Participant: (a) acknowledges receipt of, and represents that the Participant has read and is familiar with, the Grant Notice, this Option Agreement and the Plan, (b) accepts the Option subject to all of the terms and conditions of the Grant Notice, this Option Agreement and the Plan, and (c) agrees to accept as binding, conclusive and final all decisions or interpretations of the Board upon any questions arising under the Grant Notice, this Option Agreement or the Plan.

1. **DEFINITIONS AND CONSTRUCTION.**

1.1 **Definitions.** Unless otherwise defined herein, capitalized terms shall have the meanings assigned to such terms in the Grant Notice or the Plan.

1.2 **Construction.** Captions and titles contained herein are for convenience only and shall not affect the meaning or interpretation of any provision of this Option Agreement. Except when otherwise indicated by the context, the singular shall include the plural and the plural shall include the singular. Use of the term "or" is not intended to be exclusive, unless the context clearly requires otherwise.

2. **TAX CONSEQUENCES.**

2.1 **Tax Status of Option.** This Option is intended to have the tax status designated in the Grant Notice.

(a) ***Incentive Stock Option*.** If the Grant Notice so designates, this Option is intended to be an Incentive Stock Option within the meaning of Section 422(b) of the Code, but the Company does not represent or warrant that this Option qualifies as such. The Participant should consult with the Participant's own tax advisor regarding the tax effects of this Option and the requirements necessary to obtain favorable income tax treatment under Section 422 of the Code, including, but not limited to, holding period requirements. (NOTE TO PARTICIPANT: If the Option is exercised more than three (3) months after the date on which you cease to be an Employee (other than by reason of your death or permanent and total disability as defined in Section 22(e)(3) of the Code), the Option will be treated as a Nonstatutory Stock Option and not as an Incentive Stock Option to the extent required by Section 422 of the Code.)

(b) ***Nonstatutory Stock Option.*** If the Grant Notice so designates, this Option is intended to be a Nonstatutory Stock Option and shall not be treated as an Incentive Stock Option within the meaning of Section 422(b) of the Code.

2.2 **ISO Fair Market Value Limitation.** *If the Grant Notice designates this Option as an Incentive Stock Option,* then to the extent that the Option (together with all Incentive Stock Options granted to the Participant under all stock option plans of the Participating Company Group, including the Plan) becomes exercisable for the first time during any calendar year for shares having a Fair Market Value greater than One Hundred Thousand Dollars ($100,000), the portion of such options which exceeds such amount will be treated as Nonstatutory Stock Options. For purposes of this Section, options designated as Incentive Stock Options are taken into account in the order in which they were granted, and the Fair Market Value of stock is determined as of the time the option with respect to such stock is granted. If the Code is amended to provide for a different limitation from that set forth in this Section, such different limitation shall be deemed incorporated herein effective as of the date required or permitted by such amendment to the Code. If the Option is treated as an Incentive Stock Option in part and as a Nonstatutory Stock Option in part by reason of the limitation set forth in this Section, the Participant may designate which portion of such Option the Participant is exercising. In the absence of such designation, the Participant shall be deemed to have exercised the Incentive Stock Option portion of the Option first. Separate certificates representing each such portion shall be issued upon the exercise of the Option. (NOTE TO PARTICIPANT: If the aggregate Exercise Price of the Option (that is, the Exercise Price multiplied by the Number of Option Shares) plus the aggregate exercise price of any other Incentive Stock Options you hold (whether granted pursuant to the Plan or any other stock option plan of the Participating Company Group) is greater than $100,000, you should contact the Chief Financial Officer of the Company to ascertain whether the entire Option qualifies as an Incentive Stock Option.)

3. **ADMINISTRATION.**

All questions of interpretation concerning the Grant Notice, this Option Agreement, the Plan or any other form of agreement or other document employed by the Company in the administration of the Plan or the Option shall be determined by the Board. All such determinations by the Board shall be final, binding and conclusive upon all persons having an interest in the Option, unless fraudulent or made in bad faith. Any and all actions, decisions and determinations taken or made by the Board in the exercise of its discretion pursuant to the Plan or the Option or other agreement thereunder (other than determining questions of interpretation pursuant to the preceding sentence) shall be final, binding and conclusive upon all persons having an interest in the Option. Any Officer shall have the authority to act on behalf of the Company with respect to any matter, right, obligation, or election which is the responsibility of or which is allocated to the Company herein, provided the Officer has apparent authority with respect to such matter, right, obligation, or election.

4. **EXERCISE OF THE OPTION.**

4.1 **Right to Exercise**. Except as otherwise provided herein, the Option shall be exercisable on and after the Initial Vesting Date and prior to the termination of the Option (as provided in Section 6) in an amount not to exceed the number of Vested Shares less the number of shares previously acquired upon exercise of the Option, subject to the Company's repurchase rights set forth in Section 11. In no event shall the Option be exercisable for more shares than the Number of Option Shares, as adjusted pursuant to Section 9.

4.2 **Method of Exercise.** Exercise of the Option shall be by means of electronic or written notice (the *"**Exercise Notice**"*) in a form authorized by the Company. An electronic Exercise Notice must be digitally signed or authenticated by the Participant in such manner as required by the notice and transmitted to the Company or an authorized representative of the Company (including a third-party administrator designated by the Company). In the event that the Participant is not authorized or is unable to provide an electronic Exercise Notice, the Option shall be exercised by a written Exercise Notice addressed to the Company, signed by the Participant and delivered in person, by certified or registered mail, return receipt requested, by confirmed facsimile transmission, or by such other means as the Company may permit, to the Company, or an authorized representative of the Company (including a third-party administrator designated by the Company). Each Exercise Notice, whether electronic or written, must state the Participant's election to exercise the Option, the number of whole shares of Stock for which the Option is being exercised and such other representations and agreements as to the Participant's investment intent with respect to such shares as may be required pursuant to the provisions of this Option Agreement. Further, each Exercise Notice must be received by the Company prior to the termination of the Option as set forth in Section 6 and must be accompanied by full payment of the aggregate Exercise Price for the number of shares of Stock being purchased. The Option shall be deemed to be exercised upon receipt by the Company of such electronic or written Exercise Notice and the aggregate Exercise Price.

4.3 **Payment of Exercise Price.**

(a) ***Forms of Consideration Authorized.*** Except as otherwise provided below, payment of the aggregate Exercise Price for the number of shares of Stock for which the Option is being exercised shall be made (i) in cash, by check or in cash equivalent, (ii) if permitted by the Company and subject to the limitations contained in Section 4.3(b), by means of (1) a Stock Tender Exercise, (2) a Cashless Exercise or (3) a Net-Exercise; or (iii) by any combination of the foregoing.

(b) ***Limitations on Forms of Consideration.*** The Company reserves, at any and all times, the right, in the Company's sole and absolute discretion, to establish, decline to approve or terminate any program or procedure providing for payment of the Exercise Price through any of the means described below, including with respect to the Participant notwithstanding that such program or procedures may be available to others.

(i) **Stock Tender Exercise.** A *"**Stock Tender Exercise**"* means the delivery of a properly executed Exercise Notice accompanied by (1) the Participant's tender to the Company, or attestation to the ownership, in a form acceptable to the Company of whole shares of Stock having a Fair Market Value that does not exceed the aggregate Exercise Price for the shares with respect to which the Option is exercised, and (2) the Participant's payment to the Company in cash of the remaining balance of such aggregate Exercise Price not satisfied by such shares' Fair Market Value. A Stock Tender Exercise shall not be permitted if it would constitute a violation of the provisions of any law, regulation or agreement restricting the redemption of the Company's stock. If required by the Company, the Option may not be exercised by tender to the Company, or attestation to the ownership, of shares of Stock unless such shares either have been owned by the Participant for a period of time required by the Company (and not used for another option exercise by attestation during such period) or were not acquired, directly or indirectly, from the Company.

(ii) **Cashless Exercise.** A Cashless Exercise shall be permitted only upon the class of shares subject to the Option becoming publicly traded in an established securities market. A *"**Cashless Exercise**"* means the delivery of a properly executed Exercise Notice together with irrevocable instructions to a broker in a form acceptable to the Company providing for the assignment to the Company of the proceeds of a sale or loan with respect to shares of Stock acquired upon the exercise of the Option in an amount not less than the aggregate Exercise Price for such shares (including, without limitation, through an exercise complying with the provisions of Regulation T as promulgated from time to time by the Board of Governors of the Federal Reserve System).

(iii) **Net-Exercise.** A *"**Net-Exercise**"* means the delivery of a properly executed Exercise Notice electing a procedure pursuant to which (1) the Company will reduce the number of shares otherwise issuable to the Participant upon the exercise of the Option by the largest whole number of shares having a Fair Market Value that does not exceed the aggregate Exercise Price for the shares with respect to which the Option is exercised, and (2) the Participant shall pay to the Company in cash the remaining balance of such aggregate Exercise Price not satisfied by such reduction in the number of whole shares to be issued. Following a Net-Exercise, the number of shares remaining subject to the Option, if any, shall be reduced by the sum of (1) the net number of shares issued to the Participant upon such exercise, and (2) the number of shares deducted by the Company for payment of the aggregate Exercise Price.

4.4 **Tax Withholding.**

(a) ***In General.*** At the time the Option is exercised, in whole or in part, or at any time thereafter as requested by a Participating Company, the Participant hereby authorizes withholding from payroll and any other amounts payable to the Participant, and otherwise agrees to make adequate provision for any sums required to satisfy the federal, state, local and foreign tax (including social insurance) withholding obligations of the Participating Company Group, if any, which arise in connection with the Option. The Company shall have no obligation to deliver shares of Stock until the tax withholding obligations of the Participating Company Group have been satisfied by the Participant.

(b) ***Withholding in or Directed Sale of Shares*.** The Company shall have the right, but not the obligation, to require the Participant to satisfy all or any portion of a Participating Company's tax withholding obligations upon exercise of the Option by deducting from the shares of Stock otherwise issuable to the Participant upon such exercise a number of whole shares having a fair market value, as determined by the Company as of the date of exercise, not in excess of the amount of such tax withholding obligations determined by the applicable minimum statutory withholding rates. The Company may require the Participant to direct a broker, upon the exercise of the Option, to sell a portion of the shares subject to the Option determined by the Company in its discretion to be sufficient to cover the tax withholding obligations of any Participating Company and to remit an amount equal to such tax withholding obligations to the Company in cash.

4.5 **Beneficial Ownership of Shares; Certificate Registration.** The Participant hereby authorizes the Company, in its sole discretion, to deposit for the benefit of the Participant with any broker with which the Participant has an account relationship of which the Company has notice any or all shares acquired by the Participant pursuant to the exercise of the Option. Except as provided by the preceding sentence, a certificate for the shares as to which the Option is exercised shall be registered in the name of the Participant, or, if applicable, in the names of the heirs of the Participant.

4.6 **Restrictions on Grant of the Option and Issuance of Shares.** The grant of the Option and the issuance of shares of Stock upon exercise of the Option shall be subject to compliance with all applicable requirements of federal, state or foreign law with respect to such securities. The Option may not be exercised if the issuance of shares of Stock upon exercise would constitute a violation of any applicable federal, state or foreign securities laws or other law or regulations or the requirements of any stock exchange or market system upon which the Stock may then be listed. In addition, the Option may not be exercised unless (i) a registration statement under the Securities Act shall at the time of exercise of the Option be in effect with respect to the shares issuable upon exercise of the Option or (ii) in the opinion of legal counsel to the Company, the shares issuable upon exercise of the Option may be issued in accordance with the terms of an applicable exemption from the registration requirements of the Securities Act. THE PARTICIPANT IS CAUTIONED THAT THE OPTION MAY NOT BE EXERCISED UNLESS THE FOREGOING CONDITIONS ARE SATISFIED. ACCORDINGLY, THE PARTICIPANT MAY NOT BE ABLE TO EXERCISE THE OPTION WHEN DESIRED EVEN THOUGH THE OPTION IS VESTED. The inability of the Company to obtain from any regulatory body having jurisdiction the authority, if any, deemed by the Company's legal counsel to be necessary to the lawful issuance and sale of any shares subject to the Option shall relieve the Company of any liability in respect of the failure to issue or sell such shares as to which such requisite authority shall not have been obtained. As a condition to the exercise of the Option, the Company may require the Participant to satisfy any qualifications that may be necessary or appropriate, to evidence compliance with any applicable law or regulation and to make any representation or warranty with respect thereto as may be requested by the Company.

4.7 **Fractional Shares.** The Company shall not be required to issue fractional shares upon the exercise of the Option.

5. **NONTRANSFERABILITY OF THE OPTION.**

During the lifetime of the Participant, the Option shall be exercisable only by the Participant or the Participant's guardian or legal representative. The Option shall not be subject in any manner to anticipation, alienation, sale, exchange, transfer, assignment, pledge, encumbrance, or garnishment by creditors of the Participant or the Participant's beneficiary, except transfer by will or by the laws of descent and distribution. Following the death of the Participant, the Option, to the extent provided in Section 7, may be exercised by the Participant's legal representative or by any person empowered to do so under the deceased Participant's will or under the then applicable laws of descent and distribution. Notwithstanding the foregoing, for so long as the Company is relying on the exemption provided by Rule 12h-1(f) under the Exchange Act, the Option and, prior to its exercise, the shares to be issued upon the exercise of the Option, shall not be transferred except in compliance with the restrictions on transfer under Rule 12h-1(f) (including the requirement under such rule that any permitted transferee may not further transfer the Option) or be made subject to any short position, "put equivalent position" or "call equivalent position" by the Participant, as such terms are defined in Rule 16a-1 of the Exchange Act.

6. **TERMINATION OF THE OPTION.**

The Option shall terminate and may no longer be exercised after the first to occur of (a) the close of business on the Option Expiration Date, (b) the close of business on the last date for exercising the Option following termination of the Participant's Service as described in Section 7, or (c) a Change in Control to the extent provided in Section 8.

7. **EFFECT OF TERMINATION OF SERVICE.**

7.1 **Option Exercisability.** The Option shall terminate immediately upon the Participant's termination of Service to the extent that it is then unvested and shall be exercisable after the Participant's termination of Service to the extent it is then vested only during the applicable time period as determined below and thereafter shall terminate.

(a) ***Disability*.** If the Participant's Service terminates because of the Disability of the Participant, the Option, to the extent unexercised and exercisable for Vested Shares on the date on which the Participant's Service terminated, may be exercised by the Participant (or the Participant's guardian or legal representative) at any time prior to the expiration of twelve (12) months after the date on which the Participant's Service terminated, but in any event no later than the Option Expiration Date.

(b) ***Death*.** If the Participant's Service terminates because of the death of the Participant, the Option, to the extent unexercised and exercisable for Vested Shares on the date on which the Participant's Service terminated, may be exercised by the Participant's legal representative or other person who acquired the right to exercise the Option by reason of the Participant's death at any time prior to the expiration of twelve (12) months after the date on which the Participant's Service terminated, but in any event no later than the Option Expiration Date. The Participant's Service shall be deemed to have terminated on account of death if the Participant dies within three (3) months after the Participant's termination of Service.

(c) ***Termination for Cause.*** Notwithstanding any other provision of this Option Agreement, if the Participant's Service is terminated for Cause, the Option shall terminate in its entirety and cease to be exercisable immediately upon such termination of Service.

(d) ***Other Termination of Service.*** If the Participant's Service terminates for any reason, except Disability, death or Cause, the Option, to the extent unexercised and exercisable for Vested Shares by the Participant on the date on which the Participant's Service terminated, may be exercised by the Participant at any time prior to the expiration of three (3) months after the date on which the Participant's Service terminated, but in any event no later than the Option Expiration Date.

7.2 **Extension if Exercise Prevented by Law.** Notwithstanding the foregoing other than termination of the Participant's Service for Cause, if the exercise of the Option within the applicable time periods set forth in Section 7.1 is prevented by the provisions of Section 4.6, the Option shall remain exercisable until the later of (a) thirty (30) days after the date such exercise first would no longer be prevented by such provisions or (b) the end of the applicable time period under Section 7.1, but in any event no later than the Option Expiration Date.

8. **EFFECT OF CHANGE IN CONTROL.**

In the event of a Change in Control, except to the extent that the Board determines to settle the Option in accordance with Section 9.1(c) of the Plan, the surviving, continuing, successor, or purchasing corporation or other business entity or parent thereof, as the case may be (the *"**Acquiror**"*), may, without the consent of the Participant, assume or continue in full force and effect the Company's rights and obligations under all or any portion of the Option or substitute for all or any portion of the Option a substantially equivalent option for the Acquiror's stock. For purposes of this Section, the Option or any portion thereof shall be deemed assumed if, following the Change in Control, the Option confers the right to receive, subject to the terms and conditions of the Plan and this Option Agreement, for each share of Stock subject to such portion of the Option immediately prior to the Change in Control, the consideration (whether stock, cash, other securities or property or a combination thereof) to which a holder of a share of Stock on the effective date of the Change in Control was entitled (and if holders were offered a choice of consideration, the type of consideration chosen by the holders of a majority of the outstanding shares of Stock); provided, however, that if such consideration is not solely common stock of the Acquiror, the Board may, with the consent of the Acquiror, provide for the consideration to be received upon the exercise of the Option for each share of Stock to consist solely of common stock of the Acquiror equal in Fair Market Value to the per share consideration received by holders of Stock pursuant to the Change in Control. If any portion of such consideration may be received by holders of Stock pursuant to the Change in Control on a contingent or delayed basis, the Board may, in its discretion, determine such Fair Market Value per share as of the time of the Change in Control on the basis of the Board's good faith estimate of the present value of the probable future payment of such consideration. The Option shall terminate and cease to be outstanding effective as of the time of consummation of the Change in Control to the extent that the Option is neither assumed or continued by the Acquiror in connection with the Change in Control nor exercised as of the time of the Change in Control. Notwithstanding the foregoing, shares acquired upon exercise of the Option prior to the Change in Control and any consideration received pursuant to the Change in Control with respect to such shares shall continue to be subject to all applicable provisions of this Option Agreement except as otherwise provided herein.

9. **ADJUSTMENTS FOR CHANGES IN CAPITAL STRUCTURE.**

Subject to any required action by the stockholders of the Company and the requirements of Sections 409A and 424 of the Code to the extent applicable, in the event of any change in the Stock effected without receipt of consideration by the Company, whether through merger, consolidation, reorganization, reincorporation, recapitalization, reclassification, stock dividend, stock split, reverse stock split, split-up, split-off, spin-off, combination of shares, exchange of shares, or similar change in the capital structure of the Company, or in the event of payment of a dividend or distribution to the stockholders of the Company in a form other than Stock (excepting normal cash dividends) that has a material effect on the Fair Market Value of shares of Stock, appropriate and proportionate adjustments shall be made in the number, Exercise Price and kind of shares subject to the Option, in order to prevent dilution or enlargement of the Participant's rights under the Option. For purposes of the foregoing, conversion of any convertible securities of the Company shall not be treated as "effected without receipt of consideration by the Company." Any fractional share resulting from an adjustment pursuant to this Section shall be rounded down to the nearest whole number, and the Exercise Price shall be rounded up to the nearest whole cent. In no event may the Exercise Price be decreased to an amount less than the par value, if any, of the stock subject to the Option. Such adjustments shall be determined by the Board, and its determination shall be final, binding and conclusive.

10. **RIGHTS AS A STOCKHOLDER, DIRECTOR, EMPLOYEE OR CONSULTANT.**

The Participant shall have no rights as a stockholder with respect to any shares covered by the Option until the date of the issuance of the shares for which the Option has been exercised (as evidenced by the appropriate entry on the books of the Company or of a duly authorized transfer agent of the Company). No adjustment shall be made for dividends, distributions or other rights for which the record date is prior to the date the shares are issued, except as provided in Section 9. If the Participant is an Employee, the Participant understands and acknowledges that, except as otherwise provided in a separate, written employment agreement between a Participating Company and the Participant, the Participant's employment is "at will" and is for no specified term. Nothing in this Option Agreement shall confer upon the Participant any right to continue in the Service of a Participating Company or interfere in any way with any right of the Participating Company Group to terminate the Participant's Service as a Director, an Employee or Consultant, as the case may be, at any time.

11. **RIGHT OF FIRST REFUSAL.**

11.1 **Grant of Right of First Refusal.** Except as provided in Section 11.7 and Section 16 below, in the event the Participant, the Participant's legal representative, or other holder of shares acquired upon exercise of the Option proposes to sell, exchange, transfer, pledge, or otherwise dispose of any Vested Shares (the *"**Transfer Shares**"*) to any person or entity, including, without limitation, any stockholder of a Participating Company, the Company shall have the right to repurchase the Transfer Shares under the terms and subject to the conditions set forth in this Section 11 (the *"**Right of First Refusal**"*).

11.2 **Notice of Proposed Transfer.** Prior to any proposed transfer of the Transfer Shares, the Participant shall deliver written notice (the *"**Transfer Notice**"*) to the Company describing fully the proposed transfer, including the number of Transfer Shares, the name and address of the proposed transferee (the *"**Proposed Transferee**"*) and, if the transfer is voluntary, the proposed transfer price, and containing such information necessary to show the bona fide nature of the proposed transfer. In the event of a bona fide gift or involuntary transfer, the proposed transfer price shall be deemed to be the Fair Market Value of the Transfer Shares, as determined by the Board in good faith. If the Participant proposes to transfer any Transfer Shares to more than one Proposed Transferee, the Participant shall provide a separate Transfer Notice for the proposed transfer to each Proposed Transferee. The Transfer Notice shall be signed by both the Participant and the Proposed Transferee and must constitute a binding commitment of the Participant and the Proposed Transferee for the transfer of the Transfer Shares to the Proposed Transferee subject only to the Right of First Refusal.

11.3 **Bona Fide Transfer.** If the Company determines that the information provided by the Participant in the Transfer Notice is insufficient to establish the bona fide nature of a proposed voluntary transfer, the Company shall give the Participant written notice of the Participant's failure to comply with the procedure described in this Section 11, and the Participant shall have no right to transfer the Transfer Shares without first complying with the procedure described in this Section 11. The Participant shall not be permitted to transfer the Transfer Shares if the proposed transfer is not bona fide.

11.4 **Exercise of Right of First Refusal.** If the Company determines the proposed transfer to be bona fide, the Company shall have the right to purchase all, but not less than all, of the Transfer Shares (except as the Company and the Participant otherwise agree) at the purchase price and on the terms set forth in the Transfer Notice by delivery to the Participant of a notice of exercise of the Right of First Refusal within thirty (30) days after the date the Transfer Notice is delivered to the Company. The Company's exercise or failure to exercise the Right of First Refusal with respect to any proposed transfer described in a Transfer Notice shall not affect the Company's right to exercise the Right of First Refusal with respect to any proposed transfer described in any other Transfer Notice, whether or not such other Transfer Notice is issued by the Participant or issued by a person other than the Participant with respect to a proposed transfer to the same Proposed Transferee. If the Company exercises the Right of First Refusal, the Company and the Participant shall thereupon consummate the sale of the Transfer Shares to the Company on the terms set forth in the Transfer Notice within sixty (60) days after the date the Transfer Notice is delivered to the Company (unless a longer period is offered by the Proposed Transferee); provided, however, that in the event the Transfer Notice provides for the payment for the Transfer Shares other than in cash, the Company shall have the option of paying for the Transfer Shares by the present value cash equivalent of the consideration described in the Transfer Notice as reasonably determined by the Company. For purposes of the foregoing, cancellation of any indebtedness of the Participant to any Participating Company shall be treated as payment to the Participant in cash to the extent of the unpaid principal and any accrued interest canceled. Notwithstanding anything contained in this Section to the contrary, the period during which the Company may exercise the Right of First Refusal and consummate the purchase of the Transfer Shares from the Participant shall terminate no sooner than the completion of a period of eight (8) months following the date on which the Participant acquired the Transfer Shares upon exercise of the Option.

11.5 **Failure to Exercise Right of First Refusal.** If the Company fails to exercise the Right of First Refusal in full (or to such lesser extent as the Company and the Participant otherwise agree) within the period specified in Section 11.4 above, the Participant may conclude a transfer to the Proposed Transferee of the Transfer Shares on the terms and conditions described in the Transfer Notice, provided such transfer occurs not later than ninety (90) days following delivery to the Company of the Transfer Notice or, if applicable, following the end of the period described in the last sentence of Section 11.4. The Company shall have the right to demand further assurances from the Participant and the Proposed Transferee (in a form satisfactory to the Company) that the transfer of the Transfer Shares was actually carried out on the terms and conditions described in the Transfer Notice. No Transfer Shares shall be transferred on the books of the Company until the Company has received such assurances, if so demanded, and has approved the proposed transfer as bona fide. Any proposed transfer on terms and conditions different from those described in the Transfer Notice, as well as any subsequent proposed transfer by the Participant, shall again be subject to the Right of First Refusal and shall require compliance by the Participant with the procedure described in this Section 11.

11.6 **Transferees of Transfer Shares.** All transferees of the Transfer Shares or any interest therein, other than the Company, shall be required as a condition of such transfer to agree in writing (in a form satisfactory to the Company) that such transferee shall receive and hold such Transfer Shares or interest therein subject to all of the terms and conditions of this Option Agreement, including this Section 11 providing for the Right of First Refusal with respect to any subsequent transfer. Any sale or transfer of any shares acquired upon exercise of the Option shall be void unless the provisions of this Section 11 are met.

11.7 **Transfers Not Subject to Right of First Refusal.** The Right of First Refusal shall not apply to any transfer or exchange of the shares acquired upon exercise of the Option if such transfer or exchange is in connection with an Ownership Change Event. If the consideration received pursuant to such transfer or exchange consists of stock of a Participating Company, such consideration shall remain subject to the Right of First Refusal unless the provisions of Section 11.9 result in a termination of the Right of First Refusal.

11.8 **Assignment of Right of First Refusal.** The Company shall have the right to assign the Right of First Refusal at any time, whether or not there has been an attempted transfer, to one or more persons as may be selected by the Company.

11.9 **Early Termination of Right of First Refusal.** The other provisions of this Option Agreement notwithstanding, the Right of First Refusal shall terminate and be of no further force and effect upon (a) the occurrence of a Change in Control, unless the Acquiror assumes the Company's rights and obligations under the Option or substitutes a substantially equivalent option for the Acquiror's stock for the Option, or (b) the existence of a public market for the class of shares subject to the Right of First Refusal. A *"**public market**"* shall be deemed to exist if (i) such stock is listed on a national securities exchange (as that term is used in the Exchange Act) or (ii) such stock is traded on the over-the-counter market and prices therefor are published daily on business days in a recognized financial journal.

12. **STOCK DISTRIBUTIONS SUBJECT TO OPTION AGREEMENT.**

If, from time to time, there is any stock dividend, stock split or other change, as described in Section 9, in the character or amount of any of the outstanding stock of the corporation the stock of which is subject to the provisions of this Option Agreement, then in such event any and all new, substituted or additional securities to which the Participant is entitled by reason of the Participant's ownership of the shares acquired upon exercise of the Option shall be immediately subject to the Right of First Refusal with the same force and effect as the shares subject to the Right of First Refusal immediately before such event.

13. **NOTICE OF SALES UPON DISQUALIFYING DISPOSITION.**

The Participant shall dispose of the shares acquired pursuant to the Option only in accordance with the provisions of this Option Agreement. In addition, *if the Grant Notice designates this Option as an Incentive Stock Option,* the Participant shall (a) promptly notify the Chief Financial Officer of the Company if the Participant disposes of any of the shares acquired pursuant to the Option within one (1) year after the date the Participant exercises all or part of the Option or within two (2) years after the Date of Grant and (b) provide the Company with a description of the circumstances of such disposition. Until such time as the Participant disposes of such shares in a manner consistent with the provisions of this Option Agreement, unless otherwise expressly authorized by the Company, the Participant shall hold all shares acquired pursuant to the Option in the Participant's name (and not in the name of any nominee) for the one-year period immediately after the exercise of the Option and the two-year period immediately after Date of Grant. At any time during the one-year or two-year periods set forth above, the Company may place a legend on any certificate representing shares acquired pursuant to the Option requesting the transfer agent for the Company's stock to notify the Company of any such transfers. The obligation of the Participant to notify the Company of any such transfer shall continue notwithstanding that a legend has been placed on the certificate pursuant to the preceding sentence.

14. **LEGENDS.**

The Company may at any time place legends referencing the Right of First Refusal and any applicable federal, state or foreign securities law restrictions on all certificates representing shares of stock subject to the provisions of this Option Agreement. The Participant shall, at the request of the Company, promptly present to the Company any and all certificates representing shares acquired pursuant to the Option in the possession of the Participant in order to carry out the provisions of this Section. Unless otherwise specified by the Company, legends placed on such certificates may include, but shall not be limited to, the following:

14.1 "THE SECURITIES EVIDENCED BY THIS CERTIFICATE HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED, AND MAY NOT BE SOLD, TRANSFERRED, ASSIGNED OR HYPOTHECATED UNLESS THERE IS AN EFFECTIVE REGISTRATION STATEMENT UNDER SUCH ACT COVERING SUCH SECURITIES, THE SALE IS MADE IN ACCORDANCE WITH RULE 144 OR RULE 701 UNDER THE ACT, OR THE COMPANY RECEIVES AN OPINION OF COUNSEL REASONABLY SATISFACTORY TO THE COMPANY, STATING THAT SUCH SALE, TRANSFER, ASSIGNMENT OR HYPOTHECATION IS EXEMPT FROM THE REGISTRATION AND PROSPECTUS DELIVERY REQUIREMENTS OF SUCH ACT."

14.2 “THE SHARES REPRESENTED BY THIS CERTIFICATE ARE SUBJECT TO CERTAIN RESTRICTIONS ON TRANSFER AND REPURCHASE OPTIONS IN FAVOR OF THE CORPORATION OR ITS ASSIGNEE SET FORTH IN AN AGREEMENT BETWEEN THE CORPORATION AND THE REGISTERED HOLDER, OR SUCH HOLDER’’S PREDECESSOR IN INTEREST, A COPY OF WHICH IS ON FILE AT THE PRINCIPAL OFFICE OF THIS CORPORATION.”

14.3 “THE SHARES EVIDENCED BY THIS CERTIFICATE WERE ISSUED BY THE CORPORATION TO THE REGISTERED HOLDER UPON EXERCISE OF AN INCENTIVE STOCK OPTION AS DEFINED IN SECTION 422 OF THE INTERNAL REVENUE CODE OF 1986, AS AMENDED (“ISO”). IN ORDER TO OBTAIN THE PREFERENTIAL TAX TREATMENT AFFORDED TO ISOs, THE SHARES SHOULD NOT BE TRANSFERRED PRIOR TO [*INSERT DISQUALIFYING DISPOSITION DATE HERE*]. SHOULD THE REGISTERED HOLDER ELECT TO TRANSFER ANY OF THE SHARES PRIOR TO THIS DATE AND FOREGO ISO TAX TREATMENT, THE TRANSFER AGENT FOR THE SHARES SHALL NOTIFY THE CORPORATION IMMEDIATELY. THE REGISTERED HOLDER SHALL HOLD ALL SHARES PURCHASED UNDER THE INCENTIVE STOCK OPTION IN THE REGISTERED HOLDER’S NAME (AND NOT IN THE NAME OF ANY NOMINEE) PRIOR TO THIS DATE OR UNTIL TRANSFERRED AS DESCRIBED ABOVE.”

15. **LOCK-UP AGREEMENT.**

The Participant hereby agrees that in the event of any underwritten public offering of stock, including an initial public offering of stock, made by the Company pursuant to an effective registration statement filed under the Securities Act, the Participant shall not offer, sell, contract to sell, pledge, hypothecate, grant any option to purchase or make any short sale of, or otherwise dispose of any shares of stock of the Company or any rights to acquire stock of the Company for such period of time from and after the effective date of such registration statement as may be established by the underwriter for such public offering; provided, however, that such period of time shall not exceed one hundred eighty (180) days from the effective date of the registration statement to be filed in connection with such public offering; provided, further, however, that such one hundred eighty (180) day period may be extended for an additional period, not to exceed twenty (20) days, upon the request of the Company or the underwriter to accommodate regulatory restrictions on (i) the publication or other distribution of research reports and (ii) analyst recommendations and opinions, including but not limited to, the restrictions contained in NASD Rule 2711(f)(4) or NYSE Rule 472(f)(4), or any successor provisions or amendments thereto). The foregoing limitation shall not apply to shares registered in the public offering under the Securities Act. The Participant hereby agrees to enter into any agreement reasonably required by the underwriters to implement the foregoing within a reasonable timeframe if so requested by the Company.

16. **RESTRICTIONS ON TRANSFER OF SHARES.**

At any time prior to the existence of a public market for the Stock, the Board may prohibit the Participant and any transferee of such Participant from selling, transferring, assigning, pledging, or otherwise disposing of or encumbering any shares acquired pursuant to the Option (each, a *"**Transfer**"*) without the prior written consent of the Board. The Board may withhold consent for any reason, including without limitation any Transfer (i) to any individual or entity identified by the Company as a potential competitor or considered by the Company to be unfriendly, or (ii) if such Transfer increases the risk of the Company having a class of security held of record by such number of persons as would require the Company to register any class of securities under the Exchange Act; or (iii) if such Transfer would result in the loss of any federal or state securities law exemption relied upon by the Company in connection with the initial issuance of such shares or the issuance of any other securities; or (iv) if such Transfer is facilitated in any manner by any public posting, message board, trading portal, Internet site, or similar method of communication, including without limitation any trading portal or Internet site intended to facilitate secondary transfers of securities; or (v) if such Transfer is to be effected in a brokered transaction; or (vi) if such Transfer would be of less than all of the shares of Stock then held by the stockholder and its affiliates or is to be made to more than a single transferee. No shares acquired upon exercise of the Option may be sold, exchanged, transferred (including, without limitation, any transfer to a nominee or agent of the Participant), assigned, pledged, hypothecated or otherwise disposed of, including by operation of law in any manner which violates any of the provisions of this Option Agreement, and any such attempted disposition shall be void. The Company shall not be required (a) to transfer on its books any shares which will have been transferred in violation of any of the provisions set forth in this Option Agreement or (b) to treat as owner of such shares or to accord the right to vote as such owner or to pay dividends to any transferee to whom such shares will have been so transferred.

17. **MISCELLANEOUS PROVISIONS.**

17.1 **Termination or Amendment.** The Board may terminate or amend the Plan or the Option at any time; provided, however, that except as provided in Section 8 in connection with a Change in Control, no such termination or amendment may have a materially adversely effect on the Option or any unexercised portion hereof without the consent of the Participant unless such termination or amendment is necessary to comply with any applicable law or government regulation, including, but not limited to Section 409A of the Code. No amendment or addition to this Option Agreement shall be effective unless in writing.

17.2 **Compliance with Section 409A**. The Company intends that income realized by the Participant pursuant to the Plan and this Option Agreement will not be subject to taxation under Section 409A of the Code. The provisions of the Plan and this Option Agreement shall be interpreted and construed in favor of satisfying any applicable requirements of Section 409A of the Code. The Company, in its reasonable discretion, may amend (including retroactively) the Plan and this Agreement in order to conform to the applicable requirements of Section 409A of the Code, including amendments to facilitate the Participant's ability to avoid taxation under Section 409A of the Code. **However, the preceding provisions shall not be construed as a guarantee by the Company of any particular tax result for income realized by the Participant pursuant to the Plan or this Option Agreement.** In any event, and except for the responsibilities of the Company set forth in Section 4.4, no Participating Company shall be responsible for the payment of any applicable taxes incurred by the Participant on income realized by the Participant pursuant to the Plan or this Option Agreement.

17.3 **Further Instruments.** The parties hereto agree to execute such further instruments and to take such further action as may reasonably be necessary to carry out the intent of this Option Agreement.

17.4 **Binding Effect.** This Option Agreement shall inure to the benefit of the successors and assigns of the Company and, subject to the restrictions on transfer set forth herein, be binding upon the Participant and the Participant's heirs, executors, administrators, successors and assigns.

17.5 **Delivery of Documents and Notices.** Any document relating to participation in the Plan, or any notice required or permitted hereunder shall be given in writing and shall be deemed effectively given (except to the extent that this Option Agreement provides for effectiveness only upon actual receipt of such notice) upon personal delivery, electronic delivery at the e-mail address, if any, provided for the Participant by a Participating Company, or upon deposit in the U.S. Post Office or foreign postal service, by registered or certified mail, or with a nationally recognized overnight courier service, with postage and fees prepaid, addressed to the other party at the address of such party set forth in the Grant Notice or at such other address as such party may designate in writing from time to time to the other party.

(a) **Description of Electronic Delivery.** The Plan documents, which may include but do not necessarily include: the Plan, the Grant Notice, this Option Agreement, and any reports of the Company provided generally to the Company's stockholders, may be delivered to the Participant electronically. In addition, if permitted by the Company, the Participant may deliver electronically the Grant Notice and Exercise Notice called for by Section 4.2 to the Company or to such third party involved in administering the Plan as the Company may designate from time to time. Such means of electronic delivery may include but do not necessarily include the delivery of a link to a Company intranet or the Internet site of a third party involved in administering the Plan, the delivery of the document via e-mail or such other means of electronic delivery specified by the Company.

(b) **Consent to Electronic Delivery.** The Participant acknowledges that the Participant has read Section 17.5(a) of this Option Agreement and consents to the electronic delivery of the Plan documents and, if permitted by the Company, the delivery of the Grant Notice and Exercise Notice, as described in Section 17.5(a). The Participant acknowledges that he or she may receive from the Company a paper copy of any documents delivered electronically at no cost to the Participant by contacting the Company by telephone or in writing. The Participant further acknowledges that the Participant will be provided with a paper copy of any documents if the attempted electronic delivery of such documents fails. Similarly, the Participant understands that the Participant must provide the Company or any designated third party administrator with a paper copy of any documents if the attempted electronic delivery of such documents fails. The Participant may revoke his or her consent to the electronic delivery of documents described in Section 17.5(a) or may change the electronic mail address to which such documents are to be delivered (if Participant has provided an electronic mail address) at any time by notifying the Company of such revoked consent or revised e-mail address by telephone, postal service or electronic mail. Finally, the Participant understands that he or she is not required to consent to electronic delivery of documents described in Section 17.5(a).

17.6 **Integrated Agreement.** The Grant Notice, this Option Agreement and the Plan, together with any employment, service or other agreement with the Participant and a Participating Company referring to the Option, shall constitute the entire understanding and agreement of the Participant and the Participating Company Group with respect to the subject matter contained herein or therein and supersede any prior agreements, understandings, restrictions, representations, or warranties among the Participant and the Participating Company Group with respect to such subject matter. To the extent contemplated herein or therein, the provisions of the Grant Notice, the Option Agreement and the Plan shall survive any exercise of the Option and shall remain in full force and effect.

17.7 **Applicable Law.** This Option Agreement shall be governed by the laws of the State of Delaware as such laws are applied to agreements between Delaware residents entered into and to be performed entirely within the State of Delaware.

17.8 **Counterparts.** The Grant Notice may be executed in counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

TEMPUS AI, INC.
2024 EQUITY INCENTIVE PLAN

ADOPTED BY THE BOARD OF DIRECTORS: FEBRUARY 1, 2024
APPROVED BY THE STOCKHOLDERS: April 11, 2024

1. GENERAL.

(a) Successor to and Continuation of Prior Plan. The Plan is the successor to and continuation of the Prior Plan. As of the Effective Date, (i) no additional awards may be granted under the Prior Plan; (ii) any Returning Shares will become available for issuance pursuant to Awards granted under this Plan; and (iii) all outstanding awards granted under the Prior Plan will remain subject to the terms of the Prior Plan (except to the extent such outstanding awards result in Returning Shares that become available for issuance pursuant to Awards granted under this Plan). All Awards granted under this Plan will be subject to the terms of this Plan.

(b) Plan Purpose. The Company, by means of the Plan, seeks to secure and retain the services of Employees, Directors and Consultants, to provide incentives for such persons to exert maximum efforts for the success of the Company and any Affiliate and to provide a means by which such persons may be given an opportunity to benefit from increases in value of the Common Stock through the granting of Awards.

(c) Available Awards. The Plan provides for the grant of the following Awards: (i) Incentive Stock Options; (ii) Nonstatutory Stock Options; (iii) SARs; (iv) Restricted Stock Awards; (v) RSU Awards; (vi) Performance Awards; and (vii) Other Awards.

(d) Adoption Date; Effective Date. The Plan will come into existence on the Adoption Date, but no Award may be granted prior to the Effective Date.

2. SHARES SUBJECT TO THE PLAN.

(a) Share Reserve. Subject to adjustment in accordance with Section 2(c) and any adjustments as necessary to implement any Capitalization Adjustments, the aggregate number of shares of Common Stock that may be issued pursuant to Awards will not exceed [ ] shares, provided that such aggregate number of shares of Common Stock will automatically increase on January 1 of each year for a period of ten years commencing on January 1, 2025 and ending on (and including) January 1, 2034, in an amount equal to a number of shares of Common Stock (the "***Evergreen Increase***") such that the sum of (i) the remaining number of shares available for awards under the Plan and (ii) the Evergreen Increase is equal to five percent (5%) of the total number of shares of Combined Common Stock outstanding on December 31 of the preceding year; provided, however, that the Board may act prior to January 1st of a given year to provide that the increase for such year will be a lesser number of shares of Common Stock.

(b) Aggregate Incentive Stock Option Limit. Notwithstanding anything to the contrary in Section 2(a) and subject to any adjustments as necessary to implement any Capitalization Adjustments, the aggregate maximum number of shares of Common Stock that may be issued pursuant to the exercise of Incentive Stock Options is [ ] shares.

(c) Share Reserve Operation.

(i) Limit Applies to Common Stock Issued Pursuant to Awards. For clarity, the Share Reserve is a limit on the number of shares of Common Stock that may be issued pursuant to Awards and does not limit the granting of Awards, except that the Company will keep available at all times the number of shares of Common Stock reasonably required to satisfy its obligations to issue shares pursuant to such Awards. Shares may be issued in connection with a merger or acquisition as permitted by, as applicable, Nasdaq Listing Rule 5635(c), NYSE Listed Company Manual Section 303A.08, NYSE American Company Guide Section 711 or other applicable rule, and such issuance will not reduce the number of shares available for issuance under the Plan.

(ii) Actions that Do Not Constitute Issuance of Common Stock and Do Not Reduce Share Reserve. The following actions do not result in an issuance of shares under the Plan and accordingly do not reduce the number of shares subject to the Share Reserve and available for issuance under the Plan: (1) the expiration or termination of any portion of an Award without the shares covered by such portion of the Award having been issued; (2) the settlement of any portion of an Award in cash (*i.e.*, the Participant receives cash rather than Common Stock); (3) the withholding of shares that would otherwise be issued by the Company to satisfy the exercise, strike or purchase price of an Award; or (4) the withholding of shares that would otherwise be issued by the Company to satisfy a tax withholding obligation in connection with an Award.

(iii) Reversion of Previously Issued Shares of Common Stock to Share Reserve. The following shares of Common Stock previously issued pursuant to an Award and accordingly initially deducted from the Share Reserve will be added back to the Share Reserve and again become available for issuance under the Plan: (1) any shares that are forfeited back to or repurchased by the Company because of a failure to meet a contingency or condition required for the vesting of such shares; (2) any shares that are reacquired by the Company to satisfy the exercise, strike or purchase price of an Award; and (3) any shares that are reacquired by the Company to satisfy a tax withholding obligation in connection with an Award.

3. ELIGIBILITY AND LIMITATIONS.

(a) Eligible Award Recipients. Subject to the terms of the Plan, Employees, Directors and Consultants are eligible to receive Awards.

(b) Specific Award Limitations.

(i) Limitations on Incentive Stock Option Recipients. Incentive Stock Options may be granted only to Employees of the Company or a "parent corporation" or "subsidiary corporation" thereof (as such terms are defined in Sections 424(e) and (f) of the Code).

(ii) Incentive Stock Option $100,000 Limitation. To the extent that the aggregate Fair Market Value (determined at the time of grant) of Common Stock with respect to which Incentive Stock Options are exercisable for the first time by any Optionholder during any calendar year (under all plans of the Company and any Affiliates) exceeds $100,000 (or such

other limit established in the Code) or otherwise does not comply with the rules governing Incentive Stock Options, the Options or portions thereof that exceed such limit (according to the order in which they were granted) or otherwise do not comply with such rules will be treated as Nonstatutory Stock Options, notwithstanding any contrary provision of the applicable Option Agreement(s).

(iii) Limitations on Incentive Stock Options Granted to Ten Percent Stockholders. A Ten Percent Stockholder may not be granted an Incentive Stock Option unless (1) the exercise price of such Option is at least 110% of the Fair Market Value on the date of grant of such Option and (2) the Option is not exercisable after the expiration of five years from the date of grant of such Option.

(iv) Limitations on Nonstatutory Stock Options and SARs. Nonstatutory Stock Options and SARs may not be granted to Employees, Directors and Consultants unless the stock underlying such Awards is treated as "service recipient stock" under Section 409A or unless such Awards otherwise comply with the requirements of Section 409A.

(c) Aggregate Incentive Stock Option Limit. The aggregate maximum number of shares of Common Stock that may be issued pursuant to the exercise of Incentive Stock Options is the number of shares specified in Section 2(b).

(d) Non-Employee Director Compensation Limit. The aggregate value of all compensation granted or paid, as applicable, to any individual for service as a Non-Employee Director with respect to any calendar year, including Awards granted and cash fees paid by the Company to such Non-Employee Director, will not exceed (1) $750,000 in total value or (2) in the event such Non-Employee Director is first appointed or elected to the Board during such calendar year, $1,000,000 in total value, in each case, calculating the value of any equity awards based on the grant date fair value of such equity awards for financial reporting purposes. The limitations in this Section 3(d) shall apply commencing with the first calendar year that begins following the Effective Date.

4. OPTIONS AND STOCK APPRECIATION RIGHTS.

Each Option and SAR will have such terms and conditions as determined by the Board. Each Option will be designated in writing as an Incentive Stock Option or Nonstatutory Stock Option at the time of grant; provided, however, that if an Option is not so designated or if an Option designated as an Incentive Stock Option fails to qualify as an Incentive Stock Option, then such Option will be a Nonstatutory Stock Option, and the shares purchased upon exercise of each type of Option will be separately accounted for. Each SAR will be denominated in shares of Common Stock equivalents. The terms and conditions of separate Options and SARs need not be identical; provided, however, that each Option Agreement and SAR Agreement will conform (through incorporation of provisions hereof by reference in the Award Agreement or otherwise) to the substance of each of the following provisions:

(a) Term. Subject to Section 3(b) regarding Ten Percent Stockholders, no Option or SAR will be exercisable after the expiration of ten years from the date of grant of such Award or such shorter period specified in the Award Agreement.

(b) Exercise or Strike Price. Subject to Section 3(b) regarding Ten Percent Stockholders, the exercise or strike price of each Option or SAR will not be less than 100% of the Fair Market Value on the date of grant of such Award. Notwithstanding the foregoing, an Option or SAR may be granted with an exercise or strike price lower than 100% of the Fair Market Value on the date of grant of such Award if such Award is granted pursuant to an assumption of or substitution for another option or stock appreciation right pursuant to a Corporate Transaction and in a manner consistent with the provisions of Sections 409A and, if applicable, 424(a) of the Code.

(c) Exercise Procedure and Payment of Exercise Price for Options. In order to exercise an Option, the Participant must provide notice of exercise to the Plan Administrator in accordance with the procedures specified in the Option Agreement or otherwise provided by the Company. The Board has the authority to grant Options that do not permit all of the following methods of payment (or otherwise restrict the ability to use certain methods) and to grant Options that require the consent of the Company to utilize a particular method of payment. The exercise price of an Option may be paid, to the extent permitted by Applicable Law and as determined by the Board, by one or more of the following methods of payment to the extent set forth in the Option Agreement:

(i) by cash or check, bank draft or money order payable to the Company;

(ii) pursuant to a "cashless exercise" program developed under Regulation T as promulgated by the Federal Reserve Board that, prior to the issuance of the Common Stock subject to the Option, results in either the receipt of cash (or check) by the Company or the receipt of irrevocable instructions to pay the exercise price to the Company from the sales proceeds;

(iii) by delivery to the Company (either by actual delivery or attestation) of shares of Common Stock that are already owned by the Participant free and clear of any liens, claims, encumbrances or security interests, with a Fair Market Value on the date of exercise that does not exceed the exercise price, provided that (1) at the time of exercise the Common Stock is publicly traded, (2) any remaining balance of the exercise price not satisfied by such delivery is paid by the Participant in cash or other permitted form of payment, (3) such delivery would not violate any Applicable Law or agreement restricting the redemption of the Common Stock, (4) any certificated shares are endorsed or accompanied by an executed assignment separate from certificate, and (5) such shares have been held by the Participant for any minimum period necessary to avoid adverse accounting treatment as a result of such delivery;

(iv) if the Option is a Nonstatutory Stock Option, by a "net exercise" arrangement pursuant to which the Company will reduce the number of shares of Common Stock issuable upon exercise by the largest whole number of shares with a Fair Market Value on the date of exercise that does not exceed the exercise price, provided that (1) such shares used to pay the exercise price will not be exercisable thereafter and (2) any remaining balance of the exercise price not satisfied by such net exercise is paid by the Participant in cash or other permitted form of payment; or

(v) in any other form of consideration that may be acceptable to the Board and permissible under Applicable Law.

(d) Exercise Procedure and Payment of Appreciation Distribution for SARs. In order to exercise any SAR, the Participant must provide notice of exercise to the Plan Administrator in accordance with the SAR Agreement. The appreciation distribution payable to a Participant upon the exercise of a SAR will not be greater than an amount equal to the excess of (i) the aggregate Fair Market Value on the date of exercise of a number of shares of Common Stock equal to the number of Common Stock equivalents that are vested and being exercised under such SAR, over (ii) the strike price of such SAR. Such appreciation distribution may be paid to the Participant in the form of Common Stock or cash (or any combination of Common Stock and cash) or in any other form of payment, as determined by the Board and specified in the SAR Agreement.

(e) Transferability. Options and SARs may not be transferred to third party financial institutions for value. The Board may impose such additional limitations on the transferability of an Option or SAR as it determines. In the absence of any such determination by the Board, the following restrictions on the transferability of Options and SARs will apply, provided that except as explicitly provided herein, neither an Option nor a SAR may be transferred for consideration and *provided, further*, that if an Option is an Incentive Stock Option, such Option may be deemed to be a Nonstatutory Stock Option as a result of such transfer:

(i) Restrictions on Transfer. An Option or SAR will not be transferable, except by will or by the laws of descent and distribution, and will be exercisable during the lifetime of the Participant only by the Participant; provided, however, that the Board may permit transfer of an Option or SAR in a manner that is not prohibited by applicable tax and securities laws upon the Participant's request, including to a trust if the Participant is considered to be the sole beneficial owner of such trust (as determined under Section 671 of the Code and applicable state law) while such Option or SAR is held in such trust, provided that the Participant and the trustee enter into a transfer and other agreements required by the Company.

(ii) Domestic Relations Orders. Notwithstanding the foregoing, subject to the execution of transfer documentation in a format acceptable to the Company and subject to the approval of the Board or a duly authorized Officer, an Option or SAR may be transferred pursuant to a domestic relations order.

(f) Vesting. The Board may impose such restrictions on or conditions to the vesting and/or exercisability of an Option or SAR as determined by the Board. Except as otherwise provided in the Award Agreement or other written agreement between a Participant and the Company or an Affiliate, vesting of Options and SARs will cease upon termination of the Participant's Continuous Service.

(g) Termination of Continuous Service for Cause. Except as explicitly otherwise provided in the Award Agreement or other written agreement between a Participant and the Company or an Affiliate, if a Participant's Continuous Service is terminated for Cause, the Participant's Options and SARs will terminate and be forfeited immediately upon such termination of Continuous Service, and the Participant will be prohibited from exercising any portion (including any vested portion) of such Awards on and after the date of such termination of Continuous Service and the Participant will have no further right, title or interest in such forfeited Award, the shares of Common Stock subject to the forfeited Award, or any consideration in respect of the forfeited Award.

(h) Post-Termination Exercise Period Following Termination of Continuous Service for Reasons Other than Cause. Subject to Section 4(i), if a Participant's Continuous Service terminates for any reason other than for Cause, the Participant may exercise his or her Option or SAR to the extent vested, but only within the following period of time or, if applicable, such other period of time provided in the Award Agreement or other written agreement between a Participant and the Company or an Affiliate; provided, however, that in no event may such Award be exercised after the expiration of its maximum term (as set forth in Section 4(a)):

(i) three months following the date of such termination if such termination is a termination without Cause (other than any termination due to the Participant's Disability or death);

(ii) 12 months following the date of such termination if such termination is due to the Participant's Disability;

(iii) 18 months following the date of such termination if such termination is due to the Participant's death; or

(iv) 18 months following the date of the Participant's death if such death occurs following the date of such termination but during the period such Award is otherwise exercisable (as provided in (i) or (ii) above).

Following the date of such termination, to the extent the Participant does not exercise such Award within the applicable Post-Termination Exercise Period (or, if earlier, prior to the expiration of the maximum term of such Award), such unexercised portion of the Award will terminate, and the Participant will have no further right, title or interest in the terminated Award, the shares of Common Stock subject to the terminated Award, or any consideration in respect of the terminated Award.

(i) Restrictions on Exercise; Extension of Exercisability. A Participant may not exercise an Option or SAR at any time that the issuance of shares of Common Stock upon such exercise would violate Applicable Law. Except as otherwise provided in the Award Agreement or other written agreement between a Participant and the Company or an Affiliate, if a Participant's Continuous Service terminates for any reason other than for Cause and, at any time during the last thirty days of the applicable Post-Termination Exercise Period: (i) the exercise of the Participant's Option or SAR would be prohibited solely because the issuance of shares of Common Stock upon such exercise would violate Applicable Law, or (ii) the immediate sale of any shares of Common Stock issued upon such exercise would violate the Company's Trading Policy, then the applicable Post-Termination Exercise Period will be extended to the last day of the calendar month that commences following the date the Award would otherwise expire, with an additional extension of the exercise period to the last day of the next calendar month to apply if any of the foregoing restrictions apply at any time during such extended exercise period, generally without limitation as to the maximum permitted number of extensions); provided, however, that in no event may such Award be exercised after the expiration of its maximum term (as set forth in Section 4(a)).

(j) Non-Exempt Employees. No Option or SAR, whether or not vested, granted to an Employee who is a non-exempt employee for purposes of the Fair Labor Standards Act of 1938, as amended, will be first exercisable for any shares of Common Stock until at least six months following the date of grant of such Award. Notwithstanding the foregoing, in accordance with the provisions of the Worker Economic Opportunity Act, any vested portion of such Award may be exercised earlier than six months following the date of grant of such Award in the event of (i) such Participant's death or Disability, (ii) a Corporate Transaction in which such Award is not assumed, continued or substituted, (iii) a Change in Control, or (iv) such Participant's retirement (as such term may be defined in the Award Agreement or another applicable agreement or, in the absence of any such definition, in accordance with the Company's then current employment policies and guidelines). This Section 4(j) is intended to operate so that any income derived by a non-exempt employee in connection with the exercise or vesting of an Option or SAR will be exempt from his or her regular rate of pay.

(k) Whole Shares. Options and SARs may be exercised only with respect to whole shares of Common Stock or their equivalents.

5. AWARDS OTHER THAN OPTIONS AND STOCK APPRECIATION RIGHTS.

(a) Restricted Stock Awards and RSU Awards. Each Restricted Stock Award and RSU Award will have such terms and conditions as determined by the Board; provided, however, that each Restricted Stock Award Agreement and RSU Award Agreement will conform (through incorporation of the provisions hereof by reference in the Award Agreement or otherwise) to the substance of each of the following provisions:

(i) Form of Award.

(1) Restricted Stock Awards: To the extent consistent with the Company's Bylaws, at the Board's election, shares of Common Stock subject to a Restricted Stock Award may be (A) held in book entry form subject to the Company's instructions until such shares become vested or any other restrictions lapse, or (B) evidenced by a certificate, which certificate will be held in such form and manner as determined by the Board. Unless otherwise determined by the Board, a Participant will have voting and other rights as a stockholder of the Company with respect to any shares subject to a Restricted Stock Award.

(2) RSU Awards: An RSU Award represents a Participant's right to be issued on a future date the number of shares of Common Stock that is equal to the number of restricted stock units subject to the RSU Award. As a holder of an RSU Award, a Participant is an unsecured creditor of the Company with respect to the Company's unfunded obligation, if any, to issue shares of Common Stock in settlement of such Award and nothing contained in the Plan or any RSU Agreement, and no action taken pursuant to its provisions, will create or be construed to create a trust of any kind or a fiduciary relationship between a Participant and the Company or an Affiliate or any other person. A Participant will not have voting or any other rights as a stockholder of the Company with respect to any RSU Award (unless and until shares are actually issued in settlement of a vested RSU Award).

(ii) Consideration.

(1) Restricted Stock Awards: A Restricted Stock Award may be granted in consideration for (A) cash or check, bank draft or money order payable to the Company, (B) services to the Company or an Affiliate, or (C) any other form of consideration as the Board may determine and permissible under Applicable Law.

(2) RSU Awards: Unless otherwise determined by the Board at the time of grant, an RSU Award will be granted in consideration for the Participant's services to the Company or an Affiliate, such that the Participant will not be required to make any payment to the Company (other than such services) with respect to the grant or vesting of the RSU Award, or the issuance of any shares of Common Stock pursuant to the RSU Award. If, at the time of grant, the Board determines that any consideration must be paid by the Participant (in a form other than the Participant's services to the Company or an Affiliate) upon the issuance of any shares of Common Stock in settlement of the RSU Award, such consideration may be paid in any form of consideration as the Board may determine and permissible under Applicable Law.

(iii) Vesting. The Board may impose such restrictions on or conditions to the vesting of a Restricted Stock Award or RSU Award as determined by the Board. Except as otherwise provided in the Award Agreement or other written agreement between a Participant and the Company or an Affiliate, vesting of Restricted Stock Awards and RSU Awards will cease upon termination of the Participant's Continuous Service.

(iv) Termination of Continuous Service. Except as otherwise provided in the Award Agreement or other written agreement between a Participant and the Company or an Affiliate, if a Participant's Continuous Service terminates for any reason, (1) the Company may receive through a forfeiture condition or a repurchase right any or all of the shares of Common Stock held by the Participant under his or her Restricted Stock Award that have not vested as of the date of such termination as set forth in the Restricted Stock Award Agreement and the Participant will have no further right, title or interest in the Restricted Stock Award, the shares of Common Stock subject to the Restricted Stock Award, or any consideration in respect of the Restricted Stock Award and (2) any portion of his or her RSU Award that has not vested will be forfeited upon such termination and the Participant will have no further right, title or interest in the RSU Award, the shares of Common Stock issuable pursuant to the RSU Award, or any consideration in respect of the RSU Award.

(v) Dividends and Dividend Equivalents. Dividends or dividend equivalents may be paid or credited, as applicable, with respect to any shares of Common Stock subject to a Restricted Stock Award or RSU Award, as determined by the Board and specified in the Award Agreement.

(vi) Settlement of RSU Awards. An RSU Award may be settled by the issuance of shares of Common Stock or cash (or any combination thereof) or in any other form of payment, as determined by the Board and specified in the RSU Award Agreement. At the time of grant, the Board may determine to impose such restrictions or conditions that delay such delivery to a date following the vesting of the RSU Award.

(b) Performance Awards. With respect to any Performance Award, the length of any Performance Period, the Performance Goals to be achieved during the Performance Period, the other terms and conditions of such Award, and the measure of whether and to what degree such Performance Goals have been attained will be determined by the Board.

(c) Other Awards. Other forms of Awards valued in whole or in part by reference to, or otherwise based on, Common Stock, including the appreciation in value thereof, may be granted either alone or in addition to Awards provided for under Section 4 and the preceding provisions of this Section 5. Subject to the provisions of the Plan, the Board will have sole and complete discretion to determine the persons to whom and the time or times at which such Other Awards will be granted, the number of shares of Common Stock (or the cash equivalent thereof) to be granted pursuant to such Other Awards and all other terms and conditions of such Other Awards.

6. ADJUSTMENTS UPON CHANGES IN COMMON STOCK; OTHER CORPORATE EVENTS.

(a) Capitalization Adjustments. In the event of a Capitalization Adjustment, the Board shall appropriately and proportionately adjust: (i) the class(es) and maximum number of shares of Common Stock subject to the Plan and the maximum number of shares by which the Share Reserve may annually increase pursuant to Section 2(a); (ii) the class(es) and maximum number of shares that may be issued pursuant to the exercise of Incentive Stock Options pursuant to Section 2(b); and (iii) the class(es) and number of securities and exercise price, strike price or purchase price of Common Stock subject to outstanding Awards. The Board shall make such adjustments, and its determination shall be final, binding and conclusive. Notwithstanding the foregoing, no fractional shares or rights for fractional shares of Common Stock shall be created in order to implement any Capitalization Adjustment. The Board shall determine an appropriate equivalent benefit, if any, for any fractional shares or rights to fractional shares that might be created by the adjustments referred to in the preceding provisions of this Section.

(b) Dissolution or Liquidation. Except as otherwise provided in the Award Agreement, in the event of a dissolution or liquidation of the Company, all outstanding Awards (other than Awards consisting of vested and outstanding shares of Common Stock not subject to a forfeiture condition or the Company's right of repurchase) will terminate immediately prior to the completion of such dissolution or liquidation, and the shares of Common Stock subject to the Company's repurchase rights or subject to a forfeiture condition may be repurchased or reacquired by the Company notwithstanding the fact that the holder of such Award is providing Continuous Service, provided, however, that the Board may determine to cause some or all Awards to become fully vested, exercisable and/or no longer subject to repurchase or forfeiture (to the extent such Awards have not previously expired or terminated) before the dissolution or liquidation is completed but contingent on its completion.

(c) Corporate Transaction. The following provisions will apply to Awards in the event of a Corporate Transaction, except as set forth in Section 11, unless otherwise provided in the instrument evidencing the Award or any other written agreement between the Company or any Affiliate and the Participant or unless otherwise expressly provided by the Board at the time of grant of an Award.

(i) Awards May Be Assumed. In the event of a Corporate Transaction, any surviving corporation or acquiring corporation (or the surviving or acquiring corporation's parent company) may assume or continue any or all Awards outstanding under the Plan or may substitute

similar awards for Awards outstanding under the Plan (including but not limited to, awards to acquire the same consideration paid to the stockholders of the Company pursuant to the Corporate Transaction), and any reacquisition or repurchase rights held by the Company in respect of Common Stock issued pursuant to Awards may be assigned by the Company to the successor of the Company (or the successor's parent company, if any), in connection with such Corporate Transaction. A surviving corporation or acquiring corporation (or its parent) may choose to assume or continue only a portion of an Award or substitute a similar award for only a portion of an Award, or may choose to assume or continue the Awards held by some, but not all Participants. The terms of any assumption, continuation or substitution will be set by the Board.

(ii) Awards Held by Current Participants. In the event of a Corporate Transaction in which the surviving corporation or acquiring corporation (or its parent company) does not assume or continue such outstanding Awards or substitute similar awards for such outstanding Awards, then with respect to Awards that have not been assumed, continued or substituted and that are held by Participants whose Continuous Service has not terminated prior to the effective time of the Corporate Transaction (referred to as the "***Current Participants***"), the vesting of such Awards (and, with respect to Options and Stock Appreciation Rights, the time when such Awards may be exercised) will be accelerated in full to a date prior to the effective time of such Corporate Transaction (contingent upon the effectiveness of the Corporate Transaction) as the Board determines (or, if the Board does not determine such a date, to the date that is five days prior to the effective time of the Corporate Transaction), and such Awards will terminate if not exercised (if applicable) at or prior to the effective time of the Corporate Transaction, and any reacquisition or repurchase rights held by the Company with respect to such Awards will lapse (contingent upon the effectiveness of the Corporate Transaction). With respect to the vesting of Performance Awards that will accelerate upon the occurrence of a Corporate Transaction pursuant to this subsection (ii) and that have multiple vesting levels depending on the level of performance, unless otherwise provided in the Award Agreement, the vesting of such Performance Awards will accelerate at 100% of the target level upon the occurrence of the Corporate Transaction in which the Awards are not assumed, continued or substituted in accordance with Section 6(c)(i). With respect to the vesting of Awards that will accelerate upon the occurrence of a Corporate Transaction pursuant to this subsection (ii) and are settled in the form of a cash payment, such cash payment will be made no later than 30 days following the occurrence of the Corporate Transaction or such later date as required to comply with Section 409A of the Code.

(iii) Awards Held by Persons other than Current Participants. In the event of a Corporate Transaction in which the surviving corporation or acquiring corporation (or its parent company) does not assume or continue such outstanding Awards or substitute similar awards for such outstanding Awards, then with respect to Awards that have not been assumed, continued or substituted and that are held by persons other than Current Participants, such Awards will terminate if not exercised (if applicable) prior to the occurrence of the Corporate Transaction; provided, however, that any reacquisition or repurchase rights held by the Company with respect to such Awards will not terminate and may continue to be exercised notwithstanding the Corporate Transaction.

(iv) Payment for Awards in Lieu of Exercise. Notwithstanding the foregoing, in the event an Award will terminate if not exercised prior to the effective time of a

Corporate Transaction, the Board may provide, in its sole discretion, that the holder of such Award may not exercise such Award but will receive a payment, in such form as may be determined by the Board, equal in value, at the effective time, to the excess, if any, of (1) the value of the property the Participant would have received upon the exercise of the Award (including, at the discretion of the Board, any unvested portion of such Award), over (2) any exercise price payable by such holder in connection with such exercise.

(d) Appointment of Stockholder Representative. As a condition to the receipt of an Award under this Plan, a Participant will be deemed to have agreed that the Award will be subject to the terms of any agreement governing a Corporate Transaction involving the Company, including, without limitation, a provision for the appointment of a stockholder representative that is authorized to act on the Participant's behalf with respect to any escrow, indemnities and any contingent consideration.

(e) No Restriction on Right to Undertake Transactions. The grant of any Award under the Plan and the issuance of shares pursuant to any Award does not affect or restrict in any way the right or power of the Company or the stockholders of the Company to make or authorize any adjustment, recapitalization, reorganization or other change in the Company's capital structure or its business, any merger or consolidation of the Company, any issue of stock or of options, rights or options to purchase stock or of bonds, debentures, preferred or prior preference stocks whose rights are superior to or affect the Common Stock or the rights thereof or which are convertible into or exchangeable for Common Stock, or the dissolution or liquidation of the Company, or any sale or transfer of all or any part of its assets or business, or any other corporate act or proceeding, whether of a similar character or otherwise.

7. ADMINISTRATION.

(a) Administration by Board. The Board will administer the Plan unless and until the Board delegates administration of the Plan to a Committee or Committees, as provided in subsection (c) below.

(b) Powers of Board. The Board will have the power, subject to, and within the limitations of, the express provisions of the Plan:

(i) To determine from time to time (1) which of the persons eligible under the Plan will be granted Awards; (2) when and how each Award will be granted; (3) what type or combination of types of Award will be granted; (4) the provisions of each Award granted (which need not be identical), including the time or times when a person will be permitted to receive an issuance of Common Stock or other payment pursuant to an Award; (5) the number of shares of Common Stock or cash equivalent with respect to which an Award will be granted to each such person; (6) the Fair Market Value applicable to an Award; and (7) the terms of any Performance Award that is not valued in whole or in part by reference to, or otherwise based on, the Common Stock, including the amount of cash payment or other property that may be earned and the timing of payment.

(ii) To construe and interpret the Plan and Awards granted under it, and to establish, amend and revoke rules and regulations for its administration. The Board, in the

exercise of this power, may correct any defect, omission or inconsistency in the Plan or in any Award Agreement, in a manner and to the extent it deems necessary or expedient to make the Plan or Award fully effective.

(iii) To settle all controversies regarding the Plan and Awards granted under it.

(iv) To accelerate the time at which an Award may first be exercised or the time during which an Award or any part thereof will vest, notwithstanding the provisions in the Award Agreement stating the time at which it may first be exercised or the time during which it will vest.

(v) To prohibit the exercise of any Option, SAR or other exercisable Award during a period of up to 30 days prior to the consummation of any pending stock dividend, stock split, combination or exchange of shares, merger, consolidation or other distribution (other than normal cash dividends) of Company assets to stockholders, or any other change affecting the shares of Common Stock or the share price of the Common Stock including any Corporate Transaction, for reasons of administrative convenience.

(vi) To suspend or terminate the Plan at any time. Suspension or termination of the Plan will not Materially Impair rights and obligations under any Award granted while the Plan is in effect except with the written consent of the affected Participant.

(vii) To amend the Plan in any respect the Board deems necessary or advisable; provided, however, that stockholder approval will be required for any amendment to the extent required by Applicable Law. Except as provided above, rights under any Award granted before amendment of the Plan will not be Materially Impaired by any amendment of the Plan unless (1) the Company requests the consent of the affected Participant, and (2) such Participant consents in writing.

(viii) To submit any amendment to the Plan for stockholder approval.

(ix) To approve forms of Award Agreements for use under the Plan and to amend the terms of any one or more Awards, including, but not limited to, amendments to provide terms more favorable to the Participant than previously provided in the Award Agreement, subject to any specified limits in the Plan that are not subject to Board discretion; *provided however*, that, a Participant's rights under any Award will not be Materially Impaired by any such amendment unless (1) the Company requests the consent of the affected Participant, and (2) such Participant consents in writing.

(x) Generally, to exercise such powers and to perform such acts as the Board deems necessary or expedient to promote the best interests of the Company and that are not in conflict with the provisions of the Plan or Awards.

(xi) To adopt such procedures and sub-plans as are necessary or appropriate to permit and facilitate participation in the Plan by, or take advantage of specific tax treatment for Awards granted to, Employees, Directors or Consultants who are foreign nationals or employed outside the United States (provided that Board approval will not be necessary for immaterial modifications to the Plan or any Award Agreement to ensure or facilitate compliance with the laws of the relevant foreign jurisdiction).

(xii) To effect, at any time and from time to time, subject to the consent of any Participant whose Award is Materially Impaired by such action, (1) the reduction of the exercise price (or strike price) of any outstanding Option or SAR; (2) the cancellation of any outstanding Option or SAR and the grant in substitution therefor of (A) a new Option, SAR, Restricted Stock Award, RSU Award or Other Award, under the Plan or another equity plan of the Company, covering the same or a different number of shares of Common Stock, (B) cash and/or (C) other valuable consideration (as determined by the Board); or (3) any other action that is treated as a repricing under generally accepted accounting principles.

(c) Delegation to Committee.

(i) General. The Board may delegate some or all of the administration of the Plan to a Committee or Committees. If administration of the Plan is delegated to a Committee, the Committee will have, in connection with the administration of the Plan, the powers theretofore possessed by the Board that have been delegated to the Committee, including the power to delegate to another Committee or a subcommittee of the Committee any of the administrative powers the Committee is authorized to exercise (and references in this Plan to the Board will thereafter be to the Committee or subcommittee), subject, however, to such resolutions, not inconsistent with the provisions of the Plan, as may be adopted from time to time by the Board. Each Committee may retain the authority to concurrently administer the Plan with Committee or subcommittee to which it has delegated its authority hereunder and may, at any time, revest in such Committee some or all of the powers previously delegated. The Board may retain the authority to concurrently administer the Plan with any Committee and may, at any time, revest in the Board some or all of the powers previously delegated.

(ii) Rule 16b-3 Compliance. To the extent an Award is intended to qualify for the exemption from Section 16(b) of the Exchange Act that is available under Rule 16b-3 of the Exchange Act, the Award will be granted by the Board or a Committee that consists solely of two or more Non-Employee Directors, as determined under Rule 16b-3(b)(3) of the Exchange Act and thereafter any action establishing or modifying the terms of the Award will be approved by the Board or a Committee meeting such requirements to the extent necessary for such exemption to remain available.

(d) Effect of Board's Decision. All determinations, interpretations and constructions made by the Board or any Committee in good faith will not be subject to review by any person and will be final, binding and conclusive on all persons.

(e) Delegation to Other Person or Body. The Board or any Committee may delegate to one or more persons or bodies the authority to do one or more of the following to the extent permitted by Applicable Law: (i) designate recipients, other than Officers, of Options and SARs (and, to the extent permitted by Applicable Law, other Awards), provided that no person or body may be delegated authority to grant an Award to themself; (ii) determine the number of shares subject to such Awards; and (iii) determine the terms of such Awards; *provided, however*, that the Board or Committee action regarding such delegation will fix the terms of such delegation in accordance with Applicable Law, including without limitation Sections 152 and 157 of the Delaware General Corporation Law. Unless provided otherwise in the Board or Committee action regarding such delegation, each Award granted pursuant to this section will be granted on the

applicable form of Award Agreement most recently approved for use by the Board or the Committee, with any modifications necessary to incorporate or reflect the terms of such Award. Notwithstanding anything to the contrary herein, neither the Board nor any Committee may delegate to any person or body (who is not a Director or that is not comprised solely of Directors, respectively) the authority to determine the Fair Market Value.

8. TAX WITHHOLDING

(a) Withholding Authorization. As a condition to acceptance of any Award under the Plan, a Participant authorizes withholding from payroll and any other amounts payable to such Participant, and otherwise agrees to make adequate provision for (including), any sums required to satisfy any U.S. federal, state, local and/or foreign tax or social insurance contribution withholding obligations of the Company or an Affiliate, if any, which arise in connection with the exercise, vesting or settlement of such Award, as applicable. Accordingly, a Participant may not be able to exercise an Award even though the Award is vested, and the Company shall have no obligation to issue shares of Common Stock subject to an Award, unless and until such obligations are satisfied.

(b) Satisfaction of Withholding Obligation. To the extent permitted by the terms of an Award Agreement, the Company may, in its sole discretion, satisfy any U.S. federal, state, local and/or foreign tax or social insurance withholding obligation relating to an Award by any of the following means or by a combination of such means: (i) causing the Participant to tender a cash payment; (ii) withholding shares of Common Stock from the shares of Common Stock issued or otherwise issuable to the Participant in connection with the Award; (iii) withholding cash from an Award settled in cash; (iv) withholding payment from any amounts otherwise payable to the Participant; (v) by allowing a Participant to effectuate a "cashless exercise" pursuant to a program developed under Regulation T as promulgated by the Federal Reserve Board; or (vi) by such other method as may be set forth in the Award Agreement.

(c) No Obligation to Notify or Minimize Taxes; No Liability to Claims. Except as required by Applicable Law the Company has no duty or obligation to any Participant to advise such holder as to the time or manner of exercising such Award. Furthermore, the Company has no duty or obligation to warn or otherwise advise such holder of a pending termination or expiration of an Award or a possible period in which the Award may not be exercised. The Company has no duty or obligation to minimize the tax consequences of an Award to the holder of such Award and will not be liable to any holder of an Award for any adverse tax consequences to such holder in connection with an Award. As a condition to accepting an Award under the Plan, each Participant (i) agrees to not make any claim against the Company, or any of its Officers, Directors, Employees or Affiliates related to tax liabilities arising from such Award or other Company compensation and (ii) acknowledges that such Participant was advised to consult with his or her own personal tax, financial and other legal advisors regarding the tax consequences of the Award and has either done so or knowingly and voluntarily declined to do so. Additionally, each Participant acknowledges any Option or SAR granted under the Plan is exempt from Section 409A only if the exercise or strike price is at least equal to the "fair market value" of the Common Stock on the date of grant as determined by the Internal Revenue Service and there is no other impermissible deferral of compensation associated with the Award. Additionally, as a condition to accepting an Option or SAR granted under the Plan, each Participant agrees not make any claim

against the Company, or any of its Officers, Directors, Employees or Affiliates in the event that the Internal Revenue Service asserts that such exercise price or strike price is less than the "fair market value" of the Common Stock on the date of grant as subsequently determined by the Internal Revenue Service.

(d) Withholding Indemnification. As a condition to accepting an Award under the Plan, in the event that the amount of the Company's and/or its Affiliate's withholding obligation in connection with such Award was greater than the amount actually withheld by the Company and/or its Affiliates, each Participant agrees to indemnify and hold the Company and/or its Affiliates harmless from any failure by the Company and/or its Affiliates to withhold the proper amount.

9. MISCELLANEOUS.

(a) Source of Shares. The stock issuable under the Plan will be shares of authorized but unissued or reacquired Common Stock, including shares repurchased by the Company on the open market or otherwise.

(b) Use of Proceeds from Sales of Common Stock. Proceeds from the sale of shares of Common Stock pursuant to Awards will constitute general funds of the Company.

(c) Corporate Action Constituting Grant of Awards. Corporate action constituting a grant by the Company of an Award to any Participant will be deemed completed as of the date of such corporate action, unless otherwise determined by the Board, regardless of when the instrument, certificate, or letter evidencing the Award is communicated to, or actually received or accepted by, the Participant. In the event that the corporate records (e.g., Board consents, resolutions or minutes) documenting the corporate action approving the grant contain terms (e.g., exercise price, vesting schedule or number of shares) that are inconsistent with those in the Award Agreement or related grant documents as a result of a clerical error in the Award Agreement or related grant documents, the corporate records will control and the Participant will have no legally binding right to the incorrect term in the Award Agreement or related grant documents.

(d) Stockholder Rights. No Participant will be deemed to be the holder of, or to have any of the rights of a holder with respect to, any shares of Common Stock subject to such Award unless and until (i) such Participant has satisfied all requirements for exercise of the Award pursuant to its terms, if applicable, and (ii) the issuance of the Common Stock subject to such Award is reflected in the records of the Company.

(e) No Employment or Other Service Rights. Nothing in the Plan, any Award Agreement or any other instrument executed thereunder or in connection with any Award granted pursuant thereto will confer upon any Participant any right to continue to serve the Company or an Affiliate in the capacity in effect at the time the Award was granted or affect the right of the Company or an Affiliate to terminate at will and without regard to any future vesting opportunity that a Participant may have with respect to any Award (i) the employment of an Employee with or without notice and with or without cause, (ii) the service of a Consultant pursuant to the terms of such Consultant's agreement with the Company or an Affiliate, or (iii) the service of a Director pursuant to the Bylaws of the Company or an Affiliate, and any applicable provisions of the

corporate law of the state or foreign jurisdiction in which the Company or the Affiliate is incorporated, as the case may be. Further, nothing in the Plan, any Award Agreement or any other instrument executed thereunder or in connection with any Award will constitute any promise or commitment by the Company or an Affiliate regarding the fact or nature of future positions, future work assignments, future compensation or any other term or condition of employment or service or confer any right or benefit under the Award or the Plan unless such right or benefit has specifically accrued under the terms of the Award Agreement and/or Plan.

(f) Change in Time Commitment. In the event a Participant's regular level of time commitment in the performance of his or her services for the Company and any Affiliates is reduced (for example, and without limitation, if the Participant is an Employee of the Company and the Employee has a change in status from a full-time Employee to a part-time Employee or takes an extended leave of absence) after the date of grant of any Award to the Participant, the Board may determine, to the extent permitted by Applicable Law, to (i) make a corresponding reduction in the number of shares or cash amount subject to any portion of such Award that is scheduled to vest or become payable after the date of such change in time commitment, and (ii) in lieu of or in combination with such a reduction, extend the vesting or payment schedule applicable to such Award. In the event of any such reduction, the Participant will have no right with respect to any portion of the Award that is so reduced or extended.

(g) Execution of Additional Documents. As a condition to accepting an Award under the Plan, the Participant agrees to execute any additional documents or instruments necessary or desirable, as determined in the Plan Administrator's sole discretion, to carry out the purposes or intent of the Award, or facilitate compliance with securities and/or other regulatory requirements, in each case at the Plan Administrator's request.

(h) Electronic Delivery and Participation. Any reference herein or in an Award Agreement to a "written" agreement or document will include any agreement or document delivered electronically, filed publicly at www.sec.gov (or any successor website thereto) or posted on the Company's intranet (or other shared electronic medium controlled by the Company to which the Participant has access). By accepting any Award the Participant consents to receive documents by electronic delivery and to participate in the Plan through any on-line electronic system established and maintained by the Plan Administrator or another third party selected by the Plan Administrator. The form of delivery of any Common Stock (e.g., a stock certificate or electronic entry evidencing such shares) shall be determined by the Company.

(i) Clawback/Recovery. All Awards granted under the Plan will be subject to recoupment in accordance with any clawback policy that the Company is required to adopt pursuant to the listing standards of any national securities exchange or association on which the Company's securities are listed or as is otherwise required by the Dodd-Frank Wall Street Reform and Consumer Protection Act or other Applicable Law and any clawback policy that the Company otherwise adopts, to the extent applicable and permissible under Applicable Law. In addition, the Board may impose such other clawback, recovery or recoupment provisions in an Award Agreement as the Board determines necessary or appropriate, including but not limited to a reacquisition right in respect of previously acquired shares of Common Stock or other cash or property upon the occurrence of Cause. No recovery of compensation under such a clawback policy will be an event giving rise to a Participant's right to voluntarily terminate employment upon a "resignation for good reason," or for a "constructive termination" or any similar term under any plan of or agreement with the Company.

(j) Securities Law Compliance. A Participant will not be issued any shares in respect of an Award unless either (i) the shares are registered under the Securities Act; or (ii) the Company has determined that such issuance would be exempt from the registration requirements of the Securities Act. Each Award also must comply with other Applicable Law governing the Award, and a Participant will not receive such shares if the Company determines that such receipt would not be in material compliance with Applicable Law.

(k) Transfer or Assignment of Awards; Issued Shares. Except as expressly provided in the Plan or the form of Award Agreement, Awards granted under the Plan may not be transferred or assigned by the Participant. After the vested shares subject to an Award have been issued, or in the case of Restricted Stock and similar awards, after the issued shares have vested, the holder of such shares is free to assign, hypothecate, donate, encumber or otherwise dispose of any interest in such shares provided that any such actions are in compliance with the provisions herein, the terms of the Trading Policy and Applicable Law.

(l) Effect on Other Employee Benefit Plans. The value of any Award granted under the Plan, as determined upon grant, vesting or settlement, shall not be included as compensation, earnings, salaries, or other similar terms used when calculating any Participant's benefits under any employee benefit plan sponsored by the Company or any Affiliate, except as such plan otherwise expressly provides. The Company expressly reserves its rights to amend, modify, or terminate any of the Company's or any Affiliate's employee benefit plans.

(m) Deferrals. To the extent permitted by Applicable Law, the Board, in its sole discretion, may determine that the delivery of Common Stock or the payment of cash, upon the exercise, vesting or settlement of all or a portion of any Award may be deferred and may also establish programs and procedures for deferral elections to be made by Participants. Deferrals will be made in accordance with the requirements of Section 409A.

(n) Section 409A. Unless otherwise expressly provided for in an Award Agreement, the Plan and Award Agreements will be interpreted to the greatest extent possible in a manner that makes the Plan and the Awards granted hereunder exempt from Section 409A, and, to the extent not so exempt, in compliance with the requirements of Section 409A. If the Board determines that any Award granted hereunder is not exempt from and is therefore subject to Section 409A, the Award Agreement evidencing such Award will incorporate the terms and conditions necessary to avoid the consequences specified in Section 409A(a)(1) of the Code, and to the extent an Award Agreement is silent on terms necessary for compliance, such terms are hereby incorporated by reference into the Award Agreement. Notwithstanding anything to the contrary in this Plan (and unless the Award Agreement specifically provides otherwise), if the shares of Common Stock are publicly traded, and if a Participant holding an Award that constitutes "deferred compensation" under Section 409A is a "specified employee" for purposes of Section 409A, no distribution or payment of any amount that is due because of a "separation from service" (as defined in Section 409A without regard to alternative definitions thereunder) will be issued or paid before the date that is six months and one day following the date of such Participant's "separation from service" or, if earlier, the date of the Participant's death, unless such distribution or payment can be made

in a manner that complies with Section 409A, and any amounts so deferred will be paid in a lump sum on the day after such six month period elapses, with the balance paid thereafter on the original schedule.

(o) CHOICE OF LAW. This Plan and any controversy arising out of or relating to this Plan shall be governed by, and construed in accordance with, the internal laws of the State of Delaware, without regard to conflict of law principles that would result in any application of any law other than the law of the State of Delaware.

10. COVENANTS OF THE COMPANY.

The Company will seek to obtain from each regulatory commission or agency, as may be deemed to be necessary, having jurisdiction over the Plan such authority as may be required to grant Awards and to issue and sell shares of Common Stock upon exercise or vesting of the Awards; provided, however, that this undertaking will not require the Company to register under the Securities Act the Plan, any Award or any Common Stock issued or issuable pursuant to any such Award. If, after reasonable efforts and at a reasonable cost, the Company is unable to obtain from any such regulatory commission or agency the authority that counsel for the Company deems necessary or advisable for the lawful issuance and sale of Common Stock under the Plan, the Company will be relieved from any liability for failure to issue and sell Common Stock upon exercise or vesting of such Awards unless and until such authority is obtained. A Participant is not eligible for the grant of an Award or the subsequent issuance of Common Stock pursuant to the Award if such grant or issuance would be in violation of any Applicable Law.

11. ADDITIONAL RULES FOR AWARDS SUBJECT TO SECTION 409A.

(a) Application. Unless the provisions of this Section of the Plan are expressly superseded by the provisions in the form of Award Agreement, the provisions of this Section shall apply and shall supersede anything to the contrary set forth in the Award Agreement for a Non-Exempt Award.

(b) Non-Exempt Awards Subject to Non-Exempt Severance Arrangements. To the extent a Non-Exempt Award is subject to Section 409A due to application of a Non-Exempt Severance Arrangement, the following provisions of this subsection (b) apply.

(i) If the Non-Exempt Award vests in the ordinary course during the Participant's Continuous Service in accordance with the vesting schedule set forth in the Award Agreement, and does not accelerate vesting under the terms of a Non-Exempt Severance Arrangement, in no event will the shares be issued in respect of such Non-Exempt Award any later than the later of: (i) December 31st of the calendar year that includes the applicable vesting date, or (ii) the 60th day that follows the applicable vesting date.

(ii) If vesting of the Non-Exempt Award accelerates under the terms of a Non-Exempt Severance Arrangement in connection with the Participant's Separation from Service, and such vesting acceleration provisions were in effect as of the date of grant of the Non-Exempt Award and, therefore, are part of the terms of such Non-Exempt Award as of the date of grant, then the shares will be earlier issued in settlement of such Non-Exempt Award upon the Participant's Separation from Service in accordance with the terms of the Non-Exempt Severance

Arrangement, but in no event later than the 60th day that follows the date of the Participant's Separation from Service. However, if at the time the shares would otherwise be issued the Participant is subject to the distribution limitations contained in Section 409A applicable to "specified employees," as defined in Section 409A(a)(2)(B)(i) of the Code, such shares shall not be issued before the date that is six months following the date of such Participant's Separation from Service, or, if earlier, the date of the Participant's death that occurs within such six month period.

(iii) If vesting of a Non-Exempt Award accelerates under the terms of a Non-Exempt Severance Arrangement in connection with a Participant's Separation from Service, and such vesting acceleration provisions were not in effect as of the date of grant of the Non-Exempt Award and, therefore, are not a part of the terms of such Non-Exempt Award on the date of grant, then such acceleration of vesting of the Non-Exempt Award shall not accelerate the issuance date of the shares, but the shares shall instead be issued on the same schedule as set forth in the Grant Notice as if they had vested in the ordinary course during the Participant's Continuous Service, notwithstanding the vesting acceleration of the Non-Exempt Award. Such issuance schedule is intended to satisfy the requirements of payment on a specified date or pursuant to a fixed schedule, as provided under Treasury Regulations Section 1.409A-3(a)(4).

(c) Treatment of Non-Exempt Awards Upon a Corporate Transaction for Employees and Consultants. The provisions of this subsection (c) shall apply and shall supersede anything to the contrary set forth in the Plan with respect to the permitted treatment of any Non-Exempt Award in connection with a Corporate Transaction if the Participant was either an Employee or Consultant upon the applicable date of grant of the Non-Exempt Award.

(i) Vested Non-Exempt Awards. The following provisions shall apply to any Vested Non-Exempt Award in connection with a Corporate Transaction:

(1) If the Corporate Transaction is also a Section 409A Change in Control then the Acquiring Entity may not assume, continue or substitute the Vested Non-Exempt Award. Upon the Section 409A Change in Control the settlement of the Vested Non-Exempt Award will automatically be accelerated and the shares will be immediately issued in respect of the Vested Non-Exempt Award. Alternatively, the Company may instead provide that the Participant will receive a cash settlement equal to the Fair Market Value of the shares that would otherwise be issued to the Participant upon the Section 409A Change in Control.

(2) If the Corporate Transaction is not also a Section 409A Change in Control, then the Acquiring Entity must either assume, continue or substitute each Vested Non-Exempt Award. The shares to be issued in respect of the Vested Non-Exempt Award shall be issued to the Participant by the Acquiring Entity on the same schedule that the shares would have been issued to the Participant if the Corporate Transaction had not occurred. In the Acquiring Entity's discretion, in lieu of an issuance of shares, the Acquiring Entity may instead substitute a cash payment on each applicable issuance date, equal to the Fair Market Value of the shares that would otherwise be issued to the Participant on such issuance dates, with the determination of the Fair Market Value of the shares made on the date of the Corporate Transaction.

(ii) Unvested Non-Exempt Awards. The following provisions shall apply to any Unvested Non-Exempt Award unless otherwise determined by the Board pursuant to subsection (e) of this Section.

(1) In the event of a Corporate Transaction, the Acquiring Entity shall assume, continue or substitute any Unvested Non-Exempt Award. Unless otherwise determined by the Board, any Unvested Non-Exempt Award will remain subject to the same vesting and forfeiture restrictions that were applicable to the Award prior to the Corporate Transaction. The shares to be issued in respect of any Unvested Non-Exempt Award shall be issued to the Participant by the Acquiring Entity on the same schedule that the shares would have been issued to the Participant if the Corporate Transaction had not occurred. In the Acquiring Entity's discretion, in lieu of an issuance of shares, the Acquiring Entity may instead substitute a cash payment on each applicable issuance date, equal to the Fair Market Value of the shares that would otherwise be issued to the Participant on such issuance dates, with the determination of Fair Market Value of the shares made on the date of the Corporate Transaction.

(2) If the Acquiring Entity will not assume, substitute or continue any Unvested Non-Exempt Award in connection with a Corporate Transaction, then such Award shall automatically terminate and be forfeited upon the Corporate Transaction with no consideration payable to any Participant in respect of such forfeited Unvested Non-Exempt Award. Notwithstanding the foregoing, to the extent permitted and in compliance with the requirements of Section 409A, the Board may in its discretion determine to elect to accelerate the vesting and settlement of the Unvested Non-Exempt Award upon the Corporate Transaction, or instead substitute a cash payment equal to the Fair Market Value of such shares that would otherwise be issued to the Participant, as further provided in subsection (e)(ii) below. In the absence of such discretionary election by the Board, any Unvested Non-Exempt Award shall be forfeited without payment of any consideration to the affected Participants if the Acquiring Entity will not assume, substitute or continue the Unvested Non-Exempt Awards in connection with the Corporate Transaction.

(3) The foregoing treatment shall apply with respect to all Unvested Non-Exempt Awards upon any Corporate Transaction, and regardless of whether or not such Corporate Transaction is also a Section 409A Change in Control.

(d) Treatment of Non-Exempt Awards Upon a Corporate Transaction for Non-Employee Directors. The following provisions of this subsection (d) shall apply and shall supersede anything to the contrary that may be set forth in the Plan with respect to the permitted treatment of a Non-Exempt Director Award in connection with a Corporate Transaction.

(i) If the Corporate Transaction is also a Section 409A Change in Control then the Acquiring Entity may not assume, continue or substitute the Non-Exempt Director Award. Upon the Section 409A Change in Control the vesting and settlement of any Non-Exempt Director Award will automatically be accelerated and the shares will be immediately issued to the Participant in respect of the Non-Exempt Director Award. Alternatively, the Company may provide that the Participant will instead receive a cash settlement equal to the Fair Market Value of the shares that would otherwise be issued to the Participant upon the Section 409A Change in Control pursuant to the preceding provision.

(ii) If the Corporate Transaction is not also a Section 409A Change in Control, then the Acquiring Entity must either assume, continue or substitute the Non-Exempt Director Award. Unless otherwise determined by the Board, the Non-Exempt Director Award will remain subject to the same vesting and forfeiture restrictions that were applicable to the Award prior to the Corporate Transaction. The shares to be issued in respect of the Non-Exempt Director Award shall be issued to the Participant by the Acquiring Entity on the same schedule that the shares would have been issued to the Participant if the Corporate Transaction had not occurred. In the Acquiring Entity's discretion, in lieu of an issuance of shares, the Acquiring Entity may instead substitute a cash payment on each applicable issuance date, equal to the Fair Market Value of the shares that would otherwise be issued to the Participant on such issuance dates, with the determination of Fair Market Value made on the date of the Corporate Transaction.

(e) If the RSU Award is a Non-Exempt Award, then the provisions in this Section 11(e) shall apply and supersede anything to the contrary that may be set forth in the Plan or the Award Agreement with respect to the permitted treatment of such Non-Exempt Award:

(i) Any exercise by the Board of discretion to accelerate the vesting of a Non-Exempt Award shall not result in any acceleration of the scheduled issuance dates for the shares in respect of the Non-Exempt Award unless earlier issuance of the shares upon the applicable vesting dates would be in compliance with the requirements of Section 409A.

(ii) The Company explicitly reserves the right to earlier settle any Non-Exempt Award to the extent permitted and in compliance with the requirements of Section 409A, including pursuant to any of the exemptions available in Treasury Regulations Section 1.409A-3(j)(4)(ix).

(iii) To the extent the terms of any Non-Exempt Award provide that it will be settled upon a Change in Control or Corporate Transaction, to the extent it is required for compliance with the requirements of Section 409A, the Change in Control or Corporate Transaction event triggering settlement must also constitute a Section 409A Change in Control. To the extent the terms of a Non-Exempt Award provides that it will be settled upon a termination of employment or termination of Continuous Service, to the extent it is required for compliance with the requirements of Section 409A, the termination event triggering settlement must also constitute a Separation From Service. However, if at the time the shares would otherwise be issued to a Participant in connection with a "separation from service" such Participant is subject to the distribution limitations contained in Section 409A applicable to "specified employees," as defined in Section 409A(a)(2)(B)(i) of the Code, such shares shall not be issued before the date that is six months following the date of the Participant's Separation From Service, or, if earlier, the date of the Participant's death that occurs within such six month period.

(iv) The provisions in this subsection (e) for delivery of the shares in respect of the settlement of an RSU Award that is a Non-Exempt Award are intended to comply with the requirements of Section 409A so that the delivery of the shares to the Participant in respect of such Non-Exempt Award will not trigger the additional tax imposed under Section 409A, and any ambiguities herein will be so interpreted.

12. SEVERABILITY.

If all or any part of the Plan or any Award Agreement is declared by any court or governmental authority to be unlawful or invalid, such unlawfulness or invalidity shall not invalidate any portion of the Plan or such Award Agreement not declared to be unlawful or invalid. Any Section of the Plan or any Award Agreement (or part of such a Section) so declared to be unlawful or invalid shall, if possible, be construed in a manner which will give effect to the terms of such Section or part of a Section to the fullest extent possible while remaining lawful and valid.

13. TERMINATION OF THE PLAN.

The Board may suspend or terminate the Plan at any time. No Incentive Stock Options may be granted after the tenth anniversary of the earlier of: (i) the Adoption Date, or (ii) the date the Plan is approved by the Company's stockholders. No Awards may be granted under the Plan while the Plan is suspended or after it is terminated.

14. DEFINITIONS.

As used in the Plan, the following definitions apply to the capitalized terms indicated below:

(a) "***Acquiring Entity***" means the surviving or acquiring corporation (or its parent company) in connection with a Corporate Transaction.

(b) "***Adoption Date***" means the date the Plan is first approved by the Board or Compensation Committee.

(c) "***Affiliate***" means, at the time of determination, any "parent" or "subsidiary" of the Company as such terms are defined in Rule 405 promulgated under the Securities Act. The Board may determine the time or times at which "parent" or "subsidiary" status is determined within the foregoing definition.

(d) "***Applicable Law***" means any applicable securities, federal, state, foreign, material local or municipal or other law, statute, constitution, principle of common law, resolution, ordinance, code, edict, decree, rule, listing rule, regulation, judicial decision, ruling or requirement issued, enacted, adopted, promulgated, implemented or otherwise put into effect by or under the authority of any Governmental Body (including under the authority of any applicable self-regulating organization such as the Nasdaq Stock Market, New York Stock Exchange, or the Financial Industry Regulatory Authority).

(e) "***Award***" means any right to receive Common Stock, cash or other property granted under the Plan (including an Incentive Stock Option, a Nonstatutory Stock Option, a Restricted Stock Award, an RSU Award, a SAR, a Performance Award or any Other Award).

(f) "***Award Agreement***" means a written or electronic agreement between the Company and a Participant evidencing the terms and conditions of an Award. The Award Agreement generally consists of the Grant Notice and the agreement containing the written summary of the general terms and conditions applicable to the Award and which is provided, including through electronic means, to a Participant along with the Grant Notice.

(g) "***Board***" means the Board of Directors of the Company (or its designee). Any decision or determination made by the Board shall be a decision or determination that is made in the sole discretion of the Board (or its designee), and such decision or determination shall be final and binding on all Participants.

(h) *"**Capitalization Adjustment***" means any change that is made in, or other events that occur with respect to, the Common Stock subject to the Plan or subject to any Award after the date the Plan is adopted by the Board without the receipt of consideration by the Company through merger, consolidation, reorganization, recapitalization, reincorporation, stock dividend, dividend in property other than cash, large nonrecurring cash dividend, stock split, reverse stock split, liquidating dividend, combination of shares, exchange of shares, change in corporate structure or any similar equity restructuring transaction, as that term is used in Statement of Financial Accounting Standards Board Accounting Standards Codification Topic 718 (or any successor thereto). Notwithstanding the foregoing, the conversion of any convertible securities of the Company will not be treated as a Capitalization Adjustment.

(i) "***Cause***" has the meaning ascribed to such term in any written agreement between a Participant and the Company defining such term and, in the absence of such agreement, such term means, with respect to a Participant, the occurrence of any of the following events: (i) the Participant's dishonest statements or acts with respect to the Company or any Affiliate of the Company, or any current or prospective customers, suppliers, vendors or other third parties with which such entity does business; (ii) the Participant's commission of (A) a felony or (B) any misdemeanor involving moral turpitude, deceit, dishonesty or fraud; (iii) the Participant's failure to perform the Participant's assigned duties and responsibilities to the reasonable satisfaction of the Company which failure continues, in the reasonable judgment of the Company, after written notice given to the Participant by the Company; (iv) the Participant's gross negligence, willful misconduct or insubordination with respect to the Company or any Affiliate of the Company; or (v) the Participant's material violation of any provision of any agreement(s) between the Participant and the Company relating to noncompetition, nonsolicitation, nondisclosure and/or assignment of inventions. The determination that a termination of the Participant's Continuous Service is either for Cause or without Cause will be made by the Board with respect to Participants who are executive officers of the Company and by the Company's Chief Executive Officer with respect to Participants who are not executive officers of the Company. Any determination by the Company that the Continuous Service of a Participant was terminated with or without Cause for the purposes of outstanding Awards held by such Participant will have no effect upon any determination of the rights or obligations of the Company or such Participant for any other purpose.

(j) "***Change in Control***" or "***Change of Control***" means the occurrence, in a single transaction or in a series of related transactions, of any one or more of the following events:

(i) any Exchange Act Person becomes the Owner, directly or indirectly, of securities of the Company representing more than 50% of the combined voting power of the Company's then outstanding securities other than by virtue of a merger, consolidation or similar transaction. Notwithstanding the foregoing, a Change in Control shall not be deemed to occur (A) on account of the acquisition of securities of the Company directly from the Company, (B) on account of the acquisition of securities of the Company by an investor, any affiliate thereof or any other Exchange Act Person that acquires the Company's securities in a transaction or series of related transactions the primary purpose of which is to obtain financing for the Company through the issuance of equity securities, or (C) solely because the level of Ownership held by any Exchange Act Person (the "*Subject Person*") exceeds the designated percentage threshold of the outstanding voting securities as a result of a repurchase or other acquisition of voting securities by the Company reducing the number of shares outstanding, provided that if a Change in Control would occur (but for the operation of this sentence) as a result of the acquisition of voting securities by the Company, and after such share acquisition, the Subject Person becomes the Owner of any additional voting securities that, assuming the repurchase or other acquisition had not occurred, increases the percentage of the then outstanding voting securities Owned by the Subject Person over the designated percentage threshold, then a Change in Control shall be deemed to occur;

(ii) there is consummated a merger, consolidation or similar transaction involving (directly or indirectly) the Company and, immediately after the consummation of such merger, consolidation or similar transaction, the stockholders of the Company immediately prior thereto do not Own, directly or indirectly, either (A) outstanding voting securities representing more than 50% of the combined outstanding voting power of the Acquiring Entity in such merger, consolidation or similar transaction or (B) more than 50% of the combined outstanding voting power of the parent of the Acquiring Entity in such merger, consolidation or similar transaction, in each case in substantially the same proportions as their Ownership of the outstanding voting securities of the Company immediately prior to such transaction;

(iii) there is consummated a sale, lease, exclusive license or other disposition of all or substantially all of the consolidated assets of the Company and its Subsidiaries, other than a sale, lease, license or other disposition of all or substantially all of the consolidated assets of the Company and its Subsidiaries to an Entity, more than 50% of the combined voting power of the voting securities of which are Owned by stockholders of the Company in substantially the same proportions as their Ownership of the outstanding voting securities of the Company immediately prior to such sale, lease, license or other disposition; or

(iv) individuals who, on the date the Plan is adopted by the Board, are members of the Board (the "***Incumbent Board***") cease for any reason to constitute at least a majority of the members of the Board; provided, however, that if the appointment or election (or nomination for election) of any new Board member was approved or recommended by a majority vote of the members of the Incumbent Board then still in office, such new member shall, for purposes of this Plan, be considered as a member of the Incumbent Board.

Notwithstanding the foregoing or any other provision of this Plan, (A) the term Change in Control shall not include a sale of assets, merger or other transaction effected exclusively for the purpose of changing the domicile of the Company, (B) the definition of Change in Control (or any analogous term) in an individual written agreement between the Company or any Affiliate and the Participant shall supersede the foregoing definition with respect to Awards subject to such agreement; provided, however, that if no definition of Change in Control or any analogous term is set forth in such an individual written agreement, the foregoing definition shall apply, and (C) with respect to any nonqualified deferred compensation that becomes payable on account of the Change in Control, the transaction or event described in clause (i), (ii), (iii), or (iv) also constitutes a Section 409A Change in Control if required in order for the payment not to violate Section 409A of the Code.

(k) "***Code***" means the Internal Revenue Code of 1986, as amended, including any applicable regulations and guidance thereunder.

(l) "***Combined Common Stock*****"** means the common stock of the Company of all classes.

(m) "***Committee***" means the Compensation Committee and any other committee of one or more Directors to whom authority has been delegated by the Board or Compensation Committee in accordance with the Plan.

(q) "***Consultant***" means any person, including an advisor, who is (i) engaged by the Company or an Affiliate to render consulting or advisory services and is compensated for such services, or (ii) serving as a member of the board of directors of an Affiliate and is compensated for such services. However, service solely as a Director, or payment of a fee for such service, will not cause a Director to be considered a "Consultant" for purposes of the Plan. Notwithstanding the foregoing, a person is treated as a Consultant under this Plan only if a Form S-8 Registration Statement under the Securities Act is available to register either the offer or the sale of the Company's securities to such person.

(r) "***Continuous Service***" means that the Participant's service with the Company or an Affiliate, whether as an Employee, Director or Consultant, is not interrupted or terminated. A change in the capacity in which the Participant renders service to the Company or an Affiliate as an Employee, Director or Consultant or a change in the Entity for which the Participant renders such service, provided that there is no interruption or termination of the Participant's service with the Company or an Affiliate, will not terminate a Participant's Continuous Service; provided, however, that if the Entity for which a Participant is rendering services ceases to qualify as an Affiliate, as determined by the Board, such Participant's Continuous Service will be considered to have terminated on the date such Entity ceases to qualify as an Affiliate. For example, a change in status from an Employee of the Company to a Consultant of an Affiliate or to a Director will not constitute an interruption of Continuous Service. To the extent permitted by law, the Board or the chief executive officer of the Company, in that party's sole discretion, may determine whether Continuous Service will be considered interrupted in the case of (i) any leave of absence approved by the Board or chief executive officer, including sick leave, military leave or any other personal leave, or (ii) transfers between the Company, an Affiliate, or their successors. Notwithstanding the foregoing, a leave of absence will be treated as Continuous Service for purposes of vesting in an Award only to such extent as may be provided in the Company's leave of absence policy, in the written terms of any leave of absence agreement or policy applicable to the Participant, or as otherwise required by law. In addition, to the extent required for exemption from or compliance with Section 409A, the determination of whether there has been a termination of Continuous Service will be made, and such term will be construed, in a manner that is consistent with the definition of "separation from service" as defined under Treasury Regulation Section 1.409A-1(h) (without regard to any alternative definition thereunder).

(s) "***Corporate Transaction***" means the consummation, in a single transaction or in a series of related transactions, of any one or more of the following events:

(i) a sale or other disposition of all or substantially all, as determined by the Board, of the consolidated assets of the Company and its Subsidiaries;

(ii) a sale or other disposition of at least 50% of the outstanding securities of the Company;

(iii) a merger, consolidation or similar transaction following which the Company is not the surviving corporation; or

(iv) a merger, consolidation or similar transaction following which the Company is the surviving corporation but the shares of Common Stock outstanding immediately preceding the merger, consolidation or similar transaction are converted or exchanged by virtue of the merger, consolidation or similar transaction into other property, whether in the form of securities, cash or otherwise.

Notwithstanding the foregoing or any other provision of this Plan, (A) the term Corporate Transaction shall not include a sale of assets, merger or other transaction effected exclusively for the purpose of changing the domicile of the Company, (B) the definition of Corporate Transaction (or any analogous term) in an individual written agreement between the Company or any Affiliate and the Participant shall supersede the foregoing definition with respect to Awards subject to such agreement; provided, however, that if no definition of Corporate Transaction or any analogous term is set forth in such an individual written agreement, the foregoing definition shall apply, and (C) with respect to any nonqualified deferred compensation that becomes payable on account of the Corporate Transaction, the transaction or event described in clause (i), (ii), (iii), or (iv) also constitutes a Section 409A Change in Control if required in order for the payment not to violate Section 409A of the Code.

(u) "***determine***" or "***determined***" means as determined by the Board or the Committee (or its designee) in its sole discretion.

(v) "***Disability***" means, with respect to a Participant, such Participant is unable to engage in any substantial gainful activity by reason of any medically determinable physical or mental impairment which can be expected to result in death or which has lasted or can be expected to last for a continuous period of not less than 12 months, as provided in Section 22(e)(3) of the Code, and will be determined by the Board on the basis of such medical evidence as the Board deems warranted under the circumstances.

(w) "***Effective Date***" means immediately prior to the IPO Date, provided that this Plan is approved by the Company's stockholders prior to the IPO Date.

(x) "***Employee***" means any person employed by the Company or an Affiliate. However, service solely as a Director, or payment of a fee for such services, will not cause a Director to be considered an "Employee" for purposes of the Plan.

(y) "***Employer***" means the Company or the Affiliate of the Company that employs the Participant.

(z) "***Entity***" means a corporation, partnership, limited liability company or other entity.

(aa) "***Exchange Act***" means the Securities Exchange Act of 1934, as amended, and the rules and regulations promulgated thereunder.

(cc) "***Fair Market Value***" means, as of any date, unless otherwise determined by the Board, the value of the Common Stock (as determined on a per share or aggregate basis, as applicable) determined as follows:

(i) If the Common Stock is listed on any established stock exchange or traded on any established market, the Fair Market Value will be the closing sales price for such stock as quoted on such exchange or market (or the exchange or market with the greatest volume of trading in the Common Stock) on the date of determination, as reported in a source the Board deems reliable.

(ii) If there is no closing sales price for the Common Stock on the date of determination, then the Fair Market Value will be the closing selling price on the last preceding date for which such quotation exists.

(iii) In the absence of such markets for the Common Stock, or if otherwise determined by the Board, the Fair Market Value will be determined by the Board in good faith and in a manner that complies with Sections 409A and 422 of the Code.

(dd) "***Governmental Body***" means any: (i) nation, state, commonwealth, province, territory, county, municipality, district or other jurisdiction of any nature; (ii) federal, state, local, municipal, foreign or other government; (iii) governmental or regulatory body, or quasi-governmental body of any nature (including any governmental division, department, administrative agency or bureau, commission, authority, instrumentality, official, ministry, fund, foundation, center, organization, unit, body or Entity and any court or other tribunal, and for the avoidance of doubt, any Tax authority) or other body exercising similar powers or authority; or (iv) self-regulatory organization (including the Nasdaq Stock Market, New York Stock Exchange, and the Financial Industry Regulatory Authority).

(ee) "***Grant Notice***" means the notice provided to a Participant that he or she has been granted an Award under the Plan and which includes the name of the Participant, the type of Award, the date of grant of the Award, number of shares of Common Stock subject to the Award or potential cash payment right, (if any), the vesting schedule for the Award (if any) and other key terms applicable to the Award.

(ff) "***Incentive Stock Option***" means an option granted pursuant to Section 4 of the Plan that is intended to be, and qualifies as, an "incentive stock option" within the meaning of Section 422 of the Code.

(hh) "***Materially Impair***" means any amendment to the terms of the Award that materially adversely affects the Participant's rights under the Award. A Participant's rights under an Award will not be deemed to have been Materially Impaired by any such amendment if the Board, in its sole discretion, determines that the amendment, taken as a whole, does not materially impair the Participant's rights. For example, the following types of amendments to the terms of an Award do not Materially Impair the Participant's rights under the Award: (i) imposition of reasonable restrictions on the minimum number of shares subject to an Option or SAR that may be exercised; (ii) to maintain the qualified status of the Award as an Incentive Stock Option under Section 422 of the Code; (iii) to change the terms of an Incentive Stock Option in a manner that disqualifies, impairs or otherwise affects the qualified status of the Award as an Incentive Stock Option under Section 422 of the Code; (iv) to clarify the manner of exemption from, or to bring the Award into compliance with or qualify it for an exemption from, Section 409A; or (v) to comply with other Applicable Laws.

(ii) "***Non-Employee Director***" means a Director who either (i) is not a current employee or officer of the Company or an Affiliate, does not receive compensation, either directly or indirectly, from the Company or an Affiliate for services rendered as a consultant or in any capacity other than as a Director (except for an amount as to which disclosure would not be required under Item 404(a) of Regulation S-K promulgated pursuant to the Securities Act ("***Regulation S-K***")), does not possess an interest in any other transaction for which disclosure would be required under Item 404(a) of Regulation S-K, and is not engaged in a business relationship for which disclosure would be required pursuant to Item 404(b) of Regulation S-K; or (ii) is otherwise considered a "non-employee director" for purposes of Rule 16b-3.

(mm) "***Nonstatutory Stock Option***" means any option granted pursuant to Section 4 of the Plan that does not qualify as an Incentive Stock Option.

STOCK OPTION AGREEMENT

TEMPUS AI, INC.
2024 EQUITY INCENTIVE PLAN

STOCK OPTION AGREEMENT

As reflected by your Stock Option Grant Notice ("***Grant Notice***") Tempus AI, Inc. (the "***Company***") has granted you an option under its 2024 Equity Incentive Plan (the "***Plan***") to purchase a number of shares of Common Stock at the exercise price indicated in your Grant Notice (the "***Option***"). Capitalized terms not explicitly defined in this Agreement but defined in the Grant Notice or the Plan shall have the meanings set forth in the Grant Notice or Plan, as applicable. The terms of your Option as specified in the Grant Notice and this Stock Option Agreement constitute your Option Agreement.

The general terms and conditions applicable to your Option are as follows:

1. GOVERNING PLAN DOCUMENT. Your Option is subject to all the provisions of the Plan, including but not limited to the provisions in:

(a) Section 6 regarding the impact of a Capitalization Adjustment, dissolution, liquidation, or Corporate Transaction on your Option;

(b) Section 9(e) regarding the Company's retained rights to terminate your Continuous Service notwithstanding the grant of the Option; and

(c) Section 8 regarding the tax consequences of your Option.

Your Option is further subject to all interpretations, amendments, rules and regulations, which may from time to time be promulgated and adopted pursuant to the Plan. In the event of any conflict between the Option Agreement and the provisions of the Plan, the provisions of the Plan shall control.

2. VESTING. Your Option will vest as provided in your Grant Notice, subject to the provisions contained herein and the terms of the Plan. Vesting will cease upon the termination of your Continuous Service.

3. EXERCISE.

(a) You may generally exercise the vested portion of your Option for whole shares of Common Stock at any time during its term by delivery of payment of the exercise price and applicable withholding taxes and other required documentation to the Plan Administrator in accordance with the exercise procedures established by the Plan Administrator, which may include an electronic submission. Please review Sections 4(i), 4(j) and 7(b)(v) of the Plan, which may restrict or prohibit your ability to exercise your Option during certain periods.

(b) To the extent permitted by Applicable Law, you may pay your Option exercise price as follows:

(i) cash, check, bank draft or money order;

(ii) pursuant to a "cashless exercise" program as further described in Section 4(c)(ii) of the Plan if at the time of exercise the Common Stock is publicly traded;

(iii) subject to Company and/or Committee consent at the time of exercise, by delivery of previously owned shares of Common Stock as further described in Section 4(c)(iii) of the Plan; or

(iv) subject to Company and/or Committee consent at the time of exercise, if the Option is a Nonstatutory Stock Option, by a "net exercise" arrangement as further described in Section 4(c)(iv) of the Plan.

(c) By accepting your Option, you agree that you will not sell, dispose of, transfer, make any short sale of, grant any option for the purchase of, or enter into any hedging or similar transaction with the same economic effect as a sale with respect to any shares of Common Stock or other securities of the Company held by you, for a period of 180 days following the effective date of a registration statement of the Company filed under the Securities Act or such longer period as the underwriters or the Company will request to facilitate compliance with FINRA Rule 2241 or any successor or similar rules or regulation (the "***Lock-Up Period***"); provided, however, that nothing contained in this Section 3(c) will prevent the exercise of a repurchase option, if any, in favor of the Company during the Lock-Up Period. You further agree to execute and deliver such other agreements as may be reasonably requested by the Company or the underwriters that are consistent with the foregoing or that are necessary to give further effect thereto. In order to enforce the foregoing covenant, the Company may impose stop-transfer instructions with respect to your shares of Common Stock until the end of such period. You also agree that any transferee of any shares of Common Stock (or other securities) of the Company held by you will be bound by this Section 3(c). The underwriters of the Company's stock are intended third party beneficiaries of this Section 3(c) and will have the right, power and authority to enforce the provisions hereof as though they were a party hereto.

4. TERM. You may not exercise your Option before the commencement of its term or after its term expires. The term of your Option commences on the Date of Grant and expires upon the earliest of the following:

(a) immediately upon the termination of your Continuous Service for Cause;

(b) three months after the termination of your Continuous Service for any reason other than Cause, Disability or death;

(c) 12 months after the termination of your Continuous Service due to your Disability;

(d) 18 months after your death if you die during your Continuous Service;

(e) immediately upon a Corporate Transaction if the Board has determined that the Option will terminate in connection with a Corporate Transaction,

(f) the Expiration Date indicated in your Grant Notice; or

(g) the day before the 10th anniversary of the Date of Grant.

Notwithstanding the foregoing, if you die during the period provided in Section 4(b) or 4(c) above, the term of your Option shall not expire until the earlier of (i) 18 months after your death, (ii) upon any termination of the Option in connection with a Corporate Transaction, (iii) the Expiration Date indicated in your Grant Notice, or (iv) the day before the tenth anniversary of the Date of Grant. Additionally, the Post-Termination Exercise Period of your Option may be extended as provided in Section 4(i) of the Plan.

To obtain the federal income tax advantages associated with an Incentive Stock Option, the Code requires that at all times beginning on the date of grant of your Option and ending on the day three months before the date of your Option's exercise, you must be an employee of the Company or an Affiliate, except in the event of your death or Disability. If the Company provides for the extended exercisability of your Option under certain circumstances for your benefit, your Option will not necessarily be treated as an Incentive Stock Option if you exercise your Option more than three months after the date your employment terminates.

5. WITHHOLDING OBLIGATIONS. As further provided in Section 8 of the Plan: (a) you may not exercise your Option unless the applicable tax withholding obligations are satisfied, and (b) at the time you exercise your Option, in whole or in part, or at any time thereafter as requested by the Company, you hereby authorize withholding from payroll and any other amounts payable to you, and otherwise agree to make adequate provision for (including by means of a "cashless exercise" pursuant to a program developed under Regulation T as promulgated by the Federal Reserve Board to the extent permitted by the Company), any sums required to satisfy the federal, state, local and foreign tax withholding obligations, if any, which arise in connection with the exercise of your Option in accordance with the withholding procedures established by the Company. Accordingly, you may not be able to exercise your Option even though the Option is vested, and the Company shall have no obligation to issue shares of Common Stock subject to your Option, unless and until such obligations are satisfied. In the event that the amount of the Company's withholding obligation in connection with your Option was greater than the amount actually withheld by the Company, you agree to indemnify and hold the Company harmless from any failure by the Company to withhold the proper amount.

6. INCENTIVE STOCK OPTION DISPOSITION REQUIREMENT. If your Option is an Incentive Stock Option, you must notify the Company in writing within 15 days after the date of any disposition of any of the shares of the Common Stock issued upon exercise of your Option that occurs within two years after the date of your Option grant or within one year after such shares of Common Stock are transferred upon exercise of your Option.

7. TRANSFERABILITY. Except as otherwise provided in Section 4(e) of the Plan, your Option is not transferable, except by will or by the applicable laws of descent and distribution, and is exercisable during your life only by you.

8. CORPORATE TRANSACTION. Your Option is subject to the terms of any agreement governing a Corporate Transaction involving the Company, including, without limitation, a

provision for the appointment of a stockholder representative that is authorized to act on your behalf with respect to any escrow, indemnities and any contingent consideration.

9. NO LIABILITY FOR TAXES. As a condition to accepting the Option, you hereby (a) agree to not make any claim against the Company, or any of its Officers, Directors, Employees or Affiliates related to tax liabilities arising from the Option or other Company compensation and (b) acknowledge that you were advised to consult with your own personal tax, financial and other legal advisors regarding the tax consequences of the Option and have either done so or knowingly and voluntarily declined to do so. Additionally, you acknowledge that the Option is exempt from Section 409A only if the exercise price is at least equal to the "fair market value" of the Common Stock on the date of grant as determined by the Internal Revenue Service and there is no other impermissible deferral of compensation associated with the Option. Additionally, as a condition to accepting the Option, you agree not make any claim against the Company, or any of its Officers, Directors, Employees or Affiliates in the event that the Internal Revenue Service asserts that such exercise is less than the "fair market value" of the Common Stock on the date of grant as subsequently determined by the Internal Revenue Service.

10. SEVERABILITY. If any part of this Option Agreement or the Plan is declared by any court or governmental authority to be unlawful or invalid, such unlawfulness or invalidity will not invalidate any portion of this Option Agreement or the Plan not declared to be unlawful or invalid. Any Section of this Option Agreement (or part of such a Section) so declared to be unlawful or invalid will, if possible, be construed in a manner which will give effect to the terms of such Section or part of a Section to the fullest extent possible while remaining lawful and valid

11. OTHER DOCUMENTS. You hereby acknowledge receipt of or the right to receive a document providing the information required by Rule 428(b)(1) promulgated under the Securities Act, which includes the Prospectus. In addition, you acknowledge receipt of the Company's Trading Policy.

12. QUESTIONS. If you have questions regarding these or any other terms and conditions applicable to your Option, including a summary of the applicable federal income tax consequences please see the Prospectus.

3. VESTING. Your Restricted Stock Units will vest, if at all, in accordance with the vesting schedule provided in the Grant Notice, subject to the provisions contained herein and the terms of the Plan. Vesting will cease upon the termination of your Continuous Service.

4. DIVIDENDS. You may become entitled to receive payments equal to any cash dividends and other distributions paid with respect to a corresponding number of shares of Common Stock to be issued in respect of the Restricted Stock Units covered by your RSU Award. Any such dividends or distributions shall be subject to the same forfeiture restrictions as apply to the Restricted Stock Units and shall be paid at the same time that the corresponding shares are issued in respect of your vested Restricted Stock Units, provided, however that to the extent any such dividends or distributions are paid in shares of Common Stock, then you will automatically be granted a corresponding number of additional Restricted Stock Units subject to the RSU Award (the "***Dividend Units***"), and further provided that such Dividend Units shall be subject to the same forfeiture restrictions and restrictions on transferability, and same timing requirements for issuance of shares, as apply to the Restricted Stock Units subject to the RSU Award with respect to which the Dividend Units relate.

5. WITHHOLDING OBLIGATIONS. As further provided in Section 8 of the Plan, you hereby authorize withholding from payroll and any other amounts payable to you, and otherwise agree to make adequate provision for, any sums required to satisfy the federal, state, local and foreign tax withholding obligations, if any, which arise in connection with your RSU Award (the "***Withholding Obligation***") in accordance with the withholding procedures established by the Company. Unless the Withholding Obligation is satisfied, the Company shall have no obligation to deliver to you any Common Stock in respect of the RSU Award. In the event the Withholding Obligation of the Company arises prior to the delivery to you of Common Stock or it is determined after the delivery of Common Stock to you that the amount of the Withholding Obligation was greater than the amount withheld by the Company, you agree to indemnify and hold the Company harmless from any failure by the Company to withhold the proper amount.

6. DATE OF ISSUANCE.

(a) The issuance of shares in respect of the Restricted Stock Units is intended to comply with Treasury Regulations Section 1.409A-1(b)(4) and will be construed and administered in such a manner. Subject to the satisfaction of the Withholding Obligation, if any, in the event one or more Restricted Stock Units vests, the Company shall issue to you one (1) share of Common Stock for each Restricted Stock Unit (subject to any adjustment under Section 4 above, and subject to any different provisions in the Grant Notice) that vests on the applicable vesting date(s) or on a later date as determined by the Company but in no event later than the Issuance Deadline (as defined below).

(b) In addition, the following provisions shall apply to the extent applicable at a vesting date when shares of Common Stock are registered under the Securities Act, unless otherwise determined by the Company. If:

(i) the applicable vest date does not occur (1) during an "open window period" applicable to you, as determined by the Company in accordance with the Company's then-effective policy on trading in Company securities, or (2) on a date when you are otherwise permitted to sell shares of Common Stock on an established stock exchange or stock market (including but not limited to under a previously established written trading plan that meets the requirements of Rule 10b5-1 under the Exchange Act and was entered into in compliance with the Company's policies (a "***10b5-1 Arrangement***") or under such other policy expressly approved by the Company), *and*

(ii) either (1) a Withholding Obligation does not apply, or (2) the Company decides, prior to the applicable vest date, (A) not to satisfy the Withholding Obligation by withholding shares of Common Stock from the shares otherwise due to you under this Award, and (B) not to permit you to enter into a "same day sale" commitment with a broker-dealer (including but not limited to a commitment under a 10b5-1 Arrangement) and (C) not to permit you to pay your Withholding Obligation in cash, then the shares that would otherwise be issued to you on the applicable vest date will not be delivered on such applicable vest date and will instead be delivered on the first business day when you are not prohibited from selling shares of the Company's Common Stock in the open public market or on such other date determined by the Company, but in no event later than the Issuance Deadline.

The "***Issuance Deadline***" means (a) December 31 of the calendar year in which the applicable vest date occurs (that is, the last day of your taxable year in which the applicable vest date occurs), or (b) if and only if permitted in a manner that complies with Treasury Regulations Section 1.409A-1(b)(4), no later than the date that is the 15th day of the third calendar month of the applicable year following the year in which the shares of Common Stock issuable as a result of the applicable vest date under this Award are no longer subject to a "substantial risk of forfeiture" within the meaning of Treasury Regulations Section 1.409A-1(d).

(c) To the extent the RSU Award is a Non-Exempt RSU Award, the provisions of Section 11 of the Plan shall apply.

7. LOCK-UP PERIOD. By accepting your RSU Award, you agree that you will not sell, dispose of, transfer, make any short sale of, grant any option for the purchase of, or enter into any hedging or similar transaction with the same economic effect as a sale with respect to any shares of Common Stock or other securities of the Company held by you, for a period of one hundred eighty (180) days following the effective date of a registration statement of the Company filed under the Securities Act or such longer period as the underwriters or the Company will request to facilitate compliance with FINRA Rule 2241 or any successor or similar rules or regulation (the "***Lock-Up Period***"); *provided, however*, that nothing contained in this Section 7 will prevent the exercise of a repurchase option, if any, in favor of the Company during the Lock-Up Period. You further agree to execute and deliver such other agreements as may be reasonably requested by the Company or the underwriters that are consistent with the foregoing or that are necessary to give further effect thereto. In order to enforce the foregoing covenant, the Company may impose stop-transfer instructions with respect to your shares of Common Stock until the end of such period. You also agree that any transferee of any shares of Common Stock (or other securities) of the Company held by you will be bound by this Section 7. The underwriters of the Company's stock are intended third party beneficiaries of this Section 7 and will have the right, power and authority to enforce the provisions hereof as though they were a party hereto.

8. TRANSFERABILITY. Except as otherwise provided in the Plan, your RSU Award is not transferable, except by will or by the applicable laws of descent and distribution.

9. CORPORATE TRANSACTION. Your RSU Award is subject to the terms of any agreement governing a Corporate Transaction involving the Company, including, without limitation, a provision for the appointment of a stockholder representative that is authorized to act on your behalf with respect to any escrow, indemnities and any contingent consideration.

10. NO LIABILITY FOR TAXES. As a condition to accepting the RSU Award, you hereby (a) agree to not make any claim against the Company, or any of its Officers, Directors, Employees or Affiliates related to tax liabilities arising from the RSU Award or other Company compensation and (b) acknowledge that you were advised to consult with your own personal tax, financial and other legal advisors regarding the tax consequences of the RSU Award and have either done so or knowingly and voluntarily declined to do so.

11. SEVERABILITY. If any part of this Agreement or the Plan is declared by any court or governmental authority to be unlawful or invalid, such unlawfulness or invalidity will not invalidate any portion of this Agreement or the Plan not declared to be unlawful or invalid. Any Section of this Agreement (or part of such a Section) so declared to be unlawful or invalid will, if possible, be construed in a manner which will give effect to the terms of such Section or part of a Section to the fullest extent possible while remaining lawful and valid.

12. OTHER DOCUMENTS. You hereby acknowledge receipt of or the right to receive a document providing the information required by Rule 428(b)(1) promulgated under the Securities Act, which includes the Prospectus. In addition, you acknowledge receipt of the Company's Trading Policy.

13. QUESTIONS. If you have questions regarding these or any other terms and conditions applicable to your RSU Award, including a summary of the applicable federal income tax consequences please see the Prospectus.

TEMPUS AI, INC.
INDEMNIFICATION AGREEMENT

This **INDEMNIFICATION AGREEMENT** (this "***Agreement***") is dated as of , 20 and is between Tempus AI, Inc., a Delaware corporation (the "***Company***"), and ("***Indemnitee***").

RECITALS

A. Indemnitee's service to the Company substantially benefits the Company.

B. Individuals are reluctant to serve as directors or officers of corporations or in certain other capacities unless they are provided with adequate protection through insurance or indemnification against the risks of claims and actions against them arising out of such service.

C. Indemnitee does not regard the protection currently provided by applicable law, the Company's governing documents and any insurance as adequate under the present circumstances, and Indemnitee may not be willing to serve as a director or officer without additional protection.

D. In order to induce Indemnitee to provide or continue to provide services to the Company, it is reasonable, prudent and necessary for the Company to contractually obligate itself to indemnify, and to advance expenses on behalf of, Indemnitee as permitted by applicable law.

E. This Agreement is a supplement to and in furtherance of the indemnification provided in the Company's certificate of incorporation and bylaws, and any resolutions adopted pursuant thereto, and this Agreement shall not be deemed a substitute therefor, nor shall this Agreement be deemed to limit, diminish or abrogate any rights of Indemnitee thereunder.

AGREEMENT

The parties agree as follows:

1. Definitions.

(a) "***Beneficial Owner***" shall have the meaning given to such term in Rule 13d-3 under the Securities Exchange Act of 1934, as amended (the "***Exchange Act***"); provided, however, that "Beneficial Owner" shall exclude any Person otherwise becoming a Beneficial Owner solely by reason of (i) the stockholders of the Company approving a merger of the Company with another Person, or entering into tender or support agreements relating thereto, provided such merger was approved by the Company's board of directors, or (ii) the Company's board of directors approving a sale of securities by the Company to such Person.

(b) A "***Change in Control***" shall be deemed to occur upon the earliest to occur after the date of this Agreement of any of the following events:

(i) *Acquisition of Stock by Third Party.* Any Person (as defined below) becomes the Beneficial Owner, directly or indirectly, of securities of the Company representing 50% or more of the combined voting power of the Company's then outstanding securities;

(ii) *Change in Board Composition.* During any period of two consecutive years (not including any period prior to the execution of this Agreement), individuals who at the beginning of such period constituted the Company's board of directors and any Approved Directors cease for any reason to constitute at least a majority of the members of the Company's board of directors. "***Approved Directors***" means new directors (other than a director designated by a person who has entered into an agreement with the Company to effect a transaction described in Sections 1(b)(i), 1(b)(iii) or 1(b)(iv)) whose election or nomination by the board of directors (or, if applicable, by the Company's stockholders) was approved by a vote of at least two thirds of the directors then still in office who either were directors at the beginning of such two-year period or whose election or nomination for election was previously so approved;

(iii) *Corporate Transactions.* The effective date of a merger or consolidation of the Company with any other entity, other than a merger or consolidation that would result in the voting securities of the Company outstanding immediately prior to such merger or consolidation continuing to represent (either by remaining outstanding or by being converted into voting securities of the surviving entity) more than 50% of the combined voting power of the voting securities of the surviving entity outstanding immediately after such merger or consolidation and with the power to elect a majority of the board of directors or other governing body of such surviving entity. For purposes of this 1(b)(iii) surviving entity shall include any entity that controls, directly or indirectly, the surviving entity of such merger or consolidation; or

(iv) *Liquidation.* The approval by the Company's stockholders of a complete liquidation or the dissolution of the Company or an agreement for the sale, lease or disposition by the Company of all or substantially all of the Company's assets; or

(v) *Other Events.* Any other event of a nature that would be required to be reported in response to Item 6(e) of Schedule 14A of Regulation 14A (or in response to any similar item on any similar schedule or form) promulgated under the Exchange Act, whether or not the Company is then subject to such reporting requirement, *except* the completion of the Company's initial public offering shall not be considered a Change in Control.

(c) "***Corporate Status***" describes the status of a person who is or was a director, trustee, general partner, managing member, officer, employee, agent or fiduciary of the Company or any other Enterprise.

(d) "***DGCL***" means the General Corporation Law of the State of Delaware.

(e) "***Disinterested Director***" means a director of the Company who is not and was not a party to the Proceeding in respect of which indemnification is sought by Indemnitee.

(f) "***Enterprise***" means the Company and any other corporation, partnership, limited liability company, joint venture, trust, employee benefit plan or other enterprise of which Indemnitee is or was serving at the request of the Company as a director, trustee, general partner, managing member, officer, employee, agent or fiduciary.

(g) "***Expenses***" include all reasonable and actually incurred attorneys' fees, retainers, court costs, transcript costs, fees and costs of experts, witness fees, travel expenses, duplicating costs, printing and binding costs, telephone charges, postage, delivery service fees, and all other disbursements or expenses of the types customarily incurred in connection with prosecuting, defending, preparing to prosecute or defend, investigating, being or preparing to be a witness in, or otherwise participating in, a Proceeding. Expenses also include (i) Expenses incurred in connection with any appeal resulting from any

Proceeding, including without limitation the premium, security for, and other costs relating to any cost bond, supersede as bond or other appeal bond or their equivalent, and (ii) for purposes of Section 10(d), Expenses incurred by Indemnitee in connection with the interpretation, enforcement or defense of Indemnitee's rights under this Agreement or under any directors' and officers' liability insurance policies maintained by the Company. The parties agree that for the purposes of any advancement of Expenses for which Indemnitee has made written demand to the Company in accordance with this Agreement, all Expenses included in such demand that are certified by affidavit of Indemnitee's counsel as being reasonable in the good faith judgment of such counsel shall be presumed conclusively to be reasonable. Expenses, however, shall not include amounts paid in settlement by Indemnitee or the amount of judgments or fines against Indemnitee.

(h) "***Independent Counsel***" means a law firm, or a partner or member of a law firm, that is experienced in matters of corporation law and neither presently is, nor in the past five years has been, retained to represent (i) the Company, any Enterprise or Indemnitee in any matter material to any such party (other than as Independent Counsel with respect to matters concerning Indemnitee under this Agreement, or other indemnitees under similar indemnification agreements), or (ii) any other party to the Proceeding giving rise to a claim for indemnification hereunder. Notwithstanding the foregoing, the term Independent Counsel shall not include any person who, under the applicable standards of professional conduct then prevailing, would have a conflict of interest in representing either the Company or Indemnitee in an action to determine Indemnitee's rights under this Agreement.

(i) "***Person***" shall have the meaning set forth in Sections 13(d) and 14(d) of the Exchange Act; *provided*, *however*, that Person shall exclude (i) the Company, (ii) any trustee or other fiduciary holding securities under an employee benefit plan of the Company, and (iii) any corporation owned, directly or indirectly, by the stockholders of the Company in substantially the same proportions as their ownership of stock of the Company.

(j) "***Proceeding***" means any threatened, pending or completed action, suit, claim, counterclaim, cross claim, arbitration, mediation, alternate dispute resolution mechanism, investigation, inquiry, administrative hearing or proceeding, whether brought in the right of the Company or otherwise and whether of a civil, criminal, administrative or investigative nature, whether formal or informal, including any appeal therefrom and including without limitation any such Proceeding pending as of the date of this Agreement, in which Indemnitee was, is or will be involved as a party, a potential party, a non-party witness or otherwise by reason of (i) the fact that Indemnitee's Corporate Status or (ii) any action taken (or any failure to take actions) by Indemnitee or any action or inaction on Indemnitee's part while acting pursuant to Indemnitee's Corporate Status, , in each case whether or not serving in such capacity at the time any liability or Expense is incurred for which indemnification or advancement of expenses can be provided under this Agreement. If the Indemnitee believes in good faith that a given situation may lead to or culminate in the institution of a Proceeding, this shall be considered a Proceeding under this paragraph.

(k) "***to the fullest extent permitted by applicable law***" means to the fullest extent permitted by all applicable laws, including without limitation: (i) the fullest extent permitted by DGCL as of the date of this Agreement and (ii) the fullest extent authorized or permitted by any amendments to or replacements of the DGCL adopted after the date of this Agreement that increase the extent to which a corporation may indemnify its officers and directors.

(l) In connection with any Proceeding relating to an employee benefit plan: references to other Enterprises shall include employee benefit plans; references to "***fines***" shall include any excise taxes assessed on a person with respect to any employee benefit plan; references to "***serving at the request of the Company***" shall include any service as a director, officer, employee or agent of the Company which imposes duties on, or involves services by, such director, officer, employee or agent with respect to an

employee benefit plan, its participants or beneficiaries; and a person who acted in good faith and in a manner he or she reasonably believed to be in the best interests of the participants and beneficiaries of an employee benefit plan shall be deemed to have acted in a manner "***not opposed to the best interests of the Company***" as referred to in this Agreement.

2. Indemnity in Third-Party Proceedings. The Company shall indemnify Indemnitee in accordance with the provisions of this Section 2 if Indemnitee is, or is threatened to be made, a party to or witness or other participant in any Proceeding, other than a Proceeding by or in the right of the Company to procure a judgment in its favor. Pursuant to this Section 2, Indemnitee shall be indemnified to the fullest extent permitted by applicable law against all Expenses, judgments, fines and amounts paid in settlement actually and reasonably incurred by Indemnitee or on his or her behalf in connection with such Proceeding or any claim, issue or matter therein, if Indemnitee acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the Company and, with respect to any criminal action or proceeding, had no reasonable cause to believe that his or her conduct was unlawful.

3. Indemnity in Proceedings by or in the Right of the Company. The Company shall indemnify Indemnitee in accordance with the provisions of this Section 3 if Indemnitee is, or is threatened to be made, a party to or a witness or other participant in any Proceeding by or in the right of the Company to procure a judgment in its favor. Pursuant to this Section 3, Indemnitee shall be indemnified to the fullest extent permitted by applicable law against all Expenses incurred by Indemnitee or on his or her behalf in connection with such Proceeding or any claim, issue or matter therein, if Indemnitee acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the Company. No indemnification for Expenses shall be made under this Section 3 in respect of any claim, issue or matter as to which Indemnitee shall have been adjudged by a court of competent jurisdiction to be liable to the Company, unless and only to the extent that the Delaware Court of Chancery or any court in which the Proceeding was brought shall determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case, Indemnitee is fairly and reasonably entitled to indemnification for such expenses as the Delaware Court of Chancery or such other court shall deem proper.

4. Indemnification for Expenses of a Party Who is Wholly or Partly Successful. Notwithstanding any other provisions of this Agreement, to the fullest extent permitted by applicable law and to the extent that Indemnitee is a party to (or a participant in) and is successful, on the merits or otherwise, in any Proceeding or in defense of any claim, issue or matter therein, in whole or in part, the Company shall indemnify Indemnitee against all Expenses actually and reasonably incurred by or on behalf of Indemnitee in connection therewith. If Indemnitee is not wholly successful in such Proceeding but is successful, on the merits or otherwise, as to one or more but less than all claims, issues or matters in such Proceeding, the Company shall indemnify Indemnitee against all Expenses actually and reasonably incurred by Indemnitee or on Indemnitee's behalf in connection with or related to each successfully resolved claim, issue or matter to the fullest extent permitted by law. For purposes of this Section 4, the termination of any claim, issue or matter in such a Proceeding by dismissal, with or without prejudice, shall be deemed to be a successful result as to such claim, issue or matter.

5. Indemnification For Expenses of a Witness. Notwithstanding any other provision of this Agreement, to the fullest extent permitted by applicable law and to the extent that Indemnitee is, by reason of Indemnitee's Corporate Status, a witness, is or was made (or asked) to respond to discovery requests in any Proceeding, or otherwise asked to participate in any Proceeding to which Indemnitee is not a party, Indemnitee shall be indemnified against all Expenses actually and reasonably incurred by Indemnitee or on Indemnitee's behalf in connection therewith.

6. Partial Indemnification. If Indemnitee is entitled under any provision of this Agreement to indemnification by the Company for some or a portion of Expenses, but not, however, for the total amount thereof, the Company shall nevertheless indemnify Indemnitee for the portion thereof to which Indemnitee is entitled.

7. Additional Indemnification. Notwithstanding any limitation in Sections 4, 5 or 6, the Company shall indemnify Indemnitee to the fullest extent permitted by applicable law if Indemnitee is, or is threatened to be made, a party to or a participant in any Proceeding (including a Proceeding by or in the right of the Company to procure a judgment in its favor) by reason of Indemnitee's Corporate Status. The parties hereto intend that this Agreement shall provide to the fullest extent permitted by law for indemnification in excess of that expressly permitted by statute, including, without limitation, any indemnification provided by the Certificate of Incorporation, the Bylaws, vote of the Company's stockholders or disinterested directors or applicable law.

8. Exclusions. Notwithstanding any provision in this Agreement, the Company shall not be obligated under this Agreement to make any indemnity in connection with any Proceeding (or any part of any Proceeding):

(a) for which payment has actually been made to or on behalf of Indemnitee under any statute, insurance policy, indemnity provision, vote or otherwise, except with respect to any excess beyond the amount paid;

(b) for an accounting or disgorgement of profits pursuant to Section 16(b) of the Exchange Act, or similar provisions of federal, state or local statutory law or common law, if Indemnitee is held liable therefor (including pursuant to any settlement arrangements);

(c) for any reimbursement of the Company by Indemnitee of any bonus or other incentive-based or equity-based compensation or of any profits realized by Indemnitee from the sale of securities of the Company, as required in each case under the Exchange Act (including any such reimbursements that arise from an accounting restatement of the Company pursuant to Section 304 of the Sarbanes-Oxley Act of 2002 (the "***Sarbanes-Oxley Act***"), or the payment to the Company of profits arising from the purchase and sale by Indemnitee of securities in violation of Section 306 of the Sarbanes-Oxley Act), if Indemnitee is held liable therefor (including pursuant to any settlement arrangements);

(d) for any reimbursement (such Proceeding, a "Clawback Proceeding") of the Company by Indemnitee of any compensation pursuant to any compensation recoupment or clawback policy adopted by the Board or the compensation committee of the Board, including but not limited to any such policy adopted to comply with stock exchange listing requirements implementing Section 10D of the Exchange Act (a "Clawback Policy"). In furtherance of paragraph (d) of this Section 8, Indemnitee hereby agrees to abide by the terms of any Clawback Policy, including, without limitation, by returning any compensation to the Company to the extent required by, and in a manner permitted by, the Clawback Policy, and hereby understands and agrees that Indemnitee shall not be entitled to any (x) indemnification for any liability (including any amounts owed by Indemnitee in a judgment or settlement of any Clawback Proceeding) or loss (including judgments, fines, taxes, penalties or amounts paid in settlement by or on behalf of Indemnitee) incurred by Indemnitee in connection with any Clawback Proceeding or (y) indemnification or advancement of Expenses (including attorneys' fees) from the Company and or any subsidiary of the Company incurred by Indemnitee in connection any Clawback Proceeding; provided, however, if Indemnitee is successful on the merits in the defense of any claim asserted against Indemnitee in a Clawback Proceeding, Indemnitee shall be indemnified for the Expenses (including attorneys' fees) Indemnitee reasonably incurred to defend such claim. Indemnitee hereby knowingly, voluntarily and intentionally waives, and agrees not to assert any claim regarding, all indemnification, advancement of Expenses and other rights to which the Indemnitee is now or becomes entitled to under this Agreement, the Charter, the Bylaws, the governing documents of each subsidiary of the Company and the DGCL, in each

case to the extent such waiver and agreement is necessary to give effect to the preceding sentence of this paragraph. Indemnitee agrees and acknowledges that the compensation Indemnitee has or will receive from the Company or any of its subsidiaries constitutes fair and adequate consideration in exchange for the waiver and agreement provided by Indemnitee in this paragraph.

(e) initiated by Indemnitee, including any Proceeding (or any part of any Proceeding) initiated by Indemnitee against the Company or its directors, officers, employees, agents or other indemnitees, unless (i) the Company's board of directors authorized the Proceeding (or the relevant part of the Proceeding) prior to its initiation, (ii) the Company provides the indemnification, in its sole discretion, pursuant to the powers vested in the Company under applicable law, (iii) otherwise authorized in Section 13(d) or (iv) otherwise required by applicable law; provided, for the avoidance of doubt, Indemnitee shall not be deemed for purposes of this paragraph, to have initiated any Proceeding (or any part of a Proceeding) by reason of (i) having asserted any affirmative defenses in connection with a claim not initiated by Indemnitee or (ii) having made any counterclaim (whether permissive or mandatory) in connection with any claim not initiated by Indemnitee; or

(f) if prohibited by the DGCL or other applicable law.

9. Advances of Expenses. The Company shall advance the Expenses incurred by Indemnitee in connection with any Proceeding prior to its final disposition, and such advancement shall be made as soon as reasonably practicable, but in any event no later than 30 days, after the receipt by the Company of a written statement or statements requesting such advances from time to time (which shall include invoices received by Indemnitee in connection with such Expenses but, in the case of invoices in connection with legal services, any references to legal work performed or to expenditure made that would cause Indemnitee to waive any privilege accorded by applicable law shall not be included with the invoice). Advances shall be unsecured and interest free and made without regard to Indemnitee's ability to repay such advances. Indemnitee hereby undertakes to repay any advance to the extent that it is ultimately determined that Indemnitee is not entitled to be indemnified by the Company, *except*, with respect to advances of expenses made pursuant to Section 13(d), in which case Indemnitee makes the undertaking provided in Section 13(d). This Section 9 shall not apply to the extent advancement is prohibited by law and shall not apply to any Proceeding (or any part of any Proceeding) for which indemnity is not permitted under this Agreement, but shall apply to any Proceeding (or any part of any Proceeding) referenced in Section 8(b) or 8(c) prior to a determination that Indemnitee is not entitled to be indemnified by the Company.

10. Procedures for Notification and Defense of Claim.

(a) Indemnitee shall notify the Company in writing of any matter with respect to which Indemnitee intends to seek indemnification or advancement of Expenses as soon as reasonably practicable following the receipt by Indemnitee of notice thereof. The written notification to the Company shall include, in reasonable detail, a description of the nature of the Proceeding and the facts underlying the Proceeding. The failure by Indemnitee to notify the Company will not relieve the Company from any liability that it may have to Indemnitee hereunder or otherwise than under this Agreement, and any delay in so notifying the Company shall not constitute a waiver by Indemnitee of any rights, except to the extent that such failure or delay materially prejudices the Company.

(b) If, at the time of the receipt of a notice of a Proceeding pursuant to the terms hereof, the Company has directors' and officers' liability insurance in effect that may be applicable to the Proceeding, the Company shall give prompt notice of the commencement of the Proceeding to the insurers in accordance with the procedures set forth in the applicable policies. The Company shall thereafter take all commercially reasonable action to cause such insurers to pay, on behalf of Indemnitee, all amounts payable as a result of such Proceeding in accordance with the terms of such policies.

(c) In the event the Company may be obligated to make any indemnity in connection with a Proceeding, the Company shall be entitled to assume the defense of such Proceeding with counsel approved by Indemnitee, which approval shall not be unreasonably withheld, conditioned or delayed, upon the delivery to Indemnitee of written notice of its election to do so. After delivery of such notice, approval of such counsel by Indemnitee and the retention of such counsel by the Company, the Company will not be liable to Indemnitee for any fees or expenses of counsel subsequently incurred by Indemnitee with respect to the same Proceeding. Notwithstanding the Company's assumption of the defense of any such Proceeding, the Company shall be obligated to pay the fees and expenses of Indemnitee's separate counsel to the extent (i) the employment of separate counsel by Indemnitee is authorized by the Company, (ii) counsel for the Company shall have reasonably concluded that there is a conflict of interest between the Company and Indemnitee in the conduct of any such defense such that Indemnitee needs to be separately represented, (iii) the Company is not financially or legally able to perform its indemnification obligations, or (iv) the Company shall not have retained, or shall not continue to retain, counsel to defend such Proceeding. Regardless of any provision in this Agreement, Indemnitee shall have the right to employ counsel in any Proceeding at Indemnitee's personal expense. The Company shall not be entitled, without the consent of Indemnitee, to assume the defense of any claim brought by or in the right of the Company.

(d) Indemnitee shall give the Company such information and cooperation in connection with the Proceeding as may be reasonably appropriate.

(e) The Company shall not be liable to indemnify Indemnitee for any settlement of any Proceeding (or any part thereof) effected without the Company's prior written consent, which shall not be unreasonably withheld, conditioned or delayed. The Company acknowledges that a settlement or other disposition short of final judgment may be successful if it permits a party to avoid expense, delay, distraction, disruption and uncertainty. In the event that any action, claim or proceeding to which Indemnitee is a party is resolved in a settlement to which the Company has given its prior written consent, such settlement shall be treated as a success on the merits in the settled action, suit or proceeding.

(f) The Company shall not settle any Proceeding (or any part thereof) in a manner that imposes any Expense, judgment, fine, penalty, liability or limitation on Indemnitee not paid by the Company without Indemnitee's prior written consent, which shall not be unreasonably withheld, conditioned or delayed.

11. Procedures upon Application for Indemnification.

(a) To obtain indemnification, Indemnitee shall submit to the Company a written request, including therein or therewith such documentation and information as is reasonably available to Indemnitee and as is reasonably necessary to determine whether and to what extent Indemnitee is entitled to indemnification following the final disposition of the Proceeding. Any delay in providing the request will not relieve the Company from its obligations under this Agreement, except to the extent such failure is prejudicial.

(b) Upon written request by Indemnitee for indemnification pursuant to Section 11(a), a determination with respect to Indemnitee's entitlement thereto shall be made as follows, provided that a Change in Control shall not have occurred: (i) by a majority vote of the Disinterested Directors, even though less than a quorum of the Company's board of directors; (ii) by a committee of Disinterested Directors designated by a majority vote of the Disinterested Directors, even though less than a quorum of the Company's board of directors; (iii) if there are no such Disinterested Directors or, if a majority of Disinterested Directors so direct, by Independent Counsel in a written opinion to the Company's board of directors, a copy of which shall be delivered to Indemnitee; or (iv) if so directed by the Company's board of directors, by the stockholders of the Company. If a Change in Control shall have occurred, unless

Indemnitee requests that the Disinterested Directors make the determination, a determination with respect to Indemnitee's entitlement to indemnification shall be made by Independent Counsel in a written opinion to the Company's board of directors, a copy of which shall be delivered to Indemnitee. If it is determined that Indemnitee is entitled to indemnification, payment to Indemnitee shall be made within ten days after such determination. Indemnitee shall cooperate with the person, persons or entity making the determination with respect to Indemnitee's entitlement to indemnification, including providing to such person, persons or entity upon reasonable advance request any documentation or information that is not privileged or otherwise protected from disclosure and that is reasonably available to Indemnitee and reasonably necessary to such determination. Any costs or expenses (including attorneys' fees and disbursements) actually and reasonably incurred by Indemnitee in so cooperating with the person, persons or entity making such determination shall be borne by the Company, to the extent permitted by applicable law. The Company promptly will advise Indemnitee in writing with respect to any determination that Indemnitee is or is not entitled to indemnification, including a description of any reason or basis for which indemnification has been denied.

(c) In the event the determination of entitlement to indemnification is to be made by Independent Counsel pursuant to Section 11(b), the Independent Counsel shall be selected as provided in this Section 11(c). If a Change in Control shall not have occurred, the Independent Counsel shall be selected by the Company's board of directors, and the Company shall give written notice to Indemnitee advising him or her of the identity of the Independent Counsel so selected. If a Change in Control shall have occurred, the Independent Counsel shall be selected by Indemnitee (unless Indemnitee shall request that such selection be made by the Company's board of directors, in which event the preceding sentence shall apply), and Indemnitee shall give written notice to the Company advising it of the identity of the Independent Counsel so selected. In either event, Indemnitee or the Company, as the case may be, may, within ten days after such written notice of selection shall have been given, deliver to the Company or to Indemnitee, as the case may be, a written objection to such selection; provided, however, that such objection may be asserted only on the ground that the Independent Counsel so selected does not meet the requirements of "Independent Counsel" as defined in Section 1, and the objection shall set forth with particularity the factual basis of such assertion. Absent a proper and timely objection, the person so selected shall act as Independent Counsel. If such written objection is so made and substantiated, the Independent Counsel so selected may not serve as Independent Counsel unless and until such objection is withdrawn or a court has determined that such objection is without merit. If, within 20 days after the later of (i) submission by Indemnitee of a written request for indemnification pursuant to Section 11(a) and (ii) the final disposition of the Proceeding, the parties have not agreed upon an Independent Counsel, either the Company or Indemnitee may petition a court of competent jurisdiction for resolution of any objection that shall have been made by the Company or Indemnitee to the other's selection of Independent Counsel and for the appointment as Independent Counsel of a person selected by the court or by such other person as the court shall designate, and the person with respect to whom all objections are so resolved or the person so appointed shall act as Independent Counsel under Section 11(b). Upon the due commencement of any judicial proceeding or arbitration pursuant to Section 13(a), the Independent Counsel shall be discharged and relieved of any further responsibility in such capacity (subject to the applicable standards of professional conduct then prevailing).

(d) The Company shall pay the reasonable fees and expenses of any Independent Counsel and to fully indemnify such counsel against any and all Expenses, claims, liabilities and damages arising out of or relating to this Agreement or its engagement pursuant hereto.

(e) If the Company disputes a portion of the amounts for which indemnification is requested, the undisputed portion shall be paid and only the disputed portion withheld pending resolution of any such dispute.

12. Presumptions and Effect of Certain Proceedings.

(a) In making a determination with respect to entitlement to indemnification hereunder, the person, persons or entity making such determination shall, to the fullest extent not prohibited by law, presume that Indemnitee is entitled to indemnification under this Agreement if Indemnitee has submitted a request for indemnification in accordance with Section 10(a) of this Agreement, and the Company shall, to the fullest extent not prohibited by law, have the burden of proof to overcome that presumption by clear and convincing evidence..

(b) Subject to Section 13(e), if the person, persons or entity empowered or selected under Section 11 of this Agreement to determine whether Indemnitee is entitled to indemnification shall not have made a determination within thirty (30) days after receipt by the Company of the request therefor, the requisite determination of entitlement to indemnification shall, to the fullest extent not prohibited by law, be deemed to have been made and Indemnitee shall be entitled to such indemnification, absent (i) a misstatement by Indemnitee of a material fact, or an omission of a material fact necessary to make Indemnitee's statement not materially misleading, in connection with the request for indemnification, or (ii) a prohibition of such indemnification under applicable law; *provided*, *however*, that such 30-day period may be extended for a reasonable time, not to exceed an additional thirty (30) days, if the person, persons or entity making the determination with respect to entitlement to indemnification in good faith requires such additional time for the obtaining or evaluating of documentation and/or information relating thereto; and *provided*, *further*, that the foregoing provisions of this Section 12(b) shall not apply (i) if the determination of entitlement to indemnification is to be made by the stockholders pursuant to Section 11(b) of this Agreement and if (A) within fifteen (15) days after receipt by the Company of the request for such determination the Company's board of directors has resolved to submit such determination to the stockholders for their consideration at an annual meeting thereof to be held within ninety (90) days after such receipt and such determination is made thereat, or (B) a special meeting of stockholders is called within fifteen (15) days after such receipt for the purpose of making such determination, such meeting is held for such purpose within sixty (60) days after having been so called and such determination is made thereat, or (ii) if the determination of entitlement to indemnification is to be made by Independent Counsel pursuant to Section 8(b) of this Agreement.

(c) The termination of any Proceeding or of any claim, issue or matter therein, by judgment, order, settlement or conviction, or upon a plea of *nolo contendere* or its equivalent, shall not (except as otherwise expressly provided in this Agreement) of itself adversely affect the right of Indemnitee to indemnification or create a presumption that Indemnitee did not act in good faith and in a manner that he or she reasonably believed to be in or not opposed to the best interests of the Company or, with respect to any criminal Proceeding, that Indemnitee had reasonable cause to believe that his or her conduct was unlawful.

(d) For purposes of any determination of good faith, Indemnitee shall be deemed to have acted in good faith to the extent Indemnitee relied in good faith on (i) the records or books of account of the Enterprise, including financial statements, (ii) information supplied to Indemnitee by the officers of the Enterprise in the course of their duties, (iii) the advice of legal counsel for the Enterprise or its board of directors or counsel selected by any committee of the board of directors or (iv) information or records given or reports made to the Enterprise by an independent certified public accountant, an appraiser, investment banker or other expert selected with reasonable care by the Enterprise or its board of directors or any committee of the board of directors. The provisions of this Section 12(d) shall not be deemed to be exclusive or to limit in any way the other circumstances in which Indemnitee may be deemed to have met the applicable standard of conduct set forth in this Agreement.

(e) Neither the knowledge, actions nor failure to act of any other director, officer, agent or employee of the Enterprise shall be imputed to Indemnitee for purposes of determining the right to indemnification under this Agreement.

13. Remedies of Indemnitee.

(a) Subject to Section 13(e), in the event that (i) a determination is made pursuant to Section 11 of this Agreement that Indemnitee is not entitled to indemnification under this Agreement, (ii) advancement of Expenses is not timely made pursuant to Section 9 of this Agreement, (iii) no determination of entitlement to indemnification shall have been made pursuant to Sections 11(b) of this Agreement within sixty (60) days after receipt by the Company of the request for indemnification, (iv) payment of indemnification is not made pursuant to Sections 4, 5 and 6 of this Agreement within ten (10) days after receipt by the Company of a written request therefor, (v) payment of indemnification pursuant to Section 2, 3 or 7 of this Agreement is not made within ten (10) days after a determination has been made that Indemnitee is entitled to indemnification, or (vi) the Company or any other person takes or threatens to take any action to declare this Agreement void or unenforceable, or institutes any litigation or other action or Proceeding designed to deny, or to recover from, the Indemnitee the benefits provided or intended to be provided to the Indemnitee hereunder, Indemnitee shall be entitled to an adjudication by a court of Indemnitee's entitlement to such indemnification or advancement of Expenses. Alternatively, Indemnitee, at Indemnitee's option, may seek an award in arbitration to be conducted by a single arbitrator pursuant to the Commercial Arbitration Rules of the American Arbitration Association. Indemnitee shall commence such proceeding seeking an adjudication or an award in arbitration within 180 days following the date on which Indemnitee first has the right to commence such proceeding pursuant to this Section 13(a). The Company shall not oppose Indemnitee's right to seek any such adjudication or award in arbitration.

(b) Neither (i) the failure of the Company, its board of directors, any committee or subgroup of the board of directors, Independent Counsel or stockholders to have made a determination that indemnification of Indemnitee is proper in the circumstances because Indemnitee has met the applicable standard of conduct, nor (ii) an actual determination by the Company, its board of directors, any committee or subgroup of the board of directors, Independent Counsel or stockholders that Indemnitee has not met the applicable standard of conduct, shall create a presumption that Indemnitee has or has not met the applicable standard of conduct. In the event that a determination shall have been made pursuant to Section 11 that Indemnitee is not entitled to indemnification, any judicial proceeding or arbitration commenced pursuant to this Section 13 shall be conducted in all respects as a *de novo* trial, or arbitration, on the merits, and Indemnitee shall not be prejudiced by reason of that adverse determination. In any judicial proceeding or arbitration commenced pursuant to this Section 13, the Company shall, to the fullest extent not prohibited by law, have the burden of proving Indemnitee is not entitled to indemnification or advancement of Expenses, as the case may be, and the burden of proof shall be by clear and convincing evidence.

(c) To the fullest extent not prohibited by law, the Company shall be precluded from asserting in any judicial proceeding or arbitration commenced pursuant to this Section 13 that the procedures and presumptions of this Agreement are not valid, binding and enforceable and shall stipulate in any such court or before any such arbitrator that the Company is bound by all the provisions of this Agreement. If a determination shall have been made pursuant to Section 13 that Indemnitee is entitled to indemnification, the Company shall be bound by such determination in any judicial proceeding or arbitration commenced pursuant to this Section 13, absent (i) a misstatement by Indemnitee of a material fact, or an omission of a material fact necessary to make Indemnitee's statements not materially misleading, in connection with the request for indemnification, or (ii) a prohibition of such indemnification under applicable law.

(d) It is the intent of the Company that, to the fullest extent permitted by law, the Indemnitee not be required to incur legal fees or other Expenses associated with the interpretation, enforcement or defense of Indemnitee's rights under this Agreement by litigation or otherwise because the cost and expense thereof would substantially detract from the benefits intended to be extended to the Indemnitee hereunder. To the extent not prohibited by law, the Company shall indemnify Indemnitee

against all Expenses incurred by Indemnitee in connection with any action for indemnification or advancement of Expenses from the Company under this Agreement, any other agreement, the Company's certificate of incorporation or bylaws or under any directors' and officers' liability insurance policies maintained by the Company to the extent Indemnitee is successful in such action, and, if requested by Indemnitee, shall (as soon as reasonably practicable, but in any event no later than 30 days, after receipt by the Company of a written request therefor) advance such Expenses to Indemnitee, subject to the provisions of Section 9. Indemnitee hereby undertakes to repay such advances to the extent the Indemnitee is ultimately unsuccessful in such action or arbitration.

(e) Notwithstanding anything in this Agreement to the contrary, no determination as to entitlement to indemnification shall be required to be made prior to the final disposition of the Proceeding.

14. Contribution. To the fullest extent permissible under applicable law, if the indemnification provided for in this Agreement is unavailable to Indemnitee, the Company, in lieu of indemnifying Indemnitee, shall contribute to the amounts incurred by Indemnitee, whether for Expenses, judgments, fines or amounts paid or to be paid in settlement, in connection with any claim relating to an indemnifiable event under this Agreement, in such proportion as is deemed fair and reasonable in light of all of the circumstances of such Proceeding in order to reflect (i) the relative benefits received by the Company and Indemnitee as a result of the events and transactions giving rise to such Proceeding; and (ii) the relative fault of Indemnitee and the Company (and its other directors, officers, employees and agents) in connection with such events and transactions.

15. Non-exclusivity. The rights of indemnification and to receive advancement of Expenses as provided by this Agreement shall not be deemed exclusive of any other rights to which Indemnitee may at any time be entitled under applicable law, the Company's certificate of incorporation or bylaws, any agreement, a vote of stockholders or a resolution of directors, or otherwise. To the extent that a change in Delaware law, whether by statute or judicial decision, permits greater indemnification or advancement of Expenses than would be afforded currently under the Company's certificate of incorporation and bylaws and this Agreement, it is the intent of the parties hereto that Indemnitee shall enjoy by this Agreement the greater benefits so afforded by such change, subject to the restrictions expressly set forth herein or therein. Except as expressly set forth herein, no right or remedy herein conferred is intended to be exclusive of any other right or remedy, and every other right and remedy shall be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. Except as expressly set forth herein, the assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other right or remedy.

16. Primary Responsibility. The Company acknowledges that to the extent Indemnitee is serving as a director on the Company's board of directors at the request or direction of a private equity or venture capital fund or other entity and/or certain of its affiliates (collectively, the "***Secondary Indemnitors***"), Indemnitee may have certain rights to indemnification and advancement of expenses provided by such Secondary Indemnitors. The Company agrees that, as between the Company and the Secondary Indemnitors, the Company is primarily responsible for amounts required to be indemnified or advanced under the Company's certificate of incorporation or bylaws or this Agreement and any obligation of the Secondary Indemnitors to provide indemnification or advancement for the same amounts is secondary to those Company obligations. To the extent not in contravention of any insurance policy or policies providing liability or other insurance for the Company or any director, trustee, general partner, managing member, officer, employee, agent or fiduciary of the Company or any other Enterprise, the Company waives any right of contribution or subrogation against the Secondary Indemnitors with respect to the liabilities for which the Company is primarily responsible under this Section 16. In the event of any payment by the Secondary Indemnitors of amounts otherwise required to be indemnified or advanced by

the Company under the Company's certificate of incorporation or bylaws or this Agreement, the Secondary Indemnitors shall be subrogated to the extent of such payment to all of the rights of recovery of Indemnitee for indemnification or advancement of expenses under the Company's certificate of incorporation or bylaws or this Agreement or, to the extent such subrogation is unavailable and contribution is found to be the applicable remedy, shall have a right of contribution with respect to the amounts paid. The Secondary Indemnitors are express third-party beneficiaries of the terms of this Section 16.

17. No Duplication of Payments. Subject to Section 16, the Company shall not be liable under this Agreement to make any payment of amounts otherwise indemnifiable hereunder (or for which advancement is provided hereunder) if and to the extent that Indemnitee has otherwise actually received payment for such amounts under any insurance policy, contract, agreement or otherwise.

18. Insurance. To the extent that the Company maintains an insurance policy or policies providing liability insurance for directors, trustees, general partners, managing members, officers, employees, agents or fiduciaries of the Company or any other Enterprise, Indemnitee shall be covered by such policy or policies to the same extent as the most favorably-insured persons under such policy or policies in a comparable position.

19. Subrogation. Subject to Section 16, in the event of any payment under this Agreement, the Company shall be subrogated to the extent of such payment to all of the rights of recovery of Indemnitee, who shall execute all papers required and take all action necessary to secure such rights, including execution of such documents as are necessary to enable the Company to bring suit to enforce such rights.

20. Services to the Company. Indemnitee agrees to serve as a director or officer of the Company or, at the request of the Company, as a director, trustee, general partner, managing member, officer, employee, agent or fiduciary of another Enterprise, for so long as Indemnitee is duly elected or appointed or until Indemnitee tenders his or her resignation or is removed from such position. Indemnitee may at any time and for any reason resign from such position (subject to any other contractual obligation or any obligation imposed by operation of law), in which event the Company shall have no obligation under this Agreement to continue Indemnitee in such position. This Agreement shall not be deemed an employment contract between the Company (or any of its subsidiaries or any Enterprise) and Indemnitee. Indemnitee specifically acknowledges that any employment with the Company (or any of its subsidiaries or any Enterprise) is at will, and Indemnitee may be discharged at any time for any reason, with or without cause, with or without notice, except as may be otherwise expressly provided in any executed, written employment contract between Indemnitee and the Company (or any of its subsidiaries or any Enterprise), any existing formal severance policies adopted by the Company's board of directors or, with respect to service as a director or officer of the Company, the Company's certificate of incorporation or bylaws or the DGCL. No such document shall be subject to any oral modification thereof.

21. Duration. This Agreement shall continue until and terminate upon the later of (a) ten years after the date that Indemnitee shall have ceased to serve as a director or officer of the Company or as a director, trustee, general partner, managing member, officer, employee, agent or fiduciary of any other Enterprise, as applicable; or (b) one year after the final termination of any Proceeding, including any appeal, then pending in respect of which Indemnitee is granted rights of indemnification or advancement of Expenses hereunder and of any Proceeding commenced by Indemnitee pursuant to Section 13 relating thereto.

22. Successors. This Agreement shall be binding upon the Company and its successors and assigns, including any direct or indirect successor, by purchase, merger, consolidation or otherwise, to all or substantially all of the business or assets of the Company, and shall inure to the benefit of Indemnitee and Indemnitee's heirs, executors and administrators. Further, the Company shall require and cause any

successor (whether direct or indirect by purchase, merger, consolidation or otherwise) to all or substantially all of the business or assets of the Company, by written agreement, expressly to assume and agree to perform this Agreement in the same manner and to the same extent that the Company would be required to perform if no such succession had taken place.

23. Severability. Nothing in this Agreement is intended to require or shall be construed as requiring the Company to do or fail to do any act in violation of applicable law. The Company's inability, pursuant to court order or other applicable law, to perform its obligations under this Agreement shall not constitute a breach of this Agreement. If any provision or provisions of this Agreement shall be held to be invalid, illegal or unenforceable for any reason whatsoever: (i) the validity, legality and enforceability of the remaining provisions of this Agreement (including without limitation, each portion of any section of this Agreement containing any such provision held to be invalid, illegal or unenforceable, that is not itself invalid, illegal or unenforceable) shall not in any way be affected or impaired thereby and shall remain enforceable to the fullest extent permitted by law; (ii) such provision or provisions shall be deemed reformed to the extent necessary to conform to applicable law and to give the maximum effect to the intent of the parties hereto; and (iii) to the fullest extent possible, the provisions of this Agreement (including, without limitation, each portion of any section of this Agreement containing any such provision held to be invalid, illegal or unenforceable, that is not itself invalid, illegal or unenforceable) shall be construed so as to give effect to the intent manifested thereby.

24. Enforcement. The Company expressly confirms and agrees that it has entered into this Agreement and assumed the obligations imposed on it hereby in order to induce Indemnitee to serve as a director or officer of the Company, and the Company acknowledges that Indemnitee is relying upon this Agreement in serving as a director or officer of the Company.

25. Entire Agreement. This Agreement constitutes the entire agreement between the parties hereto with respect to the subject matter hereof and supersedes all prior agreements and understandings, oral, written and implied, between the parties hereto with respect to the subject matter hereof; *provided*, *however*, that this Agreement is a supplement to and in furtherance of the Company's certificate of incorporation and bylaws and applicable law and shall not be deemed a substitute therefor, nor to diminish or abrogate any rights of Indemnitee thereunder.

26. Modification and Waiver. No supplement, modification or amendment to this Agreement shall be binding unless executed in writing by the parties hereto. No amendment, alteration or repeal of this Agreement shall adversely affect any right of Indemnitee under this Agreement in respect of any action taken or omitted by such Indemnitee in his or her Corporate Status prior to such amendment, alteration or repeal. No waiver of any of the provisions of this Agreement shall constitute or be deemed a waiver of any other provision of this Agreement nor shall any waiver constitute a continuing waiver.

27. Notices. All notices and other communications required or permitted hereunder shall be in writing and shall be mailed by registered or certified mail, postage prepaid, sent by facsimile or electronic mail or otherwise delivered by hand, messenger or courier service addressed:

(a) if to Indemnitee, to Indemnitee's address, facsimile number or electronic mail address as shown on the signature page of this Agreement or in the Company's records, as may be updated in accordance with the provisions hereof; or

(b) if to the Company, to Tempus AI, Inc., 600 West Chicago Avenue, Suite 510, Chicago, Illinois 60654, Attention: General Counsel, or at such other current address as the Company shall have furnished to Indemnitee.

Each such notice or other communication shall for all purposes of this Agreement be treated as effective or having been given (i) if delivered by hand, messenger or courier service, when delivered (or if sent *via* a nationally-recognized overnight courier service, freight prepaid, specifying next-business-day delivery, one business day after deposit with the courier), or (ii) if sent via mail, at the earlier of its receipt or five days after the same has been deposited in a regularly-maintained receptacle for the deposit of the United States mail, addressed and mailed as aforesaid, or (iii) if sent via facsimile, upon confirmation of facsimile transfer or, if sent via electronic mail, upon confirmation of delivery when directed to the relevant electronic mail address, if sent during normal business hours of the recipient, or if not sent during normal business hours of the recipient, then on the recipient's next business day.

28. Applicable Law and Consent to Jurisdiction. This Agreement shall be governed by, and construed and enforced in accordance with, the laws of the State of Delaware, without regard to its conflict of laws rules. Except with respect to any arbitration commenced by Indemnitee pursuant to Section 13(a), the Company and Indemnitee hereby irrevocably and unconditionally (i) agree that any action or proceeding arising out of or in connection with this Agreement shall be brought only in the Delaware Court of Chancery, and not in any other state or federal court in the United States of America or any court in any other country, (ii) consent to submit to the exclusive jurisdiction of the Delaware Court of Chancery for purposes of any action or proceeding arising out of or in connection with this Agreement, (iii) appoint, to the extent such party is not otherwise subject to service of process in the State of Delaware, The Corporation Trust Company, Wilmington, Delaware as its agent in the State of Delaware as such party's agent for acceptance of legal process in connection with any such action or proceeding against such party with the same legal force and validity as if served upon such party personally within the State of Delaware, (iv) waive any objection to the laying of venue of any such action or proceeding in the Delaware Court of Chancery, and (v) waive, and agree not to plead or to make, any claim that any such action or proceeding brought in the Delaware Court of Chancery has been brought in an improper or inconvenient forum.

29. Counterparts. This Agreement may be executed in two or more counterparts, each of which shall for all purposes be deemed to be an original but all of which together shall constitute one and the same Agreement. This Agreement may also be executed and delivered by facsimile signature and in counterparts, each of which shall for all purposes be deemed to be an original but all of which together shall constitute one and the same Agreement. Only one such counterpart signed by the party against whom enforceability is sought needs to be produced to evidence the existence of this Agreement.

30. Captions. The headings of the paragraphs of this Agreement are inserted for convenience only and shall not be deemed to constitute part of this Agreement or to affect the construction thereof.

EXECUTIVE EMPLOYMENT AGREEMENT

This **EXECUTIVE EMPLOYMENT AGREEMENT** dated as of February 1, 2024 ("***Agreement***") is by and between **ERIC LEFKOFSKY** ("***Executive***") and **TEMPUS AI, INC.** ("***Company***").

WHEREAS, the Company desires to employ Executive as Chief Executive Officer and provide Executive with certain compensation and benefits in return for Executive's services, and Executive agrees to be employed by the Company in such capacity and to receive the compensation and benefits on the terms and conditions set forth herein; and

WHEREAS, the Company and Executive desire to enter into this Employment Agreement (the "***Agreement***") to become effective on the date of the underwriting agreement between the Company and the underwriters managing the initial public offering (the "***IPO***") of the Company's Class A common stock ("***Common Stock***"), pursuant to which such Common Stock is priced for the initial public offering (such date, the "***IPO Date***") in order to memorialize the terms and conditions of Executive's employment by the Company upon and following the IPO Date.

NOW, THEREFORE, in consideration of the mutual promises and covenants contained herein, the parties agree to the following:

1. Employment by the Company.

1.1 Position. Subject to the terms set forth herein, the Company agrees to employ Executive in the position of Chairman and Chief Executive Officer, and Executive hereby accepts such continued employment on the terms and conditions set forth in this Agreement.

1.2 Duties. As Chief Executive Officer, Executive will report to the Board of Directors of the Company (the "***Board***") and such other individual(s) as assigned, performing such duties as are normally associated with Executive's position and such duties as are assigned to Executive from time to time, subject to the oversight and direction of the Board. During the term of Executive's employment with the Company, and except as noted in Section 4, Executive will work on a full-time basis for the Company and will devote Executive's best efforts and substantially all of Executive's business time and attention to the business of the Company.

1.3 Company Policies and Benefits. The employment relationship between the parties shall also be subject to the Company's personnel policies and procedures as they may be interpreted, adopted, revised or deleted from time to time in the Company's sole discretion. Executive will be eligible to participate on the same basis as similarly situated employees in the Company's benefit plans in effect from time to time during Executive's employment. All matters of eligibility for coverage or benefits under any benefit plan shall be determined in accordance with the provisions of such plan. The Company reserves the right to change, alter, or terminate any benefit plan in its sole discretion. Notwithstanding the foregoing, in the event that the terms of this Agreement differ from or are in conflict with the Company's general employment policies or practices, this Agreement shall control.

2. Compensation.

2.1 Salary. Beginning on January 1, 2025, Executive shall receive for Executive's services to be rendered under this Agreement an initial base salary of **$800,000** on an annualized basis, subject to review and adjustment by the Company in its sole discretion, payable subject to standard federal and state payroll withholding requirements in accordance with the Company's standard payroll practices ("***Base Salary***"). For the avoidance of doubt, Executive shall not receive a base salary until January 1, 2025.

2.2 Target Bonus. Executive shall be eligible to receive an annual bonus of **$800,000**, subject to review and adjustment by the Company in its sole discretion, payable subject to standard federal and state payroll withholding requirements in accordance with the Company's standard payroll practices. Eligibility and metrics for the Target Bonus shall be established by the Compensation Committee of the Company's Board of Directors, which shall establish performance-based metrics to determine eligibility to receive the Target Bonus.

2.3 Equity Compensation.

(a) Outstanding Equity Awards. Any and all Company equity awards previously granted to Executive will continue to be governed by the terms of the applicable equity plan, forms of award agreements and grant notices for such equity awards. For the purposes of this Agreement, "equity awards" shall mean all stock options, restricted stock, restricted stock units, performance stock units, and any other Company equity awards.

(b) IPO RSU Award. Subject to the consummation of an IPO, on the IPO Date the Company will grant to Executive a restricted stock unit award covering 750,000 shares of Common Stock (the "***RSU Award***"). The RSU Award will vest over a five-year period, whereby five percent (5%) of the shares subject to the RSU Award vests each quarter following the IPO Date, subject to Executive's continued service with the Company on each applicable quarterly vesting date. The RSU Award will be granted pursuant, and subject, to the terms of the Company's 2024 Equity Incentive Plan, as such plan may be amended from time to time (the "***2024 Plan***"), which will become effective on the IPO Date, and the standard forms of RSU Award Grant Notice and Award Agreement, which Executive will be required to sign as a condition to receiving the RSU Award.

2.4 Expense Reimbursement. The Company will reimburse Executive for reasonable business expenses in accordance with the Company's standard expense reimbursement policy, as the same may be modified by the Company from time to time. The Company shall reimburse Executive for all customary and appropriate business-related expenses actually incurred and documented in accordance with Company policy, as in effect from time to time. For so long as Executive holds the title of Chairman and/or Chief Executive Officer, Executive shall be entitled, at the Company's expense, (a) to employ an Administrative Assistant and a personal security officer, and (b) to be appropriately reimbursed for any private aviation expenses that are incurred for legitimate business travel. For the avoidance of doubt, to the extent that any reimbursements payable to Executive are subject to the provisions of Section 409A of the Code: (a) any such reimbursements will be paid no later than December 31 of the year following the year in which the expense was incurred, (b) the amount of expenses reimbursed in one year will not

affect the amount eligible for reimbursement in any subsequent year, and (c) the right to reimbursement under this Agreement will not be subject to liquidation or exchange for another benefit.

3. Confidentiality, Intellectual Property, and Protective Covenants Agreement. As a condition of continued employment, Executive agreed to execute and abide by a Confidentiality, Intellectual Property, and Protective Covenants Agreement ("***Proprietary Information Agreement***"), which may be amended by the parties from time to time without regard to this Agreement. The Proprietary Information Agreement contains provisions that are intended by the parties to survive and do survive termination of this Agreement, and such terms are hereby incorporated by reference.

4. Outside Activities during Employment. The parties acknowledge and agree that Executive is also a co-founder and serves as Executive Chairman of the board of Pathos AI, Inc., an AI-enabled drug development company that has entered into an agreement with the Company, and is the managing partner and co-founder of Lightbank LLC, a private venture capital firm specializing in investments in technology companies that has invested in the Company.

5. No Conflict with Existing Obligations. Executive represents that Executive's performance of all the terms of this Agreement does not and will not breach any agreement or obligation of any kind made prior to Executive's employment by the Company, including agreements or obligations Executive may have with prior employers or entities for which Executive has provided services. Executive has not entered into, and Executive agrees that Executive will not enter into, any agreement or obligation, either written or oral, in conflict herewith.

6. Termination of Employment. The parties acknowledge that Executive's employment relationship with the Company is at-will, meaning either the Company or Executive may terminate Executive's employment at any time, with or without cause or advance notice. The provisions in this Section govern the amount of compensation, if any, to be provided to Executive upon termination of employment and do not alter this at-will status.

6.1 Termination without Cause or for Good Reason.

(a) The Company shall have the right to terminate Executive's employment with the Company pursuant to this **Section 6.1** at any time, in accordance with **Section 6.6**, without "Cause" (as defined in **Section 6.3(b)** below) by giving notice as described in **Section 7.1** of this Agreement. A termination pursuant to **Section 6.5** below is not a termination without "Cause" for purposes of receiving the benefits described in **Sections 6.1** or **Section 6.2**.

(b) If the Company terminates Executive's employment at any time without Cause or Executive terminates Executive's employment with the Company for Good Reason and provided that such termination constitutes a "separation from service" (as defined under Treasury Regulation Section 1.409A-1(h), without regard to any alternative definition thereunder, a "***Separation from Service***"), then Executive shall be entitled to receive the Accrued Obligations (defined below).

(c) For purposes of this Agreement, "***Accrued Obligations***" are (i) Executive's accrued but unpaid salary through the date of termination, (ii) any unreimbursed business expenses incurred by Executive payable in accordance with the Company's standard expense reimbursement policies, and (iii) benefits owed to Executive under any qualified retirement plan or health and welfare benefit plan in which Executive was a participant in accordance with applicable law and the provisions of such plan.

(d) The Severance Benefits provided to Executive pursuant to this **Section 6.1** are in lieu of, and not in addition to, any benefits to which Executive may otherwise be entitled under any Company severance plan, policy or program.

(e) Any damages caused by the termination of Executive's employment without Cause would be difficult to ascertain; therefore, the Severance Benefits for which Executive is eligible pursuant to **Section 6.1(b)** above in exchange for the Release is agreed to by the parties as liquidated damages, to serve as full compensation, and not a penalty.

(f) For purposes of this Agreement, "***Good Reason***" shall mean the occurrence of any of the following events without Executive's consent: (i) a material reduction in Executive's Base Salary of at least 25%; (ii) a material breach of this Agreement by the Company; (iii) a material reduction in the Executive's duties, authority and responsibilities relative to the Executive's duties, authority, and responsibilities in effect immediately prior to such reduction; *provided, however,* that, any such termination by Executive shall only be deemed for Good Reason pursuant to this definition if: (1) Executive gives the Company written notice of his intent to terminate for Good Reason within thirty (30) days following the first occurrence of the condition(s) that Executive believes constitute(s) Good Reason, which notice shall describe such condition(s); (2) the Company fails to remedy such condition(s) within thirty (30) days following receipt of the written notice (the "***Cure Period***"); and (3) Executive voluntarily terminates Executive's employment within thirty (30) days following the end of the Cure Period.

6.2 Termination without Cause or for Good Reason Coincident with a Change in Control.

(a) If Executive's employment by the Company is terminated by the Company or any successor entity without Cause (and not due to Disability or death) or by Executive for Good Reason within two (2) months prior to or within twelve (12) months following the effective date of a "***Change in Control***" (as defined in the 2024 Plan), provided that such termination constitutes a Separation from Service, without regard to any alternative definition thereunder, then in addition to paying or providing Executive with the Accrued Obligations and the Severance Benefits available under **Section 6.1**, the Company will provide the following "***Change in Control Severance Benefits***":

(i) Any equity awards held by Executive that were issued pursuant to the Company's Amended and Restated 2015 Stock Plan, as such plan may be amended from time to time, the 2024 Plan or any successor plan and that remain outstanding and are unvested as of the date of such termination will immediately vest in full. For the avoidance of doubt, if such termination occurs prior to the effective date of a Change in Control, any such equity awards will remain outstanding following the date of such termination as necessary to give effect to the potential vesting acceleration set forth in this **Section 6.2(a)(i)**, which would occur contingent upon the consummation of a Change in Control.

6.3 Termination by the Company for Cause.

(a) The Company shall have the right to terminate Executive's employment with the Company at any time, in accordance with **Section 6.6**, for Cause by giving notice as described in **Section 7.1** of this Agreement. In the event Executive's employment is terminated at any time for Cause, Executive will not receive Severance Benefits, Change in Control Severance Benefits, or any other severance compensation or benefits, except that, pursuant to the Company's standard payroll policies, the Company shall pay to Executive the Accrued Obligations.

(b) ***"Cause"*** for termination shall mean that the Company has determined in its sole discretion that Executive has engaged in any of the following: (i) any act constituting dishonesty, fraud, falsification of any documents or records, or immoral or disreputable conduct; (iii) any conduct which constitutes a felony or other criminal act involving corruption, misappropriation, or moral turpitude, or otherwise impairs your ability to perform your duties with the Company, under applicable law; (iv) material violation of any Company policy or any act of misconduct (including if Executive acts in a manner expected to have a material detrimental effect on the Company's reputation or business); (v) breach of fiduciary duty.

6.4 Resignation by Executive.

(a) Executive may resign from Executive's employment with the Company at any time, in accordance with **Section 6.6**, by giving notice as described in **Section 7.1**.

(b) In the event Executive resigns from Executive's employment as both Chairman and Chief Executive Officer with the Company for any reason other than Good Reason in accordance with **Sections 6.1 or 6.2**, Executive will not receive Severance Benefits, Change in Control Severance Benefits, or any other severance compensation or benefits, except that, pursuant to the Company's standard payroll policies, the Company shall pay to Executive the Accrued Obligations.

6.5 Termination by Virtue of Death or Disability of Executive.

(a) In the event of Executive's death while employed pursuant to this Agreement, all obligations of the parties hereunder shall terminate immediately, in accordance with **Section 6.6**, and the Company shall, pursuant to the Company's standard payroll policies, pay to Executive's legal representatives all Accrued Obligations.

(b) Subject to applicable state and federal law, the Company shall at all times have the right, upon written notice to Executive, and in accordance with **Section 6.6**, to terminate this Agreement based on Executive's Disability. Termination by the Company of Executive's employment based on "***Disability***" shall mean termination because Executive is unable due to a physical or mental condition to perform the essential functions of his position with or without reasonable accommodation for 180 days in the aggregate during any twelve (12) month

period or based on the written certification by two licensed physicians of the likely continuation of such condition for such period. This definition shall be interpreted and applied consistent with the Americans with Disabilities Act, the Family and Medical Leave Act, and other applicable law. In the event Executive's employment is terminated based on Executive's Disability, Executive will not receive Severance Benefits, Change in Control Severance Benefits, or any other severance compensation or benefit, except that, pursuant to the Company's standard payroll policies, the Company shall pay to Executive the Accrued Obligations.

6.6 Notice; Effective Date of Termination.

(a) Termination of Executive's employment pursuant to this Agreement shall be effective on the earliest of:

(i) immediately after the Company gives notice to Executive of Executive's termination, with or without Cause, unless pursuant to Section 6.3(b)(vi) in which case ten (10) days after notice if not cured or unless the Company specifies a later date, in which case, termination shall be effective as of such later date;

(ii) immediately upon the Executive's death;

(iii) ten (10) days after the Company gives notice to Executive of Executive's termination on account of Executive's Disability, unless the Company specifies a later date, in which case, termination shall be effective as of such later date, *provided* that Executive has not returned to the full time performance of Executive's duties prior to such date;

(iv) ten (10) days after the Executive gives written notice to the Company of Executive's resignation, *provided* that the Company may set a termination date at any time between the date of notice and the date of resignation, in which case the Executive's resignation shall be effective as of such other date. Executive will receive compensation through any required notice period; or

(v) for a termination for Good Reason, immediately upon Executive's full satisfaction of the requirements of **Section 6.1(g)**.

(b) In the event notice of a termination under subsections (a)(i) or (iii) is given orally, at the other party's request, the party giving notice must provide written confirmation of such notice within five (5) business days of the request in compliance with the requirement of **Section 7.1** below. In the event of a termination for Cause, written confirmation shall specify the subsection(s) of the definition of Cause relied on to support the decision to terminate.

6.7 Application of Section 409A. It is intended that all of the severance payments payable under this Agreement satisfy, to the greatest extent possible, the exemptions from the application of Section 409A of the Code and the regulations and other guidance thereunder and any state law of similar effect (collectively, "***Section 409A***") provided under Treasury Regulations Sections 1.409A-1(b)(4) and 1.409A-1(b)(9), and this Agreement will be construed in a manner that complies with Section 409A. If not so exempt, this Agreement (and any definitions hereunder) will be construed in a manner that complies with Section 409A, and

incorporates by reference all required definitions and payment terms. No severance payments will be made under this Agreement unless Executive's termination of employment constitutes a "separation from service" (as defined under Treasury Regulation Section 1.409A-1(h)). For purposes of Section 409A (including, without limitation, for purposes of Treasury Regulations Section 1.409A-2(b)(2)(iii)), Executive's right to receive any installment payments under this Agreement (whether severance payments or otherwise) shall be treated as a right to receive a series of separate payments and, accordingly, each installment payment hereunder shall at all times be considered a separate and distinct payment. If the Company determines that the severance benefits provided under this Agreement constitutes "deferred compensation" under Section 409A and if Executive is a "specified employee" of the Company, as such term is defined in Section 409A(a)(2)(B)(i) of the Code at the time of Executive's Separation from Service, then, solely to the extent necessary to avoid the incurrence of the adverse personal tax consequences under Section 409A, the timing of the Severance will be delayed as follows: on the earlier to occur of (a) the date that is six months and one day after Executive's Separation from Service, and (b) the date of Executive's death (such earlier date, the "***Delayed Initial Payment Date***"), the Company will (i) pay to Executive a lump sum amount equal to the sum of the severance benefits that Executive would otherwise have received through the Delayed Initial Payment Date if the commencement of the payment of the severance benefits had not been delayed pursuant to this Section 6.8 and (ii) commence paying the balance of the severance benefits in accordance with the applicable payment schedule set forth in Section 6. No interest shall be due on any amounts deferred pursuant to this Section 6.8. To the extent that any Severance Benefits are deferred compensation under Section 409A of the Code, and are not otherwise exempt from the application of Section 409A, then, if the period during which Executive may consider and sign the Release spans two calendar years, the payment of any such Severance Benefit will not be made or begin until the later calendar year.

6.8 Section 280G. Notwithstanding any other provision of this Agreement to the contrary, if payments made or benefits provided pursuant to this Agreement or otherwise from the Company or any person or entity are considered "parachute payments" under Section 280G of the Code, then such parachute payments will be limited to the greatest amount that may be paid to Executive under Section 280G of the Code without causing any loss of deduction to the Company Group under such section, but only if, by reason of such reduction, the net after tax benefit to Executive will exceed the net after tax benefit if such reduction were not made. "***Net after tax benefit***" for purposes of this Agreement will mean the sum of (i) the total amounts payable to the Executive under this Agreement, plus (ii) all other payments and benefits which the Executive receives or then is entitled to receive from the Company or otherwise that would constitute a "parachute payment" within the meaning of Section 280G of the Code, less (iii) the amount of federal and state income taxes payable with respect to the foregoing calculated at the maximum marginal income tax rate for each year in which the foregoing will be paid to Executive (based upon the rate in effect for such year as set forth in the Code at the time of termination of Executive's employment), less (iv) the amount of excise taxes imposed with respect to the payments and benefits described in (i) and (ii) above by Section 4999 of the Code. The determination as to whether and to what extent payments are required to be reduced in accordance with this Section 6.9 will be made at the Company's expense by a nationally recognized certified public accounting firm as may be designated by the Company prior to a change in control (the "***Accounting Firm***"). In the event of any mistaken underpayment or overpayment under this Agreement, as determined by the Accounting Firm, the amount of such underpayment or overpayment will forthwith be paid

to Executive or refunded to the Company, as the case may be, with interest at one hundred twenty (120%) of the applicable Federal rate provided for in Section 7872(f)(2) of the Code. Any reduction in payments required by this Section 6.9 will occur in the following order: (1) any cash severance, (2) any other cash amount payable to Executive, (3) any benefit valued as a "parachute payment," (4) the acceleration of vesting of any equity awards that are options, and (5) the acceleration of vesting of any other equity awards. Within any such category of payments and benefits, a reduction will occur first with respect to amounts that are not "deferred compensation" within the meaning of Section 409A and then with respect to amounts that are. In the event that acceleration of compensation from equity awards is to be reduced, such acceleration of vesting will be canceled, subject to the immediately preceding sentence, in the reverse order of the date of grant.

7. General Provisions.

7.1 Notices. Any notices required hereunder to be in writing shall be deemed effectively given: (a) upon personal delivery to the party to be notified, (b) when sent by electronic mail or confirmed facsimile if sent during normal business hours of the recipient, and if not, then on the next business day, (c) five (5) days after having been sent by registered or certified mail, return receipt requested, postage prepaid, or (d) one (1) day after deposit with a nationally recognized overnight courier, specifying next day delivery, with written verification of receipt. All communications shall be sent to the Company at its primary office location and to Executive at either Executive's address as listed on the Company payroll, or Executive's Company-issued email address, or at such other address as the Company or Executive may designate by ten (10) days advance written notice to the other.

7.2 Severability. Whenever possible, each provision of this Agreement will be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Agreement is held to be invalid, illegal or unenforceable in any respect under any applicable law or rule in any jurisdiction, such invalidity, illegality or unenforceability will not affect any other provision or any other jurisdiction, but this Agreement will be reformed, construed and enforced in such jurisdiction as if such invalid, illegal or unenforceable provisions had never been contained herein.

7.3 Survival. Provisions of this Agreement which by their terms must survive the termination of this Agreement in order to effectuate the intent of the parties will survive any such termination for such period as may be appropriate under the circumstances.

7.4 Waiver. If either party should waive any breach of any provisions of this Agreement, it shall not thereby be deemed to have waived any preceding or succeeding breach of the same or any other provision of this Agreement.

7.5 Complete Agreement. This Agreement constitutes the entire agreement between Executive and the Company with regard to the subject matter hereof. This Agreement is the complete, final, and exclusive embodiment of their agreement with regard to this subject matter and supersedes any prior oral discussions or written communications and agreements, including the Prior Agreement. This Agreement is entered into without reliance on any promise or representation other than those expressly contained herein, and it cannot be modified or amended

except in writing signed by Executive and an authorized officer of the Company. The parties have entered into a separate Proprietary Information Agreement and have or may enter into separate agreements related to equity. These separate agreements govern other aspects of the relationship between the parties, have or may have provisions that survive termination of Executive's employment under this Agreement, may be amended or superseded by the parties without regard to this Agreement and are enforceable according to their terms without regard to the enforcement provision of this Agreement.

7.6 Counterparts. This Agreement may be executed in separate counterparts, any one of which need not contain signatures of more than one party, but all of which taken together will constitute one and the same Agreement. The parties agree that facsimile and scanned image copies of signatures will suffice as original signatures.

7.7 Withholding Taxes. The Company will be entitled to withhold from any payment due to Executive hereunder any amounts required to be withheld by applicable tax laws or regulations.

7.8 Headings. The headings of the sections hereof are inserted for convenience only and shall not be deemed to constitute a part hereof nor to affect the meaning thereof.

7.9 Successors and Assigns. The Company shall assign this Agreement and its rights and obligations hereunder in whole, but not in part, to any Company or other entity with or into which the Company may hereafter merge or consolidate or to which the Company may transfer all or substantially all of its assets, if in any such case said Company or other entity shall by operation of law or expressly in writing assume all obligations of the Company hereunder as fully as if it had been originally made a party hereto, but may not otherwise assign this Agreement or its rights and obligations hereunder. Executive may not assign or transfer this Agreement or any rights or obligations hereunder, other than to his estate upon his death.

7.10 Choice of Law. All questions concerning the construction, validity and interpretation of this Agreement will be governed by the laws of the State of Delaware.

7.11 Dispute Resolution. The parties recognize that litigation in federal or state courts or before federal or state administrative agencies of disputes arising out of the Executive's employment with the Company or out of this Agreement, or the Executive's termination of employment or termination of this Agreement, may not be in the best interests of either the Executive or the Company, and may result in unnecessary costs, delays, complexities, and uncertainty. The parties agree that any dispute between the parties arising out of or relating to the negotiation, execution, performance or termination of this Agreement or the Executive's employment, including, but not limited to, any claim arising out of this Agreement, claims under Title VII of the Civil Rights Act of 1964, as amended, the Civil Rights Act of 1991, the Age Discrimination in Employment Act of 1967, the Americans with Disabilities Act of 1990, Section 1981 of the Civil Rights Act of 1966, as amended, the Family Medical Leave Act, the Executive Retirement Income Security Act, and any similar federal, state or local law, statute, regulation, or any common law doctrine, whether that dispute arises during or after employment, shall be settled by binding arbitration in accordance with the National Rules for the Resolution of Employment Disputes of the American Arbitration Association; *provided however,* that this dispute resolution

provision shall not apply to any separate agreements between the parties that do not themselves specify arbitration as an exclusive remedy. The location for the arbitration shall be the Chicago, Illinois area. Any award made by such panel shall be final, binding and conclusive on the parties for all purposes, and judgment upon the award rendered by the arbitrators may be entered in any court having jurisdiction thereof. The arbitrators' fees and expenses and all administrative fees and expenses associated with the filing of the arbitration shall be borne by the Company; *provided however*, that at the Executive's option, Executive may voluntarily pay up to one-half the costs and fees. The parties acknowledge and agree that their obligations to arbitrate under this Section survive the termination of this Agreement and continue after the termination of the employment relationship between Executive and the Company. The parties each further agree that the arbitration provisions of this Agreement shall provide each party with its **exclusive remedy**, and each party expressly waives any right it might have to seek redress in any other forum, except as otherwise expressly provided in this Agreement. By electing arbitration as the means for final settlement of all claims, **the parties hereby waive their respective rights to, and agree not to, sue each other in any action in a Federal, State or local court with respect to such claims, but may seek to enforce in court an arbitration award rendered pursuant to this Agreement. The parties specifically agree to waive their respective rights to a trial by jury, and further agree that no demand, request or motion will be made for trial by jury.**

EXECUTIVE EMPLOYMENT AGREEMENT

This **EXECUTIVE EMPLOYMENT AGREEMENT** dated as of January 1, 2023 ("***Agreement***") is by and between **ERIK PHELPS** ("***Executive***") and **TEMPUS LABS, INC.** ("***Company***").

WHEREAS, the Company desires to employ Executive as Chief Legal and Administrative Officer and provide Executive with certain compensation and benefits in return for Executive's services, and Executive agrees to be employed by the Company in such capacity and to receive the compensation and benefits on the terms and conditions set forth herein; and

WHEREAS, the Company and Executive desire to enter into this Employment Agreement (the "***Agreement***") to become effective immediately, subject to Executive's signature below (the "***Effective Date***") in order to memorialize the terms and conditions of Executive's employment by the Company upon and following the Effective Date.

NOW, THEREFORE, in consideration of the mutual promises and covenants contained herein, the parties agree to the following:

1. Employment by the Company.

1.1 Position. Subject to the terms set forth herein, the Company agrees to employ Executive in the position of Chief Legal and Administrative Officer, and Executive hereby accepts such continued employment on the terms and conditions set forth in this Agreement.

1.2 Duties. As Chief Legal and Administrative Officer, Executive will report to the Chief Executive Officer (the "***CEO***") and such other individual(s) as assigned, performing such duties as are normally associated with Executive's position and such duties as are assigned to Executive from time to time, subject to the oversight and direction of the CEO. During the term of Executive's employment with the Company, Executive will work on a full-time basis for the Company and will devote Executive's best efforts and substantially all of Executive's business time and attention to the business of the Company. Executive shall perform Executive's duties under this Agreement principally out of the Company's facility in Chicago or in Madison, WI. In addition, Executive shall make such business trips to such places as may be necessary or advisable for the efficient operations of the Company.

1.3 Company Policies and Benefits. The employment relationship between the parties shall also be subject to the Company's personnel policies and procedures as they may be interpreted, adopted, revised or deleted from time to time in the Company's sole discretion. Executive will be eligible to participate on the same basis as similarly situated employees in the Company's benefit plans in effect from time to time during Executive's employment. All matters of eligibility for coverage or benefits under any benefit plan shall be determined in accordance with the provisions of such plan. The Company reserves the right to change, alter, or terminate any benefit plan in its sole discretion. Notwithstanding the foregoing, in the event that the terms of this Agreement differ from or are in conflict with the Company's general employment policies or practices, this Agreement shall control.

2. Compensation.

2.1 Salary. Executive shall receive for Executive's services to be rendered under this Agreement an initial base salary of **$610,000** on an annualized basis, subject to review and adjustment by the Company in its sole discretion, payable subject to standard federal and state payroll withholding requirements in accordance with the Company's standard payroll practices ("***Base Salary***").

2.2 Equity Incentive Plan. During the term of Executive's employment with the Company, Executive will be eligible to participate in any then-current equity incentive plan as may be in effect from time to time and made available to similarly situated executive employees, subject to the terms of the associated plan documents and as determined by the Board of Directors of the Company (the "***Board***") in its sole discretion from time to time. The Company reserves the right to modify or terminate its incentive programs at any time in its sole discretion.

2.3 Expense Reimbursement. The Company will reimburse Executive for reasonable business expenses in accordance with the Company's standard expense reimbursement policy, as the same may be modified by the Company from time to time. The Company shall reimburse Executive for all customary and appropriate business-related expenses, including an agreed housing allowance, actually incurred and documented in accordance with Company policy, as in effect from time to time. For the avoidance of doubt, to the extent that any reimbursements payable to Executive are subject to the provisions of Section 409A of the Code: (a) any such reimbursements will be paid no later than December 31 of the year following the year in which the expense was incurred, (b) the amount of expenses reimbursed in one year will not affect the amount eligible for reimbursement in any subsequent year, and (c) the right to reimbursement under this Agreement will not be subject to liquidation or exchange for another benefit.

3. Confidentiality, Intellectual Property, and Protective Covenants Agreement. As a condition of continued employment, Executive agreed to execute and abide by a Confidentiality, Intellectual Property, and Protective Covenants Agreement ("***Proprietary Information Agreement***"), which may be amended by the parties from time to time without regard to this Agreement. The Proprietary Information Agreement contains provisions that are intended by the parties to survive and do survive termination of this Agreement, and such terms are hereby incorporated by reference.

4. Outside Activities during Employment. Except with the prior written consent of the Board, including consent given to Executive prior to the signing of this Agreement, Executive will not, while employed by the Company, undertake or engage in any other employment, occupation or business enterprise that would interfere with Executive's responsibilities and the performance of Executive's duties hereunder except for (i) reasonable time devoted to volunteer services for or on behalf of such religious, educational, non-profit and/or other charitable organization as Executive may wish to serve, (ii) reasonable time devoted to activities in the non-profit and business communities consistent with Executive's duties; and (iii) such other activities as may be specifically approved by the Board. This restriction shall not, however, preclude Executive (x) from owning less than one percent (1%) of the total outstanding shares of a publicly traded company, or (y) from employment or service in any capacity with Affiliates of the Company. As used in this Agreement, "***Affiliates***" means an entity under common management or control with the Company.

5. No Conflict with Existing Obligations. Executive represents that Executive's performance of all the terms of this Agreement does not and will not breach any agreement or obligation of any kind made prior to Executive's employment by the Company, including agreements or obligations Executive may have with prior employers or entities for which Executive has provided services. Executive has not entered into, and Executive agrees that Executive will not enter into, any agreement or obligation, either written or oral, in conflict herewith.

6. Termination of Employment. The parties acknowledge that Executive's employment relationship with the Company is at-will, meaning either the Company or Executive may terminate Executive's employment at any time, with or without cause or advance notice. The provisions in this Section govern the amount of compensation, if any, to be provided to Executive upon termination of employment and do not alter this at-will status.

6.1 Termination without Cause or for Good Reason.

(a) The Company shall have the right to terminate Executive's employment with the Company pursuant to this **Section 6.1** at any time, in accordance with **Section 6.6**, without "Cause" (as defined in **Section 6.3(b)** below) by giving notice as described in **Section 7.1** of this Agreement. A termination pursuant to **Section 6.5** below is not a termination without "Cause" for purposes of receiving the benefits described in **Sections 6.1** or **Section 6.2**.

(b) If the Company terminates Executive's employment at any time without Cause or Executive terminates Executive's employment with the Company for Good Reason and provided that such termination constitutes a "separation from service" (as defined under Treasury Regulation Section 1.409A-1(h), without regard to any alternative definition thereunder, a "***Separation from Service***"), then Executive shall be entitled to receive the Accrued Obligations (defined below). If Executive complies with the obligations in **Section 6.1(c)** below, Executive shall also be eligible to receive the following "***Severance Benefits***":

(i) The Company will pay Executive an amount equal to Executive's then current Base Salary for twelve (12) months, less all applicable withholdings and deductions, paid in equal installments on the Company's normal payroll schedule following the termination date, with the first payment beginning on the Severance Pay Commencement Date (as defined in **Section 6.1(c)** below), and the remaining installments occurring on the Company's regularly scheduled payroll dates thereafter; provided that on the Severance Pay Commencement Date, the Company will pay in a lump sum the aggregate amount of the cash severance payments that the Company would have paid Executive through such date had the payments commenced on the effective date of termination through the Severance Pay Commencement Date. In addition, during the six (6) month period following Executive's Separation from Service, Executive's equity will continue to satisfy any applicable time-based vesting condition, as though Executive remained employed by Company.

(c) If Executive timely elects continued coverage under COBRA for Executive and Executive's covered dependents under the Company's group health plans following such termination, then the Company shall pay the COBRA premiums necessary to continue Executive's and Executive's covered dependents' health insurance coverage in effect for

Executive (and Executive's covered dependents) on the termination date until the earliest of: (i) twelve (12) months following the termination date (the "***COBRA Severance Period***"); (ii) the date when Executive becomes eligible for substantially equivalent health insurance coverage in connection with new employment or self-employment; or (iii) the date Executive ceases to be eligible for COBRA continuation coverage for any reason, including plan termination (such period from the termination date through the earlier of (i)-(iii), (the "***COBRA Payment Period***"). Notwithstanding the foregoing, if at any time the Company determines that its payment of COBRA premiums on Executive's behalf would result in a violation of applicable law (including, but not limited to, the 2010 Patient Protection and Affordable Care Act, as amended by the 2010 Health Care and Education Reconciliation Act), then in lieu of paying COBRA premiums pursuant to this Section, the Company shall pay Executive on the last day of each remaining month of the COBRA Payment Period, a fully taxable cash payment equal to the COBRA premium for such month, subject to applicable tax withholding (such amount, the "***Special Severance Payment***"), for the remainder of the COBRA Payment Period. Nothing in this Agreement shall deprive Executive of Executive's rights under COBRA or ERISA for benefits under plans and policies arising under Executive's employment by the Company. Executive will be paid all of the Accrued Obligations on the Company's first payroll date after Executive's date of termination from employment or earlier if required by law. Executive shall receive the Severance Benefits pursuant to **Section 6.1(b)** or the Change in Control Severance Benefits (defined below) pursuant to **6.2(a)** of this Agreement, as applicable, if: (i) Executive executes and does not revoke a separation agreement containing an effective, general release of claims in favor of the Company and its affiliates and representatives, in a form acceptable to the Company (the "***Release***") and the Release is enforceable and effective as provided in the Release on or before the date that is the sixtieth (60^{th}) day following the effective date of termination (such 60^{th} day, the "***Severance Pay Commencement Date***"); (ii) if Executive holds any other positions with the Company, Executive resigns such position(s) to be effective no later than the date of Executive's termination date (or such other date as requested by the Board); (iii) Executive returns all Company property; (iv) Executive complies with Executive's post-termination obligations under this Agreement and the Proprietary Information Agreement; and (v) Executive complies with the terms of the Release, including without limitation any non-disparagement and confidentiality provisions contained in Release.

(d) For purposes of this Agreement, "***Accrued Obligations***" are (i) Executive's accrued but unpaid salary through the date of termination, (ii) any unreimbursed business expenses incurred by Executive payable in accordance with the Company's standard expense reimbursement policies, and (iii) benefits owed to Executive under any qualified retirement plan or health and welfare benefit plan in which Executive was a participant in accordance with applicable law and the provisions of such plan.

(e) The Severance Benefits provided to Executive pursuant to this **Section 6.1** are in lieu of, and not in addition to, any benefits to which Executive may otherwise be entitled under any Company severance plan, policy or program.

(f) Any damages caused by the termination of Executive's employment without Cause would be difficult to ascertain; therefore, the Severance Benefits for which Executive is eligible pursuant to **Section 6.1(b)** above in exchange for the Release is agreed to by the parties as liquidated damages, to serve as full compensation, and not a penalty.

(g) For purposes of this Agreement, "***Good Reason***" shall mean the occurrence of any of the following events without Executive's consent: (i) a material reduction in Executive's Base Salary of at least 25%; (ii) a material breach of this Agreement by the Company; (iii) a material reduction in the Executive's duties, authority and responsibilities relative to the Executive's duties, authority, and responsibilities in effect immediately prior to such reduction (provided that a material reduction of duties, authority and responsibilities will not be deemed to have occurred if, in connection with a Change in Control, Executive is not reporting to the individual in the same role as Executive's prior manager at the acquirer or any other top-tier holding company above the acquirer); or (iv) the relocation of Executive's principal place of employment, without Executive's consent, in a manner that lengthens Executive's one-way commute distance by fifty (50) or more miles from his then-current principal place of employment immediately prior to such relocation; *provided, however,* that, any such termination by Executive shall only be deemed for Good Reason pursuant to this definition if: (1) Executive gives the Company written notice of his intent to terminate for Good Reason within thirty (30) days following the first occurrence of the condition(s) that Executive believes constitute(s) Good Reason, which notice shall describe such condition(s); (2) the Company fails to remedy such condition(s) within thirty (30) days following receipt of the written notice (the "***Cure Period***"); and (3) Executive voluntarily terminates Executive's employment within thirty (30) days following the end of the Cure Period.

6.2 Termination without Cause or for Good Reason Coincident with a Change in Control.

(a) If Executive's employment by the Company is terminated by the Company or any successor entity without Cause (and not due to Disability or death) or by Executive for Good Reason within two (2) months prior to or within twelve (12) months following the effective date of a "***Change in Control***" (as defined in the Company's Amended and Restated 2015 Stock Plan, as such plan may be amended from time to time (the "***2015 Plan***")), provided that such termination constitutes a Separation from Service, without regard to any alternative definition thereunder, then in addition to paying or providing Executive with the Accrued Obligations and the Severance Benefits available under **Section 6.1**, the Company will provide the following "***Change in Control Severance Benefits***":

(i) Any equity awards held by Executive that were issued pursuant to the Company's 2015 Plan or any successor plan and that remain outstanding and are unvested as of the date of such termination will immediately vest in full. For the avoidance of doubt, if such termination occurs prior to the effective date of a Change in Control, any such equity awards will remain outstanding following the date of such termination as necessary to give effect to the potential vesting acceleration set forth in this **Section 6.2(a)(iv)**, which would occur contingent upon the consummation of a Change in Control.

6.3 Termination by the Company for Cause.

(a) The Company shall have the right to terminate Executive's employment with the Company at any time, in accordance with **Section 6.6**, for Cause by giving notice as described in **Section 7.1** of this Agreement. In the event Executive's employment is terminated at any time for Cause, Executive will not receive Severance Benefits, Change in Control Severance Benefits, or any other severance compensation or benefits, except that, pursuant to the Company's standard payroll policies, the Company shall pay to Executive the Accrued Obligations.

(b) ***"Cause"*** for termination shall mean that the Company has determined in its sole discretion that Executive has engaged in any of the following: (i) a material breach of any covenant or condition under this Agreement or any other agreement between the parties; (ii) any act constituting dishonesty, fraud, falsification of any documents or records, or immoral or disreputable conduct; (iii) any conduct which constitutes a felony or other criminal act involving corruption, misappropriation, or moral turpitude, or otherwise impairs your ability to perform your duties with the Company, under applicable law; (iv) material violation of any Company policy or any act of misconduct (including if Executive acts in a manner expected to have a material detrimental effect on the Company's reputation or business); (v) refusal to follow or implement a clear and reasonable directive of Company; (vi) negligence or incompetence in the performance of Executive's duties or failure to perform such duties in a manner satisfactory to the Company after the expiration of ten (10) days without cure after written notice of such failure; (vii) breach of fiduciary duty; or (viii) unauthorized use, misappropriation, destruction, or diversion of any tangible or intangible asset or corporate opportunity of the Company.

6.4 Resignation by Executive.

(a) Executive may resign from Executive's employment with the Company at any time, in accordance with **Section 6.6**, by giving notice as described in **Section 7.1**.

(b) In the event Executive resigns from Executive's employment with the Company for any reason other than Good Reason in accordance with **Sections 6.1 or 6.2**, Executive will not receive Severance Benefits, Change in Control Severance Benefits, or any other severance compensation or benefits, except that, pursuant to the Company's standard payroll policies, the Company shall pay to Executive the Accrued Obligations.

6.5 Termination by Virtue of Death or Disability of Executive.

(a) In the event of Executive's death while employed pursuant to this Agreement, all obligations of the parties hereunder shall terminate immediately, in accordance with **Section 6.6**, and the Company shall, pursuant to the Company's standard payroll policies, pay to Executive's legal representatives all Accrued Obligations.

(b) Subject to applicable state and federal law, the Company shall at all times have the right, upon written notice to Executive, and in accordance with **Section 6.6**, to terminate this Agreement based on Executive's Disability. Termination by the Company of Executive's employment based on "***Disability***" shall mean termination because Executive is unable due to a physical or mental condition to perform the essential functions of his position with

or without reasonable accommodation for 180 days in the aggregate during any twelve (12) month period or based on the written certification by two licensed physicians of the likely continuation of such condition for such period. This definition shall be interpreted and applied consistent with the Americans with Disabilities Act, the Family and Medical Leave Act, and other applicable law. In the event Executive's employment is terminated based on Executive's Disability, Executive will not receive Severance Benefits, Change in Control Severance Benefits, or any other severance compensation or benefit, except that, pursuant to the Company's standard payroll policies, the Company shall pay to Executive the Accrued Obligations.

6.6 Notice; Effective Date of Termination.

(a) Termination of Executive's employment pursuant to this Agreement shall be effective on the earliest of:

(i) immediately after the Company gives notice to Executive of Executive's termination, with or without Cause, unless pursuant to Section 6.3(b)(vi) in which case ten (10) days after notice if not cured or unless the Company specifies a later date, in which case, termination shall be effective as of such later date;

(ii) immediately upon the Executive's death;

(iii) ten (10) days after the Company gives notice to Executive of Executive's termination on account of Executive's Disability, unless the Company specifies a later date, in which case, termination shall be effective as of such later date, *provided* that Executive has not returned to the full-time performance of Executive's duties prior to such date;

(iv) ten (10) days after the Executive gives written notice to the Company of Executive's resignation, *provided* that the Company may set a termination date at any time between the date of notice and the date of resignation, in which case the Executive's resignation shall be effective as of such other date. Executive will receive compensation through any required notice period; or

(v) for a termination for Good Reason, immediately upon Executive's full satisfaction of the requirements of **Section 6.1(g)**.

(b) In the event notice of a termination under subsections (a)(i) or (iii) is given orally, at the other party's request, the party giving notice must provide written confirmation of such notice within five (5) business days of the request in compliance with the requirement of **Section 7.1** below. In the event of a termination for Cause, written confirmation shall specify the subsection(s) of the definition of Cause relied on to support the decision to terminate.

6.7 Cooperation with Company after Termination of Employment. Following termination of Executive's employment for any reason, Executive agrees to cooperate fully with the Company in connection with its actual or contemplated defense, prosecution, or investigation of any claims or demands by or against third parties, or other matters arising from events, acts, or failures to act that occurred during the period of Executive's employment by the Company. Such cooperation includes, without limitation, making Executive available to the

Company upon reasonable notice, without subpoena, to provide complete, truthful and accurate information in witness interviews, depositions and trial testimony, and the failure to provide complete, truthful, and accurate information shall be a material breach of this Agreement and a basis for rescinding or forfeiting the benefits described herein. In addition, for twelve (12) months after Executive's employment with the Company ends for any reason, Executive agrees to cooperate fully with the Company in all matters relating to the transition of Executive's work and responsibilities on behalf of the Company, including, but not limited to, any present, prior or subsequent relationships and the orderly transfer of any such work and institutional knowledge to such other persons as may be designated by the Company. The Company will reimburse Executive for reasonable out-of-pocket expenses Executive incurs in connection with any such cooperation (excluding forgone wages, salary, or other compensation) and will make reasonable efforts to accommodate Executive's scheduling needs.

6.8 Application of Section 409A. It is intended that all of the severance payments payable under this Agreement satisfy, to the greatest extent possible, the exemptions from the application of Section 409A of the Code and the regulations and other guidance thereunder and any state law of similar effect (collectively, "***Section 409A***") provided under Treasury Regulations Sections 1.409A-1(b)(4) and 1.409A-1(b)(9), and this Agreement will be construed in a manner that complies with Section 409A. If not so exempt, this Agreement (and any definitions hereunder) will be construed in a manner that complies with Section 409A and incorporates by reference all required definitions and payment terms. No severance payments will be made under this Agreement unless Executive's termination of employment constitutes a "separation from service" (as defined under Treasury Regulation Section 1.409A-1(h)). For purposes of Section 409A (including, without limitation, for purposes of Treasury Regulations Section 1.409A-2(b)(2)(iii)), Executive's right to receive any installment payments under this Agreement (whether severance payments or otherwise) shall be treated as a right to receive a series of separate payments and, accordingly, each installment payment hereunder shall at all times be considered a separate and distinct payment. If the Company determines that the severance benefits provided under this Agreement constitutes "deferred compensation" under Section 409A and if Executive is a "specified employee" of the Company, as such term is defined in Section 409A(a)(2)(B)(i) of the Code at the time of Executive's Separation from Service, then, solely to the extent necessary to avoid the incurrence of the adverse personal tax consequences under Section 409A, the timing of the Severance will be delayed as follows: on the earlier to occur of (a) the date that is six months and one day after Executive's Separation from Service, and (b) the date of Executive's death (such earlier date, the "***Delayed Initial Payment Date***"), the Company will (i) pay to Executive a lump sum amount equal to the sum of the severance benefits that Executive would otherwise have received through the Delayed Initial Payment Date if the commencement of the payment of the severance benefits had not been delayed pursuant to this Section 6.8 and (ii) commence paying the balance of the severance benefits in accordance with the applicable payment schedule set forth in Section 6. No interest shall be due on any amounts deferred pursuant to this Section 6.8. To the extent that any Severance Benefits are deferred compensation under Section 409A of the Code and are not otherwise exempt from the application of Section 409A, then, if the period during which Executive may consider and sign the Release spans two calendar years, the payment of any such Severance Benefit will not be made or begin until the later calendar year.

6.9 Section 280G. Notwithstanding any other provision of this Agreement to the contrary, if payments made or benefits provided pursuant to this Agreement or otherwise from the Company or any person or entity are considered "parachute payments" under Section 280G of the Code, then such parachute payments will be limited to the greatest amount that may be paid to Executive under Section 280G of the Code without causing any loss of deduction to the Company Group under such section, but only if, by reason of such reduction, the net after tax benefit to Executive will exceed the net after tax benefit if such reduction were not made. "***Net after tax benefit***" for purposes of this Agreement will mean the sum of (i) the total amounts payable to the Executive under this Agreement, plus (ii) all other payments and benefits which the Executive receives or then is entitled to receive from the Company or otherwise that would constitute a "parachute payment" within the meaning of Section 280G of the Code, less (iii) the amount of federal and state income taxes payable with respect to the foregoing calculated at the maximum marginal income tax rate for each year in which the foregoing will be paid to Executive (based upon the rate in effect for such year as set forth in the Code at the time of termination of Executive's employment), less (iv) the amount of excise taxes imposed with respect to the payments and benefits described in (i) and (ii) above by Section 4999 of the Code. The determination as to whether and to what extent payments are required to be reduced in accordance with this Section 6.9 will be made at the Company's expense by a nationally recognized certified public accounting firm as may be designated by the Company prior to a change in control (the "***Accounting Firm***"). In the event of any mistaken underpayment or overpayment under this Agreement, as determined by the Accounting Firm, the amount of such underpayment or overpayment will forthwith be paid to Executive or refunded to the Company, as the case may be, with interest at one hundred twenty (120%) of the applicable Federal rate provided for in Section 7872(f)(2) of the Code. Any reduction in payments required by this Section 6.9 will occur in the following order: (1) any cash severance, (2) any other cash amount payable to Executive, (3) any benefit valued as a "parachute payment," (4) the acceleration of vesting of any equity awards that are options, and (5) the acceleration of vesting of any other equity awards. Within any such category of payments and benefits, a reduction will occur first with respect to amounts that are not "deferred compensation" within the meaning of Section 409A and then with respect to amounts that are. In the event that acceleration of compensation from equity awards is to be reduced, such acceleration of vesting will be canceled, subject to the immediately preceding sentence, in the reverse order of the date of grant.

7. General Provisions.

7.1 Notices. Any notices required hereunder to be in writing shall be deemed effectively given: (a) upon personal delivery to the party to be notified, (b) when sent by electronic mail or confirmed facsimile if sent during normal business hours of the recipient, and if not, then on the next business day, (c) five (5) days after having been sent by registered or certified mail, return receipt requested, postage prepaid, or (d) one (1) day after deposit with a nationally recognized overnight courier, specifying next day delivery, with written verification of receipt. All communications shall be sent to the Company at its primary office location and to Executive at either Executive's address as listed on the Company payroll, or Executive's Company-issued email address, or at such other address as the Company or Executive may designate by ten (10) days advance written notice to the other.

7.2 Severability. Whenever possible, each provision of this Agreement will be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Agreement is held to be invalid, illegal or unenforceable in any respect under any applicable law or rule in any jurisdiction, such invalidity, illegality or unenforceability will not affect any other provision or any other jurisdiction, but this Agreement will be reformed, construed and enforced in such jurisdiction as if such invalid, illegal or unenforceable provisions had never been contained herein.

7.3 Survival. Provisions of this Agreement which by their terms must survive the termination of this Agreement in order to effectuate the intent of the parties will survive any such termination for such period as may be appropriate under the circumstances.

7.4 Waiver. If either party should waive any breach of any provisions of this Agreement, it shall not thereby be deemed to have waived any preceding or succeeding breach of the same or any other provision of this Agreement.

7.5 Complete Agreement. This Agreement constitutes the entire agreement between Executive and the Company with regard to the subject matter hereof. This Agreement is the complete, final, and exclusive embodiment of their agreement with regard to this subject matter and supersedes any prior oral discussions or written communications and agreements, including the Prior Agreement. This Agreement is entered into without reliance on any promise or representation other than those expressly contained herein, and it cannot be modified or amended except in writing signed by Executive and an authorized officer of the Company. The parties have entered into a separate Proprietary Information Agreement and have or may enter into separate agreements related to equity. These separate agreements govern other aspects of the relationship between the parties, have or may have provisions that survive termination of Executive's employment under this Agreement, may be amended or superseded by the parties without regard to this Agreement and are enforceable according to their terms without regard to the enforcement provision of this Agreement.

7.6 Counterparts. This Agreement may be executed in separate counterparts, any one of which need not contain signatures of more than one party, but all of which taken together will constitute one and the same Agreement. The parties agree that facsimile and scanned image copies of signatures will suffice as original signatures.

7.7 Withholding Taxes. The Company will be entitled to withhold from any payment due to Executive hereunder any amounts required to be withheld by applicable tax laws or regulations.

7.8 Headings. The headings of the sections hereof are inserted for convenience only and shall not be deemed to constitute a part hereof nor to affect the meaning thereof.

7.9 Successors and Assigns. The Company shall assign this Agreement and its rights and obligations hereunder in whole, but not in part, to any Company or other entity with or into which the Company may hereafter merge or consolidate or to which the Company may transfer all or substantially all of its assets, if in any such case said Company or other entity shall by operation of law or expressly in writing assume all obligations of the Company hereunder as fully as if it had been originally made a party hereto, but may not otherwise assign this Agreement or its rights and obligations hereunder. Executive may not assign or transfer this Agreement or any rights or obligations hereunder, other than to his estate upon his death.

7.10 Choice of Law. All questions concerning the construction, validity and interpretation of this Agreement will be governed by the laws of the State of Delaware.

7.11 Dispute Resolution. The parties recognize that litigation in federal or state courts or before federal or state administrative agencies of disputes arising out of the Executive's employment with the Company or out of this Agreement, or the Executive's termination of employment or termination of this Agreement, may not be in the best interests of either the Executive or the Company, and may result in unnecessary costs, delays, complexities, and uncertainty. The parties agree that any dispute between the parties arising out of or relating to the negotiation, execution, performance or termination of this Agreement or the Executive's employment, including, but not limited to, any claim arising out of this Agreement, claims under Title VII of the Civil Rights Act of 1964, as amended, the Civil Rights Act of 1991, the Age Discrimination in Employment Act of 1967, the Americans with Disabilities Act of 1990, Section 1981 of the Civil Rights Act of 1966, as amended, the Family Medical Leave Act, the Executive Retirement Income Security Act, and any similar federal, state or local law, statute, regulation, or any common law doctrine, whether that dispute arises during or after employment, shall be settled by binding arbitration in accordance with the National Rules for the Resolution of Employment Disputes of the American Arbitration Association; *provided however,* that this dispute resolution provision shall not apply to any separate agreements between the parties that do not themselves specify arbitration as an exclusive remedy. The location for the arbitration shall be the Chicago, Illinois area. Any award made by such panel shall be final, binding and conclusive on the parties for all purposes, and judgment upon the award rendered by the arbitrators may be entered in any court having jurisdiction thereof. The arbitrators' fees and expenses and all administrative fees and expenses associated with the filing of the arbitration shall be borne by the Company; *provided however*, that at the Executive's option, Executive may voluntarily pay up to one-half the costs and fees. The parties acknowledge and agree that their obligations to arbitrate under this Section survive the termination of this Agreement and continue after the termination of the employment relationship between Executive and the Company. The parties each further agree that the arbitration provisions of this Agreement shall provide each party with its **exclusive remedy**, and each party expressly waives any right it might have to seek redress in any other forum, except as otherwise expressly provided in this Agreement. By electing arbitration as the means for final settlement of all claims, **the parties hereby waive their respective rights to, and agree not to, sue each other in any action in a Federal, State or local court with respect to such claims, but may seek to enforce in court an arbitration award rendered pursuant to this Agreement. The parties specifically agree to waive their respective rights to a trial by jury, and further agree that no demand, request or motion will be made for trial by jury.**

EXECUTIVE EMPLOYMENT AGREEMENT

This **EXECUTIVE EMPLOYMENT AGREEMENT** dated as of January 1, 2023 ("***Agreement***") is by and between **RYAN FUKUSHIMA** ("***Executive***") and **TEMPUS LABS, INC.** ("***Company***").

WHEREAS, the Company desires to employ Executive as Chief Operating Officer and provide Executive with certain compensation and benefits in return for Executive's services, and Executive agrees to be employed by the Company in such capacity and to receive the compensation and benefits on the terms and conditions set forth herein; and

WHEREAS, the Company and Executive desire to enter into this Employment Agreement (the "***Agreement***") to become effective immediately, subject to Executive's signature below (the "***Effective Date***") in order to memorialize the terms and conditions of Executive's employment by the Company upon and following the Effective Date.

NOW, THEREFORE, in consideration of the mutual promises and covenants contained herein, the parties agree to the following:

1. Employment by the Company.

1.1 Position. Subject to the terms set forth herein, the Company agrees to employ Executive in the position of Chief Operating Officer, or such other title as may be designated by the CEO, hereby accepts such continued employment on the terms and conditions set forth in this Agreement.

1.2 Duties. As Chief Operating Officer (or such other title), Executive will report to the Chief Executive Officer (the "***CEO***") and such other individual(s) as assigned, performing such duties as are normally associated with Executive's position and such duties as are assigned to Executive from time to time, subject to the oversight and direction of the CEO. During the term of Executive's employment with the Company, Executive will work on a full-time basis for the Company and will devote Executive's best efforts and substantially all of Executive's business time and attention to the business of the Company. Executive shall perform Executive's duties under this Agreement principally out of the Company's facility in Chicago. In addition, Executive shall make such business trips to such places as may be necessary or advisable for the efficient operations of the Company.

1.3 Company Policies and Benefits. The employment relationship between the parties shall also be subject to the Company's personnel policies and procedures as they may be interpreted, adopted, revised or deleted from time to time in the Company's sole discretion. Executive will be eligible to participate on the same basis as similarly situated employees in the Company's benefit plans in effect from time to time during Executive's employment. All matters of eligibility for coverage or benefits under any benefit plan shall be determined in accordance with the provisions of such plan. The Company reserves the right to change, alter, or terminate any benefit plan in its sole discretion. Notwithstanding the foregoing, in the event that the terms of this Agreement differ from or are in conflict with the Company's general employment policies or practices, this Agreement shall control.

2. Compensation.

2.1 Salary. Executive shall receive for Executive's services to be rendered under this Agreement an initial base salary of **$375,000** on an annualized basis, which represents a 50 percent proration based on the amount of time subject to outside activities, subject to review and adjustment by the Company in its sole discretion, payable subject to standard federal and state payroll withholding requirements in accordance with the Company's standard payroll practices ("***Base Salary***").

2.2 Equity Incentive Plan. During the term of Executive's employment with the Company, Executive will be eligible to participate in any then-current equity incentive plan as may be in effect from time to time and made available to similarly situated executive employees, subject to the terms of the associated plan documents and as determined by the Board of Directors of the Company (the "***Board***") in its sole discretion from time to time. The Company reserves the right to modify or terminate its incentive programs at any time in its sole discretion.

2.3 Expense Reimbursement. The Company will reimburse Executive for reasonable business expenses in accordance with the Company's standard expense reimbursement policy, as the same may be modified by the Company from time to time. The Company shall reimburse Executive for all customary and appropriate business-related expenses actually incurred and documented in accordance with Company policy, as in effect from time to time. For the avoidance of doubt, to the extent that any reimbursements payable to Executive are subject to the provisions of Section 409A of the Code: (a) any such reimbursements will be paid no later than December 31 of the year following the year in which the expense was incurred, (b) the amount of expenses reimbursed in one year will not affect the amount eligible for reimbursement in any subsequent year, and (c) the right to reimbursement under this Agreement will not be subject to liquidation or exchange for another benefit.

3. Confidentiality, Intellectual Property, and Protective Covenants Agreement. As a condition of continued employment, Executive agreed to execute and abide by a Confidentiality, Intellectual Property, and Protective Covenants Agreement ("***Proprietary Information Agreement***"), which may be amended by the parties from time to time without regard to this Agreement. The Proprietary Information Agreement contains provisions that are intended by the parties to survive and do survive termination of this Agreement, and such terms are hereby incorporated by reference.

4. Outside Activities during Employment. The parties acknowledge and agree that Executive is also a co-founder and serves as interim Chief Executive Officer of Pathos AI, Inc., an AI-enabled drug development company that has entered into an agreement with the Company. The Company acknowledges and agrees that Executive will devote between approximately 50 and 75 percent of professional activities to the Company and the remaining percent to Pathos. Executive's base salary has been adjusted to reflect this time commitment. Such percentages and base salary may be adjusted from time to time by the Company depending upon the percentage of professional activities devoted to the Company, and such base salary shall reflect the proportionate amount of activities devoted to the Company.

5. No Conflict with Existing Obligations. Executive represents that Executive's performance of all the terms of this Agreement does not and will not breach any agreement or obligation of any kind made prior to Executive's employment by the Company, including agreements or obligations Executive may have with prior employers or entities for which Executive has provided services. Executive has not entered into, and Executive agrees that Executive will not enter into, any agreement or obligation, either written or oral, in conflict herewith.

6. Termination of Employment. The parties acknowledge that Executive's employment relationship with the Company is at-will, meaning either the Company or Executive may terminate Executive's employment at any time, with or without cause or advance notice. The provisions in this Section govern the amount of compensation, if any, to be provided to Executive upon termination of employment and do not alter this at-will status.

6.1 Termination without Cause or for Good Reason.

(a) The Company shall have the right to terminate Executive's employment with the Company pursuant to this **Section 6.1** at any time, in accordance with **Section 6.6**, without "Cause" (as defined in **Section 6.3(b)** below) by giving notice as described in **Section 7.1** of this Agreement. A termination pursuant to **Section 6.5** below is not a termination without "Cause" for purposes of receiving the benefits described in **Sections 6.1** or **Section 6.2**.

(b) If the Company terminates Executive's employment at any time without Cause or Executive terminates Executive's employment with the Company for Good Reason and provided that such termination constitutes a "separation from service" (as defined under Treasury Regulation Section 1.409A-1(h), without regard to any alternative definition thereunder, a "***Separation from Service***"), then Executive shall be entitled to receive the Accrued Obligations (defined below). If Executive complies with the obligations in **Section 6.1(c)** below, Executive shall also be eligible to receive the following "***Severance Benefits***":

(i) The Company will pay Executive an amount equal to Executive's then current Base Salary for twelve (12) months, less all applicable withholdings and deductions, paid in equal installments on the Company's normal payroll schedule following the termination date, with the first payment beginning on the Severance Pay Commencement Date (as defined in **Section 6.1(c)** below), and the remaining installments occurring on the Company's regularly scheduled payroll dates thereafter; provided that on the Severance Pay Commencement Date, the Company will pay in a lump sum the aggregate amount of the cash severance payments that the Company would have paid Executive through such date had the payments commenced on the effective date of termination through the Severance Pay Commencement Date. In addition, during the six (6) month period following Executive's Separation from Service, Executive's equity will continue to satisfy any applicable time-based vesting condition, as though Executive remained employed by Company.

(c) If Executive timely elects continued coverage under COBRA for Executive and Executive's covered dependents under the Company's group health plans following such termination, then the Company shall pay the COBRA premiums necessary to continue Executive's and Executive's covered dependents' health insurance coverage in effect for Executive (and Executive's covered dependents) on the termination date until the earliest of: (i) twelve (12) months following the termination date (the "***COBRA Severance Period***"); (ii) the date when Executive becomes eligible for substantially equivalent health insurance coverage in connection with new employment or self-employment; or (iii) the date Executive ceases to be eligible for COBRA continuation coverage for any reason, including plan termination (such period from the termination date through the earlier of (i)-(iii), (the "***COBRA Payment Period***"). Notwithstanding the foregoing, if at any time the Company determines that its payment of COBRA premiums on Executive's behalf would result in a violation of applicable law (including, but not limited to, the 2010 Patient Protection and Affordable Care Act, as amended by the 2010 Health Care and Education Reconciliation Act), then in lieu of paying COBRA premiums pursuant to this Section, the Company shall pay Executive on the last day of each remaining month of the COBRA Payment Period, a fully taxable cash payment equal to the COBRA premium for such month, subject to applicable tax withholding (such amount, the "***Special Severance Payment***"), for the remainder of the COBRA Payment Period. Nothing in this Agreement shall deprive Executive of Executive's rights under COBRA or ERISA for benefits under plans and policies arising under Executive's employment by the Company. Executive will be paid all of the Accrued Obligations on the Company's first payroll date after Executive's date of termination from employment or earlier if required by law. Executive shall receive the Severance Benefits pursuant to **Section 6.1(b)** or the Change in Control Severance Benefits (defined below) pursuant to **6.2(a)** of this Agreement, as applicable, if: (i) Executive executes and does not revoke a separation agreement containing an effective, general release of claims in favor of the Company and its affiliates and representatives, in a form acceptable to the Company (the "***Release***") and the Release is enforceable and effective as provided in the Release on or before the date that is the sixtieth (60^{th}) day following the effective date of termination (such 60^{th} day, the "***Severance Pay Commencement Date***"); (ii) if Executive holds any other positions with the Company, Executive resigns such position(s) to be effective no later than the date of Executive's termination date (or such other date as requested by the Board); (iii) Executive returns all Company property; (iv) Executive complies with Executive's post-termination obligations under this Agreement and the Proprietary Information Agreement; and (v) Executive complies with the terms of the Release, including without limitation any non-disparagement and confidentiality provisions contained in Release.

(d) For purposes of this Agreement, "***Accrued Obligations***" are (i) Executive's accrued but unpaid salary through the date of termination, (ii) any unreimbursed business expenses incurred by Executive payable in accordance with the Company's standard expense reimbursement policies, and (iii) benefits owed to Executive under any qualified retirement plan or health and welfare benefit plan in which Executive was a participant in accordance with applicable law and the provisions of such plan.

(e) The Severance Benefits provided to Executive pursuant to this **Section 6.1** are in lieu of, and not in addition to, any benefits to which Executive may otherwise be entitled under any Company severance plan, policy or program.

(f) Any damages caused by the termination of Executive's employment without Cause would be difficult to ascertain; therefore, the Severance Benefits for which Executive is eligible pursuant to **Section 6.1(b)** above in exchange for the Release is agreed to by the parties as liquidated damages, to serve as full compensation, and not a penalty.

(g) For purposes of this Agreement, "***Good Reason***" shall mean the occurrence of any of the following events without Executive's consent: (i) a material reduction in Executive's Base Salary of at least 25%; (ii) a material breach of this Agreement by the Company; (iii) a material reduction in the Executive's duties, authority and responsibilities relative to the Executive's duties, authority, and responsibilities in effect immediately prior to such reduction (provided that a material reduction of duties, authority and responsibilities will not be deemed to have occurred if, in connection with a Change in Control, Executive is not reporting to the individual in the same role as Executive's prior manager at the acquirer or any other top-tier holding company above the acquirer); or (iv) the relocation of Executive's principal place of employment, without Executive's consent, in a manner that lengthens Executive's one-way commute distance by fifty (50) or more miles from his then-current principal place of employment immediately prior to such relocation; *provided, however,* that, any such termination by Executive shall only be deemed for Good Reason pursuant to this definition if: (1) Executive gives the Company written notice of his intent to terminate for Good Reason within thirty (30) days following the first occurrence of the condition(s) that Executive believes constitute(s) Good Reason, which notice shall describe such condition(s); (2) the Company fails to remedy such condition(s) within thirty (30) days following receipt of the written notice (the "***Cure Period***"); and (3) Executive voluntarily terminates Executive's employment within thirty (30) days following the end of the Cure Period.

6.2 Termination without Cause or for Good Reason Coincident with a Change in Control.

(a) If Executive's employment by the Company is terminated by the Company or any successor entity without Cause (and not due to Disability or death) or by Executive for Good Reason within two (2) months prior to or within twelve (12) months following the effective date of a "***Change in Control***" (as defined in the Company's Amended and Restated 2015 Stock Plan, as such plan may be amended from time to time (the "***2015 Plan***")), provided that such termination constitutes a Separation from Service, without regard to any alternative definition thereunder, then in addition to paying or providing Executive with the Accrued Obligations and the Severance Benefits available under **Section 6.1**, the Company will provide the following "***Change in Control Severance Benefits***":

(i) Any equity awards held by Executive that were issued pursuant to the Company's 2015 Plan or any successor plan and that remain outstanding and are unvested as of the date of such termination will immediately vest in full. For the avoidance of doubt, if such termination occurs prior to the effective date of a Change in Control, any such equity awards will remain outstanding following the date of such termination as necessary to give effect to the potential vesting acceleration set forth in this **Section 6.2(a)(iv)**, which would occur contingent upon the consummation of a Change in Control.

6.3 Termination by the Company for Cause.

(a) The Company shall have the right to terminate Executive's employment with the Company at any time, in accordance with **Section 6.6**, for Cause by giving notice as described in **Section 7.1** of this Agreement. In the event Executive's employment is terminated at any time for Cause, Executive will not receive Severance Benefits, Change in Control Severance Benefits, or any other severance compensation or benefits, except that, pursuant to the Company's standard payroll policies, the Company shall pay to Executive the Accrued Obligations.

(b) ***"Cause"*** for termination shall mean that the Company has determined in its sole discretion that Executive has engaged in any of the following: (i) a material breach of any covenant or condition under this Agreement or any other agreement between the parties; (ii) any act constituting dishonesty, fraud, falsification of any documents or records, or immoral or disreputable conduct; (iii) any conduct which constitutes a felony or other criminal act involving corruption, misappropriation, or moral turpitude, or otherwise impairs your ability to perform your duties with the Company, under applicable law; (iv) material violation of any Company policy or any act of misconduct (including if Executive acts in a manner expected to have a material detrimental effect on the Company's reputation or business); (v) refusal to follow or implement a clear and reasonable directive of Company; (vi) negligence or incompetence in the performance of Executive's duties or failure to perform such duties in a manner satisfactory to the Company after the expiration of ten (10) days without cure after written notice of such failure; (vii) breach of fiduciary duty; or (viii) unauthorized use, misappropriation, destruction, or diversion of any tangible or intangible asset or corporate opportunity of the Company.

6.4 Resignation by Executive.

(a) Executive may resign from Executive's employment with the Company at any time, in accordance with **Section 6.6**, by giving notice as described in **Section 7.1**.

(b) In the event Executive resigns from Executive's employment with the Company for any reason other than Good Reason in accordance with **Sections 6.1 or 6.2**, Executive will not receive Severance Benefits, Change in Control Severance Benefits, or any other severance compensation or benefits, except that, pursuant to the Company's standard payroll policies, the Company shall pay to Executive the Accrued Obligations.

6.5 Termination by Virtue of Death or Disability of Executive.

(a) In the event of Executive's death while employed pursuant to this Agreement, all obligations of the parties hereunder shall terminate immediately, in accordance with **Section 6.6**, and the Company shall, pursuant to the Company's standard payroll policies, pay to Executive's legal representatives all Accrued Obligations.

(b) Subject to applicable state and federal law, the Company shall at all times have the right, upon written notice to Executive, and in accordance with **Section 6.6**, to terminate this Agreement based on Executive's Disability. Termination by the Company of Executive's employment based on "***Disability***" shall mean termination because Executive is unable due to a physical or mental condition to perform the essential functions of his position with

or without reasonable accommodation for 180 days in the aggregate during any twelve (12) month period or based on the written certification by two licensed physicians of the likely continuation of such condition for such period. This definition shall be interpreted and applied consistent with the Americans with Disabilities Act, the Family and Medical Leave Act, and other applicable law. In the event Executive's employment is terminated based on Executive's Disability, Executive will not receive Severance Benefits, Change in Control Severance Benefits, or any other severance compensation or benefit, except that, pursuant to the Company's standard payroll policies, the Company shall pay to Executive the Accrued Obligations.

6.6 Notice; Effective Date of Termination.

(a) Termination of Executive's employment pursuant to this Agreement shall be effective on the earliest of:

(i) immediately after the Company gives notice to Executive of Executive's termination, with or without Cause, unless pursuant to Section 6.3(b)(vi) in which case ten (10) days after notice if not cured or unless the Company specifies a later date, in which case, termination shall be effective as of such later date;

(ii) immediately upon the Executive's death;

(iii) ten (10) days after the Company gives notice to Executive of Executive's termination on account of Executive's Disability, unless the Company specifies a later date, in which case, termination shall be effective as of such later date, *provided* that Executive has not returned to the full-time performance of Executive's duties prior to such date;

(iv) ten (10) days after the Executive gives written notice to the Company of Executive's resignation, *provided* that the Company may set a termination date at any time between the date of notice and the date of resignation, in which case the Executive's resignation shall be effective as of such other date. Executive will receive compensation through any required notice period; or

(v) for a termination for Good Reason, immediately upon Executive's full satisfaction of the requirements of **Section 6.1(g)**.

(b) In the event notice of a termination under subsections (a)(i) or (iii) is given orally, at the other party's request, the party giving notice must provide written confirmation of such notice within five (5) business days of the request in compliance with the requirement of **Section 7.1** below. In the event of a termination for Cause, written confirmation shall specify the subsection(s) of the definition of Cause relied on to support the decision to terminate.

6.7 Cooperation with Company after Termination of Employment. Following termination of Executive's employment for any reason, Executive agrees to cooperate fully with the Company in connection with its actual or contemplated defense, prosecution, or investigation of any claims or demands by or against third parties, or other matters arising from events, acts, or failures to act that occurred during the period of Executive's employment by the Company. Such cooperation includes, without limitation, making Executive available to the

Company upon reasonable notice, without subpoena, to provide complete, truthful and accurate information in witness interviews, depositions and trial testimony, and the failure to provide complete, truthful, and accurate information shall be a material breach of this Agreement and a basis for rescinding or forfeiting the benefits described herein. In addition, for twelve (12) months after Executive's employment with the Company ends for any reason, Executive agrees to cooperate fully with the Company in all matters relating to the transition of Executive's work and responsibilities on behalf of the Company, including, but not limited to, any present, prior or subsequent relationships and the orderly transfer of any such work and institutional knowledge to such other persons as may be designated by the Company. The Company will reimburse Executive for reasonable out-of-pocket expenses Executive incurs in connection with any such cooperation (excluding forgone wages, salary, or other compensation) and will make reasonable efforts to accommodate Executive's scheduling needs.

6.8 Application of Section 409A. It is intended that all of the severance payments payable under this Agreement satisfy, to the greatest extent possible, the exemptions from the application of Section 409A of the Code and the regulations and other guidance thereunder and any state law of similar effect (collectively, "***Section 409A***") provided under Treasury Regulations Sections 1.409A-1(b)(4) and 1.409A-1(b)(9), and this Agreement will be construed in a manner that complies with Section 409A. If not so exempt, this Agreement (and any definitions hereunder) will be construed in a manner that complies with Section 409A and incorporates by reference all required definitions and payment terms. No severance payments will be made under this Agreement unless Executive's termination of employment constitutes a "separation from service" (as defined under Treasury Regulation Section 1.409A-1(h)). For purposes of Section 409A (including, without limitation, for purposes of Treasury Regulations Section 1.409A-2(b)(2)(iii)), Executive's right to receive any installment payments under this Agreement (whether severance payments or otherwise) shall be treated as a right to receive a series of separate payments and, accordingly, each installment payment hereunder shall at all times be considered a separate and distinct payment. If the Company determines that the severance benefits provided under this Agreement constitutes "deferred compensation" under Section 409A and if Executive is a "specified employee" of the Company, as such term is defined in Section 409A(a)(2)(B)(i) of the Code at the time of Executive's Separation from Service, then, solely to the extent necessary to avoid the incurrence of the adverse personal tax consequences under Section 409A, the timing of the Severance will be delayed as follows: on the earlier to occur of (a) the date that is six months and one day after Executive's Separation from Service, and (b) the date of Executive's death (such earlier date, the "***Delayed Initial Payment Date***"), the Company will (i) pay to Executive a lump sum amount equal to the sum of the severance benefits that Executive would otherwise have received through the Delayed Initial Payment Date if the commencement of the payment of the severance benefits had not been delayed pursuant to this Section 6.8 and (ii) commence paying the balance of the severance benefits in accordance with the applicable payment schedule set forth in Section 6. No interest shall be due on any amounts deferred pursuant to this Section 6.8. To the extent that any Severance Benefits are deferred compensation under Section 409A of the Code and are not otherwise exempt from the application of Section 409A, then, if the period during which Executive may consider and sign the Release spans two calendar years, the payment of any such Severance Benefit will not be made or begin until the later calendar year.

6.9 Section 280G. Notwithstanding any other provision of this Agreement to the contrary, if payments made or benefits provided pursuant to this Agreement or otherwise from the Company or any person or entity are considered "parachute payments" under Section 280G of the Code, then such parachute payments will be limited to the greatest amount that may be paid to Executive under Section 280G of the Code without causing any loss of deduction to the Company Group under such section, but only if, by reason of such reduction, the net after tax benefit to Executive will exceed the net after tax benefit if such reduction were not made. "***Net after tax benefit***" for purposes of this Agreement will mean the sum of (i) the total amounts payable to the Executive under this Agreement, plus (ii) all other payments and benefits which the Executive receives or then is entitled to receive from the Company or otherwise that would constitute a "parachute payment" within the meaning of Section 280G of the Code, less (iii) the amount of federal and state income taxes payable with respect to the foregoing calculated at the maximum marginal income tax rate for each year in which the foregoing will be paid to Executive (based upon the rate in effect for such year as set forth in the Code at the time of termination of Executive's employment), less (iv) the amount of excise taxes imposed with respect to the payments and benefits described in (i) and (ii) above by Section 4999 of the Code. The determination as to whether and to what extent payments are required to be reduced in accordance with this Section 6.9 will be made at the Company's expense by a nationally recognized certified public accounting firm as may be designated by the Company prior to a change in control (the "***Accounting Firm***"). In the event of any mistaken underpayment or overpayment under this Agreement, as determined by the Accounting Firm, the amount of such underpayment or overpayment will forthwith be paid to Executive or refunded to the Company, as the case may be, with interest at one hundred twenty (120%) of the applicable Federal rate provided for in Section 7872(f)(2) of the Code. Any reduction in payments required by this Section 6.9 will occur in the following order: (1) any cash severance, (2) any other cash amount payable to Executive, (3) any benefit valued as a "parachute payment," (4) the acceleration of vesting of any equity awards that are options, and (5) the acceleration of vesting of any other equity awards. Within any such category of payments and benefits, a reduction will occur first with respect to amounts that are not "deferred compensation" within the meaning of Section 409A and then with respect to amounts that are. In the event that acceleration of compensation from equity awards is to be reduced, such acceleration of vesting will be canceled, subject to the immediately preceding sentence, in the reverse order of the date of grant.

7. General Provisions.

7.1 Notices. Any notices required hereunder to be in writing shall be deemed effectively given: (a) upon personal delivery to the party to be notified, (b) when sent by electronic mail or confirmed facsimile if sent during normal business hours of the recipient, and if not, then on the next business day, (c) five (5) days after having been sent by registered or certified mail, return receipt requested, postage prepaid, or (d) one (1) day after deposit with a nationally recognized overnight courier, specifying next day delivery, with written verification of receipt. All communications shall be sent to the Company at its primary office location and to Executive at either Executive's address as listed on the Company payroll, or Executive's Company-issued email address, or at such other address as the Company or Executive may designate by ten (10) days advance written notice to the other.

7.2 Severability. Whenever possible, each provision of this Agreement will be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Agreement is held to be invalid, illegal or unenforceable in any respect under any applicable law or rule in any jurisdiction, such invalidity, illegality or unenforceability will not affect any other provision or any other jurisdiction, but this Agreement will be reformed, construed and enforced in such jurisdiction as if such invalid, illegal or unenforceable provisions had never been contained herein.

7.3 Survival. Provisions of this Agreement which by their terms must survive the termination of this Agreement in order to effectuate the intent of the parties will survive any such termination for such period as may be appropriate under the circumstances.

7.4 Waiver. If either party should waive any breach of any provisions of this Agreement, it shall not thereby be deemed to have waived any preceding or succeeding breach of the same or any other provision of this Agreement.

7.5 Complete Agreement. This Agreement constitutes the entire agreement between Executive and the Company with regard to the subject matter hereof. This Agreement is the complete, final, and exclusive embodiment of their agreement with regard to this subject matter and supersedes any prior oral discussions or written communications and agreements, including the Prior Agreement. This Agreement is entered into without reliance on any promise or representation other than those expressly contained herein, and it cannot be modified or amended except in writing signed by Executive and an authorized officer of the Company. The parties have entered into a separate Proprietary Information Agreement and have or may enter into separate agreements related to equity. These separate agreements govern other aspects of the relationship between the parties, have or may have provisions that survive termination of Executive's employment under this Agreement, may be amended or superseded by the parties without regard to this Agreement and are enforceable according to their terms without regard to the enforcement provision of this Agreement.

7.6 Counterparts. This Agreement may be executed in separate counterparts, any one of which need not contain signatures of more than one party, but all of which taken together will constitute one and the same Agreement. The parties agree that facsimile and scanned image copies of signatures will suffice as original signatures.

7.7 Withholding Taxes. The Company will be entitled to withhold from any payment due to Executive hereunder any amounts required to be withheld by applicable tax laws or regulations.

7.8 Headings. The headings of the sections hereof are inserted for convenience only and shall not be deemed to constitute a part hereof nor to affect the meaning thereof.

7.9 Successors and Assigns. The Company shall assign this Agreement and its rights and obligations hereunder in whole, but not in part, to any Company or other entity with or into which the Company may hereafter merge or consolidate or to which the Company may transfer all or substantially all of its assets, if in any such case said Company or other entity shall by operation of law or expressly in writing assume all obligations of the Company hereunder as fully as if it had been originally made a party hereto, but may not otherwise assign this Agreement or its rights and obligations hereunder. Executive may not assign or transfer this Agreement or any rights or obligations hereunder, other than to his estate upon his death.

7.10 Choice of Law. All questions concerning the construction, validity and interpretation of this Agreement will be governed by the laws of the State of Delaware.

7.11 Dispute Resolution. The parties recognize that litigation in federal or state courts or before federal or state administrative agencies of disputes arising out of the Executive's employment with the Company or out of this Agreement, or the Executive's termination of employment or termination of this Agreement, may not be in the best interests of either the Executive or the Company, and may result in unnecessary costs, delays, complexities, and uncertainty. The parties agree that any dispute between the parties arising out of or relating to the negotiation, execution, performance or termination of this Agreement or the Executive's employment, including, but not limited to, any claim arising out of this Agreement, claims under Title VII of the Civil Rights Act of 1964, as amended, the Civil Rights Act of 1991, the Age Discrimination in Employment Act of 1967, the Americans with Disabilities Act of 1990, Section 1981 of the Civil Rights Act of 1966, as amended, the Family Medical Leave Act, the Executive Retirement Income Security Act, and any similar federal, state or local law, statute, regulation, or any common law doctrine, whether that dispute arises during or after employment, shall be settled by binding arbitration in accordance with the National Rules for the Resolution of Employment Disputes of the American Arbitration Association; *provided however,* that this dispute resolution provision shall not apply to any separate agreements between the parties that do not themselves specify arbitration as an exclusive remedy. The location for the arbitration shall be the Chicago, Illinois area. Any award made by such panel shall be final, binding and conclusive on the parties for all purposes, and judgment upon the award rendered by the arbitrators may be entered in any court having jurisdiction thereof. The arbitrators' fees and expenses and all administrative fees and expenses associated with the filing of the arbitration shall be borne by the Company; *provided however*, that at the Executive's option, Executive may voluntarily pay up to one-half the costs and fees. The parties acknowledge and agree that their obligations to arbitrate under this Section survive the termination of this Agreement and continue after the termination of the employment relationship between Executive and the Company. The parties each further agree that the arbitration provisions of this Agreement shall provide each party with its **exclusive remedy**, and each party expressly waives any right it might have to seek redress in any other forum, except as otherwise expressly provided in this Agreement. By electing arbitration as the means for final settlement of all claims, **the parties hereby waive their respective rights to, and agree not to, sue each other in any action in a Federal, State or local court with respect to such claims, but may seek to enforce in court an arbitration award rendered pursuant to this Agreement. The parties specifically agree to waive their respective rights to a trial by jury, and further agree that no demand, request or motion will be made for trial by jury.**

EXECUTIVE EMPLOYMENT AGREEMENT

This **EXECUTIVE EMPLOYMENT AGREEMENT** dated as of January 1, 2023 ("***Agreement***") is by and between **JIM ROGERS** ("***Executive***") and **TEMPUS LABS, INC.** ("***Company***").

WHEREAS, the Company desires to employ Executive as Chief Financial Officer and provide Executive with certain compensation and benefits in return for Executive's services, and Executive agrees to be employed by the Company in such capacity and to receive the compensation and benefits on the terms and conditions set forth herein; and

WHEREAS, the Company and Executive desire to enter into this Employment Agreement (the "***Agreement***") to become effective immediately, subject to Executive's signature below (the "***Effective Date***") in order to memorialize the terms and conditions of Executive's employment by the Company upon and following the Effective Date.

NOW, THEREFORE, in consideration of the mutual promises and covenants contained herein, the parties agree to the following:

1. Employment by the Company.

1.1 Position. Subject to the terms set forth herein, the Company agrees to employ Executive in the position of Chief Financial Officer, and Executive hereby accepts such continued employment on the terms and conditions set forth in this Agreement.

1.2 Duties. As Chief Financial Officer, Executive will report to the Chief Executive Officer (the "***CEO***"), performing such duties as are normally associated with Executive's position and such duties as are assigned to Executive from time to time, subject to the oversight and direction of the CEO. During the term of Executive's employment with the Company, Executive will work on a full-time basis for the Company and will devote Executive's best efforts and substantially all of Executive's business time and attention to the business of the Company. Executive shall perform Executive's duties under this Agreement principally out of the Company's facility in Chicago. In addition, Executive shall make such business trips to such places as may be necessary or advisable for the efficient operations of the Company.

1.3 Company Policies and Benefits. The employment relationship between the parties shall also be subject to the Company's personnel policies and procedures as they may be interpreted, adopted, revised or deleted from time to time in the Company's sole discretion. Executive will be eligible to participate on the same basis as similarly situated employees in the Company's benefit plans in effect from time to time during Executive's employment. All matters of eligibility for coverage or benefits under any benefit plan shall be determined in accordance with the provisions of such plan. The Company reserves the right to change, alter, or terminate any benefit plan in its sole discretion. Notwithstanding the foregoing, in the event that the terms of this Agreement differ from or are in conflict with the Company's general employment policies or practices, this Agreement shall control.

2. Compensation.

2.1 Salary. Executive shall receive for Executive's services to be rendered under this Agreement an initial base salary of **$500,000** on an annualized basis, subject to review and adjustment by the Company in its sole discretion, payable subject to standard federal and state payroll withholding requirements in accordance with the Company's standard payroll practices ("***Base Salary***").

2.2 Equity Incentive Plan. During the term of Executive's employment with the Company, Executive will be eligible to participate in any then-current equity incentive plan as may be in effect from time to time and made available to similarly situated executive employees, subject to the terms of the associated plan documents and as determined by the Board of Directors of the Company (the "***Board***") in its sole discretion from time to time. The Company reserves the right to modify or terminate its incentive programs at any time in its sole discretion.

2.3 Expense Reimbursement. The Company will reimburse Executive for reasonable business expenses in accordance with the Company's standard expense reimbursement policy, as the same may be modified by the Company from time to time. The Company shall reimburse Executive for all customary and appropriate business-related expenses actually incurred and documented in accordance with Company policy, as in effect from time to time. For the avoidance of doubt, to the extent that any reimbursements payable to Executive are subject to the provisions of Section 409A of the Code: (a) any such reimbursements will be paid no later than December 31 of the year following the year in which the expense was incurred, (b) the amount of expenses reimbursed in one year will not affect the amount eligible for reimbursement in any subsequent year, and (c) the right to reimbursement under this Agreement will not be subject to liquidation or exchange for another benefit.

3. Confidentiality, Intellectual Property, and Protective Covenants Agreement. As a condition of continued employment, Executive agreed to execute and abide by a Confidentiality, Intellectual Property, and Protective Covenants Agreement ("***Proprietary Information Agreement***"), which may be amended by the parties from time to time without regard to this Agreement. The Proprietary Information Agreement contains provisions that are intended by the parties to survive and do survive termination of this Agreement, and such terms are hereby incorporated by reference.

4. Outside Activities during Employment. Except with the prior written consent of the Board, including consent given to Executive prior to the signing of this Agreement, Executive will not, while employed by the Company, undertake or engage in any other employment, occupation or business enterprise that would interfere with Executive's responsibilities and the performance of Executive's duties hereunder except for (i) reasonable time devoted to volunteer services for or on behalf of such religious, educational, non-profit and/or other charitable organization as Executive may wish to serve, (ii) reasonable time devoted to activities in the non-profit and business communities consistent with Executive's duties; and (iii) such other activities as may be specifically approved by the Board. This restriction shall not, however, preclude Executive (x) from owning less than one percent (1%) of the total outstanding shares of a publicly traded company, or (y) from employment or service in any capacity with Affiliates of the Company. As used in this Agreement, "***Affiliates***" means an entity under common management or control with the Company.

5. No Conflict with Existing Obligations. Executive represents that Executive's performance of all the terms of this Agreement does not and will not breach any agreement or obligation of any kind made prior to Executive's employment by the Company, including agreements or obligations Executive may have with prior employers or entities for which Executive has provided services. Executive has not entered into, and Executive agrees that Executive will not enter into, any agreement or obligation, either written or oral, in conflict herewith.

6. Termination of Employment. The parties acknowledge that Executive's employment relationship with the Company is at-will, meaning either the Company or Executive may terminate Executive's employment at any time, with or without cause or advance notice. The provisions in this Section govern the amount of compensation, if any, to be provided to Executive upon termination of employment and do not alter this at-will status.

6.1 Termination without Cause or for Good Reason.

(a) The Company shall have the right to terminate Executive's employment with the Company pursuant to this **Section 6.1** at any time, in accordance with **Section 6.6**, without "Cause" (as defined in **Section 6.3(b)** below) by giving notice as described in **Section 7.1** of this Agreement. A termination pursuant to **Section 6.5** below is not a termination without "Cause" for purposes of receiving the benefits described in **Sections 6.1** or **Section 6.2**.

(b) If the Company terminates Executive's employment at any time without Cause or Executive terminates Executive's employment with the Company for Good Reason and provided that such termination constitutes a "separation from service" (as defined under Treasury Regulation Section 1.409A-1(h), without regard to any alternative definition thereunder, a "***Separation from Service***"), then Executive shall be entitled to receive the Accrued Obligations (defined below). If Executive complies with the obligations in **Section 6.1(c)** below, Executive shall also be eligible to receive the following "***Severance Benefits***":

(i) The Company will pay Executive an amount equal to Executive's then current Base Salary for twelve (12) months, less all applicable withholdings and deductions, paid in equal installments on the Company's normal payroll schedule following the termination date, with the first payment beginning on the Severance Pay Commencement Date (as defined in **Section 6.1(c)** below), and the remaining installments occurring on the Company's regularly scheduled payroll dates thereafter; provided that on the Severance Pay Commencement Date, the Company will pay in a lump sum the aggregate amount of the cash severance payments that the Company would have paid Executive through such date had the payments commenced on the effective date of termination through the Severance Pay Commencement Date. In addition, during the six (6) month period following Executive's Separation from Service, Executive's equity will continue to satisfy any applicable time-based vesting condition, as though Executive remained employed by Company.

(c) If Executive timely elects continued coverage under COBRA for Executive and Executive's covered dependents under the Company's group health plans following such termination, then the Company shall pay the COBRA premiums necessary to continue Executive's and Executive's covered dependents' health insurance coverage in effect for Executive (and Executive's covered dependents) on the termination date until the earliest of: (i) twelve (12) months following the termination date (the "***COBRA Severance Period***"); (ii) the date when Executive becomes eligible for substantially equivalent health insurance coverage in connection with new employment or self-employment; or (iii) the date Executive ceases to be eligible for COBRA continuation coverage for any reason, including plan termination (such period from the termination date through the earlier of (i)-(iii), (the "***COBRA Payment Period***"). Notwithstanding the foregoing, if at any time the Company determines that its payment of COBRA premiums on Executive's behalf would result in a violation of applicable law (including, but not limited to, the 2010 Patient Protection and Affordable Care Act, as amended by the 2010 Health Care and Education Reconciliation Act), then in lieu of paying COBRA premiums pursuant to this Section, the Company shall pay Executive on the last day of each remaining month of the COBRA Payment Period, a fully taxable cash payment equal to the COBRA premium for such month, subject to applicable tax withholding (such amount, the "***Special Severance Payment***"), for the remainder of the COBRA Payment Period. Nothing in this Agreement shall deprive Executive of Executive's rights under COBRA or ERISA for benefits under plans and policies arising under Executive's employment by the Company. Executive will be paid all of the Accrued Obligations on the Company's first payroll date after Executive's date of termination from employment or earlier if required by law. Executive shall receive the Severance Benefits pursuant to **Section 6.1(b)** or the Change in Control Severance Benefits (defined below) pursuant to **6.2(a)** of this Agreement, as applicable, if: (i) Executive executes and does not revoke a separation agreement containing an effective, general release of claims in favor of the Company and its affiliates and representatives, in a form acceptable to the Company (the "***Release***") and the Release is enforceable and effective as provided in the Release on or before the date that is the sixtieth (60^{th}) day following the effective date of termination (such 60^{th} day, the "***Severance Pay Commencement Date***"); (ii) if Executive holds any other positions with the Company, Executive resigns such position(s) to be effective no later than the date of Executive's termination date (or such other date as requested by the Board); (iii) Executive returns all Company property; (iv) Executive complies with Executive's post-termination obligations under this Agreement and the Proprietary Information Agreement; and (v) Executive complies with the terms of the Release, including without limitation any non-disparagement and confidentiality provisions contained in Release.

(d) For purposes of this Agreement, "***Accrued Obligations***" are (i) Executive's accrued but unpaid salary through the date of termination, (ii) any unreimbursed business expenses incurred by Executive payable in accordance with the Company's standard expense reimbursement policies, and (iii) benefits owed to Executive under any qualified retirement plan or health and welfare benefit plan in which Executive was a participant in accordance with applicable law and the provisions of such plan.

(e) The Severance Benefits provided to Executive pursuant to this **Section 6.1** are in lieu of, and not in addition to, any benefits to which Executive may otherwise be entitled under any Company severance plan, policy or program.

(f) Any damages caused by the termination of Executive's employment without Cause would be difficult to ascertain; therefore, the Severance Benefits for which Executive is eligible pursuant to **Section 6.1(b)** above in exchange for the Release is agreed to by the parties as liquidated damages, to serve as full compensation, and not a penalty.

(g) For purposes of this Agreement, "***Good Reason***" shall mean the occurrence of any of the following events without Executive's consent: (i) a material reduction in Executive's Base Salary of at least 25%; (ii) a material breach of this Agreement by the Company; (iii) a material reduction in the Executive's duties, authority and responsibilities relative to the Executive's duties, authority, and responsibilities in effect immediately prior to such reduction (provided that a material reduction of duties, authority and responsibilities will not be deemed to have occurred if, in connection with a Change in Control, Executive is not reporting to the individual in the same role as Executive's prior manager at the acquirer or any other top-tier holding company above the acquirer); or (iv) the relocation of Executive's principal place of employment, without Executive's consent, in a manner that lengthens Executive's one-way commute distance by fifty (50) or more miles from his then-current principal place of employment immediately prior to such relocation; *provided, however,* that, any such termination by Executive shall only be deemed for Good Reason pursuant to this definition if: (1) Executive gives the Company written notice of his intent to terminate for Good Reason within thirty (30) days following the first occurrence of the condition(s) that Executive believes constitute(s) Good Reason, which notice shall describe such condition(s); (2) the Company fails to remedy such condition(s) within thirty (30) days following receipt of the written notice (the "***Cure Period***"); and (3) Executive voluntarily terminates Executive's employment within thirty (30) days following the end of the Cure Period.

6.2 Termination without Cause or for Good Reason Coincident with a Change in Control.

(a) If Executive's employment by the Company is terminated by the Company or any successor entity without Cause (and not due to Disability or death) or by Executive for Good Reason within two (2) months prior to or within twelve (12) months following the effective date of a "***Change in Control***" (as defined in the Company's Amended and Restated 2015 Stock Plan, as such plan may be amended from time to time (the "***2015 Plan***")), provided that such termination constitutes a Separation from Service, without regard to any alternative definition thereunder, then in addition to paying or providing Executive with the Accrued Obligations and the Severance Benefits available under **Section 6.1**, the Company will provide the following "***Change in Control Severance Benefits***":

(i) Any equity awards held by Executive that were issued pursuant to the Company's 2015 Plan or any successor plan and that remain outstanding and are unvested as of the date of such termination will immediately vest in full. For the avoidance of doubt, if such termination occurs prior to the effective date of a Change in Control, any such equity awards will remain outstanding following the date of such termination as necessary to give effect to the potential vesting acceleration set forth in this **Section 6.2(a)(iv)**, which would occur contingent upon the consummation of a Change in Control.

6.3 Termination by the Company for Cause.

(a) The Company shall have the right to terminate Executive's employment with the Company at any time, in accordance with **Section 6.6**, for Cause by giving notice as described in **Section 7.1** of this Agreement. In the event Executive's employment is terminated at any time for Cause, Executive will not receive Severance Benefits, Change in Control Severance Benefits, or any other severance compensation or benefits, except that, pursuant to the Company's standard payroll policies, the Company shall pay to Executive the Accrued Obligations.

(b) ***"Cause"*** for termination shall mean that the Company has determined in its sole discretion that Executive has engaged in any of the following: (i) a material breach of any covenant or condition under this Agreement or any other agreement between the parties; (ii) any act constituting dishonesty, fraud, falsification of any documents or records, or immoral or disreputable conduct; (iii) any conduct which constitutes a felony or other criminal act involving corruption, misappropriation, or moral turpitude, or otherwise impairs your ability to perform your duties with the Company, under applicable law; (iv) material violation of any Company policy or any act of misconduct (including if Executive acts in a manner expected to have a material detrimental effect on the Company's reputation or business); (v) refusal to follow or implement a clear and reasonable directive of Company; (vi) negligence or incompetence in the performance of Executive's duties or failure to perform such duties in a manner satisfactory to the Company after the expiration of ten (10) days without cure after written notice of such failure; (vii) breach of fiduciary duty; or (viii) unauthorized use, misappropriation, destruction, or diversion of any tangible or intangible asset or corporate opportunity of the Company.

6.4 Resignation by Executive.

(a) Executive may resign from Executive's employment with the Company at any time, in accordance with **Section 6.6**, by giving notice as described in **Section 7.1**.

(b) In the event Executive resigns from Executive's employment with the Company for any reason other than Good Reason in accordance with **Sections 6.1 or 6.2**, Executive will not receive Severance Benefits, Change in Control Severance Benefits, or any other severance compensation or benefits, except that, pursuant to the Company's standard payroll policies, the Company shall pay to Executive the Accrued Obligations.

6.5 Termination by Virtue of Death or Disability of Executive.

(a) In the event of Executive's death while employed pursuant to this Agreement, all obligations of the parties hereunder shall terminate immediately, in accordance with **Section 6.6**, and the Company shall, pursuant to the Company's standard payroll policies, pay to Executive's legal representatives all Accrued Obligations.

(b) Subject to applicable state and federal law, the Company shall at all times have the right, upon written notice to Executive, and in accordance with **Section 6.6**, to terminate this Agreement based on Executive's Disability. Termination by the Company of Executive's employment based on "***Disability***" shall mean termination because Executive is

unable due to a physical or mental condition to perform the essential functions of his position with or without reasonable accommodation for 180 days in the aggregate during any twelve (12) month period or based on the written certification by two licensed physicians of the likely continuation of such condition for such period. This definition shall be interpreted and applied consistent with the Americans with Disabilities Act, the Family and Medical Leave Act, and other applicable law. In the event Executive's employment is terminated based on Executive's Disability, Executive will not receive Severance Benefits, Change in Control Severance Benefits, or any other severance compensation or benefit, except that, pursuant to the Company's standard payroll policies, the Company shall pay to Executive the Accrued Obligations.

6.6 Notice; Effective Date of Termination.

(a) Termination of Executive's employment pursuant to this Agreement shall be effective on the earliest of:

(i) immediately after the Company gives notice to Executive of Executive's termination, with or without Cause, unless pursuant to Section 6.3(b)(vi) in which case ten (10) days after notice if not cured or unless the Company specifies a later date, in which case, termination shall be effective as of such later date;

(ii) immediately upon the Executive's death;

(iii) ten (10) days after the Company gives notice to Executive of Executive's termination on account of Executive's Disability, unless the Company specifies a later date, in which case, termination shall be effective as of such later date, *provided* that Executive has not returned to the full-time performance of Executive's duties prior to such date;

(iv) ten (10) days after the Executive gives written notice to the Company of Executive's resignation, *provided* that the Company may set a termination date at any time between the date of notice and the date of resignation, in which case the Executive's resignation shall be effective as of such other date. Executive will receive compensation through any required notice period; or

(v) for a termination for Good Reason, immediately upon Executive's full satisfaction of the requirements of **Section 6.1(g)**.

(b) In the event notice of a termination under subsections (a)(i) or (iii) is given orally, at the other party's request, the party giving notice must provide written confirmation of such notice within five (5) business days of the request in compliance with the requirement of **Section 7.1** below. In the event of a termination for Cause, written confirmation shall specify the subsection(s) of the definition of Cause relied on to support the decision to terminate.

6.7 Cooperation with Company after Termination of Employment. Following termination of Executive's employment for any reason, Executive agrees to cooperate fully with the Company in connection with its actual or contemplated defense, prosecution, or investigation of any claims or demands by or against third parties, or other matters arising from events, acts, or failures to act that occurred during the period of Executive's employment by the

Company. Such cooperation includes, without limitation, making Executive available to the Company upon reasonable notice, without subpoena, to provide complete, truthful and accurate information in witness interviews, depositions and trial testimony, and the failure to provide complete, truthful, and accurate information shall be a material breach of this Agreement and a basis for rescinding or forfeiting the benefits described herein. In addition, for twelve (12) months after Executive's employment with the Company ends for any reason, Executive agrees to cooperate fully with the Company in all matters relating to the transition of Executive's work and responsibilities on behalf of the Company, including, but not limited to, any present, prior or subsequent relationships and the orderly transfer of any such work and institutional knowledge to such other persons as may be designated by the Company. The Company will reimburse Executive for reasonable out-of-pocket expenses Executive incurs in connection with any such cooperation (excluding forgone wages, salary, or other compensation) and will make reasonable efforts to accommodate Executive's scheduling needs.

6.8 Application of Section 409A. It is intended that all of the severance payments payable under this Agreement satisfy, to the greatest extent possible, the exemptions from the application of Section 409A of the Code and the regulations and other guidance thereunder and any state law of similar effect (collectively, "***Section 409A***") provided under Treasury Regulations Sections 1.409A-1(b)(4) and 1.409A-1(b)(9), and this Agreement will be construed in a manner that complies with Section 409A. If not so exempt, this Agreement (and any definitions hereunder) will be construed in a manner that complies with Section 409A and incorporates by reference all required definitions and payment terms. No severance payments will be made under this Agreement unless Executive's termination of employment constitutes a "separation from service" (as defined under Treasury Regulation Section 1.409A-1(h)). For purposes of Section 409A (including, without limitation, for purposes of Treasury Regulations Section 1.409A-2(b)(2)(iii)), Executive's right to receive any installment payments under this Agreement (whether severance payments or otherwise) shall be treated as a right to receive a series of separate payments and, accordingly, each installment payment hereunder shall at all times be considered a separate and distinct payment. If the Company determines that the severance benefits provided under this Agreement constitutes "deferred compensation" under Section 409A and if Executive is a "specified employee" of the Company, as such term is defined in Section 409A(a)(2)(B)(i) of the Code at the time of Executive's Separation from Service, then, solely to the extent necessary to avoid the incurrence of the adverse personal tax consequences under Section 409A, the timing of the Severance will be delayed as follows: on the earlier to occur of (a) the date that is six months and one day after Executive's Separation from Service, and (b) the date of Executive's death (such earlier date, the "***Delayed Initial Payment Date***"), the Company will (i) pay to Executive a lump sum amount equal to the sum of the severance benefits that Executive would otherwise have received through the Delayed Initial Payment Date if the commencement of the payment of the severance benefits had not been delayed pursuant to this Section 6.8 and (ii) commence paying the balance of the severance benefits in accordance with the applicable payment schedule set forth in Section 6. No interest shall be due on any amounts deferred pursuant to this Section 6.8. To the extent that any Severance Benefits are deferred compensation under Section 409A of the Code and are not otherwise exempt from the application of Section 409A, then, if the period during which Executive may consider and sign the Release spans two calendar years, the payment of any such Severance Benefit will not be made or begin until the later calendar year.

6.9 Section 280G. Notwithstanding any other provision of this Agreement to the contrary, if payments made or benefits provided pursuant to this Agreement or otherwise from the Company or any person or entity are considered "parachute payments" under Section 280G of the Code, then such parachute payments will be limited to the greatest amount that may be paid to Executive under Section 280G of the Code without causing any loss of deduction to the Company Group under such section, but only if, by reason of such reduction, the net after tax benefit to Executive will exceed the net after tax benefit if such reduction were not made. "***Net after tax benefit***" for purposes of this Agreement will mean the sum of (i) the total amounts payable to the Executive under this Agreement, plus (ii) all other payments and benefits which the Executive receives or then is entitled to receive from the Company or otherwise that would constitute a "parachute payment" within the meaning of Section 280G of the Code, less (iii) the amount of federal and state income taxes payable with respect to the foregoing calculated at the maximum marginal income tax rate for each year in which the foregoing will be paid to Executive (based upon the rate in effect for such year as set forth in the Code at the time of termination of Executive's employment), less (iv) the amount of excise taxes imposed with respect to the payments and benefits described in (i) and (ii) above by Section 4999 of the Code. The determination as to whether and to what extent payments are required to be reduced in accordance with this Section 6.9 will be made at the Company's expense by a nationally recognized certified public accounting firm as may be designated by the Company prior to a change in control (the "***Accounting Firm***"). In the event of any mistaken underpayment or overpayment under this Agreement, as determined by the Accounting Firm, the amount of such underpayment or overpayment will forthwith be paid to Executive or refunded to the Company, as the case may be, with interest at one hundred twenty (120%) of the applicable Federal rate provided for in Section 7872(f)(2) of the Code. Any reduction in payments required by this Section 6.9 will occur in the following order: (1) any cash severance, (2) any other cash amount payable to Executive, (3) any benefit valued as a "parachute payment," (4) the acceleration of vesting of any equity awards that are options, and (5) the acceleration of vesting of any other equity awards. Within any such category of payments and benefits, a reduction will occur first with respect to amounts that are not "deferred compensation" within the meaning of Section 409A and then with respect to amounts that are. In the event that acceleration of compensation from equity awards is to be reduced, such acceleration of vesting will be canceled, subject to the immediately preceding sentence, in the reverse order of the date of grant.

7. General Provisions.

7.1 Notices. Any notices required hereunder to be in writing shall be deemed effectively given: (a) upon personal delivery to the party to be notified, (b) when sent by electronic mail or confirmed facsimile if sent during normal business hours of the recipient, and if not, then on the next business day, (c) five (5) days after having been sent by registered or certified mail, return receipt requested, postage prepaid, or (d) one (1) day after deposit with a nationally recognized overnight courier, specifying next day delivery, with written verification of receipt. All communications shall be sent to the Company at its primary office location and to Executive at either Executive's address as listed on the Company payroll, or Executive's Company-issued email address, or at such other address as the Company or Executive may designate by ten (10) days advance written notice to the other.

7.2 Severability. Whenever possible, each provision of this Agreement will be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Agreement is held to be invalid, illegal or unenforceable in any respect under any applicable law or rule in any jurisdiction, such invalidity, illegality or unenforceability will not affect any other provision or any other jurisdiction, but this Agreement will be reformed, construed and enforced in such jurisdiction as if such invalid, illegal or unenforceable provisions had never been contained herein.

7.3 Survival. Provisions of this Agreement which by their terms must survive the termination of this Agreement in order to effectuate the intent of the parties will survive any such termination for such period as may be appropriate under the circumstances.

7.4 Waiver. If either party should waive any breach of any provisions of this Agreement, it shall not thereby be deemed to have waived any preceding or succeeding breach of the same or any other provision of this Agreement.

7.5 Complete Agreement. This Agreement constitutes the entire agreement between Executive and the Company with regard to the subject matter hereof. This Agreement is the complete, final, and exclusive embodiment of their agreement with regard to this subject matter and supersedes any prior oral discussions or written communications and agreements, including the Prior Agreement. This Agreement is entered into without reliance on any promise or representation other than those expressly contained herein, and it cannot be modified or amended except in writing signed by Executive and an authorized officer of the Company. The parties have entered into a separate Proprietary Information Agreement and have or may enter into separate agreements related to equity. These separate agreements govern other aspects of the relationship between the parties, have or may have provisions that survive termination of Executive's employment under this Agreement, may be amended or superseded by the parties without regard to this Agreement and are enforceable according to their terms without regard to the enforcement provision of this Agreement.

7.6 Counterparts. This Agreement may be executed in separate counterparts, any one of which need not contain signatures of more than one party, but all of which taken together will constitute one and the same Agreement. The parties agree that facsimile and scanned image copies of signatures will suffice as original signatures.

7.7 Withholding Taxes. The Company will be entitled to withhold from any payment due to Executive hereunder any amounts required to be withheld by applicable tax laws or regulations.

7.8 Headings. The headings of the sections hereof are inserted for convenience only and shall not be deemed to constitute a part hereof nor to affect the meaning thereof.

7.9 Successors and Assigns. The Company shall assign this Agreement and its rights and obligations hereunder in whole, but not in part, to any Company or other entity with or into which the Company may hereafter merge or consolidate or to which the Company may transfer all or substantially all of its assets, if in any such case said Company or other entity shall by operation of law or expressly in writing assume all obligations of the Company hereunder as fully as if it had been originally made a party hereto, but may not otherwise assign this Agreement or its rights and obligations hereunder. Executive may not assign or transfer this Agreement or any rights or obligations hereunder, other than to his estate upon his death.

7.10 Choice of Law. All questions concerning the construction, validity and interpretation of this Agreement will be governed by the laws of the State of Delaware.

7.11 Dispute Resolution. The parties recognize that litigation in federal or state courts or before federal or state administrative agencies of disputes arising out of the Executive's employment with the Company or out of this Agreement, or the Executive's termination of employment or termination of this Agreement, may not be in the best interests of either the Executive or the Company, and may result in unnecessary costs, delays, complexities, and uncertainty. The parties agree that any dispute between the parties arising out of or relating to the negotiation, execution, performance or termination of this Agreement or the Executive's employment, including, but not limited to, any claim arising out of this Agreement, claims under Title VII of the Civil Rights Act of 1964, as amended, the Civil Rights Act of 1991, the Age Discrimination in Employment Act of 1967, the Americans with Disabilities Act of 1990, Section 1981 of the Civil Rights Act of 1966, as amended, the Family Medical Leave Act, the Executive Retirement Income Security Act, and any similar federal, state or local law, statute, regulation, or any common law doctrine, whether that dispute arises during or after employment, shall be settled by binding arbitration in accordance with the National Rules for the Resolution of Employment Disputes of the American Arbitration Association; *provided however,* that this dispute resolution provision shall not apply to any separate agreements between the parties that do not themselves specify arbitration as an exclusive remedy. The location for the arbitration shall be the Chicago, Illinois area. Any award made by such panel shall be final, binding and conclusive on the parties for all purposes, and judgment upon the award rendered by the arbitrators may be entered in any court having jurisdiction thereof. The arbitrators' fees and expenses and all administrative fees and expenses associated with the filing of the arbitration shall be borne by the Company; *provided however*, that at the Executive's option, Executive may voluntarily pay up to one-half the costs and fees. The parties acknowledge and agree that their obligations to arbitrate under this Section survive the termination of this Agreement and continue after the termination of the employment relationship between Executive and the Company. The parties each further agree that the arbitration provisions of this Agreement shall provide each party with its **exclusive remedy**, and each party expressly waives any right it might have to seek redress in any other forum, except as otherwise expressly provided in this Agreement. By electing arbitration as the means for final settlement of all claims, **the parties hereby waive their respective rights to, and agree not to, sue each other in any action in a Federal, State or local court with respect to such claims, but may seek to enforce in court an arbitration award rendered pursuant to this Agreement. The parties specifically agree to waive their respective rights to a trial by jury, and further agree that no demand, request or motion will be made for trial by jury.**

Subject to the remaining terms of this Section 2.5 and provided that, during the twelve (12) month period immediately preceding the effective date of any reduction of the Security Deposit, Tenant has timely paid all Rent and no Event of Default has occurred and is continuing under this Lease as of the date upon which Tenant is entitled to a reduction in the Security Deposit pursuant to this Section 2.5 (the "**Security Reduction Conditions**"), Tenant shall have the right to reduce the amount of the Security Deposit so that the new Security Deposit amounts will be as follows: (i) $250,000.00 effective as of the last day of the 48th full calendar month of the Term; and (ii) $0.00 effective as of last day of the 60th full calendar month of the Term. If Tenant is not entitled to reduce the Security Deposit as of a particular reduction effective date due to Tenants failure to satisfy the Security Reduction Conditions during the twelve (12) month period prior to that particular reduction effective date, then any subsequent reduction(s) Tenant is entitled to hereunder shall be reduced by the amount of the reduction Tenant would have been entitled to had Tenant satisfied the Security Reduction Conditions during such twelve (12) month period. Notwithstanding anything to the contrary contained herein, if an Event of Default has occurred under this Lease at any time prior to the effective date of any reduction of the Security Deposit and Tenant has failed to cure such Event of Default, then Tenant shall have no further right to reduce the amount of the Security Deposit as described herein.

If Tenant is entitled to a reduction in the Security Deposit, Tenant shall provide Landlord with written notice requesting that the Security Deposit be reduced as provided above (the "**Security Reduction Notice**"). If Tenant provides Landlord with a Security Reduction Notice, and Tenant is entitled to reduce the Security Deposit as provided herein, Landlord shall refund the applicable portion of the Security Deposit to Tenant within thirty (30) days after the later to occur of (a) Landlord's receipt of the Security Reduction Notice, or (b) the date upon which Tenant is entitled to a reduction in the Security Deposit as provided above.

If permitted by applicable Legal Requirements, the Letter of Credit shall be an "evergreen" letter of credit, which shall be for a term of not less than 1 year, and which provides that the same shall be automatically renewed for successive 1 year periods through a date which is not earlier than thirty (30) days after the Expiration Date of this Lease, as such date is renewed or extended (the "**LOC Expiration Date**"). In the event an "evergreen" letter of credit is not permitted by applicable Legal Requirements or a letter of credit cannot be obtained through the LOC Expiration Date, the Letter of Credit (and any renewals or replacements thereof) shall be for a term of not less than 1 year, and Tenant agrees that it shall from time to time, as necessary, as a result of the expiration of the Letter of Credit then in effect, renew or replace the original and any subsequent Letter of Credit so that a Letter of Credit, in the amount required hereunder and meeting the requirements set forth herein, is in effect until a date which is at least thirty (30) days after the LOC Expiration Date. If the LOC Expiration Date is after the stated expiration date of the Letter of Credit then held by Landlord and either the issuing Bank does not renew the Letter of Credit at least sixty (60) days prior to the stated expiration date of such Letter of Credit or Tenant fails to furnish to Landlord such renewal or replacement at least sixty (60) days prior to the stated expiration date of such Letter of Credit, then Landlord, or its managing agent, may draw upon such Letter of Credit and hold the proceeds thereof (and such proceeds need not be segregated) as a Security Deposit pursuant to the terms of Section 2.5 above. In addition, Landlord, or its then managing agent, shall have the right to draw down an amount up to the face amount of the Letter of Credit if any of the following shall have occurred or are applicable: (1) such amount is due to Landlord under the terms and conditions of this Lease and remains unpaid after the expiration of any applicable notice and cure period, or (2) Tenant has filed a voluntary petition under the U. S. Bankruptcy Code or any state bankruptcy code (collectively, "**Bankruptcy Code**"), or (3) an involuntary petition has been filed against Tenant under the Bankruptcy Code, or (4) the long term rating of the issuing Bank has been downgraded to BBB or lower (by Standard & Poor's) or Baa2 or lower (by Moody's) and Tenant has failed to deliver a new Letter of Credit from a bank with a long term rating of A or higher (by Standard & Poor's) or A2 or higher (by Moody's) and otherwise meeting the requirements set forth in this Section within ten (10) Business Days following notice from Landlord. The Letter of Credit will be honored by the issuing Bank regardless of whether Tenant disputes Landlord's right to draw upon the Letter of Credit. Any renewal or replacement of the original or any subsequent Letter of Credit shall meet the requirements for the original Letter of Credit as set forth above, except that such replacement or renewal shall be issued by an FDIC insured financial institution satisfactory to the Landlord at the time of the issuance thereof.

If Landlord draws on the Letter of Credit as permitted in this Lease or by the Letter of Credit, then, within ten (10) Business Days after receipt of Landlord's written demand, Tenant shall restore the amount available under the Letter of Credit to its original amount by providing Landlord with an amendment to the Letter of Credit evidencing that the amount available under the Letter of Credit has been restored to its original amount and Tenant's failure to do so shall constitute an incurable Default. In the alternative, Tenant may provide Landlord with cash, to be held by Landlord in accordance with Section 2.5 above, equal to the restoration amount required under the Letter of Credit. If Landlord desires to assign the Letter of Credit, Tenant shall execute and deliver to the issuing Bank and documents required to effectuate such transfer and pay any transfer and processing fees.

The use, application or retention of the Letter of Credit, or any portion thereof, by Landlord shall not prevent Landlord from exercising any other right or remedy provided by this Lease or by any applicable Legal Requirements, it being intended that Landlord shall not first be required to proceed against the Letter of Credit, and it shall not operate as a limitation on any recovery to which Landlord may otherwise be entitled. Tenant agrees not to interfere in any way with payment to Landlord of the proceeds of the Letter of Credit. No condition or term of this Lease shall be deemed to render the Letter of Credit conditional to justify the issuing Bank in failing to honor a drawing upon such Letter of Credit in a timely manner. Tenant agrees and acknowledges that (a) the Letter of Credit constitutes a separate and independent contract between Landlord and the issuing Bank, (b) Tenant is not a third party beneficiary of such contract, (c)

Tenant has no property interest whatsoever in the Letter of Credit or the proceeds thereof, and (d) in the event Tenant becomes a debtor under any chapter of the Bankruptcy Code, neither Tenant, any trustee, nor Tenants bankruptcy estate shall have any right to restrict or limit Landlord's claim and/or rights to the Letter of Credit and/or the proceeds thereof by application of Section 502(b)(6) of the U. S. Bankruptcy Code or otherwise.

Subject to the remaining terms of this Section 2.6 and provided that the Security Reduction Conditions are satisfied, the balance of the Letter of Credit shall be reduced to (i) $250,000.00 effective as of the last day of the 48th full calendar month of the Term, and (ii) $0.00 effective as of the last day of the 60th full calendar month of the Term (each a "**Reduction Date**"). On each Reduction Date, Tenant shall send Landlord a notice requesting Landlord to reduce the Security Deposit. Provided the Security Reduction Conditions are satisfied, Landlord shall consent in writing to, and, at no cost to Landlord (A) accept from the issuing Bank, an amendment to the Letter of Credit or a substitute Letter of Credit in the form annexed hereto as Exhibit H or another font meeting the requirements set forth herein and otherwise acceptable to Landlord, which reduces the Letter of Credit as provided herein but which does not otherwise amend or modify same, and (B) if requested by the issuing Bank, execute and deliver to the issuing Bank such instruments reasonably required by the issuing Bank to effectuate such reduction.

If the Statement for such Comparison Year shall show that the sums so paid by Tenant were less than Tenant's Operating Payment for such Comparison Year, Tenant shall pay the amount of such deficiency within thirty (30) days after Tenant's receipt of the Statement.

Tenant shall promptly execute and deliver any subordination instrument that Landlord or any Superior Lessor or Mortgagee may reasonably request no later than ten (10) Business Days after Landlord's request therefor, provided such subordination document contains a nondisturbance provision which is generally acceptable to such Mortgagee or Superior Lessor, subject to such commercially reasonable modifications as may be negotiated by Tenant.

Section 9.2 Notices. In the event of any act or omission of Landlord which would give Tenant the right, immediately or after lapse of a period of time, to cancel or terminate this Lease, or to claim a partial or total eviction, Tenant shall not exercise such right (a) until it has given written notice of such act or omission to each Mortgagee and Superior Lessor whose name and address shall previously have been furnished to Tenant in writing, and (b) unless such act or omission shall be one which is not capable of being remedied by Landlord or such Mortgagee or Superior Lessor within a reasonable period of time, until

a reasonable period for remedying such act or omission shall have elapsed following the giving of such notice and following the time when such Mortgages or Superior Lessor shall have become entitled under such Mortgage or Superior Lease, as the case may be, to remedy the same (which reasonable period shall in no event be less than the period to which Landlord would be entitled under this Lease or otherwise, after similar notice, to effect such remedy), provided such Mortgagee or Superior Lessor shall with due diligence give Tenant written notice of its intention to remedy such act or omission, and such Mortgagee or Superior Lessor shall commence and thereafter continue with reasonable diligence to remedy such act or omission. If more than one Mortgagee or Superior Lessor shall became entitled to any additional cure period under this Section 9.2 such cure periods shall run concurrently, not consecutively.

Section 9.3 Attornment. If a Mortgagee or Superior Lessor shall succeed to the rights of Landlord under this Lease, whether through possession or foreclosure action or delivery of a new lease or deed, then at the request of such party so succeeding to Landlords rights ("**Successor Landlord**") and upon Successor Landlord's written agreement to accept Tenant's attornment, Tenant shall attorn to and recognize Successor Landlord as Tenant's landlord under this Lease, and shall promptly execute and deliver any instrument that Successor Landlord may reasonably request to evidence such adornment. Upon such adornment this Lease shall continue in full force and effect as, or as if it were, a direct lease between Successor Landlord and Tenant upon all of the terms, conditions and covenants as are set forth in this Lease and shall be applicable after such adornment except that Successor Landlord shall not be:

(a) liable for any act or omission of Landlord (except to the extent such act or omission continues beyond the date when such Successor Landlord succeeds to Landlord's interest and Tenant gives notice of such act or omission to Successor Landlord);

(b) subject to any defense, claim, counterclaim, set-off or offsets which Tenant may have against Landlord;

(c) bound by any prepayment of more than one month's Rent to any prior landlord;

(d) bound by any obligation to make any payment to Tenant which was required to be made prior to de time such Successor Landlord succeeded to Landlord's interest, except for the repayment of the balance of the Security Deposit (If any) remaining at the end of the Lease term to the extent such Successor Landlord receives the remaining portion of the Security Deposit (if any) from Landlord and has not applied or retained the same in accustoms with ARTICLE 30 hereof;

(e) bound by any obligation to perform any work or to make improvements to the Premises except for (x) repairs and maintenance required to be made by Landlord under this Lease, and (y) repairs to the Premises as a result of damage by fire or other casually or a partial condemnation pursuant to the provisions of this Lease, but only to the extent that such repairs can reasonably be made from the net proceeds of any insurance or condemnation awards, respectively, actually made evadable to such Successor Landlord; or

(f) bound by any modification, amendment a renewal of this Lease made without Successor Landlords consent.

Section 9.4 Lease Modifications. If, in connection with obtaining, continuing or renewing of financing for which the Building, Land or the interest of the lessee under any Superior Lease represents collateral, in whole or in part, the Mortgagee and/or Superior Lessor shall request reasonable modifications of this Lease as a condition of such financing, Tenant will not unreasonably withhold its consent thereto, provided that such modifications do not materially and adversely increase the obligations of Tenant hereunder, diminish the rights of Tenant hereunder, or cause a change in Tenant's financial obligations hereunder.

Section 9.5 Estoppel Certificates. Tenant agrees, at any time and from time to time, as requested by Landlord, upon not less than fifteen (15) days' prior notice, to execute and deliver to Landlord a written statement executed and acknowledged by Tenant (a) stating that this Lease is then in full force and effect and has not been modified (or if modified, setting forth all modifications), (b) setting forth the then annual Fixed Rent, (c) setting forth the date to which the Fixed Rent and Additional Rent have been paid, (d) stating whether or not, to the best knowledge of the Tenant, Landlord is in default under this Lease, and if so, setting forth the specific nature of all such defaults, (e) stating the amount of the Security Deposit, (f) stating whether Tenant possesses any renewal, extension, expansion, contraction or termination options and their respective terms, If any, (g) stating whether Landlord has fulfilled all obligations with regard to delivery of the Premises to Tenant, (h) stating whether there are any subleases affecting the Premises, (i) stating the address of Tenant to which all notices and communications under the Lease shall be sent, the Commencement Date and the Expiration Date, and (j) as to any other matters reasonably requested by Landlord. Tenant acknowledges that any statement delivered pursuant to this Section 9.5 may be relied upon by others with whom Landlord may be dealing, including any purchaser or owner of the Real Property or the Building, or of Landlord's interest in the Real Property or the Building or any Superior Lease, or by any Mortgagee, Superior Lessor or Landlord's mezzanine tender.

ARTICLE 10 SERVICES. Landlord shall provide, at Landlord's expense, except as otherwise set forth herein, the following services:

Section 10.1 Electricity.

(a) Electricity shall be distributed to the Premises by the electric utility company serving the Building and Tenant shall contract directly with such company. Landlord shall permit Landlord's wire and conduits, to the extent available, suitable and safely capable, to be used for such distribution. Subject to the provisions of Section 10.6(b) below, the electrical capacity available to the Premises shall be the capacity on the date hereof. Landlord, at Landlord's sole cost and expense, shall make all necessary arrangements with the electric utility company for separately metering the Premises and Tenant shall pay, on a timely basis, for electric current furnished to the Premises. All electricity used during the performance of janitor service, or the making of any alterations or repairs in the Premises, or the operation of any special air conditioning systems serving the Premises, shall be paid for by Tenant.

(b) Tenant shall at all times comply with the rules and regulations of the utility company supplying electricity to the Building. Tenant shall not use any electrical equipment which, in Landlord's reasonable judgment, would exceed the capacity of the electrical equipment servicing the Premises or interfere with the electrical service to other Building tenants. If Landlord determines that Tenants electrical requirements necessitate installation of any additional risers, feeders or other electrical distribution equipment (collectively, "**Electrical Equipment**"), or if Tenant provides Landlord with evidence reasonably satisfactory to Landlord of Tenants need for excess electricity and requests that additional Electrical Equipment be installed, Landlord shall, at Tenants sole cost and expense, install such separately metered additional Electrical Equipment, provided that Landlord, in its sole judgment, considering the potential needs of present and future Building tenants and of the Building itself, determines that such installation is practicable and necessary, such additional Electrical Equipment is permissible under applicable Legal Requirements, and the installation of such Electrical Equipment will not cause permanent damage or injury to the Building or the Premises, cause or create a dangerous or hazardous condition, entail excessive or unreasonable alterations, interfere with or disturb or limit electrical usage by other tenants or occupants of the Building or exceed the limits of the switchgear or other facilities serving the Building, or require power in excess of that available from the public utility serving the Building. Any costs insured by Landlord in connection therewith shall be paid by Tenant within thirty (30) days after the delivery of a bill to Tenant. Tenant shall pay the cost of such additional electrical service (whether the same is distributed by Landlord or the electrical utility company servicing the Building). Tenant shall not make or perform, or permit the making or performance of, any Alterations to wiring installations or other electrical facilities in or serving the Premises or make any additions to the office equipment or other appliances in the Premises which utilize electrical energy (other than ordinary small office equipment) without the prior consent of Landlord, in each instance, which consent shall not be unreasonably withheld, conditioned or delayed, and in compliance with this Lease.

Section 10.2 Heat, Ventilation And Air-Conditioning

(a) Landlord shall provide heat and air-conditioning to the Premises on Business Days from 8:00 A.M. to 6:00 P.M., and Saturdays from 8:00 A.M. to 1:00 P.M., when required in Landlords reasonable judgment for the comfortable use and occupancy of the Premises (provided, in no event shall the Premises [other than the Laboratory Space] be deemed comfortable for use and occupancy if the temperature therein is colder than 66 degrees in the winter or warmer than 76 degrees in the summer), through use of the Building standard heating, ventilating and air conditioning system (the "**Building Heating HVAC System**").

(b) Notwithstanding anything in this Section 10.2 to the contrary, Landlord shall not be responsible if the normal operation of the Building Heating HVAC System shall fail to provide heat or air conditioning at reasonable temperatures uniformly to all interior portions of the Premises. Tenant at all times shall cooperate fully with Landlord and shall abide by the commercially reasonable regulations and requirements which Landlord may prescribe for the proper functioning and protection of the Building Heating HVAC System.

(c) Landlord shall not be required to furnish heat and air-conditioning during periods other than the hours and days set forth in this Section 10.2 for the furnishing and distributing of such services ("**Overtime Periods**"), unless Landlord has received advance nonce from Tenant requesting such service not less than twenty-four (24) hours prior to the time when such service shall be required. Accordingly, if Landlord shall furnish heat or air-conditioning to the Premises at the request of Tenant during Overtime Periods, Tenant shall pay Landlord, as Additional Rent, on a monthly basis, for such services at the standard rate then fixed by Landlord for the Building. Failure by Landlord to furnish or distribute heat, air-conditioning or any other services during Overtime Periods shall not constitute an actual or constructive eviction, in whole or in part, or, except as provided in Section 10.6(b) hereof, entitle Tenant to any abatement or diminution of Fixed Rent or Additional Rent, or relieve Tenant from any of its obligations under this Lease, or impose any liability upon Landlord or its agents by reason of inconvenience or annoyance to Tenant, or injury to or interruption of Tenant's business or otherwise.

Section 10.3 Elevators. Subject to necessary repairs and maintenance, Landlord shall provide passenger elevator service to the Premises on Business Days from 7:00 A.M. to 8:00 P.M. and freight elevator facilities on a non-exclusive basis, on Business Days from 8:00 A.M. to 5:00 P.M., and shall have at least one passenger elevator and one freight elevator available at all other times; provided, Tenant shall pay to Landlord as Additional Rent, the standard Building charges for the operation of the freight elevators beyond the days and hours prescribed above. Such elevator service shall be subject to such reasonable and nondiscriminatory rules and regulations as Landlord may promulgate from time to time with respect thereto. Landlord shall have the right to change the operation or manner of operation of any of the elevators in the Budding and/or to discontinue, temporarily or permanently, the use of any one or more cars in any of the passenger, freight or truck elevator banks; provided, Landlord shall (except temporarily during emergencies or other extraordinary circumstances) have at least one (1) passenger elevator and one freight elevator available at all times, subject to Tenant's payment of Landlord's customary rates for overtime freight elevator usage.

Section 10.4 Cleaning and Rubbish Removal. Landlord shall cause the Premises (excluding any portions thereof used for the storage, preparation, service or consumption of food or beverages) to be cleaned, substantially in accordance with the standards set forth in Exhibit F, including refuse and rubbish removal services at the Premises for ordinary office refuse and rubbish pursuant to rules and regulations established by Landlord. Any areas of the Premises requiring additional cleaning such as areas used for preparation or consumption of food, shall be cleaned, at Terms expense, by Landlord's employees or Landlord's contractor, at rates which shall be competitive with rates of other cleaning contractors providing services to buildings comparable to the Building. Landlord and its cleaning contractor and their respective employees shall have access to the Premises at all times except between 8:00 A.M. and 5:00 P.M. on Business Days. Tenant shall pay to Landlord, within ten (10) Business Days of receipt of an invoice therefor, Landlord's reasonable charge for refuse and rubbish removal to the extent that the refuse generated by Tenant exceeds the refuse and rubbish customarily generated by executive and general office tenants. Tenant shall not dispose of any refuse and rubbish in the public areas of the Building, and if Tenant does so, Tenant shall be liable for Landlord's reasonable charge for such removal. Tenant shall cause its employees, agents, contractors and business visitors to observe such additional nibs and regulations regarding rubbish removal and/or recycling as Landlord may from time to time, reasonably impose.

Section 10.5 Water. Landlord shall furnish cold water in such quantities as Landlord reasonably deems sufficient for ordinary cleaning purposes to the Premises. Landlord shall furnish warm water to the Common Area bathrooms servicing the Premises in such quantities as Landlord reasonably deems sufficient for such purposes. If Tenant requires, uses or consumes water for any purpose in addition to ordinary cleaning purposes, Landlord may install a water meter and thereby measure Tenant's consumption of water for all purposes. Tenant shall (a) pay to Landlord the cost of any such meter and its installation, (b) at Tenant's sole cost and expense, keep any such meter and any such installation equipment in good working order and repair, and (c) pay to Landlord, as Additional Rent, as and when billed therefor for water consumed, together with a charge for any required pumping or heating thereof, all sewer rents, charges or any other taxes, rents, levies or charges which now or hereafter are assessed, imposed or shall become a lien upon the Premises or the Real Property pursuant to law, order or regulation made or issued in connection with any such metered use consumption, maintenance or supply of water, water system, or sewage or sewage connection or system, and in default in making such payment Landlord may pay such charges and collect the same from Tenant.

Section 10.6 No Warranty of Landlord.

(a) Landlord does not warrant that any of the services to be provided by Landlord to Tenant hereunder, or any other services which Landlord may supply (x) will be adequate for Tenant's particular purposes or as to any other particular need of Tenant or (y) will be free from interruption, and Tenant acknowledges that any one or more such services may be temporarily interrupted or suspended by reason of Unavoidable Delays. In addition, Landlord reserves the right to temporarily stop, interrupt or reduce service of the Building Systems by reason of Unavoidable Delays, or for repairs, additions, alterations. replacements, decorations or improvements which are, in the judgment of Landlord, necessary to be made, until said repairs, alteration, replacements or improvements shall have been completed. Landlord shall provide Tenant, except in the case of an emergency or other extraordinary circumstance, 24 hours advance notice (which may be verbal) of any anticipated disruption of services to the Premises. Any such interruption or discontinuance of service, or the exercise of such right by Landlord to suspend or interrupt such service shall not (i) constitute an actual or constructive eviction, or disturbance of Tenant's use and possession of the Premises, in whole or in part, (ii) entitle Tenant to any compensation or, except as provided in Section 10.6(b) below, to any abatement or diminution of Fixed Rent or Additional Rent, (iii) relieve Tenant from any of its obligations under this Lease, or (iv) impose any responsibility or liability upon Landlord or its agents by reason of inconvenience or annoyance to Tenant, or injury to or interruption of Tenants business, or otherwise. Landlord shall use reasonable efforts to minimize interference with Tenant's access to and use and occupancy of the Premises in making any repairs, alterations, additions, replacements, decorations or improvements; provided, however, that Landlord shall have no obligation to employ contractors or labor at "overtime" or other premium pay rates or to incur any other "overtime" costs or additional expenses whatsoever. Landlord shall not be required to furnish any services except as expressly provided in this Article 10.

(b) Notwithstanding the foregoing provisions of this Article 10 and notwithstanding anything to the contrary contained in Section 6.3, Article 15 or Article 29, if all of the following conditions are satisfied (collectively, the "**Abatement Conditions**"): (a) Tenant is unable to and does not use the entire Premises or a material portion thereof (which term "material", shall, for purposes of this Section 10.6(b), mean at least twenty percent (20%) of the Rentable Square Footage of the Premises), for the Permitted Use; (b) such inability is due primarily to a failure in the services to be provided in this Article 10 resulting from the acts, omissions or negligence of Landlord or Landlord Parties (or Landon's failure to maintain), or Landlord's performance of an improvement or Alteration to the Building pursuant to Section 6.3, Section 10.6, Article 15 or Article 29 hereof; (c) such condition continues for a period in excess of ten (10) consecutive days alter Tenant furnishes written notice to Landlord (the "**Abatement Notice**") stating that Tenant is unable to use the Premises (or the material portion thereof) due to such condition; (d) Tenant actually does not use

or occupy the Premises (or the material portion thereof) from and after the date of the Abatement Notice; and (e) such condition is not a result of Unavoidable Delays, casualty or condemnation, or the acts, omissions or negligence of (or breach or violation of this Lease by) Tenant or any Tenant Party, then, as Tenants sole and exclusive right and remedy under this Lease, at law or in equity, Fixed Rent with respect to the Premises (or the material portion thereof, based on the Rentable Square Footage which is untenantable), shall be abated on a per diem basis for the period commencing on the eleventh (11th) day after Landlord receives the Abatement Notice and ending on the earlier of (i) the date Tenant reoccupies any portion of the Premises (In the event of total untenantability) or any portion of the material portion of the Premises affected (in the event of a partial untenantability), and (ii) the date on which such condition is remedied. The parties hereby agree that the terms of this Section 10.6(b) shall not apply in the event of a casualty or condemnation, but rather that the provisions of Article 12 and Article 13 (respectively) shall apply in such event

Section 10.7 Parking.

(a) Landlord agrees that, provided that no Event of Default shall be continuing hereunder, Landlord will confer upon Tenant, during the Term of this Lease, the right and license to use (i) 3 reserved parking spaces (the "**Reserved Parking Spaces**") and (ii) 25 of Landlord's non-reserved parking spaces (the "**Non-reserved Parking Spaces**"; the Reserved Parking Spaces and the Non-reserved Parking Spaces are collectively referred to as the "**Parking Spaces**") designated by Landlord in either the garage located in the 900 Building (the "**900 Parking Garage**") or the garages located in buildings commonly known as 950 North Kingsbury and 811 North Kingsbury, Chicago, Illinois (the 900 Parking Garage and such other garages are collectively referred to as the "**Garages**"), for purposes of parking the passenger automobiles of Tenant and Tenant's employees working at the Premises, provided (1) to the extent parking spaces are available in the 900 Parking Garage, the Non-reserved Parking Spaces shall be located in the 900 Parking Garage, and (2) the Reserved Parking Spaces shall be located in the 900 Parking Garage. Landlord reserves the right to relocate the Reserved Parking Spaces from time to time within the 900 Parking Garage upon ten (10) days' notice to Tenant. Tenant shall pay to Landlord monthly, in advance as Additional Rent, a parking fee equal to the number of Parking Spaces in each of the Garages multiplied by the then current monthly market rental rate for reserved and non-reserved, as applicable, parking spaces in the respective Garages in which the Parking Spaces are located as is being offered to the general public by Landlord, as the same may be adjusted by Landlord from time to time. Tenant's employees using the Parking Spaces shall be required to sign the then current, standard parking agreement for the respective Garages in which such employee's Parking Space is located prior to using such Parking Space. Any parking fees due hereunder shall constitute Additional Rent under this Lease. On or before the Commencement Date, Tenant shall send Landlord notice setting forth the number of Parking Spaces (up to an aggregate maximum of 28, provided not more than 3 parking spaces are Reserved Parking Spaces) that Tenant elects to use and license, and Tenant shall be deemed to have irrevocably and unconditionally relinquished, for the entire term of this Lease and any Renewal Term, the right to use or license any Parking Spaces in excess of the number of such spaces set forth in Tenant's notice. Tenant and its employees shall comply with all Legal Requirements and all of Landlord's reasonable rules, regulations and security requirements in connection with Tenant's use of the Parking Spaces. Tenant shall be responsible for any loss, damage or injury to persons or property caused as a result of its or its employees' use of the Parking Spaces or the parking area in which the Parking Spaces are located (including, without limitation, theft, vandalism or other criminal act). Landlord shall not be responsible for any loss or damage to, or theft of, any property or automobiles located in the Parking Spaces or parking area. Tenant shall not be permitted to perform any Alterations with respect to the Parking Spaces. The privileges granted Tenant under this Section 10.7 merely constitute a license and shall not be deemed to grant Tenant a leasehold or other real property interest in the Parking Spaces, the building(s) in which the same are located, or any portion thereof. The license granted to Tenant in this Section 10.7 shall automatically terminate and expire upon the expiration or earlier termination of this Lease and the termination of such license shall be self-operative and no further instrument shall be required to effect such termination, The rights conferred upon Tenant pursuant to this Section 10.7 shall not be assignable, subleasable or transferable separately from Tenant's interest in this Lease (as governed by Article 14 hereof).

(b) Notwithstanding anything to the contrary set forth in Subsection (a) above, in the event that Tenant (i) fails to pay Additional Rent for the Parking Spaces (or any portion thereof), and such failure continues for a period of 10 Business Days after written notice thereof from Landlord to Tenant, (ii) fails to take possession of all or substantially all of the Parking Spaces within 6 months after the Commencement Date, and such failure continues for a period of 10 Business Days after written notice thereof from Landlord to Tenant, or (iii) falls to use the Parking Spaces (or any portion thereof) which Tenant has the right to use under this Section 10.7 on a regular and consistent basis, and such failure continues for a period of 20 Business Days after written notice thereof from Landlord to Tenant, then Tenant's right to use such Parking Space(s) (or portion thereof) shall, from and after the expiration of such 10 or 20 Business Day period referred to above, as applicable, terminate, expire and be of no further force or effect (without any reduction of Fixed Rent or any other obligation or liability of Tenant hereunder, but with a corresponding reduction in Additional Rent with respect to the reduction of Parking Spaces [or any portion thereof]) and Landlord shall be free to use (or grant or confer upon any other Person the right to use) all or any such Parking Space(s) upon such terms and conditions as Landlord shall determine, in its sole discretion.

Section 10.8 Listings in Building Directory and Signage. Subject to Landlord's reasonable approval as to the design, location and size of such signage, and in compliance with ail Building Rules and Regulations and Legal Requirements, Tenant shall have the right during the Term to install, at Tenant's expense, and provided that no Event of Default shall be continuing hereunder, maintain Building standard signage on its entrance door, provided such signage shall be reasonably approved by Landlord. The listing of any name other than that of Tenant on the doors of the Premises, the Building directory or elsewhere shall not vest any right or interest in this Lease or in the Premises, nor be deemed to constitute Landlord's consent to any assignment or transfer of this Lease or to any sublease of the Premises or to the use or occupancy thereof by others. Any such listing shall constitute a privilege revocable in Landlord's discretion by notice to Tenant.

ARTICLE 11 INSURANCE

Section 11.1 Tenant's Insurance. Tenant, at its expense, shall obtain and keep in full force and effect a policy of commercial general liability insurance under which Tenant is named as the insured and Landlord, Landlord's managing agent for the Building, Landlord's asset manager and any Superior Lessors and any Mortgagees (whose names shall have been furnished to Tenant) are named as additional insureds, which insurance shall provide primary coverage without contribution from any other insurance carried by or for the benefit of Landlord, Landlord's managing agent or any Superior Lessors or Mortgagees named as additional insureds and such coverage shall include without limitation broad-form contractual liability coverage to insure its indemnity obligations set forth in Article 28 hereof. Tenant's primary commercial general liability policy shall contain a provision that the policy shall be noncancellable unless twenty (20) days' written notice shall have been given to Landlord and Landlord shall similarly receive twenty (20) days' notice of any material change in coverage or non-renewal upon expiration. Tenant shall maintain commercial general liability insurance covering claims for bodily injury, death or property damage occurring upon, in or about the Real Property, having a minimum combined single limit in an amount of not less than $2,000,000.00. Notwithstanding the foregoing however, that Landlord shall retain the right to require Tenant to increase said coverage to that amount of insurance which in Landlord's reasonable judgment is then being customarily required by prudent landlords of comparable buildings in the City of Chicago, and provided further that Landlord shall require similar increases of other tenants of space in the Building comparable to the Premises. The foregoing policies of insurance if provided on a blanket policy with respect to more than the Real Property shall apply to each location as though each had its own separate policies. Tenant shall also obtain and keep in full force and effect during the Term, (a) insurance against loss or damage by fire, arid such other risks and hazards as are insurable under then available standard forms of "all risk property" insurance policies, to Tenant's Property and Tenant's Alterations for the full insurable value thereof or on a replacement cost basis; (b) Workers' Compensation Insurance, as required by law and Employer's Liability Insurance; (c) Business Interruption Insurance in an amount not less than twelve (12) months of annual Rent under this Agreement; and (d) such other insurance in such amounts as Landlord, any Mortgagee and/or Superior Lessor may reasonably require from time to time. All insurance required to be carried by Tenant pursuant to the terms of this Lease shall be effected under valid and enforceable policies issued by reputable and independent insurers permitted to do business in the State of Illinois, and rated in Best's Insurance Guide, or any successor thereto (or if there be none, an organization having a national reputation) as having a Best's Rating" of "A-" and a Financial Size Category" of at least "XI" or if such ratings are not then in effect, the equivalent thereof.

Section 11.2 Walser of Subrogation. (a) The parties hereto do hereby waive any and all rights of recovery against the other, or against the offices, employees, partners, agents and representatives of the other, for loss of or damage to the property of the waiving party to the extent such loss or damage is insured against under any insurance policy carried by Landlord or Tenant hereunder. In addition, the parties hereto shall procure an appropriate clause in, or endorsement on, any property insurance covering the Premises, the Building and personal property, fixtures and equipment located thereon or therein, pursuant to which the insurance companies waive subrogation or consent to a waiver of right of recovery, hereby agree not to make any claim against or seek to recover from the other for any loss or damage to its property or the property of others resulting from fire or other hazards covered by such property insurance. Tenant acknowledges that Landlord shall not carry insurance on and shall not be responsible for damage to, Tenant's Alterations (If any) or Tenant's Property, and that Landlord shall not carry insurance against, or be responsible for any loss suffered by Tenant due to, interruption of Tenant's business.

(b) Release. As to each party hereto, provided such party's right of full recovery under the applicable insurance policy is not adversely affected, such party hereby releases the other (its servants, agents and employees, but excluding its contractors and invitees) with respect to any claim (including a claim for negligence) which it might otherwise have against the other party for loss, damages or destruction of the type covered by such property insurance with respect to its property i.e. in the case of Landlord, as to the Building, and, in the case of Tenant, as to Tenant's Property and Tenant's Alterations (including rental value or business interruption, as the case may be) occurring during the Term of this Lease.

Section 11.3 Certificates of Insurance. On or prior to the Commencement Date, Tenant shall delver to Landlord appropriate certificates of insurance required to be carried by Tenant pursuant to this Article 11 including evidence of waivers of subrogation required pursuant to Section 11.2. Evidence of each renewal or replacement of a policy shall be delivered by Tenant to Landlord at least twenty (20) days prior to the expiration of such policy.

Section 11.4 Landlord's Insurance. Landlord shall maintain at its sole cost and expense (the cost of which shall be included in Operating Expenses), a policy of combined single limit bodily injury and property damage insurance with an insurance company selected by Landlord in Landlord's sole discretion, in form and substance satisfactory to Landlord, which shall be in an amount not less than Five Million Dollars ($5,000,000.00) for each occurrence with blanket broad form contractual liability coverage or such other limits as may be required by Mortgagee. In addition to the foregoing, Landlord shall maintain at its sole cost and expense (the cost of which shall be included in Operating Expenses), a special perils property insurance policy covering the Building (but not Tenant's Property or Tenant's Alterations, or the property or alterations of any other tenant or occupant of the Building) in an amount not less than the full replacement cost thereof. Tenant acknowledges that Landlord shall not carry insurance on and shall not be responsible for damage to, Tenant's Alterations or Tenant's Property, and that landlord shall not carry insurance against, or be responsible for any loss suffered by Tenant due to, interruption of Tenant's business. Landlord may provide the foregoing policies on a "blanket" policy basis.

ARTICLE 12 DESTRUCTION OF THE PREMISES; PROPERTY LOSS OR DAMAGE

Section 12.1 Restoration. If the Premises are damaged by fire or other casualty, or if the Building is damaged such that Tenant is deprived of reasonable access to the Premises, Tenant shall give prompt notice to Landlord, and the damage shall be repaired by Landlord, at its expense, to substantially the same condition that the Premises were in on the date the Premises were delivered to Tenant and, for the Building, the condition existing prior to the damage, subject to the provisions of any Mortgage or Superior Lease, but Landlord shall have no obligation to repair or restore (i) Tenant's Property, or (ii) Tenant's Alterations. Landlord shall promptly commence the repair, restoration or rebuilding thereof within ninety (90) days after such damage (subject to delays in the adjustment of insurance and Unavoidable Delays) and shall diligently pursue the Substantial Completion of such restoration, repair or rebuilding (subject to delays in the adjustment of insurance and Unavoidable Delays). Landlord shall promptly and diligently seek adjustment of any insurance proceeds available after any casualty. if the fire or other casualty, or the repair, restoration or rebuilding required by Landlord shall render the Premises unnamable in whole or in part, or inaccessible, then Rent shall proportionally abate from the date when the damage occurred until the date on which Landlord substantially completes its restoration work in the Premises or the Premises are accessible, which proportional abatement shall be computed on the basis that the Rentable Square Feet of the portion of the Premises rendered untenantable (or inaccessible) and not occupied by Tenant bears to the aggregate Rentable Square Feet in the Premises.

Section 12.2 Lease Termination Right. Anything contained in Section 12.1 to the contrary notwithstanding, if the Premises are totally damaged or are rendered wholly untenantable or totally inaccessible, and Landlord determines within ninety (90) days of the casualty, and gives Tenant written notice of same, that it will take in excess of twelve (12) months (or in excess of three (3) months, if such damage occurs any time during the last two (2) years of the Term, as extended (without giving effect to any

then unexercised Renewal Option of Tenant)) from the beginning of restoration to restore the Premises (other than Tenant's Alterations) to substantially the same condition as existed immediately prior to such damage, then either Landlord or Tenant may terminate this Lease upon giving written notice of such electron to the other within sixty (60) days after Landlord serves Tenant with written notice of its determination. In addition, if the Building shall be so damaged by fire or other casually such that, in Landlord's reasonable opinion, substantial alteration, demolition, or reconstruction of the Building shall be required resulting in the same restoration periods as set forth above (whether or not the Premises shall have been damaged or rendered untenantable), then Landlord may, not later than sixty (60) days following the date of the damage, give Tenant a notice in writing terminating this Lease; if this Lease is so terminated pursuant to this Section 12.2, the Term shall expire upon the tenth (10th) day alter such notice is given, and Tenant shall have thirty (30) days after such notice to vacate the Premises and surrender the same to Landlord. Upon the termination of this Lease under the conditions provided for in this Section 12 2, Tenant's liability for Rent shall cease as of the date of such fire or other casualty, and any prepaid portion of Rent for any period after such date shall be refunded by Landlord to Tenant. Unless this Lease is terminated by either party as provided in this Section 12.2, this Lease shall remain in full force and effect (mailed to the other terms of this Lease), notwithstanding such damage or casualty.

ARTICLE 13 EMINENT DOMAIN

Section 13.1 Total Taking. If (a) all of the floor area of the Premises, or so much thereof as shall render the Premises wholly untenantable, shall be acquired or condemned for any public or quasi-public use or purpose, or (b) a portion of the Real Property, not including the Premises, shall be so acquired or condemned, but by reason of such acquisition or condemnation. Tenant no longer has means of access to the Premises, then this Lease and the Term shall and as of the date of the vesting of title with the same effect as if that date were the Expiration Date. In the event of any termination of this Lease arid the Term pursuant to the provisions of this Article 13, Fixed Rent and Additional Rent shall be apportioned as of the date of sooner termination and any prepaid portion of Fixed Rent or Additional Rent for any period after such date shall be promptly refunded by Landlord to Tenant.

Section 13.2 Awards. SECOND AMENDMENT TO AGREEMENT OF LEASE

THIS SECOND AMENDMENT TO AGREEMENT OF LEASE (the "**Amendment**") is made and entered into as of July 30, 2018 (the "**Amendment Effective Date**"), by and between CHICAGO KINGSBURY, LLC, a Delaware limited liability company ("**Landlord**") and **TEMPUS LABS, INC., a Delaware corporation** ("**Tenant**").

RECITALS

A. Landlord (as successor in interest to EQC 600 West Chicago, LLC, a Delaware limited liability company) and Tenant are parties to that certain lease dated January 18, 2018, which lease has been previously amended by First Amendment to Agreement of Lease dated as of January 30, 2018 (the "**First Amendment**") (collectively, the "**Lease**"). Pursuant to the Lease, Landlord has leased to Tenant space currently containing approximately **79,241** Rentable Square Feet (the "**Original Premises**") on the fifth floor of the building located at 600 West Chicago Avenue, Chicago, Illinois (the "**Building**").

B. In connection with the addition of the First Expansion Space to the Premises, Tenant has requested that the Third Expansion Space (as such term is defined in Section 6 of Exhibit E to the Lease) be added to the Original Premises. In connection therewith, Landlord and Tenant have agreed upon a different configuration of the remaining portions of the fifth floor of the Building and the parties wish to amend the Lease appropriately.

C. Tenant has requested that additional space containing approximately **370** Rentable Square Feet on the fifth floor of the Building shown on **Exhibit A** hereto (the "**Fourth Expansion Space**") be added to the Original Premises and that the Lease be appropriately amended and Landlord is willing to do the same on the following terms and conditions.

NOW, **THEREFORE**, in consideration of the above recitals which by this reference are incorporated herein, the mutual covenants and conditions contained herein and other valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Landlord and Tenant agree as follows:

1. **Fourth Expansion Space and Effective Date**. Effective as of April 20, 2018 (the "**Fourth Expansion Effective Date**"), the Premises, as defined in the Lease, is increased from 79,241 Rentable Square Feet on the fifth floor to 79,611 Rentable Square Feet on the fifth floor by the addition of the Fourth Expansion Space, and from and after the Fourth Expansion Effective Date, the Original Premises and the Fourth Expansion Space, collectively, shall be deemed the Premises, as defined in the Lease. The Term for the Fourth Expansion Space shall commence on the Fourth Expansion Effective Date and end on the Expiration Date. The Fourth Expansion Space is subject to all the terms and conditions of the Lease except as expressly modified herein and except that Tenant shall not be entitled to receive any allowances, abatements or other financial concessions granted with respect to the Original Premises unless such concessions are expressly provided for herein with respect to the Fourth Expansion Space. Tenant's obligation to pay Rent with respect to the Fourth Expansion Space shall commence retroactively on the Commencement Date.

2. **Fixed Rent**. Effective as of the Commencement Effective Date, the Fixed Rent Schedule attached to the First Amendment as Exhibit C is deleted in its entirety, and Exhibit C attached to this Amendment is substituted in its place. The parties acknowledge the Commencement Date of the Lease is June 1, 2018 and the Expiration Date is May 31, 2029.

   All such Fixed Rent shall be payable by Tenant in accordance with the terms of the Lease.

3. **Additional Security Deposit**. No additional Security Deposit shall be required in connection with this Amendment.

4. **Tenant's Proportionate Share**. Effective as of the Commencement Date, Tenant's Proportionate Share for the Fourth Expansion Space is 0.0310% (and Tenant's Proportionate Share for the entire Premises is 6.6615%).

5. **Expenses and Taxes**. Effective as of the Commencement Date, in addition to Tenant's Proportionate Share for the Original Premises, Tenant shall also pay Tenant's Proportionate Share of Operating Expenses and Taxes applicable to the Fourth Expansion Space in accordance with the terms of the Lease.

6. **Improvements to the Fourth Expansion Space**.

6.01 Condition of the Fourth Expansion Space. Tenant has inspected the Fourth Expansion Space and agrees to accept the same "as is" without any agreements, representations, understandings or obligations on the part of Landlord to perform any alterations, repairs or improvements, except as may be expressly provided otherwise in this Amendment.

6.02 Responsibility for improvements to the Fourth Expansion Space. Tenant may perform improvements to the Fourth Expansion Space in accordance with the Work Letter attached to the Lease as Exhibit D ("**Exhibit D**"), as Exhibit D is amended pursuant to Section 6.03 below.

6.03 Amendment to Exhibit D (Work Letter) of the Lease. The provisions of Exhibit D shall apply to the Fourth Expansion Space, except as provided or amended below:

(a) Sections 1(b) and 1(c) of Exhibit D shall not apply to the Fourth Expansion Space.

(b) From and after the Fourth Expansion Effective Date, the term "Premises" in Exhibit D shall be deemed to include the Fourth Expansion Space.

(c) With respect to Tenant's Work to be performed in the Fourth Expansion Space and the deadlines and obligations imposed upon Tenant in Exhibit D, wherever there is a reference to the date of execution and delivery of the Lease in Exhibit D, such term shall be deemed to mean the date of execution and delivery of this Amendment, and wherever Tenant is required to provide information to Landlord prior to performing work in the Premises (to the extent that additional or different information than that provided in connection with the Original Premises is required with respect to the Tenant's Work to be performed in the Fourth Expansion Space), except for those deadlines that are listed as specific dates (i.e. the May 31, 2019 deadline for Tenant submitting its application for payment of the Application Amount to Landlord), the deadlines and time frames contained in Exhibit D as they relate to Tenant's Work to be performed in the Fourth Expansion Space (and the approval process related thereto) shall be separate and distinct from the deadlines and time frames applicable to the Original Premises. For example, with respect to the Tenant's Work to be performed in the Fourth Expansion Space, Tenant shall provide Landlord with the information applicable to the Fourth Expansion Space required by Section 2(c) of Exhibit D at least 5 days prior to the commencement of construction of Tenant's Work in the Fourth Expansion Space.

(d) In Section 7(a) of Exhibit D, the amount "$5,150,665.00" is deleted in its entirety, and the amount "$5,174,715.00" is substituted in its place.

(e) In Section 7(c) of Exhibit D, the amount "$1,188,615.00" is deleted in its entirety, and the amount "$1,194,165.00" is substituted in its place.

(f) In Section 7(h) of Exhibit D, the amount "$1,287,666.25" is deleted in its entirety, and the amount "$1,293,678.75" is substituted in its place.

7. Expansion Spaces.

7.01 Second Expansion Space. Section 6.02 of Exhibit E to the Lease is hereby deleted in its entirety.

7.02 Third Expansion Space. Section 6.03 (a) of Exhibit E to the Lease is hereby deleted in its entirety and replaced as follows:

"(a) Effective on the later of (i) June 1, 2019 and (ii) the day on which possession of the Third Expansion Space (defined below) is delivered to Tenant (such later date is referred to as the "**Third Expansion Effective Date**"), the Premises, as initially defined in the Lease, shall be increased by the addition of a portion of the 5th floor of the Building consisting of 29,755 rentable square feet and depicted on Exhibit E-1 attached hereto (the "**Third Expansion Space**") on the terms set forth herein. The rentable square footage of the Third Expansion Space set forth in this Section 6.03(a) shall be stipulated as the rentable square footage of the Third Expansion Space. The Third Expansion Space shall be leased by Tenant subject to all the terms and conditions of the Lease except as expressly modified in this Section 6.03 and except that Tenant shall not be entitled to receive any allowances, abatements or other financial concessions granted with respect to the Premises initially demised by the Lease. Landlord and Tenant acknowledge that the Third Expansion Space is a portion of the Available ROFO Space as defined in Section 2 of Exhibit E and shall be added to the Premises pursuant to this Section 6.03 (including, without limitation, the non-prorated Third Expansion Space Rental Abatement [defined in Section 6.03(d) below] and the non-prorated Third Expansion Space Improvement Allowance [defined in Section 6.03(c) below]) and not as Offer Space under Section 2 of Exhibit E. Following the Third Expansion Effective Date, the Available ROFO Space shall no longer include the Third Expansion Space. Landlord, at its expense, shall construct a corridor (the "**New Corridor**") in certain space currently leased to Wrigley under the Wrigley Lease after Landlord regains legal possession of the portion of the space currently leased to Wrigley containing the New Corridor, which construction shall occur simultaneously with Tenant's performance of the Third Expansion Space Improvements."

7.03 Exhibit E-1. Exhibit E-1 attached to the First Amendment as Exhibit E-1 is deleted in its entirety, and **Exhibit E-1** attached to this Amendment is substituted in its place. **Exhibit E-1** depicts the location of the First Expansion Space, the Third Expansion Space and the New Corridor on the fifth floor of the Building. In addition to construction of the New Corridor, Landlord, at its expense, shall (i) remove the existing doors separating the New Corridor from the elevator lobby on the fifth floor of the Building and (ii) install double glass doors from the New Corridor into the Third Expansion Space and install a single door from the Common Area into the First Expansion Space. The work described in clause (ii) in the preceding sentence is shown on **Exhibit E-2** attached to this Amendment.

7.04 Wrigley Lease. Notwithstanding anything to the contrary contained in the Lease or this Amendment, Landlord agrees not to renew the Wrigley Lease with respect to the First Expansion Space or the Third Expansion Space, except as required by Legal Requirements. As of the date of this Amendment, Landlord and Wrigley are negotiating the renewal of the Wrigley Lease for 1 year (with an expiration date of May 31, 2020) with respect to the portion of the Wrigley Space (the "**Remaining Wrigley 5th Floor Space**") consisting of approximately 38,327 rentable square feet and adjacent to (and not including) the Third Expansion Space as well as not including the First Expansion Space. Notwithstanding anything to the contrary contained in the Lease or this Amendment, Landlord agrees not to enter into any further one-year extensions of the Wrigley Lease with respect to the Remaining Wrigley 5th Floor Space beyond June 1, 2020, except as required by Legal Requirements. As required in Sections 6.01(e) and 6.03(e) of Exhibit E to the Lease, Landlord shall make reasonable efforts to obtain possession of the First Expansion Space and Third Expansion Space upon expiration of the Wrigley Lease on May 31, 2019.

8. **Roof Deck**. Subject to the rights of other tenants and occupants of the 600 Building and 900 Building to use the improved portion of the roof deck of the 600 Building designated by Landlord for common use by tenants and occupants of the 600 Building and 900 Building (the "**Roof Deck**"), and further subject to Tenant's compliance with both the rules and regulations, such as usage fees, access hours and permitted activities, and Landlord's reservation procedures relating to the use of the Roof Deck, Tenant shall have the right to use the Roof Deck. Notwithstanding the foregoing, Tenant shall be permitted to reserve the Roof Deck for private events occurring after business hours on a first-come, first-served basis 4 times in each calendar year during the Term (prorated for partial calendar years during the Term) with no usage fees for such 4 events.

9. **Common Area Restrooms**. Landlord, at its sole cost and expense, shall substantially complete a refurbishment of the Common Area restrooms depicted on **Exhibit E-2** and located on the 5th floor of the 600 Building on or before December 31, 2018.

10. **Parking Space**.

10.01 Landlord agrees that the 3 Reserved Parking Spaces located in the 900 Parking Garage shall be (i) the closest available reserved parking spaces from time to time to the entrance to the 600 Building from the 5th floor of the 900 Parking Garage as long as the 3 Reserved Parking Spaces are located on the 5th floor of the 900 Parking Garage, and (ii) the closest available reserved parking spaces from time to time to the "**Executive Parking**" spaces allocated to Groupon, Inc. on the 4th floor of the 900 Parking Garage as of the time when the 3 Reserved Parking Spaces are no longer located on the 5th floor of the 900 Parking Garage.

10.02 Notwithstanding the terms of Section 10.7 of the Lease, 20 of the 25 Non-reserved Parking Spaces as of the date of this Amendment shall be located in the 900 Parking Garage throughout the Term, including any extensions thereof. That certain Parking Agreement dated as of January 24, 2018 between Landlord and Tenant is hereby terminated and of no further force and effect.

10.03 Commencing on each respective date set forth below and continuing for the remainder of the Term, Landlord confers upon Tenant the right and license to use the number of additional non-reserved parking spaces set forth below under all the terms and conditions of the Lease, including, without limitation, Tenant's obligation to pay a parking fee with respect to such additional non-reserved parking spaces:

DATE	NUMBER OF ADDITIONAL NON-RESERVED PARKING SPACES
First Expansion Rent Commencement Date	2
Third Expansion Rent Commencement Date	11

Such additional non-reserved parking spaces shall be deemed Non-reserved Parking Spaces for purposes of the Lease and shall be located in the 900 Parking Garage to the extent parking spaces are available in the 900 Parking Garage.

THIRD AMENDMENT TO AGREEMENT OF LEASE

THIS THIRD AMENDMENT TO AGREEMENT OF LEASE (this "**Amendment**") is made and entered into as of December 26, 2018 (the "**Amendment Effective Date**"), by and between **CHICAGO KINGSBURY, LLC, a Delaware limited liability company** ("**Landlord**") and **TEMPUS LABS, INC., a Delaware corporation** ("**Tenant**").

RECITALS

A. Landlord (as successor in interest to EQC 600 West Chicago, LLC, a Delaware limited liability company) and Tenant are parties to that certain lease dated January 18, 2018, which lease has been previously amended by First Amendment to Agreement of Lease dated as of January 30, 2018 (the "**First Amendment**") and by Second Amendment to Agreement of Lease dated as of July 30, 2018 (the "**Second Amendment**") (collectively, the "**Lease**"). Pursuant to the Lease, Landlord has leased to Tenant space currently containing approximately **79,611** Rentable Square Feet (the "**Existing Premises**") on the fifth floor of the building located at 600 West Chicago Avenue, Chicago, Illinois (the "**Building**").

B. Tenant has requested that additional space containing approximately 3,780 Rentable Square Feet on the fifth floor of the Building shown on **Exhibit E-1** attached hereto as the "Fifth Expansion Space" (the "**Fifth Expansion Space**") be added to the Premises currently demised under the Lease and that the Lease be appropriately amended and Landlord is willing to do the same on the following terms and conditions.

C. Landlord has determined that the Third Expansion Space (as such term is defined in Section 6 of Exhibit E to the Lease) will be available for delivery to Tenant earlier than as set forth in the Lease and the parties will to appropriately amend the Lease on the following terms and conditions.

NOW, THEREFORE, in consideration of the above recitals which by this reference are incorporated herein, the mutual covenants and conditions contained herein and other valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Landlord and Tenant agree as follows:

1. **Fifth Expansion Space and Effective Date.**

1.01 Effective on the later of (i) March 1, 2019 and (ii) the day on which possession of the Fifth Expansion Space (defined below) is delivered to Tenant (such later date is referred to as the "**Fifth Expansion Effective Date**"), the Premises, as defined in the Lease, is increased by the addition of the Fifth Expansion Space, and from and after the Fifth Expansion Effective Date, the Premises currently demised under the Lease and the Fifth Expansion Space, collectively, shall be deemed the Premises, as defined in the Lease. The Term for the Fifth Expansion Space shall commence on the Fifth Expansion Effective Date and end on the Expiration Date. The Fifth Expansion Space is subject to all the terms and conditions of the Lease except as expressly modified herein and except that Tenant shall not be entitled to receive any allowances, abatements or other financial concessions granted with respect to the Premises currently demised under the Lease unless such concessions are expressly provided for herein with respect to the Fifth Expansion Space.

1.02 Tenant shall commence payment of Rent with respect to the Fifth Expansion Space on the date (the "**Fifth Expansion Rent Commencement Date**") which is the earlier of (i) 90 days after the Fifth Expansion Effective Date (the "**Fifth Expansion Build Out Period**") and (ii) the date on which Tenant commences its business operations in the Fifth Expansion Space. If Tenant commences its business operations in the Fifth Expansion Space prior to the last day of the Fifth Expansion Build Out Period, the period of time beginning on the date on which Tenant so commences its business operations in the Fifth Expansion Space and ending on the last day

of the Fifth Expansion Build Out Period is referred to as the "**Fifth Expansion Beneficial Occupancy Period.**" The initial annual Fixed Rent rate per rentable square foot of the Fifth Expansion Space shall be the same as the Fixed Rent rate per rentable square foot of the Premises initially demised by the Lease on the Fifth Expansion Rent Commencement Date. The Fixed Rent rate for the Fifth Expansion Space shall increase at such times and in such amounts as the Fixed Rent rate for the initial Premises increases, it being the intent of Landlord and Tenant that the Fixed Rent rate per rentable square foot of the Premises initially demised by the Lease and the Fixed Rent rate per rentable square foot of the Fifth Expansion Space shall be the same. Commencing on the Fifth Expansion Rent Commencement Date, Tenant's Proportionate Share shall be increased to reflect the inclusion of the Fifth Expansion Space in the Premises. The Fifth Expansion Space shall be delivered to Tenant in its "**as is**" condition without any agreements, representations, understandings or obligations on the part of Landlord to perform any alterations, repairs or improvements. Any construction, alterations or improvements to the Fifth Expansion Space shall be performed by Tenant at its sole cost and expense and shall be governed in all respects by the terms of the Lease.

1.03 Tenant shall be entitled to receive an improvement allowance (the "**Fifth Expansion Space Improvement Allowance**") in an amount equal to $65.00 per rentable square foot of the Fifth Expansion Space. Such Fifth Expansion Space Improvement Allowance shall be applied toward the cost of the improvements to be performed by Tenant in the Fifth Expansion Space (the "**Fifth Expansion Space Improvements**"). The Fifth Expansion Space Improvements shall include the construction of a demising wall to demise the Fifth Expansion Space from the adjacent office space and Common Area and separation of utilities between the Fifth Expansion space and the adjacent office space and Common Area. The Fifth Expansion Space Improvement Allowance shall be disbursed in the same manner as described in, and subject to the same terms and conditions of, Sections 7(d), (e), (f) and (g) of the Work Letter attached to the Lease as Exhibit D, except that, for purposes of this Section 1.03, (i) all references to the following terms in Sections 7(d), (e), (f) and (g) of the Work Letter shall instead have the following meanings: (A) "Tenant's Work" shall instead refer to the "Fifth Expansion Space Improvements," and (B) "Construction Allowance," "Separation Work Reimbursement," "Application Amount" and "Total Allowance" shall instead refer to the "Fifth Expansion Space Improvement Allowance," and (ii) Tenant may use any portion of the Fifth Expansion Space Improvement Allowance in excess of the costs for the Fifth Expansion Space Improvements on the First Expansion Space Improvements, Third Expansion Space Improvements and the Fourth Expansion Space Improvements in accordance with the provisions of the Lease for disbursements of the First Expansion Space Improvement Allowance, Third Expansion Space Improvement Allowance and the Fourth Expansion Space Improvement Allowance, respectively.

1.04 Tenant shall be entitled to receive an abatement of the Fixed Rent, Tenant's Operating Payment and Tenant's Tax Payment initially payable with respect to the Fifth Expansion Space ("**Fifth Expansion Space Rental Abatement**") for 12 months. Such Fifth Expansion Space Rental Abatement shall be applied toward the first rent due with respect to the Fifth Expansion Space. Notwithstanding anything herein to the contrary, in no event shall Tenant be entitled to apply the Fifth Expansion Space Rental Abatement against the rent due in connection with the Fifth Expansion Space (A) unless and until Tenant shall have occupied and be operating its business in substantially all of the Fifth Expansion Space, and (B) if an Event of Default has occurred under the Lease.

1.05 Landlord shall endeavor to deliver possession of the Fifth Expansion Space to Tenant on the Fifth Expansion Effective Date. If Tenant takes possession of or enters the Fifth Expansion Space before the Fifth Expansion Rent Commencement Date, Tenant shall pay for all services requested by Tenant (e.g., freight elevator usage and utilities) and Tenant shall be subject to the terms and conditions of the Lease; provided, however, (i) except for the cost of such services requested by Tenant, Tenant shall not be required to pay Rent for any entry

or possession before the Fifth Expansion Rent Commencement Date during which Tenant, with Landlord's approval, has entered, or is in possession of, the Fifth Expansion Space for the sole purpose of performing improvements or installing furniture, equipment or other personal property, and (ii) during the Fifth Expansion Beneficial Occupancy Period, Tenant shall not be required to pay Rent but shall pay the cost of utilities and janitorial services for the Fifth Expansion Space and for any services specifically requested by Tenant. If Landlord fails to deliver possession of the Fifth Expansion Space to Tenant on the Fifth Expansion Effective Date because of any act or occurrence beyond the reasonable control of Landlord, including, without limitation, the holding over of any tenants or occupants beyond the expiration of their lease terms, then Landlord shall not be subject to any liability for failure to deliver possession, and such failure to deliver possession shall not affect either the validity of the Lease or the obligations of either Landlord or Tenant thereunder or be construed to extend the expiration of the Term either as to the Fifth Expansion Space or the balance of the Premises; provided, however, that under such circumstances, Landlord shall make reasonable efforts to obtain possession of the Fifth Expansion Space.

1.06 Upon determination of the Fifth Expansion Effective Date and the Fifth Expansion Rent Commencement Date, Landlord and Tenant shall promptly execute and deliver an amendment to the Lease reflecting the lease of the Fifth Expansion Space by Landlord to Tenant on the terms provided above.

2. **First Expansion Space**. Section 6.01(a) of Exhibit E to the Lease, as modified by Section 1.01(b) of the First Amendment, is hereby modified by replacing the date "**June 1, 2019**" in clause (i) therein with the date "March 1, 2019".

3. **Third Expansion Space**. Section 6.03 (a) of Exhibit E to the Lease, as modified by Section 7.02 of the Second Amendment, is hereby deleted in its entirety and replaced as follows:

"(a) Effective on the later of (i) March 1, 2019 and (ii) the day on which possession of the Third Expansion Space (defined below) is delivered to Tenant (such later date is referred to as the "**Third Expansion Effective Date**"), the Premises, as initially defined in the Lease, shall be increased by the addition of a portion of the 5th floor of the Building consisting of 29,755 rentable square feet and depicted on **Exhibit E-1** attached hereto (the "**Third Expansion Space**") on the terms set forth herein. The rentable square footage of the Third Expansion Space set forth in this Section 6.03(a) shall be stipulated as the rentable square footage of the Third Expansion Space. The Third Expansion Space shall be leased by Tenant subject to all the terms and conditions of the Lease except as expressly modified in this Section 6.03 and except that Tenant shall not be entitled to receive any allowances, abatements or other financial concessions granted with respect to the Premises initially demised by the Lease. Landlord and Tenant acknowledge that the Third Expansion Space is a portion of the Available ROFO Space as defined in Section 2 of Exhibit E and shall be added to the Premises pursuant to this Section 6.03 (including, without limitation, the non-prorated Third Expansion Space Rental Abatement [defined in Section 6.03(d) below] and the non-prorated Third Expansion Space Improvement Allowance [defined in Section 6.03(c) below]) and not as Offer Space under Section 2 of Exhibit E. Following the Third Expansion Effective Date, the Available ROFO Space shall no longer include the Third Expansion Space. Landlord, at its expense, shall construct a corridor (the "**New Corridor**") in certain space currently leased to Wrigley under the Wrigley Lease after Landlord regains legal possession of the portion of the space currently leased to Wrigley containing the New Corridor, which construction shall occur simultaneously with Tenant's performance of the Third Expansion Space Improvements. In consideration of delivery of the Third Expansion Space prior to the date on which Landlord originally anticipated delivery, Tenant shall pay to Landlord, as Additional Rent under the Lease, and in addition to all other Rent due under the Lease for the same period, the sum of $203,912.50, payable in equal monthly installments of $67,970.83 each on March 1, 2019, April 1, 2019 and May 1, 2019."

4. **Wrigley Lease**. Section 7.04 of the Second Amendment is hereby deleted in its entirety.

5. **Common Area Restrooms**. As described in Section 9 of the Second Amendment, as of the date of this Amendment, Landlord has completed the refurbishment of the Common Area restrooms depicted on Exhibit E-2 to the Second Amendment.

6. **Exhibit E-1**. Exhibit E-1 attached to the Second Amendment as Exhibit E-1 is deleted in its entirety, and **Exhibit E-1** attached to this Amendment is substituted in its place. **Exhibit E-1** depicts the location of the First Expansion Space, the Third Expansion Space, the Fifth Expansion Space and the New Corridor on the fifth floor of the Building.

7. **Scrivener's Error**. The phrase "Commencement Effective Date" in line one of Section 2 of the Second Amendment shall be deleted and replaced with the phrase "Commencement Date".

8. **Miscellaneous**.

8.01 This Amendment and the attached exhibits, if any, which are hereby incorporated into and made a part of this Amendment, set forth the entire agreement between the parties with respect to the matters set forth herein. There have been no additional oral or written representations or agreements. This Amendment shall inure only to the benefit of and be binding only upon Landlord and Tenant and their permitted successors and assigns. 8.07 Each signatory of this Amendment represents hereby that he or she has the authority to execute and deliver the same on behalf of the party hereto for which such signatory is acting. Tenant agrees that Tenant may acknowledge only the existence of this Amendment by and between Landlord and Tenant, that Tenant may not disclose any of the terms and provisions

contained in this Amendment to any tenant or other occupant in the Building or to any agent, employee, subtenant or assignee of such tenant or occupant, and Tenant also shall cause the Tenant Parties (including, without limitation, its brokers) to comply with the restrictions set forth in this sentence. FOURTH AMENDMENT TO AGREEMENT OF LEASE

THIS FOURTH AMENDMENT TO AGREEMENT OF LEASE (the "**Amendment**") is made and entered into as of April 23, 2019 (the "**Amendment Effective Date**"), by and between **CHICAGO KINGSBURY, LLC**, a Delaware limited liability company ("**Landlord**") and **TEMPUS LABS, INC.**, a Delaware corporation ("**Tenant**").

RECITALS

A. Landlord (as successor in interest to EQC 600 West Chicago, LLC, a Delaware limited liability company) and Tenant are parties to that certain lease dated January 18, 2018 (the "**Original Lease**"), which lease has been previously amended by First Amendment to Agreement of Lease dated as of January 30, 2018 (the "**First Amendment**"), by Second Amendment to Agreement of Lease dated as of July 30, 2018 (the "**Second Amendment**"), and by Third Amendment to Agreement of Lease (the "**Third Amendment**") dated as of December 26, 2018 (collectively, the "**Lease**"). Pursuant to the Lease, Landlord has leased to Tenant space currently containing approximately 118,964 Rentable Square Feet (the "**Premises**," which consists of the space demised in Section 2.1 of the Original Lease, the First Expansion Space and the Third Expansion Space demised in Section 6 of Exhibit G to the Original Lease (as amended), the Fourth Expansion Space demised in the Second Amendment and the Fifth Expansion Space demised in the Third Amendment) on the fifth floor of the building located at 600 West Chicago Avenue, Chicago, Illinois (the "**Building**").

B. Tenant has requested that additional space containing approximately 8,020 Rentable Square Feet on the fifth floor of the Building shown on **Exhibit A** attached hereto as the "**Sixth Expansion Space**" (the "**Sixth Expansion Space**") be added to the Premises currently demised under the Lease and that the Lease be appropriately amended and Landlord is willing to do the same on the following terms and conditions.

C. In addition, Tenant has requested that additional space containing approximately 27,622 Rentable Square Feet on the fifth floor of the Building shown on **Exhibit B** attached hereto (the "**Seventh Expansion Space**") be added to the Premises currently demised under the Lease and that the Lease be appropriately amended and Landlord is willing to do the same on the following terms and conditions. The Seventh Expansion Space consists of 3 spaces as shown on **Exhibit B**: "**P1**" consisting of approximately 11,089 Rentable Square Feet, "**P2**" consisting of approximately 8,261 Rentable Square Feet and "**P3**" consisting of approximately 8,272 Rentable Square Feet.

D. This Amendment constitutes Tenant's notice that Tenant has elected that the maximum amount of rental abatement permitted under the Lease and this Amendment attributable to the First Expansion Space, Third Expansion Space, Fifth Expansion Space, Sixth Expansion Space and Seventh Expansion Space be converted to Application Amount, and the parties wish to set forth the revised rental abatement periods and the Application Amount resulting therefrom.

NOW, THEREFORE, in consideration of the above recitals which by this reference are incorporated herein, the mutual covenants and conditions contained herein and other valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Landlord and Tenant agree as follows:

1. **Sixth Expansion Space and Effective Date.**

1.01 Effective as of March 1, 2019 (the "**Sixth Expansion Effective Date**"), the Premises, as defined in the Lease, is increased by the addition of the Sixth Expansion Space, and from and after the Sixth Expansion Effective Date, the Premises currently demised under the Lease and the Sixth Expansion Space, collectively, shall be deemed the Premises, as defined in the Lease. The Term for the Sixth Expansion Space shall commence on the Sixth Expansion

Effective Date and end on the Expiration Date. The Sixth Expansion Space is subject to all the terms and conditions of the Lease except as expressly modified herein and except that Tenant shall not be entitled to receive any allowances, abatements or other financial concessions granted with respect to the Premises currently demised under the Lease unless such concessions are expressly provided for herein with respect to the Sixth Expansion Space.

1.02 Tenant shall commence payment of Rent with respect to the Sixth Expansion Space on December 1, 2019 (the "**Sixth Expansion Rent Commencement Date**") which is the date 275 days after the Sixth Expansion Effective Date (the "**Sixth Expansion Build Out Period**"). If Tenant commences its business operations in the Sixth Expansion Space prior to the last day of the Sixth Expansion Build Out Period, the period of time beginning on the date on which Tenant so commences its business operations in the Sixth Expansion Space and ending on the last day of the Sixth Expansion Build Out Period is referred to as the "**Sixth Expansion Beneficial Occupancy Period**." The initial annual Fixed Rent rate per rentable square foot of the Sixth Expansion Space shall be the same as the Fixed Rent rate per rentable square foot of the Premises initially demised by the Lease on the Sixth Expansion Rent Commencement Date. The Fixed Rent rate for the Sixth Expansion Space shall increase at such times and in such amounts as the Fixed Rent rate for the initial Premises increases, it being the intent of Landlord and Tenant that the Fixed Rent rate per rentable square foot of the Premises initially demised by the Lease and the Fixed Rent rate per rentable square foot of the Sixth Expansion Space shall be the same. Commencing on the Sixth Expansion Rent Commencement Date, Tenant's Proportionate Share shall be increased to reflect the inclusion of the Sixth Expansion Space in the Premises. The Sixth Expansion Space shall be delivered to Tenant in its "as is" condition without any agreements, representations, understandings or obligations on the part of Landlord to perform any alterations, repairs or improvements. Any construction, alterations or improvements to the Sixth Expansion Space shall be performed by Tenant at its sole cost and expense and shall be governed in all respects by the terms of the Lease.

1.03 Tenant shall be entitled to receive an improvement allowance (the "**Sixth Expansion Space Improvement Allowance**") in an amount equal to $65.00 per rentable square foot of the Sixth Expansion Space. Such Sixth Expansion Space Improvement Allowance shall be applied toward the cost of the improvements to be performed by Tenant in the Sixth Expansion Space (the "**Sixth Expansion Space Improvements**") and/or the cost of the First Expansion Space Improvements, Third Expansion Space Improvements, Fifth Expansion Space Improvements and the Seventh Expansion Space Improvements in accordance with the provisions of the Lease for disbursements of the First Expansion Space Improvement Allowance, Third Expansion Space Improvement Allowance, Fifth Expansion Space Improvement Allowance and Seventh Expansion Space Improvement Allowance, respectively. The Sixth Expansion Space Improvement Allowance shall be disbursed in the same manner as described in, and subject to the same terms and conditions of, Sections 7(d), (e), (f) and (g) of the Work Letter attached to the Lease as **Exhibit D**, except that, for purposes of this Section 1.03, all references in Sections 7(d), (e), (f) and (g) of the Work Letter to (A) "**Tenant's Work**" shall instead refer to the "**Sixth Expansion Space Improvements**", (B) "**Construction Allowance**" shall instead refer to the "**Sixth Expansion Space Improvement Allowance**", (C) "**Separation Work Reimbursement**," shall be deleted, (D) "**Application Amount**" shall instead refer to that portion of the Application Amount applicable to the Sixth Expansion Space as set forth on **Exhibit C-4** attached hereto, and (E) "**Total Allowance**" shall instead refer to the sum of (i) the Sixth Expansion Space Improvement Allowance plus (ii) that portion of the Application Amount applicable to the Sixth Expansion Space, all as set forth on **Exhibit C-4** attached hereto. For the avoidance of doubt, there is no Separation Work and no Separation Work Reimbursement in connection with the Sixth Expansion Space. Notwithstanding anything contained in this Section 1.03, and regardless of the availability of the Sixth Expansion Space Improvement Allowance for the Sixth Expansion Space Improvements

(because Tenant has chosen to apply the Sixth Expansion Space Improvement Allowance to other portions of the Premises), Tenant covenants and agrees that Tenant shall construct the Sixth Expansion Space Improvements such that the entirety of the Sixth Expansion Space is substantially similar in quality of finishes, materials and workmanship as the improvements in the balance of the Premises as of the date of this Amendment.

1.04 Tenant shall be entitled to receive an abatement of the Fixed Rent, Tenant's Operating Payment and Tenant's Tax Payment initially payable with respect to the Sixth Expansion Space (collectively, the "**Sixth Expansion Space Rental Abatement**") as more particularly described on **Exhibit C-3** attached hereto and made a part hereof. Such Sixth Expansion Space Rental Abatement shall be applied toward the first rent due with respect to the Sixth Expansion Space. Notwithstanding anything herein to the contrary, in no event shall Tenant be entitled to apply the Sixth Expansion Space Rental Abatement against the rent due in connection with the Sixth Expansion Space (A) unless and until Tenant shall have occupied and be operating its business in substantially all of the Sixth Expansion Space, and (B) if an Event of Default has occurred under the Lease.

1.05 If Tenant takes possession of or enters the Sixth Expansion Space before the Sixth Expansion Rent Commencement Date, Tenant shall pay for all services requested by Tenant (e.g., freight elevator usage and utilities) and Tenant shall be subject to the terms and conditions of the Lease; provided, however, (i) except for the cost of such services requested by Tenant, Tenant shall not be required to pay Rent for any entry or possession before the Sixth Expansion Rent Commencement Date during which Tenant, with Landlord's approval, has entered, or is in possession of, the Sixth Expansion Space for the sole purpose of performing improvements or installing furniture, equipment or other personal property, and (ii) during the Sixth Expansion Beneficial Occupancy Period, Tenant shall not be required to pay Rent but shall pay the cost of utilities and janitorial services for the Sixth Expansion Space and for any services specifically requested by Tenant.

1.06 Tenant shall be entitled to receive $120,300.00 as Application Amount with respect to the Sixth Expansion Space, which amount shall be disbursed together with, and in accordance with the terms and conditions of disbursement of, the Sixth Expansion Space Improvement Allowance.

2. **Seventh Expansion Space and Effective Date.**

2.01 Effective as of May 1, 2019 (the "**Seventh Expansion Effective Date**"), the Premises, as defined in the Lease, is increased by the addition of the Seventh Expansion Space, and from and after the Seventh Expansion Effective Date, the Premises currently demised under the Lease and the Seventh Expansion Space, collectively, shall be deemed the Premises, as defined in the Lease. The Term for the Seventh Expansion Space shall commence on the Seventh Expansion Effective Date and end on the Expiration Date. The Seventh Expansion Space is subject to all the terms and conditions of the Lease except as expressly modified herein and except that Tenant shall not be entitled to receive any allowances, abatements or other financial concessions granted with respect to the Premises currently demised under the Lease unless such concessions are expressly provided for herein with respect to the Seventh Expansion Space.

2.02 Tenant shall commence payment of Rent with respect to the Seventh Expansion Space on the dates set forth as the respective Rent Commencement Dates of the Seventh Expansion Space (collectively, the "**Seventh Expansion Rent Commencement Date**") as more particularly set forth on **Exhibit C-1** attached hereto and made a part hereof. If Tenant commences its business operations in the P1, P2 or P3 portions of the Seventh Expansion Space prior to each respective Seventh Expansion Rent Commencement Date, the period of time beginning on the date on which Tenant so commences its business operations in the

respective portion of the Seventh Expansion Space and ending on the last day of the P1 Build Out Period, P2 Build Out Period or P3 Build Out Period, as the case may be, is individually and collectively and referred to as the "**Seventh Expansion Beneficial Occupancy Period**." The initial annual Fixed Rent rate per rentable square foot of the Seventh Expansion Space shall be the same as the Fixed Rent rate per rentable square foot of the Premises initially demised by the Lease on the respective Seventh Expansion Rent Commencement Date. The Fixed Rent rate for the Seventh Expansion Space shall increase at such times and in such amounts as the Fixed Rent rate for the initial Premises increases, it being the intent of Landlord and Tenant that the Fixed Rent rate per rentable square foot of the Premises initially demised by the Lease and the Fixed Rent rate per rentable square foot of the Seventh Expansion Space shall be the same. Commencing on each respective Seventh Expansion Rent Commencement Date, Tenant's Proportionate Share shall be increased to reflect the inclusion of each respective portion of the Seventh Expansion Space in the Premises. The Seventh Expansion Space shall be delivered to Tenant in its "as is" condition without any agreements, representations, understandings or obligations on the part of Landlord to perform any alterations, repairs or improvements. Any construction, alterations or improvements to the Seventh Expansion Space shall be performed by Tenant at its sole cost and expense and shall be governed in all respects by the terms of the Lease.

2.03 Tenant shall be entitled to receive an improvement allowance for each portion of the Seventh Expansion Space in the amounts set forth on **Exhibit C-4** attached hereto and made a part hereof. Such allowances shall respectively be known as the "**P1 Improvement Allowance**", the "**P2 Improvement Allowance**", and the "**P3 Improvement Allowance**." The P1 Improvement Allowance, P2 Improvement Allowance and P3 Improvement Allowance are collectively referred to as "**Seventh Expansion Space Improvement Allowance**." Such Seventh Expansion Space Improvement Allowance shall be applied toward the cost of the improvements to be performed by Tenant in the Seventh Expansion Space (the "**Seventh Expansion Space Improvements**") and/or the First Expansion Space Improvements. Third Expansion Space Improvements. Fifth Expansion Space Improvements and Sixth Expansion Space Improvements in accordance with the provisions of the Lease for disbursements of the First Expansion Space Improvement Allowance, Third Expansion Space Improvement Allowance, Fifth Expansion Space Improvement Allowance and Sixth Expansion Space Improvement Allowance, respectively. The Seventh Expansion Space Improvement Allowance shall be disbursed in the same manner as described in, and subject to the same terms and conditions of, Sections 7(d), (e), (1) and (g) of the Work Letter attached to the Lease as **Exhibit D**, except that, for purposes of this Section 2,03, all references in Sections 7(d), (e), (f) and (g) of the Work Letter to (A) "**Tenant's Work**" shall instead refer to the "**Seventh Expansion Space Improvements**", (B) "**Construction Allowance**" shall instead refer to the "**Seventh Expansion Space Improvement Allowance**", (C) "**Separation Work Reimbursement**" shall be deleted, (D) "**Application Amount**" shall instead refer to that portion of the Application Amount applicable to the Seventh Expansion Space as set forth on **Exhibit C-4** attached hereto, and (E) "**Total Allowance**" shall instead refer to the sum of (i) the Seventh Expansion Space Improvement Allowance plus (ii) that portion of the Application Amount applicable to the Seventh Expansion Space, all as set forth on **Exhibit C-4** attached hereto. For the avoidance of doubt, there is no Separation Work and no Separation Work Reimbursement in connection with the Seventh Expansion Space. The Seventh Expansion Space Improvement Allowance shall be available to Tenant as of the Seventh Expansion Effective Date. Notwithstanding anything contained in this Section 2.03, and regardless of the availability of the Seventh Expansion Space Improvement Allowance for the Seventh Expansion Space Improvements (because Tenant has chosen to apply the Seventh Expansion Space Improvement Allowance to other portions of the Premises), Tenant covenants and agrees that Tenant shall construct the Seventh Expansion Space Improvements such that the entirety of the Seventh Expansion Space is substantially similar in quality of finishes, materials and workmanship as the improvements in the balance of the Premises as of the date of this Amendment.

2.04 Tenant shall be entitled to receive an abatement of the Fixed Rent, Tenant's Operating Payment and Tenant's Tax Payment initially payable with respect to each portion of the Seventh Expansion Space for the respective periods set forth on **Exhibit C-3** attached hereto and made a part hereof. The P1 Rental Abatement. P2 Rental Abatement and P3 Rental Abatement are collectively referred to herein as the "**Seventh Expansion Space Rental Abatement**." Such Seventh Expansion Space Rental Abatement shall be applied toward the first rent due with respect to each respective portion of the Seventh Expansion Space. Notwithstanding anything herein to the contrary, in no event shall Tenant be entitled to apply the P1 Rental Abatement, the P2 Rental Abatement or the P3 Rental Abatement, as the case may be, against the rent due in connection with the P1, P2 or P3 portions of the Seventh Expansion Space, respectively, (A) unless and until Tenant shall have occupied and be operating its business in substantially all of the P1, P2 and P3 portions of the Seventh Expansion Space, respectively, and (B) if an Event of Default has occurred under the Lease.

2.05 If Tenant takes possession of or enters the P1, P2 or P3 portions of the Seventh Expansion Space before the respective Seventh Expansion Rent Commencement Date, Tenant shall pay for all services requested by Tenant (e.g., freight elevator usage and utilities) and Tenant shall be subject to the terms and conditions of the Lease; provided, however, (i) except for the cost of such services requested by Tenant, Tenant shall not be required to pay Rent for any entry or possession before the respective Seventh Expansion Rent Commencement Date during which Tenant has entered, or is in possession of, the P1, P2 or P3 portions of the Seventh Expansion Space for the sole purpose of performing improvements in accordance with the terms of the Lease or installing furniture, equipment or other personal property, and (ii) during each respective Seventh Expansion Beneficial Occupancy Period, Tenant shall not be required to pay Rent but shall pay the cost of utilities and janitorial services for the respective portion of the Seventh Expansion Space and for any services specifically requested by Tenant. If Landlord fails to deliver possession of any portion of the Seventh Expansion Space to Tenant on the Seventh Expansion Effective Date because of any act or occurrence beyond the reasonable control of Landlord, including, without limitation, the holding over of any tenants or occupants beyond the expiration of their lease terms, then Landlord shall not be subject to any liability for failure to deliver possession, and such failure to deliver possession shall not affect either the validity of the Lease or the obligations of either Landlord or Tenant thereunder or be construed to extend the expiration of the Term either as to the Seventh Expansion Space or the balance of the Premises; provided, however, that under such circumstances, Landlord shall make reasonable efforts to obtain possession of the respective portion of the Seventh Expansion Space.

2.06 Tenant shall be entitled to receive the respective amounts set forth on **Exhibit C-4** attached hereto and made a part hereof as Application Amount with respect to the Seventh Expansion Space, which amounts shall be disbursed together with, and in accordance with the terms and conditions of disbursement of, the P1 Improvement Allowance, the P2 Improvement Allowance and the P3 Improvement Allowance, respectively:

3. **Build Out Periods.** Notwithstanding anything to the contrary contained in the Lease, including, without limitation, Sections 6.01(b) and 6.03(b) of the Exhibit E to the Original Lease and Section 1.02 of the Third Amendment, Landlord and Tenant have agreed to adjust the First Expansion Build Out Period, the Third Expansion Build Out Period and the Fifth Expansion Build Out Period, and thus the corresponding First Expansion Rent Commencement Date, Third Expansion Rent Commencement Date and Fifth Expansion Rent Commencement Date, shall be fixed at the dates set forth on **Exhibit C-1** attached hereto and made a part hereof,

4. **Rental Abatement and Application Amount.** Based on Tenant's election to convert the maximum amount of the First Expansion Space Rental Abatement, the Third Expansion Space Rental Abatement and the Fifth Expansion Space Rental Abatement to Application Amount, notwithstanding anything to the contrary contained in the Lease, including, without limitation, Sections 6.01(d) and 6.03(d) of the Exhibit E to the Original Lease and Section 1.04 of the Third Amendment, Tenant shall be entitled to receive the rental abatements and Application Amounts with respect to the First Expansion Space, the Third Expansion Space and the Fifth Expansion Space all as set forth on **Exhibits C-3** and **C-4** attached hereto and made a part hereof.

5. Early Termination Payment. As of the Seventh Expansion Effective Date, the Early Termination Payment is estimated to be $7,416,677.00, subject to recalculation after determination of the actual amount of Tenant's Operating Payments and Tenant's Tax Payments included in the rental abatements granted with respect to each portion of the Premises. For the avoidance of doubt, Tenant's valid exercise of the Termination Option terminates the Lease with respect to the entire Premises effective as of the Early Termination Date set forth in Section 3.01 of **Exhibit E** to the Lease.

6. Effective Dates. Landlord and Tenant acknowledge that the First Expansion Effective Date, Third Expansion Effective Date and Fifth Expansion Effective Date are all March 1, 2019. For convenience, attached as **Exhibit C-2** hereto, is a table with the aggregate Fixed Rent for the entire Premises, as well as other terms.

7. **Miscellaneous.**

7.01 This Amendment and the attached exhibits, if any, which are hereby incorporated into and made a part of this Amendment, set forth the entire agreement between the parties with respect to the matters set forth herein. There have been no additional oral or written representations or agreements. This Amendment shall inure only to the benefit of and be binding only upon Landlord and Tenant and their permitted successors and assigns. Under no circumstances shall Tenant be entitled to any Rent abatement, improvement allowance, leasehold improvements, or other work to the Premises, or any similar economic incentives that may have been provided Tenant in connection with entering into the Lease, unless specifically set forth in this Amendment.

7.02 Except as herein modified or amended, the provisions, conditions and terms of the Lease shall remain unchanged and in full force and effect.

7.03 In the case of any inconsistency between the provisions of the Lease and this Amendment, the provisions of this Amendment shall govern and control.

7.04 Submission of this Amendment by Landlord is not an offer to enter into this Amendment but rather is a solicitation for such an offer by Tenant. Landlord shall not be bound by this Amendment until Landlord has executed and delivered the same to Tenant.

7.05 The capitalized terms used in this Amendment shall have the same definitions as set forth in the Lease to the extent that such capitalized terms are defined therein and not redefined in this Amendment.

7.06 Tenant hereby represents to Landlord that Tenant has dealt with no broker in connection with this Amendment, other than CBRE, Inc. ("**Tenant's Broker**"). Tenant agrees to indemnify and hold the Landlord Parties harmless from all claims of any other broker claiming to have represented Tenant in connection with this Amendment. Landlord hereby represents to Tenant that Landlord has dealt with no broker in connection with this Amendment. Landlord agrees to indemnify and hold the Tenant Parties harmless from all claims of any brokers claiming to have represented Landlord in connection with this Amendment. Landlord hereby agrees to pay all brokerage commissions or finder's fees (if any) that may be due to the Tenant's Broker in connection with this Amendment pursuant to its written agreement with such broker.

7.07 Each signatory of this Amendment represents hereby that he or she has the authority to execute and deliver the same on behalf of the party hereto for which such signatory is acting. Tenant agrees that Tenant may acknowledge only the existence of this Amendment by and between Landlord and Tenant, that Tenant may not disclose any of the terms and provisions contained in this Amendment to any tenant or other occupant in the Building or to any agent, employee, subtenant or assignee of such tenant or occupant, and Tenant also shall cause the Tenant Parties (including, without limitation, its brokers) to comply with the restrictions set forth in this sentence. The terms and provisions of the preceding sentence shall survive the termination of the Lease (whether by lapse of time or otherwise).

7.08 This Amendment shall be construed without regard to any presumption or other rule requiring construction against the party causing this Amendment to be drafted. This Amendment may be executed in counterparts and shall constitute an agreement binding on all parties notwithstanding that all parties are not signatories to the original or the same counterpart, provided that all parties are furnished a copy or copies thereof reflecting the signature of all parties. The parties acknowledge and agree that they intend to conduct this transaction by electronic means and that this Amendment may be executed by electronic signature, which shall be considered as an original signature for all purposes and shall have the same force and effect as an original signature. Without limitation, in addition to electronically produced signatures, "electronic signature" shall include faxed versions of an original signature or electronically scanned and transmitted versions (e.g., via pdf) of an original signature.

FIFTH AMENDMENT TO AGREEMENT OF LEASE

THIS FIFTH AMENDMENT TO AGREEMENT OF LEASE (the "**Amendment**") is made and entered into as of May 8, 2020 (the "**Amendment Effective Date**"), by and between **CHICAGO KINGSBURY, LLC**, a Delaware limited liability company ("**Landlord**") and **TEMPUS LABS, INC.**, a Delaware corporation ("**Tenant**").

RECITALS

A. Landlord (as successor in interest to EQC 600 West Chicago, LLC, a Delaware limited liability company) and Tenant are parties to that certain lease dated January 18, 2018 (the "**Original Lease**"), which lease has been previously amended by First Amendment to Agreement of Lease dated as of January 30, 2018 (the "**First Amendment**"), by Second Amendment to Agreement of Lease dated as of July 30, 2018 (the "**Second Amendment**"), by Third Amendment to Agreement of Lease dated as of December 26, 2018 (the "**Third Amendment**") and by Fourth Amendment to Agreement of Lease dated as of April 23, 2019 (the "**Fourth Amendment**") (collectively, the "**Lease**"). Pursuant to the Lease, Landlord has leased to Tenant space currently containing approximately 154,606 Rentable Square Feet on the 5th floor of the Building located at 600 West Chicago Avenue, Chicago, Illinois (the "**Building**") which consists of the space demised in Section 2.1 of the Original Lease, the First Expansion Space and the Third Expansion Space demised in Section 6 of Exhibit G to the Original Lease (as amended), the Fourth Expansion Space demised in the Second Amendment, the Fifth Expansion Space demised in the Third Amendment and the Sixth Expansion Space and Seventh Expansion Space demised in the Fourth Amendment (the "**Premises**").

B. Tenant has requested that additional space containing approximately 13,129 Rentable Square Feet on the seventh floor of the Building shown on **Exhibit A** attached hereto as the "Eighth Expansion Space" (the "**Eighth Expansion Space**") be added to the Premises currently demised under the Lease and that the Lease be appropriately amended and Landlord is willing to do the same on the following terms and conditions.

NOW, THEREFORE, in consideration of the above recitals which by this reference are incorporated herein, the mutual covenants and conditions contained herein and other valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Landlord and Tenant agree as follows:

1. **Eighth Expansion Space and Effective Date.**

1.01 Effective on the Amendment Effective Date (the "**Eighth Expansion Effective Date**"), the Premises, as defined in the Lease, is increased by the addition of the Eighth Expansion Space, and from and after the Eighth Expansion Effective Date, the Premises currently demised under the Lease and the Eighth Expansion Space, collectively, shall be deemed the Premises, as defined in the Lease. The Term for the Eighth Expansion Space shall commence on the Eighth Expansion Effective Date and end on the Expiration Date. The Eighth Expansion Space is subject to all the terms and conditions of the Lease except as expressly modified herein and except that Tenant shall not be entitled to receive any allowances, abatements or other financial concessions granted with respect to the Premises currently demised under the Lease unless such concessions are expressly provided for herein with respect to the Eighth Expansion Space.

1.02 Tenant shall commence payment of Rent with respect to the Eighth Expansion Space on December 1, 2020 (the "**Eighth Expansion Rent Commencement Date**"). The period of time commencing on the Eighth Expansion Effective Date and continuing until the date immediately preceding the Eighth Expansion Rent Commencement Date is referred to herein as the "**Eighth Expansion Build Out Period**". If Tenant commences its business operations in the

Eighth Expansion Space prior to the last day of the Eighth Expansion Build Out Period, the period of time beginning on the date on which Tenant so commences its business operations in the Eighth Expansion Space and ending on the last day of the Eighth Expansion Build Out Period is referred to as the "**Eighth Expansion Beneficial Occupancy Period**." The initial annual Fixed Rent rate per rentable square foot of the Eighth Expansion Space shall be the same as the Fixed Rent rate per rentable square foot of the Premises initially demised by the Lease on the Eighth Expansion Rent Commencement Date. The Fixed Rent rate for the Eighth Expansion Space shall increase at such times and in such amounts as the Fixed Rent rate for the initial Premises increases, it being the intent of Landlord and Tenant that the Fixed Rent rate per rentable square foot of the Premises initially demised by the Lease and the Fixed Rent rate per rentable square foot of the Eighth Expansion Space shall be the same. Commencing on the Eighth Expansion Rent Commencement Date, Tenant's Proportionate Share shall be increased to reflect the inclusion of the Eighth Expansion Space in the Premises. The Eighth Expansion Space shall be delivered to Tenant in its "as is" condition without any agreements, representations, understandings or obligations on the part of Landlord to perform any alterations, repairs or improvements. Any construction, alterations or improvements to the Eighth Expansion Space shall be performed by Tenant at its sole cost and expense and shall be governed in all respects by the terms of the Lease.

1.03 Tenant shall be entitled to receive an improvement allowance (the "**Eighth Expansion Space Improvement Allowance**") in an amount equal to $50.00 per rentable square foot of the Eighth Expansion Space. Such Eighth Expansion Space Improvement Allowance shall be applied toward the cost of the improvements to be performed by Tenant in the Eighth Expansion Space (the "**Eighth Expansion Space Improvements**"). The Eighth Expansion Space Improvements shall include the construction of a demising wall to demise the Eighth Expansion Space from the adjacent office space and Common Area and separation of utilities between the Eighth Expansion space and the adjacent office space and Common Area. The Eighth Expansion Space Improvement Allowance shall be disbursed in the same manner as described in, and subject to the same terms and conditions of, Sections 7(d), (e), (f) and (g) of the Work Letter attached to the Lease as Exhibit D, except that, for purposes of this Section 1.03, all references to the following terms in Sections 7(d), (e), (f) and (g) of the Work Letter shall instead have the following meanings: (A) "Tenant's Work" shall instead refer to the "Eighth Expansion Space Improvements," and (B) "Construction Allowance," "Separation Work Reimbursement," "Application Amount" and "Total Allowance" shall instead refer to the "Eighth Expansion Space Improvement Allowance".

1.04 Landlord acknowledges and agrees that Section 7(h) of Exhibit D to the Lease shall remain in effect with respect to the Eighth Expansion Space Improvement Allowance such that, if (1) the Eighth Expansion Space Improvements have been completed and (2) all costs related thereto have been paid in full, and less than the entire Eighth Expansion Space Improvement Allowance was used (and the portion not used shall be called the "**Eighth Expansion Space Unused Allowance**"), then provided Tenant is not then in default under the Lease, Tenant may request that Landlord apply a portion of the Eighth Expansion Space Unused Allowance not to exceed $164,112.50, or 25% of the Eighth Expansion Space Improvement Allowance, against the then next due installments of Fixed Rent, Tenant's Operating Payment and Tenant's Tax Payment payable with respect to the Eighth Expansion Space. Notwithstanding anything herein to the contrary, Landlord shall not be obligated to allow the Eighth Expansion Space Unused Allowance to be applied against any portion of the rent for the Eighth Expansion Space during the continuance of an uncured default under the Lease and Landlord's obligation to allow such application shall only resume when and if such default is cured.

1.05 Tenant shall be entitled to receive an abatement of 50% of the Fixed Rent, Tenant's Operating Payment and Tenant's Tax Payment initially payable with respect to the Eighth Expansion Space ("**Eighth Expansion Space Rental Abatement**") for 36 months. Such Eighth Expansion Space Rental Abatement shall be applied toward the first rent due with respect to the Eighth Expansion Space. Notwithstanding anything herein to the contrary, in no event shall Tenant be entitled to apply the Eighth Expansion Space Rental Abatement against the rent due in connection with the Eighth Expansion Space (A) unless and until Tenant shall have occupied and be operating its business in substantially all of the Eighth Expansion Space, and (B) if an Event of Default has occurred and is continuing under the Lease.

1.06 If Tenant takes possession of or enters the Eighth Expansion Space before the Eighth Expansion Rent Commencement Date, Tenant shall pay for all services requested by Tenant (e.g., freight elevator usage and utilities) and Tenant shall be subject to the terms and conditions of the Lease; provided, however, (i) except for the cost of such services requested by Tenant, Tenant shall not be required to pay Rent for any entry or possession before the Eighth Expansion Rent Commencement Date during which Tenant, with Landlord's approval, has entered, or is in possession of, the Eighth Expansion Space for the sole purpose of performing improvements or installing furniture, equipment or other personal property, and (ii) during the Eighth Expansion Beneficial Occupancy Period, Tenant shall not be required to pay Rent but shall pay the cost of utilities and janitorial services for the Eighth Expansion Space and for any services specifically requested by Tenant. If Landlord fails to deliver possession of the Eighth Expansion Space to Tenant on the Eighth Expansion Effective Date because of any act or occurrence beyond the reasonable control of Landlord, including, without limitation, the holding over of any tenants or occupants beyond the expiration of their lease terms, then Landlord shall not be subject to any liability for failure to deliver possession, and such failure to deliver possession shall not affect either the validity of the Lease or the obligations of either Landlord or Tenant thereunder or be construed to extend the expiration of the Term either as to the Eighth Expansion Space or the balance of the Premises; provided, however, that under such circumstances, Landlord shall make reasonable efforts to obtain possession of the Eighth Expansion Space.

2. **Early Termination Payment.** As of the Eighth Expansion Effective Date, the Early Termination Payment is estimated to be $8,117,397.00, subject to recalculation after determination of the actual amount of Tenant's Operating Payments and Tenant's Tax Payments included in the rental abatements granted with respect to each portion of the Premises. The parties acknowledge and agree that, for purposes of calculating the portion of the Early Termination Payment attributable to the Eighth Expansion Space, only $40.00 per rentable square foot of the Eighth Expansion Space Improvement Allowance shall be included in such calculation. For the avoidance of doubt, Tenant's valid exercise of the Termination Option terminates the Lease with respect to the entire Premises effective as of the Early Termination Date set forth in Section 3.01 of Exhibit E to the Lease.

3. **Aggregate Terms.** For convenience, attached are the following exhibits setting forth certain aggregate terms relating to the Premises: (i) attached as **Exhibit A-1** is a depiction of the Premises (other than the Eighth Expansion Space) (and **Exhibit A** and **Exhibit A-1** together depict the entire Premises as of the Effective Date), (i) attached as **Exhibit C-1** is a table with the aggregate Premises, rent commencement dates, as well as other terms for the entire Premises, (ii) attached as **Exhibit C-2** is a table with the aggregate Fixed Rent for the entire Premises, (iii) attached as **Exhibit C-3** is a table with the aggregate rental abatements and rental abatement periods for the entire Premises, (iv) attached as **Exhibit C-4** hereto is a table with the aggregate Improvement Allowances and Application Amounts for the Premises (other than the Eighth Expansion Space), and (v) attached as **Exhibit C-5**, is a table with the aggregate Tenant's Proportionate Share for the entire Premises.

4. **Miscellaneous.**

4.01 This Amendment and the attached exhibits, if any, which are hereby incorporated into and made a part of this Amendment, set forth the entire agreement between the parties with respect to the matters set forth herein. There have been no additional oral or written representations or agreements. This Amendment shall inure only to the benefit of and be binding only upon Landlord and Tenant and their permitted successors and assigns. Under no circumstances shall Tenant be entitled to any Rent abatement, improvement allowance, leasehold improvements, or other work to the Premises, or any similar economic incentives that may have been provided Tenant in connection with entering into the Lease, unless specifically set forth in this Amendment.

4.02 Except as herein modified or amended, the provisions, conditions and terms of the Lease shall remain unchanged and in full force and effect.

4.03 In the case of any inconsistency between the provisions of the Lease and this Amendment, the provisions of this Amendment shall govern and control.

4.04 Submission of this Amendment by Landlord is not an offer to enter into this Amendment but rather is a solicitation for such an offer by Tenant. Landlord shall not be bound by this Amendment until Landlord has executed and delivered the same to Tenant.

4.05 The capitalized terms used in this Amendment shall have the same definitions as set forth in the Lease to the extent that such capitalized terms are defined therein and not redefined in this Amendment.

4.06 Tenant hereby represents to Landlord that Tenant has dealt with no broker in connection with this Amendment other than CBRE, Inc. ("**Tenant's Broker**"). Tenant agrees to indemnify and hold the Landlord Parties harmless from all claims of any other broker claiming to have represented Tenant in connection with this Amendment. Landlord hereby represents to Tenant that Landlord has dealt with no broker in connection with this Amendment. Landlord agrees to indemnify and hold the Tenant Parties harmless from all claims of any brokers claiming to have represented Landlord in connection with this Amendment. Landlord hereby agrees to pay all brokerage commissions or finder's fees (if any) that may be due to the Tenant's Broker in connection with this Amendment pursuant to its written agreement with such broker.

4.07 Each signatory of this Amendment represents hereby that he or she has the authority to execute and deliver the same on behalf of the party hereto for which such signatory is acting. Tenant agrees that Tenant may acknowledge only the existence of this Amendment by and between Landlord and Tenant, that Tenant may not disclose any of the terms and provisions contained in this Amendment to any tenant or other occupant in the Building or to any agent, employee, subtenant or assignee of such tenant or occupant, and Tenant also shall cause the Tenant Parties (including, without limitation, its brokers) to comply with the restrictions set forth in this sentence. The terms and provisions of the preceding sentence shall survive the termination of the Lease (whether by lapse of time or otherwise).

4.08 This Amendment shall be construed without regard to any presumption or other rule requiring construction against the party causing this Amendment to be drafted. This Amendment may be executed in counterparts and shall constitute an agreement binding on all parties notwithstanding that all parties are not signatories to the original or the same counterpart, provided that all parties are furnished a copy or copies thereof reflecting the signature of all parties. The parties acknowledge and agree that they intend to conduct this transaction by electronic means and that this Amendment may be executed by electronic signature, which shall be considered as an original signature for all purposes and shall have the same force and effect as an original signature. Without limitation, in addition to electronically produced signatures, "electronic signature" shall include faxed versions of an original signature or electronically scanned and transmitted versions (e.g., via pdf) of an original signature.

THIS SIXTH AMENDMENT TO AGREEMENT OF LEASE (this "**Amendment**") is made and entered into as of May 4, 2021 (the "**Amendment Effective Date**"), by and between **CHICAGO KINGSBURY, LLC, a Delaware limited liability company** ("**Landlord**") and **TEMPUS LABS, INC., a Delaware corporation** ("**Tenant**").

RECITALS

A. Landlord (as successor in interest to EQC 600 West Chicago, LLC, a Delaware limited liability company) and Tenant are parties to that certain lease dated January 18, 2018 (the "**Original Lease**"), which lease has been previously amended by First Amendment to Agreement of Lease dated as of January 30, 2018 (the "**First Amendment**"), by Second Amendment to Agreement of Lease dated as of July 30, 2018 (the "**Second Amendment**"), by Third Amendment to Agreement of Lease dated as of December 26, 2018 (the "**Third Amendment**"), by Fourth Amendment to Agreement of Lease dated as of April 23, 2019 (the "**Fourth Amendment**") and by Fifth Amendment to Agreement of Lease dated as of May 8, 2020 (the "**Fifth Amendment**") (collectively, the "**Lease**"). Pursuant to the Lease, Landlord has leased to Tenant space currently containing approximately 167,735 Rentable Square Feet on the 5th and 7th floors of the Building located at 600 West Chicago Avenue, Chicago, Illinois (the "**Building**") which consists of the space demised in Section 2.1 of the Original Lease, the First Expansion Space and the Third Expansion Space demised in Section 6 of Exhibit G to the Original Lease (as amended), the Fourth Expansion Space demised in the Second Amendment, the Fifth Expansion Space demised in the Third Amendment, the Sixth Expansion Space and Seventh Expansion Space demised in the Fourth Amendment and the Eighth Expansion Space demised in the Fifth Amendment (the "**Premises**").

B. Tenant has requested that additional space containing approximately 12,303 Rentable Square Feet on the 2nd floor of the Building shown on **Exhibit A** attached hereto as the "Ninth Expansion Space" (the "**Ninth Expansion Space**") be added to the Premises currently demised under the Lease and that the Lease be appropriately amended and Landlord is willing to do the same on the following terms and conditions.

NOW, THEREFORE, in consideration of the above recitals which by this reference are incorporated herein, the mutual covenants and conditions contained herein and other valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Landlord and Tenant agree as follows:

1. **Ninth Expansion Space and Effective Date.**

1.01 Effective on July 1, 2021 (the "**Ninth Expansion Effective Date**"), the Premises, as defined in the Lease, is increased by the addition of the Ninth Expansion Space, and from and after the Ninth Expansion Effective Date, the Premises currently demised under the Lease and the Ninth Expansion Space, collectively, shall be deemed the Premises, as defined in the Lease. The Term for the Ninth Expansion Space shall commence on the Ninth Expansion Effective Date and end on the Expiration Date. The Ninth Expansion Space is subject to all the terms and conditions of the Lease except as expressly modified herein and except that Tenant shall not be entitled to receive any allowances, abatements or other financial concessions granted with respect to the Premises currently demised under the Lease unless such concessions are expressly provided for herein with respect to the Ninth Expansion Space.

1.02 Tenant shall commence payment of Rent with respect to the Ninth Expansion Space on the Ninth Expansion Effective Date, subject to Section 1.03 below. The initial annual Fixed Rent rate per rentable square foot of the Ninth Expansion Space shall be the same as the Fixed Rent rate per rentable square foot of the Premises initially demised by the Lease on the Ninth Expansion Effective Date. The Fixed Rent rate for the Ninth Expansion Space shall increase at

such times and in such amounts as the Fixed Rent rate for the initial Premises increases, it being the intent of Landlord and Tenant that the Fixed Rent rate per rentable square foot of the Premises initially demised by the Lease and the Fixed Rent rate per rentable square foot of the Ninth Expansion Space shall be the same. Commencing on the Ninth Expansion Effective Date, Tenant's Proportionate Share shall be increased to reflect the inclusion of the Ninth Expansion Space in the Premises and shall equal 15.0647%. The Ninth Expansion Space shall be delivered to Tenant in its "as is" condition without any agreements, representations, understandings or obligations on the part of Landlord to perform any alterations, repairs or improvements. Any construction, alterations or improvements to the Ninth Expansion Space shall be performed by Tenant at its sole cost and expense and shall be governed in all respects by the terms of the Lease.

1.03 Tenant shall be entitled to receive an abatement of 100% of the Fixed Rent, Tenant's Operating Payment and Tenant's Tax Payment initially payable with respect to the Ninth Expansion Space ("**Ninth Expansion Space First Rental Abatement**") for 6 consecutive months commencing on the Ninth Expansion Effective Date. Such Ninth Expansion Space First Rental Abatement shall be applied toward the first rent due with respect to the Ninth Expansion Space. Notwithstanding anything herein to the contrary, in no event shall Tenant be entitled to apply the Ninth Expansion Space First Rental Abatement against the rent due in connection with the Ninth Expansion Space if an Event of Default has occurred and is continuing under the Lease.

1.04 In addition to the Ninth Expansion Space First Rental Abatement, Tenant shall be entitled to receive an abatement of 50% of the Fixed Rent, Tenant's Operating Payment and Tenant's Tax Payment initially payable with respect to the Ninth Expansion Space ("**Ninth Expansion Space Second Rental Abatement**") for 42 consecutive months commencing on March 1, 2024 ("**Ninth Expansion Space Second Rental Abatement Period**"). Such Ninth Expansion Space Second Rental Abatement shall be applied toward the first rent due with respect to the Ninth Expansion Space commencing on March 1, 2024. Notwithstanding anything herein to the contrary, in no event shall Tenant be entitled to apply the Ninth Expansion Space Second Rental Abatement against the rent due in connection with the Ninth Expansion Space if an Event of Default has occurred and is continuing under the Lease, provided if such Event of Default is cured, then Tenant shall again be entitled to apply the Ninth Expansion Space Second Rental Abatement against the rent due in connection with the Ninth Expansion Space and the Ninth Expansion Space Second Rental Abatement Period shall be extended by the period of time that the Ninth Expansion Space Second Rental Abatement was suspended such that Tenant receives the full benefit of the Ninth Expansion Space Second Rental Abatement for the equivalent of the full Ninth Expansion Space Second Rental Abatement Period.

1.05 If Landlord fails to deliver possession of the Ninth Expansion Space to Tenant on the Ninth Expansion Effective Date because of any act or occurrence beyond the reasonable control of Landlord, including, without limitation, the holding over of any tenants or occupants beyond the expiration of their lease terms, then Landlord shall not be subject to any liability for failure to deliver possession, and such failure to deliver possession shall not affect either the validity of the Lease or the obligations of either Landlord or Tenant thereunder or be construed to extend the expiration of the Term either as to the Ninth Expansion Space or the balance of the Premises; provided, however, that under such circumstances, Landlord shall make reasonable efforts to obtain possession of the Ninth Expansion Space.

1.06 Tenant acknowledges that the Ninth Expansion Space was previously leased by Uptake Technologies, Inc. ("**Uptake**"), pursuant to a lease with Landlord, which lease terminated as to the Ninth Expansion Space on the day prior to the Ninth Expansion Effective Date. Uptake has agreed with Landlord to leave all furniture, fixtures and equipment, including, without limitation, teledata cabling and phone systems, except for the items listed on **Exhibit B** attached hereto ("**Uptake's Removal FF&E**"; all such furniture, fixtures and equipment other than Uptake's Removal FF&E is referred to as "**Uptake's FF&E**") located in the Ninth Expansion Space as of

the day prior to the Ninth Expansion Effective Date and Tenant agrees to accept Uptake's FF&E that is located in the Ninth Expansion Space on the Ninth Expansion Effective Date. Landlord makes no representation or warranty as to the condition, quantity, type or usefulness of Uptake's FF&E and Tenant acknowledges that Landlord shall not have any obligation to inspect the Ninth Expansion Space regarding the condition, quantity, type or usefulness of Uptake's FF&E. Tenant will cause Uptake to convey Uptake's FF&E to Tenant by bill of sale.

2. **Early Termination Payment**. As of the Ninth Expansion Effective Date, the Early Termination Payment is estimated to be $8,786,354.00, subject to recalculation after determination of the actual amount of Tenant's Operating Payments and Tenant's Tax Payments included in the rental abatements granted with respect to each portion of the Premises. For the avoidance of doubt, Tenant's valid exercise of the Termination Option terminates the Lease with respect to the entire Premises effective as of the Early Termination Date set forth in Section 3.01 of **Exhibit E** to the Lease.

3. **Aggregate Terms**. For convenience, attached are the following exhibits setting forth certain aggregate terms relating to the Premises: (i) attached as **Exhibit A-1** is a depiction of the Premises (other than the Ninth Expansion Space) (and **Exhibit A** and **Exhibit A-1** together depict the entire Premises as of the Ninth Expansion Effective Date), and (ii) attached as **Exhibit C-2** is a table with the aggregate Fixed Rent for the entire Premises commencing on the Ninth Expansion Effective Date.

4. **Parking Spaces**. Effective on the Ninth Expansion Effective Date, Landlord shall license to Tenant an additional 5 Reserved Parking Spaces, for a total of 8 Reserved Parking Spaces. Such additional 5 Reserved Parking Spaces shall be located on Level P-4 of the 900 Parking Garage and shall in all other respects be subject to the terms of Section 10.7, as amended, of the Lease.

5. **Miscellaneous**.

5.01 This Amendment and the attached exhibits, if any, which are hereby incorporated into and made a part of this Amendment, set forth the entire agreement between the parties with respect to the matters set forth herein. There have been no additional oral or written representations or agreements. This Amendment shall inure only to the benefit of and be binding only upon Landlord and Tenant and their permitted successors and assigns. Under no circumstances shall Tenant be entitled to any Rent abatement, improvement allowance, leasehold improvements, or other work to the Premises, or any similar economic incentives that may have been provided Tenant in connection with entering into the Lease, unless specifically set forth in this Amendment.

5.02 Except as herein modified or amended, the provisions, conditions and terms of the Lease shall remain unchanged and in full force and effect.

5.03 In the case of any inconsistency between the provisions of the Lease and this Amendment, the provisions of this Amendment shall govern and control.

5.04 Submission of this Amendment by Landlord is not an offer to enter into this Amendment but rather is a solicitation for such an offer by Tenant. Landlord shall not be bound by this Amendment until Landlord has executed and delivered the same to Tenant.

5.05 The capitalized terms used in this Amendment shall have the same definitions as set forth in the Lease to the extent that such capitalized terms are defined therein and not redefined in this Amendment.

5.06 Tenant hereby represents to Landlord that Tenant has dealt with no broker in connection with this Amendment other than CBRE, Inc. ("**Tenant's Broker**"). Tenant agrees to indemnify and hold the Landlord Parties harmless from all claims of any other brokers claiming to have represented Tenant in connection with this Amendment. Landlord hereby represents to Tenant that Landlord has dealt with no broker in connection with this Amendment. Landlord agrees to indemnify and hold the Tenant Parties harmless from all claims of any brokers claiming to have represented Landlord in connection with this Amendment. Landlord hereby agrees to pay all brokerage commissions or finder's fees (if any) that may be due to the Tenant's Broker in connection with this Amendment pursuant to its written agreement with such broker.

5.07 Each signatory of this Amendment represents hereby that he or she has the authority to execute and deliver the same on behalf of the party hereto for which such signatory is acting. Tenant agrees that Tenant may acknowledge only the existence of this Amendment by and between Landlord and Tenant, that Tenant may not disclose any of the terms and provisions contained in this Amendment to any tenant or other occupant in the Building or to any agent, employee, subtenant or assignee of such tenant or occupant, and Tenant also shall cause the Tenant Parties (including, without limitation, its brokers) to comply with the restrictions set forth in this sentence. The terms and provisions of the preceding sentence shall survive the termination of the Lease (whether by lapse of time or otherwise).

5.08 This Amendment shall be construed without regard to any presumption or other rule requiring construction against the party causing this Amendment to be drafted. This Amendment may be executed in counterparts and shall constitute an agreement binding on all parties notwithstanding that all parties are not signatories to the original or the same counterpart, provided that all parties are furnished a copy or copies thereof reflecting the signature of all parties. The parties acknowledge and agree that they intend to conduct this transaction by electronic means and that this Amendment may be executed by electronic signature, which shall be considered as an original signature for all purposes and shall have the same force and effect as an original signature. Without limitation, in addition to electronically produced signatures, "electronic signature" shall include faxed versions of an original signature or electronically scanned and transmitted versions (e.g., via pdf) of an original signature.

RECITALS

A. Landlord (as successor in interest to EQC 600 West Chicago, LLC, a Delaware limited liability company) and Tenant are parties to that certain lease dated January 18, 2018 (the "**Original Lease**"), which lease has been previously amended by First Amendment to Agreement of Lease dated as of January 30, 2018 (the "**First Amendment**"), by Second Amendment to Agreement of Lease dated as of July 30, 2018 (the "**Second Amendment**"), by Third Amendment to Agreement of Lease dated as of December 26, 2018 (the "**Third Amendment**"), by Fourth Amendment to Agreement of Lease dated as of April 23, 2019 (the "**Fourth Amendment**"), by Fifth Amendment to Agreement of Lease dated as of May 8, 2020 (the "**Fifth Amendment**"), and by Sixth Amendment to Agreement of Lease dated as of May 4, 2021 (the "**Sixth Amendment**") (collectively, the "**Lease**"). Pursuant to the Lease, Landlord has leased to Tenant space currently containing approximately 180,038 Rentable Square Feet on the 2nd, 5th and 7th floors of the Building located at 600 West Chicago Avenue, Chicago, Illinois (the "**Building**") which consists of the space demised in Section 2.1 of the Original Lease, the First Expansion Space and the Third Expansion Space demised in Section 6 of Exhibit G to the Original Lease (as amended), the Fourth Expansion Space demised in the Second Amendment, the Fifth Expansion Space demised in the Third Amendment, the Sixth Expansion Space, the Seventh Expansion Space demised in the Fourth Amendment, the Eighth Expansion Space demised in the Fifth Amendment, and the Ninth Expansion Space demised in the Sixth Amendment (the "**Premises**").

B. Tenant has requested that additional space containing approximately 37,228 Rentable Square Feet on the 5th floor of the 900 Building shown on Exhibit A attached hereto as the "**Tenth Expansion Space**" (the "**Tenth Expansion Space**") be added to the Premises currently demised under the Lease and that the Lease be appropriately amended and Landlord is willing to do the same on the following terms and conditions.

NOW, THEREFORE, in consideration of the above recitals which by this reference are incorporated herein, the mutual covenants and conditions contained herein and other valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Landlord and Tenant agree as follows:

1. **Tenth Expansion Space and Effective Date.**

1.01 Effective on Amendment Effective Date (the "**Tenth Expansion Effective Date**"), the Premises, as defined in the Lease, is increased by the addition of the Tenth Expansion Space, and from and after the Tenth Expansion Effective Date, the Premises currently demised under the Lease and the Tenth Expansion Space, collectively, shall be deemed the Premises, as defined in the Lease.- The Term for the Tenth Expansion-Space shall-commence on-the Tenth Expansion Effective Date and end on the Expiration Date. The Tenth Expansion Space is subject to all the terms and conditions of the Lease except as expressly modified herein and except that Tenant shall not be entitled to receive any allowances, abatements or other financial concessions granted with respect to the Premises currently demised under the Lease unless such concessions are expressly provided for herein with respect to the Tenth Expansion Space.

1.02 Tenant shall commence payment of Rent with respect to the Tenth Expansion Space on January 1, 2024 (the "**Tenth Expansion Rent Commencement Date**"). The period of time commencing on the Tenth Expansion Effective Date and continuing until the date immediately preceding the Tenth Expansion Rent Commencement Date is referred to herein as the "**Tenth Expansion Build Out**

Period". If Tenant commences Its business operations in the Tenth Expansion Space prior to the last day of the Tenth Expansion Build Out Period, the period of time beginning on the date on which Tenant so commences its business operations in the Tenth Expansion Space and ending on the last day of the Tenth Expansion Build Out Period is referred to as the "**Tenth Expansion Beneficial Occupancy Period.**" The initial annual Fixed Rent rate per rentable square foot of the Tenth Expansion Space shall be the same as the Fixed Rent rate per rentable square foot of the Premises initially demised by the Lease on the Tenth Expansion Rent Commencement Date. The Fixed Rent rate for the Tenth Expansion Space shall increase at such times and in such amounts as the Fixed Rent rate for the initial Premises increases, it being the intent of Landlord and Tenant that the Fixed Rent rate per rentable square foot of the Premises initially demised by the Lease and the Fixed Rent rate per rentable square foot of the Tenth Expansion Space shall be the same. The Tenth Expansion Space shall be delivered to Tenant in its "as is" condition without any agreements, representations, understandings or obligations on the part of Landlord to perform any alterations, repairs or improvements. Any construction, alterations or improvements to the Tenth Expansion Space shall be performed by Tenant at its sole cost and expense and shall be governed in all respects by the terms of the Lease.

1.03 Tenant shall be entitled to receive an improvement allowance (the "**Tenth Expansion Space Improvement Allowance**") in an amount equal to $70.00 per rentable square foot of the Tenth Expansion Space. Such Tenth Expansion Space Improvement Allowance shall be applied toward the cost of the improvements to be performed by Tenant in the Tenth Expansion Space (the "**Tenth Expansion Space Improvements**"). The Tenth Expansion Space Improvement Allowance shall be disbursed in the same manner as described in, and subject to the same terms and conditions of, Sections 7(d), (e), (f) and (g) of the Work Letter attached to the Lease as Exhibit D, except that, for purposes of this Section 1.03, all references to the following terms in Sections 7(d), (e), (f) and (g) of the Work Letter shall instead have the following meanings: (A) "Tenant's Work" shall instead refer to the "Tenth Expansion Space Improvements." and (B) "Construction Allowance," "Separation Work Reimbursement," "Application Amount" and "Total Allowance" shall instead refer to the "Tenth Expansion Space Improvement Allowance", Tenant shall reimburse Landlord for the reasonable, actual out-of-pocket costs incurred by Landlord to review plans and specifications for the Tenth Expansion Space Improvements.

1.04 Notwithstanding anything to the contrary contained in Section 7 of the Work Letter attached to the Lease or this Amendment, if (1) the Tenth Expansion Space Improvements have been completed and all costs related thereto have been paid in full, and (2) less than the entire Tenth Expansion Space Improvement Allowance was used (and the portion not used shall be called the "**Tenth Expansion Unused Allowance**"), then, provided Tenant is not then in default under the Lease, Tenant may request that Landlord apply the portion of the Tenth Expansion Unused Allowance not to exceed $1,302,980.00, or 50% of the Tenth Expansion Space Improvement Allowance, against the next due installments of Fixed Rent, Tenant's Operating Payment and Tenant's Tax Payment payable with respect to the Tenth Expansion Space commencing in February, 2025. If Tenant is not able to get the full benefit of such portion of the Tenth Expansion Unused Allowance by applying the same as a credit against Fixed Rent, Tenant's Operating Payment and Tenant's Tax Payment as aforesaid for any reason (such as, for example, because the Lease terminates early due to a casualty), then Tenant shall not be entitled to any cash or credit or other compensation of any kind for such portion of the Tenth Expansion Unused Allowance. If Tenant's general contractor (or Tenant, if applicable) does not submit a request for payment of the entire Tenth Expansion Space Improvement Allowance in accordance with the requirements of this Amendment to Landlord, by December 31, 2024, any portion thereof not requested by such date shall be deemed to be Tenth Expansion Unused Allowance and shall no longer be available to be reimbursed to Tenant and shall automatically be applied against the next due installments of Fixed Rent, Tenant's Operating Payment and Tenant's Tax Payment in accordance with the terms of this paragraph. Notwithstanding anything herein to the contrary, Landlord shall not be obligated to allow the Tenth Expansion Unused Allowance to be applied against any portion of the rent for the Tenth Expansion Space during the continuance of an uncured default under the Lease, and Landlord's obligation to allow such application shall only resume when and if such default is cured.

1.05 Tenant shall be entitled to receive an abatement of 50% of the aggregate of the Fixed Rent, Tenant's Operating Payment and Tenant's Tax Payment initially payable with respect to the Tenth Expansion Space ("**Tenth Expansion Space First Rental Abatement**") for 12 consecutive months commencing on the Tenth Expansion Effective Date. Such Tenth Expansion Space First Rental Abatement shall be applied toward the first rent due with respect to the Tenth Expansion Space. Notwithstanding anything herein to the contrary, in no event shall Tenant be entitled to apply the Tenth Expansion Space First Rental Abatement against the rent due in connection with the Tenth Expansion Space if an Event of Default has occurred and is continuing under the Lease.

1.06 In addition to the Tenth Expansion Space First Rental Abatement, Tenant shall be entitled to receive an abatement of 100% of the Fixed Rent only with respect to the Tenth Expansion Space ("**Tenth Expansion Space Second Rental Abatement**") for 5 non-consecutive months of January, 2025, January, 2026, January, 2027, January, 2028 and January, 2029 ("**Tenth Expansion Space Second Rental Abatement Period**"). Such Tenth Expansion Space Second Rental Abatement shall be applied toward the first rent due with respect to the Tenth Expansion Space during each month of the Tenth Expansion Space Second Rental Abatement Period, Notwithstanding anything herein to the contrary, in no event shall Tenant be entitled to apply the Tenth Expansion Space Second Rental Abatement against the rent due in connection with the Tenth Expansion Space if an Event of Default has occurred and is continuing under the Lease, provided if such Event of Default is cured, then Tenant shall again be entitled to apply the Tenth Expansion Space Second Rental Abatement against the rent due in connection with the Tenth Expansion Space and the Tenth Expansion Space Second Rental Abatement Period shall be extended by the period of time that the Tenth Expansion Space Second Rental Abatement was suspended such that Tenant receives the full benefit of the Tenth Expansion Space Second Rental Abatement for the equivalent of the full Tenth Expansion Space Second Rental Abatement Period.

2.1 **Exclusive Governing Terms**. This Agreement (together with the applicable Documentation and Specifications) exclusively governs the ordering, purchase, supply, and use of Supplied Product, and its terms shall prevail and override any conflicting, amending and/or additional terms contained in any purchase orders, invoices or similar documents, which are hereby rejected and shall be null and void (unless such documents expressly override this Agreement and are signed by a signatory authorized to override the Agreement). All of Customer's purchases of products from Illumina for Clinical Use shall be made under this Agreement. Customer shall notify Illumina if it desires to purchase a product that is not listed on Exhibit A, and the Parties may negotiate an appropriate amendment to add the product(s) to Exhibit A. For the avoidance of doubt, this Agreement is personal to Customer, and the rights and obligations regarding purchase and supply extend to Affiliates of Customer so long as such Affiliates' Facilities are identified in the Definitions Section of this Agreement. Customer is jointly and severally liable with its Affiliates with respect to the obligations contained in this Agreement, and Customer represents that it has the right to bind its Affiliates to this Agreement. Contingent on the closing of the Transaction, the terms attached hereto as Appendix A are incorporated into the Agreement.

2.2 **Supplied Products; [***]**

a. **Supplied Products**. The Supplied Products, along with **[***]**, are set forth on **Exhibit A**. If **[***]** for a Supplied Product is not set forth in Exhibit A, the Parties will agree to **[***]**. **[***]** under this Agreement shall be **[***]**.

b. **[***]**.

c. **Access to Supplied Products**. **[***]**.

d. **Access to Services; Service Contract**. **[***]**.

e. **Transition Assistance**. If Customer gives Illumina written notice of its intent to transition, or meaningfully explore a transition of, one or more of its clinical tests to:

i. an Illumina sequencing platform from a different platform (whether sequencing or otherwise), Illumina will discuss the steps necessary to transition to an Illumina sequencing platform and use commercially reasonable efforts to assist Customer with such transition, including provision of appropriate data, documentation and protocols in its possession or control, as well as a reasonable amount of applicable Consumables at no charge, to help effectuate the transition; or

ii. a different Illumina sequencing platform than the Illumina sequencing platform in use at the time for the clinical test, Illumina will discuss the steps necessary to transition to a different Illumina sequencing platform and use commercially reasonable efforts to assist Customer with such transition, including provision of appropriate data, documentation and protocols in its possession or control, as well as a reasonable amount of applicable Consumables at no charge, to help effectuate the transition.

f. **Trade-in Credit**. To the extent trade-in promotions are made available by Illumina, Illumina shall: (i) make such promotion available to Customer, and (ii) provide a trade-in credit against the price Illumina charges for new sequencing hardware, in accordance with its customary practices and the specific trade-in promotion. Customary practices and specific trade-in promotions shall not favor Affiliates over other customers.

III. USE RIGHTS FOR SUPPLIED PRODUCTS

3.1 **Authorized Uses of Supplied Products**.

a. **Supplied Products (excluding IVD Products)**. The following shall apply with respect to Supplied Products, excluding IVD Products:

i. **Use Rights**. Subject to the terms and conditions of this Agreement, Customer's purchase of each unit of Supplied Product from Illumina (or an Illumina Affiliate) under this Agreement confers upon Customer **[***]**.

ii. **Software**. Subject to the terms and conditions of this Agreement, Customer has the right to use Software solely in connection with Hardware and Consumables for (i) Research Use in Customer's Facility in the Territory, and (ii) for Clinical Use in Customer's Facility in the Territory, only on specimens collected in the Collection Territory, and in both of the preceding (i) and (ii) only in accordance with the use rights set forth in this Section 3.1 and any applicable end-user license agreement. All Software is licensed and distributed (not sold) to Customer, is non-transferable and non-sublicensable, and may be subject to additional terms set forth in the end user license agreement. With respect to Software, references in this Agreement to "purchase" or "sale" of Supplied Products (and similar grammatical variations) are understood to mean that Software is licensed under this Agreement and not sold.

b. **IVD Products**. The following shall apply with respect to IVD Products:

i. **Use Rights**. Subject to the terms and conditions of this Agreement, Customer is granted **[***]**.

ii. **Software**. Additionally, Customer is granted a non-exclusive, non-transferable, personal, non-sublicensable right under Illumina's Core IP to install and use IVD Software made available by Illumina with the General Purpose Product, solely in accordance with these terms and conditions and the General Purpose Product's Specifications and Documentation, specifically excluding the IVD Excluded Uses; this license will terminate upon Customer's failure to comply with the terms and conditions relating to purchase of IVD Consumables, IVD Hardware or IVD Software (provided Customer has received notice and a reasonable opportunity to cure), or by Customer discontinuing use of the IVD Software and destroying or removing all copies thereof. All IVD Software, whether provided separately, installed on, or embedded in an IVD Product, is licensed to Customer, not sold. Except as expressly stated in this Section 3.1(b), no right or license under any Intellectual Property Rights is or are granted, expressly, by implication, or by estoppel, to Customer for use with IVD products, and any such rights are expressly reserved to Illumina and its Affiliates.

c. **In-Vitro Diagnostic Development**.

i. Customer may enter into, at any time from today until the **[***]** anniversary of the closing of the Transaction, a separate agreement with Illumina, effective as of the closing of the Transaction, under which Customer may develop and commercialize distributed in-vitro diagnostic ("**IVD**") test kits for use on certain of Illumina's diagnostic ("**Dx**") sequencing platforms (i.e., NextSeqDx and future diagnostic sequencing platforms). Illumina will provide standard terms for Customer to enter into a stand-alone agreement to enable Customer to develop and commercialize IVD test kits on such Illumina Dx sequencing platforms, provided however that such standard terms shall be no less favorable than those attached as Exhibit C.

ii. Illumina shall provide any documentation or information reasonably required for Customer to seek FDA approval or FDA marketing authorization to sell a for-profit, clinical test using the Certain Supplied Products.

3.2 **Limitations on Customer Use; Excluded Uses**.

a. **Certain Limitations on Use – Supplied Products, excluding IVD Products**. With respect to Supplied Products excluding IVD Products, Customer agrees that (i) it will not use a Supplied Product for any Excluded Use, (ii) it will not transfer to a third-party, or grant a sublicense to, any Software or any third-party software, (iii) it will use the Supplied Products only within the scope of the Illumina Intellectual Property Rights and permitted field of use within Customer Use expressly conferred upon Customer with purchase of each unit of Supplied Product in accordance with Section 3.1 (Authorized Use of Supplied Products) and (iv) it will use the Supplied Products only in its Facilities.

b. **Certain Limitations on Use –IVD Products**. With respect to IVD Products, Customer agrees: (i) only to use the IVD Products in accordance with the Product's Documentation and Specifications and not to, nor authorize any third party to, use the IVD Products as described in any Excluded Uses, (ii) to use each IVD Consumable only one time, (iii) to use only IVD Consumables with Illumina IVD Hardware, and (iv) to not use the IVD Products in a manner that deprives any individual or group of individuals her, his, or their fundamental human rights. Further, Customer agrees not to, nor authorize any third party to (i) disassemble, reverse engineer, reverse compile, or reverse assemble the IVD Product, (ii) separate, extract, or isolate components of the IVD Product or engage in other unauthorized analysis of the IVD Product, and (iii) gain access to or determine the methods of operation of the IVD Product. Customer and any user of the IVD Products shall comply with this Section 3.2(c) and all internationally-recognized human rights standards and best practices. Customer shall notify Illumina of any suspected or actual breach of this section, or of any disappearance, theft, or confiscation of IVD Products promptly, but no later than 15 days following knowledge of the applicable incident.

c. **Software License Restrictions**. Customer may not use, copy, modify, create derivative works of, reverse engineer, decompile, disassemble, distribute, sell, assign, pledge, sublicense, lease, loan, rent, timeshare or otherwise transfer the Software, nor permit any other party to do any of the foregoing. Customer may not remove from the Software, or alter, any of the trademarks, trade names, logos, patent or copyright notices or markings, or add any other notices or markings to the Software. Customer may not (and may not attempt to) defeat, avoid, by-pass, remove, deactivate or otherwise circumvent any protection mechanisms in the Software including without limitation any such mechanism used to restrict or control the functionality of the Software. To the extent third party code is included in Software and any term or condition of a third party license applicable to such third party code directly conflicts with the terms and conditions set forth herein, the applicable term(s) or condition(s) of that third party license will be applicable only to that third party code and only to the extent necessary to remove the conflict. Licenses to the Software are not transferable. Customer agrees to not sell, rent, lease, loan, transfer or assign or otherwise dispose of any Hardware or component thereof containing Software to any third party unless Customer first erases or removes the Software.

d. **Consumables; On-Hardware Consumables**. Consumables and Hardware were specifically designed and manufactured to operate together. Customer acknowledges and agrees that (i) with respect to On-Hardware Consumables used with Hardware and Software, it will only use Consumables, (ii) Customer is not granted any right under this Agreement to manufacture, or have manufactured, any reagent, Consumable or substitute therefor, even for use in place of an On-Hardware Consumable, even for its own use, and (iii) Customer is not granted any right under this Agreement to perform any direct-to-consumer activity, or without limiting Section 3.1(d), to market or place on the market, distribute, offer to sell or sell any kit or product, including an in-vitro diagnostic kit.

e. **Illumina Proprietary Information**. Customer acknowledges that the contents of and methods of operation of the Supplied Products are proprietary to Illumina and/or its Affiliates and contain or embody trade secrets of Illumina and/or its Affiliates.

f. **Documentation**. Customer agrees that it will not alter, modify, copy, or remove the Documentation from Customer's Facility, unless expressly permitted to do so in the Documentation or in this Agreement. Permitted copies of the Documentation shall include Illumina's copyright and other proprietary notices.

IV. INTELLECTUAL PROPERTY RIGHTS

4.1 **Core IP and Application Specific IP**. Customer's purchase of Supplied Products under this Agreement confers upon Customer, on a unit by unit basis, only the use rights as stated in Section 3.1. For clarity, no Application Specific IP is conferred upon Customer under this Agreement, other than as stated in Section 3.1(b)(i) for Test Specific Products. Customer may request access in writing to specific Application Specific IP (not including any Application Specific IP that also constitutes GRAIL Patent Rights) and Illumina shall (a) consider such request in good faith, and (b) not unreasonably deny such request. If the request for access is accepted, (i) Illumina shall negotiate the terms of such access in good faith and in accordance with Illumina's customary practices, (ii) such terms shall be no less favorable than those entered into with GRAIL or any For-Profit Entity for such Application Specific IP rights. **[***]**.

4.2 **Other IP**. To Illumina's knowledge, there are no rights owned or controlled by Illumina or its Affiliates other than those licensed to Customer under this Agreement, and there are no third party rights, that are necessary for the use of a Supplied Product to perform Illumina's sequencing by synthesis chemistry on its own for general purposes (i.e., not application-specific or field-specific purposes). For other purposes, Customer's intended use of the Supplied Products may require that it obtain license or other rights to third party Intellectual Property Rights, including Other IP, to use Supplied Products for any and all applications within Customer Use without infringement or misuse of such third party Intellectual Property Rights. It is Customer's responsibility to ensure that it has or obtains rights to all third party Intellectual Property Rights that are required for Customer to use the Supplied Products for Customer Use without infringement or misuse of such third party Intellectual Property Rights.

4.3 **All Rights Reserved**.

a. The rights conferred upon Customer under this Agreement are limited to those use rights expressly conferred in Section 3.1 (Authorized Uses of Supplied Products) upon purchase of each unit of Supplied Products under this Agreement, and Customer agrees that any use of Supplied Products outside the scope of such rights is a prohibited and unauthorized use. Illumina, on behalf of itself and its Affiliates (and their respective successors and assigns), retains all and does not waive the right to enforce Illumina Intellectual Property Rights and bring suit or proceedings against any person or entity, including Customer (and its Affiliates, and their respective successors, and assigns) pursuant to the dispute resolution proceedings set forth in Section 13.1, with respect to any and all prohibited or unauthorized uses of Supplied Product or Existing Hardware. Notwithstanding the foregoing, prior to bringing any such proceedings against Customer to enforce Illumina Intellectual Property Rights, Illumina shall first commence negotiation of the dispute informally and through management levels of Illumina and Customer pursuant to Section 13.1(b)(i), unless emergency relief is necessary, and further, Illumina shall, in no event, cease supply of Supplied Products based primarily on an allegation of infringement by Customer of Illumina Intellectual Property Rights. Customer agrees that actual knowledge by Illumina, Illumina's Affiliates, or their respective directors, officers, employees, or agents that Customer is using Supplied Product in any unauthorized or unpermitted manner, does not (i) waive or otherwise limit any rights under this Agreement or at Law that Illumina, Illumina's Affiliates or their respective successors and assigns, have to address the unauthorized or unpermitted use, or (ii) grant Customer a license or other right to any Illumina Intellectual Property Right, whether expressly or by implication, estoppel, or otherwise.

b. Except as expressly stated in Section 3.1 (Authorized Uses of Supplied Products), no sublicense or other right or license under any Illumina Intellectual Property Rights is or are granted, expressly, by implication, by estoppel or otherwise, under this Agreement. Supplied Products and Existing Hardware may be covered by one or more patents in the Territory. Notwithstanding anything in this Agreement to the contrary, Customer assumes all risk associated with not obtaining any required rights to Other IP or Application Specific IP.

4.4 **No Interruption of Supply**. In no event will Illumina have the right to terminate this Agreement, or cease supplying or shipping Supplied Product, as a result of or on the basis of, in whole or in part, any alleged claim of infringement of any Intellectual Property Rights of Illumina or any of its Affiliates (including without limitation GRAIL if GRAIL becomes an Illumina Affiliate).

V. REGULATORY

5.1 **Research Supplied Products**. The Supplied Products are labeled For Research Use Only. Customer acknowledges that no Supplied Product has been subjected to any conformity assessment or other regulatory review or certified, approved or cleared by any regulatory entity or conformity assessment body, whether foreign or domestic (including without limitation the United States Food and Drug Administration), or otherwise reviewed, cleared or approved under any Law for any purpose, whether research, commercial, diagnostic or otherwise. Customer agrees to comply with all applicable laws, regulations, and established ethical guidelines when using, maintaining, and disposing of Supplied Product. In the event any Supplied Product added to this Agreement after the Effective Date has been certified, approved or cleared by a regulatory agency, including without limitation the FDA, then it will be subject to additional terms and conditions of sale related to products of that type, and the Parties will work in good faith to amend this Agreement accordingly. For the avoidance of doubt, this Section 5.1 does not apply to IVD Products, other than the obligation set forth in the third sentence of this Section 5.1.

5.2 **Regulatory Approvals**. Customer, and not Illumina, is responsible for obtaining any and all Regulatory Approvals. Customer agrees to promptly disclose to Illumina copies of all communications that it receives from the Food and Drug Administration or other similar regulatory body with jurisdiction, pertaining to the Supplied Products or Customer's use of the Supplied Products in accordance with Section 13.7 (via overnight courier), and Illumina agrees to promptly to disclose to Customer copies of all communications that it receives from the Food and Drug Administration or other similar regulatory body with jurisdiction, pertaining to the Supplied Products purchased by Customer pursuant to this Agreement. A Party may make reasonable redactions to any such disclosed communication. For the avoidance of doubt, this Section 5.2 does not apply to IVD Products.

5.3 **Regulatory Appropriate Product**. If **[***]** that it is proper from a regulatory standpoint to discontinue sale of any Supplied Product to Customer for an application within Customer Use and Illumina makes available for purchase by Customer a product or combination of products that has a relevant regulatory status more appropriate for such application within Customer Use, then Customer will use commercially reasonable efforts to discontinue future purchases of the discontinued product as promptly as reasonably practical under the circumstances, but in no event longer than **[***]** months after that product or combination of products is available for purchase by Customer (unless a shorter time period for transition is required by Law, in which case, within that shorter time period). In such event, the Parties will work together in good faith to coordinate such transition and, if necessary, to modify other terms and conditions of this Agreement. **[***]**.

VI. PURCHASING; PAYMENT; DELIVERY

6.1 **Purchase Orders**.

a. **Acceptance; Cancellation**. Customer shall order Supplied Product using written purchase orders submitted under and in accordance with this Agreement ("**Purchase Order(s)**"). Purchase Orders shall state, at a minimum, the Illumina catalogue number, the Illumina provided Quotation number, the quantity ordered, price, requested delivery date, and address for delivery, and shall reference this Agreement. All Purchase Orders shall be sent to the attention of Illumina Customer Solutions or to any other person or department designated by Illumina in writing. Acceptance of a Purchase Order occurs when Illumina (or an Illumina Affiliate) provides Customer a sales order confirmation. Purchase Orders submitted in accordance with this Agreement will not be unreasonably rejected by Illumina. Customer may cancel or modify accepted Purchase Orders only if Customer submits a new Purchase Order for Supplied Product of an equivalent value to the cancelled amount for delivery within the same time period in which the original product was to be delivered. Written purchase orders submitted in accordance with this Agreement may be rejected by Illumina only if Illumina does not have sufficient supply of the applicable Certain Supplied Product to fulfill the order or if the Purchase Order is not in accordance with standard lead times for the applicable Certain Supplied Product. Illumina commits to fulfilling Purchase Orders pursuant to the terms set forth therein if Illumina accepts such Purchase Order and the Purchase Order is submitted within Illumina's standard lead times.

b. **Supply Shortages**. In the event Illumina is experiencing a supply shortage of the applicable Supplied Product (or components therein), Illumina will allocate the existing supply in proportion to their order date, confirmed order volumes, date of scheduled delivery, and customary practices in effect and applicable to all customers, which shall not favor Affiliates over other customers.

6.2 **Invoices; Payment; Taxes**.

a. **Invoices and Payment**. Illumina (or an Illumina Affiliate) shall issue invoices upon shipment of Supplied Products. All invoices are payable as of the date of invoice and payments by Customer on undisputed invoices are due within **[***]** after receipt of the invoice. Without limiting any remedies available to Illumina, any amounts not paid when due under this Agreement will accrue interest at the rate of **[***]**% per month, or the maximum amount allowed by Law, if lower. In the event of nonpayment, Illumina shall have the right to take any action allowed in Law in addition to any rights or remedies under this Agreement, including without limitation, **[***]** until all payments are made current. Each Purchase Order is a separate, independent transaction under this Agreement, and all amounts due under any other Purchase Orders or other transactions with Illumina shall be paid by the Customer in full without any set-off, counterclaim, deduction or withholding.

b. **Taxes**. All prices and other amounts payable to Illumina hereunder are exclusive of and are payable without withholding or deduction for taxes, GST, VAT, customs duties, tariffs, charges or otherwise as required by Law from time to time upon the sale of the Supplied Product or provision of services, all of which will be added to the purchase price or subsequently invoiced to the Customer to gross up any payment in respect of which withholding or deduction is required to be made.

6.3 **Shipping Terms; Title and Risk of Loss; Ship Date Changes**.

a. **Shipping; Title, Risk of Loss**. Unless otherwise agreed upon in writing, all shipments are made DAP (Incoterms 2010) at Customer's address for delivery, provided that Customer is responsible for freight and insurance which will be added to the invoice and paid by Customer. In all cases, title (except for Software and third-party software) and risk of loss transfers to Customer when Supplied Product is made available at such address.

b. **Ship Date Changes**. The latest ship date that Customer may request for any Supplied Product under a Purchase Order is the date that is **[***]** after the date the Purchase Order was received by Illumina. Subject to the terms and conditions of this Agreement, Illumina will use reasonable efforts, but makes no guarantee and does not undertake that it will be able, to accommodate Customer requests to bring forward the ship dates for Supplied Products on a Purchase Order.

VII. WARRANTY.

7.1 **Warranty for Supplied Products excluding IVD Products**. The following shall apply with respect to Supplied Products that are not IVD Products: All warranties are personal to Customer and may not be transferred or assigned to a third-party, including an Affiliate of Customer. All warranties for Hardware are facility specific and do not transfer and are void if the Hardware is used at or moved to another facility, including moved to, between, or among Facilities of Customer, unless Illumina conducts such move. All warranties for Consumables are facility specific and cannot be re-shipped, including re-shipments between or among Facilities of Customer. The warranties set forth in this Agreement only apply to units of Supplied Products purchased under this Agreement. Warranty for Existing Hardware is as stated in the original terms of sale.

a. **Warranty for Consumables**. Illumina warrants, except as expressly stated otherwise in this Agreement, that Consumables, other than custom Consumables, will conform to their Specifications until the later of **[***]** from the date of shipment from Illumina's manufacturing location and **[***]**, but in no event later than **[***]** from the date of shipment. With respect to custom Consumables (i.e., Consumables, made by Illumina to specifications or designs provided to Illumina by, or on behalf of, Customer), Illumina only warrants that the custom Consumables will be made and tested in accordance with Illumina's standard manufacturing and quality control processes. Illumina makes no warranty that custom Consumables will work as intended by Customer or for Customer's intended uses.

b. **Warranty for Hardware**. Illumina warrants that Hardware, other than Upgraded Components, will conform to its Specifications for a period of **[***]** after its shipment date from Illumina unless the Hardware includes Illumina-provided installation, in which case the warranty period begins on the date of installation or **[***]** after the date the Illumina Hardware was delivered, whichever occurs first ("**Base Hardware Warranty**"). "**Upgraded Components**" means Illumina-provided components, modifications, or enhancements to Hardware that was acquired by Customer prior to the date Illumina provides these Upgraded Components. Illumina warrants that Upgraded Components will conform to their Specifications for the longer of the Base Hardware Warranty or a period of **[***]** from the date the Upgraded Components are installed. Upgraded Components do not extend the Base Hardware Warranty.

c. **Exclusions from Warranty Coverage**. The foregoing warranties in Section 7.1 shall not apply to the extent a non-conformance is due to (a) abuse, misuse, neglect, improper storage, or use contrary to the Documentation (misuse includes use of a Consumable more than one time), (b) improper handling, installation, maintenance, or repair (other than by Illumina personnel), (c) unauthorized modification, (d) an event of Force Majeure, or (e) use with a third party's good not provided by Illumina (unless the applicable Documentation or Specifications expressly state such third party's good is for use with it).

7.2 **Warranty for IVD Products**. The following shall apply with respect to IVD Products: All warranties are personal to Customer and may not be transferred or assigned to a third-party, including an Affiliate of Customer. All warranties are facility specific and do not transfer if the IVD Product is moved to another facility of Customer, unless Illumina conducts such move. The warranties described in Section 7.2 exclude any stand-alone third party goods that may be acquired or used with the IVD Products.

a. **Warranty for IVD Consumables**. Illumina warrants that IVD Consumables will conform to their Specifications until the later of (i) **[***]** from the date of shipment from Illumina, or (ii) **[***]**, but in either event, no later than **[***]** from the date of shipment.

b. **Warranty for IVD Hardware**. Illumina warrants that IVD Hardware, other than Upgraded Components, will conform to its Specifications for a period of **[***]** after its shipment date from Illumina unless the IVD Hardware includes Illumina provided installation in which case the warranty period begins on the date of installation or **[***]** after the date the IVD Hardware was delivered, whichever occurs first ("**Base IVD Hardware Warranty**"). "**Upgraded IVD Components**" means Illumina provided components, modifications, or enhancements to IVD Hardware provided pursuant to the Base Hardware Warranty. Illumina warrants that Upgraded IVD Components will conform to their Specifications for a period of **[***]** from the date the Upgraded Components are provided by Illumina. Upgraded IVD Components do not extend the Base IVD Hardware Warranty for the IVD Hardware unless the upgrade was conducted by Illumina at Illumina's facilities in which case the upgraded IVD Hardware shipped to Customer comes with a new Base IVD Hardware Warranty.

c. **Exclusions from Warranty Coverage**. The foregoing warranties do not apply to the extent a non-conformance is due to (i) abuse, misuse, neglect, improper storage, or use contrary to the Documentation or Specifications, (ii) use that is an IVD Excluded Use or otherwise not in accordance with these terms and conditions, (iii) improper handling, installation, maintenance, or repair (other than if performed by Illumina's personnel), (iv) unauthorized alterations, (v) Force Majeure events, or (vi) use with a third party's good (unless the Product's Documentation or Specifications expressly state such third party's good is for use with the Product).

7.3 **Sole Remedy**. The following states Customer's sole remedy and Illumina's sole obligations under the foregoing warranties.

a. **Consumables**. Illumina will repair, replace, or refund the non-conforming Consumable in its reasonable discretion. Repaired or replaced Consumables come with a warranty of **[***]** after delivery of the repaired or replaced Consumable. In no event will the warranty for repaired or replaced Consumables be later than **[***]** from the date of shipment.

b. **Hardware**. Illumina will repair, replace, or refund the non-conforming Hardware in its reasonable discretion. Hardware may be repaired or replaced with functionally equivalent, reconditioned, or new Hardware or components (if only a component of Hardware is non-conforming). If the Hardware is replaced in its entirety, or if only a component(s) is/are being repaired or replaced, the warranty period for the replacement Hardware is the longer of **[***]** from the date of its shipment or **[***]**, whichever is later. Replaced or repaired components do not extend the original Hardware warranty period.

7.4 **Procedure for Warranty Coverage**. In order to be eligible for repair or replacement under this warranty Customer must (a) promptly contact Illumina's customer support department to report the non-conformance, (b) cooperate with Illumina in the diagnosis of the non-conformance, and (c) return the Supplied Product, transportation charges prepaid by Illumina, to Illumina following Illumina's instructions or, if agreed by Illumina, grant Illumina's authorized repair personnel access to this Supplied Product in order to confirm the non-conformance and make repairs.

7.5 **Third Party Goods**. Illumina has no warranty obligations with respect to any goods or software originating from a third party, including without limitation, any such goods or software supplied to Customer under this Agreement. Third-party goods or software are those that are labeled or branded with a third-party's name. The warranty for third-party goods or software, if any, is provided by the original manufacturer. Illumina will cooperate with Customer in filing any warranty claims with such third-parties.

7.6 **Limited Warranties**. TO THE EXTENT PERMITTED BY LAW AND EXCEPT FOR THE EXPRESS LIMITED WARRANTIES FOR SUPPLIED PRODUCTS SET FORTH IN SECTIONS 7.1 AND 7.2 OF THIS AGREEMENT, ILLUMINA MAKES NO (AND EXPRESSLY DISCLAIMS ALL) WARRANTIES, EXPRESS, IMPLIED OR STATUTORY, WITH RESPECT TO THE SUPPLIED PRODUCTS, OR ANY SERVICES PROVIDED IN CONNECTION WITH THIS AGREEMENT, INCLUDING WITHOUT LIMITATION ANY IMPLIED WARRANTY OF MERCHANTABILITY OR SATISFACTORY QUALITY, OR FITNESS FOR A PARTICULAR PURPOSE. WITHOUT LIMITING THE GENERALITY OF THE FOREGOING, ILLUMINA MAKES NO CLAIM, REPRESENTATION, OR WARRANTY OF ANY KIND AS TO THE UTILITY OF THE SUPPLIED PRODUCTS FOR CUSTOMER'S INTENDED USES OTHER THAN AS SET FORTH IN THE SUPPLIED PRODUCTS' DOCUMENTATION.

VIII. CONFIDENTIAL INFORMATION

8.1 **Disclosure and Use Restriction**. The Parties acknowledge that a Party (the "**Receiving Party**") may have access to confidential or proprietary information ("**Confidential Information**") of the other Party (the "**Disclosing Party**") in connection with this Agreement. The confidentiality and non-use obligations in this Agreement with respect to the Disclosing Party's Confidential Information will continue throughout the Term and for **[***]** thereafter.

a. Except to the extent expressly authorized by this Agreement, the Receiving Party will keep confidential and may not publish or otherwise disclose or transfer the Disclosing Party's Confidential Information to any third party.

b. The Receiving Party may disclose the Disclosing Party's Confidential Information only to its Representatives and Advisors who are bound by written confidentiality and non-use restrictions at least as restrictive as those set forth in this Agreement and who have a specific need to know in order for the Receiving Party to be able to perform its obligations and exercise its express rights under this Agreement, and only to the extent necessary for such purpose. Each Party will be responsible for any conduct by its respective Representatives and Advisors that constitutes a breach of this Section 8.1 or that would be a breach of this Section 8.1 by such Party had such Party engaged in such conduct itself. Any such conduct is a breach of this Agreement by such Party.

c. The Receiving Party will use at least the same standard of care as it uses to protect proprietary or confidential information of its own (but in no event less than a reasonable standard of care) to ensure that it and its Representatives and Advisors do not disclose or make any unauthorized use of the Disclosing Party's Confidential Information. The Receiving Party will promptly notify the Disclosing Party upon discovery of any unauthorized disclosure or use of the Disclosing Party's Confidential Information.

8.2 **Authorized Disclosure**. The Receiving Party may disclose the Disclosing Party's Confidential Information to the extent that such disclosure is:

a. made in response to a valid order of a court of competent jurisdiction or other governmental authority; provided, however, that the Receiving Party will, to the extent permitted by Law, give written notice to the Disclosing Party within five business days of receipt of such order and give the Disclosing Party a reasonable opportunity to quash such order and to obtain a protective order requiring that the Confidential Information and documents that are the subject of such order be held in confidence by such court or governmental or regulatory body or, if disclosed, be used only for the purposes for which the order was issued; and provided, further, that if a disclosure order is not quashed or a protective order is not obtained, the Confidential Information disclosed in response to such court or governmental order will be limited to that information which is legally required to be disclosed in response to such court or governmental order;

b. otherwise required by Law; provided, that the Receiving Party, to the extent permitted by applicable law: (i) promptly notifies the Disclosing Party of the specifics of such requirement (providing a copy of the Confidential Information to be disclosed) at least 30 days prior to the actual disclosure (or as soon as reasonably possible prior to the actual disclosure if such 30 day prior notice is impractical under the circumstances) or promptly after actual disclosure if prior disclosure is impractical under the circumstances; (ii) discloses only the minimal information necessary to satisfy such requirement; (iii) reasonably cooperates with the Disclosing Party to prevent or limit such disclosure; and (iv) provides the Disclosing Party with a copy of Confidential Information actually disclosed; or

c. made by the Receiving Party with the prior express written consent of the Disclosing Party.

8.3 **Authorized Use**. The Receiving Party may use the Disclosing Party's Confidential Information solely to the extent necessary for the Receiving Party to perform its obligations and exercise its rights granted under this Agreement, and such use will be otherwise subject to all restrictions and limitations set forth in this Agreement.

8.4 **Disclosure of Agreement**. Except as expressly provided otherwise in this Agreement, neither Party may disclose this Agreement, the terms and conditions of this Agreement, including any financial terms thereof, and the subject matter of this Agreement to any third party (except to its advisors, including lawyers and auditors) without the prior written consent of the other Party, which consent shall not be unreasonably withheld. Notwithstanding anything in this Agreement to the contrary, either Party may disclose the Agreement as required by law, and each Party acknowledges and agrees that, as healthcare companies, each Party may (i) if required by a contractual obligation to a third party disclose the existence of this Agreement, or (ii) if required by applicable Law, disclose this Agreement, its terms, its subject matter, including financial terms (including without limitation, Illumina's compliance with Sunshine Act).

8.5 **Post-Termination**. Following expiration or termination of this Agreement for any reason, upon the request of the Disclosing Party, the Receiving Party will, at the Disclosing Party's option, use commercially reasonable efforts to (a) return all materials containing the Disclosing Party's Confidential Information to the Disclosing Party; or (b) destroy all materials containing the Disclosing Party's Confidential Information and certify such destruction in writing to the Disclosing Party; provided that the Receiving Party will be authorized to retain one copy in its Legal Department for the purpose of determining any continuing obligation.

8.6 **GRAIL Firewall**. Illumina shall establish a firewall designed to prevent any GRAIL personnel (and any Illumina personnel carrying out activities with respect to the GRAIL business or products) from accessing any Confidential Information obtained by or made available to Illumina relating to Customer or its business or products, whether pursuant to this Agreement or otherwise.

IX. LIMITATIONS OF LIABILITY; DISCLAIMERS; REPRESENTATIONS

9.1 **Limitation of Liability**.

c. X. INDEMNIFICATION; INSURANCE

10.1 **Indemnity (Supplied Products, excluding IVD Products)**. The following shall apply with respect to Supplied Products excluding IVD Products:

a. **Indemnification by Illumina for Infringement**. Subject to the terms and conditions of this Agreement, including without limitation, the Exclusions to Illumina Indemnification Obligation (Section 10.1(b) below), Indemnification by Customer (Section 10.1(c) below), Conditions of Indemnification Obligation (Section 10.1(d) below), Illumina shall defend, indemnify and hold harmless Customer, and its officers, directors, representatives and employees (Customer and each of the foregoing a "**Customer Indemnitee**"), against any claim or action brought by a third-party alleging infringement of the valid and enforceable Intellectual Property Rights of a third party that pertain to or cover aspects or features of the Supplied Product(s) (or use thereof), where such claim or action is brought without regard to (i.e., that is not particular to) any specific field(s) of use or specific application(s), as a result of Customer's use of such Supplied Products in accordance with all the terms and conditions of this Agreement, (the indemnification claim described is an "**Illumina Indemnification Claim**"), and

i. Illumina shall pay all settlements entered into, and all final judgments and costs (including reasonable attorneys' fees) awarded against such Customer Indemnitee in connection with such Illumina Infringement Claim;

ii. The foregoing obligation to indemnify, defend and hold harmless shall not be applicable for any claim or action brought by a third party who is or becomes or was an Affiliate of Customer; and

This Section (including without limitation Section 10.1(b) and other Sections referred to herein) states the entire liability of Illumina for any allegation of Customer infringement of third party Intellectual Property Rights relating to Supplied Products excluding IVD Products, as well as Illumina's entire obligation under this Agreement to indemnify, defend and hold harmless the Customer and other Customer Indemnitees, other than the Indemnification term in Section 10.2 below relating to IVD Products.

b. **Exclusions to Illumina Indemnification Obligation**. Illumina shall have no obligation under Section 10.1(a), (or any obligation under this Agreement), to defend, indemnify or hold harmless any Customer Indemnitee or pay any settlements, final judgments or costs with respect to any Illumina Infringement Claim, to the extent such Illumina Infringement Claim is or arises from any one or more of:

i. the use of such Supplied Products in any unauthorized manner or for any purpose outside the scope of the rights, license(s), or permissions conferred by Illumina upon Customer with respect to purchase of each unit of the Supplied Products in accordance with Section 3.1 (Authorized Uses of Supplied Products),

ii. the use of such Supplied Products in any manner or for any purpose not in accordance with or described in the Specifications or Documentation,

iii. the use of such Supplied Products in combination with any other products, materials, biomarkers, assay-specific protocols, or services not supplied by Illumina where the combination, and not the Supplied Products on their own, gives rise to the Illumina Infringement Claim,

iv. Illumina's compliance with specifications or instructions for such Supplied Products furnished to Illumina by Customer or by a third party on behalf of Customer,

v. except with respect to Illumina's agreement to indemnify, defend and hold harmless, as specified in Section 10.1(a) part (A), the use of such Supplied Products in any manner or for any purpose that requires rights to Other IP to avoid infringing such rights,

vii. Customer's breach of any term, including breach of a representation or warranty, wherein each of (i) – (vii) is referred to as an "**Excluded Claim.**"

c. **Indemnification by Customer**. Customer shall defend, indemnify and hold harmless Illumina, its Affiliates, and their respective officers, directors, representatives, employees, successors and assigns (Illumina and each of the foregoing an "**Illumina Indemnitee(s)**"), against any and all claims, liabilities, damages, fines, penalties, causes of action, and losses of any and every kind ("**Claim**"), including without limitation, claims relating to or arising out of personal injury or death, and claims relating to or arising out of infringement of a third party's Intellectual Property Rights, to the extent a Claim results from, relates to, or arises out of

i. any action described in any Excluded Claim, including without limitation, any use or breach described therein,

ii. Customer's failure to obtain and maintain Regulatory Approvals,

iii. Customer's marketing, sale, and/or provision of services within Customer Use and/or use of or putting into service the Supplied Products therefor, including without limitation, actions (or inactions) taken by individuals who receive (directly or indirectly) results from Customer's use of Supplied Product, or harm from misdiagnosis, missed diagnoses and actions or inactions taken as a result of information provided (directly or indirectly) by Customer to patients, physicians, or other entities.

d. **Conditions of Indemnification**. The Parties' indemnification obligations under this Section 10.1 are subject to the Party seeking indemnification (i) notifying the other, indemnifying Party promptly in writing of the claim, (ii) giving indemnifying Party exclusive control and authority over the defense of such claim, (iii) not admitting infringement of any Intellectual Property Right without prior written consent of the indemnifying Party, (iv) not entering into any settlement or compromise of any such action without the indemnifying Party's prior written consent, and (v) providing all reasonable assistance to the indemnifying Party that the indemnifying Party requests and ensuring that its officers, directors, representatives and employees and other indemnitees likewise provide assistance (provided that indemnifying Party reimburses the indemnified Party(ies) for its/their reasonable out-of-pocket expenses incurred in providing such assistance). An indemnifying Party will not enter into or otherwise consent to an adverse judgment or order, or make any admission as to liability or fault that would adversely affect the indemnified party, or settle a dispute without the prior written consent of the indemnified Party, which consent not to be unreasonably withheld, conditioned, or delayed.

e. **Third-Party Goods**. Notwithstanding anything in this Agreement to the contrary, Illumina shall have no indemnification obligations with respect to any goods or software originating from a third party, other than with respect to goods or software supplied to Customer under this Agreement. Third-party goods are those that are labeled or branded with a third-party's name. Customer's sole right to indemnification with respect to such third party goods or software shall be pursuant to the original manufacturer's or original licensor's indemnity, if any, to Customer, to the extent provided by the original manufacturer or original licensor.

10.2 **Indemnity (IVD Products)**. The following shall apply with respect to IVD Products:

a. **Indemnification by Illumina for Infringement**. Subject to the terms and conditions of this Agreement, including without limitation, the Exclusions to Illumina Indemnification Obligation (Section 10.2(b) below), Conditions to Indemnification Obligation (Section 10.2(d) below), Illumina shall (i) defend, indemnify and hold harmless Customer against any third-party claim or action alleging that the (A) Test Specific Products when used for the specific intended use set forth in its Documentation, and (B) the General Purpose Products when used for (x) the specific intended use set forth in its Documentation, or (y) Research Use or Clinical Use in accordance with these terms and conditions, and in accordance with the Product's Documentation and Specifications, infringes the valid and enforceable intellectual property rights of a third party, and (ii) pay all settlements entered into, and all final judgments and costs (including reasonable attorneys' fees) awarded against Customer in connection with such infringement claim. If the IVD Product or any part thereof, becomes, or in Illumina's opinion may become, the subject of an infringement claim, Illumina shall have the right, at its option, to (A) procure for Customer the right to continue using the IVD Product, or (B) modify or replace the IVD Product with a substantially equivalent non-infringing substitute (provided that Illumina bear the reasonable costs of transitioning to such substantially equivalent non-infringement substitute). This Section states the entire liability of Illumina for any infringement of third party intellectual property rights relating to IVD Products.

b. **Exclusions to Seller Indemnification Obligations**. For the avoidance of doubt, Illumina has no obligation to defend, indemnify or hold harmless Customer for any infringement claim to the extent such infringement arises from: (i) use of the IVD Product for any IVD Excluded Use, (ii) use of the IVD Product in any manner not in accordance with its specifications, its Documentation, or the rights expressly granted to Customer and restrictions imposed on Customer under these terms and conditions, including without limitation, any use of the IVD Product beyond the specific intended use set forth in its Documentation, (iii) use of the IVD Product in combination with any third party products, materials, or services (unless the IVD Product's Documentation or Specifications expressly state that such third party's good is for use with the IVD Product), (iv) use of the IVD Product to perform any assay or other process not supplied by Illumina, (v) Illumina's compliance with specifications or instructions for such IVD Product furnished by, or on behalf of, Customer, (vi) Customer's breach of any of these terms and conditions, or (vii) use of stand-alone third party goods that may be acquired or used with the IVD Products (unless the IVD Product's Documentation or Specifications expressly state that such third party's good is for use with the IVD Product) (each of (i) – (vii), is referred to as an "**IVD Excluded Claim**").

c. **Indemnification by Customer**. Customer shall defend, indemnify and hold harmless Illumina, its Affiliates, and their respective officers, directors, representatives, employees, successors and assigns (Illumina and each of the foregoing an "**IVD Illumina Indemnitee(s)**") against any claims, liabilities, damages, fines, penalties, causes of action, and losses of any and every kind (including reasonable attorneys' fees), based on the infringement of a third party's intellectual property rights resulting from, relating to, or arising out of any IVD Excluded Claim.

d. **Conditions to Indemnification Obligations**. The Parties' indemnification obligations under this Section 10.2 are subject to the Party seeking indemnification (i) notifying the other, indemnifying Party promptly in writing of the claim, (ii) giving indemnifying Party exclusive control and authority over the defense of such claim, (iii) not admitting infringement of any Intellectual Property Right without prior written consent of the indemnifying Party, (iv) not entering into any settlement or compromise of any such action without the indemnifying Party's prior written consent, and (v) providing all reasonable assistance to the indemnifying Party that the indemnifying Party requests and ensuring that its officers, directors, representatives and employees and other indemnitees likewise provide assistance (provided that indemnifying Party reimburses the indemnified Party(ies) for its/their reasonable out-of-pocket expenses incurred in providing such assistance). An indemnifying Party will not enter into or otherwise consent to an adverse judgment or order, or make any admission as to liability or fault that would adversely affect the indemnified party, or settle a dispute without the prior written consent of the indemnified Party, which consent not to be unreasonably withheld, conditioned, or delayed.

e. **Third-Party Goods.** Notwithstanding anything in this Agreement to the contrary, Illumina shall have no indemnification obligations with respect to any goods or software originating from a third party other than with respect to any such goods or software supplied to Customer under this Agreement. Third-party goods are those that are labeled or branded with a third-party's name. Customer's sole right to indemnification with respect to such third party goods or software shall be pursuant to the original manufacturer's or original licensor's indemnity, if any, to Customer, to the extent provided by the original manufacturer or original licensor.

10.3 **Insurance**. Customer shall obtain and maintain insurance coverage in commercially reasonable amounts.

XI. TERM AND TERMINATION

11.1 **Term**. This Agreement shall commence on the Effective Date and terminate 12 years thereafter unless otherwise terminated early as provided hereunder or extended longer by the mutual agreement of the Parties. The period from the Effective Date to the date the Agreement terminates or expires is the "**Term.**"

11.2 **Early Termination**. Without limiting any other rights of termination expressly provided in this Agreement or under Law, this Agreement may be terminated early as follows:

a. **Breach of Provision**. If a Party materially breaches this Agreement and fails to cure such breach within 30 days after receiving written notice of the breach from the other Party, the non-breaching Party shall have the right to terminate this Agreement with immediate effect by providing written notice of termination to the other Party. Notwithstanding the foregoing, and without limiting any other right or remedy of Illumina, breach by Customer of any term in Article III (Use Rights for Supplied Products) or Article IV (Intellectual Property), under this Agreement, gives Illumina the right to seek injunctive relief and/or to terminate this Agreement with immediate effect upon written notice.

b. **Bankruptcy and Insolvency**. A Party may terminate this Agreement, effective immediately upon written notice, if the other Party becomes the subject of a voluntary or involuntary petition in bankruptcy, for winding up of that Party, or any proceeding relating to insolvency, receivership, administrative receivership, administration liquidation or company voluntary arrangement or scheme of arrangement with its creditors that is not dismissed or set aside within 60 days.

c. **Termination for Regulatory Standards**. In the event that either Party is notified by a regulatory agency or government body, including without limitation the FDA or any foreign equivalent, or has a reasonable basis to believe, that its performance under this Agreement is illegal or violates any Law, then each Party has the right to terminate the full Agreement or the part(s) of the Agreement negatively affected by such ruling, upon 10 days prior written notice to the other Party and Illumina has the right to cease supplying the affected Supplied Product immediately.

d. **Termination for Change in Control with Sequencing Products Company**.

i. Customer shall promptly notify Illumina in writing if it undergoes any Change in Control transaction with a Sequencing Products Company and shall provide Illumina with the name of any parties to the transaction. Illumina shall have a 30 day period, that begins on the date of a Change in Control with a Sequencing Products Company and ends on the date that is the later of 30 days after such Change in Control or 30 days after receipt of notice of such Change in Control, to terminate the Agreement by written notice, unless prior to such Change in Control, Customer notified Illumina of the planned Change in Control (including the name of the party(ies) to the transaction) and Illumina agreed in writing to not exercise its right of termination set forth herein. Illumina agrees that it will not unreasonably withhold or delay its agreement to waive exercise of its right of termination.

ii. Termination pursuant to this Section 11.2(d) shall become effective on the date that is 6 months after the effective date of the Change of Control with a Sequencing Products Company.

iii. "**Change in Control**" will occur when: (A) any person or entity or group of persons or entities affiliated with a Sequencing Products Company becomes the beneficial owner of more than 50% of the issued share capital, or voting rights in, Customer or any Affiliate of Customer that controls Customer; (B) any person or entity or group of persons or entities affiliated with a Sequencing Products Company obtains the direct or indirect ability or power to direct or cause the direction of management policies of such other entity or otherwise direct the affairs of such other entity, whether through ownership of the voting securities of such other entity, by contract, or otherwise; or (C) the board of directors (or similar governing body), or if applicable the stockholders, of Customer or any Affiliate that controls Customer, as the case may be, approves the transfer, sale, or other disposition of all or substantially all the assets of Customer or Affiliate that controls Customer in one transaction or a series of related transactions to a Sequencing Products Company.

e. **By Customer for Convenience**. Customer has a unilateral right to terminate its supply relationship with Illumina at any time and for any reason without termination liability upon ninety (90) days' prior written notice to Illumina, provided, however, that Customer shall honor all invoices, which invoices shall be issued upon shipment, for Supplied Products ordered under a Purchase Order that was accepted by Illumina prior to the termination date. Illumina cannot terminate this Supply Agreement for convenience during the Term. Notwithstanding anything to the contrary herein, this Supply Agreement may not be terminated based solely on a claim relating to infringement of any Illumina Intellectual Property Rights.

11.4 **Survival of Obligations**. All definitions, all purchase commitments under open Purchase Orders, all payment obligations, Section 3.2 (Limitations on Customer Use; Excluded Uses), Article IV (Intellectual Property Rights), Sections 5.1 (Research Supplied Products), 5.2 (Regulatory Approvals), non-cancellation of Purchase Orders under Section 6.1 (Purchase Orders; Acceptance; Cancellation), title and risk of loss under Section 6.3 (Shipping Terms; Title and Risk of Loss; Ship Date Changes), Articles VII (Warranty), VIII (Confidential Information), IX (Limitations of Liability; Disclaimers; Representations), X (Indemnification; Insurance), Section

11.4 (Survival of Obligations), XIII (Additional Terms and Conditions) shall survive termination or expiration of the Agreement. With respect to Use Rights in Section 3.1, Customer has the right to use the units of Consumables supplied under this Agreement with Hardware until the expiration date of those Consumables. Termination or expiration of this Agreement shall not relieve the Parties of any liability or obligation that accrued hereunder prior to the effective date of such termination or expiration nor preclude either Party from pursuing all rights and remedies it may have hereunder or at law or in equity with respect to any breach of this Agreement, nor prejudice either Party's right to obtain performance of any obligation.

XII. ADDITIONAL TERMS AND CONDITIONS

12.1 **Governing Law; Jurisdiction**. This Agreement and any dispute or claim arising out of or in connection with it or its subject matter or formation shall be governed and construed in accordance with the laws of Delaware, without regard to provisions on the conflicts of laws. The Parties agree that the United Nations Convention on Contracts for the International Sale of goods shall not apply to this Agreement, including any terms in Documentation.

12.2 **Illumina Affiliates; Rights of Third Parties**. Customer agrees that Illumina may delegate or subcontract any or all of its rights and obligations under this Agreement to one or more of its Affiliates (excluding GRAIL, any subsidiary of GRAIL or any division of Illumina of which GRAIL will become a party following the close of Illumina's acquisition of GRAIL). Illumina invoices and other documentation may come from an Illumina Affiliate and Customer shall honor those just as if they came directly from Illumina. Notwithstanding anything to the contrary, Helix Holdings I, LLC, and its subsidiaries and members, are not Affiliates of Illumina for purposes of this Agreement. There are no third party beneficiaries to this Agreement and no term of this Agreement is enforceable under the Contracts (Rights of Third Parties) Act 1999 by a person or entity who is not a Party to this Agreement.

12.3 **Legal Compliance**. Nothing in this Agreement is intended, or should be interpreted, to prevent either Party from complying with, or to require a Party to violate, any and all applicable Laws. Should either Party reasonably conclude that any portion of this Agreement is or may be in violation of a change in a Law made after the Effective Date, or if any such change or proposed change would materially alter the amount or method of compensating Illumina for Supplied Products purchased by, or services performed for, Customer, or would materially increase the cost of Illumina's performance hereunder, the Parties agree to negotiate in good faith written modifications to this Agreement as may be necessary to establish compliance with such changes and/or to reflect applicable changes in compensation necessitated by such legal changes, with any mutually agreed upon modifications added to this Agreement by written amendment.

12.4 **Severability; No Waiver; Rights and Remedies**. If any provision or subsection of this Agreement is held invalid, illegal or unenforceable, it shall be enforced to the maximum extent permissible so as to effect the intent of the Parties, and the remainder of this Agreement will continue in full force and effect. The failure or delay of either Party to exercise any right or remedy provided herein or to require any performance of any term of this Agreement shall not be construed as a waiver, and no single or partial exercise of any right or remedy provided herein, or the waiver by either Party of any breach of this Agreement shall not prevent a subsequent exercise or enforcement of, or be deemed a waiver of any subsequent breach of, the same or any other term of this Agreement. No waiver of any right, condition, or breach of this Agreement will be effective unless in writing and signed by the Party who has the right to waive the right, condition or breach and delivered to the other Party.

12.5 **Assignment**. This Agreement may not be assigned by either Party except with the prior written consent of the other Party. Notwithstanding anything to the contrary, either Party (the "**Transferring Party**") may, without the consent of the other Party, assign or otherwise transfer this Agreement: (i) to an Affiliate of the Transferring Party or (ii) in connection with a change of control involving the Transferring Party.

12.6 **Export**. Customer agrees that the Supplied Products, or any related software or technology provided under this Agreement, are subject to the laws and regulations of the United States that govern exports and other trade controls and that may restrict transfers of such items to other countries and parties. Customer and its employees and agents shall not disclose, export or re-export, directly or indirectly, the Supplied Products or any related software and technology provided under this Agreement to any country, entity or other party which is ineligible to receive such items under U.S. laws and regulations, including regulations of the U.S. Department of Commerce or the U.S. Department of the Treasury, or under other laws or regulations to which Customer may be subject.

12.7 **Notices**. All notices required or permitted under this Agreement shall be in writing, in English, and shall be deemed received only when (a) delivered personally; (b) 5 days after having been sent by registered or certified mail, return receipt requested, postage prepaid (or 10 days for international mail); or (c) 1 day after deposit with a commercial express courier specifying next day delivery or, for international courier packages, 2 days after deposit with a commercial express courier specifying 2-day delivery, with written verification of receipt. All notices shall be sent to the following or any other address designated by a Party using the procedures set forth in this Sub-Section:

12.8 **Force Majeure**. Neither Party shall be in breach of this Agreement nor liable for any failure to perform or delay in the performance of this Agreement attributable in whole or in part to any natural cause beyond its reasonable control (each an event of "**Force Majeure**"). In the event of any such delay the delivery date for performance shall be deferred for a period equal to the time lost by reason of the delay. Notwithstanding anything in this Agreement to the contrary, Customer's payment obligations are not affected by this provision except to the extent the Force Majeure affects financial institutions and, as a result, the financial institutions cannot complete the transaction necessary for Customer to satisfy its payment obligations.

12.9 **Entire Agreement; Amendment**. This Agreement represents the entire agreement between the Parties regarding the subject matter hereof and supersedes all prior discussions, communications, agreements, and understandings of any kind and nature between the Parties, except for the Confidentiality Agreement. The Parties acknowledge and agree that by entering into this Agreement, they do not rely on any statement, representation, assurance or warranty of any person or entity other than as expressly set out in the Agreement. Nothing in this Section shall exclude or limit liability for fraud. No amendment to this Agreement will be effective unless in writing and signed by both Parties.

12.10 **Relationship of the Parties**. The Parties are independent contractors under this Agreement and nothing contained in this Agreement shall be construed as creating a partnership, joint venture or agency relationship between the Parties or, as granting either Party the authority to bind or contract any obligation in the name of the other Party, or to make any statements, representations, warranties or commitments on behalf of the other Party.

12.11 **Publicity; Use of Names or Trademarks**. Each Party shall obtain the prior written consent of the other Party on all press releases or other public announcements relating to this Agreement, including its existence or its terms, provided that a Party is not required to obtain prior written consent of the other Party for press releases or public disclosures that repeat information that has been previously publicly disclosed. Notwithstanding any of the foregoing, if required by Law, including without limitation by the U.S. Securities and Exchange Commission or any stock exchange or Nasdaq, then a Party may issue a press release or other public announcement regarding this Agreement, provided that the other Party has received prior written notice of such intended press release or public announcement and an opportunity to seek a protective order if practicable under the circumstances, and the Party subject to the requirement cooperates with the other Party to limit the disclosure and includes in such press release or public announcement only such information relating to this Agreement as is required by such Law to be publicly disclosed. Neither Party shall use the name or trademarks of the other Party without the express prior written consent of the other Party.

12.12 **Headings; Interpretation; Miscellaneous**. Sections, titles and headings in this Agreement are for convenience only and are not intended to affect the meaning or interpretation hereof. This Agreement has been negotiated in the English language and only the English language version shall control. Whenever required by the context, the singular term shall include the plural, the plural term shall include the singular, and the gender of any pronoun shall include all genders. As used in this Agreement except as the context may otherwise require, the words “include”, “includes”, “including”, and “such as” are deemed to be followed by “without limitation”, whether or not they are in fact followed by such words or words of like import, and “will” and “shall” are used synonymously. Except as expressly stated, any reference to “days” shall be to calendar days, and “business day” shall mean all days other than Saturdays, Sundays or a national or local holiday recognized in the United States, and any reference to “calendar month” shall be to the month and not a 30 day period, and any reference to “calendar quarter” shall mean the first 3 calendar months of the year, the 4-6th calendar months of the year, the 7-9th calendar months of the year, and the last 3 calendar months of the year. Whenever the last day for the exercise of any privilege or the discharge of any duty hereunder shall fall on, or any notice is deemed to be given on a Saturday, Sunday, or national holiday, the Party having such privilege or duty shall have until 5:00 pm PST on the next succeeding business day to exercise such privilege or to discharge such duty or the Party giving notice shall be deemed to have given notice on the next succeeding business day. It is further agreed that no usage of trade, course of performance, or other regular practice between the Parties hereto shall be used to interpret or alter the terms and conditions of this Agreement, including without limitation, the scope of use rights for each unit of Supplied Product supplied under this Agreement. Ambiguities, if any, in this Agreement shall not be construed against any particular Party, irrespective of which Party may be deemed to have authored the ambiguous provision.

12.13 **Counterparts**. This Agreement may be executed by electronic signature and in one or more counterparts, and each of which shall be deemed to be an original, and all of which shall constitute one and the same instrument.

12.14 **Costs**. Except as expressly provided in this Agreement, each Party shall pay its own costs incurred in connection with the negotiation, preparation, and execution of this Agreement any documents referred to in it.

a. **Confidentiality**. To the extent that Illumina may have access to confidential information ("**Confidential Information**") of Customer in connection with this Agreement or the provision of Certain Supplied Products by Illumina to Customer, Illumina shall in no event share such Confidential Information of Customer with GRAIL or any subsidiary of GRAIL, or any employees who work within GRAIL. Any Confidential Information received shall be used by Illumina only (i) to perform Illumina's product supply obligations, service or obligations under any agreement to Customer, or (ii) for performance of general business practices by non-technical functions (e.g., accounting, customer service) within Illumina, which functions shall have access to such information only on a need-to-know basis, and Illumina shall not use such Confidential Information for any other purpose, expressly including without limitation, for any of its own or Affiliates' internal purposes. 7. TERMINATION

Customer has a unilateral right to terminate its supply relationship with Illumina at any time and for any reason without termination liability upon ninety (90) days' prior written notice to Illumina, provided, however, that Customer shall honor all invoices, which invoices shall be issued upon shipment, for Certain Supplied Products ordered under a Purchase Order that was accepted by Illumina prior to the termination date. Illumina cannot terminate this Agreement for convenience during the Appendix A Term. If either party materially breaches this Agreement and fails to cure such breach within 60 days after receiving written notice of the breach, the non-breaching party shall have the right to terminate this Agreement by providing written notice to the other party; provided, however, that if such breach is curable, but not reasonably curable within such 60-day period, and the breaching Party is using commercially reasonable efforts to cure the breach, then such cure period will be extended to not longer than 180 days.

8. ENFORCEMENT

a. **Audit**. Illumina agrees to conduct an annual audit by an independent third-party auditor selected by Illumina from among the "Big 4" accounting firms to audit Illumina's compliance with the commitments set forth herein in Appendix A. Illumina will provide Customers with a written report (with reasonable redactions) confirming compliance with the commitments set forth herein in Appendix A. Illumina shall provide cooperation, including access to necessary books and records, in support of any audit conducted. To the extent Customer has a good faith basis for alleging that Illumina is in breach of a commitment contained herein, Illumina shall engage an auditor to assess Customer's allegation separate from and in addition to Illumina's annual audit.

b. **Arbitration**. If any dispute arises from or relates to this Agreement, including as a result of a dispute over terms in a separate agreement that incorporates the terms herein (the "Dispute"), other than claims involving infringement, validity, or enforceability of Intellectual Property Rights (whether Illumina's or Customer's), or about the scope of Intellectual Property Rights in an agreement, Illumina and Customer (each a "party" and together the "parties") shall submit the matter to confidential binding arbitration to determine final terms and conditions of the supply agreement, or to settle the dispute as to the terms of a supply agreement.

i. Prior to submitting any matter to arbitration, Illumina and Customer shall each designate a contact having the proper authorization to resolve the Dispute in a final and binding fashion, who shall meet in person or by telephone for a period of thirty (30) days (or such other period of time as Illumina and the Customer shall mutually agree) in an attempt to resolve the Dispute in good faith.

ii. The arbitration proceeding shall be conducted in accordance with the Commercial Arbitration Rules of the AAA and as otherwise described in this Section 12.b.

iii. The location of the arbitration proceeding will be mutually agreed by the parties. In the event there is no agreement as to location, the arbitration proceeding will take place in New York City, NY.

iv. Within five business days of the commencement of an arbitration, Customer and Illumina each shall furnish a legally binding writing to the other committing to maintain the confidentiality of the arbitration and of any written statement and discovery materials exchanged during the arbitration, and to limit the use of any such materials to the arbitration.

v. The Arbitrator shall be appointed in accordance with the applicable Rules. The fees and costs of the Arbitrator and the AAA shall be shared equally (50%/50%) by the parties; however, the Arbitrator shall be permitted to award fees and costs to the prevailing party in proportion to the overall award from the arbitration.

vi. Within twenty (20) days after the designation of the Arbitrator, the parties shall each simultaneously submit to the Arbitrator and one another a written statement of their respective positions on such Dispute. Each party shall have fifteen (15) days from receipt of the other party's submission to submit a written response thereto. The Arbitrator shall have the right to meet with the parties, either alone or together, as necessary to make a determination. Further, the Arbitrator shall have the right to request information and materials and to require and facilitate discovery as it shall determine is appropriate in the circumstances, taking into account the needs of the parties and the desirability of making discovery expeditious and cost-effective determinations. In reaching a decision, the Arbitrator may consider only documents exchanged in discovery between the parties, testimony explaining the documents and the parties' written statements and other materials submitted and arguments made by counsel.

vii. No later than thirty (30) days after the parties each submit their written statements to the Arbitrator, or as otherwise agreed by the parties, the Arbitrator shall make a determination and provide the parties with a written statement setting forth the basis of the determination in connection therewith. The decision of the Arbitrator shall be final, binding and conclusive, absent manifest error; judgment on the award may be entered in any court having jurisdiction. Neither party may disclose the existence, content, or results of any arbitration without the prior written consent of both parties, unless required by law or as needed to enforce the award.

c. **Choice of Law**. This Supply Agreement shall be governed by, and construed in accordance with, the laws of the State of New York, without giving effect to the conflicts-of-law principles thereof.

d. **Assignment**. This Agreement may not be assigned by either Party except with the prior written consent of the other Party. Notwithstanding anything to the contrary, either Party (the "**Transferring Party**") may, without the consent of the other Party, assign or otherwise transfer this Agreement: (i) to an Affiliate of the Transferring Party or (ii) in connection with a change of control involving the Transferring Party.

(iii) Waiver of Presentment. If the Outstanding Amount or any portion thereof is accelerated in accordance with the foregoing clauses (i) through (ii), such acceleration shall be deemed to have occurred in each case without presentment, demand, protest or any other notice of any kind, all of which are hereby expressly waived by the Company, anything contained herein to the contrary notwithstanding and the Company shall promptly pay to the Investor all amounts due and payable.

(e) *Material Default regarding Third-Party Indebtedness*. The Company shall be in material default under any agreement of the Company with any third party or parties which consists of the failure to pay any indebtedness for borrowed money at maturity or which results in a right by such third party or parties, whether or not exercised, to accelerate the maturity of such indebtedness for borrowed money of the Company, in each case, in an aggregate amount in excess of Fifty Million Dollars ($50,000,000).

3. Rights Upon Event of Default.

4. No Security; Subordination. This Note is a general unsecured obligation of the Company. 5. Conversion.

(a) *[Reserved]*.

(b) *Conversion at the Investor's Election upon the Maturity Date*. If this Note is outstanding at the Maturity Date and either (i) the Company has consummated a Qualified Financing during the twelve (12) months prior to the Maturity Date and/or (ii) the Company has consummated an Initial Public Offering, then, at the Investor's option, in its sole and absolute discretion, the Investor may elect (by delivering written notice to the Company prior to the Maturity Date) to convert the Outstanding Amount into a number of Equity Securities issued in such Qualified Financing (or, if the Company has consummated an Initial Public Offering, shares of Common Stock) equal to the quotient obtained by dividing (1) the Outstanding Amount on the Maturity Date by (2) the lowest price per share of the Equity Securities sold to the investors acquiring Equity Securities in such Qualified Financing or, if the Company has consummated an Initial Public Offering, the average of its last "trade" price on each trading day during the twenty (20)-day trading period ending immediately prior to the Maturity Date. If the Company has not consummated a Qualified Financing during the twelve (12) months prior to the Maturity Date or an Initial Public Offering at any time prior to the Maturity Date, the Investor shall not have the right to convert this Note pursuant to this Section 5(b) and instead this Note shall be subject to repayment in cash as otherwise set forth herein.

(c) *Section 5(b) Conversion Procedure*. The issuance of shares of Common Stock or other Equity Securities upon conversion of the Outstanding Amount pursuant to Section 5(b) shall be upon the terms and subject to the conditions applicable to the Qualified Financing or Initial Public Offering, as applicable. Upon such conversion of the Outstanding Amount, the Investor shall execute and deliver to the Company all transaction documents related to the Qualified Financing; provided, however, that such transaction documents are the same documents to be entered into with all other purchasers of the Equity Securities in connection with the Qualified Financing; and provided, further, that the Company will not subject the Investor to, or require the Investor to enter into any agreements with, any non-competition, non-solicitation, non-hire provisions or similar restrictive covenants (other than customary covenants regarding confidentiality). The Investor also agrees to deliver the original of this Note (or a notice to the effect that the original Note has been lost, stolen or destroyed and an affidavit of loss) at the time of conversion for cancellation; provided, however, that upon satisfaction of the conditions set forth in this Section 5(c), this Note shall be deemed converted and of no further force and effect, whether or not it is delivered for cancellation as set forth in this sentence.

(d) *Nature of Shares Issued*. When issued upon conversion of this Note pursuant to Section 5(b) hereof, the shares of Common Stock or other Equity Securities, as applicable (and any shares issued upon the conversion of such shares) will be validly issued, fully-paid and non-assessable.

(e) *Issuance of Certificates*. Upon conversion of this Note, the Company, at its expense, will cause to be issued in the name of and delivered to the Investor, uncertificated share in book entry form for (or, if certificated, a physical certificate representing) the number of shares of Common Stock or other Equity Securities, as applicable, to which the Investor is entitled pursuant to Section 5(b), bearing such legends as may be required by applicable federal and state securities laws in the opinion of legal counsel to the Company, by the Restated Certificate or Bylaws of the Company, or by any agreement between the Company and the Investor, together with any other securities and property to which the Investor is entitled upon such conversion under the terms of this Note.

(f) *Fractional Shares; Interest; Effect of Conversion*. No fractional shares or other equity interests shall be issued upon conversion of this Note. In lieu of the Company issuing any fractional shares or other equity interests to the Investor upon the conversion of this Note, the Company shall pay to Investor, within five (5) business days of the conversion of this Note, an amount in cash equal to the product obtained by multiplying the applicable conversion price by the fraction of a share or other equity interest not issued pursuant to the previous sentence. In addition, to the extent not converted into shares of capital stock or other equity interests, the Company shall pay to the Investor any interest accrued on the amount converted and on the amount to be paid to Company pursuant to the previous sentence.

(g) *Notices of Record Date*. In the event of:

(i) Any taking by the Company of a record of the holders of any class of securities of the Company for the purpose of determining the holders thereof who are entitled to receive any dividend or other distribution or any right to subscribe for, purchase or otherwise acquire any shares of stock of any class or any other securities or property, or to receive any other right; or

(ii) Any capital reorganization of the Company, any reclassification or recapitalization of the capital stock or other equity interests of the Company; or

(iii) Any Corporate Transaction or Initial Public Offering; or

(iv) Any voluntary or involuntary dissolution, liquidation or winding-up of the Company,

the Company will mail to the Investor at least ten (10) days prior to the earliest date specified therein, a notice specifying (A) the date on which any such record is to be taken for the purpose of such dividend, distribution or right and the amount and character of such dividend, distribution or right, (B) the date on which any such reorganization, reclassification, transfer, consolidation, merger, dissolution, liquidation, winding-up, Corporate Transaction or Initial Public Offering is expected to become effective, the record date for determining stockholders or other equity holders entitled to vote thereon, and (C) with respect to any Corporate Transaction or Initial Public Offering, a description of such event in reasonable detail, including the aggregate estimated amount to be paid to or received by the holders of shares in connection with the pending transaction and the anticipated price per share to be paid in such Initial Public Offering or Corporate Transaction.

(h) *Antitrust Matters*. Notwithstanding the foregoing or anything to the contrary herein, in the event that the Investor, at its option and in its sole and absolute discretion, determines that an Antitrust Approval should be obtained in respect of the conversion of this Note into shares of Common Stock or other Equity Securities, as applicable, pursuant to the terms hereof (the "***Conversion Stock***"), then (i) the Investor and the Company will work in good faith to, and use their commercially reasonable efforts to as expeditiously as possible, file all required or warranted filings, declarations or notices with respect to regulatory authorities as are necessary or desirable to obtain Antitrust Approval; and (ii) if the only Antitrust Approval required in connection with the conversion of this Note is approval under the HSR Act, then in lieu of this Note converting into shares of Conversion Stock, this Note shall instead convert into the same number of shares of a newly created series of preferred stock or Common Stock (the "***New Stock***") having identical rights, privileges, preferences and restrictions as the Conversion Stock, except that the New Stock shall not be entitled to vote for the Company's directors or the size of the Company's Board of Directors and such New Stock shall be automatically converted into Conversion Stock on a one-for-one basis at the time that the applicable Hart-Scott-Rodino waiting period shall have expired or been terminated or such time as approval under the HSR Act is no longer required with respect to such shares; provided, however, that notwithstanding the foregoing, if the Investor determines, at its option and in its sole and absolute discretion, that an Antitrust Approval under any non-US competition law should be obtained in connection with the conversion of this Note into Conversion Stock, the Conversion Stock subject to such non-US Antitrust Approval shall not actually be issued to the Investor and no rights associated with those shares shall be exercised by the Investor until such non-US Antitrust Approval is obtained on terms acceptable to the Investor and all applicable waiting or other time periods or limitations (including any extensions thereof) having expired, lapsed or otherwise terminated. The Company shall use its commercially reasonable efforts to provide all information and documents requested by the Investor as soon as reasonably possible in order to facilitate prompt submission of all filings, declarations, or notices made pursuant to this Section 5(h). Notwithstanding the provisions of the foregoing in this Section 5(h), and to the extent consistent with applicable Law including antitrust Laws, if this Note is converted into shares of Conversion Stock or New Stock, this Note shall be deemed to be converted in accordance with this Section 5 as of the initial date the Company or the Investor, as applicable, delivers written notice to the other party requesting to convert this Note pursuant to Section 5(b), and all of the Company's obligations under this Note shall be terminated and of no further force or effect at such time, other than the Company's obligations to issue shares of Conversion Stock to the Investor in accordance with this Section 5. Notwithstanding anything to the contrary in the foregoing, if the Investor has determined that a non-US Antitrust Approval under any non-US competition law should be obtained, and such non-US Antitrust Approval is not obtained within one (1) year following the filing, declaration or other submission required to be made in connection with such non-US Antitrust Approval such that the Investor has not converted into shares of Conversion Stock, then the Company shall use commercially reasonable efforts to provide the Investor with another instrument, contractual arrangement or security which provides the Investor with the same economic rights and benefits as the shares of Conversion Stock to be issued to the Investor upon the conversion of this Note (or in the event that no instrument, contractual arrangement or security is available under such non-US competition law to provide the Investor the same economic rights and benefits as the

shares of Conversion Stock, with cash); provided, that, if a Corporate Transaction or Initial Public Offering occurs prior to such one (1)-year anniversary, then for purposes of allocating any consideration payable in connection with the consummation of such Corporate Transaction or Initial Public Offering, the Investor shall be treated as if it held the shares of Conversion Stock to be issued upon the conversion of this Note immediately prior to the consummation of such Corporate Transaction or Initial Public Offering.

This Note shall be construed and enforced in accordance with, and governed by, the internal laws of the State of Delaware, without regard to the law of the State of Delaware or any other state applicable to conflicts of laws. The parties hereto agree that the exclusive venue for disputes between them shall be resolved by the Delaware Court of Chancery (or if the Delaware Court of Chancery declines to accept jurisdiction over a particular action or proceeding, any federal and state courts located in the State of Delaware), and each of the parties hereto waives any objection it may have to the personal jurisdiction of or venue in such courts.

19. No Rights as an Equity Holder. This Note does not entitle the Investor to any voting rights or other rights as an equity holder of the Company, unless and until (and only to the extent that) this Note is actually converted into Common Stock or Equity Securities in accordance with its terms. In the absence of conversion of this Note, no provisions of this Note, and no enumeration herein of the rights or privileges of the Investor, shall cause the Investor to be an equity holder of the Company for any purpose.

20. Counterparts. This Note may be executed in any number of counterparts, each of which when so executed and delivered shall be deemed an original, and such counterparts shall together constitute one and the same instrument. Counterparts may be delivered via facsimile, electronic mail (including pdf or any electronic signature complying with the U.S. federal ESIGN Act of 2000, e.g., www.docusign.com) or other transmission method, and any counterpart so delivered shall be deemed to have been duly and validly delivered and be valid and effective for all purposes.

21. Further Assurances. Neither the Company nor, to the Company's knowledge, any of its officers, directors or Key Employees is a party or is named as subject to the provisions of any Order (in the case of officers, directors or Key Employees, such as would affect the Company). There is no action, suit, proceeding or investigation by the Company pending or which the Company intends to initiate. 1.8 Intellectual Property.

(a) The Company owns or possesses sufficient legal rights to all patents comprising Company Intellectual Property without any known conflict with, or violation or infringement of, the rights of others. The Company owns or possesses sufficient legal rights to all Company Intellectual Property (other than patents) without any known conflict with, or infringement of, the rights of others. The Company Intellectual Property is sufficient for the conduct of the Company's business as currently conducted and as presently proposed to be conducted, except for such items which have yet to be conceived or developed or for which the Company expects to be able to obtain on commercially reasonable terms. To the Company's knowledge, no product or service marketed or sold (or proposed to be marketed or sold) by the Company violates or will violate any license or infringes or will infringe any intellectual property rights of any other party. Other than with respect to commercially available software products under standard end-user object code license agreements, there are no outstanding options, licenses, agreements, claims, encumbrances or shared ownership interests of any kind relating to the Company Intellectual Property, nor is the Company bound by or a party to any options, licenses or agreements of any kind with respect to the patents, trademarks, service marks, trade names, copyrights, trade secrets, licenses, information, proprietary rights and processes of any other Person. The Company has not received any communications alleging that

the Company has violated, or by conducting its business, would violate any of the patents, trademarks, service marks, tradenames, copyrights, trade secrets, mask works or other proprietary rights or processes of any other Person. There is no claim, action, suit, proceeding, arbitration, complaint, charge or investigation pending or, to the Company's knowledge, currently threatened that any of the Company Intellectual Property is invalid or contesting the ownership or right of the Company to exploit any of the Company Intellectual Property, nor, to the Company's knowledge, is there any basis for any such claim, action, suit, proceeding, arbitration, complaint, charge or investigation. The Company has obtained and possesses valid licenses to use all of the software programs present on the computers and other software-enabled electronic devices that it owns or leases or that it has otherwise provided to its employees for their use in connection with the Company's business. To the Company's knowledge, it will not be necessary to use any inventions of any of its employees or consultants (or Persons it currently intends to hire) made prior to their employment by the Company. Each employee and consultant has assigned to the Company all intellectual property rights he or she owns that are related to the Company's business as now conducted and as presently proposed to be conducted, and the Company has made available copies of all such assignments to the Investor. Section 1.8 of the Disclosure Schedule lists all Company patents, patent applications, trademarks, trademark applications, service marks, service mark applications, tradenames, copyrights, and licenses to and under any of the foregoing.

(b) The Company has not modified any open source, copyleft or community source code and embedded such material in any of its products generally available or otherwise distributed to third parties or in development to be provided to third parties (including but not limited to any libraries or code licensed under any General Public License, Lesser General Public License or similar license arrangement) if the modification and embedding of such open source material would require Company to (i) make available any source code for its proprietary software to the licensor or third parties, or (ii) distribute or make available any of the Company Intellectual Property. For purposes of this Section 1.8 of this Exhibit A, the Company shall be deemed to have knowledge of a patent right if the Company has actual knowledge of the patent right or would be found to be on notice of such patent right as determined by reference to United States patent laws.

(c) No government funding and no facilities of a university, college, or other educational institution or research center were used in the development of any Company Intellectual Property. No current or former director, officer, employee, consultant or independent contractor of the Company, who was involved in, or who contributed to, the creation or development of any Company Intellectual Property, has performed services for any government, university, college or other educational institution or research center during a period of time during which such director, officer, employee, consultant or independent contractor was also performing services for the Company (in each case in a manner that would cause conflict with the Company's exclusive ownership of the Company Intellectual Property). No governmental agency has or retains any right, title or interest of any kind in or to any Company Intellectual Property by virtue of such participation or otherwise.

11.7 If an invoice is disputed, AstraZeneca shall notify Tempus in writing not later than **[***]** from the date of receipt of such disputed invoice specifying the reasons for disputing the invoice. AstraZeneca and Tempus will discuss such disputed invoice in good faith within **[***]** after Tempus acknowledges the invoice has been disputed, whereby Tempus shall provide all evidence as may be reasonably necessary to verify such disputed invoice. Tempus may invoice for any Services that are not disputed while working to correct the disputed invoice.

11.8 If either Party fails to pay any amount due under this agreement within **[***]** after payment is due, then such paying Party shall pay interest thereon at no more than an annual rate equal to the lesser of (i) **[***]**. "Reference Rate" means **[***]**.

11.9 **[***]**.

12. Tax.

12.1 Deductions and Withholdings. If a deduction or withholding for or on account of tax ("**Tax Deduction**") is required by law to be made by AstraZeneca, AstraZeneca shall deduct or withhold from the payments any taxes that it is required by Applicable Law to deduct or withhold. AstraZeneca shall not be required to make an increased payment to Tempus where a Tax Deduction is required. AstraZeneca shall cooperate reasonably with Tempus to reduce or recover the Tax Deduction (e.g., by completing prescribed forms) provided that AstraZeneca shall not apply a reduced rate of Tax Deduction unless Tempus has provided evidence, in a form satisfactory to AstraZeneca of authorization to do so.

12.2 Indirect Taxes. All payments under this Agreement are stated exclusive of any Indirect Tax. Accordingly, if any Indirect Tax is chargeable on the recipient of a payment in respect of such payment, the party making such payment shall pay an additional amount equal to such Indirect Tax at the applicable rate in respect of such payment, on the due date of the payment to which such Indirect Tax relates. The Parties shall promptly issue appropriate Indirect Tax invoices in respect of all goods and services supplied under this Agreement consistent with applicable Indirect Tax requirements, and to the extent an invoice is not initially issued in an appropriate form, they shall cooperate to provide such information or assistance as may be necessary to enable the issuance of such invoice consistent with Indirect Tax requirements.

12.3 Anti-Tax Evasion. Each of AstraZeneca and Tempus represents, warrants and undertakes that it shall not commit a tax evasion facilitation offence under Part 3 of the UK Criminal Finances Act 2017 in connection with or otherwise attributable to this Agreement or the transactions contemplated hereby.

other Party (or any agent of such Party) at any reasonable time specified by the inquiring Party related to such Party's compliance with Section 12.3, and (iii) co-operate with the inquiring Party or any government, state or municipality or any local, state, federal or other fiscal, revenue, customs or excise authority, body or official anywhere in the world ("**Tax Authority**") in relation to any investigation relating to the matters referred to in Section 12.3, in all cases, as reasonably required to enable that other Party to comply with its undertaking in Section 12.3.

13. Intellectual Property.

13.1 AstraZeneca Materials.

(a) "**AstraZeneca Materials**" means **[***]**.

(b) AstraZeneca is and will remain the owner of all Intellectual Property Rights in the AstraZeneca Materials. Ownership of all Third Party Materials and of all Intellectual Property Rights therein, is and will remain with the respective owners thereof, subject to any express licenses or sublicenses granted to Tempus pursuant to or in accordance with this Agreement.

(a) Subject to Section 13.2(b), AstraZeneca shall own all AstraZeneca Project Inventions **[***]**.

(b) Tempus shall own all Tempus Project Inventions and Intellectual Property Rights therein. **[***]**.

(c) If a Project Invention constitutes AstraZeneca Core IP and (but for the exclusion of **[***].**

(d) **[***]**.

(e) Each Party shall do and execute, or arrange for the doing and executing of, each necessary act, document and thing that the other Party may consider necessary or desirable to perfect the right, title and interest of such other Party in and to the relevant Project Inventions and Intellectual Property Rights therein, free and clear of all encumbrances and liens of any kind, as may be required to give effect to the other provisions of this Section 13.3.

(f) Notwithstanding anything to the contrary herein, Licensed Data shall always remain subject to the license terms set forth in **Exhibit B**.

13.4 Restrictions. AstraZeneca agrees not to disclose, sell, sublicense or otherwise transfer or make available all or any portion of the Tempus Materials to, or use the Tempus Materials to provide services to, any third party (other than an AstraZeneca Affiliate) without the prior written consent of Tempus, other than as specifically provided for in a license granted to such Tempus Materials either pursuant to Sections 13.2 or 13.3, above, or in a Statement of Work or as otherwise permitted by this Agreement. Otherwise, nothing contained in this Agreement shall directly or indirectly be construed to assign or grant to AstraZeneca any right, title or interest in or to the trademarks, copyrights, patents or trade secrets of Tempus or any ownership rights in or to the Tempus Materials. AstraZeneca shall not cause or permit the reverse engineering, reverse assembly, or reverse compilation of, or otherwise attempt to derive source code from, the Tempus Materials.

14. Error/Delay in Performance of the Services.

14.1 In the event of an error or delay by Tempus in the performance of the Services, whereby such error or delay renders the Services or Deliverables (in whole or in part) unacceptable to AstraZeneca, then without limiting any other right or remedy of AstraZeneca:

(a) AstraZeneca shall promptly notify Tempus in writing, detailing the issues and areas of concern.

(b) Tempus shall, within **[***]** of notifying AstraZeneca, provide to AstraZeneca a proposed formal action plan to remedy such error or delay.

(c) The Parties shall discuss such action plan in good faith and within **[***]** of delivery of the action plan both Parties will meet to discuss progress.

(d) In the event such errors or delays (as the case may be) continue, in AstraZeneca's sole discretion, AstraZeneca shall have the right to escalate the matter to JSC for consideration.

14.2 Notwithstanding Section 14.1 above and without limiting any other right or remedy available to AstraZeneca, in the event of a notified error or delay in the performance of the Services, AstraZeneca may:

Except to the extent expressly specified in a Statement of Work, the Services and Licensed Data are not subject to exclusivity obligations under this Agreement.

16. Term, Termination, and Survival.

16.1 This Agreement shall commence as of the Effective Date and shall continue thereafter through December 31, 2026, unless sooner terminated pursuant to this Section 16 (the "**Term**").

16.2 Each Statement of Work shall commence on the date of execution, and continue in accordance with its terms, unless sooner terminated pursuant to the Sections of this Agreement, or the terms of such Statement of Work. For the avoidance of doubt, expiry of this Agreement shall not itself cause the termination of any then-existing Statements of Work.

16.3 AstraZeneca, **[***]**. For clarity, AstraZeneca shall remain responsible for the Financial Commitment notwithstanding the termination of any Statement of Work pursuant to this Section.

16.4 Termination of a Statement of Work alone will not result in the termination of this Agreement or the termination of any other Statement of Work. Upon the termination of this Agreement for any reason (but excluding its expiration), all Statements of Work then in effect will automatically terminate and Tempus will cease performing the Services, unless AstraZeneca requests that Tempus complete one or more of the Services. In such case, and provided the Agreement has not been terminated due to AstraZeneca's uncured material breach, the rights and obligations of the Parties under this Agreement will continue in effect with respect to such Services until completion.

16.5 Either Party may terminate this Agreement, effective upon written notice to the other Party (the "**Defaulting Party**"), if the Defaulting Party:

(a) materially breaches this Agreement, and such breach is incapable of cure, or with respect to a material breach capable of cure, the Defaulting Party does not cure such breach within thirty (30) days after receipt of written notice of such breach;

(b) becomes insolvent or admits its inability to pay its debts generally as they become due;

(c) becomes subject, voluntarily or involuntarily, to any proceeding under any domestic or foreign bankruptcy or insolvency law, which is not fully stayed within seven (7) Business Days or is not dismissed or vacated within forty-five (45) days after filing;

(e) makes a general assignment for the benefit of creditors; or

(f) has a receiver, trustee, custodian, or similar agent appointed by order of any court of competent jurisdiction to take charge of or sell any material portion of its property or business.

16.6 Without limiting any other right or remedy of AstraZeneca, AstraZeneca may terminate this Agreement, effective upon written notice to Tempus:

(a) **[***]**;

(b) **[***]**;

(c) for convenience at any time, provided that where at the effective date of the termination of this Agreement AstraZeneca has not fulfilled its Financial Commitment in accordance with **Exhibit E**, then AstraZeneca will be liable to pay Tempus the balance of its unfulfilled Financial Commitment, i.e., the unfulfilled portion of two hundred million dollars ($200,000,000) if the MC Extension Option has not been exercised, or three hundred million dollars ($300,000,000) if the MC Extension Option has been exercised;

(d) (i) Tempus or one of Tempus' employees is convicted of a crime involving pharmaceutical counterfeiting, diversion or illegal trade, (ii) there is sufficient evidence of Tempus' involvement in counterfeiting, diversion or illegal trade, and the involvement was either knowing or the result of a failure to establish necessary preventative controls, or (iii) there is a publicly announced investigation by a Regulatory Authority relating to any suspected or actual violation of Applicable Laws relating to anti-corruption or anti-bribery by Tempus or any Affiliates, consultants, agents, representatives or sub-contractors of Tempus or its Affiliates connected with this Agreement; or

(i) Tempus is prevented or restricted by Applicable Law (including as a result of a court order or action of a Regulatory Authority) from providing all or a material part of the Services or Licensed Data in the form contemplated under this Agreement and Tempus does not remedy the same within thirty (30) days of the commencement of such prevention or restriction.

16.7 Without limiting any other right or remedy of AstraZeneca, AstraZeneca may terminate this Agreement (in whole or in part, with respect to any Statement of Work), effective upon (a) Tempus' failure to perform an obligation under this Agreement or Statement of Work (whether or not a repudiatory breach) that has been, or substantially similar failures have been, repeated sufficiently often to have a materially adverse impact on the use or enjoyment of the Services or Deliverables (including material detriment to the quality of Services or Deliverables or Licensed Data as provided in **Exhibit B**) or the business of AstraZeneca; (b) Tempus failing to remedy such breach within **[***]**; and (c) AstraZeneca having previously informed Tempus that if the failure or a substantially similar failure is repeated AstraZeneca may wish to terminate this Agreement.

16.8 Upon expiration or termination of this Agreement or Statement of Work for any reason, Tempus shall promptly (and in the case of a Statement of Work, to the extent applicable to such Statement of Work):

(a) deliver to AstraZeneca all documents, work product, and other materials and Deliverables, whether or not complete, prepared by or on behalf of Tempus in the course of performing the Services for which AstraZeneca has paid;

(b) at AstraZeneca's direction, return to AstraZeneca or permanently erase/destroy all AstraZeneca Materials;

Notwithstanding the foregoing, Tempus shall also be permitted to retain such additional copies of or any computer records or files containing such Confidential Information that have been created solely by Tempus' automatic archiving and back-up procedures, to the extent created and retained in a manner consistent with Tempus' standard archiving and back-up procedures, but not for any other use or purpose;

(e) provide reasonable cooperation and assistance to AstraZeneca upon AstraZeneca's written request in transitioning the Services to an alternate service provider;

(f) on a pro rata basis, repay all fees and expenses paid in advance for any Services, Deliverables, Licensed Data or other elements that have not been provided;

(g) certify (through an authorized officer of Tempus) in writing to AstraZeneca that it has complied with the requirements of this Section 16.8; and

(h) provide all transition and exit assistance as provided in the relevant Statement of Work.

16.9 Upon expiration or termination of this Agreement or Statement of Work for any reason, AstraZeneca shall promptly (and in the case of a Statement of Work, to the extent applicable to such Statement of Work):

(a) at Tempus' direction, return to Tempus or permanently erase/destroy all Tempus Materials (including Licensed Data) except that AstraZeneca shall be permitted to retain such copies of such Tempus Materials as are reasonably required for the sole purpose of performing any obligations or exercising rights (including exploiting Deliverables and AstraZeneca Project Inventions, and with respect to Licensed Data under Exhibit B) under this Agreement that survive expiry or termination of this Agreement or for archival purposes. Notwithstanding the foregoing, AstraZeneca shall also be permitted to retain such additional copies of or any

computer records or files containing such Tempus Materials that have been created solely by AstraZeneca's automatic archiving and back-up procedures, to the extent created and retained in a manner consistent with AstraZeneca's standard archiving and back-up procedures, but not for any other use or purpose. For clarity, nothing in the foregoing shall operate to terminate, limit or otherwise affect the rights and licenses with respect to Licensed Data that are granted under Exhibit B;

(c) At Tempus' direction, deliver to Tempus or permanently erase/destroy, all of Tempus' Confidential Information, including any and all documents and tangible materials (and any copies) containing, reflecting, incorporating, or based on Tempus' Confidential Information except that AstraZeneca shall be permitted to retain such copies of such Confidential Information as are reasonably required for the sole purpose of performing any obligations or exercising rights (including exploiting Deliverables and AstraZeneca Project Inventions, and with respect to Licensed Data under Exhibit B) under this Agreement that survive expiry or termination of this Agreement or for archival purposes. Notwithstanding the foregoing, AstraZeneca shall also be permitted to retain such additional copies of or any computer records or files containing such Confidential Information that have been created solely by AstraZeneca's automatic archiving and back-up procedures, to the extent created and retained in a manner consistent with AstraZeneca's standard archiving and back-up procedures, but not for any other use or purpose. For clarity, nothing in the foregoing shall operate to terminate, limit or otherwise affect the rights and licenses with respect to Licensed Data that are granted under Exhibit B; and

(d) certify (through an authorized officer of AstraZeneca) in writing to Tempus that it has complied with the requirements of this Section 16.9; and

(e) upon the later of (i) expiry or termination of this Agreement, and (ii) the last to expire or terminate Statement of Work, the following shall survive: Sections 1, 7.1, 8, 10, 13, 15, 16, 17, 19.1, 19.3, 22, 23, 24, 25, 26, 27, 28, 29, 30.1, 30.2, 30.3, 30.4, paragraphs 1, 2 and 4 of Exhibit B, and Exhibit D.

17. Independent Contractor.

17.1 Each Party expressly understands and agrees that the other is an independent contractor in the performance of each and every part of this Agreement and nothing in this Agreement operates or may be construed as constituting the Parties as partners, joint venturers, principals, joint employers, agents or employees of or with the other. Each Party is solely responsible for all of its employees and agents and its labor costs and expenses arising in connection therewith. AstraZeneca shall have the right to inspect the work of Tempus as it progresses solely for the purpose of determining whether the work is completed according to the applicable Statement of Work.

17.2 Tempus has no authority to commit, act for or on behalf of AstraZeneca, or to bind AstraZeneca to any obligation or liability.

17.3 Tempus shall not be eligible for and shall not receive any employee benefits from AstraZeneca and shall be solely responsible for the payment of all taxes, FICA, federal and state unemployment insurance contributions, state disability premiums, and all similar taxes and fees relating to the fees earned by Tempus hereunder.

18.2 Tempus represents and warrants, and undertakes, that:

(a) it shall dedicate all appropriate resources to fulfilling its obligations under this Agreement and shall ensure it is not, and will not be, a party to any agreement or under any condition that would in any way prevent, or impede, its ability to provide the Services, without first obtaining the prior written permission of AstraZeneca;

(b) unless otherwise expressly agreed in a Statement of Work, any Licensed Data provided or made available to AstraZeneca by Tempus shall not contain any Personal Data:

(i) that can be used to directly identify any natural persons;

(ii) **[***]**;

(iii) **[***]**;

(iv) **[***]**

(v) **[***]**,

(c) there is no claim or litigation pending or claim that was previously asserted in writing against Tempus or any of its Affiliates (and Tempus has no knowledge of any claim, whether or not pending or asserted), and to Tempus' knowledge, no such claim will be made during the Term, by any Person alleging that (i) Tempus Materials or Tempus' Intellectual Property Rights are invalid or unenforceable or (ii) the possession, collection, acquisition, access, retention, storage, transfer, disclosure, protection, or other use or exploitation of any Licensed Data, Services, or Tempus Materials violates, infringes, constitutes misappropriation or otherwise conflicts or interferes with, or would violate, infringe or otherwise conflict or interfere with, any Intellectual Property Rights or proprietary right of any Person;

(d) it and its employees and subcontractors have all of the necessary qualifications, consents (including from the individuals from whom the Licensed Data is derived, to the extent necessary under Applicable Law), licenses, permits or registrations to license the Licensed Data and perform the Services, in accordance with the terms and conditions of this Agreement, and at all times during the Term, all such qualifications, licenses, permits or registrations shall be current and in good standing;

(e) Tempus has obtained all necessary rights, consents, authorizations or permissions to (i) create, process, and provide all Licensed Data (including in relation to the creation of De-Identified Information from any Protected Health Information, as such terms are defined under HIPAA) to AstraZeneca for use, disclosure and any other purpose contemplated by the terms of this Agreement and has done so in accordance with all Applicable Law (including having ensured that all appropriate notices to the subjects of such Licensed Data have been provided) and (ii) Tempus' rights to De-Identified Information included in the Licensed Data are perpetual and non-terminable;

(j) it shall ensure that all Protected Health Information (as defined under HIPAA), extracts thereof or other data related thereto contained in Licensed Data have been de-identified in accordance with a methodology set forth under HIPAA and other Applicable Law, including HIPAA, and that no Deliverable shall include data or information that has not been so de-identified or that otherwise permits the identification of the individuals or patients from whose data the Deliverable is derived. At AstraZeneca's request Tempus shall certify its compliance with the foregoing to AstraZeneca annually in writing, including by providing a summary of all applicable expert certifications. Tempus shall notify AstraZeneca upon the expiration or revision of any such certifications. For the avoidance of doubt, Tempus's failure to comply with this Section shall be deemed a material breach of this Agreement;

(k) **[***]**; and

(l) **[***]** every calendar year beginning from **[***]** and lasting until **[***]**. AstraZeneca acknowledges that **[***]**.

18.3 If any AstraZeneca Materials or other information provided or made available to Tempus under this Agreement include any Protected Health Information as that term is defined under the HIPAA, AstraZeneca agrees that it is solely AstraZeneca's responsibility to ensure that AstraZeneca has obtained all necessary rights, consents or permissions to provide such information to Tempus for use in accordance with the terms of this Agreement and done so in accordance with all Applicable Law.

18.4 EXCEPT AS EXPRESSLY SET FORTH IN THIS AGREEMENT, NEITHER PARTY MAKES ANY, AND EACH PARTY HEREBY SPECIFICALLY DISCLAIMS ANY, REPRESENTATIONS OR WARRANTIES, EXPRESS OR IMPLIED, REGARDING ITS ACTIVITIES CONTEMPLATED BY THIS AGREEMENT, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT AND IMPLIED WARRANTIES ARISING FROM COURSE OF DEALING OR COURSE OF PERFORMANCE.

19. Remedies.

19.1 If Tempus breaches any provision of this Agreement, AstraZeneca shall, in addition to any damages to which it is entitled, be entitled to seek immediate injunctive relief against Tempus prohibiting further actions inconsistent with Tempus' obligations under this Agreement. Each Party acknowledges that its threatened or actual breach of its respective obligations under Sections 7.1, 7.2, 8 or 24 may cause irreparable harm to the other Party such that compensation in damages may not be adequate and such other Party is entitled to seek injunctive relief (without limiting any other right or remedy available to it) for such a threatened or actual breach.

19.2 Without limiting any other right or remedy available to AstraZeneca, if any Services or Deliverables are not provided in accordance with this Agreement or any Statement of Work in any respect, Tempus agrees to, **[***]**.

19.3 All rights and remedies provided in this Agreement are cumulative and not exclusive, and the exercise by either Party of any right or remedy does not preclude the exercise of any other rights or remedies that may now or subsequently be available at law, in equity, by statute, in any other agreement between the Parties, or otherwise.

20. Compliance with Applicable Law.

20.1 Each Party represents, warrants and undertakes that it shall comply with, all Applicable Law in the performance of its obligations under this Agreement. Without limiting the foregoing, Tempus has and shall maintain in effect all the licenses, permissions, authorizations, consents, and permits that it needs to carry out its obligations under this Agreement.

20.2 Tempus and AstraZeneca agree that the funds provided hereunder are not being given in exchange for any explicit or implicit agreement to purchase, prescribe, recommend, influence or provide favorable formulary status for any of AstraZeneca's products. This Agreement is not for the purpose of promoting any product, service, or company. AstraZeneca shall not, and shall ensure that the AstraZeneca Affiliates do not, offer any inducements to Tempus, any of their Affiliates, their volunteers, or any health care providers relating to this Agreement.

20.3 Any physician licensed to practice in the U.S. and any U.S. teaching hospital is a "Covered Recipient." A "Payment or Transfer of Value" is any payment or transfer of value as defined in the U.S. Physician Payment Sunshine Act (42 USC 1320a-7h(e)) and implementing regulations (42 CFR 403.900 et seq.), and includes compensation, reimbursement for expenses, meals, travel, medical journal reprints, study drug study supplies and medical writing and publications assistance. Tempus acknowledges and agrees that any direct or indirect Payments or Transfers of Value to Covered Recipients are subject to transparency reporting requirements, including disclosure on AstraZeneca's website. Tempus shall not knowingly make any indirect or direct Payment or Transfer of Value to a Covered Recipient on behalf of AstraZeneca in connection with this Agreement. Tempus and AstraZeneca acknowledge and agree that none of the licenses to Licensed Data and the Services described in the Statements of Work executed prior to the Effective Date or contemplated by this Agreement will give rise to or constitute a reportable Payment or Transfer of Value.

20.4 Tempus and AstraZeneca and their respective Affiliates, representatives, agents and employees shall comply with the U.S. Foreign Corrupt Practices Act, as amended, the UK Bribery Act of 2010, and any other applicable anti-corruption laws for the prevention of fraud, racketeering, money laundering or terrorism, and shall not knowingly taken any action that will, or would reasonably be expected to, cause the other Party or its Affiliates to be in violation of any such laws or policies.

20.5 The Parties mutually acknowledge and agree that (i) any rights granted and Services to be provided by Tempus to AstraZeneca under this Agreement do not reflect remuneration in exchange for data in a manner that constitutes a prohibited sale of PHI (as defined by HIPAA) under HIPAA; and (ii) any fees to be paid by AstraZeneca or any of its Affiliate hereunder or in any Statement of Work are intended to reflect the fair market value of the rights and Services to be received and do not reflect remuneration in exchange for data in a manner that constitutes a prohibited sale of PHI under HIPAA.

21. Insurance.

Tempus shall maintain during the Term insurance coverage of the types and in the amounts typically carried by Tempus of the types of Services and Deliverables within this Agreement. Tempus shall provide to AstraZeneca upon written request certificates of insurance evidencing its insurance coverage and limits.

22. Indemnification.

22.1 AstraZeneca shall indemnify, defend and hold harmless Tempus and its officers, directors, shareholders, employees, agents, successors and assigns (collectively, the "**Tempus Indemnified Parties**"), from any and all liabilities, judgments, costs, losses, fines, penalties, damages and expenses (including reasonable attorneys' fees and court costs) (collectively, "**Liabilities**"), in connection with any claim, suit, action, investigation, or other proceeding brought or threatened by a third party (including a Regulatory Authority) against any of the Tempus Indemnified Parties, and relating to, based upon or arising out of or in connection with **[***]**.

22.2 Tempus shall indemnify, defend and hold harmless AstraZeneca and its officers, directors, shareholders, employees, agents, successors and assigns (collectively, the "**AstraZeneca Indemnified Parties**"), from any and all Liabilities in connection with any claim, suit, action, investigation or other proceeding brought or threatened by a third party (including a Regulatory Authority) against any of the AstraZeneca Indemnified Parties, and relating to, based upon or arising out of or in connection **[***]**.

22.3 With respect to indemnification claims, the following procedures shall apply:

(a) Promptly after receipt by a Party (the "**Indemnified Party**") of notice of the commencement or threatened commencement of any action or proceeding involving a claim for which such Indemnified Party will seek indemnification pursuant to this Section 22, such Indemnified Party shall notify the other Party (the "**Indemnifying Party**") of such claim in writing. No failure to so notify an Indemnifying Party shall relieve it of its obligations under this Agreement except to the extent that it can demonstrate damages or prejudice attributable to such failure. Within ten (10) Business Days following receipt of written notice from the Indemnified Party relating to any claim, but not later than fifteen (15) days before the date on which any response to a complaint or summons is due, the Indemnifying Party shall notify the Indemnified Party in writing if the Indemnifying Party elects to assume control of the defense and settlement of that claim (a "**Notice of Election**").

(b) If the Indemnifying Party delivers a Notice of Election relating to any claim within the required notice period, the Indemnifying Party shall be entitled to have sole control over the defense and settlement of such claim; provided that (A) the Indemnified Party shall be entitled to participate in the defense of such claim and to employ counsel at its own expense to assist in the handling of such claim, and (B) the Indemnifying Party shall obtain the prior written approval of the Indemnified Party before entering into any settlement of such claim or ceasing to defend against such claim. The Indemnifying Party shall not be required to indemnify the Indemnified Party for any amount paid or payable by the Indemnified Party in the settlement of any claim for

which the Indemnifying Party has delivered a timely Notice of Election if such amount was agreed to without the written consent of the Indemnifying Party.

(c) If the Indemnifying Party does not deliver a Notice of Election relating to any claim within the required notice period, the Indemnified Party shall have the right to defend the claim in such manner as it may deem appropriate, at the cost and expense of the Indemnifying Party. The Indemnifying Party shall promptly reimburse the Indemnified Party for all such costs and expenses including but not limited to any and all reasonable counsel fees.

23. Disclaimers; Limitation of Liability.

IN NO EVENT SHALL EITHER PARTY BE LIABLE FOR ANY LOST REVENUES OR PROFITS, OR OTHER INDIRECT, SPECIAL, INCIDENTAL, CONSEQUENTIAL, PUNITIVE OR EXEMPLARY DAMAGES ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE SERVICES PERFORMED UNDER THIS AGREEMENT, EVEN IF THAT PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. THE FOREGOING LIMITATIONS, DISCLAIMERS AND EXCLUSIONS DO NOT APPLY TO ANY BREACH OF SECTION 13, THE REPRESENTATIONS AND WARRANTIES MADE BY EACH PARTY IN SECTION 18, BREACH OF CONFIDENTIALITY OBLIGATIONS AS SPECIFIED IN SECTION 24, PAYMENT OBLIGATIONS IN SECTION 11, AND EACH PARTY'S INDEMNIFICATION OBLIGATIONS SET FORTH IN SECTION 22. The Parties agree that the disclaimers, exclusions and limitations of liability in this Agreement are an essential basis of the bargain between the Parties and, absent any of such disclaimers, exclusions or limitations of liability, the provisions of this Agreement, including the economic terms, would be substantially different.

24. Confidentiality.

24.1 "**Confidential Information**" means the non-public information that is exchanged between the Parties, provided that such information is: (i) identified as confidential at the time of disclosure by the disclosing Party ("**Discloser**"), or (ii) disclosed under circumstances that would indicate to a reasonable person that the information should be treated as confidential by the Party receiving such information ("**Recipient**"). Without limitation, the terms and conditions of this Agreement, the nature of the discussions and the relationship between the Parties, and the terms of any commercial transaction between the Parties, including pricing for any deliverable or service of Tempus, shall be considered Confidential Information of each Party (and each Party shall be deemed the Discloser and Recipient thereof). Confidential Information shall not include information that is (a) part of or becomes part of the public domain (other than by disclosure by the Recipient in violation of this Agreement); (b) previously known to the Recipient without an obligation of confidentiality; (c) independently developed by the Recipient outside this Agreement; or (d) rightfully obtained by the Recipient from third parties without an obligation of confidentiality. Without limiting the license set forth in Section 13.3(f), all Project Inventions (including all Deliverables) shall be the Confidential Information of AstraZeneca and AstraZeneca shall be deemed the Discloser and Tempus the Recipient in respect thereof. Without limiting the license set forth in Section 13.2(c), all Tempus Materials shall be the Confidential Information of Tempus and Tempus shall be deemed the Discloser and AstraZeneca the Recipient in respect thereof.

24.2 For the Term of this Agreement and for **[***]**, each Party agrees that it shall: (i) take reasonable measures to protect the Confidential Information of the other Party by using the same degree of care, but no less than a reasonable degree of care, to prevent the unauthorized use, dissemination or publication of the Confidential Information of the other Party as the Recipient uses to protect its own confidential information of a like nature, (ii) limit disclosure to those persons within Recipient's organization with a need to know and who have previously agreed in writing, prior to receipt of Confidential Information of the other Party either as a condition of their employment or in order to obtain the Confidential Information, to obligations similar to the provisions hereof, (iii) not copy, reverse engineer, disassemble, create any works from, or decompile any prototypes, software or other tangible objects which embody the Confidential Information of the other Party or which are provided to the Party hereunder, and (iv) not use the Confidential Information of the other Party for any purpose other than to perform or receive (as applicable) the Services or Deliverables hereunder.

24.3 AstraZeneca may disclose Confidential Information of Tempus, **[***]** to the extent such disclosure is:

(a) made to a Regulatory Authority as required in connection with any filing, application or request for Regulatory Approval, if such Confidential Information is marked as confidential and proprietary; or

(b) made to a patent authority as may be reasonably necessary or useful for the purposes of obtaining or enforcing a patent.

24.4 **[***]**.

24.5 Each Party may disclose Confidential Information of the other Party, including Licensed Data to the extent in response to a valid order of a court of competent jurisdiction or other Regulatory Authority of competent jurisdiction or, if in the reasonable opinion of the receiving Party's legal counsel, such disclosure is otherwise required by Applicable Law, including by reason of filing with securities regulators; provided, however, that the receiving Party shall first have given notice to the disclosing Party and given the disclosing Party a reasonable opportunity to quash such order or to obtain a protective order or confidential treatment requiring that the Confidential Information and documents that are the subject of such order be held in confidence by such court or agency or, if disclosed, be used only for the purposes for which the order was issued; and provided further that the Confidential Information disclosed in response to such court or governmental order shall be limited to that information which is legally required to be disclosed in response to such court or governmental order.

24.6 Neither Tempus nor AstraZeneca have the right to make public statements regarding the existence of this Agreement, its terms and conditions or the services being supplied without the consent of the other Party. Neither Party may use the other Party's name or mark for any purpose unless a Party has consent in writing. After the execution of this Agreement, the Parties will negotiate in good faith the issuance of a joint press release ("**Press Release**") on a mutually agreed upon date. Each Party will have the right to approve the Press Release in advance. Any Press Release will require approval of both Parties and, for AstraZeneca, will require approval from AstraZeneca's Corporate Affairs department. The restriction on the Parties' ability to make

public statements regarding the existence of this Agreement and its terms and use of the other Party's name or mark shall not apply to the extent that a Party is otherwise required to make such disclosure pursuant to (i) any requirement under Applicable Law (including U.S. securities laws), or (ii) in connection with enforcing its rights under this Agreement.

25. Notices.

All notices, requests, consents, claims, demands, waivers, and other communications under this Agreement (each, a "**Notice**") must be in writing and addressed to the other Party at its address set forth below (or to such other address that the receiving Party may designate from time to time in accordance with this Section 25). Unless otherwise agreed herein, all Notices must be delivered by personal delivery, nationally recognized overnight courier, or certified or registered mail (in each case, return receipt requested, postage prepaid). 26. Assignment.

Tempus shall not assign, transfer, delegate, or subcontract any of its rights or obligations under this Agreement without the prior written consent of AstraZeneca, except in the case of an assignment or transfer of this Agreement in its entirety that is effected in conjunction with the transfer by sale, merger, or otherwise of all or substantially all of Tempus' assets, provided that

(a) Tempus provides written notice in relation to such proposed assignment or transfer, and (b) the successor organization assumes this Agreement and agrees to be bound by all of its existing terms in an assumption agreement entered into directly with AstraZeneca. Any such purported assignment, transfer or delegation in violation of this Section 26 shall be null and void. No assignment, transfer or delegation shall relieve Tempus of any of its obligations hereunder. AstraZeneca may at any time assign or transfer any or all of its rights or obligations under this Agreement without Tempus' prior written consent; if the successor organization assumes this Agreement and agrees to be bound by all of its terms, including all remaining Financial Commitment.

27. Force Majeure.

Neither Party shall be liable or responsible to the other Party, nor be deemed to have defaulted under or breached this Agreement, for any failure or delay in fulfilling or performing any term of this Agreement, when and to the extent such Party's (the "**Impacted Party**") failure or delay is caused by or results from the following force majeure events (each a "**Force Majeure Event**"): (a) acts of God; (b) flood, fire, earthquake, or explosion; (c) pandemic, or epidemic (d) war, invasion, hostilities (whether war is declared or not), terrorist threats or acts, riot or other civil unrest; (e) government order, law, or action; (f) embargoes or blockades in effect on or after the date of this Agreement; (g) national or regional emergency; and (h) strikes, labor stoppages or slowdowns or other industrial disturbances; (i) shortage of adequate power or transportation facilities; and (j) other similar events beyond the reasonable control of the Impacted Party. Notwithstanding the foregoing, Tempus' financial inability to perform, changes in cost or availability of materials, components or services, market conditions, or Tempus actions or contract disputes will not excuse performance by Tempus under this Section 27.

The Impacted Party shall give notice within two (2) days of the Force Majeure Event to the other Party, stating the period of time the occurrence is expected to continue. The Impacted Party shall use diligent efforts to end the failure or delay and ensure the effects of such Force Majeure Event are minimized. The Impacted Party shall resume the performance of its obligations as soon as reasonably practicable after the removal of the cause. In the event that the Impacted Party's failure or delay remains uncured for a period of thirty (30) consecutive days following written notice given by it under this Section 27, the other Party may thereafter terminate this Agreement upon thirty (30) days' written notice, subject to the provisions of 16.8.

If Tempus is prevented from, or delayed, in performing fully any of its obligations under this Agreement by a Force Majeure Event, with respect to those parts of the Services, Deliverables, Licensed Data and any other elements not received by AstraZeneca or in respect of which AstraZeneca is not able to receive the full benefit (for example, if full use of certain Licensed Data or Deliverables is dependent upon the receipt of Services that are so prevented or delayed), without limiting any other right or remedy, AstraZeneca (a) may suspend payment normally due to Tempus in respect of such affected Services, Deliverables, Licensed Data or other elements, until such time as Tempus has given written notice to AstraZeneca that it is able to resume performance in accordance with this Agreement; and (b) if AstraZeneca has paid for such affected Services, Deliverables, Licensed Data or other elements in advance of such time as performance was so prevented or delayed, AstraZeneca may (at its option) on notice to Tempus

require a refund from Tempus of such advance payment or reallocation of such advance payment to other Services, Deliverables, Licensed Data or other elements, the specification of which shall be agreed between the Parties by way of a new or amended Statement of Work.

28. Audit Rights.

28.1 For the Term **[***]**, Tempus shall for the purpose of auditing and monitoring its performance of this Agreement grant (or procure the grant) to AstraZeneca, Affiliates of AstraZeneca, any auditors of any of them and any Regulatory Authority the right of access to any premises of Tempus, its Affiliates or any sub-contractors used in connection with this Agreement, together with a right to access personnel, systems, processes and records (including financial records) that relate to this Agreement, subject to Tempus' reasonable processes and procedures (e.g., regarding security and confidentiality). Audits may be undertaken once a year for each audit type, except that there shall be no such limitation to the number of audits per year to the extent an audit is undertaken as a result of an alleged breach of any of the provisions in this Agreement or a re-audit is required. Audits shall normally be agreed in advance, however, in the event of an alleged breach of this Agreement audits may be conducted unannounced. To the extent that any audit under this Section 28.1 or any other provision of this Agreement by AstraZeneca requires access and review of any commercially or strategically sensitive information relating to the business of Tempus, its Affiliates or any sub-contractors, such activity shall be carried out by non-Affiliate third party professional advisors appointed by AstraZeneca, and such professional advisors shall only report back to AstraZeneca such information as is directly relevant to informing AstraZeneca on compliance with the particular provisions that are the subject of the audit.

28.2 Tempus shall provide or procure all cooperation and assistance during normal working hours reasonably required by AstraZeneca for the purposes of an audit. AstraZeneca shall procure that any auditor enters into a confidentiality agreement equivalent to Section 24 in all material respects. AstraZeneca shall instruct any auditor or other person given access in respect of an audit to cause the minimum amount of disruption to the business of Tempus, its Affiliates and sub-contractors and to comply with relevant building and security regulations.

28.3 Tempus acknowledges that AstraZeneca has policies and procedures in place to monitor and review performance by its third party partners and contractors. Tempus shall cooperate with AstraZeneca in relation to such monitoring and review, and shall supply all information relating to this Agreement reasonably required by AstraZeneca (or to its non-Affiliate third party professional advisors, in the case of commercially or strategically sensitive information relating to the business of Tempus, its Affiliates or any sub-contractors).

28.4 Each Party shall bear its own costs of an audit or rendering assistance under this Section 28. Any report generated in connection with any such audit conducted in relation to Section 7.1, shall be the property of Tempus. However, Tempus agrees that AstraZeneca shall be entitled to review any such audit report and all supporting documents in relation to the audit.

29. Monitoring.

AstraZeneca has policies and procedures in place to monitor and review performance by its third party contractors. Tempus shall cooperate with AstraZeneca in relation to such monitoring and review and shall supply all information relating to this Agreement reasonably required by AstraZeneca (or to its non-Affiliate third party professional advisors, in the case of commercially or strategically sensitive information relating to the business of Tempus or any subcontractors).

30. Miscellaneous.

30.1 This Agreement constitutes the entire Agreement of the Parties with respect to the subject matter and supersedes all prior and contemporaneous agreements and understandings with respect thereto, including the Existing MSA and all associated statements of work, which shall be terminated as of the Effective Date, provided, however that any Existing Statements of Work identified in **Exhibit F** shall continue under the terms of this Agreement.

30.2 This Agreement may only be amended by a writing signed by both Parties.

30.3 The invalidity or unenforceability of any provision of this Agreement shall not affect the validity or enforceability of any other provision of this Agreement. In the event that any provision of this Agreement is determined to be invalid, unenforceable, or otherwise illegal, such provision shall be deemed restated, in accordance with Applicable Law, to reflect as nearly as possible the original intentions of the Parties, and the remainder of the Agreement shall continue in full force and effect.

30.4 This Agreement and all related documents including all Exhibits attached hereto, and all matters arising out of or relating to this Agreement, whether sounding in contract, tort, or statute are governed by, and construed in accordance with, the laws of the State of Delaware, United States of America. Each Party irrevocably and unconditionally agrees that it will not commence any action, litigation, or proceeding of any kind whatsoever against the other Party in any way arising from or relating to this Agreement, including all exhibits, Exhibits, attachments, and appendices attached to this Agreement, and all contemplated transactions, including contract, equity, tort, fraud, and statutory claims, in any forum other than the courts of the State of Delaware, and any appellate court from any thereof. Each Party agrees that a final judgment in any such action, litigation, or proceeding is conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law.

30.5 This Agreement and any Statements of Work may be executed in counterparts each of which shall be deemed an original and which together shall constitute one and the same Agreement. Signatures transmitted by facsimile or scanned into .PDF (or similar) format and transmitted via electronic mail, and electronic signatures (whether digital or encrypted) shall all constitute original signatures.

2. EXERCISE OF WARRANT.

2.1 Exercise. The rights represented by this Warrant may be exercised in whole or in part at any time (i) during the Exercise Period, or (ii) pursuant to Section 8.2 or 8.3 hereof, by delivery of the following to the Company at its address set forth on the signature page hereto (or at such other address as it may designate by notice in writing to the Holder):

(a) an executed Notice of Exercise in the form attached hereto as **EXHIBIT A**;

(b) subject to Section 2.2, payment of the Exercise Price in cash or by check or wire transfer; and

(c) this Warrant.

2.2 Net Issue Exercise.

(a) Notwithstanding Section 2.1(b) above, this Warrant may be exercised by the Holder, in whole or in part, without the payment by the Holder of any cash by the surrender of this Warrant to the Company, together with a duly executed Notice of Exercise in the form attached hereto as Exhibit A, and instructing the Company to withhold and cancel a number of Exercise Shares requested to be exercised having an aggregate Fair Market Value equal to the total Exercise Price, as determined below (a "**Net Issue Exercise**"). The Company agrees that the number of Exercise Shares set forth in the formula below shall be deemed to be issued to the Holder as the record holder of such Warrant Shares as of the close of business on the date on which this Warrant shall have been surrendered as aforesaid. Upon such exercise, the Company shall issue to Holder a number of Exercise Shares computed as of the date of surrender of this Warrant to the Company using the following formula:

$$X = \frac{Y(A-B)}{A}$$

Where X = the number of Exercise Shares to be issued to Holder under this Section 2.2;

Y = the number of Exercise Shares to be the subject of the Net Issue Exercise;

A = the Fair Market Value (as defined below) of one Exercise Share at the date of such calculation; and

B = the Exercise Price.

(b) For purposes of Section 2.2(a), "***Fair Market Value***" of one Exercise Share as of any date shall be calculated as follows: (i) if the Warrant is exercised other than in connection with a Change of Control and the Common Stock is then traded or quoted on a nationally recognized securities exchange, inter-dealer quotation system or over-the-counter market, the Fair Market Value of an Exercise Share shall be the closing price of a share of Common Stock reported for the trading day immediately preceding the date on which Holder delivers this Warrant together with its Notice of Exercise to the Company, (ii) if the Warrant is exercised in connection with a Change of Control, the Fair Market Value of an Exercise Share shall be the purchase price per share of Common Stock to be paid by the purchaser in such Change of Control, and (iii) in all other cases, the Fair Market Value of an Exercise Share shall be the fair market value per Exercise Share on the date such notice was received by the Company as reasonably determined in good faith by the Board of Directors of the Company.

2.3 Mechanics of Exercise. Upon the exercise of the rights represented by this Warrant, a certificate or certificates for the Exercise Shares so purchased, registered in the name of the Holder or Persons affiliated with the Holder, if the Holder so designates, shall be issued and delivered to the Holder within a reasonable time (but no later than fifteen (15) days) after the rights represented by this Warrant shall have been so exercised. In the event that this Warrant is being exercised for less than all of the then-current number of Exercise Shares purchasable hereunder, the Company shall, concurrently with the issuance by the Company of the number of Exercise Shares for which this Warrant is then being exercised, issue a new Warrant exercisable for the remaining number of Exercise Shares purchasable hereunder. The Person in whose name any certificate or certificates for Exercise Shares are to be issued upon exercise of this Warrant shall be deemed to have become the holder of record of such shares on the date on which this Warrant was surrendered and payment of the Exercise Price was made, irrespective of the date of delivery of such certificate or certificates, except that, if the date of such surrender and payment is a date when the stock transfer books of the Company are closed, such Person shall be deemed to have become the holder of such shares at the close of business on the next succeeding date on which the stock transfer books are open.

3. COVENANTS OF THE COMPANY.

3.1 Covenants as to Exercise Shares. The Company covenants and agrees that all Exercise Shares that may be issued upon the exercise of the rights represented by this Warrant will, upon issuance, be validly issued and outstanding, fully paid and nonassessable, and free from all taxes, liens and charges with respect to the issuance thereof. The Company further covenants and agrees that the Company will at all times during the Exercise Period have authorized and reserved a sufficient number of shares of the series of equity securities comprising the Exercise Shares to provide for the exercise of the rights represented by this Warrant. The issuance of the Exercise Shares will not be subject to any preemptive rights that have not been properly complied with.

3.2 Notices of Record Date. In the event of any taking by the Company of a record of the holders of any class and/or series of securities for the purpose of determining the holders thereof who are entitled to receive any dividend or other distribution, the Company shall mail to the Holder, at least ten days prior to the date specified herein, a notice specifying the date on which any such record is to be taken for the purpose of such dividend or distribution.

3.3 Registration Rights. Upon the earlier of (i) the date that the Company consummates an IPO or a De-SPAC Transaction, and (ii) December 31, 2022, the Company covenants and agrees to grant to the Holder substantially the same registration rights with respect to the Exercise Shares as those granted to holders of Registrable Securities (as defined in the Ninth Amended and Restated Investors' Rights Agreement, dated November 19, 2020, by and among the Company and the stockholders of the Company party thereto (as the same may be amended and/or restated from time to time, the "**Rights Agreement**")) in accordance with, and subject to the limitations set forth in, Section 2 of the Rights Agreement, and the Company shall include the Holder in all notices sent by the Company pursuant to Section 2 of the Rights Agreement. For purposes of determining the Holder's participation rights in connection with the registration of any Registrable Securities in accordance with the Rights Agreement (i) the Holder shall be deemed to be an "**Investor**" and a "**Holder**" under the Rights Agreement for all purposes under Section 2 of the Rights Agreement and (ii) all of the Exercise Shares shall constitute Registrable Securities under the Rights Agreement and shall be deemed to be held by the Holder for purposes of determining the Holder's participation rights, whether or not the Holder has exercised its purchase rights under this Warrant with respect to any of the Exercise Shares.

3.4 Diligence Cooperation. At any time, and from time to time, prior to the Company consummating an IPO or a De-SPAC Transaction, if the Holder has determined in good faith that it is contemplating exercising the Warrant in whole or in part, upon written request from the Holder to the Company, the Company shall provide such documents, records and other diligence materials reasonably requested by the Holder to allow the Holder to conduct limited due diligence on the Company reasonably necessary to determine the value of the Exercise Shares, to confirm that the Company is in good standing and to ascertain its corporate structure and capitalization; provided, that following such written request, the Holder shall enter into a customary confidentiality agreement with the Company prior to the Company providing such diligence materials to the Holder.

3.5 Antitrust Approval. If any clearance is required under the HSR Act or such other applicable laws for the exercise of this Warrant and the purchase of the Exercise Shares (any such clearance, an "***Antitrust Approval***"), the Company and the Holder shall cooperate in good faith to as promptly as practicable (i) file with the U.S. Federal Trade Commission and the United States Department of Justice the premerger notification and report form, if any, required as a result of the purchase of the Exercise Shares, and shall include any supplemental information requested in connection therewith, pursuant to the HSR Act and (ii) make such other filings as are necessary or advisable in other jurisdictions in order to comply with all applicable laws relating to competition, merger control or antitrust and shall promptly provide any supplemental information requested by applicable governmental authorities relating thereto. The Company and the Holder shall work together and shall furnish to one another such necessary information and reasonable assistance as such other parties may request in connection with its preparation of any filing or submission which is necessary under the HSR Act or such other applicable laws.

4. REPRESENTATIONS OF HOLDER.

4.1 Acquisition of Warrant for Personal Account. The Holder represents and warrants that it is acquiring this Warrant and the Exercise Shares solely for its account for investment and not with a view to or for sale or distribution of said Warrant or Exercise Shares or any part thereof. The Holder also represents that the entire legal and beneficial interests of this Warrant and Exercise Shares the Holder is acquiring is being acquired for, and will be held for, its account only.

4.2 Securities Are Not Registered.

(a) The Holder understands that this Warrant and the Exercise Shares have not been registered under the Securities Act of 1933, as amended (the "**Act**") on the basis that no distribution or public offering of the stock of the Company is to be effected. The Holder realizes that the basis for the exemption may not be present if, notwithstanding its representations, the Holder has a present intention of acquiring the securities for a fixed or determinable period in the future, selling (in connection with a distribution or otherwise), granting any participation in, or otherwise distributing the securities. The Holder has no such present intention.

(b) The Holder recognizes that this Warrant and the Exercise Shares must be held indefinitely unless they are subsequently registered under the Act or an exemption from such registration is available. Other than as set forth in Section 3.3, the Holder recognizes that the Company has no obligation to register this Warrant or the Exercise Shares of the Company, or to comply with any exemption from such registration.

(c) The Holder is aware that neither this Warrant nor the Exercise Shares may be sold pursuant to Rule 144 adopted under the Act unless certain conditions are met, including, among other things, the existence of a public market for the shares, the availability of certain current public information about the Company, the resale following the required holding period under Rule 144 and the number of shares being sold during any three month period not exceeding specified limitations. Holder is aware that the conditions for resale set forth in Rule 144 have not been satisfied and that the Company presently has no plans to satisfy these conditions in the foreseeable future.

4.3 Disposition of Warrant and Exercise Shares.

(a) The Holder further agrees not to make any disposition of all or any part of this Warrant or Exercise Shares in any event, other than to an Affiliate of the Holder, unless and until:

(i) The Company shall have received a letter secured by the Holder from the Commission stating that no action will be recommended to the Commission with respect to the proposed disposition;

(ii) There is then in effect a registration statement under the Act covering such proposed disposition and such disposition is made in accordance with said registration statement; or

(iii) The Holder shall have notified the Company of the proposed disposition and shall have furnished the Company with a detailed statement of the circumstances surrounding the proposed disposition, and if reasonably requested by the Company, the Holder shall have furnished the Company with an opinion of counsel, reasonably satisfactory to the Company, for the Holder to the effect that such disposition will not require registration of such Warrant or Exercise Shares under the Act or any applicable state securities laws. The Company agrees that it will not require an opinion of counsel with respect to transactions under Rule 144 of the Act, except in unusual circumstances, and will not require an opinion of counsel with respect to any transfer to an Affiliate of Holder.

(b) The Holder understands and agrees that all certificates evidencing the shares to be issued to the Holder may bear the following legend:

THESE SECURITIES HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE "***ACT***"). THEY MAY NOT BE SOLD, OFFERED FOR SALE, PLEDGED OR HYPOTHECATED IN THE ABSENCE OF AN EFFECTIVE REGISTRATION STATEMENT AS TO THE SECURITIES UNDER THE ACT OR AN OPINION OF COUNSEL SATISFACTORY TO THE COMPANY THAT SUCH REGISTRATION IS NOT REQUIRED OR UNLESS SOLD PURSUANT TO RULE 144 UNDER THE ACT.

4.4 Accredited Investor Status. The Holder is an "accredited investor" as defined in Regulation D promulgated under the Act.

5. ADJUSTMENT OF EXERCISE PRICE AND NUMBER OF EXERCISE SHARES.

5.1 Changes in Securities. In the event of changes in the series of equity securities of the Company comprising the Exercise Shares by reason of stock dividends, splits, recapitalizations, reclassifications, combinations or exchanges of such shares of equity securities, the number and class and/or series of Exercise Shares available under this Warrant in the aggregate and the Exercise Price shall be correspondingly adjusted to give the Holder of this Warrant, on exercise for the same Aggregate Exercise Price, the total number and class and/or series of shares as the Holder would have owned had this Warrant been exercised prior to the event and had the Holder continued to hold such shares until after the event requiring adjustment. The form of this Warrant need not be changed because of any adjustment in the number of Exercise Shares subject to this Warrant.

5.2 Organic Changes. In the event of, at any time during the Exercise Period, any capital reorganization of the capital stock of the Company (other than (a) a change in par value or from par value to no par value or no par value to par value or as a result of a stock dividend or subdivision, split-up or combination of shares, or (b) a Change in Control) (an "***Organic Change***"), then, as a condition of such Organic Change, lawful and adequate provisions shall be made by the Company whereby the Holder hereof shall thereafter have the right to purchase and receive (in lieu of the Exercise Shares of the Company immediately theretofore purchasable and receivable upon the exercise of the rights represented hereby) such shares of stock, securities or other assets or property as may be issued or payable with respect to or in exchange for a number of outstanding shares of such Exercise Shares equal to the number of shares of such stock immediately theretofore purchasable and receivable upon the exercise of the rights represented hereby, and the Exercise Price shall be appropriately adjusted so that the Aggregate Exercise Price after such Organic Change shall be equal to the Aggregate Exercise Price immediately prior to such Organic Change.

6. FRACTIONAL SHARES. No fractional shares shall be issued upon the exercise of this Warrant as a consequence of any adjustment pursuant hereto. All Exercise Shares (including fractions) to be issued upon exercise of this Warrant shall be aggregated for purposes of determining whether the exercise would result in the issuance of any fractional share. If, after aggregation, the exercise would result in the issuance of a fractional share, the Company shall, in lieu of issuance of any fractional share, pay the Holder otherwise entitled to such fraction a sum in cash equal to the product resulting from multiplying the then current fair market value of one Exercise Share by such fraction.

7. [RESERVED].

8. EXERCISE UPON IPO; VOLUNTARY EXERCISE AT EXPIRATION; TERMINATION AND CANCELLATION; COLLABORATION AGREEMENT.

8.1 [Reserved].

8.2 Voluntary Exercise Upon IPO or De-SPAC Transaction.

(a) In the event (i) the Company consummates an IPO or De-SPAC Transaction prior to December 31, 2024 and prior to the consummation of a Change of Control, and (ii) the average of the closing price of shares of Common Stock during any period of 30 consecutive trading days commencing on any date following the first anniversary of the date on which the Company consummates the IPO or De-SPAC Transaction equals or exceeds two (2) times the IPO Price or De-SPAC Price (the "***Relevant Period***"), then, the Company shall deliver written notice to the Holder of such event.

(b) Notwithstanding anything in this Warrant to the contrary, effective as of the last trading day of the Relevant Period, provided that if the closing price of shares of Common Stock on such day is less than two (2) times the IPO Price or De-SPAC Price, then this provision shall not be effective until the first trading day thereafter on which the closing price of shares of Common Stock equals or exceeds two (2) times the IPO Price or De-SPAC Price (such trading day, the "***Relevant Trading Day***"), the Holder may, at its sole option, elect to either:

(i) Net Issue Exercise this Warrant, in whole or in part, pursuant to Section 2.2 above, and solely in such event, the number of Exercise Shares issued to the Holder as a result of such Net Issue Exercise shall thereafter be immediately repurchased by the Company from the Holder at a purchase price per share, payable in cash, equal to the closing price of shares of Common Stock on the Relevant Trading Day, and any portion of this Warrant that is not exercised shall remain outstanding subject to the terms hereof; or

(ii) continue to hold this Warrant and exercise it in Holder's sole discretion in accordance with Section 2.1 or 2.2 above;

provided, however, that in either case, effective as of the Relevant Trading Day, the Holder shall be obligated to exercise the MC Extension Option (as defined in and pursuant to the Collaboration Agreement) pursuant to the terms of the Collaboration Agreement.

8.3 Voluntary Exercise at Expiration. Notwithstanding anything in this Warrant to the contrary, if as of the conclusion of the Exercise Period, the Holder has exercised the MC Extension Option and this Warrant remains outstanding, then the Company shall send a written notice to the Holder of the conclusion of the Exercise Period, and the Holder shall have fifteen (15) Business Days following receipt of such written notice to exercise the Warrant.

8.4 Voluntary Early Termination or Cancellation. Notwithstanding anything in this Warrant to the contrary, at any time prior to the consummation of an IPO or De-SPAC Transaction, the Holder may, in its sole discretion, terminate and cancel this Warrant and all of the Holder's and the Company's obligations hereunder in their entirety (but not partially) (such event, a "***Voluntary Early Termination***"), and such Voluntary Early Termination shall not otherwise affect the Holder's right to decide in its sole discretion whether to exercise the MC Extension Option pursuant to the Collaboration Agreement.

8.5 Automatic Early Termination or Cancellation. Notwithstanding anything in this Warrant to the contrary, if the Holder has not exercised the MC Extension Option on or before December 31, 2024 in accordance with the Collaboration Agreement such that the Holder is not obligated

to commit the final $100,000,000 in funding pursuant to the terms of the Collaboration Agreement, then this Warrant shall automatically be cancelled and terminated for no consideration.

8.6 Collaboration Agreement. Notwithstanding anything in this Warrant to the contrary, the Holder hereby agrees that in the event that the Holder has exercised this Warrant in whole or in part at any time pursuant to the terms set forth herein, the Holder shall be deemed to have exercised the MC Extension Option pursuant to the terms of the Collaboration Agreement.

9. MARKET STAND-OFF AGREEMENT. Holder hereby agrees that it will not, without the prior written consent of the managing underwriter, during the period commencing on the date of the final prospectus relating to the registration by the Company of shares of its Common Stock or any other equity securities under the Act on a registration statement on Form S-1 in connection with the IPO, and ending on the date specified by the Company (as determined by the holders of capital stock of the Company representing a majority of the voting power of all then-outstanding shares of capital stock of the Company) and the managing underwriter (which period may exceed 180 days), (a) lend, offer, pledge, sell, contract to sell, sell any option or contract to purchase, purchase any option or contract to sell, grant any option, right, or warrant to purchase, or otherwise transfer or dispose of, directly or indirectly, any shares of Common Stock or any securities convertible into or exercisable or exchangeable (directly or indirectly) for Common Stock held immediately before the effective date of the registration statement for such offering, or (b) enter into any swap or other arrangement that transfers to another, in whole or in part, any of the economic consequences of ownership of such securities, whether any such transaction described in clause (a) or (b) above is to be settled by delivery of Common Stock or other securities, in cash, or otherwise. The foregoing provisions of this Section 9 shall not apply to the sale of any shares to an underwriter pursuant to an underwriting agreement and shall be applicable to the Holder only if all executive officers and directors of the Company are subject to the same restrictions. The underwriters in connection with such registration are intended third-party beneficiaries of this Section 9 and shall have the right, power and authority to enforce the provisions hereof as though they were a party hereto. Holder further agrees to execute such agreements as may be reasonably requested by the underwriters in connection with such registration that are consistent with this Section 9 or that are necessary to give further effect thereto.

10. NO STOCKHOLDER RIGHTS. This Warrant in and of itself shall not entitle the Holder to vote or receive dividends or other distributions with respect to, or be deemed the holder of, the Exercise Shares or any other securities of the Company that may at any time be issuable upon the exercise hereof for any purpose, nor shall anything contained herein be construed to confer upon the Holder, as such, any of the rights of a stockholder of the Company or any right to vote for the election of directors or upon any other matter submitted to the stockholders of the Company at any meeting thereof, or to give or withhold consent to any corporate action (whether upon any recapitalization, issuance or reclassification of equity securities, consolidation, merger, conveyance or otherwise) or to receive notice of meetings, or to receive purchase or subscription rights or otherwise, until the Warrant shall have been exercised as provided herein. For clarity, this Section 10 shall be construed as limiting the rights of the Holder only with respect to the Warrant, the Exercise Shares and other securities of the Company that may at any time be issuable upon the exercise hereof for any purpose, and shall not be construed as limiting the rights of the Holder with respect to any other securities of the Company.

11. TRANSFER OF WARRANT. This Warrant is not transferable, in whole or in part, by the Holder (other than to an Affiliate of the Holder) without the prior written consent of the Company, and any attempted assignment without such consent shall be void. A change in control of the Holder, for example by merger, sale of stock or sale of assets, shall not be deemed to be an assignment under this Warrant. Subject to the foregoing restrictions, applicable laws and the restriction on transfer set forth on the first page of this Warrant, in connection with any transfer of this Warrant, the Holder shall deliver this

Warrant and the form of assignment attached hereto as **EXHIBIT B** to the Company, and the transferee shall sign an investment representation letter in form and substance satisfactory to the Company.

12. LOST, STOLEN, MUTILATED OR DESTROYED WARRANT. If this Warrant is lost, stolen, mutilated or destroyed, the Company may, on such terms as to indemnity or otherwise as it may reasonably impose (which shall, in the case of a mutilated Warrant, include the surrender thereof), issue a new Warrant of like denomination and tenor as this Warrant so lost, stolen, mutilated or destroyed. Any such new Warrant shall constitute an original contractual obligation of the Company, whether or not the allegedly lost, stolen, mutilated or destroyed Warrant shall be at any time enforceable by anyone.

13. CUMULATIVE REMEDIES. The rights and remedies provided in this Warrant are cumulative and are not exclusive of, and are in addition to and not in substitution for, any other rights or remedies available at law, in equity or otherwise.

14. EQUITABLE RELIEF. Each of the Company and the Holder acknowledges that a breach or threatened breach by such party of any of its obligations under this Warrant would give rise to irreparable harm to the other party hereto for which monetary damages would not be an adequate remedy and hereby agrees that in the event of a breach or a threatened breach by such party of any such obligations, the other party hereto shall, in addition to any and all other rights and remedies that may be available to it in respect of such breach, be entitled to equitable relief, including a restraining order, an injunction, specific performance and any other relief that may be available from a court of competent jurisdiction.

15. NOTICES, ETC. All notices required or permitted hereunder shall be in writing and shall be deemed effectively given: (a) upon personal delivery to the party to be notified, (b) when sent by electronic transmission or facsimile if sent during normal business hours of the recipient, if not, then on the next business day, (c) five days after having been sent by registered or certified mail, return receipt requested, postage prepaid, or (d) one day after deposit with a nationally recognized overnight courier, specifying next day delivery, with written verification of receipt. All communications shall be sent to each of the Company and the Holder at the address listed on their respective signature pages hereto or at such other address as the Company or Holder may designate by ten days' advance written notice to the other party.

16. SUCCESSOR AND ASSIGNS. This Warrant and the rights evidenced hereby shall be binding upon and shall inure to the benefit of the parties hereto and the successors of the Company and the successors and permitted assigns of the Holder. Such successors and/or permitted assigns of the Holder shall be deemed to be a Holder for all purposes hereunder.

17. NO THIRD-PARTY BENEFICIARIES. This Warrant is for the sole benefit of the Company and the Holder and their respective successors and, in the case of the Holder, permitted assigns and nothing herein, express or implied, is intended to or shall confer upon any other Person any legal or equitable right, benefit or remedy of any nature whatsoever, under or by reason of this Warrant.

18. HEADINGS. The headings in this Warrant are for reference only and shall not affect the interpretation of this Warrant.

19. AMENDMENT AND MODIFICATION; WAIVER. Except as otherwise provided herein, this Warrant may only be amended, modified or supplemented by an agreement in writing signed by each party hereto. No waiver by the Company or the Holder of any of the provisions hereof shall be effective unless explicitly set forth in writing and signed by the party so waiving. No waiver by any party shall operate or be construed as a waiver in respect of any failure, breach or default not expressly identified by

such written waiver, whether of a similar or different character, and whether occurring before or after that waiver. No failure to exercise, or delay in exercising, any rights, remedy, power or privilege arising from this Warrant shall operate or be construed as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege.

20. SEVERABILITY. If any term or provision of this Warrant is invalid, illegal or unenforceable in any jurisdiction, such invalidity, illegality or unenforceability shall not affect any other term or provision of this Warrant or invalidate or render unenforceable such term or provision in any other jurisdiction.

21. ACCEPTANCE. Receipt of this Warrant by the Holder shall constitute acceptance of and agreement to all of the terms and conditions contained herein.

22. GOVERNING LAW. This Warrant and all rights, obligations and liabilities hereunder shall be governed by and construed under the laws of the State of Delaware as applied to agreements among Delaware residents, made and to be performed entirely within the State of Delaware without giving effect to conflicts of laws principles.

23. COUNTERPARTS. This Warrant may be executed in counterparts, each of which shall be deemed an original, but all of which together shall be deemed to be one and the same agreement. Counterparts may be delivered via facsimile, electronic mail (including pdf or any electronic signature complying with the U.S. federal ESIGN Act of 2000, Uniform Electronic Transactions Act or other applicable law) or other transmission method and any counterpart so delivered will be deemed to have been duly and validly delivered and be valid and effective for all purposes.

TEMPUS AI, INC.

2024 EMPLOYEE STOCK PURCHASE PLAN

ADOPTED BY THE BOARD OF DIRECTORS: FEBRUARY 1, 2024
APPROVED BY THE STOCKHOLDERS: April 11, 2024

1. GENERAL; PURPOSE.

(a) The Plan provides a means by which Eligible Employees of the Company and certain Designated Companies may be given an opportunity to purchase shares of Common Stock. The Plan permits the Company to grant a series of Purchase Rights to Eligible Employees under an Employee Stock Purchase Plan. In addition, the Plan permits the Company to grant a series of Purchase Rights to Eligible Employees that do not meet the requirements of an Employee Stock Purchase Plan.

(b) The Plan includes two components: a 423 Component and a Non-423 Component. The Company intends (but makes no undertaking or representation to maintain) the 423 Component to qualify as an Employee Stock Purchase Plan. The provisions of the 423 Component, accordingly, will be construed in a manner that is consistent with the requirements of Section 423 of the Code. In addition, this Plan authorizes grants of Purchase Rights under the Non-423 Component that do not meet the requirements of an Employee Stock Purchase Plan. Except as otherwise provided in the Plan or determined by the Board, the Non-423 Component will operate and be administered in the same manner as the 423 Component. In addition, the Company may make separate Offerings which vary in terms (provided that such terms are not inconsistent with the provisions of the Plan or the requirements of an Employee Stock Purchase Plan to the extent the Offering is made under the 423 Component), and the Company will designate which Designated Company is participating in each separate Offering.

(c) The Company, by means of the Plan, seeks to retain the services of Eligible Employees, to secure and retain the services of new Employees and to provide incentives for such persons to exert maximum efforts for the success of the Company and its Related Corporations.

2. ADMINISTRATION.

(a) The Board will administer the Plan unless and until the Board delegates administration of the Plan to a Committee or Committees, as provided in Section 2(c).

(b) The Board will have the power, subject to, and within the limitations of, the express provisions of the Plan:

(i) To determine how and when Purchase Rights will be granted and the provisions of each Offering (which need not be identical).

(ii) To designate from time to time (A) which Related Corporations of the Company will be eligible to participate in the Plan as Designated 423 Companies, (B) which Related Corporations or Affiliates will be eligible to participate in the Plan as Designated Non-423 Companies, (C) which Affiliates or Related Corporations may be excluded from participation in the Plan, and (D) which Designated Companies will participate in each separate Offering (to the extent that the Company makes separate Offerings).

(iii) To construe and interpret the Plan and Purchase Rights, and to establish, amend and revoke rules and regulations for its administration. The Board, in the exercise of this power, may correct any defect, omission or inconsistency in the Plan, in a manner and to the extent it deems necessary or expedient to make the Plan fully effective.

(iv) To settle all controversies regarding the Plan and Purchase Rights granted under the Plan.

(v) To suspend or terminate the Plan at any time as provided in Section 12.

(vi) To amend the Plan at any time as provided in Section 12.

(vii) Generally, to exercise such powers and to perform such acts as it deems necessary or expedient to promote the best interests of the Company and its Related Corporations and to carry out the intent that the Plan be treated as an Employee Stock Purchase Plan with respect to the 423 Component.

(viii) To adopt such rules, procedures and sub-plans as are necessary or appropriate to permit or facilitate participation in the Plan by Employees who are foreign nationals or employed or located outside the United States. Without limiting the generality of, and consistent with, the foregoing, the Board specifically is authorized to adopt rules, procedures, and sub-plans regarding, without limitation, eligibility to participate in the Plan, the definition of eligible "earnings," handling and making of Contributions, establishment of bank or trust accounts to hold Contributions, payment of interest, conversion of local currency, obligations to pay payroll tax, determination of beneficiary designation requirements, withholding procedures and handling of share issuances, any of which may vary according to applicable requirements, and which, if applicable to a Designated Non-423 Company, do not have to comply with the requirements of Section 423 of the Code.

(c) The Board may delegate some or all of the administration of the Plan to a Committee or Committees. If administration is delegated to a Committee, the Committee will have, in connection with the administration of the Plan, the powers theretofore possessed by the Board that have been delegated to the Committee, including the power to delegate to a subcommittee any of the administrative powers the Committee is authorized to exercise (and references in this Plan and any applicable Offering Document to the Board will thereafter be to the Committee or subcommittee), subject, however, to such resolutions, not inconsistent with the provisions of the Plan, as may be adopted from time to time by the Board. Further, to the extent not prohibited by Applicable Law, the Board or Committee may, from time to time, delegate some or all of its authority under the Plan to one or more officers of the Company or other persons or groups of persons as it deems necessary, appropriate or advisable under conditions or limitations that it may set at or after the time of the delegation. The Board may retain the authority to concurrently administer the Plan with the Committee and may, at any time, revest in the Board some or all of the powers previously delegated. Whether or not the Board has delegated administration of the Plan to a Committee, the Board will have the final power to determine all questions of policy and expediency that may arise in the administration of the Plan.

(d) All determinations, interpretations and constructions made by the Board in good faith will not be subject to review by any person and will be final, binding and conclusive on all persons.

3. SHARES OF COMMON STOCK SUBJECT TO THE PLAN.

(a) Subject to the provisions of Section 11(a) relating to Capitalization Adjustments, the maximum number of shares of Common Stock that may be issued under the Plan will not exceed 3,000,000 shares of Common Stock, plus the number of shares of Common Stock that are automatically added on January 1st of each year for a period of up to ten years, commencing on January 1, 2025 and ending on (and including) January 1, 2034, in an amount equal to the lesser of (x) two percent (2%) of the total number of

shares of Combined Common Stock outstanding on December 31st of the preceding calendar year, and (y) 9,000,000 shares of Common Stock. Notwithstanding the foregoing, the Board may act prior to the first day of any calendar year to provide that there will be no January 1st increase in the share reserve for such calendar year or that the increase in the share reserve for such calendar year will be a lesser number of shares of Common Stock than would otherwise occur pursuant to the preceding sentence. For the avoidance of doubt, up to the maximum number of shares of Common Stock reserved under this Section 3(a) may be used to satisfy purchases of Common Stock under the 423 Component and any remaining portion of such maximum number of shares may be used to satisfy purchases of Common Stock under the Non-423 Component.

(b) If any Purchase Right granted under the Plan terminates without having been exercised in full, the shares of Common Stock not purchased under such Purchase Right will again become available for issuance under the Plan.

(c) The stock purchasable under the Plan will be shares of authorized but unissued or reacquired Common Stock, including shares repurchased by the Company on the open market.

4. GRANT OF PURCHASE RIGHTS; OFFERING.

(a) The Board may from time to time grant or provide for the grant of Purchase Rights to Eligible Employees under an Offering (consisting of one or more Purchase Periods) on an Offering Date or Offering Dates selected by the Board. Each Offering will be in such form and will contain such terms and conditions as the Board will deem appropriate, and with respect to the 423 Component, will comply with the requirement of Section 423(b)(5) of the Code that all Employees granted Purchase Rights will have the same rights and privileges. The terms and conditions of an Offering shall be incorporated by reference into the Plan and treated as part of the Plan. The provisions of separate Offerings need not be identical, but each Offering will include (through incorporation of the provisions of this Plan by reference in the document comprising the Offering or otherwise) the period during which the Offering will be effective, which period will not exceed 27 months beginning with the Offering Date, and the substance of the provisions contained in Sections 5 through 8, inclusive.

(b) If a Participant has more than one Purchase Right outstanding under the Plan, unless he or she otherwise indicates in forms delivered to the Company or a third party designated by the Company (each, a "***Company Designee***"): (i) each form will apply to all of his or her Purchase Rights under the Plan, and (ii) a Purchase Right with a lower exercise price (or an earlier-granted Purchase Right, if different Purchase Rights have identical exercise prices) will be exercised to the fullest possible extent before a Purchase Right with a higher exercise price (or a later-granted Purchase Right if different Purchase Rights have identical exercise prices) will be exercised.

(c) The Board will have the discretion to structure an Offering so that if the Fair Market Value of a share of Common Stock on the first Trading Day of a new Purchase Period within that Offering is less than or equal to the Fair Market Value of a share of Common Stock on the Offering Date for that Offering, then (i) that Offering will terminate immediately as of that first Trading Day, and (ii) the Participants in such terminated Offering will be automatically enrolled in a new Offering beginning on the first Trading Day of such new Purchase Period.

5. ELIGIBILITY.

(a) Purchase Rights may be granted only to Employees of the Company or, as the Board may designate in accordance with Section 2(b), to Employees of a Related Corporation or an Affiliate. Except as provided in Section 5(b) or as required by Applicable Law, an Employee will not be eligible to be granted

Purchase Rights unless, on the Offering Date, the Employee has been in the employ of the Company, the Related Corporation or the Affiliate, as the case may be, for such continuous period preceding such Offering Date as the Board may (unless prohibited by Applicable Law) require, but in no event will the required period of continuous employment be equal to or greater than two years. In addition, the Board may provide that no Employee will be eligible to be granted Purchase Rights under the Plan unless, on the Offering Date, such Employee's customary employment with the Company, the Related Corporation or the Affiliate is more than 20 hours per week and more than five months per calendar year or such other criteria as the Board may determine consistent with Section 423 of the Code with respect to the 423 Component. The Board may also exclude from participation in the Plan or any Offering Employees who are "highly compensated employees" (within the meaning of Section 423(b)(4)(D) of the Code) of the Company or a Related Corporation or a subset of such highly compensated employees.

(b) The Board may provide that each person who, during the course of an Offering, first becomes an Eligible Employee will, on a date or dates specified in the Offering which coincides with the day on which such person becomes an Eligible Employee or which occurs thereafter, receive a Purchase Right under that Offering, which Purchase Right will thereafter be deemed to be a part of that Offering. Such Purchase Right will have the same characteristics as any Purchase Rights originally granted under that Offering, as described herein, except that:

(i) the date on which such Purchase Right is granted will be the "Offering Date" of such Purchase Right for all purposes, including determination of the exercise price of such Purchase Right;

(ii) the period of the Offering with respect to such Purchase Right will begin on its Offering Date and end coincident with the end of such Offering; and

(iii) the Board may provide that if such person first becomes an Eligible Employee within a specified period of time before the end of the Offering, he or she will not receive any Purchase Right under that Offering.

(c) No Employee will be eligible for the grant of any Purchase Rights under the 423 Component if, immediately after any such Purchase Rights are granted, such Employee owns stock possessing five percent or more of the total combined voting power or value of all classes of stock of the Company or of any Related Corporation. For purposes of this Section 5(c), the rules of Section 424(d) of the Code will apply in determining the stock ownership of any Employee, and stock which such Employee may purchase under all outstanding Purchase Rights and options will be treated as stock owned by such Employee.

(d) As specified by Section 423(b)(8) of the Code, an Eligible Employee may be granted Purchase Rights under the 423 Component only if such Purchase Rights, together with any other rights granted under all Employee Stock Purchase Plans of the Company and any Related Corporations, do not permit such Eligible Employee's rights to purchase stock of the Company or any Related Corporation to accrue at a rate which, when aggregated, exceeds $25,000 of Fair Market Value of such stock (determined at the time such rights are granted, and which, with respect to the Plan, will be determined as of their respective Offering Dates) for each calendar year in which such rights are outstanding at any time.

(e) Officers of the Company and any Designated Company, if they are otherwise Eligible Employees, will be eligible to participate in Offerings under the Plan. Notwithstanding the foregoing, the Board may (unless prohibited by Applicable Law) provide in an Offering that Employees who are highly compensated Employees within the meaning of Section 423(b)(4)(D) of the Code will not be eligible to participate.

(f) Notwithstanding anything in this Section 5 to the contrary, in the case of an Offering under the Non-423 Component, an Eligible Employee (or group of Eligible Employees) may be excluded from participation in the Plan or an Offering if the Board has determined, in its sole discretion, that participation of such Eligible Employee(s) is not advisable or practical for any reason.

6. PURCHASE RIGHTS; PURCHASE PRICE.

(a) On each Offering Date, each Eligible Employee, pursuant to an Offering made under the Plan, will be granted a Purchase Right to purchase up to that number of shares of Common Stock purchasable either with a percentage of earnings or with a maximum dollar amount, as designated by the Board during the period that begins on the Offering Date (or such later date as the Board determines for a particular Offering) and ends on the date stated in the Offering, which date will be no later than the end of the Offering.

(b) The Board will establish one or more Purchase Dates during an Offering on which Purchase Rights granted for that Offering will be exercised and shares of Common Stock will be purchased in accordance with such Offering.

(c) In connection with each Offering made under the Plan, the Board may specify (i) a maximum number of shares of Common Stock that may be purchased by any Participant on any Purchase Date during such Offering, (ii) a maximum aggregate number of shares of Common Stock that may be purchased by all Participants pursuant to such Offering and/or (iii) a maximum aggregate number of shares of Common Stock that may be purchased by all Participants on any Purchase Date under the Offering. If the aggregate purchase of shares of Common Stock issuable upon exercise of Purchase Rights granted under the Offering would exceed any such maximum aggregate number, then, in the absence of any Board action otherwise, a pro rata (based on each Participant's accumulated Contributions) allocation of the shares of Common Stock (rounded down to the nearest whole share) available will be made in as nearly a uniform manner as will be practicable and equitable.

(d) The purchase price of shares of Common Stock acquired pursuant to Purchase Rights will be specified by the Board prior to commencement of an Offering and will not be less than the lesser of:

(i) an amount equal to 85% of the Fair Market Value of the shares of Common Stock on the Offering Date; or

(ii) an amount equal to 85% of the Fair Market Value of the shares of Common Stock on the applicable Purchase Date.

7. PARTICIPATION; WITHDRAWAL; TERMINATION.

(a) An Eligible Employee may elect to participate in an Offering and authorize payroll deductions as the means of making Contributions by completing and delivering to the Company or a Company Designee, within the time specified in the Offering, an enrollment form provided by the Company or Company Designee. The enrollment form will specify the amount of Contributions not to exceed the maximum amount specified by the Board. Each Participant's Contributions will be credited to a bookkeeping account for such Participant under the Plan and will be deposited with the general funds of the Company except where Applicable Law requires that Contributions be deposited with a third party. If permitted in the Offering, a Participant may begin such Contributions with the first payroll occurring on or after the Offering Date (or, in the case of a payroll date that occurs after the end of the prior Offering but before the Offering Date of the next new Offering, Contributions from such payroll will be included in the new Offering). If permitted in the Offering, a Participant may thereafter reduce (including to zero) or

increase his or her Contributions. If required under Applicable Law or if specifically provided in the Offering and to the extent permitted by Section 423 of the Code with respect to the 423 Component, in addition to or instead of making Contributions by payroll deductions, a Participant may make Contributions through payment by cash, check or wire transfer prior to a Purchase Date.

(b) During an Offering, a Participant may cease making Contributions and withdraw from the Offering by delivering to the Company or a Company Designee a withdrawal form provided by the Company. The Company may impose a deadline before a Purchase Date for withdrawing. Upon such withdrawal, such Participant's Purchase Right in that Offering will immediately terminate and the Company will distribute as soon as practicable to such Participant all of his or her accumulated but unused Contributions and such Participant's Purchase Right in that Offering shall thereupon terminate. A Participant's withdrawal from that Offering will have no effect upon his or her eligibility to participate in any other Offerings under the Plan, but such Participant will be required to deliver a new enrollment form to participate in subsequent Offerings.

(c) Unless otherwise required by Applicable Law, Purchase Rights granted pursuant to any Offering under the Plan will terminate immediately if the Participant either (i) is no longer an Employee for any reason or for no reason (subject to any post-employment participation period required by Applicable Law) or (ii) is otherwise no longer eligible to participate. The Company will distribute as soon as practicable to such individual all of his or her accumulated but unused Contributions.

(d) Unless otherwise determined by the Board, a Participant whose employment transfers or whose employment terminates with an immediate rehire (with no break in service) by or between the Company and a Designated Company or between Designated Companies will not be treated as having terminated employment for purposes of participating in the Plan or an Offering; however, if a Participant transfers from an Offering under the 423 Component to an Offering under the Non-423 Component, the exercise of the Participant's Purchase Right will be qualified under the 423 Component only to the extent such exercise complies with Section 423 of the Code. If a Participant transfers from an Offering under the Non-423 Component to an Offering under the 423 Component, the exercise of the Purchase Right will remain non-qualified under the Non-423 Component. The Board may establish different and additional rules governing transfers between separate Offerings within the 423 Component and between Offerings under the 423 Component and Offerings under the Non-423 Component.

(e) During a Participant's lifetime, Purchase Rights will be exercisable only by such Participant. Purchase Rights are not transferable by a Participant, except by will, by the laws of descent and distribution, or, if permitted by the Company, by a beneficiary designation as described in Section 10.

(f) Unless otherwise specified in the Offering or as required by Applicable Law, the Company will have no obligation to pay interest on Contributions.

8. EXERCISE OF PURCHASE RIGHTS.

(a) On each Purchase Date, each Participant's accumulated Contributions will be applied to the purchase of shares of Common Stock, up to the maximum number of shares of Common Stock permitted by the Plan and the applicable Offering, at the purchase price specified in the Offering. No fractional shares will be issued unless specifically provided for in the Offering.

(b) Unless otherwise provided in the Offering, if any amount of accumulated Contributions remains in a Participant's account after the purchase of shares of Common Stock and such remaining amount is less than the amount required to purchase one share of Common Stock on the final Purchase Date of an Offering, then such remaining amount will be held in such Participant's account for the purchase of

shares of Common Stock under the next Offering under the Plan, unless such Participant withdraws from or is not eligible to participate in such next Offering, in which case such amount will be distributed to such Participant after the final Purchase Date without interest (unless the payment of interest is otherwise required by Applicable Law). If the amount of Contributions remaining in a Participant's account after the purchase of shares of Common Stock is at least equal to the amount required to purchase one (1) whole share of Common Stock on the final Purchase Date of an Offering, then such remaining amount will be distributed in full to such Participant after the final Purchase Date of such Offering without interest (unless otherwise required by Applicable Law).

(c) No Purchase Rights may be exercised to any extent unless the shares of Common Stock to be issued upon such exercise under the Plan are covered by an effective registration statement pursuant to the Securities Act and the Plan is in material compliance with all applicable U.S. federal and state, foreign and other securities, exchange control and other laws applicable to the Plan. If on a Purchase Date the shares of Common Stock are not so registered or the Plan is not in such compliance, no Purchase Rights will be exercised on such Purchase Date, and, subject to Section 423 of the Code with respect to the 423 Component, the Purchase Date will be delayed until the shares of Common Stock are subject to such an effective registration statement and the Plan is in material compliance, except that the Purchase Date will in no event be more than 27 months from the Offering Date. If, on the Purchase Date, as delayed to the maximum extent permissible, the shares of Common Stock are not registered and the Plan is not in material compliance with all Applicable Laws, as determined by the Company in its sole discretion, no Purchase Rights will be exercised and all accumulated but unused Contributions will be distributed to the Participants without interest (unless the payment of interest is otherwise required by Applicable Law).

9. COVENANTS OF THE COMPANY.

The Company will seek to obtain from each U.S. federal or state, foreign or other regulatory commission, agency or other Governmental Body having jurisdiction over the Plan such authority as may be required to grant Purchase Rights and issue and sell shares of Common Stock thereunder unless the Company determines, in its sole discretion, that doing so is not practical or would cause the Company to incur costs that are unreasonable. If, after commercially reasonable efforts, the Company is unable to obtain the authority that counsel for the Company deems necessary for the grant of Purchase Rights or the lawful issuance and sale of Common Stock under the Plan, and at a commercially reasonable cost, the Company will be relieved from any liability for failure to grant Purchase Rights and/or to issue and sell Common Stock upon exercise of such Purchase Rights.

10. DESIGNATION OF BENEFICIARY.

(a) The Company may, but is not obligated to, permit a Participant to submit a form designating a beneficiary who will receive any shares of Common Stock and/or Contributions from the Participant's account under the Plan if the Participant dies before such shares and/or Contributions are delivered to the Participant. The Company may, but is not obligated to, permit the Participant to change such designation of beneficiary. Any such designation and/or change must be on a form approved by the Company.

(b) If a Participant dies, and in the absence of a valid beneficiary designation, the Company will deliver any shares of Common Stock and/or Contributions to the executor or administrator of the estate of the Participant. If no executor or administrator has been appointed (to the knowledge of the Company), the Company, in its sole discretion, may deliver such shares of Common Stock and/or Contributions, without interest (unless the payment of interest is otherwise required by Applicable Law), to the Participant's spouse, dependents or relatives, or if no spouse, dependent or relative is known to the Company, then to such other person as the Company may designate.

11. ADJUSTMENTS UPON CHANGES IN COMMON STOCK; CORPORATE TRANSACTIONS.

(a) In the event of a Capitalization Adjustment, the Board will appropriately and proportionately adjust: (i) the class(es) and maximum number of securities subject to the Plan pursuant to Section 3(a), (ii) the class(es) and maximum number of securities by which the share reserve is to increase automatically each year pursuant to Section 3(a), (iii) the class(es) and number of securities subject to, and the purchase price applicable to outstanding Offerings and Purchase Rights, and (iv) the class(es) and number of securities that are the subject of the purchase limits under each ongoing Offering. The Board will make these adjustments, and its determination will be final, binding and conclusive.

(b) In the event of a Corporate Transaction, then: (i) any surviving corporation or acquiring corporation (or the surviving or acquiring corporation's parent company) may assume or continue outstanding Purchase Rights or may substitute similar rights (including a right to acquire the same consideration paid to the stockholders in the Corporate Transaction) for outstanding Purchase Rights, or (ii) if any surviving or acquiring corporation (or its parent company) does not assume or continue such Purchase Rights or does not substitute similar rights for such Purchase Rights, then the Participants' accumulated Contributions will be used to purchase shares of Common Stock (rounded down to the nearest whole share) within ten business days (or such other period specified by the Board) prior to the Corporate Transaction under the outstanding Purchase Rights, and the Purchase Rights will terminate immediately after such purchase.

12. AMENDMENT, TERMINATION OR SUSPENSION OF THE PLAN.

(a) The Board may amend the Plan at any time in any respect the Board deems necessary or advisable. However, except as provided in Section 11(a) relating to Capitalization Adjustments, stockholder approval will be required for any amendment of the Plan for which stockholder approval is required by Applicable Law.

(b) The Board may suspend or terminate the Plan at any time. No Purchase Rights may be granted under the Plan while the Plan is suspended or after it is terminated.

(c) Any benefits, privileges, entitlements and obligations under any outstanding Purchase Rights granted before an amendment, suspension or termination of the Plan will not be materially impaired by any such amendment, suspension or termination except (i) with the consent of the person to whom such Purchase Rights were granted, (ii) as necessary to facilitate compliance with any laws, listing requirements, or governmental regulations (including, without limitation, the provisions of Section 423 of the Code and the regulations and other interpretive guidance issued thereunder relating to Employee Stock Purchase Plans) including without limitation any such regulations or other guidance that may be issued or amended after the date the Plan is adopted by the Board, or (iii) as necessary to obtain or maintain favorable tax, listing, or regulatory treatment. To be clear, the Board may amend outstanding Purchase Rights without a Participant's consent if such amendment is necessary to ensure that the Purchase Right and/or the Plan complies with the requirements of Section 423 of the Code with respect to the 423 Component or with respect to other Applicable Laws. Notwithstanding anything in the Plan or any Offering Document to the contrary, the Board will be entitled to: (i) establish the exchange ratio applicable to amounts withheld in a currency other than U.S. dollars; (ii) permit Contributions in excess of the amount designated by a Participant in order to adjust for mistakes in the Company's processing of properly completed Contribution elections; (iii) establish reasonable waiting and adjustment periods and/or accounting and crediting procedures to ensure that amounts applied toward the purchase of Common Stock for each Participant properly correspond with amounts withheld from the Participant's Contributions; (iv) amend any outstanding Purchase Rights or clarify any ambiguities regarding the terms of any Offering to enable the Purchase Rights to qualify under and/or comply with Section 423 of the Code with respect to the 423

Component; and (v) establish other limitations or procedures as the Board determines in its sole discretion advisable that are consistent with the Plan. The actions of the Board pursuant to this paragraph will not be considered to alter or impair any Purchase Rights granted under an Offering as they are part of the initial terms of each Offering and the Purchase Rights granted under each Offering.

13. TAX QUALIFICATION; TAX WITHHOLDING.

(a) Although the Company may endeavor to (i) qualify a Purchase Right for special tax treatment under the laws of the United States or jurisdictions outside of the United States or (ii) avoid adverse tax treatment, the Company makes no representation to that effect and expressly disavows any covenant to maintain special or to avoid unfavorable tax treatment, notwithstanding anything to the contrary in this Plan. The Company will be unconstrained in its corporate activities without regard to the potential negative tax impact on Participants.

(b) Each Participant will make arrangements, satisfactory to the Company and any applicable Related Corporation, to enable the Company or the Related Corporation to fulfill any withholding obligation for Tax-Related Items. Without limitation to the foregoing, in the Company's sole discretion and subject to Applicable Law, such withholding obligation may be satisfied in whole or in part by (i) withholding from the Participant's salary or any other cash payment due to the Participant from the Company or a Related Corporation; (ii) withholding from the proceeds of the sale of shares of Common Stock acquired under the Plan, either through a voluntary sale or a mandatory sale arranged by the Company; or (iii) any other method deemed acceptable by the Board. The Company shall not be required to issue any shares of Common Stock under the Plan until such obligations are satisfied.

(c) The 423 Component is exempt from the application of Section 409A of the Code, and any ambiguities herein shall be interpreted to so be exempt from Section 409A of the Code. The Non-423 Component is intended to be exempt from the application of Section 409A of the Code under the short-term deferral exception and any ambiguities shall be construed and interpreted in accordance with such intent. In furtherance of the foregoing and notwithstanding any provision in the Plan to the contrary, if the Committee determines that an option granted under the Plan may be subject to Section 409A of the Code or that any provision in the Plan would cause an option under the Plan to be subject to Section 409A, the Committee may amend the terms of the Plan and/or of an outstanding option granted under the Plan, or take such other action the Committee determines is necessary or appropriate, in each case, without the participant's consent, to exempt any outstanding option or future option that may be granted under the Plan from or to allow any such options to comply with Section 409A of the Code, but only to the extent any such amendments or action by the Committee would not violate Section 409A of the Code. Notwithstanding the foregoing, the Company shall have no liability to a participant or any other party if the option under the Plan that is intended to be exempt from or compliant with Section 409A of the Code is not so exempt or compliant or for any action taken by the Committee with respect thereto.

14. EFFECTIVE DATE OF PLAN.

The Plan will become effective immediately prior to and contingent upon the IPO Date. No Purchase Rights will be exercised unless and until the Plan has been approved by the stockholders of the Company, which approval must be within 12 months before or after the date the Plan is adopted (or if required under Section 12(a) above, materially amended) by the Board.

15. MISCELLANEOUS PROVISIONS.

(a) Proceeds from the sale of shares of Common Stock pursuant to Purchase Rights will constitute general funds of the Company.

(b) A Participant will not be deemed to be the holder of, or to have any of the rights of a holder with respect to, shares of Common Stock subject to Purchase Rights unless and until the Participant's shares of Common Stock acquired upon exercise of Purchase Rights are recorded in the books of the Company (or its transfer agent).

(c) The Plan and Offering do not constitute an employment contract. Nothing in the Plan or in the Offering will in any way alter the at will nature of a Participant's employment or amend a Participant's employment contract, if applicable, or be deemed to create in any way whatsoever any obligation on the part of any Participant to continue in the employ of the Company or a Related Corporation or an Affiliate, or on the part of the Company, a Related Corporation or an Affiliate to continue the employment of a Participant.

(d) The provisions of the Plan will be governed by the laws of the State of Delaware without resort to that state's conflicts of laws rules.

(e) If any particular provision of the Plan is found to be invalid or otherwise unenforceable, such provision will not affect the other provisions of the Plan, but the Plan will be construed in all respects as if such invalid provision were omitted.

(f) If any provision of the Plan does not comply with Applicable Law, such provision shall be construed in such a manner as to comply with Applicable Law.

8.4 Tempus will record and manage Data according to the following Data integrity principles, which apply to all parts of the Data lifecycle: (i) Attributable (traceable to the originator, (person and/or a computerised system, a device, an instrument), including any changes made to Data, i.e. who performed an action and when; Legible (readable and understandable); (iii) Contemporaneous (recorded at the time they are generated or observed as per regulatory requirements, or in absence of regulatory requirements, local business practices); (iv) Original (in the file or format in which first generated, e.g. first paper record of manual observation, electronic raw Data file from a computerised system as per regulatory requirements or in absence of regulatory requirements, local business practices, or a copy of original information that has been verified, as indicated by a dated signature, as an exact copy having all of the same attributes and information as the original); (v) Accurate (correct, truthful and to the appropriate precision, including error corrections and edits); (vi) Complete (all expected elements of the Data are present (i.e., no unexplained gaps in the Data) and the full meaning and context is preserved with the Data); (vii) Consistent (all elements of the record follow in the expected sequence); (viii) Enduring (recorded in a permanent medium (paper or electronic) and continue to be

retained in a human readable format for as long as specified in applicable record retention requirements); and (ix) Available (maintained in such a way that they are accessible and retrievable in a reasonable time). In addition, Tempus represents and warrants that it has in place appropriate policies to manage updates to and version control of the Tempus Dataset and Tempus Biotechnology Platform, and cross-mapping and back-testing of the Tempus Biotechnology Platform.

8.6 **Timely performance and milestones**

i) Tempus agrees that:

a. timely completion of Activities is an essential and critical business requirement under this Agreement and each Task Order;

b. it shall notify GSK promptly upon becoming aware of any event or circumstance which will, or which could reasonably be expected to, cause a delay in the completion of any milestone or Service or the meeting of any timeline; and

c. it shall use all its Commercially Reasonable Efforts to carry out the Activities for which it is responsible according to the timelines set out in this Agreement or any Task Order.

ii) Tempus shall ensure all reports provided to GSK pursuant to this Agreement or a Task Order contain requirements listed in applicable Task Order, which may include the following:

a. refer to relevant milestones and (if applicable) Deliverables, Activities performed and actual or anticipated delays in performance of the Activities; and

b. fulfil requirements of Applicable Law:

c. include information acquired by Tempus and/or Tempus Personnel as a result of having performed the Activities;

d. include a list of all current Results, GSK Arising IP and Tempus Arising IP; and

e. describe in detail (to the reasonable satisfaction of GSK) the time spent (including references to the relevant time sheets), if applicable, and objectives pertaining to the performance of the Activities during the period to which that report relates.

iii) GSK shall provide written acceptance of Tempus's completion of each timeline and milestone (if any) for the performance of Activities within the mutually-accepted timeframe set out in this Agreement before that portion of the Activities may be considered complete (such written acceptance to be based, where applicable, solely on objective criteria and, in all cases, not to be unreasonably withheld, conditioned or delayed).

iv) Tempus shall inform GSK in writing of its completion of any applicable milestone for the Activities within [***] of such completion.

8.7 **Failure to Perform**

i) In the event of any actual or anticipated failure by Tempus to perform any Activities in material compliance with the standards (including, without limitation, standards for timely performance) specified in Section 8.1 (Performance standards and requirements) or otherwise described in this Agreement or any applicable Task Order for any reason other than GSK's acts or omissions or an event described in Section 38 (Force Majeure), Tempus shall:

a. promptly notify GSK in writing of such actual or anticipated failure and Tempus shall promptly thereafter submit to GSK a written statement explaining in detail the difficulties encountered by Tempus in the performance of the affected Activities, providing the reasons for any delay in performance; and

b. without any unreasonable delay, propose a plan to remedy any such actual or anticipated failure, which shall be discussed by the Parties in good faith.

ii) In the event that the plan for remedy referred to under Section 8.7i)b) above is not acceptable to GSK, GSK may, at its sole discretion:

a. require Tempus to take corrective action (including, if necessary, immediately assigning such additional resources as may be required) so as to perform Activities as required by the terms of this Agreement, at no additional cost to GSK; or

b. require Tempus to re-perform Activities so that standards are met, at no additional cost to GSK. Such Activities to be re-performed will be specific and only to the extent required to remedy such non-compliance.

iii) To the extent and only if Tempus has failed to comply with Section 8.7i)a) or (b) (as applicable) in the timeframe agreed with GSK, GSK may perform affected Activities itself or retain a third party to perform the affected Activities. If Tempus is in material breach of this Agreement or any Task Order, during the pendency of any such uncured material breach, the amount of Service Fees allocable to the applicable portion of this Agreement or any Task Order shall not be payable by GSK and shall instead be allocated to the Surplus Funding Credit, until such time as the breach, if curable, is resolved to the satisfaction of both Parties acting reasonably.

iv) Action or inaction by GSK as permitted under this Section 8.7 shall not limit any other right that GSK may have under this Agreement or any Task Order, nor limit any right that GSK may have with respect to a breach by Tempus of this Agreement or any Task Order.

v) GSK reserves the right to discuss with the JSC, on a case-by-case basis, the actions to be undertaken subsequent to a failure by Tempus to comply with the Key Performance Indicators in order to (re)assure the quality of Results generated in performing the Activities. In the event that despite their best efforts, the Parties fail to resolve such disagreement regarding Tempus's non-compliance with KPIs to a degree that rises to the level of an uncured material breach, GSK shall have the right to terminate the applicable Task Order in accordance with its terms.

9. **Quality Assurance**

9.1 Tempus agrees and shall ensure that all Deliverables arising from the performance of the Activities have been generated in accordance with the terms of this Agreement and any Task Orders. Tempus shall use its Commercially Reasonable Efforts to ensure that those Deliverables and Results are free from any laboratory errors, including by using the applicable GSK Policies and Procedures set forth in the applicable Task Order.

9.2 Tempus shall be responsible for comparing any such Deliverables with all specifications, quality limits or acceptance criteria provided by GSK and mutually agreed upon, and in each case set forth in the applicable Task Order. Tempus shall report to the GSK Alliance Director any unexpected or out of range Results to be determined according to the Reference Values established for the type of Activities carried out by Tempus.

9.3 Tempus shall not undertake any repeat analyses on any GSK HBS (i.e., repeat testing in cases where a test result was previously achieved) without the prior written consent of GSK unless otherwise required by this Agreement or a Task Order. If a result is to be used for clinical decision making for a clinical trial subject, Tempus must discuss repeat testing rules, including timelines, with GSK and document them prior to study start.

9.4 In the event of a blinded Study, Tempus shall exercise due diligence to ensure it does not inadvertently compromise the blinding process of such Study. In situations where Tempus is supplied with the codes necessary to unblind GSK HBS, GSK and Tempus shall discuss and agreed unblinding Procedures before starting to render the applicable Activities. Tempus shall ensure that Tempus Personnel involved in the performance of the related Activities are well aware of any such unblinding Procedures.

9.5 Before signature of this Agreement or an applicable Task Order the level of quality at any Tempus's Facility will be assessed by GSK on basis of Good Clinical Laboratory Practice, Good Clinical Practice, the data integrity principles set out in Sections 8.2 to 8.5, CAP standards, CLIA regulations, and/or ISO15189 ("**Laboratory Practices**"), but solely to the extent that such Laboratory Practice is applicable to the specific Activities provided under the Agreement or the applicable Task Order. In the event Tempus's quality system is found, through the assessment, that it does not comply with such Laboratory Practice, an action plan will then be defined and agreed by the Parties to remediate potential identified gaps in Tempus's quality system (the "**Laboratory Quality Assessment Action Plan**"). As the case may be, such Laboratory Quality Assessment Action Plan shall be attached to this Agreement and shall form an integral part of this Agreement. The Parties acknowledge that quality is Critical in performing the Activities and therefore, the Parties agree that in case Tempus fails to comply in all respects with the Laboratory Quality Assessment Action Plan within the agreed timelines set out therein following written notice from GSK specifying the applicable deficiencies in reasonable detail, GSK shall have the right to terminate this Agreement immediately upon written notice to Tempus, subject to the terms set out in Section 12 (Effect of termination).

9.6 Tempus will promptly notify GSK of any Major Alerts and/or Critical Deviations, including without being limited to, deviations from any Study Protocol or Analytical Plan, or work instructions and specifications provided by GSK to and agreed by Tempus under this Agreement or any Task Order, by sending within [***] of becoming aware of the occurrence of the Major Alert and/or Critical Deviation an exhaustive description of said Major Alert and/or Critical Deviation justifying and explaining the Major Alert and/or Critical Deviation and the suggested actions to be taken to remedy this Major Alert and/or Critical Deviation. A document describing in detail the Major Alert and/or Critical Deviation shall be made available to GSK upon completion of the investigation.

9.7 Assay, equipment and computer system validation, assay transfer and assay control used by Tempus to carry out the Activities shall comply with GCP and GCLP (to the extent applicable) and Applicable Law except as otherwise provided in the applicable Task Order. Tempus shall

have Procedures in place with respect to any Critical equipment used to carry out the Activities which describes the use, maintenance, cleaning, testing, calibration of this Critical equipment and what to do in case of failure to the extent required in order to satisfy Tempus's obligations to comply with GCP and GCLP (to the extent applicable) in the manner indicated under this Agreement. All equipment and each analytical method used in the analysis of Test Materials and the Human Biological Samples, must be appropriately documented, validated, controlled and approved in compliance with Applicable Law and applicable Procedures to the extent required in order to satisfy Tempus's obligations to comply with GCP and GCLP (to the extent applicable) in the manner indicated under this Agreement. Records demonstrating the validity and suitability of such equipment and assays used to carry out the Activities in any Tempus Facility must be retained in accordance with the applicable Procedures and Applicable Law to the extent required in order to satisfy Tempus's obligations to comply with GCP and GCLP (to the extent applicable) in the manner indicated under this Agreement.

9.8 Any Critical Changes to an assay that are being used by GSK as part of a clinical trial requiring an investigational device exemption ("**IDE**") or approval or clearance by the U.S. Food and Drug Administration (or (EU) 2017/746 (IVDR), if applicable), including to a GSK Asset used to perform the Activities, shall be controlled and validated in agreement with or as delegated by the JSC before their implementation and shall result in the issue of a further version of the assay/GSK Asset description. Analytical platforms/assays used for such purpose shall not be materially changed or modified during the course of the performance of the Activities, without prior consultation with and prior written agreement of GSK. Such changes must be controlled, documented and appropriately authorized by GSK and may result in the need for further assay validation unless Task Order permits Tempus to make such changes.

9.9 Tempus further undertakes that all Study Related Data shall be recorded and kept into note books or files, retrievable for GSK at its reasonable expense and not accessible to any Third Party.

9.10 Any audit or other monitoring permitted to GSK under this Agreement shall be performed only with [***] prior written notice of GSK's intent to do so (unless the audit is for cause) or at an earlier time agreed upon by Tempus and GSK.

10. **Term**

This Agreement shall be effective as of the Effective Date and unless terminated earlier by mutual written agreement of the Parties (either in its entirety, including all Task Orders then in effect by terminating such Task Orders, or with respect to one or more Task Orders(s) by terminating such Task Order(s)) or pursuant to Section 11 below, the term of this Agreement shall continue in effect

until December 31, 2025 ("**Initial Term**"). Thereafter, GSK shall have the option to renew this Agreement for an additional two (2) year term (the "**Renewal Term**", and together with the Initial Term, the "**Term**") by providing Tempus with written notice of renewal at least ninety (90) days prior to the end of the Initial Term. Notwithstanding the foregoing, the term of each Task Order (including any Task Order entered into pursuant to Section 24.5i)) shall commence as of the applicable Task Order Effective Date set forth on the applicable Task Order and this Agreement shall remain in effect with respect to such Task Order until the earlier of (a) the completion of the Activities to be performed pursuant to the applicable Task Order, or (b) the termination of such Task Orders pursuant to Section 11 (each, a "**Task Order Term**"), notwithstanding any termination or expiration of this Agreement pursuant to the first two (2) sentences of this Section 10.

11. **Termination**

11.1 **Termination by either Party**

i) Either Party may terminate this Agreement or any Task Order immediately upon written notice if:

a. the other Party becomes insolvent;

b. if proceedings are instituted against the other Party for winding up or reorganisation or other relief under any insolvency law (and not dismissed promptly, and in any event within fourteen (14) days); or

c. if any substantial part of the other Party's assets come under the jurisdiction of a receiver, administrator, liquidator, trustee or similar officer in an insolvency proceeding authorised by law.

ii) Either Party may terminate this Agreement (including all Task Orders then in effect by terminating such Task Orders) or one or more Task Orders(s) (by terminating such Task Order(s) in the event such material breach applies only with respect to such Task Orders(s)), in each case, by written notice at any time, for material breach by the other Party, which breach remains uncured for thirty (30) days, measured from the date written notice of such breach is given to the breaching Party, or, if such breach is not susceptible of cure within such thirty (30) day period and the breaching Party uses diligent good faith efforts to cure such breach, for sixty (60) days after written notice to the breaching Party.

11.2 **Termination**

i) GSK may terminate this Agreement or any Task Order immediately upon written notice to Tempus if:

a. there is a change in control of Tempus by the acquisition by any Person, directly or indirectly, of more than fifty percent (50%) of the voting stock or other equity securities of Tempus, if GSK reasonably determines that [***];

b. there is any sale, lease, exchange or other disposition by Tempus of all or substantially all of its assets or the assets to which this Agreement relates, if GSK reasonably determines that [***]; or

c. Tempus, or any Tempus Personnel or Approved Subcontractor providing the Activities, is debarred, disqualified or suspended by a Regulatory Authority, as described in Section 29.3 (Engagement of Tempus Personnel).

ii) Tempus shall have no claim against GSK for compensation for any loss of whatever nature by virtue of the termination of this Agreement and any Task Order in accordance with Section 31 (Anti-bribery and Corruption).

11.3 **Termination and Task Orders**

i) In the event that this Agreement is terminated pursuant to this Section 11, any Task Order shall continue to be in force until its expiry date, unless terminated itself as provided by this Section 11.

ii) Except as otherwise set forth in the applicable Task Order, GSK may terminate any Task Order, in whole or in part, with or at any time without cause, upon thirty (30) Business Days' prior written notice to Tempus. For clarity, termination of a Task Order does not terminate Activities permitted or required to be performed under the body of this Agreement, or the Service Fees associated therewith.

12. **Effect of Termination**

12.1 Upon notice of termination of this Agreement or a Task Order by or to Tempus pursuant to Section 11 (Termination), Tempus shall use Commercially Reasonable Efforts to conclude or transfer the applicable Activities as directed by GSK in accordance with the terms of that notice. Tempus shall not undertake further work, incur additional expenses or enter into further commitments with regard to any Activities, except as mutually agreed upon in writing by the Parties.

12.2 The date on which this Agreement expires or is terminated pursuant to Section 11 (or, if later, the last outstanding Task Order pursuant to this Agreement, including any Task Order entered into pursuant to Section 24.5i)) shall be the "**Termination Date**". Upon the Termination Date, Tempus shall invoice GSK for payments due for Activities completed in accordance with the terms of this Agreement.

12.3 Where GSK has advanced funds which are unearned by Tempus, including any Quarterly Funding Payments against which no Service Fees have been credited, Tempus shall repay such funds within 60 days of the Termination Date.

12.4 Notwithstanding anything to the contrary, the license granted to GSK under the Tempus Background IP pursuant to Section 17.2 and to Tempus Arising IP pursuant to Section 17.3 shall survive the expiration or termination of this Agreement.

12.5 Within thirty (30) days of the notification of the Termination Date, for whatsoever reason, Tempus:

i) with respect to Study Records and GSK HBS, to the extent applicable, shall fully comply with the terms set out in Section 23.6 (Retention periods), provided however that Tempus shall have no right or license thereafter to continue using any part of any GSK HBS still in Tempus's possession after the Termination Date;

ii) with respect to any unused and remaining Supplied Materials other than GSK HBS, shall discontinue use of such Supplied Materials and shall return such Supplied Materials to GSK or destroy (at GSK's sole option and expense) such Supplied Materials and provide written confirmation of any destruction to GSK promptly thereafter;

iii) shall have no right or license to continue using any of the following: 1) GSK Background IP; 2) GSK Work Product (except with respect to any ongoing license expressly granted to Tempus); 3) GSK Arising IP; and 3) any and all other work in process, data, reports and all other material, documents and information (including any information which is stored on computers or other media) which is still in its possession and which are GSK's property according to this Agreement (and not subject to any ongoing license expressly granted to Tempus); and with respect to GSK Equipment, shall comply with Section 22.5 (Equipment).

12.6 Compliance with this Section 12 does not limit or waive either Party's potential remedies for breach of this Agreement or any applicable Task Order. Termination of this Agreement or a Task Order shall not release either Party from any obligation or right which accrued to that Party prior to the Termination Date or which later accrues from an act or omission which occurred prior to the Termination Date. Tempus agrees that the obligations set out in this Section 12 are not conditioned upon GSK's prior payment of amounts due or agreement to pay any amounts in dispute.

13. **Auditing and Recordkeeping**

13.1 **Reporting**

i) Tempus shall prepare reports (including any status interim reports), in a form to be mutually agreed upon by the Parties, and submit the same to GSK within the time period mutually agreed upon by the Parties in the applicable Task Order.

ii) All reports shall be transferred confidentially via a secure forum which shall be compatible with GSK's data transfer requirements. This secure system can be installed by Tempus or provided by GSK to Tempus as mutually agreed upon by the Parties in the applicable Task Order.

iii) For clarity, the Parties agree that any secure forum provided by GSK to Tempus to transfer reports prepared in connection with any Task Order shall only be used by Tempus to communicate with GSK on the Activities, such as for providing a validation report or reporting Results.

iv) Tempus shall make its Tempus Personnel available to GSK to respond to any questions relating to the reports provided in connection with any Task Order and shall provide GSK with an updated report including any additional information as may be required by GSK, at GSK's costs unless indicated otherwise in the applicable Task Order. GSK shall notify Tempus without reasonable delay of its satisfaction with such reports and updated reports.

v) In addition to any specific reporting requirements under this Agreement and any Task Order, Tempus agrees that all status interim reports provided by Tempus shall refer to specific milestones and completed tasks pursuant to the specifications in any Task Order, and any actual or anticipated delays with respect to the timelines provided in any Task Order. To further improve the communication and project management under this Agreement, upon Tempus's completion of an action, response, or milestone, Tempus will specify in its reports any required response or action from GSK.

13.2 **Recordkeeping**

Tempus shall keep complete, accurate and systematic records (the "**Services Records**") of:

i) Activities performed;

ii) the Results;

iii) Know-How, Trade Secrets, computer programs or models and related documentation which are used by Tempus in connection with performance of the Activities; and

iv) any Raw Data created by Tempus which is not delivered to GSK as part of the requirements of this Agreement or any Task Order, in each case in accordance with Applicable Law and in an adequate form such as to facilitate fulfilment of its obligations under this Section.

13.3 **Inspection by GSK and/or authorised third parties**

i) Subject to Section 9.9, during Tempus's regular business hours and with reasonable advance notice, GSK or any authorised third party may audit Tempus's or any Approved Subcontractor's premises, records, books (including relevant financial records and books), equipment, or procedures related to Tempus's obligations under this Agreement or any Task Order either i) no more than [***] in each [***] period per function inspected (e.g., Laboratory, Computer Systems, Finance, etc.), ii) upon the event that GSK has a reasonable basis to seek a for-cause audit with respect to fulfilment of Tempus's obligations under this Agreement or any Task Order, or iii) with the mutual agreement of the parties; provided, that such access may be subject to Tempus's reasonable and standard policies and procedures with respect to privacy, confidentiality, security, and safety, but only to the extent such policies and procedures do not materially impact the purpose of the applicable audit, or conflict with the terms of this Agreement; provided, further, that Tempus shall use Commercially Reasonable Efforts to provide such access as may be requested by GSK pursuant to this Section 13.3i) in a manner that comports with any such reasonable and standard policies and procedures to the fullest extent practicable. Tempus shall be responsible for gaining the agreement of the Approved Subcontractors' sites that GSK shall conduct a compliance audit. Other visit types mutually agreed by the Parties including but not limited to project initiation visits, routine data reviews, project oversight/monitoring visits, project close out visits, issue investigations, regulatory audit preparation, and GSK representation at regulatory audits are not subject to the restrictions set forth in this section. Follow up visits to an audit finding, if required, are also not subject to the restrictions set forth in this section.

ii) Subject to Section 9.9, in addition to the requirements of paragraph i) above, Tempus shall also provide for the auditing requirements set out in Schedule 2 (Further Auditing Requirements).

iii) Subject to Section 9.9, Tempus shall (at its own expense) provide GSK and any authorised third party with all necessary materials documents and other information and access to Tempus Personnel reasonably necessary to enable GSK to confirm that Tempus has complied with its obligations under this Agreement or any applicable Task Order and, to the extent required by GSK, such information shall be provided in an electronic format. For clarity, any Tempus Confidential Information shared during the course of an audit or inspection under this Agreement is subject to all of GSK obligations with respect to Tempus Confidential Information hereunder, and GSK is responsible for the compliance of any authorized third party (including Affiliates and Associated Parties) with such obligations.

iv) Subject to Section 9.9, such audit permitted by this Section 13.3 may include only:

a. [***]; and

b. [***]; or

c. [***]; or

d. Such other scope as the Parties may mutually agree.

v) In the event that an audit carried out by GSK or any authorised third party, or any inspection conducted by any Regulatory Authority or their respective nominated representatives, reveals evidence of poor management and/or failure to comply with the terms of this Agreement, which cause Critical or Major Alerts or alert findings, provided that any such alerts or failure or default have not been resolved, or corrective and preventive actions requested by GSK have not been implemented, by Tempus within [***] of GSK's notification thereof (or any extended period of time mutually agreed upon by the Parties in writing), and any unresolved deficiency rises to the level of a material breach under this Agreement, then GSK shall be entitled to terminate this Agreement for breach by giving notice of such termination to take effect immediately.

vi) If Tempus becomes aware of any material issues related to the performance of a Laboratory Director or laboratory of Tempus including (without limitation) (a) any adverse action taken by any Regulatory Authority with respect to a Laboratory Director or Tempus laboratory or (b) any adverse action taken by any Regulatory Authority with respect to Tempus's conduct of Activities, Tempus shall notify GSK as soon as is practicable (to the extent possible, within [***] prior to the occurrence of the inspection or action), and will cooperate with GSK regarding responsive action.

vii) If such an audit indicates that Tempus failed to provide the pricing terms required by this Agreement or any Task Order, or indicates that GSK has overpaid amounts payable under this Agreement or any Task Order, Tempus shall, at GSK's option, credit GSK for the total amount of the discrepancy against future amounts due under this Agreement or any applicable Task Order, or remit payment to GSK for the total amount of the discrepancy. If such audit indicates that GSK failed to pay all amounts owed under this Agreement or any Task Order, GSK shall promptly remit the total amount of such discrepancy to Tempus.

viii) If such audit indicates any material breach of this Agreement or a Task Order by Tempus or any instance of fraud by Tempus or any Approved Subcontractor in performance of this Agreement or a Task Order, Tempus shall (at GSK's request) reimburse GSK for any reasonable costs, fees and expenses incurred by it in connection with that audit.

13.4 **Inspection by Regulatory Authority**

i) If any Regulatory Authority notifies Tempus or an Approved Subcontractor that it will inspect Tempus's or Approved Subcontractor's premises, records, equipment, or procedures, in direct relation to the Activities, or otherwise take action related to this Agreement or any Task Order, then to the extent legally permissible Tempus shall notify GSK as soon as is practicable (to the extent possible, within [***] and prior to the inspection or action) and:

a. allow the Regulatory Authority to conduct an inspection or take other legal action;

b. allow GSK to be present at the inspection (to the extent permitted by the Regulatory Authority);

c. provide GSK with copies of any reports issued by the Regulatory Authority; and

d. consult and co-operate with GSK regarding any responsive action, provide GSK with copies of Tempus's proposed response for GSK's prior review and approval (such approval not to be unreasonably withheld) and (to the extent permitted by the Regulatory Authority) allow GSK to participate in that response.

ii) If any Regulatory Authority notifies GSK that it will inspect GSK's premises, records, equipment, or procedures in relation in any material respect to the Activities, or otherwise take action related to this Agreement or any Task Order, Tempus will reasonably cooperate with GSK with respect to preparation for and response during the inspection, including but not limited to requiring appropriate Tempus Personnel to be available during or present at the inspection.

13.5 **Unexpectedly Received Personal Information**

Any Person acting on behalf of GSK that discovers information containing Unexpected Personal Information, or is provided with information containing Unexpected Personal Information, is to respect the privacy of the clinical trial participant. Any specimens, documents, or information containing Unexpected Personal Information will be handled in a manner that minimizes the risks of unintended disclosure and infringement of clinical trial participant privacy. Any documents or specimens containing Unexpected Personal Information will be stored in a secure location so that contact is limited to those Persons who will address the breach. Documents containing Unexpected Personal Information will not be disclosed to any third party or other GSK location (e.g., local operating company). The GSK Representative is to be contacted when Unexpected Personal Information is received by Tempus.

13.6 **Subject Identifiers**

For clarity, a clinical trial study number combined with a clinical trial subject identifier produce a unique identifier and the combination is Personal Information.

14. **Receipt of Complaints and Inquiries**

14.1 Tempus shall notify GSK promptly in writing (but, in any event, no later than [***] following Tempus's notice thereof), of any inquiry, communication or complaint received by Tempus from:

i) any person, where Personal Information about such person has been processed by Tempus for or on behalf of GSK; and

ii) any legal authority or Regulatory Authority, which relates to the Processing by Tempus of any Personal Information for or on behalf of GSK.

14.2 Tempus shall provide all reasonable assistance to GSK in responding to the received inquiries, communications and complaints.

15. **Confidentiality**

15.1 **GSK Confidential Information**

i) not use GSK Confidential Information for any purposes other than the performance of this Agreement and any Task Order;

ii) not disclose GSK Confidential Information to any third party (other than any Affiliate or Associated Party of GSK), except to Tempus Personnel or Approved Subcontractors as necessary for the performance of this Agreement and any Task Order; provided that, prior to any such disclosure, the relevant Tempus Personnel or Approved Subcontractors has entered into confidentiality undertakings no less onerous than those contained in this Section;

iii) not reverse engineer any GSK Confidential Information except as required by the terms of any Task Order;

iv) keep confidential and secure GSK Confidential Information with the same standard of care that is used with Tempus Confidential Information, but in no event less than reasonable care; and

v) upon the Termination Date, or at any time upon the request of GSK (whichever is the earliest), subject to Section 13.2 (Recordkeeping), promptly return or destroy all GSK Confidential Information, as further specified in Section 15.2 (Retention and return of GSK Confidential Information).

vi) Notwithstanding the forgoing, Tempus has the right to retain one (1) copy of the GSK Confidential Information for ensuring compliance its confidentiality obligations under this Agreement and any Task Order.

vii) To transfer GSK Confidential Information, or communicate with GSK, Tempus will use encryption based on reasonable guidance provided by GSK.

viii) If Tempus discovers any suspected or actual unauthorised disclosure, loss or theft of GSK Confidential Information, Tempus will promptly notify GSK by e-mail to [***] and work with GSK in good faith to identify a root cause and remediate the issue.

15.2 **Retention and return of GSK Confidential Information**

i) Tempus shall retain GSK Confidential Information only for as long as specified in this Agreement or as otherwise necessary to satisfy the purposes for which it was provided to Tempus, except only to the extent longer retention is required by Applicable Law.

Without limitation of the foregoing, the Parties acknowledge and agree that any GSK Confidential Information that constitutes a Trade Secret shall remain subject to the confidentiality and use obligations set forth herein for so long as such information remains a Trade Secret under Applicable Law; provided, that GSK shall expressly identify any such GSK Confidential Information constituting a Trade Secret to Tempus in writing.

17.2 Background IP

As between the Parties, GSK Background IP shall remain the property of GSK, and Tempus Background IP shall remain the property of Tempus. Each Party hereby grants to the other Party a limited, non-exclusive, non-transferable and royalty-free license (sub-licensable to Affiliates and Associated Parties) in the applicable Territory under Tempus Background IP and GSK Background IP, as applicable, that is made available for use under this Agreement and each Task Order, for the sole purpose of, and only to the extent required to fulfil its obligations under this Agreement and such Task Order. For clarity, the Tempus Arising IP is not intended to and shall not include [***].

ii) GSK will own all rights, title and interest in and to all GSK Work Product and all Arising IP other than the Tempus Arising IP, whether made jointly or solely by either Party (including [***]) (collectively, the "**GSK Arising IP**"), and hereby grants to Tempus a limited, non-exclusive, non-transferable, world-wide, fully paid-up, royalty-free license, during the Term, under the GSK Arising IP solely for the purpose of performing its obligations under this Agreement and each Task Order.

b. If the Quarterly Funding Payment made by GSK in respect of such calendar quarter exceeds the Actual Quarterly Costs for such quarter (a "**Quarterly Funding Surplus**"), then Tempus will issue to GSK a credit for the amount of such Quarterly Funding Surplus (a "**Surplus Funding Credit**"). Such rights shall include recovery of any monies due under this Agreement.

43.2 The expiry or termination of this Agreement shall not affect the coming into force or continuation in force of any provision hereof which is expressly or by implication intended to come into force or continue in force on or after such expiry or termination.

(b) Subject to Section 2.14, each Term Loan Borrowing shall be comprised entirely of Base Rate Loans or SOFR Loans as the Borrower may request in accordance herewith.

(c) At the commencement of each Interest Period for any SOFR Borrowing, such Borrowing shall be in an aggregate amount not less than $200,000. At the time that each Base Rate Borrowing is made, such Borrowing shall be in an aggregate amount that is an integral multiple of $50,000 and not less than $250,000. Lenders. Upon receipt of all requested funds, the Administrative Agent will make such Loans available to the Borrower by promptly crediting the amounts so received by wire transfer, in like funds, to an account designated by the Borrower in the applicable Borrowing Request.

(b) Unless the Administrative Agent shall have received notice from a Lender prior to the proposed Borrowing that such Lender will not make available to the Administrative Agent such Lender's share of such Borrowing, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with Section 2.06(a) and may, in reliance upon such assumption and in its sole discretion, make available to the Borrower a corresponding amount. In such event, if a Lender has not in fact made its share of the applicable Borrowing available to the Administrative Agent, then the applicable Lender agrees to pay to the Administrative Agent an amount equal to such share on demand of the Administrative Agent. If such Lender does not pay such corresponding amount forthwith upon demand of the Administrative Agent therefor, the Administrative Agent shall promptly notify the Borrower and the Borrower agrees to pay such corresponding amount to the Administrative Agent forthwith on demand. The Administrative Agent shall also be entitled to recover from such Lender the interest on such corresponding amount for each day from and including the date such amount is made available to the Borrower to but excluding the date of payment to the Administrative Agent, at (i) in the case of such Lender, the greater of the Federal Funds Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation or (ii) in the case of the Borrower, the interest rate applicable to Base Rate Loans. The Borrower may elect different options with respect to different portions of the affected Borrowing, in which case each such portion shall be allocated ratably among the Lenders holding the Loans comprising such Borrowing, and the Loans comprising each such portion shall be considered a separate Borrowing.

(b) To make an election pursuant to this Section 2.07, the Borrower shall notify the Administrative Agent of such election in writing (i) in the case of a SOFR Borrowing, not later than 1:00 p.m., New York City time, three Business Days before the date of the proposed election or (ii) in the case of a Base Rate Borrowing, not later than 12:00 noon, New York City time, one Business Day before the date of the proposed election. (ii) the effective date of the election made pursuant to such Interest Election Request, which shall be a Business Day; and

(iii) whether the resulting Borrowing is to be a Base Rate Borrowing or a SOFR Borrowing.

(d) Promptly following receipt of an Interest Election Request, the Administrative Agent shall advise each Lender of the details thereof and of such Lender's portion of each resulting Borrowing.

(e) If the Borrower fails to deliver a timely Interest Election Request with respect to a SOFR Borrowing prior to the end of the Interest Period applicable thereto, then, unless such Borrowing is repaid as provided herein, at the end of such Interest Period such Borrowing shall automatically be continued as a SOFR Borrowing having an Interest Period of three month's duration.

(f) Notwithstanding any contrary provision hereof, if an Event of Default has occurred and is continuing and the Administrative Agent, at the request of the Required Lenders, so notifies the Borrower, then, so long as an Event of Default is continuing, (i) no outstanding Borrowing may be converted to or continued as a SOFR Borrowing and (ii) unless repaid, each SOFR Borrowing shall be converted to a Base Rate Borrowing at the end of the Interest Period applicable thereto.

In the event of any conflict between the records maintained by any Lender and the records maintained by the Administrative Agent in such matters, the records of the Administrative Agent shall control in the absence of manifest error.

(e) Any Lender may request that Loans made by it be evidenced by a promissory note. In such event, Borrower shall execute and deliver to such Lender a promissory note (or, if requested by such Lender, to such Lender and its registered assigns) and in a form approved by the Lender evidencing the Loans, if any, owing to such Lender. (a) The Borrower shall have the right at any time and from time to time to prepay any Term Loans in whole or in part, as selected by the Borrower in its sole discretion and subject to the requirements of clauses (e), (f) and (j) of this Section 2.11.

(b) [Reserved].

(c) In the event and on each occasion that any Net Proceeds are received by or on behalf of the Borrower or any Subsidiary in respect of any Prepayment Event, the Borrower shall, within five (5) Business Days after such Net Proceeds are received by the Borrower or such Subsidiary, prepay Term Loan Borrowings in an aggregate amount equal to 100% of such Net Proceeds; provided, further, that in the case of any event described in clause (a) or (b) of the definition of the term "Prepayment Event" (other than pursuant to a sale and leaseback transaction permitted under Section 6.06), if the Borrower shall deliver to the Administrative Agent a certificate of a Financial Officer to the effect that the Borrower and the Subsidiaries intend to apply the Net Proceeds from such event (or a portion thereof specified in such certificate), within 365 days after receipt of such Net Proceeds in the business of the Borrower and the Subsidiaries, and certifying that no Event of Default has occurred and is continuing, then no prepayment shall be required pursuant to this paragraph in respect of the Net Proceeds specified in such certificate, except to the extent that the aggregate amount of such Net Proceeds that have not been so applied or contractually committed in writing by the end of such 365-day period exceeds $2,500,000 ("Excess Net Proceeds"), promptly after which time a prepayment shall be required in an amount equal to such Excess Net Proceeds that have not been so applied.

(d) In the event and on each occasion that any Net Proceeds from the issuance of Equity Interests for cash or other receipt of cash contributions to its equity in connection with the exercise of the Cure Right are received by or on behalf of the Borrower, the Borrower shall, within one (1) Business Day after such Net Proceeds are received by the Borrower, prepay Term Loan Borrowings in an aggregate amount equal to 100% of such Net Proceeds.

(e) Prior to any optional or mandatory prepayment of Borrowings hereunder, the Borrower shall determine in accordance with Section 2.11(j) the Borrowing or Borrowings to be prepaid and shall specify such determination in the notice of such prepayment pursuant to Section 2.11(f).

(f) The Borrower shall notify the Administrative Agent in writing of any prepayment hereunder (i) in the case of prepayment of a SOFR Borrowing, not later than 12:00 noon, New York City time, three Business Days before the date of prepayment or (ii) in the case of prepayment of a Base Rate Borrowing, not later than 12:00 p.m., New York City time, one Business Days before the date of prepayment. Each such notice shall be irrevocable and shall specify the prepayment date, the principal amount of each Borrowing or portion thereof to be prepaid; provided that, if a notice of prepayment is given under this Section 2.11, such notice of prepayment may be conditioned upon the effectiveness of other credit facilities or the closing of a refinancing transaction, a sale of all or substantially all of the assets of the Borrower and its Subsidiaries or a Change of Control and such notice of prepayment may be revoked

or extended by the Borrower by written notice to the Administrative Agent if such condition is not satisfied on or prior to the specified effective date of prepayment. Promptly following receipt of any such notice, the Administrative Agent shall advise the Lenders of the contents thereof. Each partial prepayment of any Borrowing shall be in an amount that would be permitted in the case of an advance of a Borrowing of the same Type as provided in Section 2.02, except as necessary to apply fully the required amount of a mandatory prepayment. Each prepayment of a Borrowing shall be applied ratably to the Loans included in the prepaid Borrowing. Prepayments shall be accompanied by accrued interest to the extent required by Section 2.13 but shall in no event include premium or penalty.

(g) All Swap Agreements, if any, between Borrower and any of the Lenders or their respective affiliates are independent agreements governed by the written provisions of said Swap Agreements, which will remain in full force and effect, unaffected by any repayment, prepayment, acceleration, reduction, increase or change in the terms of the Loans, except as otherwise expressly provided in said written Swap Agreements, and any payoff statement from the Lenders relating to the Loans shall not apply to said Swap Agreements except as otherwise expressly provided in such payoff statement.

(h) [Reserved].

(i) [Reserved].

(j) Any mandatory or optional prepayments of a Term Loan Borrowing shall be paid to the Term Lenders on a pro rata basis in accordance with their respective holdings of Term Loans.

(k) All prepayments referred to in clause (c) above are subject (i) in the case of any Net Proceeds from Prepayment Events attributable to Foreign Subsidiaries, to there being no material adverse tax consequences to Borrower, or the Subsidiaries, either individually or in the aggregate (which, for the avoidance of doubt, includes, but is not limited to, any prepayment whereby doing so Borrower and the Subsidiaries would incur a material tax liability, including in connection with a tax dividend, deemed dividend pursuant to Section 956 of the Code or a withholding Tax) and (ii) in the case of any Net Proceeds from Prepayment Events attributable to Foreign Subsidiaries, permissibility under local law (e.g., financial assistance, corporate benefit, restrictions on upstreaming of cash intra-group and the fiduciary and statutory duties of the directors of the relevant subsidiaries). The non-application of any prepayment amounts as a consequence of the foregoing provisions will not, for the avoidance of doubt, constitute a Default or an Event of Default, and such amounts shall be available for working capital purposes of the Borrower and the Subsidiaries as long as not required to be prepaid in accordance this Section 2.11(k). Notwithstanding the foregoing, any prepayments required after application of this clause (k) shall be net of any costs, expenses or taxes incurred by the Borrower or any of its Affiliates and arising as a result of compliance with the preceding sentence.

(l) Each Term Lender may reject all or a portion of its pro rata share of any mandatory prepayment (such declined amounts, the "Declined Proceeds") of Term Loans required to be made pursuant to clauses (c) (with respect to Net Proceeds received from a Prepayment Event under clauses (a) or (b) of such definition only) and (d) of this Section 2.11 by providing written notice (each, a "Rejection Notice") to the Administrative Agent and the Borrower no later than 2:00 p.m. one Business Day prior to the date of such prepayment. Each Rejection Notice from a given Lender shall specify the principal amount of the mandatory repayment of Term Loans to be rejected by such Lender. If a Term Lender fails to deliver a Rejection Notice to the Administrative Agent within the time frame specified above or such Rejection Notice fails to specify the principal amount of the Term Loans to be rejected, any such failure will be deemed an acceptance of the total amount of such mandatory prepayment of Term Loans. Any Declined Proceeds may be retained by the Borrower.

SECTION 2.12. Fees.

(a) The Borrower agrees to pay to the Administrative Agent for its own account, the Lead Arranger and the Lenders signatory to the Fee Letter, as applicable, fees payable in the amounts and at the times separately agreed upon between the Borrower, the Administrative Agent, the Lead Arranger and the Lenders signatory to the Fee Letter.

(b) All fees payable hereunder shall be paid on the dates due, in immediately available funds, to the Administrative Agent for distribution, in the case of commitment fees and participation fees, to the Lenders entitled thereto. Fees paid shall not be refundable under any circumstances.

(c) Notwithstanding anything to the contrary in any of the Loan Documents, the outstanding principal amounts of the Loans and Obligations shall not be permitted to be prepaid, repaid, redeemed or paid prior to the fourth anniversary of the Effective Date except in accordance with this Section 2.12(c). If any Loans are prepaid (other than as a result of an event described in clause (b) of the definition of the term "Prepayment Event"), in addition to the principal amount of the Loans and accrued interest, fees and other amounts owed thereon, such Loans shall be accompanied by a premium equal to (a) if such prepayment is made prior to the first anniversary of the Effective Date for any reason (such as an acceleration of the Loans and other Obligations following the occurrence of an Event of Default, an exercise of any Credit Party's rights or remedies available under the Loan Documents, upon the consummation of a Change of Control, by any optional prepayment or termination or otherwise), then the amount (in addition to the principal amount of the Loans and other Obligations (other than the Make-Whole Premium) and accrued interest, fees and other amounts owed thereon) required to be prepaid, repaid, redeemed or paid shall be the Make-Whole Premium applicable to the principal amount and interest on the Loans or other Obligations (other than the Make-Whole Premium) so prepaid, repaid, redeemed or paid, (b) if such prepayment is made on or after the first anniversary of the Effective Date but prior to the second anniversary of the Effective Date for any reason (such as an acceleration of the Loans and other Obligations following the occurrence of an Event of Default, an exercise of any Credit Party's rights or remedies available under the Loan Documents, upon the consummation of a Change of Control, by any optional prepayment or termination or otherwise), 5.00% of the principal amount of the Term Loans so prepaid, repaid, redeemed or paid, (c) if such prepayment is made on or after the second anniversary of the Effective Date but prior to the third anniversary of the Effective Date for any reason (such as an acceleration of the Loans and other Obligations following the occurrence of an Event of Default, an exercise of any Credit Party's rights or remedies available under the Loan Documents, upon the consummation of a Change of Control, by any optional prepayment or termination or otherwise), 2.50% of the principal amount of the Term Loans so prepaid, repaid, redeemed or paid, (d) if such prepayment is made on or after the third anniversary of the Effective Date but prior to the fourth anniversary of the Effective Date for any reason (such as an acceleration of the Loans and other Obligations following the occurrence of an Event of Default, an exercise of any Credit Party's rights or remedies available under the Loan Documents, upon the consummation of a Change of Control, by any optional prepayment or termination or otherwise), 1.00% of the principal amount of the Term Loans so prepaid, repaid, redeemed or paid and (e) if such prepayment is made on or after the fourth anniversary of the Effective Date, 0.00% of the principal amount of the Term Loans so prepaid, repaid, redeemed or paid (such Make-Whole Premium or other amount required to be paid (or that is otherwise owed) pursuant to the foregoing, the "Make Whole/Prepayment Fee Amount"). For purposes of this Section 2.12(c), the principal amount of the Term Loans shall include all PIK Interest that has been capitalized to principal.

(d) The parties hereto acknowledge and agree that, in light of the impracticality and extreme difficulty of ascertaining actual damages, the Make Whole/Prepayment Fee Amount is intended to be a reasonable calculation of the actual damages that would be suffered by the Credit Parties as a result of any such prepayment, repayment, redemption, payment or termination. The parties hereto further acknowledge and agree that the Agents and the Lenders would not have entered into this Agreement, and the Lenders would not have provided the Commitments or Loans hereunder, without the Loan Parties agreeing to pay the Make Whole/Prepayment Fee in the aforementioned instances. The parties hereto further acknowledge and agree that the Make Whole/Prepayment Fee Amount is not intended to act as a penalty or to punish the Borrower or any other Loan Party for any such prepayment, repayment, redemption or payment.

SECTION 2.13. Interest.

(a) The Loans comprising each Base Rate Borrowing shall bear interest at (i) in the event the Borrower makes a PIK Election, the sum of (A) the Base Rate plus the Applicable Rate applicable to a PIK Election paid in cash plus (B) 3.00% per annum paid in-kind by adding such accrued interest to the outstanding principal balance of the applicable Loans on each Interest Payment Date and after giving effect to the foregoing, such accrued and unpaid interest on the Loans shall be deemed to constitute a portion of the outstanding principal balance of the Term Loans for all purposes of this Agreement and the other Loan Documents, including with respect to the accrual of interest thereon at the rates set forth herein (the "PIK Interest") or (ii) in the event the Borrower makes a Cash Election, the Base Rate plus the Applicable Rate applicable to a Cash Election.

(b) The Loans comprising each SOFR Borrowing shall bear interest at (i) in the event the Borrower makes a PIK Election, the sum of (A) Term SOFR for the Interest Period in effect for such Borrowing plus the Applicable Rate applicable to a PIK Election paid in cash plus (B) the PIK Interest or (ii) in the event the Borrower makes a Cash Election, Term SOFR for the Interest Period in effect for such Borrowing plus the Applicable Rate applicable to a Cash Election.

(c) Notwithstanding the foregoing, automatically upon the occurrence of any Event of Default described in Sections 7.01(a), (b), (i) or (j), and at the direction of the Administrative Agent or the Required Lenders in the case of any Event of Default described in Section 7.01(d) (solely with respect to Section 6.12) or Section 7.01(e), all outstanding Obligations shall bear interest, after as well as before judgment, at a rate per annum equal to (1) in the case of any Loan, 2.00% plus the rate otherwise applicable to such Loan as provided in the preceding paragraphs of this Section 2.13 and (2) in the case of any other amount 2.00% plus the rate applicable to Base Rate Loans as provided in Section 2.13(a) (such rates referred to in this clause (c), the "Default Rates").

(d) Accrued interest on each Loan shall be payable in arrears on each Interest Payment Date for such Loan, provided that (i) interest accrued pursuant to Section 2.13(c) shall be payable on demand, (ii) in the event of any repayment or prepayment of any Loan, accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment and (iii) in the event of any conversion of any SOFR Loan prior to the end of the current Interest Period therefor, accrued interest on such Loan shall be payable on the effective date of such conversion.

(e) All interest hereunder shall be computed on the basis of a year of 360 days, except that interest computed by reference to the Base Rate at times when the Base Rate is based on the Prime Rate shall be computed on the basis of a year of 365 days (or 366 days in a leap year), and in each case shall be payable for the actual number of days elapsed (including the first day but excluding the last day). For the avoidance of doubt, no date of payment shall be included in any computation. The applicable Base Rate or Term SOFR shall be determined by the Administrative Agent, and such determination shall be conclusive absent manifest error.

(f) Notwithstanding anything to the contrary herein, on any Interest Payment Date, the accrued interest on the Term Loans due on such Interest Payment Date may be paid (a) solely in cash at the written election of the Borrower (any such election, a "Cash Election") or (b) partially in cash and partially in kind by increasing the principal amount of the Term Loans by the amount of such interest at the written election of the Borrower (any such election, a "PIK Election"); provided that the Borrower may exercise the PIK Election with respect to any such Interest Payment Date by delivering written notice thereof to the Administrative Agent no later than 1:00 p.m., five Business Days prior to such Interest Payment Date and if the Borrower fails to make any such election, the Borrower shall have deemed to have made the Cash Election for such Interest Payment Date.

(g) Term SOFR for each Interest Period shall be determined by the Administrative Agent, and notice thereof shall be given by the Administrative Agent promptly to the Borrower and each Lender. Each determination of Term SOFR by the Administrative Agent shall be conclusive and binding upon the parties hereto, in the absence of demonstrable error. The Administrative Agent shall, upon written request of the Borrower or any Lender, deliver to the Borrower or such Lender a statement showing the computations used by the Administrative Agent in determining Term SOFR hereunder. In connection with the use or administration of Term SOFR, the Administrative Agent will have the right to make Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Loan Document. The Administrative Agent will promptly notify the Borrower and the Lenders of the effectiveness of any Conforming Changes in connection with the use or administration of Term SOFR.

SECTION 2.14. Benchmark Replacement Setting.

(a) *Benchmark Replacement*. Notwithstanding anything to the contrary herein or in any other Loan Document, upon the occurrence of a Benchmark Transition Event, the Administrative Agent and the Borrower may amend this Agreement to replace the then-current Benchmark with a Benchmark Replacement. Any such amendment with respect to a Benchmark Transition Event will become effective at 5:00 p.m. (New York City time) on the fifth (5th) Business Day after the Administrative Agent has posted such proposed amendment to all affected Lenders and the Borrower so long as the Administrative Agent has not received, by such time, written notice of objection to such amendment from Lenders comprising the Required Lenders. No replacement of a Benchmark with a Benchmark Replacement pursuant to this Section 2.14(a) will occur prior to the applicable Benchmark Transition Start Date.

(b) *Benchmark Replacement Conforming Changes*. In connection with the use, administration, adoption or implementation of a Benchmark Replacement, the Administrative Agent, in consultation with the Borrower, will have the right to make Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Loan Document.

(c) *Notices; Standards for Decisions and Determinations*. The Administrative Agent will promptly notify the Borrower and the Lenders of (i) the implementation of any Benchmark Replacement and (ii) the effectiveness of any Conforming Changes in connection with the use, administration, adoption or implementation of a Benchmark Replacement. The Administrative Agent will promptly notify the Borrower of (x) the removal or reinstatement of any tenor of a Benchmark pursuant to Section 2.14(d) and (y) the commencement of any Benchmark Unavailability Period. Any determination, decision or election that may be made by the Administrative Agent or, if applicable, any Lender (or group of Lenders) pursuant to this Section 2.14, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party to this Agreement or any other Loan Document, except, in each case, as expressly required pursuant to this Section 2.14.

(d) *Unavailability of Tenor of Benchmark*. Notwithstanding anything to the contrary herein or in any other Loan Document, at any time (including in connection with the implementation of a Benchmark Replacement), (i) if the then-current Benchmark is a term rate (including the Term SOFR Reference Rate) and either (A) any tenor for such Benchmark is not displayed on a screen or other information service that publishes such rate from time to time as selected by the Administrative Agent in its reasonable discretion in consultation with the Borrower or (B) the regulatory supervisor for the administrator of such Benchmark has provided a public statement or publication of information announcing that any tenor for such Benchmark is not or will not be representative, then the Administrative Agent may modify the definition of "Interest Period" (or any similar or analogous definition) for any Benchmark settings at or after such time to remove such unavailable or non-representative tenor and (ii) if a tenor that was removed pursuant to clause (i) above either (A) is subsequently displayed on a screen or information service for a Benchmark (including a Benchmark Replacement) or (B) is not, or is no longer, subject to an announcement that it is not or will not be representative for a Benchmark (including a Benchmark Replacement), then the Administrative Agent may modify the definition of "Interest Period" (or any similar or analogous definition) for all Benchmark settings at or after such time to reinstate such previously removed tenor.

(e) *Benchmark Unavailability Period*. Upon the Borrower's receipt of notice of the commencement of a Benchmark Unavailability Period, the Borrower may revoke any pending request for a SOFR borrowing of, conversion to or continuation of SOFR Loans to be made, converted or continued during any Benchmark Unavailability Period and, failing that, the Borrower will be deemed to have converted any such request into a request for a Borrowing of or conversion to Base Rate Loans. During a Benchmark Unavailability Period or at any time that a tenor for the then-current Benchmark is not an Available Tenor, the component of the Base Rate based upon the then-current Benchmark or such tenor for such Benchmark, as applicable, will not be used in any determination of the Base Rate.

SECTION 2.15. Increased Costs.

(a) If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit or similar requirement against assets of, deposits with or for the account of, or credit extended by, any Lender (except any such reserve requirement reflected in Term SOFR); or

(ii) impose on any Lender any Taxes (except for Indemnified Taxes, Other Taxes, and Excluded Taxes) on its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto; or

(iii) impose on any Lender any other condition affecting this Agreement or SOFR Loans made by such Lender or participation therein;

and the result of any of the foregoing shall be to increase the cost to such Lender or such other Recipient of making or maintaining any SOFR Loan (or of maintaining its obligation to make any such Loan) or to increase the cost to such Lender, or to reduce the amount of any sum received or receivable by such Lender or other Recipient hereunder (whether of principal, interest or otherwise), then the Borrower will pay to such Lender or other Recipient, as applicable, such additional amount or amounts as will compensate such Lender or other Recipient, as applicable, for such additional costs incurred or reduction suffered; provided that such Person shall only be entitled to seek such additional amounts if such Person is generally seeking the payment of similar additional amounts from similarly situated borrowers in comparable credit facilities to the extent it is entitled to do so.

(b) If any Lender determines that any Change in Law affecting such Lender or any lending office of such Lender or such Lender's holding company, if any, regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on such Lender's or on the capital of such Lender's holding company, if any, as a consequence of this Agreement or the Loans made by such Lender to a level below that which such Lender or such Lender's holding company could have achieved but for such Change in Law (taking into consideration such Lender's policies and the policies of such Lender's holding company with respect to capital adequacy or liquidity), then from time to time the Borrower will pay to such Lender such additional amount or amounts as will compensate such Lender or such Lender's holding company for any such reduction suffered; provided that such Person shall only be entitled to seek such additional amounts if such Person is generally seeking the payment of similar additional amounts from similarly situated borrowers in comparable credit facilities to the extent it is entitled to do so.

(c) Notwithstanding anything herein to the contrary, (i) all requests, rules, guidelines, requirements and directives promulgated by the Bank for International Settlements, the Basel Committee on Banking Supervision (or any successor or similar authority) or by United States or foreign regulatory authorities, in each case pursuant to Basel III, and (ii) the Dodd-Frank Wall Street Reform and Consumer Protection Act and all requests, rules, guidelines, requirements and directives thereunder or issued in connection therewith or in implementation thereof, shall in each case be deemed to be a change in law, regardless of the date enacted, adopted, issued or implemented.

(d) A certificate of a Lender setting forth in reasonable detail the basis for and computation of the amount or amounts necessary to compensate such Lender or its holding company, as applicable, as specified in Section 2.15(a) or (b) shall be delivered to the Borrower and shall be conclusive absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate within 10 days after receipt thereof.

(e) Failure or delay on the part of any Lender to demand compensation pursuant to this Section 2.15 shall not constitute a waiver of such Lender's right to demand such compensation, provided that the Borrower shall not be required to compensate a Lender pursuant to this Section 2.15 for any increased costs or reductions incurred more than 270 days prior to the date that such Lender notifies the Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's intention to claim compensation therefor, provided, further, that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 270-day period referred to above shall be extended to include the period of retroactive effect thereof.

SECTION 2.16. Break Funding Payments. In the event of (a) the payment of any principal of any SOFR Loan other than on the last day of an Interest Period applicable thereto (including as a result of an Event of Default), (b) the conversion of any SOFR Loan other than on the last day of the Interest Period applicable thereto, (c) the failure to borrow, convert, continue or prepay any Term Loan on the date specified in any notice delivered pursuant hereto (regardless of whether such notice may be revoked under Section 2.11(f) and is revoked in accordance therewith), or (d) the assignment of any SOFR Loan other than on the last day of the Interest Period applicable thereto as a result of a request by the Borrower pursuant to Section 2.19, then, in any such event, the Borrower shall compensate each Lender for the loss, cost and expense attributable to such event (but not lost profits). In the case of a SOFR Loan, such loss, cost or expense to any Lender shall be deemed to include an amount determined by such Lender to be the excess, if any, of (i) the amount of interest that would have accrued on the principal amount of such Loan had such event not occurred, at Term SOFR that would have been applicable to such Loan, for the period from the date of such event to the last day of the then current Interest Period therefor (or, in the case of a failure to borrow, convert or continue, for the period that would have been the Interest Period for such Loan), over (ii) the amount of interest that would accrue on such principal amount for such period at the interest rate that such Lender would bid were it to bid, at the commencement of such period, for dollar deposits of a comparable amount and period from other banks in the SOFR market. A certificate of any Lender setting forth any amount or amounts that such Lender is entitled to receive pursuant to this Section 2.16 shall be delivered to the Borrower and shall be conclusive absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate within 10 days after receipt thereof. Notwithstanding the foregoing, no additional amounts shall be due and payable pursuant to this Section 2.16 to the extent that on the relevant due date the Borrower deposits in a Prepayment Account an amount equal to any payment of SOFR Loans otherwise required to be made on a date that is not the last day of the applicable Interest Period; provided that on the last day of the applicable Interest Period, the Administrative Agent shall be authorized, without any further action by or notice to or from the Borrower or any other Loan Party, to apply such amount to the prepayment of such SOFR Loans. For purposes of this Agreement, the term "Prepayment Account" shall mean a non-interest bearing account established by the Borrower with the Administrative Agent and over which the Administrative Agent shall have exclusive dominion and control, including the right of withdrawal for application in accordance with this Section 2.16.

SECTION 2.17. Taxes.

(a) Any and all payments by or on account of any obligation of any Loan Party hereunder or under any other Loan Document shall be made free and clear of and without deduction or withholding for any Taxes, except as required by applicable law. If any applicable law (as determined in the good faith discretion of an applicable withholding agent) requires the deduction or withholding of any Tax from any such payment by a withholding agent, then the applicable withholding agent shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law and, if such Tax is an Indemnified Tax or Other Tax, then the sum payable by the Borrower shall be increased as necessary so that after such deduction or withholding has been made (including such deductions and withholdings applicable to additional sums payable under this Section 2.17) the applicable Recipient receives an amount equal to the sum it would have received had no such deduction or withholding been made.

(b) Without duplication of other amounts paid by any Loan Party under this Section 2.17, the applicable Loan Party shall pay any Other Taxes to the relevant Governmental Authority in accordance with applicable law.

(c) The applicable Loan Party shall indemnify the Administrative Agent and each Lender within 30 days after written demand therefor, for the full amount of any Indemnified Taxes or Other Taxes paid by the Administrative Agent or such Lender, as applicable, on or with respect to any payment by or on account of any obligation of such Loan Party hereunder or under any other Loan Document (including Indemnified Taxes or Other Taxes imposed or asserted on or attributable to amounts payable under this Section 2.17), whether or not such Indemnified Taxes or Other Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Borrower by a Lender (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

(d) Each Lender shall severally indemnify the Administrative Agent, within ten (10) days after demand therefor, for (i) any Indemnified Taxes or Other Taxes attributable to such Lender (but only to the extent that the Loan Parties have not already indemnified the Administrative Agent for such Indemnified Taxes or Other Taxes and without limiting or expanding the obligation of the Loan Parties to do so), (ii) any Taxes attributable to such Lender's failure to comply with the provisions of Section 9.04(e) relating to the maintenance of a Participant Register and (iii) any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by the Administrative Agent in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable by the Administrative Agent to the Lender from any other source against any amount due to the Administrative Agent under this paragraph (d).

(e) As soon as practicable after any payment of Indemnified Taxes or Other Taxes by any Loan Party to a Governmental Authority, such Loan Party shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, if any, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(f) Status of Lenders.

(i) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document shall deliver to the Borrower and the Administrative Agent, at the time or times reasonably requested by the Borrower or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Borrower or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Borrower or the Administrative Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in this Section 2.17(f)(ii)(1), (ii)(2) and (ii)(4) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Without limiting the generality of the foregoing,

(1) any Lender that is a U.S. Person shall deliver to the Borrower and the Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed copies of IRS Form W-9 certifying that such Lender is not subject to U.S. federal backup withholding tax;

(2) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), whichever of the following is applicable:

(A) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Loan Document, executed copies of IRS Form W-8BEN or W-8BEN-E establishing

an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "interest" article of such tax treaty and (y) with respect to any other applicable payments under any Loan Document, IRS Form W-8BEN or W-8BEN-E establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "business profits" or "other income" article of such tax treaty;

(B) executed copies of IRS Form W-8ECI;

(C) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate substantially in the form of Exhibit I-1 to the effect that such Foreign Lender is not a "bank" within the meaning of Section 881(c)(3)(A) of the Code, a "10 percent shareholder" of the Borrower within the meaning of Section 881(c)(3)(B) of the Code, or a "controlled foreign corporation" related to the Borrower as described in Section 881(c)(3)(C) of the Code (a "U.S. Tax Compliance Certificate") and (y) executed copies of IRS Form W-8BEN or W-8BEN-E; or

(D) to the extent a Foreign Lender is not the beneficial owner, executed copies of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN or W-8BEN-E, a U.S. Tax Compliance Certificate substantially in the form of Exhibit I-2 or Exhibit I-3, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that if the Foreign Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit I-4 on behalf of each such direct and indirect partner;

(3) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed copies of any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit the Borrower or the Administrative Agent to determine the withholding or deduction required to be made; and

(4) if a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (4), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification, provide such successor form, or promptly notify the Borrower and the Administrative Agent in writing of its legal inability to do so.

(g) On or before the date the Administrative Agent becomes a party to this Agreement, the Administrative Agent shall provide to the Borrower, two duly-signed, properly completed copies of the documentation prescribed in clause (i) or (ii) below, as applicable (together with all required attachments thereto): (i) IRS Form W-9 or any successor thereto, or (ii) (A) IRS Form W-8ECI or any successor thereto, and (B) with respect to payments received on account of any Lender, a U.S. branch withholding certificate on IRS Form W-8IMY or any successor thereto evidencing its agreement with the Borrower to be treated as a U.S. Person for U.S. federal withholding purposes. At any time thereafter, the Administrative Agent shall provide updated documentation previously provided (or a successor form thereto) when any documentation previously delivered has expired or become obsolete or invalid or otherwise upon the reasonable request of the Borrower.

(h) If any party determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified (including by payment of additional amounts) pursuant to this Section 2.17, it shall pay over such refund to the indemnifying party (but only to the extent of indemnity payments made, or additional amounts paid, by the indemnifying party under this Section 2.17 with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund), provided that the indemnifying party, upon the request of the indemnified party, agrees to repay the amount paid over to the indemnifying party pursuant to this paragraph (h) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the indemnified party in the event the indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (h), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this paragraph (h) the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This Section paragraph (h) shall not be construed to require any indemnified party to make available its tax returns (or any other information relating to its taxes that it deems confidential) to the indemnifying party or any other Person.

(i) Failure or delay on the part of any Lender or the Administrative Agent to demand compensation pursuant to the foregoing provisions of this Section 2.17 shall not constitute a waiver of such Lender's or Administrative Agent's right to demand such compensation, provided that the Borrower shall not be required to compensate a Lender or the Administrative Agent pursuant to the foregoing provisions of Section 2.17 for any Taxes or related costs suffered more than 270 days prior to the date that such Lender or the Administrative Agent notifies the Borrower of the event giving rise to such claim and of such Lender's or the Administrative Agent's intention to claim compensation therefor (except that, if the circumstance giving rise to such demand for compensation is retroactive, then the 270-day period referred to above shall be extended to include the period of retroactive effect thereof).

(j) Each party's obligations under this Section 2.17 shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all obligations under any Loan Document.

(k) Borrower and each Lender acknowledge and agree that, for U.S. federal and other applicable income tax purposes, the Term Loans have original issue discount ("OID") within the meaning of Section 1272 of the Code, and shall not be treated as "contingent payment debt instruments" as defined pursuant to Treasury Regulation Section 1.1275-4. Information regarding the amount of any OID, the issue price, the issue date and the yield to maturity of the Term Loans may be obtained by writing to the Borrower at the address specified in Section 9.01. Neither Borrower nor any Lender shall take any tax position inconsistent with this Section 2.17(k) unless otherwise required by the final determination of a tax authority following a tax audit or examination.

SECTION 2.18. Payments Generally; Pro Rata Treatment; Sharing of Setoffs.

(a) The Borrower shall make each payment required to be made by it hereunder or under any other Loan Document (whether of principal, interest or fees (including any Make Whole/Prepayment Fee Amount), or of amounts payable under Section 2.15, 2.16 or 2.17, or otherwise) at or prior to the time expressly required hereunder or under such other Loan Document for such payment (or, if no such time is expressly required, prior to 2:00 p.m., New York City time), on the date when due, in immediately available funds, without setoff or counterclaim. Any amounts received after such time on any date may, in the discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All such payments shall be made to the Administrative Agent at its offices at the account as most recently designated in writing for the receipt of such payments, except that payments pursuant to Sections 2.15, 2.16, 2.17 and 9.03 shall be made directly to the Persons entitled thereto and payments pursuant to other Loan Documents shall be made to the Persons specified therein. The Administrative Agent shall distribute any such payments received by it for the account of any other Person to the appropriate recipient promptly following receipt thereof. If any payment under any Loan Document shall be due on a day that is not a Business Day, the date for payment shall be extended to the next succeeding Business Day, and, in the case of any payment accruing interest, interest thereon shall be payable for the period of such extension. All payments under each Loan Document shall be made in dollars.

(b) If at any time insufficient funds are received by and available to the Administrative Agent to pay fully all amounts of principal, interest and fees then due hereunder, such funds shall be applied (i) first, towards payment of interest and fees then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of interest and fees then due to such parties, and (ii) second, towards payment of principal then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of principal then due to such parties.

(c) [Reserved].

(d) Unless the Administrative Agent shall have received notice from the Borrower prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders hereunder that the Borrower will not make such payment, the Administrative Agent may assume that the Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption and in its sole discretion, distribute to the Lenders the amount due. In such event, if the Borrower has not in fact made such payment, then each of the Lenders severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.

(e) If any Lender shall fail to make any payment required to be made by it pursuant to Section 2.06, 2.18(d) or 9.03(c), then the Administrative Agent may, in its discretion (notwithstanding any contrary provision hereof), apply any amounts thereafter received by the Administrative Agent for the account of such Lender to satisfy such Lender's obligations under such Sections until all such unsatisfied obligations are fully paid.

(f) Notwithstanding any contrary provision set forth herein or in any other Loan Document, (i) during the continuance of an Event of Default, the Administrative Agent may, and shall upon the direction of Required Lenders apply any and all payments received by the Administrative Agent in respect of any Obligation in accordance with clauses first through sixth below; and (ii) all payments made by Loan Parties to the Administrative Agent after any or all of the Obligations under the Loan Documents have been accelerated (so long as such acceleration has not been rescinded) or have otherwise matured, including proceeds of Collateral, shall be applied as follows:

(i) first, to payment of costs, expenses and indemnities of the Administrative Agent payable or reimbursable by the Loan Parties under the Loan Documents;

(ii) second, to payment of costs, expenses and indemnities of Lenders payable or reimbursable by the Loan Parties under this Agreement;

(iii) third, to payment of all accrued unpaid interest on the Obligations and fees owed to the Administrative Agent and the Lenders (whether or not accruing after the filing of any case under the Bankruptcy Code with respect to any Obligations and whether or not a claim for such post-filing or post-petition interest, fees, and charges is allowed or allowable in any such proceeding);

(iv) fourth, to payment of principal of the Obligations (including any Make Whole/Prepayment Fee Amount) then due and payable to the extent not then due and payable;

(v) fifth, to payment of any other amounts owing constituting Obligations; and

(vi) sixth, any remainder shall be for the account of and paid to whoever may be lawfully entitled thereto.

In carrying out the foregoing, (i) amounts received shall be applied to each category in the numerical order provided until exhausted prior to the application to the immediately succeeding category, (ii) each of the Lenders or other Persons entitled to payment shall receive an amount equal to its pro rata share of amounts available to be applied pursuant to clauses third, fourth and fifth above and (iii) no payments by a Guarantor and no proceeds of Collateral of a Guarantor shall be applied to Obligations, the guaranty of which by such Guarantor would constitute an Excluded Swap Obligation. Notwithstanding the foregoing, obligations in respect of Swap Agreements with parties that are not Affiliates of the Administrative Agent shall be excluded from the application described above unless at least three Business Days prior to any distribution, the Administrative Agent has received written notice from the applicable Credit Party (or its Affiliate) of the amount of Obligations in respect of Swap Agreements or then due and payable, together with such supporting documentation as Agent may request.

SECTION 2.19. Mitigation Obligations; Replacement of Lenders.

(a) If any Lender requests compensation under Section 2.15, or if the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17, then such Lender shall use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 2.15 or 2.17, as applicable, in the future and (ii) would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender. The Borrower hereby agrees to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

(b) If (i) any Lender requests compensation under Section 2.15, or if the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17, or (ii) any Lender becomes a Defaulting Lender, then the Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 9.04), all its interests, rights and obligations under this Agreement to an assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment), provided that (i) the Borrower shall have received the prior written consent of the Administrative Agent, which consent shall not unreasonably be withheld, (ii) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder, from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts) and (iii) in the case of any such assignment resulting from a claim for compensation under Section 2.15 or payments required to be made pursuant to Section 2.17, such assignment will result in a material reduction in such compensation or payments. A Lender shall not be required to make any such assignment and delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrower to require such assignment and delegation cease to apply.

ARTICLE III

Representations and Warranties

The Borrower represents and warrants to the Lenders that:

SECTION 3.01. Organization; Power. Each of the Borrower and the Subsidiaries (a) is duly organized or formed, validly existing and in good standing under the laws of the jurisdiction of its incorporation or organization, (b) has the power and authority and all governmental rights, qualifications, approvals, authorizations, permits, accreditations, licenses and franchises material to the business of the Borrower and the Subsidiaries taken as a whole that are necessary to own its assets, to carry on its business as now conducted and as proposed to be conducted and, in the case of the Loan Parties, to execute, deliver and perform its obligations under each Loan Document to which it is a party and (c) except where the failure to do so, individually or in the aggregate, is not reasonably likely to result in a Material Adverse Effect, is qualified to do business in, and is in good standing in, every jurisdiction where such qualification is required.

SECTION 3.02. Authorization; Enforceability. The Transactions to be entered into by each Loan Party have been duly authorized by all necessary corporate or other action and, if required, stockholder action. This Agreement has been duly executed and delivered by the Borrower and constitutes, and each other Loan Document to which any Loan Party is to be a party, when executed and delivered by such Loan Party, will constitute, a legal, valid and binding obligation of the Borrower or such Loan Party, as applicable, enforceable in accordance with its terms, subject to applicable bankruptcy, insolvency, reorganization, moratorium or other laws affecting creditors' rights generally and subject to general principles of equity, regardless of whether considered in a proceeding in equity or at law.

SECTION 3.03. Governmental Approvals; No Conflicts. Except as set forth in Schedule 3.03 the Transactions (a) do not require any consent or approval of, registration or filing with, or any other action by, any Governmental Authority, except such as have been obtained or made and are in full force and effect and except those that are required or permitted to be obtained following consummation of the Transactions, the absence of which individually or in the aggregate are not reasonably likely to result in a Material Adverse Effect and filings necessary to perfect Liens created under the Loan Documents, (b) will not violate any Requirement of Law applicable to the Borrower or any of the Subsidiaries, as applicable, (c) will not violate or result in a default under any indenture or other material agreement or instrument binding upon the Borrower or any of the Subsidiaries or any of their assets, or give rise to a right thereunder to require any payment to be made by the Borrower or any of the Subsidiaries or give rise to a right of, or result in, termination, cancellation or acceleration of any material obligation thereunder, (d) will not result in the creation or imposition of any Lien on any asset of the Borrower or any of the Subsidiaries, except Liens created under the Loan Documents and (e) will not violate any judgment, order, decree or injunction that is binding upon any Loan Party or any of their respective properties.

SECTION 3.04. Financial Condition; No Material Adverse Change; Projections; No Default.

(a) The Borrower has heretofore furnished to the Lenders the Annual Financial Statements. Such Annual Financial Statements present fairly, in all material respects, the financial position and results of operations and cash flows of the Borrower and the Subsidiaries as of such dates and for such periods in accordance with GAAP consistently applied.

(b) The Borrower has heretofore furnished to the Lenders the Pro Forma Financial Statements. Such Pro Forma Financial Statements have been prepared in good faith by the Borrower.

(c) Except for (i) liabilities reflected in or reserved against in the financial statements referred to above or the notes thereto, (ii) liabilities incurred in the ordinary course of business and (iii) liabilities incurred in connection with the Transactions, after giving effect to the Transactions, none of the Borrower or the Subsidiaries has, as of the Effective Date, any liabilities that are, individually or in the aggregate, reasonably likely to result in a Material Adverse Effect.

(d) No event, change, condition or state of facts has occurred that has resulted in, or is reasonably likely to result in, individually or in the aggregate, a Material Adverse Effect since June 30, 2022.

(e) The Projections have been prepared in good faith based upon assumptions believed by the Borrower to be reasonable at the time furnished, it being recognized by the Agents and the Lenders that such Projections as to future events are not to be viewed as facts and that actual results during the period or periods covered by any such Projections may differ from the projected results and such differences may be material.

(f) No Default or Event of Default exists or would immediately result from the incurrence by any Loan Party of any Indebtedness hereunder or under any other Loan Document.

(g) As of the Effective Date, the Borrower and its Subsidiaries have no Indebtedness other than the Google Note and Indebtedness set forth in Schedule 6.01(iii).

(h) As of the Effective Date, other than the Loan Documents, the Borrower and its Subsidiaries are not party to any agreement or other arrangement that prohibits, restricts or imposes any condition upon (i) the ability of the Borrower or any Subsidiary to create, incur or permit to exist any Lien upon any of its property or assets or (ii) the ability of any Subsidiary to make Investments or to pay dividends or other distributions with respect to any shares of its capital stock or to make or repay loans or advances to the Borrower or any Subsidiary or to Guarantee Indebtedness of the Borrower or any other Subsidiary. The foregoing sentence shall not apply to restrictions and conditions (A) imposed by law or by any Loan Document, (B) existing on the Effective Date and identified on Schedule 6.10 (but shall apply to any extension or renewal of, or any amendment or modification expanding the scope of, any such restriction or condition unless such amendment is not otherwise prohibited by Section 6.11), (C) contained in agreements relating to the sale of a Subsidiary pending such sale, provided such restrictions and conditions apply only to the Subsidiary that is to be sold and such sale is permitted hereunder, (D) imposed by any customary provisions restricting assignment of any agreement entered into the ordinary course of business, (E) imposed by any instrument or agreement governing Indebtedness of a Subsidiary acquired by the Borrower or any of the Subsidiaries as in effect at the time of such acquisition (except to the extent such Indebtedness was incurred in connection with or in contemplation of such acquisition), which encumbrance or restriction is not applicable to any Person, or the properties or assets of any such Person, other than the Person or any of its Subsidiaries, so acquired (provided that such Indebtedness was permitted by Section 6.01 to be incurred), (F) imposed by any instrument or agreement governing Indebtedness of the Borrower or any Subsidiary that is incurred or issued subsequent to the Effective Date and is permitted pursuant to Section 6.01 (provided that the restrictions in such Indebtedness are not materially more restrictive in the aggregate than the restrictions contained in this Agreement) and (G) solely with respect to clause (i), customary provisions in leases restricting the assignment thereof.

SECTION 3.05. Properties.

(a) Each of the Borrower and the Subsidiaries has good title to, or valid leasehold interests in, all its real and personal property material to its business, free and clear of all Liens, except for Liens expressly permitted pursuant to Section 6.02.

(b) Each of the Borrower and the Subsidiaries owns, licenses or possesses the right to use all trademarks, trade names, copyrights, patents and other intellectual property material to its business, and the use thereof by the Borrower and the Subsidiaries does not, to the knowledge of the Borrower, infringe upon the rights of any other Person.

(c) Schedule 3.05 sets forth the address of each real property owned, leased or otherwise held by any of the Loan Parties as of the Effective Date after giving effect to the Transactions.

(d) No Mortgage encumbers improved real property that is located in an area that has been identified by the Secretary of Housing and Urban Development as an area having special flood hazards within the meaning of the National Flood Insurance Act of 1968 unless flood insurance available under such Act has been obtained in accordance with Section 5.07 unless waived by the Administrative Agent in its sole discretion.

SECTION 3.06. Litigation. Except as set forth on Schedule 3.06, there are no actions, suits or proceedings by or before any arbitrator or Governmental Authority pending against or, to the knowledge of the Borrower, threatened in writing against or affecting the Borrower or any Subsidiary that would reasonably be likely to, individually or in the aggregate, (i) result in a Material Adverse Effect or (ii) adversely affect in any material respect the ability of the Loan Parties to consummate the Transactions or the other transactions contemplated hereby.

SECTION 3.07. Compliance with Laws and Agreements. Except as set forth in Schedule 3.07, and as is not reasonably likely to result in, individually or in the aggregate, a Material Adverse Effect, each of the Borrower and the Subsidiaries is in compliance with all Requirements of Law (including all Health Care Laws and Public Health Laws) applicable to it or its property and all indentures, agreements and other instruments binding upon it or its property.

SECTION 3.08. Investment Company Status. No Loan Party is or is required to be registered as an "investment company" under the Investment Company Act of 1940.

SECTION 3.09. Taxes. Each of the Borrower and the Subsidiaries has filed or caused to be filed all Federal and other material Tax returns and reports required to have been filed and has paid or caused to be paid all Taxes required to have been paid by it, except (a) any Taxes that are being contested in good faith by appropriate proceedings and for which the Borrower or such Subsidiary, as applicable, has set aside on its books adequate reserves in accordance with GAAP or (b) to the extent that the failure to do so is not reasonably likely, individually or in the aggregate, to result in a Material Adverse Effect.

SECTION 3.10. ERISA. No ERISA Event has occurred, or is reasonably likely to occur that, when taken together with all other such ERISA Events for which liability is reasonably likely to occur, is reasonably likely to result in a Material Adverse Effect. The present value of all accumulated benefit obligations under each Plan did not, as of the date of the most recent financial statements reflecting such amounts, exceed the fair value of the assets of such Plan, except as would not reasonably be likely to result in a Material Adverse Effect.

SECTION 3.11. Reports. As of the Effective Date, none of the other written reports, financial statements, certificates or other written information furnished by or on behalf of any Loan Party to the Administrative Agent or any Lender in connection with the negotiation of this Agreement or any other Loan Document or delivered hereunder or thereunder (as modified or supplemented by other information so furnished and taken as a whole) contains any material misstatement of fact or omits to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, provided that the foregoing shall not apply to any projected financial information other than the projected financial information included in such information and with respect to such projected financial information, the Borrower represents only that such information was prepared in good faith based upon assumptions believed by it to be reasonable at the time delivered.

SECTION 3.12. Subsidiaries. As of the Effective Date, the Borrower does not have any subsidiaries other than the Subsidiaries listed on Schedule 3.12. Schedule 3.12 sets forth the name of, and the ownership or beneficial interest of the Borrower in, each Subsidiary and identifies whether such Subsidiary is a Subsidiary Loan Party.

SECTION 3.13. Insurance. Schedule 3.13 sets forth a description of all insurance maintained by or on behalf of the Borrower and the Subsidiaries as of the Effective Date. As of the Effective Date, all premiums in respect of such insurance have been paid. The Borrower believes that the insurance maintained by or on behalf of the Borrower and the Subsidiaries is adequate.

SECTION 3.14. Labor Matters. As of the Effective Date, there are no strikes, lockouts or slowdowns against the Borrower or any Subsidiary pending or, to the knowledge of the Borrower, threatened in writing. The hours worked by and payments made to employees of the Borrower or the Subsidiaries have not been in violation of the Fair Labor Standards Act or any other applicable Federal, state, local or foreign law dealing with such matters in any manner. All payments due from the Borrower or any Subsidiary, or for which any claim may be made against the Borrower or any Subsidiary, on account of wages and employee health and welfare insurance and other benefits, have been paid or accrued as a liability on the books of the Borrower or such Subsidiary. The consummation of the Transactions will not give rise to any right of termination or right of renegotiation on the part of any union under any collective bargaining agreement to which the Borrower or any Subsidiary is bound. Set forth on Schedule 3.14 is a list and description (including dates of termination) of all collective bargaining or similar agreements between or applicable to the Borrower or any of its Subsidiaries and any union, labor organization or other bargaining agent in respect of the employees of the Borrower or any of its Subsidiaries.

SECTION 3.15. Solvency. Immediately after the consummation of the Transactions to occur on the Effective Date, (a) the fair value of the assets of the Borrower, and its subsidiaries, on a consolidated basis, at fair valuation, exceeds, on a consolidated basis, their debts and liabilities, subordinated, contingent or otherwise, (b) the present fair saleable value of the property of the Borrower and its subsidiaries, on a consolidated basis, is greater than the amount that will be required to pay the probable liability, on a consolidated basis, of their debts and other liabilities, subordinated, contingent or otherwise, as such debts and other liabilities become absolute and matured, (c) the Borrower and its subsidiaries, on a consolidated basis, are able to pay their debts and liabilities, subordinated, contingent or otherwise, as such liabilities become absolute and matured and (d) the Borrower and its subsidiaries, on a consolidated basis, do not have unreasonably small capital with which to conduct the business in which they are engaged as such business is now conducted and is proposed to be conducted following the date hereof.

SECTION 3.16. Margin Regulations. The Borrower is not engaged nor will it engage, principally or as one of its important activities, in the business of purchasing or carrying margin stock (within the meaning of Regulation U issued by the Board), or extending credit for the purpose of purchasing or carrying margin stock, and no proceeds of any Borrowings will be used for any purpose that violates Regulation U.

SECTION 3.17. Patriot Act.

(a) Neither the Borrower nor any Subsidiary is in violation of any requirement of applicable Law relating to terrorism or money laundering ("Anti-Terrorism Laws"), including Executive Order No. 13224 on Terrorist Financing, effective September 24, 2001 (the "Executive Order"), and the Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism Act of 2001, Public Law 107-56 (the "USA Patriot Act").

(b) Neither the Borrower nor any Subsidiary nor, to the knowledge of the Borrower, any broker or other agent of the Borrower or any of its Subsidiaries acting or benefiting in any capacity in connection with the Loans is any of the following:

(i) a Person that is listed in the annex to, or is otherwise subject to the provisions of, the Executive Order;

(ii) a Person owned or controlled by, or acting for or on behalf of, any Person that is listed in the annex to, or is otherwise subject to the provisions of, the Executive Order;

(iii) a Person with which any Lender is prohibited from dealing or otherwise engaging in any transaction by any Anti-Terrorism Law;

(iv) a Person that commits, threatens or conspires to commit or supports "terrorism" as defined in the Executive Order; or

(v) a Person that is named as a "specially designated national and blocked person" on the most current list published by the U.S. Treasury Department Office of Foreign Assets Control ("OFAC") at its official website or any replacement website or other replacement official publication of such list.

(c) Neither the Borrower nor any of its Subsidiaries and, to the knowledge of the Borrower, no broker or other agent of the Borrower or any of its Subsidiaries acting in any capacity in connection with the Loans (i) conducts any business or engages in making or receiving any contribution of funds, goods or services to or for the benefit of any person described in Section 3.17(b) above in violation of any Anti-Terrorism Law, (ii) deals in, or otherwise engages in any transaction relating to, any property or interests in property blocked pursuant to the Executive Order in violation of any Anti-Terrorism Law, or (iii) engages in or conspires to engage in any transaction that evades or avoids, or has the purpose of evading or avoiding, or attempts to violate, any of the prohibitions set forth in any Anti-Terrorism Law.

SECTION 3.18. Anti-Corruption Laws. The Borrower has implemented and maintains in effect policies and procedures reasonably designed to ensure compliance by the Borrower, its Subsidiaries, and their respective directors, officers, employees and agents with applicable Anti-Corruption Laws, and except as is not reasonably likely to result in, individually or in the aggregate, a Material Adverse Effect, the Borrower, its Subsidiaries and their respective officers and employees and to the knowledge of the Borrower, its directors and agents, are in compliance with Anti-Corruption Laws in all material respects. No part of the proceeds of any Loans hereunder will be used directly, by the Borrower or any Subsidiary or indirectly, to the knowledge of the Borrower, in order to obtain, retain or direct business or obtain any improper advantage, in violation of any Anti-Corruption Laws.

SECTION 3.19. Intellectual Property; Licenses, Etc. The Borrower and the Subsidiaries own, license or possess the right to use, all of the trademarks, service marks, trade names, domain names, copyrights, patents, patent rights, licenses, technology, software, know-how database rights, design rights and other intellectual property rights (collectively, "IP Rights") that are reasonably necessary for the operation of their respective businesses as currently conducted, and, without conflict with the rights of any Person, except to the extent such conflicts, either individually or in the aggregate, are not reasonably likely to result in a Material Adverse Effect. The Borrower and the Subsidiaries in the operation of their respective businesses as currently conducted do not infringe upon any rights held by any Person except for such infringements, individually or in the aggregate, which are not reasonably likely to result in a Material Adverse Effect. No claim or litigation regarding any of the IP Rights, owned by the Borrower or the Subsidiaries is pending or, to the knowledge of the Borrower, threatened against the Borrower or any Subsidiary in which the amount of damages claimed is $2,500,000 or more.

Except pursuant to licenses and other user agreements entered into by the Borrower or any Subsidiary in the ordinary course of business, on and as of the date hereof (i) each such Person owns and possesses the right to use, and has done nothing to authorize or enable any other Person to use, any copyright, patent or trademark listed in Section 10(a), 10(b) or 10(c) of the Perfection Certificate and (ii) all registrations listed in Section 10(c) of the Perfection Certificate are valid and in full force and effect, except, in each case, to the extent failure to own or possess such right to use or of such registrations to be valid and in full force and effect is not reasonably likely, individually or in the aggregate, to result in a Material Adverse Effect.

(b) The Borrower and its Subsidiaries have all Registrations issued or supervised by any Public Health Regulatory Agency or other Governmental Authority required to conduct their respective businesses as currently conducted, except where the failure to have all such Registrations could not reasonably be expected to, individually or in the aggregate, result in Material Regulatory Liabilities. Each of such Registrations is valid and subsisting in full force and effect, except where the failure to be so could not reasonably be expected to, individually or in the aggregate, result in Material Regulatory Liabilities. (d) The Borrower and its Subsidiaries have not received and are not subject to any administrative or regulatory action, warning letter, notice of violation letter, or other similar written notice, complaint or inquiry made by any Public Health Regulatory Agency or any other Governmental Authority asserting that the development, testing, investigation, manufacture, distribution, marketing or sale of the products of any Borrower or any of its Subsidiaries is not in compliance with any applicable law, except those noncompliance that could not reasonably be expected to, individually or in the aggregate, result in Material Regulatory Liabilities. To the extent applicable, (x) the Borrower and its Subsidiaries have made all notifications, submissions, and reports required by any such Governmental Authority, and (y) all such notifications, submissions and reports provided by the Borrower and its Subsidiaries were, to their knowledge, true, complete, and correct in all material respects as of the date of submission to any Public Health Regulatory Agency or any other Governmental Authority, except, where such failure to comply with (x) or (y) could not reasonably be expected to, individually or in the aggregate, result in Material Regulatory Liabilities.

(e) No product of the Borrower or its Subsidiaries has been seized, withdrawn, recalled, detained, or subject to a suspension of manufacturing, and, to the knowledge of the Borrower, there are no facts or circumstances reasonably likely to cause (x) the seizure, denial, withdrawal, recall, detention, field notification, field correction, safety alert or suspension of manufacturing relating to any such product; (y) a material adverse change in the labeling of any such product; or (z) a termination, seizure or suspension of marketing of any such product, except, in each case, where such events could not reasonably be expected to, individually or in the aggregate, result in Material Regulatory Liabilities. No proceedings in the United States or any other jurisdiction seeking the withdrawal, recall, suspension, import detention, or seizure of any such product are pending or, to the knowledge the Borrower or its Subsidiaries, threatened against the Borrower and its Subsidiaries, except where such proceeding could not reasonably be expected to, individually or in the aggregate, result in Material Regulatory Liability.

SECTION 3.23. Deposit Accounts and Securities Accounts. Schedule 3.23 sets forth a complete and accurate list as of the Effective Date of all deposit, checking, and other bank accounts, all securities and other accounts maintained with any broker dealer or other securities intermediary, and all other similar accounts maintained by each Loan Party, together with a description thereof (including the bank, broker dealer, or securities intermediary at which each such account is maintained and the account number and the purpose thereof). The Borrower will, and will cause each of the Subsidiaries to, permit any representatives designated by the Administrative Agent, upon reasonable prior notice, to visit and inspect its properties during normal business hours, to examine and make extracts from its books and records, including any information relating to actual or potential compliance with or liability under Environmental Laws, and to discuss its affairs, finances and condition with its officers and independent accountants (provided that the Borrower shall be provided the opportunity to participate in any such discussions with its independent accountants), all at such reasonable times and as often as reasonably requested; provided that, the Administrative Agent shall not exercise such rights more often than one time during any calendar year absent the continuance of an Event of Default. Notwithstanding anything to the contrary in this Section 5.09, none of the Borrower nor any Subsidiary will be required to disclose or permit the inspection or discussion of, any document, information or other matter (i) that constitutes non-financial trade secrets or non-financial proprietary information, (ii) in respect of which disclosure to the Administrative Agent or any Lender (or their respective representatives or contractors) is prohibited by law or any binding agreement or (iii) that is subject to attorney client or similar privilege or constitutes attorney work product (it being understood, in the case of clauses (ii) and (iii) above, that the Borrower shall use its commercially reasonable efforts to communicate any requested information in a way that would not violate the applicable law or agreement or waive the applicable privilege).

SECTION 5.10. Compliance with Laws. The Borrower will, and will cause each of the Subsidiaries to comply with all Requirements of Law, including ERISA, Environmental Laws, Health Care Laws and Public Health Laws applicable to it, its operations and all property owned, operated and leased by any of them, except where the failure to do so, individually or in the aggregate, is not reasonably likely to result in a Material Adverse Effect.

SECTION 5.11. Use of Proceeds. The proceeds of the Term Loans shall be used by the Borrower, solely (a) for working capital and general corporate purposes, (b) to finance growth initiatives, (c) to pay for operating expenses and (d) to pay the Transaction Costs. No part of the proceeds of any Loan will be used, whether directly or indirectly, for any purpose that entails a violation of any of the Regulations of the Board, including Regulations T, U and X.

SECTION 5.12. Additional Subsidiaries. If any additional Subsidiary is formed or acquired after the Effective Date, the Borrower will, within 60 days of such event, notify the Collateral Agent and the Administrative Agent thereof and cause the Collateral and Guarantee Requirement to be satisfied with respect to such Subsidiary (if it is a Subsidiary Loan Party, it being understood that such Loan Party shall not be required to fulfill any requirements not in the Collateral and Guarantee Agreement and is subject to any exclusions and exceptions) and with respect to any Equity Interest in such Subsidiary owned by or on behalf of any Loan Party; provided that the Collateral Agent may, in its reasonable judgment, grant extensions of time for compliance, or exceptions from compliance, with the provisions of this paragraph by any Loan Party.

SECTION 5.13. Further Assurances.

(a) The Borrower will, and will cause each Subsidiary Loan Party to, execute any and all further documents, financing statements, agreements and instruments, and take all such further actions (including the filing and recording of financing statements, fixture filings, mortgages, deeds of trust and other documents), which may be required under any applicable law, or which the Administrative Agent or the Required Lenders may reasonably request, to cause the Collateral and Guarantee Requirement to be and remain satisfied, all at the expense of the Loan Parties.

Notwithstanding anything to the contrary in this Agreement or any Security Document, no Loan Party shall be required to pledge or grant security interests in particular assets if, in the reasonable judgment of the Administrative Agent or the Collateral Agent, the costs of creating or perfecting such pledges or security interests in such assets (including any mortgage, stamp, intangibles or other tax) are excessive in relation to the benefits to the Lenders therefrom.

SECTION 5.14. Environmental Matters. Except, in each case, to the extent that the failure to do so is not reasonably likely to have, individually or in the aggregate, a Material Adverse Effect, the Borrower will comply, and make commercially reasonable efforts to cause all lessees and other Persons operating or occupying its properties to comply with all applicable Environmental Laws and Environmental Permits; obtain and renew all Environmental Permits necessary for its operations and properties; and, in each case to the extent the Borrower or any Subsidiary is required by Environmental Laws, conduct any investigation, study, sampling and testing, and undertake any cleanup, removal, remedial or other action necessary to remove and clean up all Hazardous Materials at, on, under or emanating from any affected property, in accordance with the requirements of all Environmental Laws.

SECTION 5.16. Post-Closing Covenants. The Borrower agrees to deliver, or cause to be delivered, to the Administrative Agent, the items described on Schedule 5.16 on the Effective Date by the times specified with respect to such items, or such later time as may be agreed to by the Administrative Agent in its sole discretion.

(n) any Lien purported to be created under any Security Document for any reason (other than pursuant to the terms thereof including as a result of a transaction permitted under this Agreement) shall cease to be, or shall be asserted by any Loan Party not to be, a valid and perfected (if and to the extent required to be perfected under the Loan Documents) Lien on any material portion of the Collateral with the priority required by the applicable Security Document, except (i) as a result of the sale or other disposition of the applicable Collateral in a transaction permitted under the Loan Documents or (ii) as a result of the Administrative Agent's failure to maintain possession of any stock certificates, promissory notes or other instruments delivered to it under the Collateral Agreement;

SECTION 7.02. Right to Cure. Notwithstanding anything to the contrary contained in this Article 7, in the event that the Borrower fails to comply with the requirements of Section 6.12(b) as of the end of any relevant fiscal quarter, the Borrower shall have the right (the "Cure Right") (at any time during such fiscal quarter or thereafter until the date that is ten Business Days after the date on which the financial statements for such quarter were required to have been delivered in accordance with Section 5.01(b)), to issue Equity Interests for cash or otherwise receive cash contributions to its equity for such Equity Interests (the "Cure Amount"), the proceeds of which shall be required to prepay outstanding Term Loan Borrowings in accordance with Section 2.11(d), and thereupon the Borrower's compliance with Section 6.12(b) shall be recalculated giving effect to the following pro forma adjustments: (i) Revenue shall be increased, solely for the purposes of determining compliance with Section 6.12(b), including determining compliance with Section 6.12(b) as of the end of such fiscal quarter and applicable subsequent periods that include such fiscal quarter by an amount equal to the Cure Amount and (ii) if, after giving effect to the foregoing recalculations, the requirements of Section 6.12(b) shall be satisfied, then the requirements of Section 6.12(b) shall be deemed satisfied as of the end of the relevant fiscal quarter with the same effect as though there had been no failure to comply therewith at such date, and the applicable breach or default of Section 6.12(b) that had occurred shall be deemed cured for the purposes of this Agreement. ARTICLE VIII

The Agents

SECTION 8.01. Appointment. Each Lender hereby irrevocably designates and appoints the Administrative Agent as the agent of such Lender under this Agreement and the other Loan Documents, and each such Lender irrevocably authorizes the Administrative Agent, in such capacity, to take such action on its behalf under the provisions of this Agreement and the other Loan Documents and to exercise such powers and perform such duties as are expressly delegated to the Administrative Agent by the terms of this Agreement and the other Loan Documents, together with such other powers as are reasonably incidental thereto. The Lenders hereby authorize the Administrative Agent to enter into any intercreditor agreement or arrangement permitted under this Agreement and any such intercreditor agreement or arrangement is binding upon the Lenders. Notwithstanding any provision to the contrary elsewhere in this Agreement, the Administrative Agent shall not have any duties or responsibilities, except those expressly set forth herein, or any fiduciary relationship with any Lender, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Loan Document or otherwise exist against the Administrative Agent.

SECTION 8.02. The Administrative Agent. The Administrative Agent may execute any of its duties under this Agreement and the other Loan Documents and exercise its rights and powers hereunder or under any other Loan Document by or through agents, sub-agents or attorneys-in-fact and shall be entitled to advice of counsel concerning all matters pertaining to such duties. The Administrative Agent shall not be responsible for the negligence or misconduct of any agents, sub-agents or attorneys in-fact selected by it with reasonable care. The Administrative Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Related Parties. The exculpatory provisions of this Article VIII shall apply to any such sub-agent and to the Related Parties of the Administrative Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent.

SECTION 8.03. Exculpatory Provisions. Neither any Agent nor any of their respective officers, directors, employees, agents, advisors, attorneys-in-fact or affiliates shall be (i) liable for any action lawfully taken or omitted to be taken by it or such Person under or in connection with this Agreement or any other Loan Document (except to the extent that any of the foregoing are found by a final and nonappealable decision of a court of competent jurisdiction to have resulted from its or such Person's own gross negligence or willful misconduct) or (ii) responsible in any manner to any of the Lenders for any recitals, statements, representations or warranties made by any Loan Party or any officer thereof contained in this Agreement or any other Loan Document or in any certificate, report, statement or other document referred to or provided for in, or received by the Agents under or in connection with, this Agreement or any other Loan Document or for the value, validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Loan Document or for any failure of any Loan Party a party thereto to perform its obligations hereunder or thereunder. The Agents shall not be under any obligation to any Lender to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other Loan Document, or to inspect the properties, books or records of any Loan Party. The Administrative Agent does not warrant, nor accept responsibility, nor shall the Administrative Agent have any liability with respect to the administration, submission or any other matter related to the rates in the definition of "SOFR", or "Term SOFR" or with respect to any comparable or successor rate thereto including, without limitation, whether the composition or characteristics of any such alternative, successor or replacement reference rate, as it may or may not be adjusted pursuant to Section 2.14, will be similar to, or produce the same value or economic equivalence of, Term SOFR.

SECTION 8.04. Reliance by Administrative Agent. The Administrative Agent shall be entitled to rely, and shall be fully protected in relying, upon any instrument, writing, resolution, notice, consent, certificate, affidavit, letter, telecopy or email message, statement, order or other document or conversation believed by it to be genuine and correct and to have been signed, sent or made by the proper Person or Persons and upon advice and statements of legal counsel (including counsel to the Borrower), independent accountants and other experts selected by the Administrative Agent. The Administrative Agent may deem and treat the payee of any Note as the owner thereof for all purposes unless a written notice of assignment, negotiation or transfer thereof shall have been filed with the Administrative Agent. The Administrative Agent shall be fully justified in failing or refusing to take any action under this Agreement or any other Loan Document unless it shall first receive such advice or concurrence of the Required Lenders (or, if so specified by this Agreement, all Lenders) as it deems appropriate or it shall first be indemnified to its satisfaction by the Lenders against any and all liability and expense that may be incurred by it by reason of taking or continuing to take any such action. The Administrative Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement and the other Loan Documents in accordance with a request of the Required Lenders (or, if so specified by this Agreement, all Lenders), and such request and any action taken or failure to act pursuant thereto shall be binding upon all the Lenders and all future holders of the Loans.

SECTION 8.05. Notice of Default. The Administrative Agent shall not be deemed to have knowledge or notice of the occurrence of any Default or Event of Default unless the Administrative Agent has received notice from a Lender or the Borrower referring to this Agreement, describing such Default or Event of Default and stating that such notice is a "notice of default". In the event that the Administrative Agent receives such a notice, the Administrative Agent shall give notice thereof to the Lenders. The Administrative Agent shall take such action with respect to such Default or Event of Default as shall be reasonably directed by the Required Lenders (or, if so specified by this Agreement, all Lenders); provided that unless and until the Administrative Agent shall have received such directions, the Administrative Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default or Event of Default as it shall deem advisable in the best interests of the Lenders.

SECTION 8.06. Non-Reliance on Agents and Other Lenders. Each Lender expressly acknowledges that neither the Agents nor any of their respective officers, directors, employees, agents, advisors, attorneys-in-fact or affiliates have made any representations or warranties to it and that no act by any Agent hereafter taken, including any review of the affairs of a Loan Party or any affiliate of a Loan Party, shall be deemed to constitute any representation or warranty by any Agent to any Lender. Each Lender represents to the Agents that it has, independently and without reliance upon any Agent or any other Lender, and based on such documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, operations, property, financial and other condition and creditworthiness of the Loan Parties and their affiliates and made its own decision to make its Loans hereunder and enter into this Agreement. Each Lender also represents that it will, independently and without reliance upon any Agent or any other Lender, and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement and the other Loan Documents, and to make such investigation as it deems necessary to inform itself as to the business, operations, property, financial and other condition and creditworthiness of the Loan Parties and their affiliates. Except for notices, reports and other documents expressly required to be furnished to the Lenders by the Administrative Agent hereunder, the Administrative Agent shall not have any duty or responsibility to provide any Lender with any credit or other information concerning the business, operations, property, condition (financial or otherwise), prospects or creditworthiness of any Loan Party or any affiliate of a Loan Party that may come into the possession of the Administrative Agent or any of its respective officers, directors, employees, agents, advisors, attorneys-in-fact or affiliates.

SECTION 8.07. Indemnification. The Lenders agree to indemnify each Agent and its officers, directors, employees, affiliates, agents, advisors and controlling persons (each, an "Agent Indemnitee") (to the extent not reimbursed by the Borrower and without limiting the obligation of the Borrower to do so), ratably according to their respective Aggregate Exposure Percentages in effect on the date on which indemnification is sought under this Section (or, if indemnification is sought after the date upon which the Commitments shall have terminated and the Loans shall have been paid in full, ratably in accordance with such Aggregate Exposure Percentages immediately prior to such date), from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind whatsoever that may at any time (whether before or after the payment of the Loans) be imposed on, incurred by or asserted against such Agent Indemnitee in any way relating to or arising out of, the Commitments, this Agreement, any of the other Loan Documents or any documents contemplated by or referred to herein or therein or the transactions contemplated hereby or thereby or any action taken or omitted by such Agent Indemnitee under or in connection with any of the foregoing; provided that no Lender shall be liable for the payment of any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements that are found by a final and nonappealable decision of a court of competent jurisdiction to have resulted from such Agent Indemnitee's gross negligence or willful misconduct. The agreements in this Section shall survive the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder.

SECTION 8.08. Agent in Its Individual Capacity. Each Agent and its affiliates may make loans to, accept deposits from and generally engage in any kind of business with any Loan Party as though such Agent were not an Agent. With respect to its Loans made or renewed by it, each Agent shall have the same rights and powers under this Agreement and the other Loan Documents as any Lender and may exercise the same as though it were not an Agent, and the terms "Lender" and "Lenders" shall include each Agent in its individual capacity.

SECTION 8.09. Successor Administrative Agent. The Administrative Agent may resign as Administrative Agent upon 10 days' notice to the Lenders and the Borrower. If the Administrative Agent shall resign as Administrative Agent under this Agreement and the other Loan Documents, then the Required Lenders shall appoint from among the Lenders a successor agent for the Lenders, which successor agent shall (unless an Event of Default under Sections 7.01(a), 7.01(b), 7.01(h), 7.01(i) or 7.01(j) with respect to the Borrower shall have occurred and be continuing) be subject to approval by the Borrower (which approval shall not be unreasonably withheld, conditioned or delayed), whereupon such successor agent shall succeed to the rights, powers and duties of the Administrative Agent, and the term "Administrative Agent" shall mean such successor agent effective upon such appointment and approval, and the former Administrative Agent's rights, powers and duties as Administrative Agent shall be terminated, without any other or further act or deed on the part of such former Administrative Agent or any of the parties to this Agreement or any holders of the Loans. If no successor agent has accepted appointment as Administrative Agent by the date that is 10 days following a retiring Administrative Agent's notice of resignation, the retiring Administrative Agent's resignation shall nevertheless thereupon become effective, and the Lenders shall assume and perform all of the duties of the Administrative Agent hereunder until such time, if any, as the Required Lenders appoint a successor agent as provided for above, provided, however, that any such successor agent receiving payments from the Loan Parties shall be a "U.S. person" and a "financial institution" within the meaning of Treasury Regulations Section 1.1441-1. After any retiring Administrative Agent's resignation as Administrative Agent, the provisions of this Section 8 and of Section 9.03 shall continue to inure to its benefit.

SECTION 8.10. Erroneous Payments.

(a) If the Administrative Agent (x) notifies a Lender or any Person who has received funds on behalf of a Lender (any such Lender or other recipient (and each of their respective successors and assigns), a "Payment Recipient") that the Administrative Agent has determined in its sole discretion (whether or not after receipt of any notice under immediately succeeding clause (b)) that any funds (as set forth in such notice from the Administrative Agent) received by such Payment Recipient from the Administrative Agent or any of its Affiliates were erroneously or mistakenly transmitted to, or otherwise erroneously or mistakenly received by, such Payment Recipient (whether or not known to such Lender or other Payment Recipient on its behalf) (any such funds, whether transmitted or received as a payment, prepayment or repayment of principal, interest, fees, distribution or otherwise, individually and collectively, an "Erroneous Payment") and (y) demands in writing the return of such Erroneous Payment (or a portion thereof), such Erroneous Payment shall at all times remain the property of the Administrative Agent pending its return or repayment as contemplated below in this Section 8.11 and held in trust for the benefit of the Administrative Agent, and such Lender shall (or, with respect to any Payment Recipient who received such funds on its behalf, shall cause such Payment Recipient to) promptly, but in no event later than two Business Days thereafter (or such later date as the Administrative Agent may, in its sole discretion, specify in writing), return to the Administrative Agent the amount of any such Erroneous Payment (or portion thereof) as to which such a demand was made, in same day funds (in the currency so received). A notice of the Administrative Agent to any Payment Recipient under this clause (a) shall be conclusive, absent manifest error.

(b) Without limiting immediately preceding clause (a), each Lender or any Person who has received funds on behalf of a Lender (and each of their respective successors and assigns), agrees that if it receives a payment, prepayment or repayment (whether received as a payment, prepayment or repayment of principal, interest, fees, distribution or otherwise) from the Administrative Agent (or any of its Affiliates) (x) that is in a different amount than, or on a different date from, that specified in this Agreement or in a notice of payment, prepayment or repayment sent by the Administrative Agent (or any of its Affiliates) with respect to such payment, prepayment or repayment, (y) that was not preceded or accompanied by a notice of payment, prepayment or repayment sent by the Administrative Agent (or any of its Affiliates), or (z) that such Lender or other such recipient, otherwise becomes aware was transmitted, or received, in error or by mistake (in whole or in part), then in each such case:

(i) it acknowledges and agrees that (A) in the case of immediately preceding clauses (x) or (y), an error and mistake shall be presumed to have been made (absent written confirmation from the Administrative Agent to the contrary) or (B) an error and mistake has been made (in the case of immediately preceding clause (z)), in each case, with respect to such payment, prepayment or repayment; and

(ii) such Lender shall use commercially reasonable efforts to (and shall use commercially reasonable efforts to cause any other recipient that receives funds on its respective behalf to) promptly (and, in all events, within one Business Day of its knowledge of the occurrence of any of the circumstances described in immediately preceding clauses (x), (y) and (z)) notify the Administrative Agent of its receipt of such payment, prepayment or repayment, the details thereof (in reasonable detail) and that it is so notifying the Administrative Agent pursuant to this Section 8.11(b).

(iii) For the avoidance of doubt, the failure to deliver a notice to the Administrative Agent pursuant to this Section 8.11(b) shall not have any effect on a Payment Recipient's obligations pursuant to Section 8.11(a) or on whether or not an Erroneous Payment has been made.

(c) Each Lender hereby authorizes the Administrative Agent to set off, net and apply any and all amounts at any time owing to such Lender under any Loan Document, or otherwise payable or distributable by the Administrative Agent to such Lender under any Loan Document with respect to any payment of principal, interest, fees or other amounts, against any amount that the Administrative Agent has demanded to be returned under immediately preceding clause (a).

(d) The parties hereto agree that (x) irrespective of whether the Administrative Agent may be equitably subrogated, in the event that an Erroneous Payment (or portion thereof) is not recovered from any Payment Recipient that has received such Erroneous Payment (or portion thereof) for any reason, the Administrative Agent shall be subrogated to all the rights and interests of such Payment Recipient (and, in the case of any Payment Recipient who has received funds on behalf of a Lender, to the rights and interests of such Lender) under the Loan Documents with respect to such amount (the "Erroneous Payment Subrogation Rights") and (y) an Erroneous Payment shall not pay, prepay, repay, discharge or otherwise satisfy any Obligations owed by the Borrower; provided that this Section 8.11 shall not be interpreted to increase (or accelerate the due date for), or have the effect of increasing (or accelerating the due date for), the Obligations of the Borrower relative to the amount (or timing for payment) of the Obligations that would have been payable had such Erroneous Payment not been made by the Administrative Agent; provided, further, that for the avoidance of doubt, immediately preceding clauses (x) and (y) shall not apply to the extent any such Erroneous Payment is, and solely with respect to the amount of such Erroneous Payment that is, comprised of funds received by the Administrative Agent from, or on behalf of (including through the exercise of remedies under any Loan Document), the Borrower for the purpose of a payment on the Obligations.

(e) To the extent permitted by applicable law, no Payment Recipient shall assert any right or claim to an Erroneous Payment, and hereby waives, and is deemed to waive, any claim, counterclaim, defense or right of set-off or recoupment with respect to any demand, claim or counterclaim by the Administrative Agent for the return of any Erroneous Payment received, including, without limitation, any defense based on "discharge for value" or any similar doctrine.

Each party's obligations, agreements and waivers under this Section 8.11 shall survive the resignation or replacement of the Administrative Agent, any transfer of rights or obligations by, or the replacement of, a Lender, the termination of the applicable Commitments or the repayment, satisfaction or discharge of all Obligations (or any portion thereof) under any Loan Document.

(iii) if to any other Lender, to it at its address (or telecopy number) set forth in its Administrative Questionnaire.

(b) Notices and other communications to the Lenders hereunder may be delivered or furnished by electronic communications pursuant to procedures approved by the Administrative Agent provided that the foregoing shall not apply to notices to any Lender pursuant to Article II or of a Default if such Lender has notified the Administrative Agent that it is incapable of receiving notices under such Article by electronic communication and provided that the Administrative Agent shall in any event also receive hard copies of the notices described in this proviso and, to the extent requested, any other documents delivered electronically under this Agreement. The Administrative Agent or the Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it, provided that approval of such procedures may be limited to particular notices or communications. All such notices and other communications (i) sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement); provided that if not given during the normal business hours of the recipient, such notice or communication shall be deemed to have been given at the opening of business on the next Business Day for the recipient, and (ii) posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing clause (i) of any required notification that such notice or communication is available and identifying the website address therefor.

(c) Any party hereto may change its address or telecopy number for notices and other communications hereunder by notice to the Administrative Agent (and, in the case of the Administrative Agent, by written notice to the Borrower). All notices and other communications given to any party hereto in accordance with the provisions of this Agreement shall be deemed to have been given as follows: notices sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received; notices sent by telecopier (with a send successful notice) shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next business day for the recipient).

SECTION 9.02. Waivers; Amendments.

(a) No failure or delay by the Administrative Agent, the Collateral Agent or any Lender in exercising any right or power hereunder or under any other Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Administrative Agent, the Collateral Agent and the Lenders hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of any Loan Document or consent to any departure by any Loan Party therefrom shall in any event be effective unless the same shall be permitted by Section 9.02(b), and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, the making of a Loan shall not be construed as a waiver of any Default, regardless of whether the Administrative Agent, any Lender or the Collateral Agent may have had notice or knowledge of such Default at the time.

(b) Neither this Agreement nor any other Loan Document nor any provision hereof or thereof may be waived, amended or modified except, in the case of this Agreement, pursuant to an agreement or agreements in writing entered into by the Borrower and the Required Lenders (with a fully executed copy thereof delivered to the Administrative Agent) or, in the case of any other Loan Document, pursuant to an agreement or agreements in writing entered into by the Administrative Agent and the Loan Party or Loan Parties that are parties thereto (and, if party thereto, the Collateral Agent), in each case with the consent of the Required Lenders; provided that no such agreement shall

(i) increase the Commitment of any Lender without the written consent of such Lender, (it being understood that a waiver of any Default or mandatory prepayment or mandatory reduction of any Commitments shall not constitute an increase of any Commitment of any Lender);

(ii) reduce the principal amount of any Loan or reduce the rate of interest thereon, or reduce any fees payable hereunder (including, without limitation, the Make Whole/Prepayment Fee Amount), without the written consent of each Lender affected thereby; provided, however, that only the consent of the Required Lenders shall be necessary to amend the definition of "Default Rate" or to waive any obligation of the Borrower to pay interest at the Default Rate,

(iii) postpone the maturity of any Loan (it being understood that a waiver of any Default, Event of Default, or mandatory prepayment shall not constitute an extension of any maturity date), or any date for the payment of any interest or fees payable hereunder, or reduce the amount of, waive or excuse any such payment, or postpone the scheduled date of expiration of any Commitment, without the written consent of each Lender adversely affected thereby, it being understood that the waiver of any condition precedent or the waiver of any Default or mandatory prepayment requirement shall not constitute a postponement or reduction hereunder,

(iv) change or have the effect of changing the priority or pro rata treatment of any payments (including voluntary and mandatory prepayments), Liens, proceeds of Collateral or reductions in Commitments (including as a result in whole or in part of allowing the issuance or incurrence, pursuant to this Agreement or otherwise, of new loans or other Indebtedness having any priority over any of the Obligations in respect of payments, Liens, Collateral or proceeds of Collateral, in exchange for any Obligations or otherwise), without the written consent of each Lender directly and adverse affected thereby,

(v) change any of the provisions of this Section 9.02, the definition of "Required Lenders" or any other provision of any Loan Document specifying the number or percentage of Lenders required to waive, amend or modify any rights thereunder or make any determination or grant any consent thereunder, without the written consent of each Lender,

(vi) change the percentage set forth in the definition of "Required Lenders" or any other provision of any Loan Document specifying the number or percentage of Lenders required to waive, amend or modify any rights thereunder or make any determination or grant any consent thereunder, without the written consent of each Lender,

(vii) release the Borrower or any Subsidiary Loan Party from its Guarantee under the Collateral Agreement (except as provided in Section 6.03 or in the Collateral Agreement) or limit its liability in respect of such Guarantee, without the written consent of each Lender, or

(viii) release all or substantially all the Collateral from the Liens of the Security Documents (except as provided in Section 6.03 or in the Collateral Agreement), without the written consent of each Lender.

provided, further, that (A) no such agreement shall amend, modify or otherwise affect the rights or duties of the Administrative Agent without the prior written consent of the Administrative Agent and (B) notwithstanding the preceding clause (iv), only those Lenders that have not been provided a reasonable opportunity, as determined in the good faith judgment of the Administrative Agent, to receive the most-favorable treatment under or in connection with the applicable amendment, waiver or supplement described in the preceding clause (iv) (other than the right to receive customary administrative agency, arranging, underwriting and other similar fees) that is provided to any other Person, including the opportunity to participate on a pro rata basis on the same terms in any new loans or other Indebtedness permitted to be issued as a result of such amendment, waiver or supplement, shall be deemed to be directly and adversely affected by such amendment, waiver or supplement. In connection with any proposed amendment, modification, waiver or termination (a "Proposed Change") requiring the consent of all affected Lenders, if the consent of the Required Lenders to such Proposed Change is obtained, but the consent to such Proposed Change of other Lenders whose consent is required is not obtained (any such Lender whose consent is not obtained as described in this Section 9.02(b) being referred to as a "Non-Consenting Lender"), then, so long as the Lender that is acting as the Administrative Agent is not a Non-Consenting Lender, at the Borrower's request, any assignee that is acceptable to the Administrative Agent shall have the right, with the Administrative Agent's consent, to purchase from such Non-Consenting Lender, and such Non-Consenting Lender agrees that it shall, upon the Borrower's request, sell and assign to such assignee, at no expense to such Non-Consenting Lender, all the Term Loans of such Non-Consenting Lender for an amount equal to the principal balance of all Term Loans held by such Non-Consenting Lender and all accrued interest and fees with respect thereto through the date of sale (including amounts under Sections 2.15, 2.16 and 2.17) so long as such principal balance of all other Non-Consenting Lenders is similarly purchased, such purchase and sale to be consummated pursuant to an executed Assignment and Assumption in accordance with Section 9.04(b) (which Assignment and Assumption need not be signed by such Non-Consenting Lender). A copy of each amendment, waiver or other modification to this Agreement or any other Loan Document shall be furnished by the Borrower to the Administrative Agent.

(c) Notwithstanding the provisions of Section 9.02(b), this Agreement may be amended (or amended and restated) with the written consent of the Required Lenders, the Administrative Agent and the Borrower (i) to add one or more additional credit facilities to this Agreement and to permit the extensions of credit from time to time thereunder and the accrued interest and fees in respect thereof to share ratably in the benefits of this Agreement and the other Loan Documents with the Term Loans and the accrued interest and fees in respect thereof, and (ii) to include appropriately the Lenders holding such credit facilities in any determination of the Required Lenders. In addition, this Agreement may be amended with the written consent of the Administrative Agent, the Borrower and the Lenders providing the relevant Replacement Term Loans (as defined below) to permit the refinancing of all outstanding Term Loans (the "Refinanced Term Loans") and, if applicable, related outstanding commitments, with a replacement term loan tranche hereunder (the "Replacement Term Loans"); provided that (i) the aggregate principal amount of such Replacement Term Loans shall not exceed the aggregate principal amount of such Refinanced Term Loans, (ii) the Applicable Rate for such Replacement Term Loans shall not be higher than the Applicable Rate for such Refinanced Term Loans, (iii) the weighted average life to maturity of such Replacement Term Loans shall not be shorter than the weighted average life to maturity of such Refinanced Term Loans at the time of such refinancing (except to the extent of nominal amortization for periods where amortization has been eliminated as a result of prepayment of the Refinanced Term Loans) and (iv) all other terms applicable to such Replacement Term Loans shall be substantially identical to, or less favorable to the Lenders providing such Replacement Term Loans than, those applicable to such Refinanced Term Loans, except to the extent necessary to provide for covenants and other terms applicable to any period after the latest final maturity of the Refinanced Term Loans in effect immediately prior to such refinancing.

SECTION 9.03. Expenses; Indemnity; Damage Waiver.

(a) The Borrower shall pay (i) all reasonable and documented out-of-pocket expenses incurred by the Agents and their respective Affiliates, including the reasonable and documented fees, charges and disbursements of counsel for the Agents, in connection with the preparation and administration of the Loan Documents or any amendments, modifications or waivers of the provisions thereof (limited to, in the case of legal fees and expenses, all reasonable and documented costs and out-of-pocket expenses of one legal counsel and, to the extent necessary, one local counsel in each relevant jurisdiction, but no other advisors without the Borrower's prior consent) and (ii) all reasonable and documented out-of-pocket expenses incurred by the Administrative Agent or any Lender, including the fees, charges and disbursements of any counsel for the Administrative Agent or any Lender (limited to, in the case of legal fees and expenses, all reasonable and documented costs and out-of-pocket expenses of one legal counsel and, to the extent necessary, one local counsel in each relevant jurisdiction, but no other advisors without the Borrower's prior consent), in connection with the enforcement or protection of its rights in connection with the Loan Documents, including its rights under this Section 9.03, or in connection with the Loans made hereunder, including all such reasonable and documented out-of-pocket expenses incurred during any workout, restructuring or negotiations in respect of such Loans.

(b) The Borrower shall indemnify the Administrative Agent, the Collateral Agent and each Lender, and each Related Party of any of the foregoing Persons (each such Person being called an "Indemnitee"), and hold each Indemnitee harmless, from and against any and all losses, claims, damages, liabilities and related expenses, including the reasonable and documented fees, charges and disbursements of any counsel for any Indemnitee (limited to, in the case of fees, charges and disbursements of any counsel, one counsel to such Indemnitees, taken as a whole, one local counsel in each relevant jurisdiction to all such Indemnitees, taken as a whole, and, solely in the event of a conflict of interest, one additional counsel (and, if necessary, one local counsel in each relevant jurisdiction)), incurred by or asserted against any Indemnitee arising out of, in connection with, or as a result of (i) the execution or delivery of any Loan Document or any other agreement or instrument contemplated hereby, the performance by the parties to the Loan Documents of their respective obligations thereunder or the consummation of the Transactions or any other transactions contemplated hereby, (ii) any Loan or the use of the proceeds therefrom, (iii) any actual or alleged presence or Release of Hazardous Materials on, at, under or emanating from any Mortgaged Property or any other property currently or formerly owned or operated by the Borrower or any of its Subsidiaries, or any actual or alleged Environmental Liability related in any way to the Borrower or any of its Subsidiaries or their respective properties or operations, or (iv) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory and regardless of whether any Indemnitee is a party thereto or such litigation, claim, investigation or proceeding is brought by a third party or by the Borrower or its Affiliates, provided that no Indemnitee shall be entitled to indemnity in respect of any such losses, claims, damages, liabilities or related expenses to the extent that (i) the same is found by a final, non-appealable judgment of a court of competent jurisdiction to have resulted from (a) the gross negligence, willful misconduct or bad faith of such Indemnitee or (b) a material breach by an Indemnitee of its obligations under this Agreement, (ii) the same arises solely from a dispute among Indemnitees (other than any claim against Ares Capital Corporation solely in its capacity as Administrative Agent) or (iii) any settlement is effected without the Borrower's consent; provided, further, that each Indemnitee agrees (by accepting the benefits hereof) to refund and return any and all amounts paid or caused to be paid by the Borrower to such Indemnitee to the extent any of the foregoing items described in clauses (i) through (iii) occurs. For the avoidance of doubt, this Section 9.03 shall not apply to Taxes (other than Taxes arising from a non-Tax claim). Payments under this Section 9.03(b) shall be made by the Borrower to the Administrative Agent for the benefit of the relevant Indemnitee.

(c) To the extent that the Borrower fails to pay any amount required to be paid by it to the Administrative Agent or the Collateral Agent under Sections 9.03(a) or (b), each Lender severally agrees to pay to the Administrative Agent or the Collateral Agent, as applicable, such Lender's pro rata share (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) of such unpaid amount, provided that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as applicable, was incurred by or asserted against the Administrative Agent or the Collateral Agent in its capacity as such. For purposes hereof, a Lender's "pro rata share" shall be determined based upon its share of the aggregate outstanding Term Loans at the time.

(d) To the extent permitted by applicable law, no party hereto shall assert, and each party hereto hereby waives, any claim against any other Person party hereto, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement or any agreement or instrument contemplated hereby, the Transactions, any Loan or the use of the proceeds thereof (other than in respect of any such damages incurred or paid by an Indemnitee to a third party).

(e) All amounts due under this Section 9.03 shall be payable not later than 10 days after written demand therefor.

SECTION 9.04. Successors and Assigns.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that (i) the Borrower may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (except as permitted by Section 6.03) (and any attempted assignment or transfer by the Borrower without such consent shall be null and void) and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except (i) to an Assignee pursuant to an assignment made in accordance with the provisions of Section 9.04(b) (such an assignee, an "Eligible Assignee"), (ii) by way of participation in accordance with the provisions of Section 9.04(e) or (iii) by way of pledge or assignment of a security interest subject to the restrictions of Section 9.04(g) (and any other attempted assignment or transfer by any party hereto shall be null and void); provided, however, that notwithstanding the foregoing, no Lender may assign or transfer by participation any of its rights or obligations hereunder to (i) a natural Person, (ii) to the Borrower or any of its respective Subsidiaries or (iii) any Defaulting Lender. Nothing in this Agreement, express or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants (to the extent provided in Section 9.04(c)) and, to the extent expressly contemplated hereby, the Related Parties of each of the Administrative Agent and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) (i) Subject to the conditions set forth in clause (b)(ii) below, any Lender may assign to one or more assignees ("Assignees") all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans at the time owing to it) with the prior written consent (such consent not to be unreasonably withheld or delayed) of:

(1) the Borrower, provided that no consent of the Borrower shall be required (x) for assignments to any Lender or Affiliate of a Lender or an Approved Fund (as defined below) thereof or (y) if an Event of Default under Sections 7.01(a) or 7.01(b) or Sections 7.01(i) or 7.01(j), solely with respect to the Borrower, has occurred and is continuing, any Assignee or an assignment of all or a portion of the Loans pursuant to Section 9.04(i); provided, further, that (x) the Borrower may withhold its consent (in its sole discretion) in respect of an assignment to an Affiliate (other than, in each case, Affiliates that constitute bona fide debt funds primarily investing in loans) of a Disqualified Institution and (y) the Borrower shall be deemed to have consented to an assignment unless it shall object thereto by written notice to the Administrative Agent within five (5) Business Days after having received notice thereof; and

(2) the Administrative Agent, provided that no consent of the Administrative Agent shall be required for an assignment (i) of all or any portion of a Term Loan to a Lender, an Affiliate of a Lender or an Approved Fund, (ii) of all or a portion of the Loans pursuant to Section 9.04(k) or Section 9.04(l) or (iii) from an Agent to its Affiliates.

Notwithstanding the foregoing or anything to the contrary set forth herein, (i) no Lender may assign or transfer by participation any of its rights or obligations hereunder to any Person that is a Defaulting Lender or, unless a Specified Event of Default has occurred and is continuing, a Disqualified Institution and (ii) to the extent any Lender is required to assign any portion of its Commitments, Loans and other rights, duties and obligations hereunder in order to comply with applicable Laws, such assignment may be made by such Lender without the consent of the Borrower, the Administrative Agent or any other party hereto so long as such Lender complies with the requirements of Section 9.04(b)(ii).

(ii) Assignments shall be subject to the following conditions:

(1) except in the case of an assignment to a Lender or an Affiliate of a Lender or an assignment of the entire remaining amount of the assigning Lender's Commitment or Loans, the amount of the Commitment or Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent) shall not be less than $5,000,000 unless each of the Borrower and the Administrative Agent otherwise consents; provided that no such consent of the Borrower shall be required (x) for an assignment by a Lender to an Affiliate or an Approved Fund of a Lender or (y) if an Event of Default under Section 7.01(a), (b), (i) or (j) has occurred and is continuing, and that contemporaneous assignments to Approved Funds related to the same Lender shall be aggregated when calculating such minimum assignment amounts; provided further that, consent of the Borrower will be deemed to have been given if the Borrower has not responded within five (5) business days of a request for such consent; provided, further, that, unless a Specified Event of Default has occurred and is continuing, no assignment or participations shall be made to Disqualified Institutions or Competitors;

(2) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement;

(3) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption, together with a processing and recordation fee of $3,500; and

(4) the assignee, if it is not already a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire, the applicable tax forms described in 2.17(f) and all documentation and other information required by regulatory authorities under applicable "know your customer" and anti-money laundering rules and regulations, including, without limitation, the USA Patriot Act.

For purposes of this Section 9.04(b):

"Approved Fund" means, with respect to any Lender, any Fund that is administered, advised or managed by (a) a Lender, (b) an Affiliate of a Lender, (c) an entity or an Affiliate of an entity that administers, advises or manages a Lender or (d) a limited partner or member of any of the foregoing.

"Fund" means any Person (other than a natural person) that is engaged in making, purchasing, holding or otherwise investing in commercial loans and similar extensions of credit in the ordinary course.

(c) Subject to acceptance and recording thereof pursuant to Section 9.04(b)(iv), from and after the recordation date of each Assignment and Assumption in the Register, the assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 2.15, 2.16, 2.17 and 9.03). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 9.04 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with Section 9.04(c).

(d) The Administrative Agent, acting for this purpose as a non-fiduciary agent of the Borrower, shall maintain accessible at one of its offices a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitment of, and principal amounts (and related stated interest amounts) of the Loans owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive absent manifest error, and the Borrower, the Administrative Agent and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender and the owner of the amounts owing to it under the Loan Documents as reflected in the Register for all purposes of the Loan Documents, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower and, with respect to itself, any Lender, at any reasonable time and from time to time upon reasonable prior written notice.

(i) Upon its receipt of a duly completed Assignment and Assumption executed by an assigning Lender and an assignee, the assignee's completed Administrative Questionnaire (unless the assignee shall already be a Lender hereunder) and all documentation and other information required by regulatory authorities under applicable "know your customer" and anti-money laundering rules and regulations, including, without limitation, the USA Patriot Act, the processing and recordation fee referred to in Section 9.04(b) and any written consent to such assignment required by Section 9.04(b), the Administrative Agent shall accept such Assignment and Assumption and record the information contained therein in the Register. No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this paragraph.

(e) Any Lender may, without the consent of the Borrower or the Administrative Agent, sell participations to one or more banks or other entities (each a "Participant") in all or a portion of such Lender's rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans owing to it), provided that (A) such Lender's obligations under this Agreement shall remain unchanged, (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (C) the Borrower, the Administrative Agent and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement or the other Loan Documents, provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in the first proviso to Section 9.02(b) that requires the affirmative vote of such Lender. Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register complying with the requirements of Sections 163(f), 871(h) and 881(c)(2) of the Code and the Treasury regulations issued thereunder on which it enters the name and address of each Participant and the principal and stated interest amounts of each Participant's interest in the Loans held by it (the "Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register to any person (including the identity of any Participant or any information relating to a Participant's interest in any Commitments, Loans or its other obligations under any Loan Document) except to the extent that such disclosure is necessary to establish that such Commitment, Loan or other obligation is in registered form under Section 5f.103-1(c) or Proposed Section 1.163-5(b) of the United States Treasury Regulations (or, in each case, any amended or successor version), or is otherwise required thereunder. The entries in the Participant Register shall be conclusive, absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such Loan or other obligation hereunder for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register. Subject to Section 9.04(f), the Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.15, 2.16 and 2.17 to the same extent as if it were a Lender (subject to the requirements and limitations thereof, it being understood that the documentation required under Section 2.17(f) shall be delivered to the participating Lender) and had acquired its interest by assignment pursuant to Section 9.04(b). To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 9.08 as though it were a Lender, provided such Participant agrees to be subject to Section 2.18(c) as though it were a Lender. For the avoidance of doubt, each Lender shall be responsible for the indemnity under Section 9.03(b) with respect to any payments made by such Lender to its Participant(s).

(f) A Participant shall not be entitled to receive any greater payment under Section 2.15 or 2.17 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrower's prior written consent and the entitlement to receive a greater payments results from a Change in Law that occurs after the Participant acquired the applicable participation. A Participant that would be a Foreign Lender if it were a Lender shall not be entitled to the benefits of Section 2.17 unless the Borrower is notified of the participation sold to such Participant and such Participant agrees, for the benefit of the Borrower, to comply with Section 2.17(e) as though it were a Lender (it being understood that the documentation required under Section 2.17 shall be delivered to the participating Lender).

(g) Any Lender may at any time pledge, assign or grant a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge, assignment or grant to secure obligations to a Federal Reserve Bank, and this Section 9.04 shall not apply to any such pledge, assignment or grant of a security interest, provided that no such pledge, assignment or grant of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledge or assignee for such Lender as a party hereto.

SECTION 9.05. Survival. All covenants, agreements, representations and warranties made by the Loan Parties in the Loan Documents and in the certificates or other instruments delivered in connection with or pursuant to this Agreement or any other Loan Document shall have independent significance and be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of the Loan Documents and the making of any Loans, regardless of any investigation made by any such other party or on its behalf and notwithstanding that the Administrative Agent or any Lender may have had notice or knowledge of any Default or incorrect representation or warranty at the time any credit is extended hereunder, and shall continue in full force and effect as long as the principal of or any accrued interest on any Loan or any fee or any other amount payable under this Agreement is outstanding and unpaid. The provisions of Sections 2.15, 2.16, 2.17 and 9.03 and Article VIII shall survive and remain in full force and effect regardless of the consummation of the transactions contemplated hereby, the repayment of the Loans or the termination of this Agreement or any provision hereof.

SECTION 9.06. Counterparts; Integration; Effectiveness. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement, the other Loan Documents and any separate letter agreements with respect to fees payable to the Administrative Agent constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. Except as provided in Section 4.01, this Agreement shall become effective when it shall have been executed by the Administrative Agent and when the Administrative Agent shall have received counterparts hereof which, when taken together, bear the signatures of each of the other parties hereto, and thereafter shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns. Delivery of an executed counterpart of a signature page of this Agreement by facsimile or electronic transmission shall be effective as delivery of a manually executed counterpart of this Agreement.

SECTION 9.07. Severability. Any provision of this Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

SECTION 9.08. Right of Setoff. If an Event of Default shall have occurred and be continuing, each Lender and each of its Affiliates is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other obligations at any time owing by such Lender or Affiliate to or for the credit or the account of the Borrower against any of and all the obligations of the Borrower now or hereafter existing under this Agreement held by such Lender, irrespective of whether or not such Lender shall have made any demand under this Agreement and although such obligations may be unmatured; provided that if any Defaulting Lender shall exercise any such right of setoff, (i) all amounts so set off shall be paid over immediately to the Administrative Agent for further application in accordance with the provisions of this Agreement and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Administrative Agent and the Lenders and (ii) the Defaulting Lender shall provide promptly to the Administrative Agent a statement describing in reasonable detail the obligations owing to such Defaulting Lender as to which it exercised such right of set off. The applicable Lender shall notify the Borrower and the Administrative Agent of such setoff or application, provided that any failure to give or any delay in giving such notice shall not affect the validity of any such setoff or application under this Section 9.08. The rights of each Lender under this Section 9.08 are in addition to other rights and remedies (including other rights of setoff) which such Lender may have.

SECTION 9.09. Governing Law; Jurisdiction; Consent to Service of Process.

(a) This Agreement shall be construed in accordance with and governed by the laws of the State of New York.

(b) The Borrower hereby irrevocably and unconditionally submits, for itself and its property, to the nonexclusive jurisdiction of the Supreme Court of the State of New York sitting in New York County and of the United States District Court of the Southern District of New York, and any appellate court from any thereof, in any action or proceeding arising out of or relating to any Loan Document, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such New York State or, to the extent permitted by law, in such Federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement or any other Loan Document shall affect any right that the Administrative Agent, the Collateral Agent or any Lender may otherwise have to bring any action or proceeding relating to this Agreement or any other Loan Document against the Borrower or its properties in the courts of any jurisdiction.

(c) The Borrower hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection that it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement or any other Loan Document in any court referred to in Section 9.09(b). Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(d) EACH PARTY TO THIS AGREEMENT IRREVOCABLY CONSENTS TO SERVICE OF PROCESS IN THE MANNER PROVIDED FOR NOTICES IN SECTION 9.01. NOTHING IN THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT WILL AFFECT THE RIGHT OF ANY PARTY TO THIS AGREEMENT TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY LAW.

SECTION 9.10. WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT, ANY OTHER LOAN DOCUMENT OR

THE TRANSACTIONS CONTEMPLATED HEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 9.10.

SECTION 9.11. Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Agreement.

SECTION 9.12. Confidentiality. Each of the Administrative Agent and the Lenders agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to its and its Affiliates' directors, trustees, officers, employees and agents, including accountants, legal counsel and other advisors (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential), (b) to the extent requested by any regulatory authority or self-regulatory authority, (c) to the extent required by applicable laws or regulations or by any subpoena or similar legal process, (d) to any other party to this Agreement, (e) in connection with the exercise of any remedies hereunder or any suit, action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder, (f) subject to an agreement containing provisions substantially the same as those of this Section 9.12, to (i) any assignee or pledgee of or Participant in, or any prospective assignee or pledgee of or Participant in, any of its rights or obligations under this Agreement or (ii) any actual or prospective counterparty (or its advisors) to any swap or derivative transaction relating to the Borrower and its obligations, (g) with the consent of the Borrower or (h) to the extent such Information (i) becomes publicly available other than as a result of a breach of this Section 9.12 or (ii) becomes available to the Administrative Agent or any Lender on a nonconfidential basis from a source other than the Borrower or any of their subsidiaries, provided that such source is not actually known by such disclosing party to be bound by an agreement containing provisions substantially the same as those contained in this Section 9.12. For the purposes of this Section 9.12, the term "Information" means all information received from the Borrower relating to the Borrower or its business, other than any such information that is available to the Administrative Agent or any Lender on a nonconfidential basis prior to disclosure by the Borrower, provided that, in the case of information received from the Borrower or any Subsidiary after the date hereof, such information is clearly identified at the time of delivery as confidential. Any Person required to maintain the confidentiality of Information as provided in this Section 9.12 shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

SECTION 9.13. Interest Rate Limitation. Notwithstanding anything herein to the contrary, if at any time the interest rate applicable to any Loan, together with all fees, charges and other amounts that are treated as interest on such Loan under applicable law (collectively, the "Charges"), shall exceed the maximum lawful rate (the "Maximum Rate") that may be contracted for, charged, taken, received or reserved by the Lender holding such Loan in accordance with applicable law, the rate of interest payable in respect of such Loan hereunder, together with all Charges payable in respect thereof, shall be limited to the Maximum Rate and, to the extent lawful, the interest and Charges that would have been payable in respect of such Loan but were not payable as a result of the operation of this Section 9.13 shall be cumulated and the interest and Charges payable to such Lender in respect of other Loans or periods shall be increased (but not above the Maximum Rate therefor) until such cumulated amount, together with interest thereon at the Federal Funds Rate to the date of repayment, shall have been received by such Lender.

SECTION 9.14. USA Patriot Act. Each Lender and each Agent hereby notifies the Borrower that pursuant to the requirements of the USA Patriot Act, it is required to obtain, verify and record information that identifies the Borrower, which information includes the name and address of the Borrower and other information that will allow such Person to identify the Borrower in accordance with the USA Patriot Act.

SECTION 9.15. Release of Collateral. Upon any sale or other transfer by any Loan Party of any Collateral that is permitted under this Agreement, or upon the effectiveness of any written consent to the release of the security interest granted hereby in any Collateral pursuant to Section 9.02 of this Agreement, the Mortgage or other security interest in such Collateral shall be automatically released and the Collateral Agent is authorized to, and shall, take any action to effect the foregoing, including, without limitation, executing and delivering to the Borrower, in recordable form, discharges and releases of such Mortgage or other security interest.

SECTION 9.16. Acknowledgement and Consent to Bail-In of Affected Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Lender that is an Affected Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by the applicable Resolution Authority to any such liabilities arising hereunder which may be payable to it by any Lender that is an Affected Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such Affected Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of the applicable Resolution Authority.

I am familiar with the finances, properties, businesses and assets of Borrower and its subsidiaries. I have reviewed the Credit Agreement and such other documentation and information and have made such investigation and inquiries, including, but not limited to, consultation with other officers of Borrower responsible for financial and accounting functions concerning contingent liabilities, as I have deemed necessary and prudent to enable me to express an informed opinion as to the matters referred to herein. I have also reviewed the unaudited consolidated balance sheets and related statements of income and cash flows of Borrower and its subsidiaries for the fiscal quarter ended June 30, 2022 referred to in Section 4.01(b) of the Credit Agreement and the projections of Borrower referred to in Section 4.01(c) of the Credit Agreement relating to income and cash flow statements of Borrower and its subsidiaries. a. The fair value of the assets of Borrower, and its subsidiaries on a consolidated basis, at fair valuation, exceeds, on a consolidated basis, their debts and liabilities, subordinated, contingent or otherwise;

b. The present fair saleable value of the property of Borrower and its subsidiaries, on a consolidated basis, is greater than the amount that will be required to pay the probable liability, on a consolidated basis, of their debts and other liabilities, subordinated, contingent or otherwise, as such debts and other liabilities become absolute and matured;

c. Borrower and its subsidiaries, on a consolidated basis, are able to pay their debts and liabilities, subordinated, contingent or otherwise, as such liabilities become absolute and matured; and

d. Borrower and its subsidiaries, on a consolidated basis, do not have unreasonably small capital with which to conduct the business in which they are engaged as such business is now conducted and is proposed to be conducted following the date hereof.

For purposes of this Certificate, the amount of any contingent liability at any time shall be computed as the amount that would reasonably be expected to become an actual and matured liability.

(b) Subject to Section 2.14, each Term Loan Borrowing shall be comprised entirely of Base Rate Loans or SOFR Loans as the Borrower may request in accordance herewith.

(c) At the commencement of each Interest Period for any SOFR Borrowing, such Borrowing shall be in an aggregate amount not less than $200,000. At the time that each Base Rate Borrowing is made, such Borrowing shall be in an aggregate amount that is an integral multiple of $50,000 and not less than $250,000. (b) Unless the Administrative Agent shall have received notice from a Lender prior to the proposed Borrowing that such Lender will not make available to the Administrative Agent such Lender's share of such Borrowing, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with Section 2.06(a) and may, in reliance upon such assumption and in its sole discretion, make available to the Borrower a corresponding amount. In such event, if a Lender has not in fact made its share of the applicable Borrowing available to the Administrative Agent, then the applicable Lender agrees to pay to the Administrative Agent an amount equal to such share on demand of the Administrative Agent. If such Lender does not pay such corresponding amount forthwith upon demand of the Administrative Agent therefor, the Administrative Agent shall promptly notify the Borrower and the Borrower agrees to pay such corresponding amount to the Administrative Agent forthwith on demand. The Administrative Agent shall also be entitled to recover from such Lender the interest on such corresponding amount for each day from and including the date such amount is made available to the Borrower to but excluding the date of payment to the Administrative Agent, at (i) in the case of such Lender, the greater of the Federal Funds Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation or (ii) in the case of the Borrower, the interest rate applicable to Base Rate Loans. (e) Any Lender may request that Loans made by it be evidenced by a promissory note. (b) [Reserved].

(c) In the event and on each occasion that any Net Proceeds are received by or on behalf of the Borrower or any Subsidiary in respect of any Prepayment Event, the Borrower shall, within five (5) Business Days after such Net Proceeds are received by the Borrower or such Subsidiary, prepay Term Loan Borrowings in an aggregate amount equal to 100% of such Net Proceeds; provided, further, that in the case of any event described in clause (a) or (b) of the definition of the term "Prepayment Event" (other than pursuant to a sale and leaseback transaction permitted under Section 6.06), if the Borrower shall deliver to the Administrative Agent a certificate of a Financial Officer to the effect that the Borrower and the Subsidiaries intend to apply the Net Proceeds from such event (or a portion thereof specified in such certificate), within 365 days after receipt of such Net Proceeds in the business of the Borrower and the Subsidiaries, and certifying that no Event of Default has occurred and is continuing, then no prepayment shall be required pursuant to this paragraph in respect of the Net Proceeds specified in such certificate, except to the extent that the aggregate amount of such Net Proceeds that have not been so applied or contractually committed in writing by the end of such 365-day period exceeds $2,500,000 ("Excess Net Proceeds"), promptly after which time a prepayment shall be required in an amount equal to such Excess Net Proceeds that have not been so applied.

Each such notice shall be irrevocable and shall specify the prepayment date, the principal amount of each Borrowing or portion thereof to be prepaid; provided that, if a notice of prepayment is given under this Section 2.11, such notice of prepayment may be conditioned upon the effectiveness of other credit facilities or the closing of a refinancing transaction, a sale of all or substantially all of the assets of the Borrower and its Subsidiaries or a Change of Control and such notice of prepayment may be revoked or extended by the Borrower by written notice to the Administrative Agent if such condition is not satisfied on or prior to the specified effective date of prepayment. The non-application of any prepayment amounts as a consequence of the foregoing provisions will not, for the avoidance of doubt, constitute a Default or an Event of Default, and such amounts shall be available for working capital purposes of the Borrower and the Subsidiaries as long as not required to be prepaid in accordance this Section 2.11(k). Notwithstanding the foregoing, any prepayments required after application of this clause (k) shall be net of any costs, expenses or taxes incurred by the Borrower or any of its Affiliates and arising as a result of compliance with the preceding sentence.

If a Term Lender fails to deliver a Rejection Notice to the Administrative Agent within the time frame specified above or such Rejection Notice fails to specify the principal amount of the Term Loans to be rejected, any such failure will be deemed an acceptance of the total amount of such mandatory prepayment of Term Loans. Any Declined Proceeds may be retained by the Borrower.

(b) All fees payable hereunder shall be paid on the dates due, in immediately available funds, to the Administrative Agent for distribution, in the case of commitment fees and participation fees, to the Lenders entitled thereto. Fees paid shall not be refundable under any circumstances.

(c) Notwithstanding anything to the contrary in any of the Loan Documents, the outstanding principal amounts of the Loans and Obligations shall not be permitted to be prepaid, repaid, redeemed or paid prior to the fourth anniversary of the First Amendment Effective Date except in accordance with this Section 2.12(c). If any Loans are prepaid (other than as a result of an event described in clause (b) of the definition of the term "Prepayment Event"), in addition to the principal amount of the Loans and accrued interest, fees and other amounts owed thereon, such Loans shall be accompanied by a premium equal to (~~a~~i) if such prepayment is made prior to the first anniversary of the First Amendment Effective Date for any reason (such as an acceleration of the Loans and other Obligations following the occurrence of an Event of Default, an exercise of any Credit Party's rights or remedies available under the Loan Documents, upon the consummation of a Change of Control, by any optional prepayment or termination or otherwise), then the amount (in addition to the principal amount of the Loans and other Obligations (other than the Make-Whole Premium) and accrued interest, fees and other amounts owed thereon) required to be prepaid, repaid, redeemed or paid shall be the Make-Whole Premium applicable to the principal amount and interest on the Loans or other Obligations (other than the Make-Whole Premium) so prepaid, repaid, redeemed or paid, (~~b~~ii) if such prepayment is made on or after the first anniversary of the First Amendment Effective Date but prior to the second anniversary of the First Amendment Effective Date for any reason (such as an acceleration of the Loans and other Obligations following the occurrence of an Event of Default, an exercise of any Credit Party's rights or remedies available under the Loan Documents, upon the consummation of a Change of Control, by any optional prepayment or termination or otherwise), 5.00% of the principal amount of the Term Loans so prepaid, repaid, redeemed or paid, (~~c~~iii) if such prepayment is made on or after the second anniversary of the First Amendment Effective Date but prior to the third anniversary of the First Amendment Effective Date for any reason (such as an acceleration of the Loans and other Obligations following the occurrence of an Event of Default, an exercise of any Credit Party's rights or remedies available under the Loan Documents, upon the consummation of a Change of Control, by any optional prepayment or termination or otherwise), 2.50% of the principal amount of the Term Loans so prepaid, repaid, redeemed or paid, (~~d~~iv) if such prepayment is made on or after the third anniversary of the First Amendment Effective Date but prior to the fourth anniversary of the First Amendment Effective Date for any reason (such as an acceleration of the Loans and other Obligations following the occurrence of an Event of Default, an exercise of any Credit Party's rights or remedies available under the Loan Documents, upon the consummation of a Change of Control, by any optional prepayment or termination or otherwise), 1.00% of the principal amount of the Term Loans so prepaid, repaid, redeemed or paid and (~~e~~v) if such prepayment is made on or after the fourth anniversary of the First Amendment Effective Date, 0.00% of the principal amount of the Term Loans so prepaid, repaid, redeemed or paid (such Make-Whole Premium or other amount required to be paid (or that is otherwise owed) pursuant to the foregoing, the "Make Whole/Prepayment Fee Amount"). For purposes of this Section 2.12(c), the principal amount of the Term Loans shall include all PIK Interest that has been capitalized to principal.

(d) The parties hereto acknowledge and agree that, in light of the impracticality and extreme difficulty of ascertaining actual damages, the Make Whole/Prepayment Fee Amount is intended to be a reasonable calculation of the actual damages that would be suffered by the Credit Parties as a result of any such prepayment, repayment, redemption, payment or termination. The parties hereto further acknowledge and agree that the Agents and the Lenders would not have entered into this Agreement, and the Lenders would not have provided the Commitments or Loans hereunder, without the Loan Parties agreeing to pay the Make Whole/Prepayment Fee in the aforementioned instances. The parties hereto further acknowledge and agree that the Make Whole/Prepayment Fee Amount is not intended to act as a penalty or to punish the Borrower or any other Loan Party for any such prepayment, repayment, redemption or payment.

SECTION 2.13. Interest.

(a) The Loans comprising each Base Rate Borrowing shall bear interest at (i) in the event the Borrower makes a PIK Election, the sum of (A) the Base Rate plus the Applicable Rate applicable to a PIK Election paid in cash plus (B) ~~3.00~~(x) prior to the First Amendment Effective Date, 3.00% per annum and (y) from and after the First Amendment Effective Date, 3.25% per annum, in each case of clauses (B)(x) and (B)(y), paid in-kind by adding such accrued interest to the outstanding principal balance of the applicable Loans on each Interest Payment Date and after giving effect to the foregoing, such accrued and unpaid interest on the Loans shall be deemed to constitute a portion of the outstanding principal balance of the Term Loans for all purposes of this Agreement and the other Loan Documents, including with respect to the accrual of interest thereon at the rates set forth herein (the "PIK Interest") or (ii) in the event the Borrower makes a Cash Election, the Base Rate plus the Applicable Rate applicable to a Cash Election.

(b) The Loans comprising each SOFR Borrowing shall bear interest at (i) in the event the Borrower makes a PIK Election, the sum of (A) Term SOFR for the Interest Period in effect for such Borrowing plus the Applicable Rate applicable to a PIK Election paid in cash plus (B) the PIK Interest or (ii) in the event the Borrower makes a Cash Election, Term SOFR for the Interest Period in effect for such Borrowing plus the Applicable Rate applicable to a Cash Election.

(c) Notwithstanding the foregoing, automatically upon the occurrence of any Event of Default described in Sections 7.01(a), (b), (i) or (j), and at the direction of the Administrative Agent or the Required Lenders in the case of any Event of Default described in Section 7.01(d) (solely with respect to Section 6.12) or Section 7.01(e), all outstanding Obligations shall bear interest, after as well as before judgment, at a rate per annum equal to (1) in the case of any Loan, 2.00% plus the rate otherwise applicable to such Loan as provided in the preceding paragraphs of this Section 2.13 and (2) in the case of any other amount 2.00% plus the rate applicable to Base Rate Loans as provided in Section 2.13(a) (such rates referred to in this clause (c), the "Default Rates").

(d) Accrued interest on each Loan shall be payable in arrears on each Interest Payment Date for such Loan, provided that (i) interest accrued pursuant to Section 2.13(c) shall be payable on demand, (ii) in the event of any repayment or prepayment of any Loan, accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment and (iii) in the event of any conversion of any SOFR Loan prior to the end of the current Interest Period therefor, accrued interest on such Loan shall be payable on the effective date of such conversion.

(e) All interest hereunder shall be computed on the basis of a year of 360 days, except that interest computed by reference to the Base Rate at times when the Base Rate is based on the Prime Rate shall be computed on the basis of a year of 365 days (or 366 days in a leap year), and in each case shall be payable for the actual number of days elapsed (including the first day but excluding the last day). For the avoidance of doubt, no date of payment shall be included in any computation. The applicable Base Rate or Term SOFR shall be determined by the Administrative Agent, and such determination shall be conclusive absent manifest error.

(f) Notwithstanding anything to the contrary herein, on any Interest Payment Date, the accrued interest on the Term Loans due on such Interest Payment Date may be paid (a) solely in cash at the written election of the Borrower (any such election, a "Cash Election") or (b) partially in cash and partially in kind by increasing the principal amount of the Term Loans by the amount of such interest at the written election of the Borrower (any such election, a "PIK Election"); provided that the Borrower may exercise the PIK Election with respect to any such Interest Payment Date by delivering written notice thereof to the Administrative Agent no later than 1:00 p.m., five Business Days prior to such Interest Payment Date and if the Borrower fails to make any such election, the Borrower shall have deemed to have made the Cash Election for such Interest Payment Date.

(g) Term SOFR for each Interest Period shall be determined by the Administrative Agent, and notice thereof shall be given by the Administrative Agent promptly to the Borrower and each Lender. Each determination of Term SOFR by the Administrative Agent shall be conclusive and binding upon the parties hereto, in the absence of demonstrable error. The Administrative Agent shall, upon written request of the Borrower or any Lender, deliver to the Borrower or such Lender a statement showing the computations used by the Administrative Agent in determining Term SOFR hereunder. In connection with the use or administration of Term SOFR, the Administrative Agent will have the right to make Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Loan Document. The Administrative Agent will promptly notify the Borrower and the Lenders of the effectiveness of any Conforming Changes in connection with the use or administration of Term SOFR.

SECTION 2.14. Benchmark Replacement Setting.

(a) Benchmark Replacement. Notwithstanding anything to the contrary herein or in any other Loan Document, upon the occurrence of a Benchmark Transition Event, the Administrative Agent and the Borrower may amend this Agreement to replace the then-current Benchmark with a Benchmark Replacement. Any such amendment with respect to a Benchmark Transition Event will become effective at 5:00 p.m. (New York City time) on the fifth (5th) Business Day after the Administrative Agent has posted such proposed amendment to all affected Lenders and the Borrower so long as the Administrative Agent has not received, by such time, written notice of objection to such amendment from Lenders comprising the Required Lenders. No replacement of a Benchmark with a Benchmark Replacement pursuant to this Section 2.14(a) will occur prior to the applicable Benchmark Transition Start Date.

(b) Benchmark Replacement Conforming Changes. In connection with the use, administration, adoption or implementation of a Benchmark Replacement, the Administrative Agent, in consultation with the Borrower, will have the right to make Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Loan Document.

(c) Notices; Standards for Decisions and Determinations. The Administrative Agent will promptly notify the Borrower and the Lenders of (i) the implementation of any Benchmark Replacement and (ii) the effectiveness of any Conforming Changes in connection with the use, administration, adoption or implementation of a Benchmark Replacement. The Administrative Agent will promptly notify the Borrower of (x) the removal or reinstatement of any tenor of a Benchmark pursuant to Section 2.14(d) and (y) the commencement of any Benchmark Unavailability Period. Any determination, decision or election that may be made by the Administrative Agent or, if applicable, any Lender (or group of Lenders) pursuant to this Section 2.14, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party to this Agreement or any other Loan Document, except, in each case, as expressly required pursuant to this Section 2.14.

(d) Unavailability of Tenor of Benchmark. Notwithstanding anything to the contrary herein or in any other Loan Document, at any time (including in connection with the implementation of a Benchmark Replacement), (i) if the then-current Benchmark is a term rate (including the Term SOFR Reference Rate) and either (A) any tenor for such Benchmark is not displayed on a screen or other information service that publishes such rate from time to time as selected by the Administrative Agent in its reasonable discretion in consultation with the Borrower or (B) the regulatory supervisor for the administrator of such Benchmark has provided a public statement or publication of information announcing that any tenor for such Benchmark is not or will not be representative, then the Administrative Agent may modify the definition of "Interest Period" (or any similar or analogous definition) for any Benchmark settings at or after such time to remove such unavailable or non-representative tenor and (ii) if a tenor that was removed pursuant to clause (i) above either (A) is subsequently displayed on a screen or information service for a Benchmark (including a Benchmark Replacement) or (B) is not, or is no longer, subject to an announcement that it is not or will not be representative for a Benchmark (including a Benchmark Replacement), then the Administrative Agent may modify the definition of "Interest Period" (or any similar or analogous definition) for all Benchmark settings at or after such time to reinstate such previously removed tenor.

(e) Benchmark Unavailability Period. Upon the Borrower's receipt of notice of the commencement of a Benchmark Unavailability Period, the Borrower may revoke any pending request for a SOFR borrowing of, conversion to or continuation of SOFR Loans to be made, converted or continued during any Benchmark Unavailability Period and, failing that, the Borrower will be deemed to have converted any such request into a request for a Borrowing of or conversion to Base Rate Loans. During a Benchmark Unavailability Period or at any time that a tenor for the then-current Benchmark is not an Available Tenor, the component of the Base Rate based upon the then-current Benchmark or such tenor for such Benchmark, as applicable, will not be used in any determination of the Base Rate.

SECTION 2.15. Increased Costs.

(a) If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit or similar requirement against assets of, deposits with or for the account of, or credit extended by, any Lender (except any such reserve requirement reflected in Term SOFR); or

(ii) impose on any Lender any Taxes (except for Indemnified Taxes, Other Taxes, and Excluded Taxes) on its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto; or

(iii) impose on any Lender any other condition affecting this Agreement or SOFR Loans made by such Lender or participation therein;

and the result of any of the foregoing shall be to increase the cost to such Lender or such other Recipient of making or maintaining any SOFR Loan (or of maintaining its obligation to make any such Loan) or to increase the cost to such Lender, or to reduce the amount of any sum received or receivable by such Lender or other Recipient hereunder (whether of principal, interest or otherwise), then the Borrower will pay to such Lender or other Recipient, as applicable, such additional amount or amounts as will compensate such Lender or other Recipient, as applicable, for such additional costs incurred or reduction suffered; provided that such Person shall only be entitled to seek such additional amounts if such Person is generally seeking the payment of similar additional amounts from similarly situated borrowers in comparable credit facilities to the extent it is entitled to do so.

(b) If any Lender determines that any Change in Law affecting such Lender or any lending office of such Lender or such Lender's holding company, if any, regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on such Lender's or on the capital of such Lender's holding company, if any, as a consequence of this Agreement or the Loans made by such Lender to a level below that which such Lender or such Lender's holding company could have achieved but for such Change in Law (taking into consideration such Lender's policies and the policies of such Lender's holding company with respect to capital adequacy or liquidity), then from time to time the Borrower will pay to such Lender such additional amount or amounts as will compensate such Lender or such Lender's holding company for any such reduction suffered; provided that such Person shall only be entitled to seek such additional amounts if such Person is generally seeking the payment of similar additional amounts from similarly situated borrowers in comparable credit facilities to the extent it is entitled to do so.

(c) Notwithstanding anything herein to the contrary, (i) all requests, rules, guidelines, requirements and directives promulgated by the Bank for International Settlements, the Basel Committee on Banking Supervision (or any successor or similar authority) or by United States or foreign regulatory authorities, in each case pursuant to Basel III, and (ii) the Dodd-Frank Wall Street Reform and Consumer Protection Act and all requests, rules, guidelines, requirements and directives thereunder or issued in connection therewith or in implementation thereof, shall in each case be deemed to be a change in law, regardless of the date enacted, adopted, issued or implemented.

(d) A certificate of a Lender setting forth in reasonable detail the basis for and computation of the amount or amounts necessary to compensate such Lender or its holding company, as applicable, as specified in Section 2.15(a) or (b) shall be delivered to the Borrower and shall be conclusive absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate within 10 days after receipt thereof.

(e) Failure or delay on the part of any Lender to demand compensation pursuant to this Section 2.15 shall not constitute a waiver of such Lender's right to demand such compensation, provided that the Borrower shall not be required to compensate a Lender pursuant to this Section 2.15 for any increased costs or reductions incurred more than 270 days prior to the date that such Lender notifies the Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's intention to claim compensation therefor, provided, further, that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 270-day period referred to above shall be extended to include the period of retroactive effect thereof.

SECTION 2.16. Break Funding Payments. In the event of (a) the payment of any principal of any SOFR Loan other than on the last day of an Interest Period applicable thereto (including as a result of an Event of Default), (b) the conversion of any SOFR Loan other than on the last day of the Interest Period applicable thereto, (c) the failure to borrow, convert, continue or prepay any Term Loan on the date specified in any notice delivered pursuant hereto (regardless of whether such notice may be revoked under Section 2.11(f) and is revoked in accordance therewith), or (d) the assignment of any SOFR Loan other than on the last day of the Interest Period applicable thereto as a result of a request by the Borrower pursuant to Section 2.19, then, in any such event, the Borrower shall compensate each Lender for the loss, cost and expense attributable to such event (but not lost profits). In the case of a SOFR Loan, such loss, cost or expense to any Lender shall be deemed to include an amount determined by such Lender to be the excess, if any, of (i) the amount of interest that would have accrued on the principal amount of such Loan had such event not occurred, at Term SOFR that would have been applicable to such Loan, for the period from the date of such event to the last day of the then current Interest Period therefor (or, in the case of a failure to borrow, convert or continue, for the period that would have been the Interest Period for such Loan), over (ii) the amount of interest that would accrue on such principal amount for such period at the interest rate that such Lender would bid were it to bid, at the commencement of such period, for dollar deposits of a comparable amount and period from other banks in the SOFR market. A certificate of any Lender setting forth any amount or amounts that such Lender is entitled to receive pursuant to this Section 2.16 shall be delivered to the Borrower and shall be conclusive absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate within 10 days after receipt thereof. Notwithstanding the foregoing, no additional amounts shall be due and payable pursuant to this Section 2.16 to the extent that on the relevant due date the Borrower deposits in a Prepayment Account an amount equal to any payment of SOFR Loans otherwise required to be made on a date that is not the last day of the applicable Interest Period; provided that on the last day of the applicable Interest Period, the Administrative Agent shall be authorized, without any further action by or notice to or from the Borrower or any other Loan Party, to apply such amount to the prepayment of such SOFR Loans. For purposes of this Agreement, the term "Prepayment Account" shall mean a non-interest bearing account established by the Borrower with the Administrative Agent and over which the Administrative Agent shall have exclusive dominion and control, including the right of withdrawal for application in accordance with this Section 2.16.

SECTION 2.17. Taxes.

(a) Any and all payments by or on account of any obligation of any Loan Party hereunder or under any other Loan Document shall be made free and clear of and without deduction or withholding for any Taxes, except as required by applicable law. If any applicable law (as determined in the good faith discretion of an applicable withholding agent) requires the deduction or withholding of any Tax from any such payment by a withholding agent, then the applicable withholding agent shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law and, if such Tax is an Indemnified Tax or Other Tax, then the sum payable by the Borrower shall be increased as necessary so that after such deduction or withholding has been made (including such deductions and withholdings applicable to additional sums payable under this Section 2.17) the applicable Recipient receives an amount equal to the sum it would have received had no such deduction or withholding been made.

(b) Without duplication of other amounts paid by any Loan Party under this Section 2.17, the applicable Loan Party shall pay any Other Taxes to the relevant Governmental Authority in accordance with applicable law.

(c) The applicable Loan Party shall indemnify the Administrative Agent and each Lender within 30 days after written demand therefor, for the full amount of any Indemnified Taxes or Other Taxes paid by the Administrative Agent or such Lender, as applicable, on or with respect to any payment by or on account of any obligation of such Loan Party hereunder or under any other Loan Document (including Indemnified Taxes or Other Taxes imposed or asserted on or attributable to amounts payable under this Section 2.17), whether or not such Indemnified Taxes or Other Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Borrower by a Lender (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

(d) Each Lender shall severally indemnify the Administrative Agent, within ten (10) days after demand therefor, for (i) any Indemnified Taxes or Other Taxes attributable to such Lender (but only to the extent that the Loan Parties have not already indemnified the Administrative Agent for such Indemnified Taxes or Other Taxes and without limiting or expanding the obligation of the Loan Parties to do so), (ii) any Taxes attributable to such Lender's failure to comply with the provisions of Section 9.04(e) relating to the maintenance of a Participant Register and (iii) any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by the Administrative Agent in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable by the Administrative Agent to the Lender from any other source against any amount due to the Administrative Agent under this paragraph (d).

(e) As soon as practicable after any payment of Indemnified Taxes or Other Taxes by any Loan Party to a Governmental Authority, such Loan Party shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, if any, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(f) Status of Lenders.

(i) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document shall deliver to the Borrower and the Administrative Agent, at the time or times reasonably requested by the Borrower or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Borrower or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Borrower or the Administrative Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and

submission of such documentation (other than such documentation set forth in this Section 2.17(f)(ii)(1), (ii)(2) and (ii)(4) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Without limiting the generality of the foregoing,

(1) any Lender that is a U.S. Person shall deliver to the Borrower and the Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed copies of IRS Form W-9 certifying that such Lender is not subject to U.S. federal backup withholding tax;

(2) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), whichever of the following is applicable:

(A) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Loan Document, executed copies of IRS Form W-8BEN or W-8BEN-E establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "interest" article of such tax treaty and (y) with respect to any other applicable payments under any Loan Document, IRS Form W-8BEN or W-8BEN-E establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "business profits" or "other income" article of such tax treaty;

(B) executed copies of IRS Form W-8ECI;

(C) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate substantially in the form of Exhibit I-1 to the effect that such Foreign Lender is not a "bank" within the meaning of Section 881(c)(3)(A) of the Code, a "10 percent shareholder" of the Borrower within the meaning of Section 881(c)(3)(B) of the Code, or a "controlled foreign corporation" related to the Borrower as described in Section 881(c)(3)(C) of the Code (a "U.S. Tax Compliance Certificate") and (y) executed copies of IRS Form W-8BEN or W-8BEN-E; or

(D) to the extent a Foreign Lender is not the beneficial owner, executed copies of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN or W-8BEN-E, a U.S. Tax Compliance Certificate substantially in the form of Exhibit I-2 or Exhibit I-3, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that if the Foreign Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit I-4 on behalf of each such direct and indirect partner;

(3) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed copies of any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit the Borrower or the Administrative Agent to determine the withholding or deduction required to be made; and

(4) if a payment made to a Lender under any Loan Document would be subject to

U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (4), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification, provide such successor form, or promptly notify the Borrower and the Administrative Agent in writing of its legal inability to do so.

(g) On or before the date the Administrative Agent becomes a party to this Agreement, the Administrative Agent shall provide to the Borrower, two duly-signed, properly completed copies of the documentation prescribed in clause (i) or (ii) below, as applicable (together with all required attachments thereto): (i) IRS Form W-9 or any successor thereto, or (ii) (A) IRS Form W-8ECI or any successor thereto, and (B) with respect to payments received on account of any Lender, a U.S. branch withholding certificate on IRS Form W-8IMY or any successor thereto evidencing its agreement with the Borrower to be treated as a U.S. Person for U.S. federal withholding purposes. At any time thereafter, the Administrative Agent shall provide updated documentation previously provided (or a successor form thereto) when any documentation previously delivered has expired or become obsolete or invalid or otherwise upon the reasonable request of the Borrower.

(h) If any party determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified (including by payment of additional amounts) pursuant to this Section 2.17, it shall pay over such refund to the indemnifying party (but only to the extent of indemnity payments made, or additional amounts paid, by the indemnifying party under this Section 2.17 with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund), provided that the indemnifying party, upon the request of the indemnified party, agrees to repay the amount paid over to the indemnifying party pursuant to this paragraph (h) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the indemnified party in the event the indemnified party is required to repay such refund to

such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (h), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this paragraph (h) the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This Section paragraph (h) shall not be construed to require any indemnified party to make available its tax returns (or any other information relating to its taxes that it deems confidential) to the indemnifying party or any other Person.

(i) Failure or delay on the part of any Lender or the Administrative Agent to demand compensation pursuant to the foregoing provisions of this Section 2.17 shall not constitute a waiver of such Lender's or Administrative Agent's right to demand such compensation, provided that the Borrower shall not be required to compensate a Lender or the Administrative Agent pursuant to the foregoing provisions of Section 2.17 for any Taxes or related costs suffered more than 270 days prior to the date that such Lender or the Administrative Agent notifies the Borrower of the event giving rise to such claim and of such Lender's or the Administrative Agent's intention to claim compensation therefor (except that, if the circumstance giving rise to such demand for compensation is retroactive, then the 270-day period referred to above shall be extended to include the period of retroactive effect thereof).

(j) Each party's obligations under this Section 2.17 shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all obligations under any Loan Document.

(k) Borrower and each Lender acknowledge and agree that, for U.S. federal and other applicable income tax purposes, the Term Loans have original issue discount ("OID") within the meaning of Section 1272 of the Code, and shall not be treated as "contingent payment debt instruments" as defined pursuant to Treasury Regulation Section 1.1275-4. Information regarding the amount of any OID, the issue price, the issue date and the yield to maturity of the Term Loans may be obtained by writing to the Borrower at the address specified in Section 9.01. Neither Borrower nor any Lender shall take any tax position inconsistent with this Section 2.17(k) unless otherwise required by the final determination of a tax authority following a tax audit or examination.

SECTION 2.18. Payments Generally; Pro Rata Treatment; Sharing of Setoffs.

(a) The Borrower shall make each payment required to be made by it hereunder or under any other Loan Document (whether of principal, interest or fees (including any Make Whole/Prepayment Fee Amount), or of amounts payable under Section 2.15, 2.16 or 2.17, or otherwise) at or prior to the time expressly required hereunder or under such other Loan Document for such payment (or, if no such time is expressly required, prior to 2:00 p.m., New York City time), on the date when due, in immediately available funds, without setoff or counterclaim. Any amounts received after such time on any date may, in the discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All such payments shall be made to the Administrative Agent at its offices at the account as most recently designated in writing for the receipt of such payments, except that payments pursuant to Sections 2.15, 2.16, 2.17 and 9.03 shall be made directly to the Persons entitled thereto and payments pursuant to other Loan Documents shall be made to the Persons specified therein. The Administrative Agent shall distribute any such payments received by it for the account of any other Person to the appropriate recipient promptly following receipt thereof. If any payment under any Loan Document shall be due on a day that is not a Business Day, the date for payment shall be extended to the next succeeding Business Day, and, in the case of any payment accruing interest, interest thereon shall be payable for the period of such extension. All payments under each Loan Document shall be made in dollars.

(b) If at any time insufficient funds are received by and available to the Administrative Agent to pay fully all amounts of principal, interest and fees then due hereunder, such funds shall be applied (i) first, towards payment of interest and fees then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of interest and fees then due to such parties, and (ii) second, towards payment of principal then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of principal then due to such parties.

(c) [Reserved].

(d) Unless the Administrative Agent shall have received notice from the Borrower prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders hereunder that the Borrower will not make such payment, the Administrative Agent may assume that the Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption and in its sole discretion, distribute to the Lenders the amount due. In such event, if the Borrower has not in fact made such payment, then each of the Lenders severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.

(e) If any Lender shall fail to make any payment required to be made by it pursuant to Section 2.06, 2.18(d) or 9.03(c), then the Administrative Agent may, in its discretion (notwithstanding any contrary provision hereof), apply any amounts thereafter received by the Administrative Agent for the account of such Lender to satisfy such Lender's obligations under such Sections until all such unsatisfied obligations are fully paid.

(f) Notwithstanding any contrary provision set forth herein or in any other Loan Document, (i) during the continuance of an Event of Default, the Administrative Agent may, and shall upon the direction of Required Lenders apply any and all payments received by the Administrative Agent in respect of any Obligation in accordance with clauses first through sixth below; and (ii) all payments made by Loan Parties to the Administrative Agent after any or all of the Obligations under the Loan Documents have been accelerated (so long as such acceleration has not been rescinded) or have otherwise matured, including proceeds of Collateral, shall be applied as follows:

(i) first, to payment of costs, expenses and indemnities of the Administrative Agent payable or reimbursable by the Loan Parties under the Loan Documents;

(ii) second, to payment of costs, expenses and indemnities of Lenders payable or reimbursable by the Loan Parties under this Agreement;

(iii) third, to payment of all accrued unpaid interest on the Obligations and fees owed to the Administrative Agent and the Lenders (whether or not accruing after the filing of any case under the Bankruptcy Code with respect to any Obligations and whether or not a claim for such post-filing or post-petition interest, fees, and charges is allowed or allowable in any such proceeding);

(iv) fourth, to payment of principal of the Obligations (including any Make Whole/Prepayment Fee Amount) then due and payable to the extent not then due and payable;

(v) fifth, to payment of any other amounts owing constituting Obligations; and

(vi) sixth, any remainder shall be for the account of and paid to whoever may be lawfully entitled thereto.

In carrying out the foregoing, (i) amounts received shall be applied to each category in the numerical order provided until exhausted prior to the application to the immediately succeeding category, (ii) each of the Lenders or other Persons entitled to payment shall receive an amount equal to its pro rata share of amounts available to be applied pursuant to clauses third, fourth and fifth above and (iii) no payments by a Guarantor and no proceeds of Collateral of a Guarantor shall be applied to Obligations, the guaranty of which by such Guarantor would constitute an Excluded Swap Obligation. Notwithstanding the foregoing, obligations in respect of Swap Agreements with parties that are not Affiliates of the Administrative Agent shall be excluded from the application described above unless at least three Business Days prior to any distribution, the Administrative Agent has received written notice from the applicable Credit Party (or its Affiliate) of the amount of Obligations in respect of Swap Agreements or then due and payable, together with such supporting documentation as Agent may request.

SECTION 2.19. Mitigation Obligations; Replacement of Lenders.

(a) If any Lender requests compensation under Section 2.15, or if the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17, then such Lender shall use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 2.15 or 2.17, as applicable, in the future and (ii) would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender. The Borrower hereby agrees to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

(b) If (i) any Lender requests compensation under Section 2.15, or if the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17, or (ii) any Lender becomes a Defaulting Lender, then the Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 9.04), all its interests, rights and obligations under this Agreement to an assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment), provided that (i) the Borrower shall have received the prior written consent of the Administrative Agent, which consent shall not unreasonably be withheld, (ii) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder, from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts) and (iii) in the case of any such assignment resulting from a claim for compensation under Section 2.15

or payments required to be made pursuant to Section 2.17, such assignment will result in a material reduction in such compensation or payments. A Lender shall not be required to make any such assignment and delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrower to require such assignment and delegation cease to apply.

ARTICLE III

Representations and Warranties

The Borrower represents and warrants to the Lenders that:

SECTION 3.01. Organization; Power. Each of the Borrower and the Subsidiaries (a) is duly organized or formed, validly existing and in good standing under the laws of the jurisdiction of its incorporation or organization, (b) has the power and authority and all governmental rights, qualifications, approvals, authorizations, permits, accreditations, licenses and franchises material to the business of the Borrower and the Subsidiaries taken as a whole that are necessary to own its assets, to carry on its business as now conducted and as proposed to be conducted and, in the case of the Loan Parties, to execute, deliver and perform its obligations under each Loan Document to which it is a party and (c) except where the failure to do so, individually or in the aggregate, is not reasonably likely to result in a Material Adverse Effect, is qualified to do business in, and is in good standing in, every jurisdiction where such qualification is required.

SECTION 3.02. Authorization; Enforceability. The Transactions to be entered into by each Loan Party have been duly authorized by all necessary corporate or other action and, if required, stockholder action. This Agreement has been duly executed and delivered by the Borrower and constitutes, and each other Loan Document to which any Loan Party is to be a party, when executed and delivered by such Loan Party, will constitute, a legal, valid and binding obligation of the Borrower or such Loan Party, as applicable, enforceable in accordance with its terms, subject to applicable bankruptcy, insolvency, reorganization, moratorium or other laws affecting creditors' rights generally and subject to general principles of equity, regardless of whether considered in a proceeding in equity or at law.

SECTION 3.03. Governmental Approvals; No Conflicts. Except as set forth in Schedule 3.03 the Transactions (a) do not require any consent or approval of, registration or filing with, or any other action by, any Governmental Authority, except such as have been obtained or made and are in full force and effect and except those that are required or permitted to be obtained following consummation of the Transactions, the absence of which individually or in the aggregate are not reasonably likely to result in a Material Adverse Effect and filings necessary to perfect Liens created under the Loan Documents, (b) will not violate any Requirement of Law applicable to the Borrower or any of the Subsidiaries, as applicable, (c) will not violate or result in a default under any indenture or other material agreement or instrument binding upon the Borrower or any of the Subsidiaries or any of their assets, or give rise to a right thereunder to require any payment to be made by the Borrower or any of the Subsidiaries or give rise to a right of, or result in, termination, cancellation or acceleration of any material obligation thereunder, (d) will not result in the creation or imposition of any Lien on any asset of the Borrower or any of the Subsidiaries, except Liens created under the Loan Documents and (e) will not violate any judgment, order, decree or injunction that is binding upon any Loan Party or any of their respective properties.

SECTION 3.04. Financial Condition; No Material Adverse Change; Projections; No Default.

(a) The Borrower has heretofore furnished to the Lenders the Annual Financial Statements. Such Annual Financial Statements present fairly, in all material respects, the financial position and results of operations and cash flows of the Borrower and the Subsidiaries as of such dates and for such periods in accordance with GAAP consistently applied.

(b) The Borrower has heretofore furnished to the Lenders the Pro Forma Financial Statements. Such Pro Forma Financial Statements have been prepared in good faith by the Borrower.

(c) Except for (i) liabilities reflected in or reserved against in the financial statements referred to above or the notes thereto, (ii) liabilities incurred in the ordinary course of business and (iii) liabilities incurred in connection with the Transactions, after giving effect to the Transactions, none of the Borrower or the Subsidiaries has, as of the Effective Date, any liabilities that are, individually or in the aggregate, reasonably likely to result in a Material Adverse Effect.

(d) No event, change, condition or state of facts has occurred that has resulted in, or is reasonably likely to result in, individually or in the aggregate, a Material Adverse Effect since June 30, 2022.

(e) The Projections have been prepared in good faith based upon assumptions believed by the Borrower to be reasonable at the time furnished, it being recognized by the Agents and the Lenders that such Projections as to future events are not to be viewed as facts and that actual results during the period or periods covered by any such Projections may differ from the projected results and such differences may be material.

(f) No Default or Event of Default exists or would immediately result from the incurrence by any Loan Party of any Indebtedness hereunder or under any other Loan Document.

(g) As of the Effective Date, the Borrower and its Subsidiaries have no Indebtedness other than the Google Note and Indebtedness set forth in Schedule 6.01(iii).

(h) As of the Effective Date, other than the Loan Documents, the Borrower and its Subsidiaries are not party to any agreement or other arrangement that prohibits, restricts or imposes any condition upon (i) the ability of the Borrower or any Subsidiary to create, incur or permit to exist any Lien upon any of its property or assets or (ii) the ability of any Subsidiary to make Investments or to pay dividends or other distributions with respect to any shares of its capital stock or to make or repay loans or advances to the Borrower or any Subsidiary or to Guarantee Indebtedness of the Borrower or any other Subsidiary. The foregoing sentence shall not apply to restrictions and conditions (A) imposed by law or by any Loan Document, (B) existing on the Effective Date and identified on Schedule 6.10 (but shall apply to any extension or renewal of, or any amendment or modification expanding the scope of, any such restriction or condition unless such amendment is not otherwise prohibited by Section 6.11), (C) contained in agreements relating to the sale of a Subsidiary pending such sale, provided such restrictions and conditions apply only to the Subsidiary that is to be sold and such sale is permitted hereunder, (D) imposed by any customary provisions restricting assignment of any agreement entered into the ordinary course of business, (E) imposed by any instrument or agreement governing Indebtedness of a Subsidiary acquired by the Borrower or any of the Subsidiaries as in effect at the time of such acquisition (except to the extent such Indebtedness was incurred in connection with or in contemplation of such acquisition),

which encumbrance or restriction is not applicable to any Person, or the properties or assets of any such Person, other than the Person or any of its Subsidiaries, so acquired (provided that such Indebtedness was permitted by Section 6.01 to be incurred), (F) imposed by any instrument or agreement governing Indebtedness of the Borrower or any Subsidiary that is incurred or issued subsequent to the Effective Date and is permitted pursuant to Section 6.01 (provided that the restrictions in such Indebtedness are not materially more restrictive in the aggregate than the restrictions contained in this Agreement) and (G) solely with respect to clause (i), customary provisions in leases restricting the assignment thereof.

SECTION 3.05. Properties.

(a) Each of the Borrower and the Subsidiaries has good title to, or valid leasehold interests in, all its real and personal property material to its business, free and clear of all Liens, except for Liens expressly permitted pursuant to Section 6.02.

(b) Each of the Borrower and the Subsidiaries owns, licenses or possesses the right to use all trademarks, trade names, copyrights, patents and other intellectual property material to its business, and the use thereof by the Borrower and the Subsidiaries does not, to the knowledge of the Borrower, infringe upon the rights of any other Person.

(c) Schedule 3.05 sets forth the address of each real property owned, leased or otherwise held by any of the Loan Parties as of the Effective Date after giving effect to the Transactions.

(d) No Mortgage encumbers improved real property that is located in an area that has been identified by the Secretary of Housing and Urban Development as an area having special flood hazards within the meaning of the National Flood Insurance Act of 1968 unless flood insurance available under such Act has been obtained in accordance with Section 5.07 unless waived by the Administrative Agent in its sole discretion.

SECTION 3.06. Litigation. Except as set forth on Schedule 3.06, there are no actions, suits or proceedings by or before any arbitrator or Governmental Authority pending against or, to the knowledge of the Borrower, threatened in writing against or affecting the Borrower or any Subsidiary that would reasonably be likely to, individually or in the aggregate, (i) result in a Material Adverse Effect or (ii) adversely affect in any material respect the ability of the Loan Parties to consummate the Transactions or the other transactions contemplated hereby.

SECTION 3.07. Compliance with Laws and Agreements. Except as set forth in Schedule 3.07, and as is not reasonably likely to result in, individually or in the aggregate, a Material Adverse Effect, each of the Borrower and the Subsidiaries is in compliance with all Requirements of Law (including all Health Care Laws and Public Health Laws) applicable to it or its property and all indentures, agreements and other instruments binding upon it or its property.

SECTION 3.08. Investment Company Status. No Loan Party is or is required to be registered as an "investment company" under the Investment Company Act of 1940.

SECTION 3.09. Taxes. Each of the Borrower and the Subsidiaries has filed or caused to be filed all Federal and other material Tax returns and reports required to have been filed and has paid or caused to be paid all Taxes required to have been paid by it, except (a) any Taxes that are being contested in good faith by appropriate proceedings and for which the Borrower or such Subsidiary, as applicable, has set aside on its books adequate reserves in accordance with GAAP or (b) to the extent that the failure to do so is not reasonably likely, individually or in the aggregate, to result in a Material Adverse Effect.

SECTION 3.10. ERISA. No ERISA Event has occurred, or is reasonably likely to occur that, when taken together with all other such ERISA Events for which liability is reasonably likely to occur, is reasonably likely to result in a Material Adverse Effect. The present value of all accumulated benefit obligations under each Plan did not, as of the date of the most recent financial statements reflecting such amounts, exceed the fair value of the assets of such Plan, except as would not reasonably be likely to result in a Material Adverse Effect.

SECTION 3.11. Reports. As of the Effective Date, none of the other written reports, financial statements, certificates or other written information furnished by or on behalf of any Loan Party to the Administrative Agent or any Lender in connection with the negotiation of this Agreement or any other Loan Document or delivered hereunder or thereunder (as modified or supplemented by other information so furnished and taken as a whole) contains any material misstatement of fact or omits to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, provided that the foregoing shall not apply to any projected financial information other than the projected financial information included in such information and with respect to such projected financial information, the Borrower represents only that such information was prepared in good faith based upon assumptions believed by it to be reasonable at the time delivered.

SECTION 3.12. Subsidiaries. As of the Effective Date, the Borrower does not have any subsidiaries other than the Subsidiaries listed on Schedule 3.12. Schedule 3.12 sets forth the name of, and the ownership or beneficial interest of the Borrower in, each Subsidiary and identifies whether such Subsidiary is a Subsidiary Loan Party.

SECTION 3.13. Insurance. Schedule 3.13 sets forth a description of all insurance maintained by or on behalf of the Borrower and the Subsidiaries as of the Effective Date. As of the Effective Date, all premiums in respect of such insurance have been paid. The Borrower believes that the insurance maintained by or on behalf of the Borrower and the Subsidiaries is adequate.

SECTION 3.14. Labor Matters. As of the Effective Date, there are no strikes, lockouts or slowdowns against the Borrower or any Subsidiary pending or, to the knowledge of the Borrower, threatened in writing. The hours worked by and payments made to employees of the Borrower or the Subsidiaries have not been in violation of the Fair Labor Standards Act or any other applicable Federal, state, local or foreign law dealing with such matters in any manner. All payments due from the Borrower or any Subsidiary, or for which any claim may be made against the Borrower or any Subsidiary, on account of wages and employee health and welfare insurance and other benefits, have been paid or accrued as a liability on the books of the Borrower or such Subsidiary. The consummation of the Transactions will not give rise to any right of termination or right of renegotiation on the part of any union under any collective bargaining agreement to which the Borrower or any Subsidiary is bound. Set forth on Schedule 3.14 is a list and description (including dates of termination) of all collective bargaining or similar agreements between or applicable to the Borrower or any of its Subsidiaries and any union, labor organization or other bargaining agent in respect of the employees of the Borrower or any of its Subsidiaries.

SECTION 3.15. Solvency. Immediately after the consummation of the Transactions to occur on the Effective Date, (a) the fair value of the assets of the Borrower, and its subsidiaries, on a consolidated basis, at fair valuation, exceeds, on a consolidated basis, their debts and liabilities, subordinated, contingent or otherwise, (b) the present fair saleable value of the property of the Borrower and its subsidiaries, on a consolidated basis, is greater than the amount that will be required to pay the probable liability, on a consolidated basis, of their debts and other liabilities, subordinated, contingent or otherwise, as such debts and other liabilities become absolute and matured, (c) the Borrower and its subsidiaries, on a consolidated basis, are able to pay their debts and liabilities, subordinated, contingent or otherwise, as such liabilities become absolute and matured and (d) the Borrower and its subsidiaries, on a consolidated basis, do not have unreasonably small capital with which to conduct the business in which they are engaged as such business is now conducted and is proposed to be conducted following the date hereof.

SECTION 3.16. Margin Regulations. The Borrower is not engaged nor will it engage, principally or as one of its important activities, in the business of purchasing or carrying margin stock (within the meaning of Regulation U issued by the Board), or extending credit for the purpose of purchasing or carrying margin stock, and no proceeds of any Borrowings will be used for any purpose that violates Regulation U.

SECTION 3.17. Patriot Act.

(a) Neither the Borrower nor any Subsidiary is in violation of any requirement of applicable Law relating to terrorism or money laundering ("Anti-Terrorism Laws"), including Executive Order No. 13224 on Terrorist Financing, effective September 24, 2001 (the "Executive Order"), and the Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism Act of 2001, Public Law 107-56 (the "USA Patriot Act").

(b) Neither the Borrower nor any Subsidiary nor, to the knowledge of the Borrower, any broker or other agent of the Borrower or any of its Subsidiaries acting or benefiting in any capacity in connection with the Loans is any of the following:

(i) a Person that is listed in the annex to, or is otherwise subject to the provisions of, the Executive Order;

(ii) a Person owned or controlled by, or acting for or on behalf of, any Person that is listed in the annex to, or is otherwise subject to the provisions of, the Executive Order;

(iii) a Person with which any Lender is prohibited from dealing or otherwise engaging in any transaction by any Anti-Terrorism Law;

(iv) a Person that commits, threatens or conspires to commit or supports "terrorism" as defined in the Executive Order; or

(v) a Person that is named as a "specially designated national and blocked person" on the most current list published by the U.S. Treasury Department Office of Foreign Assets Control ("OFAC") at its official website or any replacement website or other replacement official publication of such list.

(c) Neither the Borrower nor any of its Subsidiaries and, to the knowledge of the Borrower, no broker or other agent of the Borrower or any of its Subsidiaries acting in any capacity in connection with the Loans (i) conducts any business or engages in making or receiving any contribution of funds, goods or services to or for the benefit of any person described in Section 3.17(b) above in

violation of any Anti-Terrorism Law, (ii) deals in, or otherwise engages in any transaction relating to, any property or interests in property blocked pursuant to the Executive Order in violation of any Anti-Terrorism Law, or (iii) engages in or conspires to engage in any transaction that evades or avoids, or has the purpose of evading or avoiding, or attempts to violate, any of the prohibitions set forth in any Anti-Terrorism Law.

SECTION 3.18. Anti-Corruption Laws. The Borrower has implemented and maintains in effect policies and procedures reasonably designed to ensure compliance by the Borrower, its Subsidiaries, and their respective directors, officers, employees and agents with applicable Anti-Corruption Laws, and except as is not reasonably likely to result in, individually or in the aggregate, a Material Adverse Effect, the Borrower, its Subsidiaries and their respective officers and employees and to the knowledge of the Borrower, its directors and agents, are in compliance with Anti-Corruption Laws in all material respects. No part of the proceeds of any Loans hereunder will be used directly, by the Borrower or any Subsidiary or indirectly, to the knowledge of the Borrower, in order to obtain, retain or direct business or obtain any improper advantage, in violation of any Anti-Corruption Laws.

SECTION 3.19. Intellectual Property; Licenses, Etc. The Borrower and the Subsidiaries own, license or possess the right to use, all of the trademarks, service marks, trade names, domain names, copyrights, patents, patent rights, licenses, technology, software, know-how database rights, design rights and other intellectual property rights (collectively, "IP Rights") that are reasonably necessary for the operation of their respective businesses as currently conducted, and, without conflict with the rights of any Person, except to the extent such conflicts, either individually or in the aggregate, are not reasonably likely to result in a Material Adverse Effect. The Borrower and the Subsidiaries in the operation of their respective businesses as currently conducted do not infringe upon any rights held by any Person except for such infringements, individually or in the aggregate, which are not reasonably likely to result in a Material Adverse Effect. No claim or litigation regarding any of the IP Rights, owned by the Borrower or the Subsidiaries is pending or, to the knowledge of the Borrower, threatened against the Borrower or any Subsidiary in which the amount of damages claimed is $2,500,000 or more.

Except pursuant to licenses and other user agreements entered into by the Borrower or any Subsidiary in the ordinary course of business, on and as of the date hereof (i) each such Person owns and possesses the right to use, and has done nothing to authorize or enable any other Person to use, any copyright, patent or trademark listed in Section 10(a), 10(b) or 10(c) of the Perfection Certificate and (ii) all registrations listed in Section 10(c) of the Perfection Certificate are valid and in full force and effect, except, in each case, to the extent failure to own or possess such right to use or of such registrations to be valid and in full force and effect is not reasonably likely, individually or in the aggregate, to result in a Material Adverse Effect.

SECTION 3.20. [Reserved].

SECTION 3.21. Environmental Compliance.

(a) Except with respect to any matters that have been resolved in compliance with Environmental Law or that, individually or in the aggregate, are not reasonably likely to result in a Material Adverse Effect, (i) neither the Borrower nor any Subsidiary has failed to comply with any Environmental Law or to obtain, maintain or comply with any required Environmental Permit or to provide any notification required under any Environmental Law or has become subject to any Environmental Liability, and (ii) neither the Borrower nor any Subsidiary has received any written notice of any claims, actions, suits, or proceedings alleging potential liability or violation of, any Environmental Law, and to Borrower's knowledge no such claims, actions, suits or proceedings are threatened.

(b) Except as not reasonably likely to result in, individually or in the aggregate, a Material Adverse Effect, (i) none of the properties currently or formerly owned, leased or operated by the Borrower or any of the Subsidiaries is listed or proposed for listing on the NPL or on the CERCLIS or any analogous foreign, state or local list; (ii) there are no underground storage tanks or surface impoundments, septic tanks, pits, sumps or lagoons in which Hazardous Materials are being or have been treated, stored or disposed on any property currently owned, leased or operated by the Borrower or any of the Subsidiaries, or, to the Borrower's knowledge, on any property formerly owned or operated by the Borrower or any of its Subsidiaries; (iii) there is no asbestos or asbestos-containing material in violation of Environmental Law at or on any facility, equipment or property currently owned or operated by the Borrower or any of the Subsidiaries; and (iv) to the Borrower's knowledge, there has been no Release of Hazardous Materials by any Person on any property currently or formerly owned, leased or operated by the Borrower or any of the Subsidiaries and there has been no Release of Hazardous Materials by the Borrower or any of the Subsidiaries at any other location.

(c) To the Borrower's knowledge, the properties owned, leased or operated by the Borrower or the Subsidiaries do not contain any Hazardous Materials in amounts or concentrations which (i) constitute, or constituted a violation of, or (ii) require remedial action under, Environmental Laws, which violations and remedial actions, individually or in the aggregate, are reasonably likely to result in a Material Adverse Effect.

(d) Neither the Borrower nor any Subsidiary are conducting or financing, either individually or together with other potentially responsible parties, any investigation or assessment or remedial or response action relating to any actual or threatened Release of Hazardous Materials at any site, location or operation, either voluntarily or pursuant to the order of any Governmental Authority or the requirements of any Environmental Law except for such investigation or assessment or remedial or response action that, individually or in the aggregate, is not reasonably likely to result in a Material Adverse Effect.

(e) To the Borrower's knowledge, all Hazardous Materials generated, used, treated, handled or stored at, or transported to or from, any property currently or formerly owned or operated by the Borrower, or any Subsidiary have been disposed of in a manner compliant with Environmental Law, except to the extent not reasonably likely to result in, individually or in the aggregate, a Material Adverse Effect.

(f) Except for environmental provisions contained within leases executed by Borrower or any Subsidiary, and except as would not be reasonably likely to result in, individually or in the aggregate, a Material Adverse Effect, neither the Borrower nor any Subsidiary has contractually assumed any liability or obligation under or relating to any Environmental Law.

SECTION 3.22. Health Care Regulatory Matters.

(a) As of the Effective Date, each Loan Party is in compliance with, and is conducting and, for the six years preceding the Effective Date, has conducted its respective business and operations in compliance with, the requirements of all Health Care Laws and Public Health Laws, except for such non-compliance which, individually or in the aggregate, is not reasonably likely to result in a Material Adverse Effect.

(b) The Borrower and its Subsidiaries have all Registrations issued or supervised by any Public Health Regulatory Agency or other Governmental Authority required to conduct their respective businesses as currently conducted, except where the failure to have all such Registrations could not reasonably be expected to, individually or in the aggregate, result in Material Regulatory Liabilities. Each of such Registrations is valid and subsisting in full force and effect, except where the failure to be so could not reasonably be expected to, individually or in the aggregate, result in Material Regulatory Liabilities. To the knowledge of the Borrower and its Subsidiaries, none of any Public Health Regulatory Agency or any other Governmental Authority is considering limiting, suspending, or revoking such party's submission to any Public Health Regulatory Agency or any other Governmental Authority; provided, that, in each case of the foregoing clauses, where such false or misleading information or omissions could not reasonably be expected to, individually or in the aggregate, result in Material Regulatory Liabilities and excluding any material limitations or omissions that were clearly disclosed to the recipient of a listed item. The Borrower and its Subsidiaries have not failed to fulfill and perform their obligations which are due under each Registration held by or licensed to them, and no event has occurred or condition or state of facts exists which would constitute a breach or default under any such Registration, in each case that would reasonably be expected to cause Material Regulatory Liabilities. To the knowledge of the Borrower and its Subsidiaries, any third party that is a manufacturer or contractor for the Borrower and its Subsidiaries is in compliance with all Registrations from any Public Health Regulatory Agency and any other Governmental Authority insofar as they pertain to the manufacture of product components or products or the analysis or generation of data for the Borrower and its Subsidiaries, except where the failure to so be in compliance would not reasonably be expected to, individually or in the aggregate, result in Material Regulatory Liabilities.

(c) All products developed, manufactured, tested, distributed, marketed, or sold by or on behalf of the Borrower and its Subsidiaries that are subject to the jurisdiction of any Public Health Regulatory Agency or any other Governmental Authority (x) have been and are being developed, tested, manufactured, investigated, distributed, marketed, and sold in compliance with the applicable Public Health Laws or any other applicable Law, including, without limitation and to the extent applicable, in material compliance with any pre-market notification or pre-market approval requirements, good manufacturing practices, quality system requirements, labeling requirements, advertising requirements, record keeping requirements and adverse event reporting requirements, and (y) have been and are being tested, investigated, distributed, marketed, and sold in compliance with the applicable Public Health Laws or any other applicable Law, except, in each case of clauses (x) and (y), where such noncompliance would not reasonably be expected to, individually or in the aggregate, result in Material Regulatory Liabilities.

(d) The Borrower and its Subsidiaries have not received and are not subject to any administrative or regulatory action, warning letter, notice of violation letter, or other similar written notice, complaint or inquiry made by any Public Health Regulatory Agency or any other Governmental Authority asserting that the development, testing, investigation, manufacture, distribution, marketing or sale of the products of any Borrower or any of its Subsidiaries is not in compliance with any applicable law, except those noncompliance that could not reasonably be expected to, individually or in the aggregate, result in Material Regulatory Liabilities. To the extent applicable, (x) the Borrower and its Subsidiaries have made all notifications, submissions, and reports required by any such Governmental Authority, and (y) all such notifications, submissions and reports provided by the Borrower and its Subsidiaries were, to their knowledge, true, complete, and correct in all material respects as of the date of submission to any Public Health Regulatory Agency or any other Governmental Authority, except, where such failure to comply with (x) or (y) could not reasonably be expected to, individually or in the aggregate, result in Material Regulatory Liabilities.

(n) any Lien purported to be created under any Security Document for any reason (other than pursuant to the terms thereof including as a result of a transaction permitted under this Agreement) shall cease to be, or shall be asserted by any Loan Party not to be, a valid and perfected (if and to the extent required to be perfected under the Loan Documents) Lien on any material portion of the Collateral with the priority required by the applicable Security Document, except (i) as a result of the sale or other disposition of the applicable Collateral in a transaction permitted under the Loan Documents or (ii) as a result of the Administrative Agent's failure to maintain possession of any stock certificates, promissory notes or other instruments delivered to it under the Collateral Agreement;

SECTION 7.02. Right to Cure. Notwithstanding anything to the contrary contained in this Article 7, in the event that the Borrower fails to comply with the requirements of Section 6.12(b) as of the end of any relevant fiscal quarter, the Borrower shall have the right (the "Cure Right") (at any time during such fiscal quarter or thereafter until the date that is ten Business Days after the date on which the financial statements for such quarter were required to have been delivered in accordance with Section 5.01(b)), to issue Equity Interests for cash or otherwise receive cash contributions to its equity for such Equity Interests (the "Cure Amount"), the proceeds of which shall be required to prepay outstanding Term Loan Borrowings in accordance with Section 2.11(d), and thereupon the Borrower's compliance with Section 6.12(b) shall be recalculated giving effect to the following pro forma adjustments: (i) Revenue shall be increased, solely for the purposes of determining compliance with Section 6.12(b), including determining compliance with Section 6.12(b) as of the end of such fiscal quarter and applicable subsequent periods that include such fiscal quarter by an amount equal to the Cure Amount and (ii) if, after giving effect to the foregoing recalculations, the requirements of Section 6.12(b) shall be satisfied, then the requirements of Section 6.12(b) shall be deemed satisfied as of the end of the relevant fiscal quarter with the same effect as though there had been no failure to comply therewith at such date, and the applicable breach or default of Section 6.12(b) that had occurred shall be deemed cured for the purposes of this Agreement. ARTICLE VIII

The Agents

SECTION 8.01. Appointment. Each Lender hereby irrevocably designates and appoints the Administrative Agent as the agent of such Lender under this Agreement and the other Loan Documents, and each such Lender irrevocably authorizes the Administrative Agent, in such capacity, to take such action on its behalf under the provisions of this Agreement and the other Loan Documents and to exercise such powers and perform such duties as are expressly delegated to the Administrative Agent by the terms of this Agreement and the other Loan Documents, together with such other powers as are reasonably incidental thereto. The Lenders hereby authorize the Administrative Agent to enter into any intercreditor agreement or arrangement permitted under this Agreement and any such intercreditor agreement or arrangement is binding upon the Lenders. Notwithstanding any provision to the contrary elsewhere in this Agreement, the Administrative Agent shall not have any duties or responsibilities, except those expressly set forth herein, or any fiduciary relationship with any Lender, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Loan Document or otherwise exist against the Administrative Agent.

SECTION 8.02. The Administrative Agent. The Administrative Agent may execute any of its duties under this Agreement and the other Loan Documents and exercise its rights and powers hereunder or under any other Loan Document by or through agents, sub-agents or attorneys-in-fact and shall be entitled to advice of counsel concerning all matters pertaining to such duties. The Administrative Agent shall not be responsible for the negligence or misconduct of any agents, sub-agents or attorneys in-fact selected by it with reasonable care. The Administrative Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Related Parties. The exculpatory provisions of this Article VIII shall apply to any such sub-agent and to the Related Parties of the Administrative Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent.

SECTION 8.03. Exculpatory Provisions. Neither any Agent nor any of their respective officers, directors, employees, agents, advisors, attorneys-in-fact or affiliates shall be (i) liable for any action lawfully taken or omitted to be taken by it or such Person under or in connection with this Agreement or any other Loan Document (except to the extent that any of the foregoing are found by a final and nonappealable decision of a court of competent jurisdiction to have resulted from its or such Person's own gross negligence or willful misconduct) or (ii) responsible in any manner to any of the Lenders for any recitals, statements, representations or warranties made by any Loan Party or any officer thereof contained in this Agreement or any other Loan Document or in any certificate, report, statement or other document referred to or provided for in, or received by the Agents under or in connection with, this Agreement or any other Loan Document or for the value, validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Loan Document or for any failure of any

Loan Party a party thereto to perform its obligations hereunder or thereunder. The Agents shall not be under any obligation to any Lender to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other Loan Document, or to inspect the properties, books or records of any Loan Party. The Administrative Agent does not warrant, nor accept responsibility, nor shall the Administrative Agent have any liability with respect to the administration, submission or any other matter related to the rates in the definition of "SOFR", or "Term SOFR" or with respect to any comparable or successor rate thereto including, without limitation, whether the composition or characteristics of any such alternative, successor or replacement reference rate, as it may or may not be adjusted pursuant to Section 2.14, will be similar to, or produce the same value or economic equivalence of, Term SOFR.

SECTION 8.04. Reliance by Administrative Agent. The Administrative Agent shall be entitled to rely, and shall be fully protected in relying, upon any instrument, writing, resolution, notice, consent, certificate, affidavit, letter, telecopy or email message, statement, order or other document or conversation believed by it to be genuine and correct and to have been signed, sent or made by the proper Person or Persons and upon advice and statements of legal counsel (including counsel to the Borrower), independent accountants and other experts selected by the Administrative Agent. The Administrative Agent may deem and treat the payee of any Note as the owner thereof for all purposes unless a written notice of assignment, negotiation or transfer thereof shall have been filed with the Administrative Agent. The Administrative Agent shall be fully justified in failing or refusing to take any action under this Agreement or any other Loan Document unless it shall first receive such advice or concurrence of the Required Lenders (or, if so specified by this Agreement, all Lenders) as it deems appropriate or it shall first be indemnified to its satisfaction by the Lenders against any and all liability and expense that may be incurred by it by reason of taking or continuing to take any such action. The Administrative Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement and the other Loan Documents in accordance with a request of the Required Lenders (or, if so specified by this Agreement, all Lenders), and such request and any action taken or failure to act pursuant thereto shall be binding upon all the Lenders and all future holders of the Loans.

SECTION 8.05. Notice of Default. The Administrative Agent shall not be deemed to have knowledge or notice of the occurrence of any Default or Event of Default unless the Administrative Agent has received notice from a Lender or the Borrower referring to this Agreement, describing such Default or Event of Default and stating that such notice is a "notice of default". In the event that the Administrative Agent receives such a notice, the Administrative Agent shall give notice thereof to the Lenders. The Administrative Agent shall take such action with respect to such Default or Event of Default as shall be reasonably directed by the Required Lenders (or, if so specified by this Agreement, all Lenders); provided that unless and until the Administrative Agent shall have received such directions, the Administrative Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default or Event of Default as it shall deem advisable in the best interests of the Lenders.

SECTION 8.06. Non-Reliance on Agents and Other Lenders. Each Lender expressly acknowledges that neither the Agents nor any of their respective officers, directors, employees, agents, advisors, attorneys-in-fact or affiliates have made any representations or warranties to it and that no act by any Agent hereafter taken, including any review of the affairs of a Loan Party or any affiliate of a Loan Party, shall be deemed to constitute any representation or warranty by any Agent to any Lender. Each Lender represents to the Agents that it has, independently and without reliance upon any Agent or any other Lender, and based on such documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, operations, property, financial and other condition

and creditworthiness of the Loan Parties and their affiliates and made its own decision to make its Loans hereunder and enter into this Agreement. Each Lender also represents that it will, independently and without reliance upon any Agent or any other Lender, and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement and the other Loan Documents, and to make such investigation as it deems necessary to inform itself as to the business, operations, property, financial and other condition and creditworthiness of the Loan Parties and their affiliates. Except for notices, reports and other documents expressly required to be furnished to the Lenders by the Administrative Agent hereunder, the Administrative Agent shall not have any duty or responsibility to provide any Lender with any credit or other information concerning the business, operations, property, condition (financial or otherwise), prospects or creditworthiness of any Loan Party or any affiliate of a Loan Party that may come into the possession of the Administrative Agent or any of its respective officers, directors, employees, agents, advisors, attorneys-in-fact or affiliates.

SECTION 8.07. Indemnification. The Lenders agree to indemnify each Agent and its officers, directors, employees, affiliates, agents, advisors and controlling persons (each, an "Agent Indemnitee") (to the extent not reimbursed by the Borrower and without limiting the obligation of the Borrower to do so), ratably according to their respective Aggregate Exposure Percentages in effect on the date on which indemnification is sought under this Section (or, if indemnification is sought after the date upon which the Commitments shall have terminated and the Loans shall have been paid in full, ratably in accordance with such Aggregate Exposure Percentages immediately prior to such date), from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind whatsoever that may at any time (whether before or after the payment of the Loans) be imposed on, incurred by or asserted against such Agent Indemnitee in any way relating to or arising out of, the Commitments, this Agreement, any of the other Loan Documents or any documents contemplated by or referred to herein or therein or the transactions contemplated hereby or thereby or any action taken or omitted by such Agent Indemnitee under or in connection with any of the foregoing; provided that no Lender shall be liable for the payment of any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements that are found by a final and nonappealable decision of a court of competent jurisdiction to have resulted from such Agent Indemnitee's gross negligence or willful misconduct. The agreements in this Section shall survive the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder.

SECTION 8.08. Agent in Its Individual Capacity. Each Agent and its affiliates may make loans to, accept deposits from and generally engage in any kind of business with any Loan Party as though such Agent were not an Agent. With respect to its Loans made or renewed by it, each Agent shall have the same rights and powers under this Agreement and the other Loan Documents as any Lender and may exercise the same as though it were not an Agent, and the terms "Lender" and "Lenders" shall include each Agent in its individual capacity.

SECTION 8.09. Successor Administrative Agent. The Administrative Agent may resign as Administrative Agent upon 10 days' notice to the Lenders and the Borrower. If the Administrative Agent shall resign as Administrative Agent under this Agreement and the other Loan Documents, then the Required Lenders shall appoint from among the Lenders a successor agent for the Lenders, which successor agent shall (unless an Event of Default under Sections 7.01(a), 7.01(b), 7.01(h), 7.01(i) or 7.01(j) with respect to the Borrower shall have occurred and be continuing) be subject to approval by the Borrower (which approval shall not be unreasonably withheld, conditioned or delayed), whereupon such successor agent shall succeed to the rights, powers and duties of the Administrative Agent, and the term "Administrative Agent" shall mean such successor agent effective upon such appointment and approval,

and the former Administrative Agent's rights, powers and duties as Administrative Agent shall be terminated, without any other or further act or deed on the part of such former Administrative Agent or any of the parties to this Agreement or any holders of the Loans. If no successor agent has accepted appointment as Administrative Agent by the date that is 10 days following a retiring Administrative Agent's notice of resignation, the retiring Administrative Agent's resignation shall nevertheless thereupon become effective, and the Lenders shall assume and perform all of the duties of the Administrative Agent hereunder until such time, if any, as the Required Lenders appoint a successor agent as provided for above, provided, however, that any such successor agent receiving payments from the Loan Parties shall be a "U.S. person" and a "financial institution" within the meaning of Treasury Regulations Section 1.1441-1. After any retiring Administrative Agent's resignation as Administrative Agent, the provisions of this Section 8 and of Section 9.03 shall continue to inure to its benefit.

SECTION 8.10. Erroneous Payments.

(a) If the Administrative Agent (x) notifies a Lender or any Person who has received funds on behalf of a Lender (any such Lender or other recipient (and each of their respective successors and assigns), a "Payment Recipient") that the Administrative Agent has determined in its sole discretion (whether or not after receipt of any notice under immediately succeeding clause (b)) that any funds (as set forth in such notice from the Administrative Agent) received by such Payment Recipient from the Administrative Agent or any of its Affiliates were erroneously or mistakenly transmitted to, or otherwise erroneously or mistakenly received by, such Payment Recipient (whether or not known to such Lender or other Payment Recipient on its behalf) (any such funds, whether transmitted or received as a payment, prepayment or repayment of principal, interest, fees, distribution or otherwise, individually and collectively, an "Erroneous Payment") and (y) demands in writing the return of such Erroneous Payment (or a portion thereof), such Erroneous Payment shall at all times remain the property of the Administrative Agent pending its return or repayment as contemplated below in this Section 8.11 and held in trust for the benefit of the Administrative Agent, and such Lender shall (or, with respect to any Payment Recipient who received such funds on its behalf, shall cause such Payment Recipient to) promptly, but in no event later than two Business Days thereafter (or such later date as the Administrative Agent may, in its sole discretion, specify in writing), return to the Administrative Agent the amount of any such Erroneous Payment (or portion thereof) as to which such a demand was made, in same day funds (in the currency so received). A notice of the Administrative Agent to any Payment Recipient under this clause (a) shall be conclusive, absent manifest error.

(b) Without limiting immediately preceding clause (a), each Lender or any Person who has received funds on behalf of a Lender (and each of their respective successors and assigns), agrees that if it receives a payment, prepayment or repayment (whether received as a payment, prepayment or repayment of principal, interest, fees, distribution or otherwise) from the Administrative Agent (or any of its Affiliates) (x) that is in a different amount than, or on a different date from, that specified in this Agreement or in a notice of payment, prepayment or repayment sent by the Administrative Agent (or any of its Affiliates) with respect to such payment, prepayment or repayment, (y) that was not preceded or accompanied by a notice of payment, prepayment or repayment sent by the Administrative Agent (or any of its Affiliates), or (z) that such Lender or other such recipient, otherwise becomes aware was transmitted, or received, in error or by mistake (in whole or in part), then in each such case:

(i) it acknowledges and agrees that (A) in the case of immediately preceding clauses (x) or (y), an error and mistake shall be presumed to have been made (absent written confirmation from the Administrative Agent to the contrary) or (B) an error and mistake has been made (in the case of immediately preceding clause (z)), in each case, with respect to such payment, prepayment or repayment; and

(ii) such Lender shall use commercially reasonable efforts to (and shall use commercially reasonable efforts to cause any other recipient that receives funds on its respective behalf to) promptly (and, in all events, within one Business Day of its knowledge of the occurrence of any of the circumstances described in immediately preceding clauses (x), (y) and (z)) notify the Administrative Agent of its receipt of such payment, prepayment or repayment, the details thereof (in reasonable detail) and that it is so notifying the Administrative Agent pursuant to this Section 8.11(b).

(iii) For the avoidance of doubt, the failure to deliver a notice to the Administrative Agent pursuant to this Section 8.11(b) shall not have any effect on a Payment Recipient's obligations pursuant to Section 8.11(a) or on whether or not an Erroneous Payment has been made.

(c) Each Lender hereby authorizes the Administrative Agent to set off, net and apply any and all amounts at any time owing to such Lender under any Loan Document, or otherwise payable or distributable by the Administrative Agent to such Lender under any Loan Document with respect to any payment of principal, interest, fees or other amounts, against any amount that the Administrative Agent has demanded to be returned under immediately preceding clause (a).

(d) The parties hereto agree that (x) irrespective of whether the Administrative Agent may be equitably subrogated, in the event that an Erroneous Payment (or portion thereof) is not recovered from any Payment Recipient that has received such Erroneous Payment (or portion thereof) for any reason, the Administrative Agent shall be subrogated to all the rights and interests of such Payment Recipient (and, in the case of any Payment Recipient who has received funds on behalf of a Lender, to the rights and interests of such Lender) under the Loan Documents with respect to such amount (the "Erroneous Payment Subrogation Rights") and (y) an Erroneous Payment shall not pay, prepay, repay, discharge or otherwise satisfy any Obligations owed by the Borrower; provided that this Section 8.11 shall not be interpreted to increase (or accelerate the due date for), or have the effect of increasing (or accelerating the due date for), the Obligations of the Borrower relative to the amount (or timing for payment) of the Obligations that would have been payable had such Erroneous Payment not been made by the Administrative Agent; provided, further, that for the avoidance of doubt, immediately preceding clauses (x) and (y) shall not apply to the extent any such Erroneous Payment is, and solely with respect to the amount of such Erroneous Payment that is, comprised of funds received by the Administrative Agent from, or on behalf of (including through the exercise of remedies under any Loan Document), the Borrower for the purpose of a payment on the Obligations.

(e) To the extent permitted by applicable law, no Payment Recipient shall assert any right or claim to an Erroneous Payment, and hereby waives, and is deemed to waive, any claim, counterclaim, defense or right of set-off or recoupment with respect to any demand, claim or counterclaim by the Administrative Agent for the return of any Erroneous Payment received, including, without limitation, any defense based on "discharge for value" or any similar doctrine.

Each party's obligations, agreements and waivers under this Section 8.11 shall survive the resignation or replacement of the Administrative Agent, any transfer of rights or obligations by, or the replacement of, a Lender, the termination of the applicable Commitments or the repayment, satisfaction or discharge of all Obligations (or any portion thereof) under any Loan Document.

(iii) if to any other Lender, to it at its address (or telecopy number) set forth in its Administrative Questionnaire.

(b) Notices and other communications to the Lenders hereunder may be delivered or furnished by electronic communications pursuant to procedures approved by the Administrative Agent provided that the foregoing shall not apply to notices to any Lender pursuant to Article II or of a Default if such Lender has notified the Administrative Agent that it is incapable of receiving notices under such Article by electronic communication and provided that the Administrative Agent shall in any event also receive hard copies of the notices described in this proviso and, to the extent requested, any other documents delivered electronically under this Agreement. The Administrative Agent or the Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it, provided that approval of such procedures may be limited to particular notices or communications. All such notices and other communications (i) sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement); provided that if not given during the normal business hours of the recipient, such notice or communication shall be deemed to have been given at the opening of business on the next Business Day for the recipient, and (ii) posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing clause (i) of any required notification that such notice or communication is available and identifying the website address therefor.

(c) Any party hereto may change its address or telecopy number for notices and other communications hereunder by notice to the Administrative Agent (and, in the case of the Administrative Agent, by written notice to the Borrower). All notices and other communications given to any party hereto in accordance with the provisions of this Agreement shall be deemed to have been given as follows: notices sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received; notices sent by telecopier (with a send successful notice) shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next business day for the recipient).

SECTION 9.02. Waivers; Amendments.

(a) No failure or delay by the Administrative Agent, the Collateral Agent or any Lender in exercising any right or power hereunder or under any other Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Administrative Agent, the Collateral Agent and the Lenders hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of any Loan Document or consent to any departure by any Loan Party therefrom shall in any event be effective unless the same shall be permitted by Section 9.02(b), and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, the making of a Loan shall not be construed as a waiver of any Default, regardless of whether the Administrative Agent, any Lender or the Collateral Agent may have had notice or knowledge of such Default at the time.

(b) Neither this Agreement nor any other Loan Document nor any provision hereof or thereof may be waived, amended or modified except, in the case of this Agreement, pursuant to an agreement or agreements in writing entered into by the Borrower and the Required Lenders (with a fully executed copy thereof delivered to the Administrative Agent) or, in the case of any other Loan Document, pursuant to an agreement or agreements in writing entered into by the Administrative Agent and the Loan Party or Loan Parties that are parties thereto (and, if party thereto, the Collateral Agent), in each case with the consent of the Required Lenders; provided that no such agreement shall:

(i) increase the Commitment of any Lender without the written consent of such Lender, (it being understood that a waiver of any Default or mandatory prepayment or mandatory reduction of any Commitments shall not constitute an increase of any Commitment of any Lender);

(ii) reduce the principal amount of any Loan or reduce the rate of interest thereon, or reduce any fees payable hereunder (including, without limitation, the Make Whole/Prepayment Fee Amount), without the written consent of each Lender affected thereby; provided, however, that only the consent of the Required Lenders shall be necessary to amend the definition of "Default Rate" or to waive any obligation of the Borrower to pay interest at the Default Rate,

(iii) postpone the maturity of any Loan (it being understood that a waiver of any Default, Event of Default, or mandatory prepayment shall not constitute an extension of any maturity date), or any date for the payment of any interest or fees payable hereunder, or reduce the amount of, waive or excuse any such payment, or postpone the scheduled date of expiration of any Commitment, without the written consent of each Lender adversely affected thereby, it being understood that the waiver of any condition precedent or the waiver of any Default or mandatory prepayment requirement shall not constitute a postponement or reduction hereunder,

(iv) change or have the effect of changing the priority or pro rata treatment of any payments (including voluntary and mandatory prepayments), Liens, proceeds of Collateral or reductions in Commitments (including as a result in whole or in part of allowing the issuance or incurrence, pursuant to this Agreement or otherwise, of new loans or other Indebtedness having any priority over any of the Obligations in respect of payments, Liens, Collateral or proceeds of Collateral, in exchange for any Obligations or otherwise), without the written consent of each Lender directly and adverse affected thereby,

(v) change any of the provisions of this Section 9.02, the definition of "Required Lenders" or any other provision of any Loan Document specifying the number or percentage of Lenders required to waive, amend or modify any rights thereunder or make any determination or grant any consent thereunder, without the written consent of each Lender,

(vi) change the percentage set forth in the definition of "Required Lenders" or any other provision of any Loan Document specifying the number or percentage of Lenders required to waive, amend or modify any rights thereunder or make any determination or grant any consent thereunder, without the written consent of each Lender,

(vii) release the Borrower or any Subsidiary Loan Party from its Guarantee under the Collateral Agreement (except as provided in Section 6.03 or in the Collateral Agreement) or limit its liability in respect of such Guarantee, without the written consent of each Lender, or

(viii) release all or substantially all the Collateral from the Liens of the Security Documents (except as provided in Section 6.03 or in the Collateral Agreement), without the written consent of each Lender.

provided, further, that (A) no such agreement shall amend, modify or otherwise affect the rights or duties of the Administrative Agent without the prior written consent of the Administrative Agent and (B) notwithstanding the preceding clause (iv), only those Lenders that have not been provided a reasonable opportunity, as determined in the good faith judgment of the Administrative Agent, to receive the most-favorable treatment under or in connection with the applicable amendment, waiver or supplement described in the preceding clause (iv) (other than the right to receive customary administrative agency, arranging, underwriting and other similar fees) that is provided to any other Person, including the opportunity to participate on a pro rata basis on the same terms in any new loans or other Indebtedness permitted to be issued as a result of such amendment, waiver or supplement, shall be deemed to be directly and adversely affected by such amendment, waiver or supplement. In connection with any proposed amendment, modification, waiver or termination (a "Proposed Change") requiring the consent of all affected Lenders, if the consent of the Required Lenders to such Proposed Change is obtained, but the consent to such Proposed Change of other Lenders whose consent is required is not obtained (any such Lender whose consent is not obtained as described in this Section 9.02(b) being referred to as a "Non-Consenting Lender"), then, so long as the Lender that is acting as the Administrative Agent is not a Non-Consenting Lender, at the Borrower's request, any assignee that is acceptable to the Administrative Agent shall have the right, with the Administrative Agent's consent, to purchase from such Non-Consenting Lender, and such Non-Consenting Lender agrees that it shall, upon the Borrower's request, sell and assign to such assignee, at no expense to such Non-Consenting Lender, all the Term Loans of such Non-Consenting Lender for an amount equal to the principal balance of all Term Loans held by such Non-Consenting Lender and all accrued interest and fees with respect thereto through the date of sale (including amounts under Sections 2.15, 2.16 and 2.17) so long as such principal balance of all other Non-Consenting Lenders is similarly purchased, such purchase and sale to be consummated pursuant to an executed Assignment and Assumption in accordance with Section 9.04(b) (which Assignment and Assumption need not be signed by such Non-Consenting Lender). A copy of each amendment, waiver or other modification to this Agreement or any other Loan Document shall be furnished by the Borrower to the Administrative Agent.

(c) Notwithstanding the provisions of Section 9.02(b), this Agreement may be amended (or amended and restated) with the written consent of the Required Lenders, the Administrative Agent and the Borrower (i) to add one or more additional credit facilities to this Agreement and to permit the extensions of credit from time to time thereunder and the accrued interest and fees in respect thereof to share ratably in the benefits of this Agreement and the other Loan Documents with the Term Loans and the accrued interest and fees in respect thereof, and (ii) to include appropriately the Lenders holding such credit facilities in any determination of the Required Lenders. In addition, this Agreement may be amended with the written consent of the Administrative Agent, the Borrower and the Lenders providing the relevant Replacement Term Loans (as defined below) to permit the refinancing of all outstanding Term Loans (the "Refinanced Term Loans") and, if applicable, related outstanding commitments, with a replacement term loan tranche hereunder (the "Replacement Term Loans"); provided that (i) the aggregate principal amount of such Replacement Term Loans shall not exceed the aggregate principal amount of such Refinanced Term Loans, (ii) the Applicable Rate for such Replacement Term Loans shall not be higher than the Applicable Rate for such Refinanced Term Loans, (iii) the weighted average life to maturity of such Replacement Term Loans shall not be shorter than the weighted average life to maturity of such Refinanced Term Loans at the time of such refinancing (except to the extent of nominal amortization for periods where amortization has been eliminated as a result of prepayment of the

Refinanced Term Loans) and (iv) all other terms applicable to such Replacement Term Loans shall be substantially identical to, or less favorable to the Lenders providing such Replacement Term Loans than, those applicable to such Refinanced Term Loans, except to the extent necessary to provide for covenants and other terms applicable to any period after the latest final maturity of the Refinanced Term Loans in effect immediately prior to such refinancing.

SECTION 9.03.Expenses; Indemnity; Damage Waiver.

(a) The Borrower shall pay (i) all reasonable and documented out-of-pocket expenses incurred by the Agents and their respective Affiliates, including the reasonable and documented fees, charges and disbursements of counsel for the Agents, in connection with the preparation and administration of the Loan Documents or any amendments, modifications or waivers of the provisions thereof (limited to, in the case of legal fees and expenses, all reasonable and documented costs and out-of-pocket expenses of one legal counsel and, to the extent necessary, one local counsel in each relevant jurisdiction, but no other advisors without the Borrower's prior consent) and (ii) all reasonable and documented out-of-pocket expenses incurred by the Administrative Agent or any Lender, including the fees, charges and disbursements of any counsel for the Administrative Agent or any Lender (limited to, in the case of legal fees and expenses, all reasonable and documented costs and out-of-pocket expenses of one legal counsel and, to the extent necessary, one local counsel in each relevant jurisdiction, but no other advisors without the Borrower's prior consent), in connection with the enforcement or protection of its rights in connection with the Loan Documents, including its rights under this Section 9.03, or in connection with the Loans made hereunder, including all such reasonable and documented out-of-pocket expenses incurred during any workout, restructuring or negotiations in respect of such Loans.

(b) The Borrower shall indemnify the Administrative Agent, the Collateral Agent and each Lender, and each Related Party of any of the foregoing Persons (each such Person being called an "Indemnitee"), and hold each Indemnitee harmless, from and against any and all losses, claims, damages, liabilities and related expenses, including the reasonable and documented fees, charges and disbursements of any counsel for any Indemnitee (limited to, in the case of fees, charges and disbursements of any counsel, one counsel to such Indemnitees, taken as a whole, one local counsel in each relevant jurisdiction to all such Indemnitees, taken as a whole, and, solely in the event of a conflict of interest, one additional counsel (and, if necessary, one local counsel in each relevant jurisdiction)), incurred by or asserted against any Indemnitee arising out of, in connection with, or as a result of (i) the execution or delivery of any Loan Document or any other agreement or instrument contemplated hereby, the performance by the parties to the Loan Documents of their respective obligations thereunder or the consummation of the Transactions or any other transactions contemplated hereby, (ii) any Loan or the use of the proceeds therefrom, (iii) any actual or alleged presence or Release of Hazardous Materials on, at, under or emanating from any Mortgaged Property or any other property currently or formerly owned or operated by the Borrower or any of its Subsidiaries, or any actual or alleged Environmental Liability related in any way to the Borrower or any of its Subsidiaries or their respective properties or operations, or (iv) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory and regardless of whether any Indemnitee is a party thereto or such litigation, claim, investigation or proceeding is brought by a third party or by the Borrower or its Affiliates, provided that no Indemnitee shall be entitled to indemnity in respect of any such losses, claims, damages, liabilities or related expenses to the extent that (i) the same is found by a final, non-appealable judgment of a court of competent jurisdiction to have resulted from (a) the gross negligence, willful misconduct or bad faith of such Indemnitee or (b) a material breach by an Indemnitee of its obligations under this Agreement, (ii) the same arises solely from a dispute among Indemnitees

(other than any claim against Ares Capital Corporation solely in its capacity as Administrative Agent) or (iii) any settlement is effected without the Borrower's consent; provided, further, that each Indemnitee agrees (by accepting the benefits hereof) to refund and return any and all amounts paid or caused to be paid by the Borrower to such Indemnitee to the extent any of the foregoing items described in clauses (i) through (iii) occurs. For the avoidance of doubt, this Section 9.03 shall not apply to Taxes (other than Taxes arising from a non-Tax claim). Payments under this Section 9.03(b) shall be made by the Borrower to the Administrative Agent for the benefit of the relevant Indemnitee.

(c) To the extent that the Borrower fails to pay any amount required to be paid by it to the Administrative Agent or the Collateral Agent under Sections 9.03(a) or (b), each Lender severally agrees to pay to the Administrative Agent or the Collateral Agent, as applicable, such Lender's pro rata share (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) of such unpaid amount, provided that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as applicable, was incurred by or asserted against the Administrative Agent or the Collateral Agent in its capacity as such. For purposes hereof, a Lender's "pro rata share" shall be determined based upon its share of the aggregate outstanding Term Loans at the time.

(d) To the extent permitted by applicable law, no party hereto shall assert, and each party hereto hereby waives, any claim against any other Person party hereto, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement or any agreement or instrument contemplated hereby, the Transactions, any Loan or the use of the proceeds thereof (other than in respect of any such damages incurred or paid by an Indemnitee to a third party).

(e) All amounts due under this Section 9.03 shall be payable not later than 10 days after written demand therefor.

SECTION 9.04. Successors and Assigns.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that (i) the Borrower may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (except as permitted by Section 6.03) (and any attempted assignment or transfer by the Borrower without such consent shall be null and void) and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except (i) to an Assignee pursuant to an assignment made in accordance with the provisions of Section 9.04(b) (such an assignee, an "Eligible Assignee"), (ii) by way of participation in accordance with the provisions of Section 9.04(e) or (iii) by way of pledge or assignment of a security interest subject to the restrictions of Section 9.04(g) (and any other attempted assignment or transfer by any party hereto shall be null and void); provided, however, that notwithstanding the foregoing, no Lender may assign or transfer by participation any of its rights or obligations hereunder to (i) a natural Person, (ii) to the Borrower or any of its respective Subsidiaries or (iii) any Defaulting Lender. Nothing in this Agreement, express or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants (to the extent provided in Section 9.04(c)) and, to the extent expressly contemplated hereby, the Related Parties of each of the Administrative Agent and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) (i) Subject to the conditions set forth in clause (b)(ii) below, any Lender may assign to one or more assignees ("Assignees") all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans at the time owing to it) with the prior written consent (such consent not to be unreasonably withheld or delayed) of:

(1) the Borrower, provided that no consent of the Borrower shall be required (x) for assignments to any Lender or Affiliate of a Lender or an Approved Fund (as defined below) thereof or (y) if an Event of Default under Sections 7.01(a) or 7.01(b) or Sections 7.01(i) or 7.01(j), solely with respect to the Borrower, has occurred and is continuing, any Assignee or an assignment of all or a portion of the Loans pursuant to Section 9.04(i); provided, further, that (x) the Borrower may withhold its consent (in its sole discretion) in respect of an assignment to an Affiliate (other than, in each case, Affiliates that constitute bona fide debt funds primarily investing in loans) of a Disqualified Institution and (y) the Borrower shall be deemed to have consented to an assignment unless it shall object thereto by written notice to the Administrative Agent within five (5) Business Days after having received notice thereof; and

(2) the Administrative Agent, provided that no consent of the Administrative Agent shall be required for an assignment (i) of all or any portion of a Term Loan to a Lender, an Affiliate of a Lender or an Approved Fund, (ii) of all or a portion of the Loans pursuant to Section 9.04(k) or Section 9.04(l) or (iii) from an Agent to its Affiliates.

Notwithstanding the foregoing or anything to the contrary set forth herein, (i) no Lender may assign or transfer by participation any of its rights or obligations hereunder to any Person that is a Defaulting Lender or, unless a Specified Event of Default has occurred and is continuing, a Disqualified Institution and (ii) to the extent any Lender is required to assign any portion of its Commitments, Loans and other rights, duties and obligations hereunder in order to comply with applicable Laws, such assignment may be made by such Lender without the consent of the Borrower, the Administrative Agent or any other party hereto so long as such Lender complies with the requirements of Section 9.04(b)(ii).

(ii) Assignments shall be subject to the following conditions:

(1) except in the case of an assignment to a Lender or an Affiliate of a Lender or an assignment of the entire remaining amount of the assigning Lender's Commitment or Loans, the amount of the Commitment or Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent) shall not be less than $5,000,000 unless each of the Borrower and the Administrative Agent otherwise consents; provided that no such consent of the Borrower shall be required (x) for an assignment by a Lender to an Affiliate or an Approved Fund of a Lender or (y) if an Event of Default under Section 7.01(a), (b), (i) or (j) has occurred and is continuing, and that contemporaneous assignments to Approved Funds related to the same Lender shall be aggregated when calculating such minimum assignment amounts; provided further that, consent of the Borrower will be deemed to have been given if the Borrower has not responded within five (5) business days of a request for such consent; provided, further, that, unless a Specified Event of Default has occurred and is continuing, no assignment or participations shall be made to Disqualified Institutions or Competitors;

(2) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement;

(3) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption, together with a processing and recordation fee of $3,500; and

(4) the assignee, if it is not already a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire, the applicable tax forms described in 2.17(f) and all documentation and other information required by regulatory authorities under applicable "know your customer" and anti-money laundering rules and regulations, including, without limitation, the USA Patriot Act.

For purposes of this Section 9.04(b):

"Approved Fund" means, with respect to any Lender, any Fund that is administered, advised or managed by (a) a Lender, (b) an Affiliate of a Lender, (c) an entity or an Affiliate of an entity that administers, advises or manages a Lender or (d) a limited partner or member of any of the foregoing.

"Fund" means any Person (other than a natural person) that is engaged in making, purchasing, holding or otherwise investing in commercial loans and similar extensions of credit in the ordinary course.

(c) Subject to acceptance and recording thereof pursuant to Section 9.04(b)(iv), from and after the recordation date of each Assignment and Assumption in the Register, the assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 2.15, 2.16, 2.17 and 9.03). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 9.04 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with Section 9.04(c).

(d) The Administrative Agent, acting for this purpose as a non-fiduciary agent of the Borrower, shall maintain accessible at one of its offices a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitment of, and principal amounts (and related stated interest amounts) of the Loans owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive absent manifest error, and the Borrower, the Administrative Agent and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender and the owner of the amounts owing to it under the Loan Documents as reflected in the Register for all purposes of the Loan Documents, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower and, with respect to itself, any Lender, at any reasonable time and from time to time upon reasonable prior written notice.

(i) Upon its receipt of a duly completed Assignment and Assumption executed by an assigning Lender and an assignee, the assignee's completed Administrative Questionnaire (unless the assignee shall already be a Lender hereunder) and all documentation and other information required by regulatory authorities under applicable "know your customer" and anti-money laundering rules and regulations, including, without limitation, the USA Patriot Act, the processing and recordation fee referred to in Section 9.04(b) and any written consent to such assignment required by Section 9.04(b), the Administrative Agent shall accept such Assignment and Assumption and record the information contained therein in the Register. No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this paragraph.

(e) Any Lender may, without the consent of the Borrower or the Administrative Agent, sell participations to one or more banks or other entities (each a "Participant") in all or a portion of such Lender's rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans owing to it), provided that (A) such Lender's obligations under this Agreement shall remain unchanged, (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (C) the Borrower, the Administrative Agent and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement or the other Loan Documents, provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in the first proviso to Section 9.02(b) that requires the affirmative vote of such Lender. Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register complying with the requirements of Sections 163(f), 871(h) and 881(c)(2) of the Code and the Treasury regulations issued thereunder on which it enters the name and address of each Participant and the principal and stated interest amounts of each Participant's interest in the Loans held by it (the "Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register to any person (including the identity of any Participant or any information relating to a Participant's interest in any Commitments, Loans or its other obligations under any Loan Document) except to the extent that such disclosure is necessary to establish that such Commitment, Loan or other obligation is in registered form under Section 5f.103-1(c) or Proposed Section 1.163-5(b) of the United States Treasury Regulations (or, in each case, any amended or successor version), or is otherwise required thereunder. The entries in the Participant Register shall be conclusive, absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such Loan or other obligation hereunder for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register. Subject to Section 9.04(f), the Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.15, 2.16 and 2.17 to the same extent as if it were a Lender (subject to the requirements and limitations thereof, it being understood that the documentation required under Section 2.17(f) shall be delivered to the participating Lender) and had acquired its interest by assignment pursuant to Section 9.04(b). To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 9.08 as though it were a Lender, provided such Participant agrees to be subject to Section 2.18(c) as though it were a Lender. For the avoidance of doubt, each Lender shall be responsible for the indemnity under Section 9.03(b) with respect to any payments made by such Lender to its Participant(s).

(f) A Participant shall not be entitled to receive any greater payment under Section 2.15 or 2.17 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrower's prior written consent and the entitlement to receive a greater payments results from a Change in Law that occurs after the Participant acquired the applicable participation. A Participant that would be a Foreign Lender if it were a Lender shall not be entitled to the benefits of Section 2.17 unless the Borrower is notified of the participation sold to such Participant and such Participant agrees, for the benefit of the Borrower, to comply with Section 2.17(e) as though it were a Lender (it being understood that the documentation required under Section 2.17 shall be delivered to the participating Lender).

(g) Any Lender may at any time pledge, assign or grant a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge, assignment or grant to secure obligations to a Federal Reserve Bank, and this Section 9.04 shall not apply to any such pledge, assignment or grant of a security interest, provided that no such pledge, assignment or grant of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledge or assignee for such Lender as a party hereto.

SECTION 9.05. Survival. All covenants, agreements, representations and warranties made by the Loan Parties in the Loan Documents and in the certificates or other instruments delivered in connection with or pursuant to this Agreement or any other Loan Document shall have independent significance and be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of the Loan Documents and the making of any Loans, regardless of any investigation made by any such other party or on its behalf and notwithstanding that the Administrative Agent or any Lender may have had notice or knowledge of any Default or incorrect representation or warranty at the time any credit is extended hereunder, and shall continue in full force and effect as long as the principal of or any accrued interest on any Loan or any fee or any other amount payable under this Agreement is outstanding and unpaid. The provisions of Sections 2.15, 2.16, 2.17 and 9.03 and Article VIII shall survive and remain in full force and effect regardless of the consummation of the transactions contemplated hereby, the repayment of the Loans or the termination of this Agreement or any provision hereof.

SECTION 9.06. Counterparts; Integration; Effectiveness. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement, the other Loan Documents and any separate letter agreements with respect to fees payable to the Administrative Agent constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. Except as provided in Section 4.01, this Agreement shall become effective when it shall have been executed by the Administrative Agent and when the Administrative Agent shall have received counterparts hereof which, when taken together, bear the signatures of each of the other parties hereto, and thereafter shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns. Delivery of an executed counterpart of a signature page of this Agreement by facsimile or electronic transmission shall be effective as delivery of a manually executed counterpart of this Agreement.

SECTION 9.07. Severability. Any provision of this Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

SECTION 9.08. Right of Setoff. If an Event of Default shall have occurred and be continuing, each Lender and each of its Affiliates is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other obligations at any time owing by such Lender or Affiliate to or for the credit or the account of the Borrower against any of and all the obligations of the Borrower now or hereafter existing under this Agreement held by such Lender, irrespective of whether or not such Lender shall have made any demand under this Agreement and although such obligations may be unmatured; provided that if any Defaulting Lender shall exercise any such right of setoff, (i) all amounts so set off shall be paid over immediately to the Administrative Agent for further application in accordance with the provisions of this Agreement and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Administrative Agent and the Lenders and (ii) the Defaulting Lender shall provide promptly to the Administrative Agent a statement describing in reasonable detail the obligations owing to such Defaulting Lender as to which it exercised such right of set off. The applicable Lender shall notify the Borrower and the Administrative Agent of such setoff or application, provided that any failure to give or any delay in giving such notice shall not affect the validity of any such setoff or application under this Section 9.08. The rights of each Lender under this Section 9.08 are in addition to other rights and remedies (including other rights of setoff) which such Lender may have.

SECTION 9.09. Governing Law; Jurisdiction; Consent to Service of Process.

(a) This Agreement shall be construed in accordance with and governed by the laws of the State of New York.

(b) The Borrower hereby irrevocably and unconditionally submits, for itself and its property, to the nonexclusive jurisdiction of the Supreme Court of the State of New York sitting in New York County and of the United States District Court of the Southern District of New York, and any appellate court from any thereof, in any action or proceeding arising out of or relating to any Loan Document, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such New York State or, to the extent permitted by law, in such Federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement or any other Loan Document shall affect any right that the Administrative Agent, the Collateral Agent or any Lender may otherwise have to bring any action or proceeding relating to this Agreement or any other Loan Document against the Borrower or its properties in the courts of any jurisdiction.

(c) The Borrower hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection that it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement or any other Loan Document in any court referred to in Section 9.09(b). Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(d) EACH PARTY TO THIS AGREEMENT IRREVOCABLY CONSENTS TO SERVICE OF PROCESS IN THE MANNER PROVIDED FOR NOTICES IN SECTION 9.01. NOTHING IN THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT WILL AFFECT THE RIGHT OF ANY PARTY TO THIS AGREEMENT TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY LAW.

SECTION 9.10. WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT, ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 9.10.

SECTION 9.11. Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Agreement.

SECTION 9.12. Confidentiality. Each of the Administrative Agent and the Lenders agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to its and its Affiliates' directors, trustees, officers, employees and agents, including accountants, legal counsel and other advisors (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential), (b) to the extent requested by any regulatory authority or self-regulatory authority, (c) to the extent required by applicable laws or regulations or by any subpoena or similar legal process, (d) to any other party to this Agreement, (e) in connection with the exercise of any remedies hereunder or any suit, action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder, (f) subject to an agreement containing provisions substantially the same as those of this Section 9.12, to (i) any assignee or pledgee of or Participant in, or any prospective assignee or pledgee of or Participant in, any of its rights or obligations under this Agreement or (ii) any actual or prospective counterparty (or its advisors) to any swap or derivative transaction relating to the Borrower and its obligations, (g) with the consent of the Borrower or (h) to the extent such Information (i) becomes publicly available other than as a result of a breach of this Section 9.12 or (ii) becomes available to the Administrative Agent or any Lender on a nonconfidential basis from a source other than the Borrower or any of their subsidiaries, provided that such source is not actually known by such disclosing party to be bound by an agreement containing provisions substantially the same as those contained in this Section 9.12. For the purposes of this Section 9.12, the term "Information" means all information received from the Borrower relating to the Borrower or its business, other than any such information that is available to the Administrative Agent or any Lender on a nonconfidential basis prior to disclosure by the Borrower, provided that, in the case of information received from the Borrower or any Subsidiary after the date hereof, such information is clearly identified at the time of delivery as confidential. Any Person required to maintain the confidentiality of Information as provided in this Section 9.12 shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

SECTION 9.13. Interest Rate Limitation. Notwithstanding anything herein to the contrary, if at any time the interest rate applicable to any Loan, together with all fees, charges and other amounts that are treated as interest on such Loan under applicable law (collectively, the "Charges"), shall exceed the maximum lawful rate (the "Maximum Rate") that may be contracted for, charged, taken, received or reserved by the Lender holding such Loan in accordance with applicable law, the rate of interest payable in respect of such Loan hereunder, together with all Charges payable in respect thereof, shall be limited to the Maximum Rate and, to the extent lawful, the interest and Charges that would have been payable in respect of such Loan but were not payable as a result of the operation of this Section 9.13 shall be cumulated and the interest and Charges payable to such Lender in respect of other Loans or periods shall be increased (but not above the Maximum Rate therefor) until such cumulated amount, together with interest thereon at the Federal Funds Rate to the date of repayment, shall have been received by such Lender.

SECTION 9.14. USA Patriot Act. Each Lender and each Agent hereby notifies the Borrower that pursuant to the requirements of the USA Patriot Act, it is required to obtain, verify and record information that identifies the Borrower, which information includes the name and address of the Borrower and other information that will allow such Person to identify the Borrower in accordance with the USA Patriot Act.

SECTION 9.15. Release of Collateral. Upon any sale or other transfer by any Loan Party of any Collateral that is permitted under this Agreement, or upon the effectiveness of any written consent to the release of the security interest granted hereby in any Collateral pursuant to Section 9.02 of this Agreement, the Mortgage or other security interest in such Collateral shall be automatically released and the Collateral Agent is authorized to, and shall, take any action to effect the foregoing, including, without limitation, executing and delivering to the Borrower, in recordable form, discharges and releases of such Mortgage or other security interest.

SECTION 9.16. Acknowledgement and Consent to Bail-In of Affected Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Lender that is an Affected Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by the applicable Resolution Authority to any such liabilities arising hereunder which may be payable to it by any Lender that is an Affected Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such Affected Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of the applicable Resolution Authority.

(b) such Loan Party is duly authorized by all necessary corporate or other action and, if required, stockholder action to enter into this Amendment;

(c) when executed and delivered by such Loan Party, this Amendment will constitute, a legal, valid and binding obligation of such Loan Party enforceable in accordance with its terms, subject to applicable bankruptcy, insolvency, reorganization, moratorium or other laws affecting creditors' rights generally and subject to general principles of equity, regardless of whether considered in a proceeding in equity or at law;

(d) the execution, delivery and performance by such Loan Party of this Amendment and each other Loan Document to which it is a party, and the Borrowings by the Borrower under the Credit Agreement (as amended by this Amendment) (i) do not require any consent or approval of, registration or filing with, or any other action by, any Governmental Authority, except such as have been obtained or made and are in full force and effect and except those that are required or permitted to be obtained following consummation of the transactions contemplated by this Amendment, the absence of which individually or in the aggregate are not reasonably likely to result in a Material Adverse Effect and filings necessary to perfect Liens created under the Loan Documents, (ii) will not violate any Requirement of Law applicable to such Loan Party, (iii) will not violate or result in a default under any indenture or other material agreement or instrument binding upon such Loan Party or any of its assets, or give rise to a right thereunder to require any payment to be made by such Loan Party or give rise to a right of, or result in, termination, cancellation or acceleration of any material obligation thereunder, (iv) will not result in the creation or imposition of any Lien on any asset of such Loan Party, except Liens created under the Loan Documents and (v) will not violate any judgment, order, decree or injunction that is binding upon such Loan Party or any of their respective properties;

(e) as of the Second Amendment Effective Date, (a) the fair value of the assets of the Borrower, and its subsidiaries, on a consolidated basis, at fair valuation, exceeds, on a consolidated basis, their debts and liabilities, subordinated, contingent or otherwise, (b) the present fair saleable value of the property of the Borrower and its subsidiaries, on a consolidated basis, is greater than the amount that will be required to pay the probable liability, on a consolidated basis, of their debts and other liabilities, subordinated, contingent or otherwise, as such debts and other liabilities become absolute and matured, (c) the Borrower and its subsidiaries, on a consolidated basis, are able to pay their debts and liabilities, subordinated, contingent or otherwise, as such liabilities become absolute and matured and (d) the Borrower and its subsidiaries, on a consolidated basis, do not have unreasonably small capital with which to conduct the business in which they are engaged as such business is now conducted and is proposed to be conducted after the Second Amendment Effective Date;

(f) no Default or Event of Default has occurred and is continuing or would result from the funding of the Second Amendment Effective Date Term Loans and the consummation of the other transactions contemplated by this Amendment; and

(g) the representations and warranties of such Loan Party set forth in the Credit Agreement and the other Loan Documents are true and correct in all material respects (except to the extent any such representation or warranty is qualified by "materially", "Material Adverse Effect" or a similar term, in which case such representation and warranty shall be true and correct in all respects) on and as of the date of hereof, except to the extent such representations and warranties expressly relate to an earlier date (in which case such representations and warranties shall be true and correct in all material respects (except to the extent any such representation or warranty is qualified by "materially", "Material Adverse Effect" or a similar term, in which case such representation and warranty shall be true and correct in all respects) as of such earlier date).

Section 4. Conditions to Effectiveness. This Amendment and each Second Amendment Effective Date Term Lender's obligation to provide the Second Amendment Effective Date Term Loan Commitments shall become effective on the first date (the "Second Amendment Effective Date") when, and only when, each of the applicable conditions set forth below have been satisfied (or waived) in accordance with the terms herein:

(c) receipt by the Administrative Agent in dollars and in immediately available funds, for the benefit of each Second Amendment Effective Date Term Lender, based on its pro rata share of the aggregate amount of the Second Amendment Effective Date Term Loan on the Second Amendment Effective Date, a non-refundable closing fee in an aggregate amount equal to 2.50% ($875,000.00) of the aggregate principal amount of the Second Amendment Effective Date Term Loan, which such fee shall be fully earned, due and payable on the date hereof and paid from the proceeds of the Second Amendment Effective Date Term Loans;

(d) all fees and expenses required to be paid on the Second Amendment Effective Date pursuant to the Loan Documents (in the case of expenses, to the extent invoiced at least one (1) Business Day prior to the Second Amendment Effective Date) shall have been paid from the proceeds of the Second Amendment Effective Date Term Loans;

(f) both immediately before and after giving effect to this Amendment, the funding of the Second Amendment Effective Date Term Loans and the consummation of the other transactions contemplated by this Amendment, no Default or Event of Default shall have occurred and be continuing.

Section 5. Effect of Amendment; Reaffirmation and Ratification of Obligations; Etc. Except as expressly set forth herein or in the Credit Agreement, this Amendment shall not by implication or otherwise limit, impair, constitute a waiver of or otherwise affect the rights and remedies of the Lenders or the Administrative Agent under the Credit Agreement or under any other Loan Document or constitute a course of conduct or dealing among the parties, and shall not alter, modify, amend or in any way affect any of the terms, conditions, obligations, covenants or agreements contained in the Credit Agreement or any other provision of the Credit Agreement or of any Loan Document, all of which are ratified and affirmed in all respects and shall continue in full force and effect. Each Loan Party hereby acknowledges and agrees that the Credit Agreement and each other Loan Document to which it is a party is hereby confirmed and ratified and shall remain in full force and effect according to its respective terms. On and as of the Second Amendment Effective Date, each reference in the Credit Agreement to "this Agreement", "hereof", "hereunder", "herein" and "hereby" and each other similar reference, and each reference in any Loan Document to "the Credit Agreement", "thereof", "thereunder", "therein" or "thereby" or any other similar reference to the Credit Agreement shall refer to the Credit Agreement as amended by this Amendment. This Amendment constitutes a Loan Document.

Section 6. Release of Claims. In consideration of the agreements of the Administrative Agent and the Lenders contained in this Amendment, each Loan Party hereby irrevocably releases and forever discharges the Administrative Agent and the Lenders and their respective affiliates, subsidiaries, successors, assigns, directors, officers, employees, agents, consultants and attorneys (each, a "Released Person") of and from any and all claims, suits, actions, investigations, proceedings or demands, whether based in contract, tort, implied or express warranty, strict liability, criminal or civil statute or common law of any kind or character, known or unknown, which such Loan Party ever had or now has against the Administrative Agent, any Lender or any other Released Person which relates, directly or indirectly, to any acts or omissions of the Administrative Agent, any Lender or any other Released Person relating to the Credit Agreement or any other Loan Document on or prior to the date hereof.

Section 7. Severability. Any provision of this Amendment held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

Section 8. Captions. Captions used in this Amendment are for convenience only and shall not affect the construction of this Amendment.

Section 9. Governing Law; Jurisdiction; Consent to Service of Process. This Amendment shall be construed in accordance with and governed by the laws of the State of New York. The provisions of Section 9.09(b), (c) and (d) and Section 9.10 are incorporated herein by reference, *mutatis mutandis*, and the parties hereto agree to such terms.

Section 10. Counterparts. This Amendment may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Amendment constitutes the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. Delivery of an executed counterpart of a signature page of this Amendment by facsimile or electronic transmission shall be effective as delivery of a manually executed counterpart of this Amendment.

Section 11. Covenants of New Lenders. Each Second Amendment Effective Date Term Lender that was not a Lender of record immediately prior to the Second Amendment Effective Date (a) represents

and warrants that (i) from and after the Second Amendment Effective Date, it shall be bound by the provisions of the Credit Agreement, as amended by this Amendment, as a Lender thereunder and, to the extent of its respective Second Amendment Effective Date Term Loan Commitments and Second Amendment Effective Date Term Loans, shall have the obligations and rights of a Lender thereunder and (ii) it has independently and without reliance upon the Administrative Agent or any other Lender and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Amendment and to make its respective Second Amendment Effective Date Term Loans and (b) agrees that (i) it will, independently and without reliance on the Agent or any Lender, and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking action under the Loan Documents, and (ii) it will perform in accordance with their terms all of the obligations which by the terms of the Loan Documents are required to be performed by it as a Lender.

No change in the accounting principles used in the preparation of any financial statement hereafter adopted by the Borrower shall be given effect for purposes of measuring compliance with any provisions of Article VI unless the Borrower, the Administrative Agent and the Required Lenders agree to modify such provisions to reflect such changes in GAAP and, unless such provisions are modified, all financial statements, compliance certificates and similar documents provided hereunder shall be provided together with a reconciliation between the calculations and amounts set forth therein before and after giving effect to such change in GAAP. Notwithstanding any other provision contained herein, all terms of an accounting or financial nature used herein shall be construed, and all computations of amounts and ratios referred to in Article VI shall be made, without giving effect to any election under Accounting Standards Codification 825-10 or 470-20 (or any other Financial Accounting Standard having a similar result or effect) to value any Indebtedness or other liabilities of any Loan Party or any Subsidiary thereof at "fair value." SECTION 1.05. Rates. The Administrative Agent does not warrant or accept responsibility for, and shall not have any liability with respect to (a) the continuation of, administration of, submission of, calculation of or any other matter related to Base Rate, the Term SOFR Reference Rate or Term SOFR, or any component definition thereof or rates referred to in the definition thereof, or any alternative, successor or replacement rate thereto (including any Benchmark Replacement), including whether the composition or characteristics of any such alternative, successor or replacement rate (including any Benchmark Replacement) will be similar to, or produce the same value or economic equivalence of, or have the same volume or liquidity as, Base Rate, the Term SOFR Reference Rate, Term SOFR or any other Benchmark prior to its discontinuance or unavailability, or (b) the effect, implementation or composition of any Conforming Changes. The Administrative Agent and its affiliates or other related entities may engage in transactions that affect the calculation of Base Rate, the Term SOFR Reference Rate, Term SOFR, any alternative, successor or replacement rate (including any Benchmark Replacement) or any relevant adjustments thereto, in each case, in a manner adverse to the Borrower. The Administrative Agent may select information sources or services in its reasonable discretion to ascertain the Base Rate, the Term SOFR Reference Rate, Term SOFR or any other Benchmark, in each case pursuant to the terms of this Agreement, and shall have no liability to the Borrower, any Lender or any other person or entity for damages of any kind, including direct or indirect, special, punitive, incidental or consequential damages, costs, losses or expenses (whether in tort, contract or otherwise and whether at law or in equity), for any error or calculation of any such rate (or component thereof) provided by any such information source or service.

SECTION 2.02. Loans and Borrowings.

(a) Each Term Loan shall be made as part of a Borrowing consisting of Term Loans of the same Type made by the Lenders ratably in accordance with their respective Commitments. The

failure of any Lender to make its Term Loan required to be made by it shall not relieve any other Lender of its obligations hereunder, provided that the Commitments of the Lenders are several and no Lender shall be responsible for any other Lender's failure to make Term Loans as required.

(b) Subject to Section 2.14, each Term Loan Borrowing shall be comprised entirely of Base Rate Loans or SOFR Loans as the Borrower may request in accordance herewith.

(c) At the commencement of each Interest Period for any SOFR Borrowing, such Borrowing shall be in an aggregate amount not less than $200,000. At the time that each Base Rate Borrowing is made, such Borrowing shall be in an aggregate amount that is an integral multiple of $50,000 and not less than $250,000. Borrowings of more than one Type may be outstanding at the same time. There shall not at any time be more than a total of eight SOFR Borrowings outstanding.

(d) Notwithstanding any other provision of this Agreement, the Borrower shall not be entitled to request, or to elect to convert or continue, any Borrowing if the Interest Period requested with respect thereto would end after the Term Loan Maturity Date.

(a) Each Lender shall make each Loan to be made by it hereunder on the proposed date thereof by wire transfer of immediately available funds by 12:00 noon, New York City time, to the account of the Administrative Agent most recently designated by it for such purpose by notice to the Lenders. Upon receipt of all requested funds, the Administrative Agent will make such Loans available to the Borrower by promptly crediting the amounts so received by wire transfer, in like funds, to an account designated by the Borrower in the applicable Borrowing Request.

~~[2] NTD: Ares' back office will require 2 BDs advance written notice.~~

(b) Unless the Administrative Agent shall have received notice from a Lender prior to the proposed Borrowing that such Lender will not make available to the Administrative Agent such Lender's share of such Borrowing, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with Section 2.06(a) and may, in reliance upon such assumption and in its sole discretion, make available to the Borrower a corresponding amount. In such event, if a Lender has not in fact made its share of the applicable Borrowing available to the Administrative Agent, then the applicable Lender agrees to pay to the Administrative Agent an amount equal to such share on demand of the Administrative Agent. If such Lender does not pay such corresponding amount forthwith upon demand of the Administrative Agent therefor, the Administrative Agent shall promptly notify the Borrower and the Borrower agrees to pay such corresponding amount to the Administrative Agent forthwith on demand. The Administrative Agent shall also be entitled to recover from such Lender the interest on such corresponding amount for each day from and including the date such amount is made available to the Borrower to but excluding the date of payment to the Administrative Agent, at (i) in the case of such Lender, the greater of the Federal Funds Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation or (ii) in the case of the Borrower, the interest rate applicable to Base Rate Loans. If such Lender pays such amount to the Administrative Agent, then such amount shall constitute such Lender's Loan included in such Borrowing.

SECTION 2.07. Interest Elections.

(a) Each Term Loan Borrowing initially shall be of the Type specified in the applicable Borrowing Request and, in the case of a SOFR Borrowing, shall have an Interest Period of three months. Thereafter, the Borrower may elect to convert such Borrowing to a different Type or to continue such Borrowing. The Borrower may elect different options with respect to different portions of the affected Borrowing, in which case each such portion shall be allocated ratably among the Lenders holding the Loans comprising such Borrowing, and the Loans comprising each such portion shall be considered a separate Borrowing.

(b) To make an election pursuant to this Section 2.07, the Borrower shall notify the Administrative Agent of such election in writing (i) in the case of a SOFR Borrowing, not later than 1:00 p.m., New York City time, three Business Days before the date of the proposed election or (ii) in the case of a Base Rate Borrowing, not later than 12:00 noon, New York City time, one Business Day before the date of the proposed election. Each such written Interest Election Request shall be irrevocable and shall be substantially in the form of a written Interest Election Request signed by the Borrower.

(c) Each written Interest Election Request shall specify the following information in compliance with Section 2.02:

(i) the Borrowing to which such Interest Election Request applies and, if different options are being elected with respect to different portions thereof, the portions thereof to be allocated to each resulting Borrowing (in which case the information to be specified pursuant to clauses (iii) and (iv) below shall be specified for each resulting Borrowing);

(ii) the effective date of the election made pursuant to such Interest Election Request, which shall be a Business Day; and

(iii) whether the resulting Borrowing is to be a Base Rate Borrowing or a SOFR Borrowing.

(d) Promptly following receipt of an Interest Election Request, the Administrative Agent shall advise each Lender of the details thereof and of such Lender's portion of each resulting Borrowing.

(e) If the Borrower fails to deliver a timely Interest Election Request with respect to a SOFR Borrowing prior to the end of the Interest Period applicable thereto, then, unless such Borrowing is repaid as provided herein, at the end of such Interest Period such Borrowing shall automatically be continued as a SOFR Borrowing having an Interest Period of three month's duration.

(f) Notwithstanding any contrary provision hereof, if an Event of Default has occurred and is continuing and the Administrative Agent, at the request of the Required Lenders, so notifies the Borrower, then, so long as an Event of Default is continuing, (i) no outstanding Borrowing may be converted to or continued as a SOFR Borrowing and (ii) unless repaid, each SOFR Borrowing shall be converted to a Base Rate Borrowing at the end of the Interest Period applicable thereto.

SECTION 2.08. Termination of Commitments. Unless previously terminated, (a) the Effective Date Term Loan Commitments shall terminate upon the funding of the Effective Date Term Loans on the Effective Date ~~and~~, (b) the First Amendment Effective Date Term Loan Commitments shall terminate upon the funding of the First Amendment Effective Date Term Loans on the First Amendment Effective Date and (c) the Second Amendment Effective Date Term Loan Commitments shall terminate upon the funding of the Second Amendment Effective Date Term Loans on the Second Amendment Effective Date.

SECTION 2.09. Evidence of Debt.

(a) [Reserved].

(b) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Borrower to such Lender resulting from each Loan made by such Lender, including the amounts of principal and interest payable and paid to such Lender from time to time hereunder.

(c) The Administrative Agent shall maintain the Register pursuant to Section 9.04(d) in which it shall record (i) the amount of each Loan made hereunder, the Type thereof and the Interest Period applicable thereto, (ii) the amount of any principal or interest due and payable or to become due and payable from the Borrower to each Lender hereunder and (iii) the amount of any sum received by the Administrative Agent hereunder for the account of the Lenders and each Lender's share thereof.

(d) The entries made in the Register and accounts maintained pursuant to Section 2.09(b) and (c) shall be prima facie evidence of the existence and amounts of the obligations recorded therein absent manifest error, provided that the failure of any Lender or the Administrative Agent to maintain such accounts or any error therein shall not in any manner affect the obligation of the Borrower to repay the Loans in accordance with the terms of this Agreement. In the event of any conflict between the records maintained by any Lender and the records maintained by the Administrative Agent in such matters, the records of the Administrative Agent shall control in the absence of manifest error.

(e) Any Lender may request that Loans made by it be evidenced by a promissory note. In such event, Borrower shall execute and deliver to such Lender a promissory note (or, if requested by such Lender, to such Lender and its registered assigns) and in a form approved by the Lender evidencing the Loans, if any, owing to such Lender. Thereafter, the Loans evidenced by such promissory note and interest thereon shall at all times (including after assignment pursuant to Section 9.04) be represented by one or more promissory notes in such form payable to the payee named therein (or, if requested by such payee, to such payee and its registered assigns).

SECTION 2.10. Repayment of Loans; Amortization of Term Loans.

(a) To the extent not previously paid, all Term Loans shall be due and payable on the Term Loan Maturity Date and the Borrower hereby unconditionally promises to pay to the Administrative Agent for the account of each Lender the then unpaid principal amount of the Term Loans of such Lender on the Term Loan Maturity Date (and any other date on which a payment is required to be made pursuant to Section 2.11).

SECTION 2.11. Prepayment of Loans.

(a) The Borrower shall have the right at any time and from time to time to prepay any Term Loans in whole or in part, as selected by the Borrower in its sole discretion and subject to the requirements of clauses (e), (f) and (j) of this Section 2.11.

(b) [Reserved].

(c) In the event and on each occasion that any Net Proceeds are received by or on behalf of the Borrower or any Subsidiary in respect of any Prepayment Event, the Borrower shall, within five (5) Business Days after such Net Proceeds are received by the Borrower or such Subsidiary, prepay Term Loan Borrowings in an aggregate amount equal to 100% of such Net Proceeds; provided, further, that in the case of any event described in clause (a) or (b) of the definition of the term "Prepayment Event" (other than pursuant to a sale and leaseback transaction permitted under Section 6.06), if the Borrower shall deliver to the Administrative Agent a certificate of a Financial Officer to the effect that the Borrower and the Subsidiaries intend to apply the Net Proceeds from such event (or a portion thereof specified in such certificate), within 365 days after receipt of such Net Proceeds in the business of the Borrower and the Subsidiaries, and certifying that no Event of Default has occurred and is continuing, then no prepayment shall be required pursuant to this paragraph in respect of the Net Proceeds specified in such certificate, except to the extent that the aggregate amount of such Net Proceeds that have not been so applied or contractually committed in writing by the end of such 365-day period exceeds $2,500,000 ("Excess Net Proceeds"), promptly after which time a prepayment shall be required in an amount equal to such Excess Net Proceeds that have not been so applied.

(d) In the event and on each occasion that any Net Proceeds from the issuance of Equity Interests for cash or other receipt of cash contributions to its equity in connection with the exercise of the Cure Right are received by or on behalf of the Borrower, the Borrower shall, within one (1) Business Day after such Net Proceeds are received by the Borrower, prepay Term Loan Borrowings in an aggregate amount equal to 100% of such Net Proceeds.

(e) Prior to any optional or mandatory prepayment of Borrowings hereunder, the Borrower shall determine in accordance with Section 2.11(j) the Borrowing or Borrowings to be prepaid and shall specify such determination in the notice of such prepayment pursuant to Section 2.11(f).

(f) The Borrower shall notify the Administrative Agent in writing of any prepayment hereunder (i) in the case of prepayment of a SOFR Borrowing, not later than 12:00 noon, New York City time, three Business Days before the date of prepayment or (ii) in the case of prepayment of a Base Rate Borrowing, not later than 12:00 p.m., New York City time, one Business Days before the date of prepayment. Each such notice shall be irrevocable and shall specify the prepayment date, the principal amount of each Borrowing or portion thereof to be prepaid; provided that, if a notice of prepayment is given

under this Section 2.11, such notice of prepayment may be conditioned upon the effectiveness of other credit facilities or the closing of a refinancing transaction, a sale of all or substantially all of the assets of the Borrower and its Subsidiaries or a Change of Control and such notice of prepayment may be revoked or extended by the Borrower by written notice to the Administrative Agent if such condition is not satisfied on or prior to the specified effective date of prepayment. Promptly following receipt of any such notice, the Administrative Agent shall advise the Lenders of the contents thereof. Each partial prepayment of any Borrowing shall be in an amount that would be permitted in the case of an advance of a Borrowing of the same Type as provided in Section 2.02, except as necessary to apply fully the required amount of a mandatory prepayment. Each prepayment of a Borrowing shall be applied ratably to the Loans included in the prepaid Borrowing. Prepayments shall be accompanied by accrued interest to the extent required by Section 2.13 but shall in no event include premium or penalty.

(g) All Swap Agreements, if any, between Borrower and any of the Lenders or their respective affiliates are independent agreements governed by the written provisions of said Swap Agreements, which will remain in full force and effect, unaffected by any repayment, prepayment, acceleration, reduction, increase or change in the terms of the Loans, except as otherwise expressly provided in said written Swap Agreements, and any payoff statement from the Lenders relating to the Loans shall not apply to said Swap Agreements except as otherwise expressly provided in such payoff statement.

(h) [Reserved].

(i) [Reserved].

(j) Any mandatory or optional prepayments of a Term Loan Borrowing shall be paid to the Term Lenders on a pro rata basis in accordance with their respective holdings of Term Loans.

(k) All prepayments referred to in clause (c) above are subject (i) in the case of any Net Proceeds from Prepayment Events attributable to Foreign Subsidiaries, to there being no material adverse tax consequences to Borrower, or the Subsidiaries, either individually or in the aggregate (which, for the avoidance of doubt, includes, but is not limited to, any prepayment whereby doing so Borrower and the Subsidiaries would incur a material tax liability, including in connection with a tax dividend, deemed dividend pursuant to Section 956 of the Code or a withholding Tax) and (ii) in the case of any Net Proceeds from Prepayment Events attributable to Foreign Subsidiaries, permissibility under local law (e.g., financial assistance, corporate benefit, restrictions on upstreaming of cash intra-group and the fiduciary and statutory duties of the directors of the relevant subsidiaries). The non-application of any prepayment amounts as a consequence of the foregoing provisions will not, for the avoidance of doubt, constitute a Default or an Event of Default, and such amounts shall be available for working capital purposes of the Borrower and the Subsidiaries as long as not required to be prepaid in accordance this Section 2.11(k). Notwithstanding the foregoing, any prepayments required after application of this clause (k) shall be net of any costs, expenses or taxes incurred by the Borrower or any of its Affiliates and arising as a result of compliance with the preceding sentence.

(l) Each Term Lender may reject all or a portion of its pro rata share of any mandatory prepayment (such declined amounts, the "Declined Proceeds") of Term Loans required to be made pursuant to clauses (c) (with respect to Net Proceeds received from a Prepayment Event under clauses (a) or (b) of such definition only) and (d) of this Section 2.11 by providing written notice (each, a "Rejection Notice") to the Administrative Agent and the Borrower no later than 2:00 p.m. one Business Day prior to the date of such prepayment. Each Rejection Notice from a given Lender shall specify the principal amount of the mandatory repayment of Term Loans to be rejected by such Lender. If a Term Lender fails to deliver a Rejection Notice to the Administrative Agent within the time frame specified above or such Rejection Notice fails to specify the principal amount of the Term Loans to be rejected, any such failure will be deemed an acceptance of the total amount of such mandatory prepayment of Term Loans. Any Declined Proceeds may be retained by the Borrower.

SECTION 2.12. Fees.

(a) The Borrower agrees to pay to the Administrative Agent for its own account, the Lead Arranger and the Lenders signatory to the Fee Letter, as applicable, fees payable in the amounts and at the times separately agreed upon between the Borrower, the Administrative Agent, the Lead Arranger and the Lenders signatory to the Fee Letter.

(b) All fees payable hereunder shall be paid on the dates due, in immediately available funds, to the Administrative Agent for distribution, in the case of commitment fees and participation fees, to the Lenders entitled thereto. Fees paid shall not be refundable under any circumstances.

(c) Make-Whole/Prepayment Fee Amount.

(~~c~~i) Effective Date Term Loans and First Amendment Effective Date Term Loans. Notwithstanding anything to the contrary in any of the Loan Documents, the outstanding principal amounts of the Effective Date Term Loans or the First Amendment Effective Date Term Loans and corresponding Obligations shall not be permitted to be prepaid, repaid, redeemed or paid prior to the fourth anniversary of the First Amendment Effective Date except in accordance with this Section 2.12(c)(i). If any Effective Date Term Loans or any First Amendment Effective Date Term Loans are prepaid (other than as a result of an event described in clause (b) of the definition of the term "Prepayment Event"), in addition to the principal amount of the Effective Date Term Loans or First Amendment Effective Date Term Loans and accrued interest, fees and other amounts owed thereon, such Effective Date Term Loans or First Amendment Effective Date Term Loans shall be accompanied by a premium equal to (i) if such prepayment is made prior to the first anniversary of the First Amendment Effective Date for any reason (such as an acceleration of the Effective Date Term Loans or the First Amendment Effective Date Term Loans and other corresponding Obligations following the occurrence of an Event of Default, an exercise of any Credit Party's rights or remedies available under the Loan Documents, upon the consummation of a Change of Control, by any optional prepayment or termination or otherwise), then the amount (in addition to the principal amount of the Effective Date Term Loans or First Amendment Effective Date Term Loans and other corresponding Obligations (other than the Make-Whole Premium applicable to the Effective Date Term Loans and the First Amendment Effective Date Term Loans) and accrued interest, fees and other amounts owed thereon) required to be prepaid, repaid, redeemed or paid shall be the Make-Whole Premium applicable to the principal amount and interest on the Effective Date Term Loans or the First Amendment Effective Date Term Loans or other corresponding Obligations (other than the Make-Whole Premium applicable to the Effective Date Term Loans and the First Amendment Effective Date Term Loans) so prepaid, repaid, redeemed or paid, (ii) if such prepayment is made on or after the first anniversary of the First Amendment Effective Date but prior to the second anniversary of the First Amendment Effective Date for any reason (such as an acceleration of the Effective Date Term Loans or the First Amendment Effective Date Term Loans and other corresponding Obligations following the occurrence of an Event of Default, an exercise of any Credit Party's rights or remedies available under the Loan Documents, upon the consummation of a Change of Control, by any optional prepayment or termination or otherwise), 5.00% of the principal amount of the Effective Date Term Loans or the First Amendment Effective Date Term Loans so prepaid, repaid, redeemed or paid, (iii) if such prepayment is made on or after the second anniversary of the First Amendment Effective Date but prior to the third anniversary of the First Amendment Effective Date for any reason (such as an acceleration of the Effective Date Term Loans or the First Amendment Effective Date Term Loans and other corresponding

Obligations following the occurrence of an Event of Default, an exercise of any Credit Party's rights or remedies available under the Loan Documents, upon the consummation of a Change of Control, by any optional prepayment or termination or otherwise), 2.50% of the principal amount of the Effective Date Term Loans or the First Amendment Effective Date Term Loans so prepaid, repaid, redeemed or paid, (iv) if such prepayment is made on or after the third anniversary of the First Amendment Effective Date but prior to the fourth anniversary of the First Amendment Effective Date for any reason (such as an acceleration of the Effective Date Term Loans or the First Amendment Effective Date Term Loans and other corresponding Obligations following the occurrence of an Event of Default, an exercise of any Credit Party's rights or remedies available under the Loan Documents, upon the consummation of a Change of Control, by any optional prepayment or termination or otherwise), 1.00% of the principal amount of the Effective Date Term Loans or the First Amendment Effective Date Term Loans so prepaid, repaid, redeemed or paid and (v) if such prepayment is made on or after the fourth anniversary of the First Amendment Effective Date, 0.00% of the principal amount of the Effective Date Term Loans or the First Amendment Effective Date Term Loans so prepaid, repaid, redeemed or paid (such Make-Whole Premium applicable to the Effective Date Term Loans and the First Amendment Effective Date Term Loans or other amount required to be paid (or that is otherwise owed) pursuant to the foregoing, the "First Amendment Make Whole/Prepayment Fee Amount"). For purposes of this Section 2.12(c)(i), the principal amount of the Effective Date Term Loans and the First Amendment Effective Date Term Loans shall include all PIK Interest that has been capitalized to principal.

(ii) Second Amendment Effective Date Term Loans. Notwithstanding anything to the contrary in any of the Loan Documents, the outstanding principal amounts of the Second Amendment Effective Date Term Loans and corresponding Obligations shall not be permitted to be prepaid, repaid, redeemed or paid prior to the fourth anniversary of the Second Amendment Effective Date except in accordance with this Section 2.12(c)(ii). If any Second Amendment Effective Date Term Loans are prepaid (other than as a result of an event described in clause (b) of the definition of the term "Prepayment Event"), in addition to the principal amount of the Second Amendment Effective Date Term Loans and accrued interest, fees and other amounts owed thereon, such Second Amendment Effective Date Term Loans shall be accompanied by a premium equal to (i) if such prepayment is made prior to the first anniversary of the Second Amendment Effective Date for any reason (such as an acceleration of the Second Amendment Effective Date Term Loans and other corresponding Obligations following the occurrence of an Event of Default, an exercise of any Credit Party's rights or remedies available under the Loan Documents, upon the consummation of a Change of Control, by any optional prepayment or termination or otherwise), then the amount (in addition to the principal amount of the Loans and other Obligations (other than the Make-Whole Premium applicable to the Second Amendment Effective Date Term Loans) and accrued interest, fees and other amounts owed thereon) required to be prepaid, repaid, redeemed or paid shall be the Make-Whole Premium applicable to the principal amount and interest on the Second Amendment Effective Date Term Loans or other corresponding Obligations (other than the Make-Whole Premium applicable to the Second Amendment Effective Date Term Loans) so prepaid, repaid, redeemed or paid, (ii) if such prepayment is made on or after the first anniversary of the Second Amendment Effective Date but prior to the second anniversary of the Second Amendment Effective Date for any reason (such as an acceleration of the Second Amendment Effective Date Term Loans and other corresponding Obligations following the occurrence of an Event of Default, an exercise of any Credit Party's rights or remedies available under the Loan Documents, upon the consummation of a Change of Control, by any optional prepayment or termination or otherwise), 5.00% of the principal amount of the Second Amendment Effective Date Term Loans so prepaid, repaid, redeemed or paid, (iii) if such prepayment is made on or after the second anniversary of the Second Amendment Effective Date but prior to the third anniversary of the Second Amendment Effective Date for any reason (such as an acceleration of the Second Amendment Effective Date Term Loans and other corresponding Obligations following the occurrence of an Event of Default, an exercise of any Credit Party's rights or remedies available under the Loan Documents, upon the consummation of a Change of Control, by any optional prepayment or termination or otherwise), 2.50% of the principal amount of the Second Amendment Effective Date Term Loans so prepaid, repaid, redeemed or paid, (iv) if such prepayment is made on or after the third anniversary of the Second Amendment Effective Date but prior to the fourth anniversary of the Second Amendment Effective Date for any reason (such as an acceleration of the Second

Amendment Effective Date Term Loans and other corresponding Obligations following the occurrence of an Event of Default, an exercise of any Credit Party's rights or remedies available under the Loan Documents, upon the consummation of a Change of Control, by any optional prepayment or termination or otherwise), 1.00% of the principal amount of the Second Amendment Effective Date Term Loans so prepaid, repaid, redeemed or paid and (v) if such prepayment is made on or after the fourth anniversary of the Second Amendment Effective Date, 0.00% of the principal amount of the Second Amendment Effective Date Term Loans so prepaid, repaid, redeemed or paid (such Make-Whole Premium applicable to the Second Amendment Effective Date Term Loans or other amount required to be paid (or that is otherwise owed) pursuant to the foregoing, the "Second Amendment Make Whole/Prepayment Fee Amount"; the Second Amendment Make Whole/Prepayment Fee Amount and the First Amendment Make Whole/Prepayment Fee Amount, collectively, the "Make Whole/Prepayment Fee Amount"). For purposes of this Section 2.12(c)(ii), the principal amount of the Second Amendment Effective Date Term Loans shall include all PIK Interest that has been capitalized to principal.

(d) The parties hereto acknowledge and agree that, in light of the impracticality and extreme difficulty of ascertaining actual damages, the First Amendment Make Whole/Prepayment Fee Amount ~~is~~and the Second Amendment Make Whole/Prepayment Fee Amount are intended to be a reasonable calculation of the actual damages that would be suffered by the Credit Parties as a result of any such prepayment, repayment, redemption, payment or termination. The parties hereto further acknowledge and agree that the Agents and the Lenders would not have entered into this Agreement, and the Lenders would not have provided the Commitments or Loans hereunder, without the Loan Parties agreeing to pay the First Amendment Make Whole/Prepayment Fee Amount and the Second Amendment Make Whole/Prepayment Fee Amount, as applicable, in the aforementioned instances. The parties hereto further acknowledge and agree that the First Amendment Make Whole/Prepayment Fee Amount ~~is~~and the Second Amendment Make Whole/Prepayment Fee Amount are not intended to act as a penalty or to punish the Borrower or any other Loan Party for any such prepayment, repayment, redemption or payment.

SECTION 2.13. Interest.

(a) The Loans comprising each Base Rate Borrowing shall bear interest at (i) in the event the Borrower makes a PIK Election, the sum of (A) the Base Rate plus the Applicable Rate applicable to a PIK Election paid in cash plus (B) (x) prior to the First Amendment Effective Date, 3.00% per annum and (y) from and after the First Amendment Effective Date, 3.25% per annum, in each case of clauses (B)(x) and (B)(y), paid in-kind by adding such accrued interest to the outstanding principal balance of the applicable Loans on each Interest Payment Date and after giving effect to the foregoing, such accrued and unpaid interest on the Loans shall be deemed to constitute a portion of the outstanding principal balance of the Term Loans for all purposes of this Agreement and the other Loan Documents, including with respect to the accrual of interest thereon at the rates set forth herein (the "PIK Interest") or (ii) in the event the Borrower makes a Cash Election, the Base Rate plus the Applicable Rate applicable to a Cash Election.

(b) The Loans comprising each SOFR Borrowing shall bear interest at (i) in the event the Borrower makes a PIK Election, the sum of (A) Term SOFR for the Interest Period in effect for such Borrowing plus the Applicable Rate applicable to a PIK Election paid in cash plus (B) the PIK Interest or (ii) in the event the Borrower makes a Cash Election, Term SOFR for the Interest Period in effect for such Borrowing plus the Applicable Rate applicable to a Cash Election.

(c) Notwithstanding the foregoing, automatically upon the occurrence of any Event of Default described in Sections 7.01(a), (b), (i) or (j), and at the direction of the Administrative Agent or the Required Lenders in the case of any Event of Default described in Section 7.01(d) (solely with respect to Section 6.12) or Section 7.01(e), all outstanding Obligations shall bear interest, after as well as before judgment, at a rate per annum equal to (1) in the case of any Loan, 2.00% plus the rate otherwise applicable to such Loan as provided in the preceding paragraphs of this Section 2.13 and (2) in the case of any other amount 2.00% plus the rate applicable to Base Rate Loans as provided in Section 2.13(a) (such rates referred to in this clause (c), the "Default Rates").

(d) Accrued interest on each Loan shall be payable in arrears on each Interest Payment Date for such Loan, provided that (i) interest accrued pursuant to Section 2.13(c) shall be payable on demand, (ii) in the event of any repayment or prepayment of any Loan, accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment and (iii) in the event of any conversion of any SOFR Loan prior to the end of the current Interest Period therefor, accrued interest on such Loan shall be payable on the effective date of such conversion.

(e) All interest hereunder shall be computed on the basis of a year of 360 days, except that interest computed by reference to the Base Rate at times when the Base Rate is based on the Prime Rate shall be computed on the basis of a year of 365 days (or 366 days in a leap year), and in each case shall be payable for the actual number of days elapsed (including the first day but excluding the last day). For the avoidance of doubt, no date of payment shall be included in any computation. The applicable Base Rate or Term SOFR shall be determined by the Administrative Agent, and such determination shall be conclusive absent manifest error.

(f) Notwithstanding anything to the contrary herein, on any Interest Payment Date, the accrued interest on the Term Loans due on such Interest Payment Date may be paid (a) solely in cash at the written election of the Borrower (any such election, a "Cash Election") or (b) partially in cash and partially in kind by increasing the principal amount of the Term Loans by the amount of such interest at the written election of the Borrower (any such election, a "PIK Election"); provided that the Borrower may exercise the PIK Election with respect to any such Interest Payment Date by delivering written notice thereof to the Administrative Agent no later than 1:00 p.m., five Business Days prior to such Interest Payment Date and if the Borrower fails to make any such election, the Borrower shall have deemed to have made the Cash Election for such Interest Payment Date.

(g) Term SOFR for each Interest Period shall be determined by the Administrative Agent, and notice thereof shall be given by the Administrative Agent promptly to the Borrower and each Lender. Each determination of Term SOFR by the Administrative Agent shall be conclusive and binding upon the parties hereto, in the absence of demonstrable error. The Administrative Agent shall, upon written request of the Borrower or any Lender, deliver to the Borrower or such Lender a statement showing the computations used by the Administrative Agent in determining Term SOFR hereunder. In connection with the use or administration of Term SOFR, the Administrative Agent will have the right to make Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Loan Document. The Administrative Agent will promptly notify the Borrower and the Lenders of the effectiveness of any Conforming Changes in connection with the use or administration of Term SOFR.

SECTION 2.14. Benchmark Replacement Setting.

(a) Benchmark Replacement. Notwithstanding anything to the contrary herein or in any other Loan Document, upon the occurrence of a Benchmark Transition Event, the Administrative Agent and the Borrower may amend this Agreement to replace the then-current Benchmark with a Benchmark Replacement. Any such amendment with respect to a Benchmark Transition Event will become effective at 5:00 p.m. (New York City time) on the fifth (5th) Business Day after the Administrative Agent has posted such proposed amendment to all affected Lenders and the Borrower so long as the Administrative Agent has not received, by such time, written notice of objection to such amendment from Lenders comprising the Required Lenders. No replacement of a Benchmark with a Benchmark Replacement pursuant to this Section 2.14(a) will occur prior to the applicable Benchmark Transition Start Date.

(b) Benchmark Replacement Conforming Changes. In connection with the use, administration, adoption or implementation of a Benchmark Replacement, the Administrative Agent, in consultation with the Borrower, will have the right to make Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Loan Document.

(c) Notices; Standards for Decisions and Determinations. The Administrative Agent will promptly notify the Borrower and the Lenders of (i) the implementation of any Benchmark Replacement and (ii) the effectiveness of any Conforming Changes in connection with the use, administration, adoption or implementation of a Benchmark Replacement. The Administrative Agent will promptly notify the Borrower of (x) the removal or reinstatement of any tenor of a Benchmark pursuant to Section 2.14(d) and (y) the commencement of any Benchmark Unavailability Period. Any determination, decision or election that may be made by the Administrative Agent or, if applicable, any Lender (or group of Lenders) pursuant to this Section 2.14, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party to this Agreement or any other Loan Document, except, in each case, as expressly required pursuant to this Section 2.14.

(d) Unavailability of Tenor of Benchmark. Notwithstanding anything to the contrary herein or in any other Loan Document, at any time (including in connection with the implementation of a Benchmark Replacement), (i) if the then-current Benchmark is a term rate (including the Term SOFR Reference Rate) and either (A) any tenor for such Benchmark is not displayed on a screen or other information service that publishes such rate from time to time as selected by the Administrative Agent in its reasonable discretion in consultation with the Borrower or (B) the regulatory supervisor for the administrator of such Benchmark has provided a public statement or publication of information announcing that any tenor for such Benchmark is not or will not be representative, then the Administrative Agent may modify the definition of "Interest Period" (or any similar or analogous definition) for any Benchmark settings at or after such time to remove such unavailable or non-representative tenor and (ii) if a tenor that was removed pursuant to clause (i) above either (A) is subsequently displayed on a screen or information service for a Benchmark (including a Benchmark Replacement) or (B) is not, or is no longer, subject to an announcement that it is not or will not be representative for a Benchmark (including a Benchmark Replacement), then the Administrative Agent may modify the definition of "Interest Period" (or any similar or analogous definition) for all Benchmark settings at or after such time to reinstate such previously removed tenor.

(e) Benchmark Unavailability Period. Upon the Borrower's receipt of notice of the commencement of a Benchmark Unavailability Period, the Borrower may revoke any pending request for a SOFR borrowing of, conversion to or continuation of SOFR Loans to be made, converted or continued during any Benchmark Unavailability Period and, failing that, the Borrower will be deemed to have

converted any such request into a request for a Borrowing of or conversion to Base Rate Loans. During a Benchmark Unavailability Period or at any time that a tenor for the then-current Benchmark is not an Available Tenor, the component of the Base Rate based upon the then-current Benchmark or such tenor for such Benchmark, as applicable, will not be used in any determination of the Base Rate.

SECTION 2.15. Increased Costs.

(a) If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit or similar requirement against assets of, deposits with or for the account of, or credit extended by, any Lender (except any such reserve requirement reflected in Term SOFR); or

(ii) impose on any Lender any Taxes (except for Indemnified Taxes, Other Taxes, and Excluded Taxes) on its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto; or

(iii) impose on any Lender any other condition affecting this Agreement or SOFR Loans made by such Lender or participation therein;

and the result of any of the foregoing shall be to increase the cost to such Lender or such other Recipient of making or maintaining any SOFR Loan (or of maintaining its obligation to make any such Loan) or to increase the cost to such Lender, or to reduce the amount of any sum received or receivable by such Lender or other Recipient hereunder (whether of principal, interest or otherwise), then the Borrower will pay to such Lender or other Recipient, as applicable, such additional amount or amounts as will compensate such Lender or other Recipient, as applicable, for such additional costs incurred or reduction suffered; provided that such Person shall only be entitled to seek such additional amounts if such Person is generally seeking the payment of similar additional amounts from similarly situated borrowers in comparable credit facilities to the extent it is entitled to do so.

(b) If any Lender determines that any Change in Law affecting such Lender or any lending office of such Lender or such Lender's holding company, if any, regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on such Lender's or on the capital of such Lender's holding company, if any, as a consequence of this Agreement or the Loans made by such Lender to a level below that which such Lender or such Lender's holding company could have achieved but for such Change in Law (taking into consideration such Lender's policies and the policies of such Lender's holding company with respect to capital adequacy or liquidity), then from time to time the Borrower will pay to such Lender such additional amount or amounts as will compensate such Lender or such Lender's holding company for any such reduction suffered; provided that such Person shall only be entitled to seek such additional amounts if such Person is generally seeking the payment of similar additional amounts from similarly situated borrowers in comparable credit facilities to the extent it is entitled to do so.

(c) Notwithstanding anything herein to the contrary, (i) all requests, rules, guidelines, requirements and directives promulgated by the Bank for International Settlements, the Basel Committee on Banking Supervision (or any successor or similar authority) or by United States or foreign regulatory authorities, in each case pursuant to Basel III, and (ii) the Dodd-Frank Wall Street Reform and Consumer Protection Act and all requests, rules, guidelines, requirements and directives thereunder or issued in connection therewith or in implementation thereof, shall in each case be deemed to be a change in law, regardless of the date enacted, adopted, issued or implemented.

(d) A certificate of a Lender setting forth in reasonable detail the basis for and computation of the amount or amounts necessary to compensate such Lender or its holding company, as applicable, as specified in Section 2.15(a) or (b) shall be delivered to the Borrower and shall be conclusive absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate within 10 days after receipt thereof.

(e) Failure or delay on the part of any Lender to demand compensation pursuant to this Section 2.15 shall not constitute a waiver of such Lender's right to demand such compensation, provided that the Borrower shall not be required to compensate a Lender pursuant to this Section 2.15 for any increased costs or reductions incurred more than 270 days prior to the date that such Lender notifies the Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's intention to claim compensation therefor, provided, further, that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 270-day period referred to above shall be extended to include the period of retroactive effect thereof.

SECTION 2.16. Break Funding Payments. In the event of (a) the payment of any principal of any SOFR Loan other than on the last day of an Interest Period applicable thereto (including as a result of an Event of Default), (b) the conversion of any SOFR Loan other than on the last day of the Interest Period applicable thereto, (c) the failure to borrow, convert, continue or prepay any Term Loan on the date specified in any notice delivered pursuant hereto (regardless of whether such notice may be revoked under Section 2.11(f) and is revoked in accordance therewith), or (d) the assignment of any SOFR Loan other than on the last day of the Interest Period applicable thereto as a result of a request by the Borrower pursuant to Section 2.19, then, in any such event, the Borrower shall compensate each Lender for the loss, cost and expense attributable to such event (but not lost profits). In the case of a SOFR Loan, such loss, cost or expense to any Lender shall be deemed to include an amount determined by such Lender to be the excess, if any, of (i) the amount of interest that would have accrued on the principal amount of such Loan had such event not occurred, at Term SOFR that would have been applicable to such Loan, for the period from the date of such event to the last day of the then current Interest Period therefor (or, in the case of a failure to borrow, convert or continue, for the period that would have been the Interest Period for such Loan), over (ii) the amount of interest that would accrue on such principal amount for such period at the interest rate that such Lender would bid were it to bid, at the commencement of such period, for dollar deposits of a comparable amount and period from other banks in the SOFR market. A certificate of any Lender setting forth any amount or amounts that such Lender is entitled to receive pursuant to this Section 2.16 shall be delivered to the Borrower and shall be conclusive absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate within 10 days after receipt thereof. Notwithstanding the foregoing, no additional amounts shall be due and payable pursuant to this Section 2.16 to the extent that on the relevant due date the Borrower deposits in a Prepayment Account an amount equal to any payment of SOFR Loans otherwise required to be made on a date that is not the last day of the applicable Interest Period; provided that on the last day of the applicable Interest Period, the Administrative Agent shall be authorized, without any further action by or notice to or from the Borrower or any other Loan Party, to apply such amount to the prepayment of such SOFR Loans. For purposes of this Agreement, the term "Prepayment Account" shall mean a non-interest bearing account established by the Borrower with the Administrative Agent and over which the Administrative Agent shall have exclusive dominion and control, including the right of withdrawal for application in accordance with this Section 2.16.

SECTION 2.17. Taxes.

(a) Any and all payments by or on account of any obligation of any Loan Party hereunder or under any other Loan Document shall be made free and clear of and without deduction or withholding for any Taxes, except as required by applicable law. If any applicable law (as determined in the good faith discretion of an applicable withholding agent) requires the deduction or withholding of any

Tax from any such payment by a withholding agent, then the applicable withholding agent shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law and, if such Tax is an Indemnified Tax or Other Tax, then the sum payable by the Borrower shall be increased as necessary so that after such deduction or withholding has been made (including such deductions and withholdings applicable to additional sums payable under this Section 2.17) the applicable Recipient receives an amount equal to the sum it would have received had no such deduction or withholding been made.

(b) Without duplication of other amounts paid by any Loan Party under this Section 2.17, the applicable Loan Party shall pay any Other Taxes to the relevant Governmental Authority in accordance with applicable law.

(c) The applicable Loan Party shall indemnify the Administrative Agent and each Lender within 30 days after written demand therefor, for the full amount of any Indemnified Taxes or Other Taxes paid by the Administrative Agent or such Lender, as applicable, on or with respect to any payment by or on account of any obligation of such Loan Party hereunder or under any other Loan Document (including Indemnified Taxes or Other Taxes imposed or asserted on or attributable to amounts payable under this Section 2.17), whether or not such Indemnified Taxes or Other Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Borrower by a Lender (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

(d) Each Lender shall severally indemnify the Administrative Agent, within ten (10) days after demand therefor, for (i) any Indemnified Taxes or Other Taxes attributable to such Lender (but only to the extent that the Loan Parties have not already indemnified the Administrative Agent for such Indemnified Taxes or Other Taxes and without limiting or expanding the obligation of the Loan Parties to do so), (ii) any Taxes attributable to such Lender's failure to comply with the provisions of Section 9.04(e) relating to the maintenance of a Participant Register and (iii) any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by the Administrative Agent in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable by the Administrative Agent to the Lender from any other source against any amount due to the Administrative Agent under this paragraph (d).

(e) As soon as practicable after any payment of Indemnified Taxes or Other Taxes by any Loan Party to a Governmental Authority, such Loan Party shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, if any, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(f) Status of Lenders.

(i) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document shall deliver to the Borrower and the Administrative Agent, at the time or times reasonably requested by the Borrower or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Borrower or the Administrative Agent as will permit such payments to be made without

withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Borrower or the Administrative Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in this Section 2.17(f)(ii)(1), (ii)(2) and (ii)(4) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Without limiting the generality of the foregoing,

(1) any Lender that is a U.S. Person shall deliver to the Borrower and the Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed copies of IRS Form W-9 certifying that such Lender is not subject to U.S. federal backup withholding tax;

(2) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), whichever of the following is applicable:

(A) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Loan Document, executed copies of IRS Form W-8BEN or W-8BEN-E establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "interest" article of such tax treaty and (y) with respect to any other applicable payments under any Loan Document, IRS Form W-8BEN or W-8BEN-E establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "business profits" or "other income" article of such tax treaty;

(B) executed copies of IRS Form W-8ECI;

(C) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate substantially in the form of Exhibit I-1 to the effect that such Foreign Lender is not a "bank" within the meaning of Section 881(c)(3)(A) of the Code, a "10 percent shareholder" of the Borrower within the meaning of Section 881(c)(3)(B) of the Code, or a "controlled foreign corporation" related to the Borrower as described in Section 881(c)(3)(C) of the Code (a "U.S. Tax Compliance Certificate") and (y) executed copies of IRS Form W-8BEN or W-8BEN-E; or

(D) to the extent a Foreign Lender is not the beneficial owner, executed copies of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN or W-8BEN-E, a U.S. Tax Compliance Certificate substantially in the form of Exhibit I-2 or Exhibit I-3, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that if the Foreign Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit I-4 on behalf of each such direct and indirect partner;

(3) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed copies of any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit the Borrower or the Administrative Agent to determine the withholding or deduction required to be made; and

(4) if a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (4), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification, provide such successor form, or promptly notify the Borrower and the Administrative Agent in writing of its legal inability to do so.

(g) On or before the date the Administrative Agent becomes a party to this Agreement, the Administrative Agent shall provide to the Borrower, two duly-signed, properly completed copies of the documentation prescribed in clause (i) or (ii) below, as applicable (together with all required attachments thereto): (i) IRS Form W-9 or any successor thereto, or (ii) (A) IRS Form W-8ECI or any successor thereto, and (B) with respect to payments received on account of any Lender, a U.S. branch withholding certificate on IRS Form W-8IMY or any successor thereto evidencing its agreement with the Borrower to be treated as a U.S. Person for U.S. federal withholding purposes. At any time thereafter, the Administrative Agent shall provide updated documentation previously provided (or a successor form thereto) when any documentation previously delivered has expired or become obsolete or invalid or otherwise upon the reasonable request of the Borrower.

(h) If any party determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified (including by payment of additional amounts) pursuant to this Section 2.17, it shall pay over such refund to the indemnifying party (but only to the extent of indemnity payments made, or additional amounts paid, by the indemnifying party under this Section 2.17 with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund), provided that the indemnifying party, upon the request of the indemnified party, agrees to repay the amount paid over to the indemnifying party pursuant to this paragraph (h) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the indemnified

party in the event the indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (h), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this paragraph (h) the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This Section paragraph (h) shall not be construed to require any indemnified party to make available its tax returns (or any other information relating to its taxes that it deems confidential) to the indemnifying party or any other Person.

(i) Failure or delay on the part of any Lender or the Administrative Agent to demand compensation pursuant to the foregoing provisions of this Section 2.17 shall not constitute a waiver of such Lender's or Administrative Agent's right to demand such compensation, provided that the Borrower shall not be required to compensate a Lender or the Administrative Agent pursuant to the foregoing provisions of Section 2.17 for any Taxes or related costs suffered more than 270 days prior to the date that such Lender or the Administrative Agent notifies the Borrower of the event giving rise to such claim and of such Lender's or the Administrative Agent's intention to claim compensation therefor (except that, if the circumstance giving rise to such demand for compensation is retroactive, then the 270-day period referred to above shall be extended to include the period of retroactive effect thereof).

(j) Each party's obligations under this Section 2.17 shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all obligations under any Loan Document.

(k) Borrower and each Lender acknowledge and agree that, for U.S. federal and other applicable income tax purposes, the Term Loans have original issue discount ("OID") within the meaning of Section 1272 of the Code, and shall not be treated as "contingent payment debt instruments" as defined pursuant to Treasury Regulation Section 1.1275-4. Information regarding the amount of any OID, the issue price, the issue date and the yield to maturity of the Term Loans may be obtained by writing to the Borrower at the address specified in Section 9.01. Neither Borrower nor any Lender shall take any tax position inconsistent with this Section 2.17(k) unless otherwise required by the final determination of a tax authority following a tax audit or examination.

SECTION 2.18. Payments Generally; Pro Rata Treatment; Sharing of Setoffs.

(a) The Borrower shall make each payment required to be made by it hereunder or under any other Loan Document (whether of principal, interest or fees (including any Make Whole/Prepayment Fee Amount), or of amounts payable under Section 2.15, 2.16 or 2.17, or otherwise) at or prior to the time expressly required hereunder or under such other Loan Document for such payment (or, if no such time is expressly required, prior to 2:00 p.m., New York City time), on the date when due, in immediately available funds, without setoff or counterclaim. Any amounts received after such time on any date may, in the discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All such payments shall be made to the Administrative Agent at its offices at the account as most recently designated in writing for the receipt of such payments, except that payments pursuant to Sections 2.15, 2.16, 2.17 and 9.03 shall be made directly to the Persons entitled thereto and payments pursuant to other Loan Documents shall be made to the Persons specified therein. The Administrative Agent shall distribute any such payments received by it for the account of any other Person to the appropriate recipient promptly following receipt thereof. If any payment under any Loan Document shall be due on a day that is not a Business Day, the date for payment shall be extended to the next succeeding Business Day, and, in the case of any payment accruing interest, interest thereon shall be payable for the period of such extension. All payments under each Loan Document shall be made in dollars.

(b) If at any time insufficient funds are received by and available to the Administrative Agent to pay fully all amounts of principal, interest and fees then due hereunder, such funds shall be applied (i) first, towards payment of interest and fees then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of interest and fees then due to such parties, and (ii) second, towards payment of principal then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of principal then due to such parties.

(c) [Reserved].

(d) Unless the Administrative Agent shall have received notice from the Borrower prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders hereunder that the Borrower will not make such payment, the Administrative Agent may assume that the Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption and in its sole discretion, distribute to the Lenders the amount due. In such event, if the Borrower has not in fact made such payment, then each of the Lenders severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.

(e) If any Lender shall fail to make any payment required to be made by it pursuant to Section 2.06, 2.18(d) or 9.03(c), then the Administrative Agent may, in its discretion (notwithstanding any contrary provision hereof), apply any amounts thereafter received by the Administrative Agent for the account of such Lender to satisfy such Lender's obligations under such Sections until all such unsatisfied obligations are fully paid.

(f) Notwithstanding any contrary provision set forth herein or in any other Loan Document, (i) during the continuance of an Event of Default, the Administrative Agent may, and shall upon the direction of Required Lenders apply any and all payments received by the Administrative Agent in respect of any Obligation in accordance with clauses first through sixth below; and (ii) all payments made by Loan Parties to the Administrative Agent after any or all of the Obligations under the Loan Documents have been accelerated (so long as such acceleration has not been rescinded) or have otherwise matured, including proceeds of Collateral, shall be applied as follows:

(i) first, to payment of costs, expenses and indemnities of the Administrative Agent payable or reimbursable by the Loan Parties under the Loan Documents;

(ii) second, to payment of costs, expenses and indemnities of Lenders payable or reimbursable by the Loan Parties under this Agreement;

(iii) third, to payment of all accrued unpaid interest on the Obligations and fees owed to the Administrative Agent and the Lenders (whether or not accruing after the filing of any case under the Bankruptcy Code with respect to any Obligations and whether or not a claim for such post-filing or post-petition interest, fees, and charges is allowed or allowable in any such proceeding);

(iv) fourth, to payment of principal of the Obligations (including any Make Whole/Prepayment Fee Amount) then due and payable to the extent not then due and payable;

(v) fifth, to payment of any other amounts owing constituting Obligations; and

(vi) sixth, any remainder shall be for the account of and paid to whoever may be lawfully entitled thereto.

In carrying out the foregoing, (i) amounts received shall be applied to each category in the numerical order provided until exhausted prior to the application to the immediately succeeding category, (ii) each of the Lenders or other Persons entitled to payment shall receive an amount equal to its pro rata share of amounts available to be applied pursuant to clauses third, fourth and fifth above and (iii) no payments by a Guarantor and no proceeds of Collateral of a Guarantor shall be applied to Obligations, the guaranty of which by such Guarantor would constitute an Excluded Swap Obligation. Notwithstanding the foregoing, obligations in respect of Swap Agreements with parties that are not Affiliates of the Administrative Agent shall be excluded from the application described above unless at least three Business Days prior to any distribution, the Administrative Agent has received written notice from the applicable Credit Party (or its Affiliate) of the amount of Obligations in respect of Swap Agreements or then due and payable, together with such supporting documentation as Agent may request.

SECTION 2.19. Mitigation Obligations; Replacement of Lenders.

(a) If any Lender requests compensation under Section 2.15, or if the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17, then such Lender shall use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 2.15 or 2.17, as applicable, in the future and (ii) would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender. The Borrower hereby agrees to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

(b) If (i) any Lender requests compensation under Section 2.15, or if the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17, or (ii) any Lender becomes a Defaulting Lender, then the Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 9.04), all its interests, rights and obligations under this Agreement to an assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment), provided that (i) the Borrower shall have received the prior written consent of the Administrative Agent, which consent shall not unreasonably be withheld, (ii) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder, from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts) and (iii) in the case of any such assignment resulting from a claim for compensation under Section 2.15 or payments required to be made pursuant to Section 2.17, such assignment will result in a material reduction in such compensation or payments. A Lender shall not be required to make any such assignment and delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrower to require such assignment and delegation cease to apply.

ARTICLE III

Representations and Warranties

The Borrower represents and warrants to the Lenders that:

SECTION 3.01. Organization; Power. Each of the Borrower and the Subsidiaries (a) is duly organized or formed, validly existing and in good standing under the laws of the jurisdiction of its incorporation or organization, (b) has the power and authority and all governmental rights, qualifications, approvals, authorizations, permits, accreditations, licenses and franchises material to the business of the Borrower and the Subsidiaries taken as a whole that are necessary to own its assets, to carry on its business as now conducted and as proposed to be conducted and, in the case of the Loan Parties, to execute, deliver and perform its obligations under each Loan Document to which it is a party and (c) except where the failure to do so, individually or in the aggregate, is not reasonably likely to result in a Material Adverse Effect, is qualified to do business in, and is in good standing in, every jurisdiction where such qualification is required.

SECTION 3.02. Authorization; Enforceability. The Transactions to be entered into by each Loan Party have been duly authorized by all necessary corporate or other action and, if required, stockholder action. This Agreement has been duly executed and delivered by the Borrower and constitutes, and each other Loan Document to which any Loan Party is to be a party, when executed and delivered by such Loan Party, will constitute, a legal, valid and binding obligation of the Borrower or such Loan Party, as applicable, enforceable in accordance with its terms, subject to applicable bankruptcy, insolvency, reorganization, moratorium or other laws affecting creditors' rights generally and subject to general principles of equity, regardless of whether considered in a proceeding in equity or at law.

SECTION 3.03. Governmental Approvals; No Conflicts. Except as set forth in Schedule 3.03 the Transactions (a) do not require any consent or approval of, registration or filing with, or any other action by, any Governmental Authority, except such as have been obtained or made and are in full force and effect and except those that are required or permitted to be obtained following consummation of the Transactions, the absence of which individually or in the aggregate are not reasonably likely to result in a Material Adverse Effect and filings necessary to perfect Liens created under the Loan Documents, (b) will not violate any Requirement of Law applicable to the Borrower or any of the Subsidiaries, as applicable, (c) will not violate or result in a default under any indenture or other material agreement or instrument binding upon the Borrower or any of the Subsidiaries or any of their assets, or give rise to a right thereunder to require any payment to be made by the Borrower or any of the Subsidiaries or give rise to a right of, or result in, termination, cancellation or acceleration of any material obligation thereunder, (d) will not result in the creation or imposition of any Lien on any asset of the Borrower or any of the Subsidiaries, except Liens created under the Loan Documents and (e) will not violate any judgment, order, decree or injunction that is binding upon any Loan Party or any of their respective properties.

SECTION 3.04. Financial Condition; No Material Adverse Change; Projections; No Default.

(a) The Borrower has heretofore furnished to the Lenders the Annual Financial Statements. Such Annual Financial Statements present fairly, in all material respects, the financial position and results of operations and cash flows of the Borrower and the Subsidiaries as of such dates and for such periods in accordance with GAAP consistently applied.

(b) The Borrower has heretofore furnished to the Lenders the Pro Forma Financial Statements. Such Pro Forma Financial Statements have been prepared in good faith by the Borrower.

(c) Except for (i) liabilities reflected in or reserved against in the financial statements referred to above or the notes thereto, (ii) liabilities incurred in the ordinary course of business and (iii) liabilities incurred in connection with the Transactions, after giving effect to the Transactions, none of the Borrower or the Subsidiaries has, as of the Effective Date, any liabilities that are, individually or in the aggregate, reasonably likely to result in a Material Adverse Effect.

(d) No event, change, condition or state of facts has occurred that has resulted in, or is reasonably likely to result in, individually or in the aggregate, a Material Adverse Effect since June 30, 2022.

(e) The Projections have been prepared in good faith based upon assumptions believed by the Borrower to be reasonable at the time furnished, it being recognized by the Agents and the Lenders that such Projections as to future events are not to be viewed as facts and that actual results during the period or periods covered by any such Projections may differ from the projected results and such differences may be material.

(f) No Default or Event of Default exists or would immediately result from the incurrence by any Loan Party of any Indebtedness hereunder or under any other Loan Document.

(g) As of the Effective Date, the Borrower and its Subsidiaries have no Indebtedness other than the Google Note and Indebtedness set forth in Schedule 6.01(iii).

(h) As of the Effective Date, other than the Loan Documents, the Borrower and its Subsidiaries are not party to any agreement or other arrangement that prohibits, restricts or imposes any condition upon (i) the ability of the Borrower or any Subsidiary to create, incur or permit to exist any Lien upon any of its property or assets or (ii) the ability of any Subsidiary to make Investments or to pay dividends or other distributions with respect to any shares of its capital stock or to make or repay loans or advances to the Borrower or any Subsidiary or to Guarantee Indebtedness of the Borrower or any other Subsidiary. The foregoing sentence shall not apply to restrictions and conditions (A) imposed by law or by any Loan Document, (B) existing on the Effective Date and identified on Schedule 6.10 (but shall apply to any extension or renewal of, or any amendment or modification expanding the scope of, any such restriction or condition unless such amendment is not otherwise prohibited by Section 6.11), (C) contained in agreements relating to the sale of a Subsidiary pending such sale, provided such restrictions and conditions apply only to the Subsidiary that is to be sold and such sale is permitted hereunder, (D) imposed by any customary provisions restricting assignment of any agreement entered into the ordinary course of business, (E) imposed by any instrument or agreement governing Indebtedness of a Subsidiary acquired by the Borrower or any of the Subsidiaries as in effect at the time of such acquisition (except to the extent such Indebtedness was incurred in connection with or in contemplation of such acquisition), which encumbrance or restriction is not applicable to any Person, or the properties or assets of any such Person, other than the Person or any of its Subsidiaries, so acquired (provided that such Indebtedness was permitted by Section 6.01 to be incurred), (F) imposed by any instrument or agreement governing Indebtedness of the Borrower or any Subsidiary that is incurred or issued subsequent to the Effective Date and is permitted pursuant to Section 6.01 (provided that the restrictions in such Indebtedness are not materially more restrictive in the aggregate than the restrictions contained in this Agreement) and (G) solely with respect to clause (i), customary provisions in leases restricting the assignment thereof.

SECTION 3.05. Properties.

(a) Each of the Borrower and the Subsidiaries has good title to, or valid leasehold interests in, all its real and personal property material to its business, free and clear of all Liens, except for Liens expressly permitted pursuant to Section 6.02.

(b) Each of the Borrower and the Subsidiaries owns, licenses or possesses the right to use all trademarks, trade names, copyrights, patents and other intellectual property material to its business, and the use thereof by the Borrower and the Subsidiaries does not, to the knowledge of the Borrower, infringe upon the rights of any other Person.

(c) Schedule 3.05 sets forth the address of each real property owned, leased or otherwise held by any of the Loan Parties as of the Effective Date after giving effect to the Transactions.

(d) No Mortgage encumbers improved real property that is located in an area that has been identified by the Secretary of Housing and Urban Development as an area having special flood hazards within the meaning of the National Flood Insurance Act of 1968 unless flood insurance available under such Act has been obtained in accordance with Section 5.07 unless waived by the Administrative Agent in its sole discretion.

SECTION 3.06. Litigation. Except as set forth on Schedule 3.06, there are no actions, suits or proceedings by or before any arbitrator or Governmental Authority pending against or, to the knowledge of the Borrower, threatened in writing against or affecting the Borrower or any Subsidiary that would reasonably be likely to, individually or in the aggregate, (i) result in a Material Adverse Effect or (ii) adversely affect in any material respect the ability of the Loan Parties to consummate the Transactions or the other transactions contemplated hereby.

SECTION 3.07. Compliance with Laws and Agreements. Except as set forth in Schedule 3.07, and as is not reasonably likely to result in, individually or in the aggregate, a Material Adverse Effect, each of the Borrower and the Subsidiaries is in compliance with all Requirements of Law (including all Health Care Laws and Public Health Laws) applicable to it or its property and all indentures, agreements and other instruments binding upon it or its property.

SECTION 3.08. Investment Company Status. No Loan Party is or is required to be registered as an "investment company" under the Investment Company Act of 1940.

SECTION 3.09. Taxes. Each of the Borrower and the Subsidiaries has filed or caused to be filed all Federal and other material Tax returns and reports required to have been filed and has paid or caused to be paid all Taxes required to have been paid by it, except (a) any Taxes that are being contested in good faith by appropriate proceedings and for which the Borrower or such Subsidiary, as applicable, has set aside on its books adequate reserves in accordance with GAAP or (b) to the extent that the failure to do so is not reasonably likely, individually or in the aggregate, to result in a Material Adverse Effect.

SECTION 3.10. ERISA. No ERISA Event has occurred, or is reasonably likely to occur that, when taken together with all other such ERISA Events for which liability is reasonably likely to occur, is reasonably likely to result in a Material Adverse Effect. The present value of all accumulated benefit obligations under each Plan did not, as of the date of the most recent financial statements reflecting such amounts, exceed the fair value of the assets of such Plan, except as would not reasonably be likely to result in a Material Adverse Effect.

SECTION 3.11. Reports. As of the Effective Date, none of the other written reports, financial statements, certificates or other written information furnished by or on behalf of any Loan Party to the Administrative Agent or any Lender in connection with the negotiation of this Agreement or any other Loan Document or delivered hereunder or thereunder (as modified or supplemented by other information so furnished and taken as a whole) contains any material misstatement of fact or omits to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, provided that the foregoing shall not apply to any projected financial

information other than the projected financial information included in such information and with respect to such projected financial information, the Borrower represents only that such information was prepared in good faith based upon assumptions believed by it to be reasonable at the time delivered.

SECTION 3.12. Subsidiaries. As of the Effective Date, the Borrower does not have any subsidiaries other than the Subsidiaries listed on Schedule 3.12. Schedule 3.12 sets forth the name of, and the ownership or beneficial interest of the Borrower in, each Subsidiary and identifies whether such Subsidiary is a Subsidiary Loan Party.

SECTION 3.13. Insurance. Schedule 3.13 sets forth a description of all insurance maintained by or on behalf of the Borrower and the Subsidiaries as of the Effective Date. As of the Effective Date, all premiums in respect of such insurance have been paid. The Borrower believes that the insurance maintained by or on behalf of the Borrower and the Subsidiaries is adequate.

SECTION 3.14. Labor Matters. As of the Effective Date, there are no strikes, lockouts or slowdowns against the Borrower or any Subsidiary pending or, to the knowledge of the Borrower, threatened in writing. The hours worked by and payments made to employees of the Borrower or the Subsidiaries have not been in violation of the Fair Labor Standards Act or any other applicable Federal, state, local or foreign law dealing with such matters in any manner. All payments due from the Borrower or any Subsidiary, or for which any claim may be made against the Borrower or any Subsidiary, on account of wages and employee health and welfare insurance and other benefits, have been paid or accrued as a liability on the books of the Borrower or such Subsidiary. The consummation of the Transactions will not give rise to any right of termination or right of renegotiation on the part of any union under any collective bargaining agreement to which the Borrower or any Subsidiary is bound. Set forth on Schedule 3.14 is a list and description (including dates of termination) of all collective bargaining or similar agreements between or applicable to the Borrower or any of its Subsidiaries and any union, labor organization or other bargaining agent in respect of the employees of the Borrower or any of its Subsidiaries.

SECTION 3.15. Solvency. Immediately after the consummation of the Transactions to occur on the Effective Date, (a) the fair value of the assets of the Borrower, and its subsidiaries, on a consolidated basis, at fair valuation, exceeds, on a consolidated basis, their debts and liabilities, subordinated, contingent or otherwise, (b) the present fair saleable value of the property of the Borrower and its subsidiaries, on a consolidated basis, is greater than the amount that will be required to pay the probable liability, on a consolidated basis, of their debts and other liabilities, subordinated, contingent or otherwise, as such debts and other liabilities become absolute and matured, (c) the Borrower and its subsidiaries, on a consolidated basis, are able to pay their debts and liabilities, subordinated, contingent or otherwise, as such liabilities become absolute and matured and (d) the Borrower and its subsidiaries, on a consolidated basis, do not have unreasonably small capital with which to conduct the business in which they are engaged as such business is now conducted and is proposed to be conducted following the date hereof.

SECTION 3.16. Margin Regulations. The Borrower is not engaged nor will it engage, principally or as one of its important activities, in the business of purchasing or carrying margin stock (within the meaning of Regulation U issued by the Board), or extending credit for the purpose of purchasing or carrying margin stock, and no proceeds of any Borrowings will be used for any purpose that violates Regulation U.

SECTION 3.17. Patriot Act.

(a) Neither the Borrower nor any Subsidiary is in violation of any requirement of applicable Law relating to terrorism or money laundering ("Anti-Terrorism Laws"), including Executive

Order No. 13224 on Terrorist Financing, effective September 24, 2001 (the "Executive Order"), and the Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism Act of 2001, Public Law 107-56 (the "USA Patriot Act").

(b) Neither the Borrower nor any Subsidiary nor, to the knowledge of the Borrower, any broker or other agent of the Borrower or any of its Subsidiaries acting or benefiting in any capacity in connection with the Loans is any of the following:

(i) a Person that is listed in the annex to, or is otherwise subject to the provisions of, the Executive Order;

(ii) a Person owned or controlled by, or acting for or on behalf of, any Person that is listed in the annex to, or is otherwise subject to the provisions of, the Executive Order;

(iii) a Person with which any Lender is prohibited from dealing or otherwise engaging in any transaction by any Anti-Terrorism Law;

(iv) a Person that commits, threatens or conspires to commit or supports "terrorism" as defined in the Executive Order; or

(v) a Person that is named as a "specially designated national and blocked person" on the most current list published by the U.S. Treasury Department Office of Foreign Assets Control ("OFAC") at its official website or any replacement website or other replacement official publication of such list.

(c) Neither the Borrower nor any of its Subsidiaries and, to the knowledge of the Borrower, no broker or other agent of the Borrower or any of its Subsidiaries acting in any capacity in connection with the Loans (i) conducts any business or engages in making or receiving any contribution of funds, goods or services to or for the benefit of any person described in Section 3.17(b) above in violation of any Anti-Terrorism Law, (ii) deals in, or otherwise engages in any transaction relating to, any property or interests in property blocked pursuant to the Executive Order in violation of any Anti-Terrorism Law, or (iii) engages in or conspires to engage in any transaction that evades or avoids, or has the purpose of evading or avoiding, or attempts to violate, any of the prohibitions set forth in any Anti-Terrorism Law.

SECTION 3.18. Anti-Corruption Laws. The Borrower has implemented and maintains in effect policies and procedures reasonably designed to ensure compliance by the Borrower, its Subsidiaries, and their respective directors, officers, employees and agents with applicable Anti-Corruption Laws, and except as is not reasonably likely to result in, individually or in the aggregate, a Material Adverse Effect, the Borrower, its Subsidiaries and their respective officers and employees and to the knowledge of the Borrower, its directors and agents, are in compliance with Anti-Corruption Laws in all material respects. No part of the proceeds of any Loans hereunder will be used directly, by the Borrower or any Subsidiary or indirectly, to the knowledge of the Borrower, in order to obtain, retain or direct business or obtain any improper advantage, in violation of any Anti-Corruption Laws.

SECTION 3.19. Intellectual Property; Licenses, Etc. The Borrower and the Subsidiaries own, license or possess the right to use, all of the trademarks, service marks, trade names, domain names, copyrights, patents, patent rights, licenses, technology, software, know-how database rights, design rights and other intellectual property rights (collectively, "IP Rights") that are reasonably necessary for the operation of their respective businesses as currently conducted, and, without conflict with the rights of any Person, except to the extent such conflicts, either individually or in the aggregate, are not reasonably likely to result in a Material Adverse Effect. The Borrower and the Subsidiaries in the operation of their respective

businesses as currently conducted do not infringe upon any rights held by any Person except for such infringements, individually or in the aggregate, which are not reasonably likely to result in a Material Adverse Effect. No claim or litigation regarding any of the IP Rights, owned by the Borrower or the Subsidiaries is pending or, to the knowledge of the Borrower, threatened against the Borrower or any Subsidiary in which the amount of damages claimed is $2,500,000 or more.

Except pursuant to licenses and other user agreements entered into by the Borrower or any Subsidiary in the ordinary course of business, on and as of the date hereof (i) each such Person owns and possesses the right to use, and has done nothing to authorize or enable any other Person to use, any copyright, patent or trademark listed in Section 10(a), 10(b) or 10(c) of the Perfection Certificate and (ii) all registrations listed in Section 10(c) of the Perfection Certificate are valid and in full force and effect, except, in each case, to the extent failure to own or possess such right to use or of such registrations to be valid and in full force and effect is not reasonably likely, individually or in the aggregate, to result in a Material Adverse Effect.

SECTION 3.20. [Reserved].

SECTION 3.21. Environmental Compliance.

(a) Except with respect to any matters that have been resolved in compliance with Environmental Law or that, individually or in the aggregate, are not reasonably likely to result in a Material Adverse Effect, (i) neither the Borrower nor any Subsidiary has failed to comply with any Environmental Law or to obtain, maintain or comply with any required Environmental Permit or to provide any notification required under any Environmental Law or has become subject to any Environmental Liability, and (ii) neither the Borrower nor any Subsidiary has received any written notice of any claims, actions, suits, or proceedings alleging potential liability or violation of, any Environmental Law, and to Borrower's knowledge no such claims, actions, suits or proceedings are threatened.

(b) Except as not reasonably likely to result in, individually or in the aggregate, a Material Adverse Effect, (i) none of the properties currently or formerly owned, leased or operated by the Borrower or any of the Subsidiaries is listed or proposed for listing on the NPL or on the CERCLIS or any analogous foreign, state or local list; (ii) there are no underground storage tanks or surface impoundments, septic tanks, pits, sumps or lagoons in which Hazardous Materials are being or have been treated, stored or disposed on any property currently owned, leased or operated by the Borrower or any of the Subsidiaries, or, to the Borrower's knowledge, on any property formerly owned or operated by the Borrower or any of its Subsidiaries; (iii) there is no asbestos or asbestos-containing material in violation of Environmental Law at or on any facility, equipment or property currently owned or operated by the Borrower or any of the Subsidiaries; and (iv) to the Borrower's knowledge, there has been no Release of Hazardous Materials by any Person on any property currently or formerly owned, leased or operated by the Borrower or any of the Subsidiaries and there has been no Release of Hazardous Materials by the Borrower or any of the Subsidiaries at any other location.

(c) To the Borrower's knowledge, the properties owned, leased or operated by the Borrower or the Subsidiaries do not contain any Hazardous Materials in amounts or concentrations which (i) constitute, or constituted a violation of, or (ii) require remedial action under, Environmental Laws, which violations and remedial actions, individually or in the aggregate, are reasonably likely to result in a Material Adverse Effect.

(d) Neither the Borrower nor any Subsidiary are conducting or financing, either individually or together with other potentially responsible parties, any investigation or assessment or remedial or response action relating to any actual or threatened Release of Hazardous Materials at any site, location or operation, either voluntarily or pursuant to the order of any Governmental Authority or the requirements of any Environmental Law except for such investigation or assessment or remedial or response action that, individually or in the aggregate, is not reasonably likely to result in a Material Adverse Effect.

(e) To the Borrower's knowledge, all Hazardous Materials generated, used, treated, handled or stored at, or transported to or from, any property currently or formerly owned or operated by the Borrower, or any Subsidiary have been disposed of in a manner compliant with Environmental Law, except to the extent not reasonably likely to result in, individually or in the aggregate, a Material Adverse Effect.

(f) Except for environmental provisions contained within leases executed by Borrower or any Subsidiary, and except as would not be reasonably likely to result in, individually or in the aggregate, a Material Adverse Effect, neither the Borrower nor any Subsidiary has contractually assumed any liability or obligation under or relating to any Environmental Law.

SECTION 3.22. Health Care Regulatory Matters.

(a) As of the Effective Date, each Loan Party is in compliance with, and is conducting and, for the six years preceding the Effective Date, has conducted its respective business and operations in compliance with, the requirements of all Health Care Laws and Public Health Laws, except for such non-compliance which, individually or in the aggregate, is not reasonably likely to result in a Material Adverse Effect.

(b) The Borrower and its Subsidiaries have all Registrations issued or supervised by any Public Health Regulatory Agency or other Governmental Authority required to conduct their respective businesses as currently conducted, except where the failure to have all such Registrations could not reasonably be expected to, individually or in the aggregate, result in Material Regulatory Liabilities. Each of such Registrations is valid and subsisting in full force and effect, except where the failure to be so could not reasonably be expected to, individually or in the aggregate, result in Material Regulatory Liabilities. To the knowledge of the Borrower and its Subsidiaries, none of any Public Health Regulatory Agency or any other Governmental Authority is considering limiting, suspending, or revoking such party's submission to any Public Health Regulatory Agency or any other Governmental Authority; provided, that, in each case of the foregoing clauses, where such false or misleading information or omissions could not reasonably be expected to, individually or in the aggregate, result in Material Regulatory Liabilities and excluding any material limitations or omissions that were clearly disclosed to the recipient of a listed item. The Borrower and its Subsidiaries have not failed to fulfill and perform their obligations which are due under each Registration held by or licensed to them, and no event has occurred or condition or state of facts exists which would constitute a breach or default under any such Registration, in each case that would reasonably be expected to cause Material Regulatory Liabilities. To the knowledge of the Borrower and its Subsidiaries, any third party that is a manufacturer or contractor for the Borrower and its Subsidiaries is in compliance with all Registrations from any Public Health Regulatory Agency and any other Governmental Authority insofar as they pertain to the manufacture of product components or products or the analysis or generation of data for the Borrower and its Subsidiaries, except where the failure to so be in compliance would not reasonably be expected to, individually or in the aggregate, result in Material Regulatory Liabilities.

(c) All products developed, manufactured, tested, distributed, marketed, or sold by or on behalf of the Borrower and its Subsidiaries that are subject to the jurisdiction of any Public Health Regulatory Agency or any other Governmental Authority (x) have been and are being developed, tested, manufactured, investigated, distributed, marketed, and sold in compliance with the applicable Public Health Laws or any other applicable Law, including, without limitation and to the extent applicable, in material compliance with any pre-market notification or pre-market approval requirements, good manufacturing practices, quality system requirements, labeling requirements, advertising requirements, record keeping

requirements and adverse event reporting requirements, and (y) have been and are being tested, investigated, distributed, marketed, and sold in compliance with the applicable Public Health Laws or any other applicable Law, except, in each case of clauses (x) and (y), where such noncompliance would not reasonably be expected to, individually or in the aggregate, result in Material Regulatory Liabilities.

(d) The Borrower and its Subsidiaries have not received and are not subject to any administrative or regulatory action, warning letter, notice of violation letter, or other similar written notice, complaint or inquiry made by any Public Health Regulatory Agency or any other Governmental Authority asserting that the development, testing, investigation, manufacture, distribution, marketing or sale of the products of any Borrower or any of its Subsidiaries is not in compliance with any applicable law, except those noncompliance that could not reasonably be expected to, individually or in the aggregate, result in Material Regulatory Liabilities. To the extent applicable, (x) the Borrower and its Subsidiaries have made all notifications, submissions, and reports required by any such Governmental Authority, and (y) all such notifications, submissions and reports provided by the Borrower and its Subsidiaries were, to their knowledge, true, complete, and correct in all material respects as of the date of submission to any Public Health Regulatory Agency or any other Governmental Authority, except, where such failure to comply with (x) or (y) could not reasonably be expected to, individually or in the aggregate, result in Material Regulatory Liabilities.

(e) No product of the Borrower or its Subsidiaries has been seized, withdrawn, recalled, detained, or subject to a suspension of manufacturing, and, to the knowledge of the Borrower, there are no facts or circumstances reasonably likely to cause (x) the seizure, denial, withdrawal, recall, detention, field notification, field correction, safety alert or suspension of manufacturing relating to any such product; (y) a material adverse change in the labeling of any such product; or (z) a termination, seizure or suspension of marketing of any such product, except, in each case, where such events could not reasonably be expected to, individually or in the aggregate, result in Material Regulatory Liabilities. No proceedings in the United States or any other jurisdiction seeking the withdrawal, recall, suspension, import detention, or seizure of any such product are pending or, to the knowledge the Borrower or its Subsidiaries, threatened against the Borrower and its Subsidiaries, except where such proceeding could not reasonably be expected to, individually or in the aggregate, result in Material Regulatory Liability.

SECTION 3.23. Deposit Accounts and Securities Accounts. Schedule 3.23 sets forth a complete and accurate list as of the Effective Date of all deposit, checking, and other bank accounts, all securities and other accounts maintained with any broker dealer or other securities intermediary, and all other similar accounts maintained by each Loan Party, together with a description thereof (including the bank, broker dealer, or securities intermediary at which each such account is maintained and the account number and the purpose thereof). All such accounts shall be subject to Control Agreements to the extent required by the Collateral Agreement.

SECTION 3.24. Use of Proceeds. The proceeds of the Term Loans will used by the Borrower for the purposes specified in Section 5.11 of this Agreement.

SECTION 3.25. Absence of Undisclosed Liabilities. Neither the Borrower nor any Subsidiary has any Liabilities or obligations of any nature (whether known or unknown, accrued, absolute, contingent or otherwise, and whether due or to become due), whether based on strict liability, negligence, breach of warranty (express or implied), other than Liabilities (a) accrued, reflected or reserved against in the Annual Financial Statements dated December 31, 2021 or (b) that are current liabilities incurred in the ordinary course of business of the Borrower and its Subsidiaries since December 31, 2021.

ARTICLE IV

Conditions

SECTION 4.01. Effective Date. The obligations of the Lenders to make Loans hereunder shall not become effective until the date on which each of the following conditions is satisfied (or waived):

(a) There shall not have occurred a Material Adverse Effect on the Borrower and its Subsidiaries, taken as a whole, since June 30, 2022.

(b) The Administrative Agent shall have received unaudited consolidated balance sheets and related statements of income and cash flows of the Borrower for the fiscal quarter ending June 30, 2022.

(c) The Administrative Agent shall have received financial projections for the Borrower and its subsidiaries for the three year period following the Effective Date.

Best Company, Inc. and has not denied or disputed coverage) in an aggregate amount in excess of $10,000,000 shall be rendered against a Loan Party, or any combination thereof and the same shall remain unpaid or undischarged for a period of 30 consecutive days during which execution shall not be effectively stayed, or any action shall be legally taken by a judgment creditor to attach or levy upon any assets of the Borrower or any Subsidiary to enforce any such judgment;

(m) an ERISA Event shall have occurred that, in the opinion of the Required Lenders, when taken together with all other ERISA Events that have occurred, could reasonably be expected to result in liability of the Borrower and the Subsidiaries in an aggregate amount exceeding $10,000,000 for all periods;

(n) any Lien purported to be created under any Security Document for any reason (other than pursuant to the terms thereof including as a result of a transaction permitted under this Agreement) shall cease to be, or shall be asserted by any Loan Party not to be, a valid and perfected (if and to the extent required to be perfected under the Loan Documents) Lien on any material portion of the Collateral with the priority required by the applicable Security Document, except (i) as a result of the sale or other disposition of the applicable Collateral in a transaction permitted under the Loan Documents or (ii) as a result of the Administrative Agent's failure to maintain possession of any stock certificates, promissory notes or other instruments delivered to it under the Collateral Agreement;

(o) any Loan Document shall for any reason be asserted by any Loan Party not to be a legal, valid and binding obligation of any party thereto;

(p) the Guarantees of the Obligations by the Borrower and the Subsidiary Loan Parties pursuant to the Collateral Agreement shall cease to be in full force and effect (other than in accordance with the terms of the Loan Documents) or shall be asserted by the Borrower or any Subsidiary Loan Party not to be in effect or not to be legal, valid and binding obligations;

(r) a Change of Control shall occur;

(s) any Material Regulatory Liability shall occur;

(t) any Registration shall be terminated, forfeited or revoked or shall fail to be renewed for any reason other than Borrower's reasonable determination, in consultation with the Administrative Agent, that such Registration is no longer required for its ongoing operations, or shall be modified in a manner materially adverse to the Borrower and its Subsidiaries;

(u) any writ, judgment, warrant of attachment, execution or similar process shall be issued or levied against a substantial or material part of a Loan Party's properties, and such writ, judgment, warrant of attachment, execution or similar process shall not be released, vacated or fully bonded within 30 days after commencement, filing or levy; or

(v) a Loan Party shall be enjoined, restrained or in any way prevented by any Governmental Authority from conducting any material part of its business for a material period of time; a Loan Party shall suffer the loss, revocation or termination of any material license, permit, lease or agreement necessary to its business; or any material property of a Loan Party shall be taken or impaired through condemnation,

then, and in every such event (other than an event with respect to the Borrower described in Section 7.01(h) or (i)), and at any time thereafter during the continuance of such event, the Administrative Agent may, and at the request of the Required Lenders shall, by notice to the Borrower, take either or both of the following actions, at the same or different times: (i) terminate the Commitments, and thereupon the Commitments shall terminate immediately, and (ii) declare the Loans then outstanding to be due and payable in whole (or in part, in which case any principal not so declared to be due and payable may thereafter be declared to be due and payable), and thereupon the principal of the Loans so declared to be due and payable, together with accrued interest thereon and all fees and other obligations of the Borrower accrued hereunder (including

any Make Whole/Prepayment Fee Amount), shall become due and payable immediately, without presentment, demand, protest or other notice of any kind, all of which are hereby waived by the Borrower; and in case of any event with respect to the Borrower described in Section 7.01(i) or (j), the Commitments shall automatically terminate and the principal of the Loans then outstanding, together with accrued interest thereon and all fees and other obligations of the Borrower accrued hereunder, shall automatically become due and payable, without presentment, demand, protest or other notice of any kind, all of which are hereby waived by the Borrower; provided that, the foregoing actions may not be taken in the case of an Event of Default under Section 6.12(b), until the ability to exercise the Cure Right under Section 7.02 has expired (but may be taken as soon as the ability to exercise the Cure Right has expired or to the extent that the Borrower has confirmed in writing that it does not intend to provide the Cure Amount).

SECTION 7.02. Right to Cure. Notwithstanding anything to the contrary contained in this Article 7, in the event that the Borrower fails to comply with the requirements of Section 6.12(b) as of the end of any relevant fiscal quarter, the Borrower shall have the right (the "Cure Right") (at any time during such fiscal quarter or thereafter until the date that is ten Business Days after the date on which the financial statements for such quarter were required to have been delivered in accordance with Section 5.01(b)), to issue Equity Interests for cash or otherwise receive cash contributions to its equity for such Equity Interests (the "Cure Amount"), the proceeds of which shall be required to prepay outstanding Term Loan Borrowings in accordance with Section 2.11(d), and thereupon the Borrower's compliance with Section 6.12(b) shall be recalculated giving effect to the following pro forma adjustments: (i) Revenue shall be increased, solely for the purposes of determining compliance with Section 6.12(b), including determining compliance with Section 6.12(b) as of the end of such fiscal quarter and applicable subsequent periods that include such fiscal quarter by an amount equal to the Cure Amount and (ii) if, after giving effect to the foregoing recalculations, the requirements of Section 6.12(b) shall be satisfied, then the requirements of Section 6.12(b) shall be deemed satisfied as of the end of the relevant fiscal quarter with the same effect as though there had been no failure to comply therewith at such date, and the applicable breach or default of Section 6.12(b) that had occurred shall be deemed cured for the purposes of this Agreement. Notwithstanding anything herein to the contrary, (v) during the term of this Agreement, the Cure Right shall not be exercised more than two times, (w) the Cure Right shall not be exercised in consecutive fiscal quarters, (x) in each four fiscal quarter period there shall be a period of at least two fiscal quarter in which the Cure Right is not exercised, (y) the Cure Amount shall be no greater than the amount required for purposes of complying with 6.12(b) for the applicable fiscal quarter and (z) no Event of Default may arise under Section 6.12(b) until the earlier of (A) the 10th Business Day after the day on which the relevant financial statements are required to be delivered (unless the Cure Right has been exercised two times in the applicable four consecutive fiscal quarter period), and then only to the extent the Cure Amount has not been received on or prior to such date and (B) the date (if any) on which the Borrower delivers notice to the Administrative Agent that the Cure Right with respect to such breach will not be exercised.

ARTICLE VIII

The Agents

SECTION 8.01. Appointment. Each Lender hereby irrevocably designates and appoints the Administrative Agent as the agent of such Lender under this Agreement and the other Loan Documents, and each such Lender irrevocably authorizes the Administrative Agent, in such capacity, to take such action on its behalf under the provisions of this Agreement and the other Loan Documents and to exercise such powers and perform such duties as are expressly delegated to the Administrative Agent by the terms of this Agreement and the other Loan Documents, together with such other powers as are reasonably incidental thereto. The Lenders hereby authorize the Administrative Agent to enter into any intercreditor agreement or arrangement permitted under this Agreement and any such intercreditor agreement or arrangement is binding upon the Lenders. Notwithstanding any provision to the contrary elsewhere in this Agreement, the

Administrative Agent shall not have any duties or responsibilities, except those expressly set forth herein, or any fiduciary relationship with any Lender, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Loan Document or otherwise exist against the Administrative Agent.

SECTION 8.02. The Administrative Agent. The Administrative Agent may execute any of its duties under this Agreement and the other Loan Documents and exercise its rights and powers hereunder or under any other Loan Document by or through agents, sub-agents or attorneys-in-fact and shall be entitled to advice of counsel concerning all matters pertaining to such duties. The Administrative Agent shall not be responsible for the negligence or misconduct of any agents, sub-agents or attorneys in-fact selected by it with reasonable care. The Administrative Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Related Parties. The exculpatory provisions of this Article VIII shall apply to any such sub-agent and to the Related Parties of the Administrative Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent.

SECTION 8.03. Exculpatory Provisions. Neither any Agent nor any of their respective officers, directors, employees, agents, advisors, attorneys-in-fact or affiliates shall be (i) liable for any action lawfully taken or omitted to be taken by it or such Person under or in connection with this Agreement or any other Loan Document (except to the extent that any of the foregoing are found by a final and nonappealable decision of a court of competent jurisdiction to have resulted from its or such Person's own gross negligence or willful misconduct) or (ii) responsible in any manner to any of the Lenders for any recitals, statements, representations or warranties made by any Loan Party or any officer thereof contained in this Agreement or any other Loan Document or in any certificate, report, statement or other document referred to or provided for in, or received by the Agents under or in connection with, this Agreement or any other Loan Document or for the value, validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Loan Document or for any failure of any Loan Party a party thereto to perform its obligations hereunder or thereunder. The Agents shall not be under any obligation to any Lender to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other Loan Document, or to inspect the properties, books or records of any Loan Party. The Administrative Agent does not warrant, nor accept responsibility, nor shall the Administrative Agent have any liability with respect to the administration, submission or any other matter related to the rates in the definition of "SOFR", or "Term SOFR" or with respect to any comparable or successor rate thereto including, without limitation, whether the composition or characteristics of any such alternative, successor or replacement reference rate, as it may or may not be adjusted pursuant to Section 2.14, will be similar to, or produce the same value or economic equivalence of, Term SOFR.

SECTION 8.04. Reliance by Administrative Agent. The Administrative Agent shall be entitled to rely, and shall be fully protected in relying, upon any instrument, writing, resolution, notice, consent, certificate, affidavit, letter, telecopy or email message, statement, order or other document or conversation believed by it to be genuine and correct and to have been signed, sent or made by the proper Person or Persons and upon advice and statements of legal counsel (including counsel to the Borrower), independent accountants and other experts selected by the Administrative Agent. The Administrative Agent may deem and treat the payee of any Note as the owner thereof for all purposes unless a written notice of assignment, negotiation or transfer thereof shall have been filed with the Administrative Agent. The Administrative Agent shall be fully justified in failing or refusing to take any action under this Agreement or any other Loan Document unless it shall first receive such advice or concurrence of the Required Lenders (or, if so specified by this Agreement, all Lenders) as it deems appropriate or it shall first be indemnified to its satisfaction by the Lenders against any and all liability and expense that may be incurred by it by reason of taking or continuing to take any such action. The Administrative Agent shall in

all cases be fully protected in acting, or in refraining from acting, under this Agreement and the other Loan Documents in accordance with a request of the Required Lenders (or, if so specified by this Agreement, all Lenders), and such request and any action taken or failure to act pursuant thereto shall be binding upon all the Lenders and all future holders of the Loans.

SECTION 8.05. Notice of Default. The Administrative Agent shall not be deemed to have knowledge or notice of the occurrence of any Default or Event of Default unless the Administrative Agent has received notice from a Lender or the Borrower referring to this Agreement, describing such Default or Event of Default and stating that such notice is a "notice of default". In the event that the Administrative Agent receives such a notice, the Administrative Agent shall give notice thereof to the Lenders. The Administrative Agent shall take such action with respect to such Default or Event of Default as shall be reasonably directed by the Required Lenders (or, if so specified by this Agreement, all Lenders); provided that unless and until the Administrative Agent shall have received such directions, the Administrative Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default or Event of Default as it shall deem advisable in the best interests of the Lenders.

SECTION 8.06. Non-Reliance on Agents and Other Lenders. Each Lender expressly acknowledges that neither the Agents nor any of their respective officers, directors, employees, agents, advisors, attorneys-in-fact or affiliates have made any representations or warranties to it and that no act by any Agent hereafter taken, including any review of the affairs of a Loan Party or any affiliate of a Loan Party, shall be deemed to constitute any representation or warranty by any Agent to any Lender. Each Lender represents to the Agents that it has, independently and without reliance upon any Agent or any other Lender, and based on such documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, operations, property, financial and other condition and creditworthiness of the Loan Parties and their affiliates and made its own decision to make its Loans hereunder and enter into this Agreement. Each Lender also represents that it will, independently and without reliance upon any Agent or any other Lender, and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement and the other Loan Documents, and to make such investigation as it deems necessary to inform itself as to the business, operations, property, financial and other condition and creditworthiness of the Loan Parties and their affiliates. Except for notices, reports and other documents expressly required to be furnished to the Lenders by the Administrative Agent hereunder, the Administrative Agent shall not have any duty or responsibility to provide any Lender with any credit or other information concerning the business, operations, property, condition (financial or otherwise), prospects or creditworthiness of any Loan Party or any affiliate of a Loan Party that may come into the possession of the Administrative Agent or any of its respective officers, directors, employees, agents, advisors, attorneys-in-fact or affiliates.

SECTION 8.07. Indemnification. The Lenders agree to indemnify each Agent and its officers, directors, employees, affiliates, agents, advisors and controlling persons (each, an "Agent Indemnitee") (to the extent not reimbursed by the Borrower and without limiting the obligation of the Borrower to do so), ratably according to their respective Aggregate Exposure Percentages in effect on the date on which indemnification is sought under this Section (or, if indemnification is sought after the date upon which the Commitments shall have terminated and the Loans shall have been paid in full, ratably in accordance with such Aggregate Exposure Percentages immediately prior to such date), from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind whatsoever that may at any time (whether before or after the payment of the Loans) be imposed on, incurred by or asserted against such Agent Indemnitee in any way relating to or arising out of, the Commitments, this Agreement, any of the other Loan Documents or any documents contemplated by or referred to herein or therein or the transactions contemplated hereby or thereby or any action taken or omitted by such Agent Indemnitee under or in connection with any of the foregoing;

provided that no Lender shall be liable for the payment of any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements that are found by a final and nonappealable decision of a court of competent jurisdiction to have resulted from such Agent Indemnitee's gross negligence or willful misconduct. The agreements in this Section shall survive the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder.

SECTION 8.08. Agent in Its Individual Capacity. Each Agent and its affiliates may make loans to, accept deposits from and generally engage in any kind of business with any Loan Party as though such Agent were not an Agent. With respect to its Loans made or renewed by it, each Agent shall have the same rights and powers under this Agreement and the other Loan Documents as any Lender and may exercise the same as though it were not an Agent, and the terms "Lender" and "Lenders" shall include each Agent in its individual capacity.

SECTION 8.09. Successor Administrative Agent. The Administrative Agent may resign as Administrative Agent upon 10 days' notice to the Lenders and the Borrower. If the Administrative Agent shall resign as Administrative Agent under this Agreement and the other Loan Documents, then the Required Lenders shall appoint from among the Lenders a successor agent for the Lenders, which successor agent shall (unless an Event of Default under Sections 7.01(a), 7.01(b), 7.01(h), 7.01(i) or 7.01(j) with respect to the Borrower shall have occurred and be continuing) be subject to approval by the Borrower (which approval shall not be unreasonably withheld, conditioned or delayed), whereupon such successor agent shall succeed to the rights, powers and duties of the Administrative Agent, and the term "Administrative Agent" shall mean such successor agent effective upon such appointment and approval, and the former Administrative Agent's rights, powers and duties as Administrative Agent shall be terminated, without any other or further act or deed on the part of such former Administrative Agent or any of the parties to this Agreement or any holders of the Loans. If no successor agent has accepted appointment as Administrative Agent by the date that is 10 days following a retiring Administrative Agent's notice of resignation, the retiring Administrative Agent's resignation shall nevertheless thereupon become effective, and the Lenders shall assume and perform all of the duties of the Administrative Agent hereunder until such time, if any, as the Required Lenders appoint a successor agent as provided for above, provided, however, that any such successor agent receiving payments from the Loan Parties shall be a "U.S. person" and a "financial institution" within the meaning of Treasury Regulations Section 1.1441-1. After any retiring Administrative Agent's resignation as Administrative Agent, the provisions of this Section 8 and of Section 9.03 shall continue to inure to its benefit.

SECTION 8.10. Erroneous Payments.

(a) If the Administrative Agent (x) notifies a Lender or any Person who has received funds on behalf of a Lender (any such Lender or other recipient (and each of their respective successors and assigns), a "Payment Recipient") that the Administrative Agent has determined in its sole discretion (whether or not after receipt of any notice under immediately succeeding clause (b)) that any funds (as set forth in such notice from the Administrative Agent) received by such Payment Recipient from the Administrative Agent or any of its Affiliates were erroneously or mistakenly transmitted to, or otherwise erroneously or mistakenly received by, such Payment Recipient (whether or not known to such Lender or other Payment Recipient on its behalf) (any such funds, whether transmitted or received as a payment, prepayment or repayment of principal, interest, fees, distribution or otherwise, individually and collectively, an "Erroneous Payment") and (y) demands in writing the return of such Erroneous Payment (or a portion thereof), such Erroneous Payment shall at all times remain the property of the Administrative Agent pending its return or repayment as contemplated below in this Section 8.11 and held in trust for the benefit of the Administrative Agent, and such Lender shall (or, with respect to any Payment Recipient who received such funds on its behalf, shall cause such Payment Recipient to) promptly, but in no event later than two Business Days thereafter (or such later date as the Administrative Agent may, in its sole discretion, specify

in writing), return to the Administrative Agent the amount of any such Erroneous Payment (or portion thereof) as to which such a demand was made, in same day funds (in the currency so received). A notice of the Administrative Agent to any Payment Recipient under this clause (a) shall be conclusive, absent manifest error.

(b) Without limiting immediately preceding clause (a), each Lender or any Person who has received funds on behalf of a Lender (and each of their respective successors and assigns), agrees that if it receives a payment, prepayment or repayment (whether received as a payment, prepayment or repayment of principal, interest, fees, distribution or otherwise) from the Administrative Agent (or any of its Affiliates) (x) that is in a different amount than, or on a different date from, that specified in this Agreement or in a notice of payment, prepayment or repayment sent by the Administrative Agent (or any of its Affiliates) with respect to such payment, prepayment or repayment, (y) that was not preceded or accompanied by a notice of payment, prepayment or repayment sent by the Administrative Agent (or any of its Affiliates), or (z) that such Lender or other such recipient, otherwise becomes aware was transmitted, or received, in error or by mistake (in whole or in part), then in each such case:

(i) it acknowledges and agrees that (A) in the case of immediately preceding clauses (x) or (y), an error and mistake shall be presumed to have been made (absent written confirmation from the Administrative Agent to the contrary) or (B) an error and mistake has been made (in the case of immediately preceding clause (z)), in each case, with respect to such payment, prepayment or repayment; and

(ii) such Lender shall use commercially reasonable efforts to (and shall use commercially reasonable efforts to cause any other recipient that receives funds on its respective behalf to) promptly (and, in all events, within one Business Day of its knowledge of the occurrence of any of the circumstances described in immediately preceding clauses (x), (y) and (z)) notify the Administrative Agent of its receipt of such payment, prepayment or repayment, the details thereof (in reasonable detail) and that it is so notifying the Administrative Agent pursuant to this Section 8.11(b).

(iii) For the avoidance of doubt, the failure to deliver a notice to the Administrative Agent pursuant to this Section 8.11(b) shall not have any effect on a Payment Recipient's obligations pursuant to Section 8.11(a) or on whether or not an Erroneous Payment has been made.

(c) Each Lender hereby authorizes the Administrative Agent to set off, net and apply any and all amounts at any time owing to such Lender under any Loan Document, or otherwise payable or distributable by the Administrative Agent to such Lender under any Loan Document with respect to any payment of principal, interest, fees or other amounts, against any amount that the Administrative Agent has demanded to be returned under immediately preceding clause (a).

(d) The parties hereto agree that (x) irrespective of whether the Administrative Agent may be equitably subrogated, in the event that an Erroneous Payment (or portion thereof) is not recovered from any Payment Recipient that has received such Erroneous Payment (or portion thereof) for any reason, the Administrative Agent shall be subrogated to all the rights and interests of such Payment Recipient (and, in the case of any Payment Recipient who has received funds on behalf of a Lender, to the rights and interests of such Lender) under the Loan Documents with respect to such amount (the "Erroneous Payment Subrogation Rights") and (y) an Erroneous Payment shall not pay, prepay, repay, discharge or otherwise satisfy any Obligations owed by the Borrower; provided that this Section 8.11 shall not be interpreted to increase (or accelerate the due date for), or have the effect of increasing (or accelerating the due date for), the Obligations of the Borrower relative to the amount (or timing for payment) of the Obligations that would have been payable had such Erroneous Payment not been made by the Administrative Agent; provided,

further, that for the avoidance of doubt, immediately preceding clauses (x) and (y) shall not apply to the extent any such Erroneous Payment is, and solely with respect to the amount of such Erroneous Payment that is, comprised of funds received by the Administrative Agent from, or on behalf of (including through the exercise of remedies under any Loan Document), the Borrower for the purpose of a payment on the Obligations.

(e) To the extent permitted by applicable law, no Payment Recipient shall assert any right or claim to an Erroneous Payment, and hereby waives, and is deemed to waive, any claim, counterclaim, defense or right of set-off or recoupment with respect to any demand, claim or counterclaim by the Administrative Agent for the return of any Erroneous Payment received, including, without limitation, any defense based on "discharge for value" or any similar doctrine.

Each party's obligations, agreements and waivers under this Section 8.11 shall survive the resignation or replacement of the Administrative Agent, any transfer of rights or obligations by, or the replacement of, a Lender, the termination of the applicable Commitments or the repayment, satisfaction or discharge of all Obligations (or any portion thereof) under any Loan Document.

(iii) if to any other Lender, to it at its address (or telecopy number) set forth in its Administrative Questionnaire.

(b) Notices and other communications to the Lenders hereunder may be delivered or furnished by electronic communications pursuant to procedures approved by the Administrative Agent provided that the foregoing shall not apply to notices to any Lender pursuant to Article II or of a Default if such Lender has notified the Administrative Agent that it is incapable of receiving notices under such Article by electronic communication and provided that the Administrative Agent shall in any event also receive hard copies of the notices described in this proviso and, to the extent requested, any other documents delivered electronically under this Agreement. The Administrative Agent or the Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it, provided that approval of such procedures may be limited to particular notices or communications. All such notices and other communications (i) sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement); provided that if not given during the normal business hours of the recipient, such notice or communication shall be deemed to have been given at the opening of business on the next Business Day for the recipient, and (ii) posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing clause (i) of any required notification that such notice or communication is available and identifying the website address therefor.

(c) Any party hereto may change its address or telecopy number for notices and other communications hereunder by notice to the Administrative Agent (and, in the case of the Administrative Agent, by written notice to the Borrower). All notices and other communications given to any party hereto in accordance with the provisions of this Agreement shall be deemed to have been given as follows: notices sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received; notices sent by telecopier (with a send successful notice) shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next business day for the recipient).

SECTION 9.02. Waivers; Amendments.

(a) No failure or delay by the Administrative Agent, the Collateral Agent or any Lender in exercising any right or power hereunder or under any other Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Administrative Agent, the Collateral Agent and the Lenders hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of any Loan Document or consent to any departure by any Loan Party therefrom shall in any event be effective unless

the same shall be permitted by Section 9.02(b), and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, the making of a Loan shall not be construed as a waiver of any Default, regardless of whether the Administrative Agent, any Lender or the Collateral Agent may have had notice or knowledge of such Default at the time.

(b) Neither this Agreement nor any other Loan Document nor any provision hereof or thereof may be waived, amended or modified except, in the case of this Agreement, pursuant to an agreement or agreements in writing entered into by the Borrower and the Required Lenders (with a fully executed copy thereof delivered to the Administrative Agent) or, in the case of any other Loan Document, pursuant to an agreement or agreements in writing entered into by the Administrative Agent and the Loan Party or Loan Parties that are parties thereto (and, if party thereto, the Collateral Agent), in each case with the consent of the Required Lenders; provided that no such agreement shall:

(i) increase the Commitment of any Lender without the written consent of such Lender, (it being understood that a waiver of any Default or mandatory prepayment or mandatory reduction of any Commitments shall not constitute an increase of any Commitment of any Lender);

(ii) reduce the principal amount of any Loan or reduce the rate of interest thereon, or reduce any fees payable hereunder (including, without limitation, ~~the~~any Make Whole/Prepayment Fee Amount), without the written consent of each Lender affected thereby; provided, however, that only the consent of the Required Lenders shall be necessary to amend the definition of "Default Rate" or to waive any obligation of the Borrower to pay interest at the Default Rate,

(iii) postpone the maturity of any Loan (it being understood that a waiver of any Default, Event of Default, or mandatory prepayment shall not constitute an extension of any maturity date), or any date for the payment of any interest or fees payable hereunder, or reduce the amount of, waive or excuse any such payment, or postpone the scheduled date of expiration of any Commitment, without the written consent of each Lender adversely affected thereby, it being understood that the waiver of any condition precedent or the waiver of any Default or mandatory prepayment requirement shall not constitute a postponement or reduction hereunder,

(iv) change or have the effect of changing the priority or pro rata treatment of any payments (including voluntary and mandatory prepayments), Liens, proceeds of Collateral or reductions in Commitments (including as a result in whole or in part of allowing the issuance or incurrence, pursuant to this Agreement or otherwise, of new loans or other Indebtedness having any priority over any of the Obligations in respect of payments, Liens, Collateral or proceeds of Collateral, in exchange for any Obligations or otherwise), without the written consent of each Lender directly and adverse affected thereby,

(v) change any of the provisions of this Section 9.02, the definition of "Required Lenders" or any other provision of any Loan Document specifying the number or percentage of Lenders required to waive, amend or modify any rights thereunder or make any determination or grant any consent thereunder, without the written consent of each Lender,

(vi) change the percentage set forth in the definition of "Required Lenders" or any other provision of any Loan Document specifying the number or percentage of Lenders required to waive, amend or modify any rights thereunder or make any determination or grant any consent thereunder, without the written consent of each Lender,

(vii) release the Borrower or any Subsidiary Loan Party from its Guarantee under the Collateral Agreement (except as provided in Section 6.03 or in the Collateral Agreement) or limit its liability in respect of such Guarantee, without the written consent of each Lender, or

(viii) release all or substantially all the Collateral from the Liens of the Security Documents (except as provided in Section 6.03 or in the Collateral Agreement), without the written consent of each Lender.

provided, further, that (A) no such agreement shall amend, modify or otherwise affect the rights or duties of the Administrative Agent without the prior written consent of the Administrative Agent and (B) notwithstanding the preceding clause (iv), only those Lenders that have not been provided a reasonable opportunity, as determined in the good faith judgment of the Administrative Agent, to receive the most-favorable treatment under or in connection with the applicable amendment, waiver or supplement described in the preceding clause (iv) (other than the right to receive customary administrative agency, arranging, underwriting and other similar fees) that is provided to any other Person, including the opportunity to participate on a pro rata basis on the same terms in any new loans or other Indebtedness permitted to be issued as a result of such amendment, waiver or supplement, shall be deemed to be directly and adversely affected by such amendment, waiver or supplement. In connection with any proposed amendment, modification, waiver or termination (a "Proposed Change") requiring the consent of all affected Lenders, if the consent of the Required Lenders to such Proposed Change is obtained, but the consent to such Proposed Change of other Lenders whose consent is required is not obtained (any such Lender whose consent is not obtained as described in this Section 9.02(b) being referred to as a "Non-Consenting Lender"), then, so long as the Lender that is acting as the Administrative Agent is not a Non-Consenting Lender, at the Borrower's request, any assignee that is acceptable to the Administrative Agent shall have the right, with the Administrative Agent's consent, to purchase from such Non-Consenting Lender, and such Non-Consenting Lender agrees that it shall, upon the Borrower's request, sell and assign to such assignee, at no expense to such Non-Consenting Lender, all the Term Loans of such Non-Consenting Lender for an amount equal to the principal balance of all Term Loans held by such Non-Consenting Lender and all accrued interest and fees with respect thereto through the date of sale (including amounts under Sections 2.15, 2.16 and 2.17) so long as such principal balance of all other Non-Consenting Lenders is similarly purchased, such purchase and sale to be consummated pursuant to an executed Assignment and Assumption in accordance with Section 9.04(b) (which Assignment and Assumption need not be signed by such Non-Consenting Lender). A copy of each amendment, waiver or other modification to this Agreement or any other Loan Document shall be furnished by the Borrower to the Administrative Agent.

(c) Notwithstanding the provisions of Section 9.02(b), this Agreement may be amended (or amended and restated) with the written consent of the Required Lenders, the Administrative Agent and the Borrower (i) to add one or more additional credit facilities to this Agreement and to permit the extensions of credit from time to time thereunder and the accrued interest and fees in respect thereof to share ratably in the benefits of this Agreement and the other Loan Documents with the Term Loans and the accrued interest and fees in respect thereof, and (ii) to include appropriately the Lenders holding such credit facilities in any determination of the Required Lenders. In addition, this Agreement may be amended with the written consent of the Administrative Agent, the Borrower and the Lenders providing the relevant Replacement Term Loans (as defined below) to permit the refinancing of all outstanding Term Loans (the "Refinanced Term Loans") and, if applicable, related outstanding commitments, with a replacement term loan tranche hereunder (the "Replacement Term Loans"); provided that (i) the aggregate principal amount of such Replacement Term Loans shall not exceed the aggregate principal amount of such Refinanced Term Loans, (ii) the Applicable Rate for such Replacement Term Loans shall not be higher than the Applicable Rate for such Refinanced Term Loans, (iii) the weighted average life to maturity of such Replacement Term Loans shall not be shorter than the weighted average life to maturity of such Refinanced Term Loans at the

time of such refinancing (except to the extent of nominal amortization for periods where amortization has been eliminated as a result of prepayment of the Refinanced Term Loans) and (iv) all other terms applicable to such Replacement Term Loans shall be substantially identical to, or less favorable to the Lenders providing such Replacement Term Loans than, those applicable to such Refinanced Term Loans, except to the extent necessary to provide for covenants and other terms applicable to any period after the latest final maturity of the Refinanced Term Loans in effect immediately prior to such refinancing.

SECTION 9.03. Expenses; Indemnity; Damage Waiver.

(a) The Borrower shall pay (i) all reasonable and documented out-of-pocket expenses incurred by the Agents and their respective Affiliates, including the reasonable and documented fees, charges and disbursements of counsel for the Agents, in connection with the preparation and administration of the Loan Documents or any amendments, modifications or waivers of the provisions thereof (limited to, in the case of legal fees and expenses, all reasonable and documented costs and out-of-pocket expenses of one legal counsel and, to the extent necessary, one local counsel in each relevant jurisdiction, but no other advisors without the Borrower's prior consent) and (ii) all reasonable and documented out-of-pocket expenses incurred by the Administrative Agent or any Lender, including the fees, charges and disbursements of any counsel for the Administrative Agent or any Lender (limited to, in the case of legal fees and expenses, all reasonable and documented costs and out-of-pocket expenses of one legal counsel and, to the extent necessary, one local counsel in each relevant jurisdiction, but no other advisors without the Borrower's prior consent), in connection with the enforcement or protection of its rights in connection with the Loan Documents, including its rights under this Section 9.03, or in connection with the Loans made hereunder, including all such reasonable and documented out-of-pocket expenses incurred during any workout, restructuring or negotiations in respect of such Loans.

(b) The Borrower shall indemnify the Administrative Agent, the Collateral Agent and each Lender, and each Related Party of any of the foregoing Persons (each such Person being called an "Indemnitee"), and hold each Indemnitee harmless, from and against any and all losses, claims, damages, liabilities and related expenses, including the reasonable and documented fees, charges and disbursements of any counsel for any Indemnitee (limited to, in the case of fees, charges and disbursements of any counsel, one counsel to such Indemnitees, taken as a whole, one local counsel in each relevant jurisdiction to all such Indemnitees, taken as a whole, and, solely in the event of a conflict of interest, one additional counsel (and, if necessary, one local counsel in each relevant jurisdiction)), incurred by or asserted against any Indemnitee arising out of, in connection with, or as a result of (i) the execution or delivery of any Loan Document or any other agreement or instrument contemplated hereby, the performance by the parties to the Loan Documents of their respective obligations thereunder or the consummation of the Transactions or any other transactions contemplated hereby, (ii) any Loan or the use of the proceeds therefrom, (iii) any actual or alleged presence or Release of Hazardous Materials on, at, under or emanating from any Mortgaged Property or any other property currently or formerly owned or operated by the Borrower or any of its Subsidiaries, or any actual or alleged Environmental Liability related in any way to the Borrower or any of its Subsidiaries or their respective properties or operations, or (iv) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory and regardless of whether any Indemnitee is a party thereto or such litigation, claim, investigation or proceeding is brought by a third party or by the Borrower or its Affiliates, provided that no Indemnitee shall be entitled to indemnity in respect of any such losses, claims, damages, liabilities or related expenses to the extent that (i) the same is found by a final, non-appealable judgment of a court of competent jurisdiction to have resulted from (a) the gross negligence, willful misconduct or bad faith of such Indemnitee or (b) a material breach by an Indemnitee of its obligations under this Agreement, (ii) the same arises solely from a dispute among Indemnitees (other than any claim against Ares Capital Corporation solely in its capacity as Administrative Agent) or (iii) any settlement is effected without the Borrower's consent; provided, further, that each Indemnitee agrees (by accepting the benefits hereof) to refund and

return any and all amounts paid or caused to be paid by the Borrower to such Indemnitee to the extent any of the foregoing items described in clauses (i) through (iii) occurs. For the avoidance of doubt, this Section 9.03 shall not apply to Taxes (other than Taxes arising from a non-Tax claim). Payments under this Section 9.03(b) shall be made by the Borrower to the Administrative Agent for the benefit of the relevant Indemnitee.

(c) To the extent that the Borrower fails to pay any amount required to be paid by it to the Administrative Agent or the Collateral Agent under Sections 9.03(a) or (b), each Lender severally agrees to pay to the Administrative Agent or the Collateral Agent, as applicable, such Lender's pro rata share (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) of such unpaid amount, provided that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as applicable, was incurred by or asserted against the Administrative Agent or the Collateral Agent in its capacity as such. For purposes hereof, a Lender's "pro rata share" shall be determined based upon its share of the aggregate outstanding Term Loans at the time.

(d) To the extent permitted by applicable law, no party hereto shall assert, and each party hereto hereby waives, any claim against any other Person party hereto, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement or any agreement or instrument contemplated hereby, the Transactions, any Loan or the use of the proceeds thereof (other than in respect of any such damages incurred or paid by an Indemnitee to a third party).

(e) All amounts due under this Section 9.03 shall be payable not later than 10 days after written demand therefor.

SECTION 9.04. Successors and Assigns.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that (i) the Borrower may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (except as permitted by Section 6.03) (and any attempted assignment or transfer by the Borrower without such consent shall be null and void) and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except (i) to an Assignee pursuant to an assignment made in accordance with the provisions of Section 9.04(b) (such an assignee, an "Eligible Assignee"), (ii) by way of participation in accordance with the provisions of Section 9.04(e) or (iii) by way of pledge or assignment of a security interest subject to the restrictions of Section 9.04(g) (and any other attempted assignment or transfer by any party hereto shall be null and void); provided, however, that notwithstanding the foregoing, no Lender may assign or transfer by participation any of its rights or obligations hereunder to (i) a natural Person, (ii) to the Borrower or any of its respective Subsidiaries or (iii) any Defaulting Lender. Nothing in this Agreement, express or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants (to the extent provided in Section 9.04(c)) and, to the extent expressly contemplated hereby, the Related Parties of each of the Administrative Agent and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) (i) Subject to the conditions set forth in clause (b)(ii) below, any Lender may assign to one or more assignees ("Assignees") all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans at the time owing to it) with the prior written consent (such consent not to be unreasonably withheld or delayed) of:

(1) the Borrower, provided that no consent of the Borrower shall be required (x) for assignments to any Lender or Affiliate of a Lender or an Approved Fund (as defined below) thereof or (y) if an Event of Default under Sections 7.01(a) or 7.01(b) or Sections 7.01(i) or 7.01(j), solely with respect to the Borrower, has occurred and is continuing, any Assignee or an assignment of all or a portion of the Loans pursuant to Section 9.04(i); provided, further, that (x) the Borrower may withhold its consent (in its sole discretion) in respect of an assignment to an Affiliate (other than, in each case, Affiliates that constitute bona fide debt funds primarily investing in loans) of a Disqualified Institution and (y) the Borrower shall be deemed to have consented to an assignment unless it shall object thereto by written notice to the Administrative Agent within five (5) Business Days after having received notice thereof; and

(2) the Administrative Agent, provided that no consent of the Administrative Agent shall be required for an assignment (i) of all or any portion of a Term Loan to a Lender, an Affiliate of a Lender or an Approved Fund, (ii) of all or a portion of the Loans pursuant to Section 9.04(k) or Section 9.04(l) or (iii) from an Agent to its Affiliates.

Notwithstanding the foregoing or anything to the contrary set forth herein, (i) no Lender may assign or transfer by participation any of its rights or obligations hereunder to any Person that is a Defaulting Lender or, unless a Specified Event of Default has occurred and is continuing, a Disqualified Institution and (ii) to the extent any Lender is required to assign any portion of its Commitments, Loans and other rights, duties and obligations hereunder in order to comply with applicable Laws, such assignment may be made by such Lender without the consent of the Borrower, the Administrative Agent or any other party hereto so long as such Lender complies with the requirements of Section 9.04(b)(ii).

(ii) Assignments shall be subject to the following conditions:

(1) except in the case of an assignment to a Lender or an Affiliate of a Lender or an assignment of the entire remaining amount of the assigning Lender's Commitment or Loans, the amount of the Commitment or Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent) shall not be less than $5,000,000 unless each of the Borrower and the Administrative Agent otherwise consents; provided that no such consent of the Borrower shall be required (x) for an assignment by a Lender to an Affiliate or an Approved Fund of a Lender or (y) if an Event of Default under Section 7.01(a), (b), (i) or (j) has occurred and is continuing, and that contemporaneous assignments to Approved Funds related to the same Lender shall be aggregated when calculating such minimum assignment amounts; provided further that, consent of the Borrower will be deemed to have been given if the Borrower has not responded within five (5) business days of a request for such consent; provided, further, that, unless a Specified Event of Default has occurred and is continuing, no assignment or participations shall be made to Disqualified Institutions or Competitors;

(2) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement;

(3) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption, together with a processing and recordation fee of $3,500; and

(4) the assignee, if it is not already a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire, the applicable tax forms described in 2.17(f) and all documentation and other information required by regulatory authorities under applicable "know your customer" and anti-money laundering rules and regulations, including, without limitation, the USA Patriot Act.

For purposes of this Section 9.04(b):

"Approved Fund" means, with respect to any Lender, any Fund that is administered, advised or managed by (a) a Lender, (b) an Affiliate of a Lender, (c) an entity or an Affiliate of an entity that administers, advises or manages a Lender or (d) a limited partner or member of any of the foregoing.

"Fund" means any Person (other than a natural person) that is engaged in making, purchasing, holding or otherwise investing in commercial loans and similar extensions of credit in the ordinary course.

(c) Subject to acceptance and recording thereof pursuant to Section 9.04(b)(iv), from and after the recordation date of each Assignment and Assumption in the Register, the assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 2.15, 2.16, 2.17 and 9.03). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 9.04 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with Section 9.04(c).

(d) The Administrative Agent, acting for this purpose as a non-fiduciary agent of the Borrower, shall maintain accessible at one of its offices a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitment of, and principal amounts (and related stated interest amounts) of the Loans owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive absent manifest error, and the Borrower, the Administrative Agent and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender and the owner of the amounts owing to it under the Loan Documents as reflected in the Register for all purposes of the Loan Documents, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower and, with respect to itself, any Lender, at any reasonable time and from time to time upon reasonable prior written notice.

(i) Upon its receipt of a duly completed Assignment and Assumption executed by an assigning Lender and an assignee, the assignee's completed Administrative Questionnaire (unless the assignee shall already be a Lender hereunder) and all documentation and other information required by regulatory authorities under applicable "know your customer" and anti-money laundering rules and regulations, including, without limitation, the USA Patriot Act, the processing and recordation fee referred to in Section 9.04(b) and any written consent to such assignment required by Section 9.04(b), the Administrative Agent shall accept such Assignment and Assumption and record the information contained therein in the Register. No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this paragraph.

(e) Any Lender may, without the consent of the Borrower or the Administrative Agent, sell participations to one or more banks or other entities (each a "Participant") in all or a portion of such Lender's rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans owing to it), provided that (A) such Lender's obligations under this Agreement shall remain unchanged, (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (C) the Borrower, the Administrative Agent and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement or the other Loan Documents, provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in the first proviso to Section 9.02(b) that requires the affirmative vote of such Lender. Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register complying with the requirements of Sections 163(f), 871(h) and 881(c)(2) of the Code and the Treasury regulations issued thereunder on which it enters the name and address of each Participant and the principal and stated interest amounts of each Participant's interest in the Loans held by it (the "Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register to any person (including the identity of any Participant or any information relating to a Participant's interest in any Commitments, Loans or its other obligations under any Loan Document) except to the extent that such disclosure is necessary to establish that such Commitment, Loan or other obligation is in registered form under Section 5f.103-1(c) or Proposed Section 1.163-5(b) of the United States Treasury Regulations (or, in each case, any amended or successor version), or is otherwise required thereunder. The entries in the Participant Register shall be conclusive, absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such Loan or other obligation hereunder for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register. Subject to Section 9.04(f), the Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.15, 2.16 and 2.17 to the same extent as if it were a Lender (subject to the requirements and limitations thereof, it being understood that the documentation required under Section 2.17(f) shall be delivered to the participating Lender) and had acquired its interest by assignment pursuant to Section 9.04(b). To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 9.08 as though it were a Lender, provided such Participant agrees to be subject to Section 2.18(c) as though it were a Lender. For the avoidance of doubt, each Lender shall be responsible for the indemnity under Section 9.03(b) with respect to any payments made by such Lender to its Participant(s).

(f) A Participant shall not be entitled to receive any greater payment under Section 2.15 or 2.17 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrower's prior written consent and the entitlement to receive a greater payments results from a Change in Law that occurs after the Participant acquired the applicable participation. A Participant that would be a Foreign Lender if it were a Lender shall not be entitled to the benefits of Section 2.17 unless the Borrower is notified of the participation sold to such Participant and such Participant agrees, for the benefit of the Borrower, to comply with Section 2.17(e) as though it were a Lender (it being understood that the documentation required under Section 2.17 shall be delivered to the participating Lender).

(g) Any Lender may at any time pledge, assign or grant a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge, assignment or grant to secure obligations to a Federal Reserve Bank, and this Section 9.04 shall not apply to any such pledge, assignment or grant of a security interest, provided that no such pledge, assignment or grant of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledge or assignee for such Lender as a party hereto.

SECTION 9.05. Survival. All covenants, agreements, representations and warranties made by the Loan Parties in the Loan Documents and in the certificates or other instruments delivered in connection with or pursuant to this Agreement or any other Loan Document shall have independent significance and be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of the Loan Documents and the making of any Loans, regardless of any investigation made by any such other party or on its behalf and notwithstanding that the Administrative Agent or any Lender may have had notice or knowledge of any Default or incorrect representation or warranty at the time any credit is extended hereunder, and shall continue in full force and effect as long as the principal of or any accrued interest on any Loan or any fee or any other amount payable under this Agreement is outstanding and unpaid. The provisions of Sections 2.15, 2.16, 2.17 and 9.03 and Article VIII shall survive and remain in full force and effect regardless of the consummation of the transactions contemplated hereby, the repayment of the Loans or the termination of this Agreement or any provision hereof.

SECTION 9.06. Counterparts; Integration; Effectiveness. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement, the other Loan Documents and any separate letter agreements with respect to fees payable to the Administrative Agent constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. Except as provided in Section 4.01, this Agreement shall become effective when it shall have been executed by the Administrative Agent and when the Administrative Agent shall have received counterparts hereof which, when taken together, bear the signatures of each of the other parties hereto, and thereafter shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns. Delivery of an executed counterpart of a signature page of this Agreement by facsimile or electronic transmission shall be effective as delivery of a manually executed counterpart of this Agreement.

SECTION 9.07. Severability. Any provision of this Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

SECTION 9.08. Right of Setoff. If an Event of Default shall have occurred and be continuing, each Lender and each of its Affiliates is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other obligations at any time owing by such Lender or Affiliate to or for the credit or the account of the Borrower against any of and all the obligations of the Borrower now or hereafter existing under this Agreement held by such Lender, irrespective of whether or not such Lender shall have made any demand under this Agreement and although such obligations may be unmatured; provided that if any Defaulting Lender shall exercise any such right of setoff, (i) all amounts so set off shall be paid over immediately to the Administrative Agent for further application in accordance with the provisions of this Agreement and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Administrative Agent and the

Lenders and (ii) the Defaulting Lender shall provide promptly to the Administrative Agent a statement describing in reasonable detail the obligations owing to such Defaulting Lender as to which it exercised such right of set off. The applicable Lender shall notify the Borrower and the Administrative Agent of such setoff or application, provided that any failure to give or any delay in giving such notice shall not affect the validity of any such setoff or application under this Section 9.08. The rights of each Lender under this Section 9.08 are in addition to other rights and remedies (including other rights of setoff) which such Lender may have.

SECTION 9.09. Governing Law; Jurisdiction; Consent to Service of Process.

(a) This Agreement shall be construed in accordance with and governed by the laws of the State of New York.

(b) The Borrower hereby irrevocably and unconditionally submits, for itself and its property, to the nonexclusive jurisdiction of the Supreme Court of the State of New York sitting in New York County and of the United States District Court of the Southern District of New York, and any appellate court from any thereof, in any action or proceeding arising out of or relating to any Loan Document, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such New York State or, to the extent permitted by law, in such Federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement or any other Loan Document shall affect any right that the Administrative Agent, the Collateral Agent or any Lender may otherwise have to bring any action or proceeding relating to this Agreement or any other Loan Document against the Borrower or its properties in the courts of any jurisdiction.

(c) The Borrower hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection that it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement or any other Loan Document in any court referred to in Section 9.09(b). Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(d) EACH PARTY TO THIS AGREEMENT IRREVOCABLY CONSENTS TO SERVICE OF PROCESS IN THE MANNER PROVIDED FOR NOTICES IN SECTION 9.01. NOTHING IN THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT WILL AFFECT THE RIGHT OF ANY PARTY TO THIS AGREEMENT TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY LAW.

SECTION 9.10. WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT, ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 9.10.

SECTION 9.11. Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Agreement.

SECTION 9.12. Confidentiality. Each of the Administrative Agent and the Lenders agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to its and its Affiliates' directors, trustees, officers, employees and agents, including accountants, legal counsel and other advisors (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential), (b) to the extent requested by any regulatory authority or self-regulatory authority, (c) to the extent required by applicable laws or regulations or by any subpoena or similar legal process, (d) to any other party to this Agreement, (e) in connection with the exercise of any remedies hereunder or any suit, action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder, (f) subject to an agreement containing provisions substantially the same as those of this Section 9.12, to (i) any assignee or pledgee of or Participant in, or any prospective assignee or pledgee of or Participant in, any of its rights or obligations under this Agreement or (ii) any actual or prospective counterparty (or its advisors) to any swap or derivative transaction relating to the Borrower and its obligations, (g) with the consent of the Borrower or (h) to the extent such Information (i) becomes publicly available other than as a result of a breach of this Section 9.12 or (ii) becomes available to the Administrative Agent or any Lender on a nonconfidential basis from a source other than the Borrower or any of their subsidiaries, provided that such source is not actually known by such disclosing party to be bound by an agreement containing provisions substantially the same as those contained in this Section 9.12. For the purposes of this Section 9.12, the term "Information" means all information received from the Borrower relating to the Borrower or its business, other than any such information that is available to the Administrative Agent or any Lender on a nonconfidential basis prior to disclosure by the Borrower, provided that, in the case of information received from the Borrower or any Subsidiary after the date hereof, such information is clearly identified at the time of delivery as confidential. Any Person required to maintain the confidentiality of Information as provided in this Section 9.12 shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

SECTION 9.13. Interest Rate Limitation. Notwithstanding anything herein to the contrary, if at any time the interest rate applicable to any Loan, together with all fees, charges and other amounts that are treated as interest on such Loan under applicable law (collectively, the "Charges"), shall exceed the maximum lawful rate (the "Maximum Rate") that may be contracted for, charged, taken, received or reserved by the Lender holding such Loan in accordance with applicable law, the rate of interest payable in respect of such Loan hereunder, together with all Charges payable in respect thereof, shall be limited to the Maximum Rate and, to the extent lawful, the interest and Charges that would have been payable in respect of such Loan but were not payable as a result of the operation of this Section 9.13 shall be cumulated and the interest and Charges payable to such Lender in respect of other Loans or periods shall be increased (but not above the Maximum Rate therefor) until such cumulated amount, together with interest thereon at the Federal Funds Rate to the date of repayment, shall have been received by such Lender.

SECTION 9.14. USA Patriot Act. Each Lender and each Agent hereby notifies the Borrower that pursuant to the requirements of the USA Patriot Act, it is required to obtain, verify and record information that identifies the Borrower, which information includes the name and address of the Borrower and other information that will allow such Person to identify the Borrower in accordance with the USA Patriot Act.

SECTION 9.15. Release of Collateral. Upon any sale or other transfer by any Loan Party of any Collateral that is permitted under this Agreement, or upon the effectiveness of any written consent to the release of the security interest granted hereby in any Collateral pursuant to Section 9.02 of this Agreement, the Mortgage or other security interest in such Collateral shall be automatically released and the Collateral Agent is authorized to, and shall, take any action to effect the foregoing, including, without limitation, executing and delivering to the Borrower, in recordable form, discharges and releases of such Mortgage or other security interest.

SECTION 9.16. Acknowledgement and Consent to Bail-In of Affected Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Lender that is an Affected Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by the applicable Resolution Authority to any such liabilities arising hereunder which may be payable to it by any Lender that is an Affected Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such Affected Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of the applicable Resolution Authority.

Master Agreement

This Master Agreement (inclusive of all Exhibits and Order Forms, the "Agreement") is entered into by and between Tempus Labs, Inc. (on behalf of itself and its affiliates, "Tempus"), and Recursion Pharmaceutical, Inc. ("Client" or "Recursion"). Tempus and Recursion are each individually a "Party" and are collectively the "Parties."

Background

Tempus is a technology company dedicated to advancing precision medicine through its proprietary products and services. Recursion would like to use Tempus' technology and data as further described in this Agreement.

Agreement

In consideration of the mutual promises described below, the Parties agree as follows:

1. **General**. During the Term, Tempus will provide "Services" and "Deliverables," each to the extent expressly identified in an Exhibit or fully executed Order Form under this Agreement. Tempus will also grant Client a license to certain "Licensed Data" or "Software," also to the extent included in an Exhibit or a fully executed "Order Form." The activities contemplated as of the date of this Agreement are described in the attached Exhibit(s), which may be supplemented by the Parties from time to time. Tempus will perform all Services in a professional and workmanlike manner using personnel appropriately skilled in the art of the requested Services.

2. **Fees**. Client agrees to pay Tempus all fees listed in the applicable Exhibit or Order Form. Invoices under this Agreement are due and payable by Client within thirty (30) days of the invoice date. Interest will apply to any undisputed, overdue invoices at a rate of the lesser of (a) 1.0% per month, and (b) the highest rate permitted by applicable law. Client is responsible for payment of any taxes arising out of or related to this Agreement.

3. **Insurance**. During the Term, each Party will maintain the following insurance at its own expense: (i) commercial general liability insurance with limits not less than $1 million per occurrence and $3 million annual aggregate; (ii) professional liability/errors and omissions insurance with limits not less than $1 million per occurrence and $2 million annual aggregate; and (iii) workers' compensation insurance at statutory limits (minimum $500,000). The insurance required above may be maintained through umbrella and/or self-insurance.

4. **Research Use Only**. Client agrees that unless otherwise specified in the applicable Exhibit or Order Form, information provided by Tempus under this Agreement is for research use and, as expressly set for herein, other Permitted Uses only. Client also agrees that: (a) Tempus does not recommend, endorse, or make any representation about the efficacy or appropriateness of any therapy, procedure, or treatment described in any report or information made available by Tempus; (b) if reports and information provided by Tempus are reviewed by a treating clinician, that clinician (and not Tempus) is responsible for decisions regarding patient care; and (c) Client is solely responsible for its use of reports and information made available by Tempus. All information and reports provided by Tempus are subject to any notes, explanations, limitations, and disclaimers included therein.

5. **Client's Policies**. Because Client is in the best position to interpret and apply its requirements and those of its affiliates, Client agrees that Client is solely responsible for complying with all such policies, rules, guidelines, and similar requirements, including, where applicable, requirements that govern research subject consent; the collection, processing, transfer, analysis, use, and storage of research subject specimens and data; and similar laws and regulations that apply to Client or its affiliates (collectively, "Client Requirements"). Client will only provide specimens and data to Tempus to the extent such transfer, and Tempus' use of the specimens and data in accordance with this Agreement, complies with Client Requirements. Tempus disclaims any responsibility and liability for any breach of Client Requirements.

6. **Privacy, Confidentiality, and Intellectual Property.**

   a. *Privacy*. If Client provides Tempus with protected health information (as defined in the Health Insurance Portability and Accountability Act of 1996 and its implementing regulations ("HIPAA")) ("PHI") under this Agreement, the Parties will enter into a business associate agreement, which will be deemed incorporated into this Agreement.

   b. *Non-disclosure*. Any non-public information provided by a Party (the "Disclosing Party") to the other Party (the "Receiving Party") in connection with this Agreement, including specific terms and pricing, is the Disclosing Party's "Confidential Information." During the Term and the subsequent three (3) year period, the Receiving Party will maintain all Confidential Information in confidence and use it only as reasonably necessary to perform its obligations and exercise its rights under this Agreement. Confidential Information excludes information that (i) is publicly available through no fault of the Receiving Party or anyone to whom the Receiving Party made such information available; (ii) was lawfully obtained by the Receiving Party on a non-confidential basis from a third party; (iii) the Receiving Party can conclusively demonstrate was legally in its possession before the Disclosing Party provided it to the Receiving Party; or (iv) was independently developed by the Receiving Party or on its behalf without the use of any information provided to the Receiving Party by the Disclosing Party. In addition and notwithstanding anything to the contrary, the De-Identified Data (defined below) and any aggregated or otherwise de-identified data stored in Tempus' technology platform is not Client's Confidential Information under this Agreement.

   c. *Intellectual Property*. Except to the extent expressly stated otherwise, this Agreement does not grant either Party a license to or any right in the other Party's intellectual property. Without limiting the generality of the foregoing, Tempus reserves all rights in Tempus Materials, during the Term and otherwise. "Tempus Materials" means any data, technology, software, formulas, techniques or know-how and other tangible and intangible items that are owned or created by Tempus, and "Recursion Materials" means any data, technology, software, formulas, techniques or know-how and other tangible and intangible items that are owned or created by Recursion. Tempus will be and remain, at all times, the sole owner of the Tempus Materials, including any replacements, improvements, updates, enhancements, derivative works, and other modifications to the same. Recursion will be and remain, at all times, the sole owner of the Recursion Materials, including any replacements, improvements, updates, enhancements, derivative works, and other modifications to the same. Recursion will also own its copy of items provided under this Agreement that are expressly described as Deliverables in the applicable Exhibit or Order Form. For clarification, Licensed Data shall be considered Tempus Materials and never a Deliverable. Tempus Materials shall not include End User Generated Results, as defined in Exhibit 1, or other any other Recursion Materials.

d. *Data*. In service of Tempus' mission to advance precision medicine, Tempus makes use of de-identified data to facilitate innovation in therapies and patient care and to continuously improve its technology, computational and predictive models, and other products and services. Accordingly, except as stated otherwise in an Exhibit or Order Form, Tempus may retain a de-identified copy of all Deliverables generated by and clinical data made available to Tempus under this Agreement (collectively, the "De-Identified Data"). To the extent necessary, Tempus will de-identify such data in accordance with HIPAA, and for purposes of this Agreement, genomic sequencing data without other identifiers is not considered identifiable. Tempus owns the De-Identified Data and may use and share it for any purposes permitted under applicable law.

7. Indemnification.

a. *Mutual*. Each Party will defend, indemnify, and hold harmless the other Party, its board, officers, employees, suppliers, agents, successors, and assigns from and against any costs, losses, damages, liabilities, expenses, demands and judgments, including court costs and attorney fees (collectively, "Losses") that arise out of a third party claim based on the negligent acts or willful misconduct of the indemnifying Party's employees or agents that directly cause bodily injury or tangible property damage, if the injury or damage directly arises out of performance of this Agreement.

b. *By Tempus*. Tempus will defend, indemnify, and hold Client, its board, officers, employees, suppliers, agents, successors, and assigns harmless from and against any Losses that arise out of a third party claim alleging that the Tempus Materials used in providing the Services or any Software, Licensed Data or Deliverable directly infringes a copyright, a U.S. patent issued as of the Effective Date, or any third party trademark or violates applicable law. Tempus' obligations under this Subsection are Client's sole and exclusive remedy and Tempus' sole obligation for any alleged infringement of intellectual property. Tempus does not have any obligations under this Subsection for claims of infringement or misappropriation based upon or arising out of: (i) any Licensed Data, Deliverable, Software, or Tempus Materials modified without Tempus' approval; (ii) the use of any Licensed Data, Deliverable, Software, or Tempus Materials in combination with materials not provided by Tempus; or (iii) the use of any Licensed Data, Deliverable, Software, or Tempus Materials other than as permitted under this Agreement.

c. *By Client*. Client will defend, indemnify, and hold Tempus, its directors, officers, employees, suppliers, agents, successors, and assigns harmless from and against any Losses that arise out of a third party claim regarding its use of any Services, Software, Licensed Data, or Deliverables.

d. *Process*. The indemnification obligations in this Section are subject to the "Indemnified Party": (i) giving prompt notice to the "Indemnifying Party" of the claim for which indemnification is sought; (ii) reasonably cooperating in its defense; and (iii) granting the Indemnifying Party control over its defense and settlement. Any delay in notice will only excuse the Indemnifying Party's obligations under this Section to the extent its defense of the claim is adversely affected. The Indemnifying Party will not agree to any finding of fault, action, or forbearance by the Indemnified Party without its advance written consent.

8. Limitations. UNDER NO CIRCUMSTANCES WILL EITHER PARTY BE LIABLE FOR ANY SPECIAL, INCIDENTAL, EXEMPLARY, CONSEQUENTIAL, PUNITIVE, OR OTHER INDIRECT DAMAGES SUFFERED BY THE OTHER OR ANY OTHER PERSON ARISING FROM OR RELATED TO THIS AGREEMENT OR ANY SERVICES OR ACTIVITIES HEREUNDER, REGARDLESS OF WHETHER THE PARTY WAS ADVISED OF THE POSSIBILITY OF SUCH DAMAGES OR THEY WERE OTHERWISE FORESEEABLE. IN ADDITION, UNDER NO CIRCUMSTANCES WILL TEMPUS OR CLIENT BE LIABLE FOR ANY

INDIVIDUAL CLAIM, OR IN THE AGGREGATE FOR ALL CLAIMS, FOR ANY AMOUNT IN EXCESS OF THE GREATER OF THE FEES PAID BY CLIENT TO TEMPUS UNDER THIS AGREEMENT OR ONE HUNDRED THOUSAND DOLLARS ($100,000). THE LIMITATIONS SET FORTH IN THIS SECTION DO NOT APPLY TO EITHER PARTY'S PAYMENT OR INDEMNIFICATION OBLIGATIONS. TEMPUS DISCLAIMS ALL WARRANTIES AND REPRESENTATIONS NOT EXPRESSLY SET FORTH IN THIS AGREEMENT.

9. Term and Termination.

a. *Term*. This Agreement is effective as of the Effective Date and will continue until the date that is five (5) years after the Effective Date (the "Term"). Sections 4-10 will survive termination of this Agreement.

b. *Termination*. Either Party may terminate this Agreement if the other has committed a material breach that is not cured to the reasonable satisfaction of the non-breaching Party within thirty (30) days of receipt of written notice from the non-breaching Party. In addition, after the first three (3) years of the Term, Client may terminate this Agreement at its convenience and at any time by providing at least ninety (90) days written notice to the other Party, however, such termination will not apply to any ongoing Order Form(s) unless otherwise mutually agreed by the Parties, and applicable terms of the Agreement will survive until the surviving Order Form(s) are completed or terminated. In the event of such termination for convenience by the Client, Client will pay to Tempus an amount equal to (a) $[***] per unique record of Downloaded Data that Client has downloaded prior to termination less (b) the sum of any Annual License Fees paid prior to termination (the "Early Termination Fee"). [***].

c. *Regulatory Changes*. If either Party (the "Noticing Party") determines in good faith that a change in applicable law or regulation, or a change in how a current law or regulation is interpreted, (i) makes any part of this Agreement illegal or unenforceable, or (ii) materially changes the economic benefit or cost of performing this Agreement, then the Noticing Party will provide the other Party with a proposed amendment to this Agreement to address such change. The Parties will negotiate such amendment in good faith. If the Parties are unable to reach agreement within thirty (30) days of the initial notice, this Agreement will continue; provided that provisions materially impacted by the change in law or regulation (or interpretation thereof) shall be null and void, but only if such provisions are severable from the Agreement in a manner that does not materially impact the cost of performance or the economic benefit of the Agreement to either Party; if such condition is not met, the Agreement will terminate upon the expiration of such notice if the parties do not enter into a fully executed amendment addressing the matter. No liability will accrue to either Party for failure to perform under this Agreement during the period between notice under this Subsection and the earlier of (x) any amendment to or termination of this Agreement and (y) the expiration of such thirty (30)-day period.

d. *Termination Upon Bankruptcy, Insolvency and the Like*. Subject to applicable bankruptcy and insolvency laws, if either party (i) ceases the active conduct of business; (ii) voluntarily becomes subject to a bankruptcy or insolvency proceeding under federal or state statute; (iii) has filed against it an involuntary petition for bankruptcy that is not dismissed within sixty (60) days of filing; (iv) becomes insolvent or subject to direct control by a trustee, receiver, or similar authority; or (v) winds up or liquidates its business, voluntarily or otherwise, then the other party may, at its sole option, terminate this Agreement immediately upon written notice to the first party. All rights and licenses granted by Tempus to Client under or pursuant to any section of this Agreement are, and will otherwise be deemed to be, for purposes of Section 365(n) of the U.S. Bankruptcy Code, and other similar laws in any jurisdiction (collectively, with similar laws in which such sections appear,

the "Bankruptcy Laws"), nonexclusive licenses of rights to "intellectual property" as defined under the Bankruptcy Laws. The parties will retain and may fully exercise all of their respective rights and elections under the Bankruptcy Laws. All rights, powers and remedies of the parties as provided herein are in addition to and not in substitution for any and all other rights, powers and remedies now or hereafter existing at law or in equity (including the Bankruptcy Laws) in the event of the commencement of a case by or against the other party under the Bankruptcy Laws.

10. Miscellaneous.

a. *Governing Law and Disputes*. This Agreement will be governed exclusively by the laws of Illinois, without regard to its conflict of law principles. The parties consent to exclusive jurisdiction and venue of the federal and state courts in Cook County, Illinois. The Parties will use good faith efforts to work together to resolve any disputes related to this Agreement, using mutually escalating discussions as needed.

b. *Force Majeure*. Neither Party will be liable for any failure or delay of performance to the extent resulting from a cause outside of its reasonable control, such as natural disaster, strike, fire, pandemic, governmental action, terrorism, or war.

c. *Anti-Corruption*. Neither Party has received or been offered any illegal or improper payment, bribe, kickback, gift, or other item of value from an employee or agent of the other Party in connection with this Agreement. The Parties intend for their relationship and interactions under this Agreement to comply with the following: (i) the federal anti-kickback statute (42 U.S.C. § 1320a-7b(b)) and the associated safe harbor regulations; and (ii) the limitation on certain physician referrals (Stark Law) (42 U.S.C. § 1395nn). Accordingly, no part of any remuneration provided under this Agreement or any other agreement between the Parties is a prohibited payment in exchange for recommending or arranging for the referral of business or the ordering of items or services, or otherwise intended to induce illegal referrals of business.

d. *Exclusion and Debarment*. As of the date of this Agreement and to the best of Tempus' knowledge, neither Tempus nor any Tempus personnel providing Services under this Agreement: (i) have been the subject of a debarment proceeding under 21 U.S.C. § 335a; (ii) are excluded from participation in Medicare, Medicaid, or any other federal or state health care program; or (iii) are the subject of any government investigation that could result in such debarment or exclusion. If Tempus becomes aware of such an event during the Term with respect to Tempus personnel, it will promptly terminate its relationship with the affected personnel or remove them from providing Services to Client. If Tempus becomes aware of such an event with respect to itself during the Term, it will promptly inform Client, and Client may immediately terminate this Agreement.

e. *Notice*. Notice required under this Agreement will be in writing, delivered to the address for each Party listed above, and clearly identifiable as a legal notice. Client will designate its billing contact and invoice address, and any subsequent changes to such information, by email to billing@Tempus.com. All notices to Tempus should be sent to legal@tempus.com.

f. *Binding Effect; Assignment*. This Agreement is binding upon, and will inure to the benefit of, the successors and permitted assigns of the Parties. Either Party may assign its rights and responsibilities under this Agreement to any of its affiliates or in connection with a merger, acquisition, corporate reorganization or sale of all or substantially all of its assets; provided, in the case of such an assignment by Tempus, Tempus provides within reasonable amount of time written notice to Client of any such permitted assignment and the assignee agrees in writing to be bound by the terms and conditions of this Agreement, including without limitation with respect to

permitting Client to download, store, copy, use, compile, display, and access the Licensed Data, in each case in accordance with the rights and licenses set forth herein; and further provided, in the case of such an assignment by Recursion, the assignee agrees in writing to be bound by the terms and conditions of this Agreement, and also provided that Recursion may not assign this Agreement if the assignee is a Top 20 pharmaceutical company based on annual revenues for the trailing 12 months prior to assignment (each, a "Top 20 Pharma Company"), without the prior written consent of Tempus, not to be unreasonably withheld. If Tempus withholds its consent to a proposed assignment of this Agreement by Recursion to a Top 20 Pharma Company, Recursion shall have the right to terminate this Agreement upon thirty (30) days prior written notice to Tempus and payment of the Early Termination Fee, minus a [***] discount. Any other purported assignment is void.

g. *Subcontracting*. Tempus may subcontract certain of its rights and obligations under this Agreement. Any Tempus subcontractor is subject to the terms of this Agreement that would otherwise apply to Tempus, and Tempus is responsible for the acts and omissions of its subcontractor to the same extent as it is responsible for its own acts and omissions.

h. *Use of Name and Marks*. To the extent legally required and subject to redaction of information that is not required to be disclosed (e.g., detailed pricing), each Party has the right to make public statements regarding the existence of this Agreement and an accurate description of the Services without the consent of the other Party. Neither Party may use the other Party's name or marks for any other purpose without the other Party's advance written consent. Any approved use of the other Party's logo must be in the approved form and subject to any usage guidelines provided by the other Party.

i. *Relationship of the Parties*. The Parties are independent contractors. This Agreement does not create a partnership, franchise, joint venture, agency, fiduciary, or employment relationship between the Parties.

j. *Entire Agreement; Amendments and Waivers*. This Agreement, which includes all Exhibits and fully executed Order Forms, and amendments, is the entire understanding between the Parties on its subject matter and supersedes all prior or contemporaneous discussions, representations, and agreements, oral or written, between the Parties. Subject to Section 1 of the Agreement, Tempus shall accept any Client purchase orders made in accordance with this Agreement; provided any additional or inconsistent terms or conditions of any such purchase orders or similar standardized form given or received pursuant to this Agreement shall not be binding on Tempus and are hereby excluded. There are no third party beneficiaries to this Agreement. If any provision in this Agreement is held invalid or unenforceable, the remainder of the Agreement will remain enforceable to the fullest extent permitted by law, so long as such change does not materially change the cost or benefit of the Agreement to a Party. Any term or provision of this Agreement may be amended, and the observance of any term of this Agreement may be waived, only by a writing signed by the Parties. Failure to enforce any term of this Agreement is not a waiver. The terms of any Exhibit or fully executed Order Form will supersede the body of this Agreement to the extent necessary to address a direct conflict.

k. *Counterparts*. This Agreement may be executed in any number of counterparts, each of which is deemed an original and all of which taken together constitute the Agreement.

This Agreement is effective as of the date of the last signature by the Parties below (the "Effective Date").

k. "Reproduction" and variations thereof means any reproduction, display, disclosure, or publication of the Licensed Data other than in accordance with the Permitted Uses and all terms of the Agreement. Reproduction and variations thereof also include (i) any copies, excerpts, extracts, or mere translations of the Licensed Data, and (ii) data or information generated through use of a large language model or other AI/ML technology where the end result would allow a user to access or query the Licensed Data directly or would materially serve as a substitute for such access. For clarity, the immediately preceding sentence does not prohibit an Authorized User from accessing or querying downloaded copies of the Licensed Data in the Recursion Environment per Section 4(b) – (c).

l. "Results" means analyses, summaries, reports, visualizations, information, data, applications, models, and software, excluding diagnostic products or services (including diagnostic software and algorithms) other than as expressly permitted under the definition of "Permitted Uses" above, created with or based on Licensed Data during the License Term, including improvements, enhancements modifications, and derivative works thereof, so long as such Results do not represent a Reproduction of the Licensed Data.

2. License Grants.

a. *Licensed Data*. Subject to the terms and conditions herein and the Master Agreement (including payment of all fees), Tempus grants Client a limited, non-exclusive, revocable, non-transferable, right and license, without right of sublicense, which may be exercised through Authorized Users, to download, store, copy, use, compile, display, and access the cohort of Licensed Data, or compilations based upon such Licensed Data, only for Permitted Uses during the License Term. Client will ensure that any Reproduction by Client from the use of Licensed Data (or Reproduction of the Licensed Data itself) will include attribution to Tempus (for example, with Tempus' logo) with respect to the use and involvement of the Licensed Data obtained from Tempus (or its licensors) and any mutually agreed proprietary rights and disclaimer language with respect to the Licensed Data.

b. *Analytical Services*. To the extent documented in an Order Form, Tempus will grant Client a limited, non-exclusive, irrevocable, transferable, perpetual license, with the right to sublicense, to use Analytical Services Results for any lawful purpose.

c. *End User Generated Results*. To the extent Client creates End User Generated Results during the License Term, Client shall own such End User Generated Results and may continue using the End User Generated Results for Permitted Uses following the expiration or termination of the License Term, so long as such End User Generated Results do not Reproduce the Licensed Data.

3. **Licensed Data Services**. Tempus can provide certain Services to assist Client with using, accessing, and understanding the Licensed Data. Tempus will provide the Licensed Data Services described below in an amount (or for the duration) set forth in an Order Form executed by the parties (unless otherwise specified below):

   a. *Technical Services*. Technical Services help Client understand, access, and use the Licensed Data, including training, technical support, implementation guidance, and troubleshooting. Tempus will provide sufficient Technical Services during the Term to enable Recursion to use and access Licensed Data.

   b. *Analytical Services*. Analytical Services help Client process, examine, analyze, summarize, visualize, and report on the Licensed Data. Tempus leverages its existing technology and know-how to provide Analytical Services to surface factual insights that already exist within the Licensed Data. TEMPUS WILL NOT PROVIDE ANALYTICAL SERVICES UNDER THIS AGREEMENT UNLESS AND UNTIL APPROVED BY TEMPUS IN A SEPARATE MUTUALLY AGREED UPON WORK ORDER.

   c. *Strategic Collaboration Services*. Strategic Collaboration Services are designed to combine the Licensed Data with each Party's existing technology and know-how to identify new technologies, develop new products, and/or bring new products to market. Unlike Technical Services and Analytical Services, Strategic Collaboration Services must be subject to a separate agreement that sets forth, at a minimum, the Parties' respective obligations, any fees associated with the Strategic Collaboration Services, and the Parties' respective intellectual property rights regarding the results of the Strategic Collaboration Services. TEMPUS WILL NOT PROVIDE STRATEGIC COLLABORATION SERVICES UNDER THIS AGREEMENT UNLESS AND UNTIL APPROVED IN A SEPARATE MUTUALLY AGREED UPON WORK ORDER.

4. **Implementation of Licensed Data Terms.**

   a. *Recursion Environment.* Following the Effective Date, Recursion will establish, to the extent not already established, a secure environment (the "Recursion Environment"), which will be subject to industry best-practices technical and administrative security safeguards, to enable Recursion to carry out the Permitted Use activities described in this Exhibit, including accessing the Downloaded Data and for Permitted Uses. Recursion may store data, information, tools, software, and other materials other than the Licensed Data ("Additional Data") in the Recursion Environment to carry out the Permitted Use activities described in this Exhibit. The parties agree that such Additional Data constitutes the Confidential Information of Recursion and Recursion Materials. Recursion is and shall continue to cover all associated costs of the Recursion Environment.

   b. *Recursion Right to Download De-Identified Records*. Recursion will license Lens pursuant to a separate Subscription Agreement (see Exhibit 2, attached hereto). Recursion will use Lens to identify de-identified records that may be of interest to Recursion. Recursion will be permitted to download to the Recursion Environment up to a maximum of [***] de-identified records at any one time (the "Downloaded Data"). Recursion may not exceed [***] downloaded records of Downloaded Data at any one time (the "Downloaded Data Cap"). If Recursion wants to exceed [***] records, it must return an equal number of records of Downloaded Data so that the maximum number of records of Downloaded Data in the Recursion Environment at any time does not exceed [***]. Additionally, Recursion will not be permitted to access more than an aggregate total of [***]

unique records of Downloaded Data during the Term (collectively, the "Multi-Modal Record Category"), unless otherwise agreed upon by the Parties. [***]. Upon request of Downloaded Data files, Tempus will deliver the requested files as promptly as possible [***]. Tempus will provide Client with reasonable filtering parameters that will facilitate compliance with the timeline described in the immediately preceding sentence.

c. *Evaluation Period for De-Identified Records*. Recursion may download Downloaded Data for a period of 180 days from the date of download (the "Evaluation Period"). At the end of the 180-day Evaluation Period, Recursion must either return the Downloaded Data to Tempus or license them pursuant to an Order Form and the terms and conditions set forth herein. In all instances, the License Term for use of the Downloaded Data will terminate upon any termination or expiration of the Agreement.

d. *Transfer of De-Identified Records*. If Recursion elects to license the records, it will be permitted to transfer the files outside of the Recursion Environment and into any other secured repository subject to (i) Tempus' express written consent (such consent not to be unreasonably withheld), and (ii) the terms and conditions set forth herein. Recursion will indicate its interest to license the records by providing written notice to Tempus prior to the expiration of the Evaluation Period. Any de- identified record transferred to Recursion pursuant to this Section shall be considered Licensed Data.

e. *License Term for De-Identified Records*. Subject to the terms of the applicable Order Form and this Agreement, Recursion will be permitted to retain each Licensed Data record it elects to license pursuant to Sections 4(d) of this Exhibit until the later to occur of (i) five years, or (ii) the date on which the applicable Licensed Data record no longer has a regulatory use for a therapeutic in development by Client (the "Licensed Record Term"). At the conclusion of the Licensed Record Term, Recursion will return or destroy the record and all Reproductions thereof and certify such return or destruction in writing.

f. *Maximum Number of De-Identified Records*. During the Term, Recursion will be entitled to license up to a maximum of [***] Licensed Data records in the aggregate pursuant to Sections 4(c)-(d). Tempus, in its sole discretion, will determine whether Recursion will be permitted to exceed [***] Licensed Data records during the Term.

5. Compensation.

a. *Per De-Identified Record Fee*. For each Licensed Data record licensed pursuant to Sections 4(c)-(d) of this Exhibit, Recursion will pay Tempus an annual license fee [***].

b. *Annual License Fee.* Promptly after the Effective Date, Tempus will invoice Recursion for the first annual license fee hereunder, in an amount equal to $22,000,000 (the "Initial License Fee"). In addition, during the Term, Tempus will invoice Recursion for subsequent annual license fees during the Term, as follows: (i) $22,000,000 on the first anniversary of the Effective Date (ii) $32,000,000 on the second anniversary of the Effective Date and (iii) $42,000,000 on each of the third anniversary of the Effective data and the fourth anniversary of the Effective Date (each such license fee, the "Annual License Fee"). The Initial License Fee and each Annual License Fee shall be payable at Recursion's option either in the form of (x) cash, (y) shares of Class A Common Stock of Recursion, par value of $0.00001 per share ("Recursion Class A Common Stock"), or (z) a combination of cash and shares of Recursion Class A Common Stock in such proportion as is determined by Recursion in its sole discretion; provided that (a) the aggregate number of shares of Recursion Class A Common Stock that Recursion may issue in connection with all payments under

this Agreement shall not exceed the Share Maximum and (b) all or any portion of the Initial License Fee or any Annual License fee shall be payable in the Form of Recursion Class A Common Stock only if (i) all representations and warranties of Recursion set forth in Section 5.c. below are true and correct in all material respects (other than representations and warranties that are qualified as to "materiality," which representations and warranties shall be true and correct in all respects) at and as of the date on which such fee is paid as though made on such date, (ii) Recursion has obtained any and all consents, permits, approvals, registrations and waivers necessary for the issuance of such shares of Recursion Class A Common Stock, all of which are in full force and effect, and (iii) Recursion has filed with Nasdaq a Notification Form: Listing of Additional Shares for the listing of such shares of Recursion Class A Common Stock. In the event that all or any portion of the Initial License Fee or any Annual License Fee shall be payable in the form of Recursion Class A Common Stock, Recursion shall, subject to the Share Maximum, issue to Tempus a number of shares of Recursion Class A Common Stock equal to (1) the amount of such fee divided by (2) the VWAP of Recursion Class A Common Stock for the seven (7) Trading Day period ending on the Trading Day immediately preceding (and including) the date that is five (5) business days before the date on which such fee is paid. Any shares of Recursion Class A Common Stock issued to Tempus hereunder shall be delivered via book-entry record through the Transfer Agent and, as soon as practicable thereafter, Recursion shall provide a copy of the records of the Transfer Agent showing Tempus as the owner of such shares of Recursion Class A Common Stock.

For purposes of this Section 5.b., the following terms have the following meanings:

"Share Maximum" means a number of shares of Recursion Class A Common Stock equal to 19.9% of the sum of the total number of shares of Recursion Class A Common Stock and Class B Common Stock of Recursion, par value of $0.00001 per share, collectively, that are outstanding as of (a) the close of business on the date immediately preceding the date of this Agreement or (b) the close of business on the date immediately preceding the date any shares of Recursion Class A Common Stock are issued to Tempus pursuant to this Agreement, whichever is less.

"Trading Day" means any day on which Recursion Class A Common Stock is traded on The Nasdaq Global Select Market, or, if The Nasdaq Global Select Market is not the principal trading market for Recursion Class A Common Stock as such time, then on the principal securities exchange or securities market on which Recursion Class A Common Stock is then traded.

"Transfer Agent" means the transfer agent for the Recursion Class A Common Stock.

"VWAP" means, with respect to any multi-day period, the dollar volume-weighted average price for Recursion Class A Common Stock on the principal securities exchange or securities market on which it is then traded during the period beginning at 9:30:01 a.m., New York time (or such other time as such market publicly announces is the official open of trading) on the first day of such multi-day period and ending at 4:00:00 p.m., New York time (or such other time as such market publicly announces is the official close of trading) on the last day of such multi-day period, as reported by Bloomberg through its "HP" function (set to weighted average) or, if the foregoing does not apply, the dollar volume-weighted average price of Recursion Class A Common Stock in the over-the-counter market on the applicable electronic bulletin board during the period beginning at 9:30:01 a.m., New York time on the first day of such multi-day period and ending at 4:00:00 p.m., New York time on the last day of such multi-day period, as reported by Bloomberg, or, if no dollar volume-weighted average price is reported by Bloomberg for such hours, the average of the highest closing bid price and the lowest closing ask price of Recursion Class A Common Stock of any of the market makers as reported by OTC Markets Group Inc. during such multi-day period. If the VWAP cannot be calculated for multi-day period on any of

the foregoing bases, the VWAP shall be the fair market value per share of Recursion Class A Common Stock at the end of such multi-day period as mutually agreed by Tempus and Recursion. If Tempus and Recursion are unable to reach such mutual agreement on the fair market value per share of Recursion Class A Common Stock within twenty (20) days after any amount Recursion has determined to pay in shares of Recursion Class A Common Stock becomes payable, Recursion shall pay such amount to Tempus in cash.

c. *Representations and Warranties of Recursion*. Recursion hereby represents and warrants to Tempus as of the date of this Agreement and as of each date that all or any portion of the Initial License Fee or any Annual License Fee is paid in the form of Recursion Class A Common Stock that:

i. ii. The issuance of the Issued Recursion Shares will not (A) conflict with or result in a breach or violation of any material agreement or instrument to which Recursion is a party; (B) result in any violation of the provisions of the certificate of incorporation or bylaws of Recursion; or (C) result in any violation of any statute or any judgment, order, rule or regulation of any court or governmental agency or body, domestic or foreign, having jurisdiction over Recursion or any of its properties;

iii. The issuance of the Issued Recursion Shares requires no consent of, action by or in respect of, or filing with, any person, governmental body, agency, or official, including, without limitation, any consent, action by, or approval of shareholders of the Company, other than (A) filings that have been made pursuant to applicable state securities laws, (B) post-sale filings pursuant to applicable state and federal securities laws, and (C) filings pursuant to the rules and regulations of the Nasdaq Stock Market LLC ("Nasdaq"), each of which Recursion has filed or undertakes to file within the applicable time, and (D) filings required to be made by, or consents or action required to be obtained by, Tempus or its affiliates;

iv. Recursion has timely filed all reports, schedules, forms, statements and other documents required to be filed by Recursion under the Securities Act of 1933, as amended (the "Securities Act"), and the Securities Exchange Act of 1934, as amended (the "Exchange Act"), including pursuant to Section 13(a) or 15(d) thereof (collectively, the "SEC Filings"). At the time of filing thereof, the SEC filings complied in all material respects with the requirements of the Securities Act or the Exchange Act, as applicable, and the rules and regulations of the U.S. Securities and Exchange Commission (the "SEC") thereunder;

v. The issued and outstanding shares of Recursion Class A Common Stock are registered pursuant to Section 12(b) of the Exchange Act and are listed for trading on Nasdaq under the symbol "RXRX." Recursion is in compliance with applicable Nasdaq continued listing requirements;

vi. Assuming the accuracy of the representations and warranties of Tempus set forth in Section 5.d. below and compliance by Tempus with applicable federal and state securities laws with respect to such issuance, no registration under the Securities Act is required for the issuance of the Issued Recursion Shares by Recursion to Tempus;

vii. Recursion is not an "investment company" within the meaning of the Investment Company Act of 1940, as amended.

d. *Private Placement of Recursion Class A Common Stock*. The parties hereto hereby agree that any shares of Recursion Class A Common Stock issuable to Tempus pursuant to this Section 5 will be issued pursuant to one or more exemptions from registration pursuant to Section 4(a)(2) of the Securities Act and/or under Regulation D of the Securities Act and the exemption from qualification under applicable state securities laws. Tempus shall reasonably assist Recursion as may be necessary to comply with the securities and blue sky laws relating to the shares of Recursion Class A Common Stock issuable to Tempus pursuant to this Section 5. In connection with each issuance of shares of Recursion Class A Common Stock pursuant to this Section 5, Tempus represents and warrants as of the time of each such issuance that Tempus (i) is a "qualified institutional buyer" (as defined in Rule 144A under the Securities Act) or an institutional "accredited investor" as that term is defined in Rule 501(a) under Regulation D promulgated pursuant to the Securities Act; (ii) is acquiring such shares for its own account solely for investment purposes and not with a view towards, or for offer or sale in connection with, any distribution or dissemination thereof; (iii) has no present arrangement to sell such shares to or through any person or entity and understands that such shares must be held indefinitely unless such shares are resold pursuant to a registration statement under the Securities Act or an exemption from registration is available; (iv) is a sophisticated investor with the requisite knowledge and experience in financial and business matters to be capable of evaluating the merits and risks of an investment in Recursion, and has the ability to bear the economic risks of its investment in such shares; and (v) understands that such shares may bear one or more legends in substantially the following form and substance:

> "THE SECURITIES REPRESENTED HEREBY HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE "SECURITIES ACT"), OR UNDER THE SECURITIES LAWS OF ANY STATE. THESE SECURITIES ARE SUBJECT TO RESTRICTIONS ON TRANSFERABILITY AND RESALE AND MAY NOT BE TRANSFERRED OR RESOLD EXCEPT AS PERMITTED UNDER THE ACT AND APPLICABLE STATE SECURITIES LAWS, PURSUANT TO REGISTRATION OR EXEMPTION THEREFROM. INVESTORS SHOULD BE AWARE THAT THEY MAY BE REQUIRED TO BEAR THE FINANCIAL RISKS OF THIS INVESTMENT FOR AN INDEFINITE PERIOD OF TIME. THE ISSUER OF THESE SECURITIES MAY REQUIRE AN OPINION OF COUNSEL IN FORM AND SUBSTANCE SATISFACTORY TO THE ISSUER TO THE EFFECT THAT ANY PROPOSED TRANSFER OR RESALE IS IN COMPLIANCE WITH THE ACT AND ANY APPLICABLE STATE SECURITIES LAWS."

e. *Registration of Recursion Class A Common Stock*.

i. Recursion shall use commercially reasonable efforts to file or cause to be filed a registration statement (the "Registration Statement") under the Securities Act with the SEC (it being agreed that if Recursion is a well-known seasoned issuer as of the filing date, such registration statement shall be an automatic shelf registration statement, or a prospectus supplement to an effective automatic shelf registration statement, that shall become effective upon filing with the SEC pursuant to Rule 462(e) of the Securities Act) providing

for the resale by Tempus of all shares of Recursion Class A Common Stock issued with respect to the Initial License Fee or any Annual License Fee, if any, as soon as practicable but in no event later than thirty (30) days after each such issuance. Recursion shall use commercially reasonable efforts to cause each such registration statement to become effective as promptly as possible but in any event within thirty (30) days (or, in the event of a full review, up to ninety (90) days to the extent necessary) following its respective initial filing date and to keep such registration statement effective at all times until all shares registered thereunder have been sold or may be sold without restriction or volume limitation under Rule 144 (the "Effectiveness Period"). Recursion will provide a draft of the Registration Statement to Tempus for review at least five (5) business days in advance of the anticipated initial filing date. In no event shall Tempus be identified as a statutory underwriter in the Registration Statement without its prior written consent. Notwithstanding the foregoing sentence, Recursion may suspend the use of any prospectus included in any registration statements contemplated by this Section 5.e for not more than sixty (60) consecutive days or for a total of not more than ninety (90) days in any twelve (12) month period (an "Allowed Suspension") in the event that Recursion determines in good faith that such suspension is necessary to (A) delay the disclosure of material nonpublic information concerning Recursion, the disclosure of which at the time is not, in the good faith opinion of Recursion, in the best interests of Recursion or (B) amend or supplement any such registration statement or the related prospectus so that such registration statement or prospectus shall not include any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein not misleading in the light of the circumstances under which they were made; provided, that Recursion shall promptly notify Tempus in writing of the commencement of an Allowed Suspension and advise Tempus in writing to cease all sales under such registration statement until the end of the Allowed Suspension.

ii. Recursion shall: (A) advise Tempus by email to legal@tempus.com (1) as promptly as practicable after a Registration Statement or any amendment thereto has been filed with the SEC and when such Registration Statement or any post-effective amendment thereto has become effective other than, in each case, the filing or effectiveness of any amendment or deemed amendment that is made through the filing of any incorporated document; (2) as promptly as practicable of any request by the SEC for amendments or supplements to any Registration Statement or the prospectus included therein or for additional information with respect thereto other than, in each case, for any such request or such additional information that relates to documents incorporated in any Registration Statement or prospectus; (3) within two (2) trading days after the date of the issuance by the SEC of any stop order suspending the effectiveness of any Registration Statement or the initiation of any proceedings for such purpose; (4) within two (2) trading days after the receipt by Recursion of any notification with respect to the suspension of the qualification of the shares of Recursion Class A Common Stock included therein for sale in any jurisdiction or the initiation or threatening of any proceeding for such purpose; and (5) within four (4) trading days after the occurrence of any event that requires the making of any changes in any Registration Statement or prospectus or the documents incorporated therein so that, as of such date, the statements therein are not misleading and do not omit to state a material fact required to be stated therein or necessary to make the statements therein (in the case of a prospectus, in the light of the circumstances under which they were made) not misleading; *provided* that the Company will not have any obligation to advise Tempus pursuant to this clause ii.(A)(5) to the extent that the information is filed with the SEC within such four (4) trading days; and *provided further* that Recursion shall not, when so advising Tempus of such events pursuant to this clause ii.(A)(5), be required to provide

Tempus with any material, non-public information regarding Recursion, and (B) with a view to making available to Tempus the benefits of Rule 144 that may, at such times as Rule 144 is available to Tempus, permit Tempus to sell securities of Recursion to the public without registration, Recursion agrees to, for so long as Tempus owns shares of Recursion Class A Common Stock, use commercially reasonable efforts to: (1) make and keep public information available, as those terms are understood and defined in Rule 144 and (2) file with the SEC in a timely manner all reports and other documents required of Recursion under the Securities Act and the Exchange Act so long as Recursion remains subject to such requirements and the filing of such reports and other documents is required for the applicable provisions of Rule 144.

iii. Subject to receipt from Tempus by Recursion and the Transfer Agent of customary representations and other documentation reasonably acceptable to Recursion and the Transfer Agent in connection therewith, Recursion shall remove any legend from the book entry position evidencing the shares of Recursion Class A Common Stock issued hereunder and Recursion will, if required by the Transfer Agent, use its commercially reasonable efforts to cause an opinion of Recursion's counsel be provided, in a form reasonably acceptable to the Transfer Agent to the effect that the removal of such restrictive legends in such circumstances may be effected under the Securities Act, (1) following the time the Registration Statement is declared effective, (2) if such shares have been sold pursuant to Rule 144 or any other applicable exemption from the registration requirements of the Securities Act, or (3) if such shares are eligible for resale under Rule 144(b)(1) or any successor provision without the requirement for Recursion to be in compliance with the current public information requirement under Rule 144 and without volume or manner-of-sale restrictions applicable to the sale or transfer of such Shares. If restrictive legends are no longer required for such shares pursuant to the foregoing, Recursion shall, in accordance with the provisions of this section and within two (2) trading days of any request therefor from Tempus accompanied by such customary and reasonably acceptable representations and other documentation referred to above establishing that restrictive legends are no longer required, use commercially reasonable efforts to deliver to the Transfer Agent irrevocable instructions to make a new, unlegended entry for such book entry shares. Tempus agrees with Recursion that it will only sell shares of Recursion Class A Common Stock pursuant to either the registration requirements of the Securities Act, including any applicable prospectus delivery requirements, or an exemption therefrom, and that if shares are sold pursuant to the Registration Statement, they will be sold in compliance with the plan of distribution set forth therein, and acknowledges that the removal of the restrictive legend from certificates representing shares as set forth above is predicated upon Recursion's reliance upon this understanding.

iv. Recursion agrees to indemnify and hold harmless, to the extent permitted by law, Tempus, its directors, officers, employees, advisors and agents, and each person who controls Tempus (within the meaning of the Securities Act or the Exchange Act) and each affiliate of Tempus (within the meaning of Rule 405 under the Securities Act) from and against any and all losses, claims, damages, liabilities, costs and out-of-pocket expenses (including, without limitation, any reasonable and documented attorneys' fees and expenses incurred in connection with defending or investigating any such action or claim) ("Losses") that arise out of, are based on or are caused by (A) any untrue or alleged untrue statement of material fact contained in any Registration Statement, prospectus included in any Registration Statement or preliminary prospectus or any amendment thereof or supplement thereto or any omission or alleged omission of a material fact required to be stated therein or necessary to make the statements therein (in the case of any prospectus or preliminary

prospectus or any amendment thereof or supplement thereto, in light of the circumstances under which they were made) not misleading, or (B) subject to the accuracy of the representations and warranties of Tempus in Section 5.d above and compliance by Tempus with applicable federal and state securities laws with respect to the Issued Recursion Shares, any violation by Recursion of the Securities Act, the Exchange Act or any state securities law or any rule or regulation thereunder relating to action or inaction required of Recursion in connection with registration of any Issued Recursion Shares thereunder, except to the extent, but only to the extent, such Losses are based solely upon information regarding Tempus furnished in writing to Recursion by or on behalf of Tempus expressly for use therein or was reviewed and approved in writing by Tempus expressly for use in the Registration Statement.

v. Tempus agrees to indemnify and hold harmless Recursion, its directors and officers and agents and each person who controls Recursion (within the meaning of the Securities Act) against any Losses that arise out of, are based on or are caused by (A) any breach or violation of any representations and warranties of Tempus in Section 5.d above, or any failure by Tempus to comply with applicable federal and state securities laws with respect to the issuance or transfer of any Issued Recursion Shares, (B) any untrue or alleged untrue statement of material fact contained in any Registration Statement, prospectus included in any Registration Statement or preliminary prospectus or any amendment thereof or supplement thereto or any omission of a material fact required to be stated therein or necessary to make the statements therein (in the case of any prospectus or preliminary prospectus or any amendment thereof or supplement thereto, in light of the circumstances under which they were made) not misleading, but only to the extent that such untrue statement or omission is based on information regarding Tempus furnished in writing to Recursion by or on behalf of Tempus expressly for use therein, and (C) the use by Tempus of a prospectus during an Allowed Suspension after Recursion has notified Tempus in writing of such Allowed Suspension. In no event shall the aggregate liability of Tempus under this clause (v) be greater in amount than the dollar amount of the net proceeds received by Tempus upon the sale of the shares issued pursuant to this Agreement giving rise to such indemnification obligation.

Accordingly, no part of any remuneration provided under this Agreement or any other agreement between the Parties is a prohibited payment in exchange for recommending or arranging for the referral of business or the ordering of items or services, or otherwise intended to induce illegal referrals of business.

v. Tempus has obtained all consents and authorizations necessary to provide Recursion access to the Licensed Data for use in accordance with this Agreement. Tempus will comply with all applicable laws and industry-standard guidelines when carrying out activities under this Agreement, including securities laws, antitrust laws, HIPAA, the U.S. Food and Drug Administration (FDA) Guidance on Industry-Supported Scientific and Educational Activities, the Federal Food, Drug, and Cosmetic Act and associated regulations, federal and state anti-kickback laws and guidance, the Council of Medical Specialty Societies (CMSS) Code of Interactions with Companies, the American Medical Association Code of Medical Ethics and associated opinions, policies adopted by the FDA relating to industry- sponsored educational activities, the Accreditation Council for Continuing Medical Education (ACCME) Standards for Commercial Support, the Pharmaceutical Research and Manufacturers of America (PhRMA) Code on Interactions with Healthcare Professionals, and the ICMJE Recommendations for publication authorship.

c. *Regulatory Filings*. As between the Parties, Client will have sole control over any regulatory filings with respect to results obtained from use of Licensed Data. Client may disclose limited portions of the Licensed Data to governmental authorities to the extent necessary to support such filings, if Client uses all reasonable efforts to protect the confidentiality of the Licensed Data, limit the risk of re-identification, and properly attribute Licensed Data to Tempus. Any disclosure beyond the limited disclosure described in this paragraph shall require Tempus' prior written consent, which shall not be unreasonably withheld.

d. *Security Incident Reporting*. Each Party agrees to notify the other Party promptly, but in no event later than ten (10) business days after becoming aware of the occurrence of: (i) a potential security breach involving Licensed Data; (ii) re-identification of any of the Licensed Data; (iii) a complaint related to a request for access to the Licensed Data; or (iv) any inquiry, investigation, audit, or government enforcement action related to the Licensed Data. If Client or any of Client's Affiliates becomes legally compelled to disclose any Licensed Data, then to the extent permitted by applicable law, Client will notify Tempus as soon as practical, but in any event within ten (10) business days of learning of such requirement, so that Tempus may seek a protective order or other appropriate remedy. If any of the events set out in this Section occurs, Client agrees to cooperate and cause Client's Affiliates to cooperate with Tempus and take any actions reasonably requested by Tempus to minimize the re-identification risk and potential damage resulting from the event.

e. *Non-Exclusivity*. This is a non-exclusive agreement. Nothing in this Agreement will prevent Tempus from (a) making available to other clients the same or substantially similar services and licenses, or (b) making available to other Tempus clients custom data sets that are the same or similar to the Licensed Data, so long as none of the foregoing include use of Client's Confidential Information. Client acknowledges that Tempus' or Tempus licensees' use of Licensed Data may result in the same or similar outcomes, conclusions, reports, and other results.

f. *NO OTHER REPRESENTATIONS OR WARRANTIES. EXCEPT AS EXPRESSLY PROVIDED:*

i. TEMPUS DISCLAIMS ANY AND ALL EXPRESS, IMPLIED, STATUTORY, AND OTHER WARRANTIES AND REPRESENTATIONS OF ANY KIND, INCLUDING WITHOUT LIMITATION ANY WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE, QUIET ENJOYMENT, QUALITY OF INFORMATION, OR TITLE.

ii. TEMPUS MAKES NO REPRESENTATIONS OR WARRANTIES ABOUT THE SUITABILITY OR ACCURACY OF ANY SERVICES, THE LICENSED DATA, OR ANY OTHER TEMPUS MATERIALS. TEMPUS USES DATA PROVIDED TO TEMPUS BY THIRD PARTIES THAT HAS BEEN DE-IDENTIFIED TO CREATE THE LICENSED DATA "AS IS" AND IS NOT RESPONSIBLE FOR THE ACCURACY, COMPLETENESS, AND/OR INTEGRITY OF SUCH DATA. TEMPUS DISCLAIMS ANY LIABILITY RESULTING FROM ANY SUCH ISSUES RELATING TO SUCH DATA. TEMPUS HAS NO LIABILITY FOR CLINICAL, OPERATIONAL, BUSINESS, OR ANY OTHER DECISIONS MADE BY YOU, YOUR AFFILIATES, OR AUTHORIZED USERS BASED ON THE LICENSED DATA.

iii. ALL TECHNOLOGY, RIGHTS AND SERVICES ARE LICENSED AND OTHERWISE PROVIDED "AS IS," "WHERE-IS," AND "WITH ALL FAULTS."

Exhibit 2
Lens Subscription Agreement

This Subscription Agreement (the "Subscription Agreement") is entered into by and between Tempus Labs, Inc. ("Tempus") and Recursion Pharmaceuticals, Inc. ("Client"), incorporates by reference the Lens Terms of Use (accessible via Lens), and is subject to that Master Agreement entered into between the Parties (as may be amended or restated, the "Master Agreement"). Capitalized terms not defined herein shall have the meanings set forth in the Master Agreement.

1. Software and Accounts.

a. *Software*. The "Software" is Tempus' LENS software, an online application that permits the viewing and analysis of clinical, molecular, and other health data (collectively "Data") maintained by Tempus. The Software provides a view of health information that does not include the 18 identifiers listed in the Safe Harbor method for de-identification set forth in 45 C.F.R. § 164.514(b)(2)(i). The features, functionality, user interface, look-and-feel, and other aspects of the Software may change from time to time in Tempus' sole discretion, provided that Tempus will provide Client with the most recent version of the Software so long as Client remains current on the Subscription Fee.

b. *Provision of LENS*. Tempus will make the Software available to Client pursuant to this Subscription Agreement. Client may provide Software access to up to [***] named employees or contractors of Client or its affiliates, and Client will notify Tempus which such individuals should be granted access to the Software (each, a "User"). Client will also provide Tempus with contact information for one or more authorized representatives to manage all available access limitations. Tempus will rely on Client and/or its authorized representative to manage its LENS permissions. Each User must keep their account credentials for the Software confidential. Client is responsible for all acts and omissions of its Users.

2. Subscription Fee. Recursion will pay Tempus $[***] per year for the duration of the Term ("Subscription Fee"). Tempus will issue the first invoice as of the Effective Date and subsequent invoices annually through the fourth anniversary of the Effective Date. The total Subscription Fee will be $[***] during the Term, and shall continue at the same rate of $[***] per year if the Master Agreement is extended or renewed in accordance with the Master Agreement.

3. Term and Termination. The Term of the Master Agreement is incorporated by reference. In addition, Client's license to use the Software will terminate as of the termination date of the Master Agreement. In addition, Tempus may suspend Client's access to the Software without liability upon thirty (30) days prior written notice to Client (which such notice period may be reduced or eliminated in Tempus' reasonable discretion to address a material security threat), if (a) Client or any User breaches this Subscription Agreement, or (b) Tempus has reason to believe that Client or any person or entity accessing the Software through Client is abusing the Software or is using it unlawfully or in a manner that threatens the security or integrity of the Software, and in each case does not cure such breach or threat to the security or integrity of the Software during such thirty (30)-day period.

4. Optional Structured Data Services for Healthcare Providers.

a. *Data Updates*. The health data made available to Client through the Software may include the health records of patients who received care or participated in research through Client and/or its affiliates. Some patients may have received next-generation sequencing through Tempus. Client may provide Tempus with updated medical records from such patients or records of other patients who received sequencing or other testing from laboratories other than Tempus (collectively, "Data Updates"), to improve the view of the health data available to Client through the Software.

b. *Description of Data Structuring Services*. If Client provides Data Updates to Tempus, Tempus will extract data elements from the records, organize those data elements into a structured format, and make the structured data available through the Software. Tempus will treat all protected health information received under this Section 4 in accordance with the terms of the BAA, if any. Client retains ownership of any protected health information provided to Tempus hereunder.

5. **Client Policies**. Client agrees that it is solely responsible for complying with all of it and its affiliates' policies, rules, guidelines, and similar requirements, including requirements that govern patient consent and the collection, processing, transfer, analysis, use, and storage of protected health information ("Client Policies"). Client will only provide data, if any, to Tempus, and use the data accessible through the Software, to the extent such transfer and use, as well as Tempus' use of any such data to be provided to Tempus in accordance with this Subscription Agreement, complies with Client Policies. Tempus disclaims any responsibility and liability for any breach of Client Policies as they apply to data and specimens provided by Client to Tempus hereunder.

6. **Data Use**. Through its use of the Software, Client and its Users may have access to de-identified data from Tempus' database that does not originate from Client (the "Licensed Data"). With respect to the Licensed Data, Client agrees to the Licensed Data Terms set forth in Exhibit 1 of the Master Agreement on behalf itself and all Users.

7. **Additional Terms.**

a. *No orders required*. Client and its ordering clinicians are under no obligation to recommend, order, or otherwise refer Tempus tests or services in order to have access to the Software.

b. *Assignment*. This Subscription Agreement is binding upon, and will inure to the benefit of, the successors and permitted assigns of the Parties. Either Party may assign its rights and responsibilities under this Subscription Agreement to any of its affiliates or in connection with a merger, acquisition, corporate reorganization, or sale of all or substantially all of its assets; provided, in the case of such an assignment by Tempus, Tempus provides within a reasonable amount of time written notice to Client of any such permitted assignment and the assignee agrees in writing to be bound by the terms and conditions of this Agreement, including without limitation with respect to permitting Client to download, store, copy, use, compile, display, and access the Licensed Data, in each case in accordance with rights and licenses set forth herein. Any other purported assignment is void.

Exhibit 10.23

EXECUTIVE EMPLOYMENT AGREEMENT

This **EXECUTIVE EMPLOYMENT AGREEMENT** dated as of January 1, 2023 ("***Agreement***") is by and between **ANDY POLOVIN** ("***Executive***") and **TEMPUS LABS, INC.** ("***Company***").

WHEREAS, the Company desires to employ Executive as General Counsel and provide Executive with certain compensation and benefits in return for Executive's services, and Executive agrees to be employed by the Company in such capacity and to receive the compensation and benefits on the terms and conditions set forth herein; and

WHEREAS, the Company and Executive desire to enter into this Employment Agreement (the "***Agreement***") to become effective immediately, subject to Executive's signature below (the "***Effective Date***") in order to memorialize the terms and conditions of Executive's employment by the Company upon and following the Effective Date.

NOW, THEREFORE, in consideration of the mutual promises and covenants contained herein, the parties agree to the following:

1. Employment by the Company.

1.1 Position. Subject to the terms set forth herein, the Company agrees to employ Executive in the position of General Counsel, and Executive hereby accepts such continued employment on the terms and conditions set forth in this Agreement.

1.2 Duties. As General Counsel, Executive will report to the Chief Executive Officer (the "***CEO***") and such other individual(s) as assigned, performing such duties as are normally associated with Executive's position and such duties as are assigned to Executive from time to time, subject to the oversight and direction of the CEO. During the term of Executive's employment with the Company, Executive will work on a full-time basis for the Company and will devote Executive's best efforts and substantially all of Executive's business time and attention to the business of the Company. Executive shall perform Executive's duties under this Agreement principally out of the Company's facility in Chicago. In addition, Executive shall make such business trips to such places as may be necessary or advisable for the efficient operations of the Company.

1.3 Company Policies and Benefits. The employment relationship between the parties shall also be subject to the Company's personnel policies and procedures as they may be interpreted, adopted, revised or deleted from time to time in the Company's sole discretion. Executive will be eligible to participate on the same basis as similarly situated employees in the Company's benefit plans in effect from time to time during Executive's employment. All matters of eligibility for coverage or benefits under any benefit plan shall be determined in accordance with the provisions of such plan. The Company reserves the right to change, alter, or terminate any benefit plan in its sole discretion. Notwithstanding the foregoing, in the event that the terms of this Agreement differ from or are in conflict with the Company's general employment policies or practices, this Agreement shall control.

2. Compensation.

2.1 Salary. Executive shall receive for Executive's services to be rendered under this Agreement an initial base salary of **$500,000** on an annualized basis, subject to review and adjustment by the Company in its sole discretion, payable subject to standard federal and state payroll withholding requirements in accordance with the Company's standard payroll practices ("***Base Salary***").

2.2 Equity Incentive Plan. During the term of Executive's employment with the Company, Executive will be eligible to participate in any then-current equity incentive plan as may be in effect from time to time and made available to similarly situated executive employees, subject to the terms of the associated plan documents and as determined by the Board of Directors of the Company (the "***Board***") in its sole discretion from time to time. The Company reserves the right to modify or terminate its incentive programs at any time in its sole discretion.

2.3 Expense Reimbursement. The Company will reimburse Executive for reasonable business expenses in accordance with the Company's standard expense reimbursement policy, as the same may be modified by the Company from time to time. The Company shall reimburse Executive for all customary and appropriate business-related expenses actually incurred and documented in accordance with Company policy, as in effect from time to time. For the avoidance of doubt, to the extent that any reimbursements payable to Executive are subject to the provisions of Section 409A of the Code: (a) any such reimbursements will be paid no later than December 31 of the year following the year in which the expense was incurred, (b) the amount of expenses reimbursed in one year will not affect the amount eligible for reimbursement in any subsequent year, and (c) the right to reimbursement under this Agreement will not be subject to liquidation or exchange for another benefit.

3. Confidentiality, Intellectual Property, and Protective Covenants Agreement. As a condition of continued employment, Executive agreed to execute and abide by a Confidentiality, Intellectual Property, and Protective Covenants Agreement ("***Proprietary Information Agreement***"), which may be amended by the parties from time to time without regard to this Agreement. The Proprietary Information Agreement contains provisions that are intended by the parties to survive and do survive termination of this Agreement, and such terms are hereby incorporated by reference.

4. Outside Activities during Employment. Except with the prior written consent of the Board, including consent given to Executive prior to the signing of this Agreement, Executive will not, while employed by the Company, undertake or engage in any other employment, occupation or business enterprise that would interfere with Executive's responsibilities and the performance of Executive's duties hereunder except for (i) reasonable time devoted to volunteer services for or on behalf of such religious, educational, non-profit and/or other charitable organization as Executive may wish to serve, (ii) reasonable time devoted to activities in the non- profit and business communities consistent with Executive's duties; and (iii) such other activities as may be specifically approved by the Board. This restriction shall not, however, preclude Executive (x) from owning less than one percent (1%) of the total outstanding shares of a publicly traded company, or (y) from employment or service in any capacity with Affiliates of the Company. As used in this Agreement, "***Affiliates***" means an entity under common management or control with the Company.

5. No Conflict with Existing Obligations. Executive represents that Executive's performance of all the terms of this Agreement does not and will not breach any agreement or obligation of any kind made prior to Executive's employment by the Company, including agreements or obligations Executive may have with prior employers or entities for which Executive has provided services. Executive has not entered into, and Executive agrees that Executive will not enter into, any agreement or obligation, either written or oral, in conflict herewith.

6. Termination of Employment. The parties acknowledge that Executive's employment relationship with the Company is at-will, meaning either the Company or Executive may terminate Executive's employment at any time, with or without cause or advance notice. The provisions in this Section govern the amount of compensation, if any, to be provided to Executive upon termination of employment and do not alter this at-will status.

6.1 Termination without Cause or for Good Reason.

(a) The Company shall have the right to terminate Executive's employment with the Company pursuant to this **Section 6.1** at any time, in accordance with **Section 6.6**, without "Cause" (as defined in **Section 6.3(b)** below) by giving notice as described in **Section 7.1** of this Agreement. A termination pursuant to **Section 6.5** below is not a termination without "Cause" for purposes of receiving the benefits described in **Sections 6.1** or **Section 6.2**.

(b) If the Company terminates Executive's employment at any time without Cause or Executive terminates Executive's employment with the Company for Good Reason and provided that such termination constitutes a "separation from service" (as defined under Treasury Regulation Section 1.409A-1(h), without regard to any alternative definition thereunder, a "***Separation from Service***"), then Executive shall be entitled to receive the Accrued Obligations (defined below). If Executive complies with the obligations in **Section 6.1(c)** below, Executive shall also be eligible to receive the following "***Severance Benefits***":

(i) The Company will pay Executive an amount equal to Executive's then current Base Salary for twelve (12) months, less all applicable withholdings and deductions, paid in equal installments on the Company's normal payroll schedule following the termination date, with the first payment beginning on the Severance Pay Commencement Date (as defined in **Section 6.1(c)** below), and the remaining installments occurring on the Company's regularly scheduled payroll dates thereafter; provided that on the Severance Pay Commencement Date, the Company will pay in a lump sum the aggregate amount of the cash severance payments that the Company would have paid Executive through such date had the payments commenced on the effective date of termination through the Severance Pay Commencement Date. In addition, during the six (6) month period following Executive's Separation from Service, Executive's equity will continue to satisfy any applicable time-based vesting condition, as though Executive remained employed by Company.

(c) If Executive timely elects continued coverage under COBRA for Executive and Executive's covered dependents under the Company's group health plans following such termination, then the Company shall pay the COBRA premiums necessary to continue Executive's and Executive's covered dependents' health insurance coverage in effect for Executive (and Executive's covered dependents) on the termination date until the earliest of: (i) twelve (12) months following the termination date (the "***COBRA Severance Period***"); (ii) the date when Executive becomes eligible for substantially equivalent health insurance coverage in connection with new employment or self-employment; or (iii) the date Executive ceases to be eligible for COBRA continuation coverage for any reason, including plan termination (such period from the termination date through the earlier of (i)-(iii), (the "***COBRA Payment Period***"). Notwithstanding the foregoing, if at any time the Company determines that its payment of COBRA premiums on Executive's behalf would result in a violation of applicable law (including, but not limited to, the 2010 Patient Protection and Affordable Care Act, as amended by the 2010 Health Care and Education Reconciliation Act), then in lieu of paying COBRA premiums pursuant to this Section, the Company shall pay Executive on the last day of each remaining month of the COBRA Payment Period, a fully taxable cash payment equal to the COBRA premium for such month, subject to applicable tax withholding (such amount, the "***Special Severance Payment***"), for the remainder of the COBRA Payment Period. Nothing in this Agreement shall deprive Executive of Executive's rights under COBRA or ERISA for benefits under plans and policies arising under Executive's employment by the Company. Executive will be paid all of the Accrued Obligations on the Company's first payroll date after Executive's date of termination from employment or earlier if required by law. Executive shall receive the Severance Benefits pursuant to **Section 6.1(b)** or the Change in Control Severance Benefits (defined below) pursuant to **6.2(a)** of this Agreement, as applicable, if: (i) Executive executes and does not revoke a separation agreement containing an effective, general release of claims in favor of the Company and its affiliates and representatives, in a form acceptable to the Company (the "***Release***") and the Release is enforceable and effective as provided in the Release on or before the date that is the sixtieth (60^{th}) day following the effective date of termination (such 60^{th} day, the "***Severance Pay Commencement Date***"); (ii) if Executive holds any other positions with the Company, Executive resigns such position(s) to be effective no later than the date of Executive's termination date (or such other date as requested by the Board); (iii) Executive returns all Company property; (iv) Executive complies with Executive's post-termination obligations under this Agreement and the Proprietary Information Agreement; and (v) Executive complies with the terms of the Release, including without limitation any non-disparagement and confidentiality provisions contained in Release.

(d) For purposes of this Agreement, "***Accrued Obligations***" are (i) Executive's accrued but unpaid salary through the date of termination, (ii) any unreimbursed business expenses incurred by Executive payable in accordance with the Company's standard expense reimbursement policies, and (iii) benefits owed to Executive under any qualified retirement plan or health and welfare benefit plan in which Executive was a participant in accordance with applicable law and the provisions of such plan.

(e) The Severance Benefits provided to Executive pursuant to this **Section 6.1** are in lieu of, and not in addition to, any benefits to which Executive may otherwise be entitled under any Company severance plan, policy or program.

(f) Any damages caused by the termination of Executive's employment without Cause would be difficult to ascertain; therefore, the Severance Benefits for which Executive is eligible pursuant to **Section 6.1(b)** above in exchange for the Release is agreed to by the parties as liquidated damages, to serve as full compensation, and not a penalty.

(g) For purposes of this Agreement, "***Good Reason***" shall mean the occurrence of any of the following events without Executive's consent: (i) a material reduction in Executive's Base Salary of at least 25%; (ii) a material breach of this Agreement by the Company; (iii) a material reduction in the Executive's duties, authority and responsibilities relative to the Executive's duties, authority, and responsibilities in effect immediately prior to such reduction (provided that a material reduction of duties, authority and responsibilities will not be deemed to have occurred if, in connection with a Change in Control, Executive is not reporting to the individual in the same role as Executive's prior manager at the acquirer or any other top-tier holding company above the acquirer); or (iv) the relocation of Executive's principal place of employment, without Executive's consent, in a manner that lengthens Executive's one-way commute distance by fifty (50) or more miles from his then-current principal place of employment immediately prior to such relocation; *provided, however,* that, any such termination by Executive shall only be deemed for Good Reason pursuant to this definition if: (1) Executive gives the Company written notice of his intent to terminate for Good Reason within thirty (30) days following the first occurrence of the condition(s) that Executive believes constitute(s) Good Reason, which notice shall describe such condition(s); (2) the Company fails to remedy such condition(s) within thirty (30) days following receipt of the written notice (the "***Cure Period***"); and (3) Executive voluntarily terminates Executive's employment within thirty (30) days following the end of the Cure Period.

6.2 Termination without Cause or for Good Reason Coincident with a Change in Control.

(a) If Executive's employment by the Company is terminated by the Company or any successor entity without Cause (and not due to Disability or death) or by Executive for Good Reason within two (2) months prior to or within twelve (12) months following the effective date of a "***Change in Control***" (as defined in the Company's Amended and Restated 2015 Stock Plan, as such plan may be amended from time to time (the "***2015 Plan***")), provided that such termination constitutes a Separation from Service, without regard to any alternative definition thereunder, then in addition to paying or providing Executive with the Accrued Obligations and the Severance Benefits available under **Section 6.1**, the Company will provide the following "***Change in Control Severance Benefits***":

(i) Any equity awards held by Executive that were issued pursuant to the Company's 2015 Plan or any successor plan and that remain outstanding and are unvested as of the date of such termination will immediately vest in full. For the avoidance of doubt, if such termination occurs prior to the effective date of a Change in Control, any such equity awards will remain outstanding following the date of such termination as necessary to give effect to the potential vesting acceleration set forth in this **Section 6.2(a)(iv)**, which would occur contingent upon the consummation of a Change in Control.

6.3 Termination by the Company for Cause.

(a) The Company shall have the right to terminate Executive's employment with the Company at any time, in accordance with **Section 6.6**, for Cause by giving notice as described in **Section 7.1** of this Agreement. In the event Executive's employment is terminated at any time for Cause, Executive will not receive Severance Benefits, Change in Control Severance Benefits, or any other severance compensation or benefits, except that, pursuant to the Company's standard payroll policies, the Company shall pay to Executive the Accrued Obligations.

(b) ***"Cause"*** for termination shall mean that the Company has determined in its sole discretion that Executive has engaged in any of the following: (i) a material breach of any covenant or condition under this Agreement or any other agreement between the parties; (ii) any act constituting dishonesty, fraud, falsification of any documents or records, or immoral or disreputable conduct; (iii) any conduct which constitutes a felony or other criminal act involving corruption, misappropriation, or moral turpitude, or otherwise impairs your ability to perform your duties with the Company, under applicable law; (iv) material violation of any Company policy or any act of misconduct (including if Executive acts in a manner expected to have a material detrimental effect on the Company's reputation or business); (v) refusal to follow or implement a clear and reasonable directive of Company; (vi) negligence or incompetence in the performance of Executive's duties or failure to perform such duties in a manner satisfactory to the Company after the expiration of ten (10) days without cure after written notice of such failure; (vii) breach of fiduciary duty; or (viii) unauthorized use, misappropriation, destruction, or diversion of any tangible or intangible asset or corporate opportunity of the Company.

6.4 Resignation by Executive.

(a) Executive may resign from Executive's employment with the Company at any time, in accordance with **Section 6.6**, by giving notice as described in **Section 7.1**.

(b) In the event Executive resigns from Executive's employment with the Company for any reason other than Good Reason in accordance with **Sections 6.1 or 6.2**, Executive will not receive Severance Benefits, Change in Control Severance Benefits, or any other severance compensation or benefits, except that, pursuant to the Company's standard payroll policies, the Company shall pay to Executive the Accrued Obligations.

6.5 Termination by Virtue of Death or Disability of Executive.

(a) In the event of Executive's death while employed pursuant to this Agreement, all obligations of the parties hereunder shall terminate immediately, in accordance with **Section 6.6**, and the Company shall, pursuant to the Company's standard payroll policies, pay to Executive's legal representatives all Accrued Obligations.

(b) Subject to applicable state and federal law, the Company shall at all times have the right, upon written notice to Executive, and in accordance with **Section 6.6**, to terminate this Agreement based on Executive's Disability. Termination by the Company of Executive's employment based on "***Disability***" shall mean termination because Executive is unable due to a physical or mental condition to perform the essential functions of his position with or without reasonable accommodation for 180 days in the aggregate during any twelve (12) month period or based on the written certification by two licensed physicians of the likely continuation of such condition for such period. This definition shall be interpreted and applied consistent with the Americans with Disabilities Act, the Family and Medical Leave Act, and other applicable law. In the event Executive's employment is terminated based on Executive's Disability, Executive will not receive Severance Benefits, Change in Control Severance Benefits, or any other severance compensation or benefit, except that, pursuant to the Company's standard payroll policies, the Company shall pay to Executive the Accrued Obligations.

6.6 Notice; Effective Date of Termination.

(a) Termination of Executive's employment pursuant to this Agreement shall be effective on the earliest of:

(i) immediately after the Company gives notice to Executive of Executive's termination, with or without Cause, unless pursuant to Section 6.3(b)(vi) in which case ten (10) days after notice if not cured or unless the Company specifies a later date, in which case, termination shall be effective as of such later date;

(ii) immediately upon the Executive's death;

(iii) ten (10) days after the Company gives notice to Executive of Executive's termination on account of Executive's Disability, unless the Company specifies a later date, in which case, termination shall be effective as of such later date, *provided* that Executive has not returned to the full-time performance of Executive's duties prior to such date;

(iv) ten (10) days after the Executive gives written notice to the Company of Executive's resignation, *provided* that the Company may set a termination date at any time between the date of notice and the date of resignation, in which case the Executive's resignation shall be effective as of such other date. Executive will receive compensation through any required notice period; or

(v) for a termination for Good Reason, immediately upon Executive's full satisfaction of the requirements of **Section 6.1(g)**.

(b) In the event notice of a termination under subsections (a)(i) or (iii) is given orally, at the other party's request, the party giving notice must provide written confirmation of such notice within five (5) business days of the request in compliance with the requirement of **Section 7.1** below. In the event of a termination for Cause, written confirmation shall specify the subsection(s) of the definition of Cause relied on to support the decision to terminate.

6.7 Cooperation with Company after Termination of Employment. Following termination of Executive's employment for any reason, Executive agrees to cooperate fully with the Company in connection with its actual or contemplated defense, prosecution, or investigation of any claims or demands by or against third parties, or other matters arising from events, acts, or failures to act that occurred during the period of Executive's employment by the

Company. Such cooperation includes, without limitation, making Executive available to the Company upon reasonable notice, without subpoena, to provide complete, truthful and accurate information in witness interviews, depositions and trial testimony, and the failure to provide complete, truthful, and accurate information shall be a material breach of this Agreement and a basis for rescinding or forfeiting the benefits described herein. In addition, for twelve (12) months after Executive's employment with the Company ends for any reason, Executive agrees to cooperate fully with the Company in all matters relating to the transition of Executive's work and responsibilities on behalf of the Company, including, but not limited to, any present, prior or subsequent relationships and the orderly transfer of any such work and institutional knowledge to such other persons as may be designated by the Company. The Company will reimburse Executive for reasonable out-of-pocket expenses Executive incurs in connection with any such cooperation (excluding forgone wages, salary, or other compensation) and will make reasonable efforts to accommodate Executive's scheduling needs.

6.8 Application of Section 409A. It is intended that all of the severance payments payable under this Agreement satisfy, to the greatest extent possible, the exemptions from the application of Section 409A of the Code and the regulations and other guidance thereunder and any state law of similar effect (collectively, "***Section 409A***") provided under Treasury Regulations Sections 1.409A-1(b)(4) and 1.409A-1(b)(9), and this Agreement will be construed in a manner that complies with Section 409A. If not so exempt, this Agreement (and any definitions hereunder) will be construed in a manner that complies with Section 409A and incorporates by reference all required definitions and payment terms. No severance payments will be made under this Agreement unless Executive's termination of employment constitutes a "separation from service" (as defined under Treasury Regulation Section 1.409A-1(h)). For purposes of Section 409A (including, without limitation, for purposes of Treasury Regulations Section 1.409A-2(b)(2)(iii)), Executive's right to receive any installment payments under this Agreement (whether severance payments or otherwise) shall be treated as a right to receive a series of separate payments and, accordingly, each installment payment hereunder shall at all times be considered a separate and distinct payment. If the Company determines that the severance benefits provided under this Agreement constitutes "deferred compensation" under Section 409A and if Executive is a "specified employee" of the Company, as such term is defined in Section 409A(a)(2)(B)(i) of the Code at the time of Executive's Separation from Service, then, solely to the extent necessary to avoid the incurrence of the adverse personal tax consequences under Section 409A, the timing of the Severance will be delayed as follows: on the earlier to occur of (a) the date that is six months and one day after Executive's Separation from Service, and (b) the date of Executive's death (such earlier date, the "***Delayed Initial Payment Date***"), the Company will (i) pay to Executive a lump sum amount equal to the sum of the severance benefits that Executive would otherwise have received through the Delayed Initial Payment Date if the commencement of the payment of the severance benefits had not been delayed pursuant to this Section 6.8 and (ii) commence paying the balance of the severance benefits in accordance with the applicable payment schedule set forth in Section 6. No interest shall be due on any amounts deferred pursuant to this Section 6.8. To the extent that any Severance Benefits are deferred compensation under Section 409A of the Code and are not otherwise exempt from the application of Section 409A, then, if the period during which Executive may consider and sign the Release spans two calendar years, the payment of any such Severance Benefit will not be made or begin until the later calendar year.

6.9 Section 280G. Notwithstanding any other provision of this Agreement to the contrary, if payments made or benefits provided pursuant to this Agreement or otherwise from the Company or any person or entity are considered "parachute payments" under Section 280G of the Code, then such parachute payments will be limited to the greatest amount that may be paid to Executive under Section 280G of the Code without causing any loss of deduction to the Company Group under such section, but only if, by reason of such reduction, the net after tax benefit to Executive will exceed the net after tax benefit if such reduction were not made. "***Net after tax benefit***" for purposes of this Agreement will mean the sum of (i) the total amounts payable to the Executive under this Agreement, plus (ii) all other payments and benefits which the Executive receives or then is entitled to receive from the Company or otherwise that would constitute a "parachute payment" within the meaning of Section 280G of the Code, less (iii) the amount of federal and state income taxes payable with respect to the foregoing calculated at the maximum marginal income tax rate for each year in which the foregoing will be paid to Executive (based upon the rate in effect for such year as set forth in the Code at the time of termination of Executive's employment), less (iv) the amount of excise taxes imposed with respect to the payments and benefits described in (i) and (ii) above by Section 4999 of the Code. The determination as to whether and to what extent payments are required to be reduced in accordance with this Section 6.9 will be made at the Company's expense by a nationally recognized certified public accounting firm as may be designated by the Company prior to a change in control (the "***Accounting Firm***"). In the event of any mistaken underpayment or overpayment under this Agreement, as determined by the Accounting Firm, the amount of such underpayment or overpayment will forthwith be paid to Executive or refunded to the Company, as the case may be, with interest at one hundred twenty (120%) of the applicable Federal rate provided for in Section 7872(f)(2) of the Code. Any reduction in payments required by this Section 6.9 will occur in the following order: (1) any cash severance, (2) any other cash amount payable to Executive, (3) any benefit valued as a "parachute payment," (4) the acceleration of vesting of any equity awards that are options, and (5) the acceleration of vesting of any other equity awards. Within any such category of payments and benefits, a reduction will occur first with respect to amounts that are not "deferred compensation" within the meaning of Section 409A and then with respect to amounts that are. In the event that acceleration of compensation from equity awards is to be reduced, such acceleration of vesting will be canceled, subject to the immediately preceding sentence, in the reverse order of the date of grant.

7. General Provisions.

7.1 Notices. Any notices required hereunder to be in writing shall be deemed effectively given: (a) upon personal delivery to the party to be notified, (b) when sent by electronic mail or confirmed facsimile if sent during normal business hours of the recipient, and if not, then on the next business day, (c) five (5) days after having been sent by registered or certified mail, return receipt requested, postage prepaid, or (d) one (1) day after deposit with a nationally recognized overnight courier, specifying next day delivery, with written verification of receipt. All communications shall be sent to the Company at its primary office location and to Executive at either Executive's address as listed on the Company payroll, or Executive's Company-issued email address, or at such other address as the Company or Executive may designate by ten (10) days advance written notice to the other.

7.2 Severability. Whenever possible, each provision of this Agreement will be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Agreement is held to be invalid, illegal or unenforceable in any respect under any applicable law or rule in any jurisdiction, such invalidity, illegality or unenforceability will not affect any other provision or any other jurisdiction, but this Agreement will be reformed, construed and enforced in such jurisdiction as if such invalid, illegal or unenforceable provisions had never been contained herein.

7.3 Survival. Provisions of this Agreement which by their terms must survive the termination of this Agreement in order to effectuate the intent of the parties will survive any such termination for such period as may be appropriate under the circumstances.

7.4 Waiver. If either party should waive any breach of any provisions of this Agreement, it shall not thereby be deemed to have waived any preceding or succeeding breach of the same or any other provision of this Agreement.

7.5 Complete Agreement. This Agreement constitutes the entire agreement between Executive and the Company with regard to the subject matter hereof. This Agreement is the complete, final, and exclusive embodiment of their agreement with regard to this subject matter and supersedes any prior oral discussions or written communications and agreements, including the Prior Agreement. This Agreement is entered into without reliance on any promise or representation other than those expressly contained herein, and it cannot be modified or amended except in writing signed by Executive and an authorized officer of the Company. The parties have entered into a separate Proprietary Information Agreement and have or may enter into separate agreements related to equity. These separate agreements govern other aspects of the relationship between the parties, have or may have provisions that survive termination of Executive's employment under this Agreement, may be amended or superseded by the parties without regard to this Agreement and are enforceable according to their terms without regard to the enforcement provision of this Agreement.

7.6 Counterparts. This Agreement may be executed in separate counterparts, any one of which need not contain signatures of more than one party, but all of which taken together will constitute one and the same Agreement. The parties agree that facsimile and scanned image copies of signatures will suffice as original signatures.

7.7 Withholding Taxes. The Company will be entitled to withhold from any payment due to Executive hereunder any amounts required to be withheld by applicable tax laws or regulations.

7.8 Headings. The headings of the sections hereof are inserted for convenience only and shall not be deemed to constitute a part hereof nor to affect the meaning thereof.

7.9 Successors and Assigns. The Company shall assign this Agreement and its rights and obligations hereunder in whole, but not in part, to any Company or other entity with or into which the Company may hereafter merge or consolidate or to which the Company may transfer all or substantially all of its assets, if in any such case said Company or other entity shall by operation of law or expressly in writing assume all obligations of the Company hereunder as fully as if it had been originally made a party hereto, but may not otherwise assign this Agreement or its rights and obligations hereunder. Executive may not assign or transfer this Agreement or any rights or obligations hereunder, other than to his estate upon his death.

7.10 Choice of Law. All questions concerning the construction, validity and interpretation of this Agreement will be governed by the laws of the State of Delaware.

7.11 Dispute Resolution. The parties recognize that litigation in federal or state courts or before federal or state administrative agencies of disputes arising out of the Executive's employment with the Company or out of this Agreement, or the Executive's termination of employment or termination of this Agreement, may not be in the best interests of either the Executive or the Company, and may result in unnecessary costs, delays, complexities, and uncertainty. The parties agree that any dispute between the parties arising out of or relating to the negotiation, execution, performance or termination of this Agreement or the Executive's employment, including, but not limited to, any claim arising out of this Agreement, claims under Title VII of the Civil Rights Act of 1964, as amended, the Civil Rights Act of 1991, the Age Discrimination in Employment Act of 1967, the Americans with Disabilities Act of 1990, Section 1981 of the Civil Rights Act of 1966, as amended, the Family Medical Leave Act, the Executive Retirement Income Security Act, and any similar federal, state or local law, statute, regulation, or any common law doctrine, whether that dispute arises during or after employment, shall be settled by binding arbitration in accordance with the National Rules for the Resolution of Employment Disputes of the American Arbitration Association; *provided however,* that this dispute resolution provision shall not apply to any separate agreements between the parties that do not themselves specify arbitration as an exclusive remedy. The location for the arbitration shall be the Chicago, Illinois area. Any award made by such panel shall be final, binding and conclusive on the parties for all purposes, and judgment upon the award rendered by the arbitrators may be entered in any court having jurisdiction thereof. The arbitrators' fees and expenses and all administrative fees and expenses associated with the filing of the arbitration shall be borne by the Company; *provided however*, that at the Executive's option, Executive may voluntarily pay up to one-half the costs and fees. The parties acknowledge and agree that their obligations to arbitrate under this Section survive the termination of this Agreement and continue after the termination of the employment relationship between Executive and the Company. The parties each further agree that the arbitration provisions of this Agreement shall provide each party with its exclusive remedy, and each party expressly waives any right it might have to seek redress in any other forum, except as otherwise expressly provided in this Agreement. By electing arbitration as the means for final settlement of all claims, **the parties hereby waive their respective rights to, and agree not to, sue each other in any action in a Federal, State or local court with respect to such claims, but may seek to enforce in court an arbitration award rendered pursuant to this Agreement. The parties specifically agree to waive their respective rights to a trial by jury, and further agree that no demand, request or motion will be made for trial by jury.**
